The matriculation program at Riverside City College is intended to assist students in establishing appropriate educational goals and to provide support services to help them achieve these goals. Students eligible for matriculation will be provided an evaluation of basic skills, orientation, counseling, completion of an educational plan, and follow-up services.

Almost all first-time college freshmen must complete Assessment, Orientation, and Counseling prior to registering for classes.

Assessment of Basic Skills
Preparation levels are required for placement in English, ESL, mathematics, and reading courses. These placement levels are based on a combination of test scores and other academic experience. Because RCC uses multiple measure placement criteria, placement levels are enforced as prerequisites to courses. Students who have a documented disability requiring a unique accommodation can take the test in the Office of Disabled Students Programs and Services. To request this service, call: (951) 222-8060.

Most new students must take the Accuplacer test for placement into English, math, and reading courses, or the PTESL (Proficiency Test in English as a Second Language) for placement into ESL courses. Some returning students and students transferring to RCC from another college may need to test as well (consult a counselor).

RCC placement tests are available by appointment or on a walk-in basis depending on the type of test, college and time of the year. Appointment may be made by phone (see number below) or online at www.rcc.edu/services/assessment/appointments.cfm. An appointment is required for the PTESL. Limited testing is also available at the Rubidoux Annex (Accuplacer and PTESL). Call to confirm hours of service: Riverside (951) 222-8451 and Rubidoux (951) 328-3790.

Students are required to present photo identification in order to test; a state or federal issued driver’s license or ID is preferred, but passports and high school IDs are also acceptable. In order to preserve a comfortable and quiet testing environment, only students taking the test can remain in the Assessment Center.

Assessment tests are meant to be a one-time only assessment of your skills and abilities upon your initial entry into the college. Retesting is available under certain circumstances – consult a counselor or visit the Assessment website (below).

Students should be prepared for the testing experience. Extensive information is available at www.rcc.edu/services/assessment/index.cfm.

Orientation/Counseling
All first-time college freshmen are required to complete a freshman orientation/counseling session prior to registering for class. Two working days after completing the placement test, freshman orientation/counseling sessions are offered online at Riverside City College.

New students seeking to complete a freshman orientation/counseling session should log onto WebAdvisor at www.rcc.edu for the orientation link. During the session, students will be introduced to services and educational programs at Riverside City College, provided with information on registration procedures and placement results, and assisted in developing their first semester educational plans. New students who have not completed Guidance 45 (Introduction to College) are encouraged to register for this course during their first semester at RCC.

Student Educational Plan
Counselors are available to assist matriculated students in developing an educational plan that outlines the courses and services necessary to achieve their goals. When goals or majors are changed, students must see a counselor to update their educational plan. To ensure this procedure, matriculated students are encouraged to make an appointment with a counselor. Due to high demand for counseling appointments during the winter and summer sessions, it is highly recommended that continuing students see a counselor during the spring and fall semesters to complete a Student Educational Plan.

A student’s college program will be more meaningful if he or she has acquired a clear educational objective. This may be a desire to broaden his or her knowledge as a foundation for upper division college work or to develop marketable occupational skills. A student undecided about objectives may receive help by studying the sections in the catalog entitled “Curricular Patterns.” The student is also invited to discuss personal goals with a college counselor.
Counseling for Continuing Students
Continuing matriculated students are entitled to see a counselor who can recommend appropriate coursework based on assessment results, review of past school records, and other information provided by students. Students who have attended other college(s) must request to have an official transcript(s) sent to RCC before scheduling counseling appointments. All students pursuing certificate or degree programs, either associate or baccalaureate, should see their counselor each semester to review their “Student Educational Plans” (S.E.P.).

Follow-up
Counselors and teachers will provide follow-up activities on behalf of matriculated students. “Early Alert” follow-up activities are designed to inform students of their progress early in the semester and to continue to assist students in accomplishing their educational goals. “Probation/dismissal” activities help students make progress toward successful completion of their academic goals. Referrals for appropriate support services will be made to on-campus and off-campus locations when appropriate.

Student Rights and Responsibilities
Prerequisites for courses will be enforced according to District policy. Students have the right to challenge prerequisites on the following grounds:

1. The successful completion (C or better) of an equivalent course from another accredited college or university.
2. The student has the knowledge or ability to succeed in the course despite not meeting the prerequisite.
3. A prerequisite for a course necessary for graduation, transfer or a certificate is not offered and the unavailability of said prerequisite poses a hardship.
4. The prerequisite is discriminatory or being applied in a discriminatory manner.

Note: Coursework must be listed on the original school transcript. Coursework listed on a secondary transcript is not acceptable documentation when challenging a course prerequisite(s).

Are You Exempt from Matriculation Pre-Enrollment Requirements?
The following board approved criteria defines students who are exempt from participating in mandatory placement and freshman orientation and counseling sessions at Riverside City College:

A. Students who have completed 60 or more units or who have graduated from an accredited U.S. college or university with an A.A. degree or higher.
B. First-time college students who have declared one of the following goals:
   • Advance in current career/job
   • Maintain certificate/license
   • Educational development
   • Complete credits for high school diploma
C. Students who are enrolled full-time at another institution (high school or college).
Riverside City College offers some courses which place limitations on enrollment. These limitations may include successful completion of courses, placement preparation scores for math and English, performance criteria, or health and safety conditions. Students who do not meet the conditions imposed by these limitations will be blocked from enrolling in these classes.

Prerequisite

When a course has a prerequisite, it means that the corresponding discipline has determined that the student must have certain knowledge to be successful in the course. The prior knowledge may be a skill (e.g., type 40 WPM), an ability (e.g., speak and write French fluently), a preparation score (placement test and prior academic background), or successful completion of a course (grade of 'C' or better, 'P', or 'CR'). Completion of the prerequisite is required prior to enrolling in the class. **Successful completion of a prerequisite requires a grade of 'C' or better, 'P' (Pass), 'C-', 'D', 'F', 'FW' (Fail - did not withdraw), 'NP' (No Pass), 'NC' (No Credit) or 'I' grades are not acceptable.** Students currently enrolled in a prerequisite course at Riverside City College (i.e., Math 52) will be allowed to register for the succeeding class (i.e., Math 35). However, if the prerequisite course is not passed with at least a 'C' grade, the student will be dropped from the succeeding class. Students who have successfully completed a course at another accredited institution for which they would like prerequisite clearance must fill out a Prerequisite Validation form in order to have coursework on official transcripts validated/reviewed for applicable course validation. The form is available in the Counseling office.

Corequisite

When a course has a corequisite, it means that a student is required to take another course at the same time as the desired course. Some disciplines accept prior completion of the corequisite, so check the catalog description of each course carefully. Knowing the information presented in the corequisite course is considered necessary in order for a student to be successful in the course (e.g., completion of, or concurrent enrollment in, Math 1A is required for Physics 4A).

Advisory

When a course has an advisory, it means that it is recommended a student have a certain preparation before entering the course. The preparation is considered advantageous to a student's success in the course. Since the preparation is advised, but not required, the student will not be blocked from enrolling in a class if she/he does not meet the advisory.

Matriculation Appeals

Matriculation Appeals Petitions are available in the Counseling Department for the purpose of validating prerequisites at another college or university, appealing to retake the placement test, filing a complaint of unlawful discrimination, or appealing a component of matriculation.

Verifying Prerequisites/Corequisites

It is the student’s responsibility to know and meet the course prerequisites and corequisites. These are stated in the course descriptions within the Schedule of Classes and the RCC Catalog.

If you have met the prerequisite at another accredited institution, you must provide verification through one of the following:

- Submit official transcript(s) and complete a Prerequisite Validation Form.
- Submit unofficial transcript(s) or grade report (must state final grade) and complete a Matriculation Appeals Petition. Petitions approved based on an unofficial transcript will be approved for one semester only. This will provide time for the student to request official transcript(s). Unofficial transcripts may be used one time only.
- If you wish to challenge a prerequisite for courses other than English, ESL, math or reading on the basis of knowledge or ability or because of the unavailability of the prerequisite, submit a Matriculation Appeals Petition at any of our college counseling offices.
- Successful completion of some high school courses is accepted by the disciplines as an appeal to existing prerequisites and/or corequisites.

Petitions to challenge a prerequisite or to file a complaint of unlawful discrimination are available in the Counseling office in the Cesar E. Chavez building.

Appealing to Retake Placement Test

Students may appeal to retest one time:

- after 12 months has passed from previous test or
- based on compelling evidence that the initial placement level is not an accurate reflection of the student’s ability, or
- after proof of appropriate academic intervention has occurred.

Please Note: Once the student has begun the course sequence, retesting is not allowed.

FERPA Regulations

The Family Educational Rights and Privacy Act of 1974, as amended (sometimes referred to as the Buckley Amendment), is a federal law that protects the privacy of educational records of all students enrolled in schools beyond the high school level. Schools are required to maintain that privacy, primarily by restricting release of records and the access provided to those records. Any educational institution that receives funds under any program administered by the U.S. Secretary of Education is bound by FERPA requirements. Institutions that fail to comply with FERPA may have funds administered by the Secretary of Education withheld. To learn more about FERPA regulations, please visit our web site at [www.rcc.edu](http://www.rcc.edu).

Tips for active classroom learning:
1. Be prepared. Have your textbook, paper, pencil, and highlighter.
2. Write notes in the textbook and highlight important topics with your highlighter if the instructor refers to information in the textbook.
3. When taking notes from the instructor’s lecture, write down the main points. Avoid writing every word down; rather, be concise and to the point when taking notes.
4. Listen carefully and do not be afraid to ask questions if you do not understand the material.
5. Actively participate in classroom discussions.
6. Read your assignments before the next class meets. You will then be able to ask questions about the information which you do not understand.
7. Set up a study schedule and follow it. Allow enough time for all your classes. Keep up with your assignments daily or weekly at the very least. This will help you avoid having to “cram” at the last minute.

Tips for studying:
1. Select the best time for you to study. Develop a study plan and follow it. Refer to the Time Management information in this handbook (page 58).
2. Select a quiet place to study. Be aware of proper lighting and ventilation. Sit upright at a desk.
3. Avoid all interruptions (TV, phone, radio, conversations).
5. Keep a list of things you have to do with their corresponding deadlines in a calendar. Update the list when projects are accomplished.
6. Review class notes the day you write them. Rewrite your notes if they are not clearly organized and underline important information.
7. Survey the chapter you are about to read in order to get an overview of the content and where the author is headed.
8. Be strict with your study time. It takes discipline and determination to stick to your study time.
9. Reread information you do not understand until it becomes clear. If you still have problems comprehending the information, ask your instructor or see a tutor.

Tips for preparing for a test:
1. Find out as much information about the test as possible from the instructor:
   A. Type of test (objective, essay, true/false, etc.)
   B. The number of questions and how many points they are worth.
   C. The material to be covered.
   D. The value of the test toward the final grade.
2. Set up an exam study schedule so that you will not be overwhelmed at testing time.
3. Know your own best time to study. Most people learn best during the daylight hours.
4. Review as actively as possible. Write down information you wish to remember and highlight key concepts in your textbook. Make flash cards to assist in memorization of test material.
5. Make up an exam as if you were the instructor and then take the exam.
6. Pay attention to troublesome points. Make another list for these areas on separate flash cards.
7. Organize your thoughts for possible essay questions. Know the concept about which you are writing.
8. Avoid “cramming” for tests. This is only a temporary measure and is seldom effective.

Tips for taking the test:
1. Get to class early.
2. Be prepared with pen and other materials requested by the instructor (for example: blue book, scantron answer sheet, etc.).
3. Understand test instructions. Ask questions for clarification before the test begins.
4. Be aware of how much time you have to complete the test.
5. Skim the entire test first. Note the point value and the types of questions.
6. Answer the easier questions first, leaving appropriate time for the rest.
7. Look for key words on true/false questions such as “always,” “sometimes,” “never,” “usually.”
8. On multiple choice questions, eliminate the obviously incorrect answers first.
9. On matching questions, answer those items which you are sure of and check them off.
10. On essay questions, outline in your mind how to organize your answer before you begin writing.
11. If you have time at the end of the test, reread all of your answers.
12. Be confident and think positively. Do not let anxiety determine the outcome.

Types of Instruction

Semester System – Approximately 15-18 weeks of instruction offered twice a year during the fall and spring.

Quarter System – Approximately 10 weeks of instruction offered three times a year during the fall, winter and spring. Some colleges also offer a summer quarter.

Full-time/Part-time – Student’s status based on the number of units. Often used to determine fees or progress toward meeting degree requirements. For full-time status a student must be enrolled in at least 12 units of credit for the fall/spring semesters and 6 units of credit for the winter/summer terms. Students who are enrolled in less than 12 units for fall/spring terms or less than 6 units for winter/summer are considered to be part time. Specialized programs may have a different unit requirement for full-time status because of state mandates.

Lower Division – Courses offered for freshman/sophomore level credit.

Upper Division – Courses offered for junior/senior class level credit.

Undergraduate – Courses offered for freshman through senior level credit. Also, students who have not completed a bachelor’s degree.

Degrees/Programs

Accredited – A college or program that has been certified as fulfilling certain standards by a national and/or regional professional association.

Certificate – Normally awarded upon completion of a concentrated occupational program, usually at a community college.

Associate Degree – An Associate in Arts or Science or related degree, awarded by a community college upon completion of a program of study usually done in two years (full time).

Bachelor Degree – A Bachelor of Arts, Science or related degree, awarded by a university upon completion of a program of study usually done in four years (full time).

Masters Degree – A Master of Arts, Science or related degree, awarded upon completion of one or two years of study beyond the bachelor’s level.

Doctorate Degree – A Ph.D., or related degree, awarded upon the completion of a prescribed program beyond the master’s degree level.

Credential (Teaching) – If you want to teach in California, you must obtain either a multiple subject (for grades K-8) or a single subject (for grades 7-12) credential. This is obtained upon the completion of a bachelor’s degree and prescribed professional education requirements.

Transfer Program – A community college program that provides the first two years of transferable credits (60-70 units) preparation for the bachelor degree.

Major – A specialized field of study that a student chooses to pursue which leads to a degree and preparation for a career.
Minor – A secondary field of study outside of the major field. Some degree programs require a minor.

Concentration – An option or special emphasis within a degree program. Concentrations are noted on the degree.

General Education/Breadth Requirement – Course requirements which all students are expected to meet regardless of major field. The UC, CSU and many independent colleges have articulation agreements with RCC which allow students to complete their general education here before they transfer on to the university. More information can be obtained through the Transfer Center.

Admissions/Counseling

Academic Probation – This is a warning to the student that his/her academic progress is unsatisfactory. A student’s cumulative GPA is below a 2.0.

Progress Probation – A student is placed on this type of probation when the cumulative percentage of unsuccessful units attempted at RCC reaches or exceeds 50%.

Units/Credits – What a student receives when completing a college course. Units are based upon the amount of hours spent in class.

Drop/Add – At RCC, once the term has started, students are required to obtain an authorization code from the instructor in order to add a class. No code is required to drop a class. Refer to the schedule of classes for add deadlines for each class. Find add/drop refund deadlines on WebAdvisor at www.rcc.edu. Click on class name/deadlines.

Pass/No Pass – A system where you do not receive a letter grade for taking a course. Depending upon the student’s achievement in the class, Pass (P) or No Pass (NP) will appear on his/her transcript. Deadlines for selecting Pass/No Pass are in the class schedule.

Transcript – The compilation of the student’s grades, credits, honors, etc. received throughout his/her college career.

Certification – A verification done by the community college verifying that a student has completed the California State University General Education (CSU GE) or the Intersegmental General Education Transfer Curriculum (IGETC) requirements. Students request certification at the time transcripts are sent.

Impacted Programs – Some majors at some colleges may be declared impacted because they receive more applications than program space allows. Impacted program applicants must normally apply during a specified time period and participate in a competitive selection process.

Credit-by-Examination – Credit may be granted to any student who satisfactorily passes an examination approved or conducted by the discipline or program in which a comparable course is offered. In the case of foreign languages students must complete a higher level course in order to receive credit for a lower level language course. Forms are available in Admissions and Records.

Advanced Placement (AP) – Designated high school honors courses that provide college credit for students scoring at a certain level on a final examination.

CLEP – College Level Examination Program – Students may receive college credit through CLEP exams. Contact counseling for more information.

Assessment Tests – Tests administered by colleges to determine the entry-level placement of students in critical thinking courses such as English, mathematics, and reading.

Midterms – Tests given halfway through the semester to see how the student is progressing.

Financial Aid

Financial Aid – Money available from the federal and/or state government and various community sources. Aid possibilities include grants, loans, scholarships, and work-study programs.

Cal Grants – California financial aid program available to college bound students based on academic achievement and family financial need.

Special Programs and Services

Extended Opportunity Programs/Services (EOPS) Community college programs that provide both financial and learning skills assistance to students who may not have been able to attend college because of economic and/or educational backgrounds.

Being a transfer student means that you are beginning your bachelor’s degree right here at Riverside City College (RCC). Here is how it works:

1. **Unit requirements**: The average bachelor’s degree program requires that you complete 120 semester units. Those units are divided into lower division (freshman and sophomore) and upper division (junior and senior) coursework. You must complete at least 60 units to reach junior standing (upper division status). Like other community colleges, RCC offers the lower division courses accepted as comparable to the ones that freshmen and sophomores must take at a university (thus, they are transferable). Community colleges do not offer upper division coursework, so you will transfer to a university to complete those units and graduate with a bachelor’s degree.

2. **Subject requirements**: In addition to the unit requirement for your degree, there are subject area requirements. Those requirements may be for general education and/or major preparation. If you complete all of your subject requirements and have not reached 60 units, you will take transferable elective courses of your choosing before you can transfer.

3. **Admission requirements**: Admission requirements are a combination of units, minimum grade point average, and specific courses that must be completed for admission to a specific university. Universities have different admission requirements. However, most universities require college-level Math and English composition courses for admission (CSU - Golden Four and UC - Essential Seven).

4. **General education requirements**: General education requirements are the courses you must take, outside of your Major to complete a bachelor’s degree. The purpose of general education requirements is to provide students with foundation courses in English, math, arts, sciences, humanities and social sciences. At RCC, the majority of our students are following either the IGETC (Intersegmental GE Transfer Curriculum), which meet the GE requirements at either the UC or CSU campuses, or they are following the CSU General Education, which meets the GE requirements only at the CSU campuses. In addition, there are other GE options. You need to meet with a counselor to determine the best GE pattern for you to follow, depending on the universities you are considering. The GE requirements for independent (private) and out-of-state universities will all differ, but the ratio of lower to upper division units will be similar.

5. **Major preparation**: Your bachelor’s degree will be granted in a specific discipline (your major). The university faculty that teaches in your major determines the unit and subject requirements for the degree. Among those requirements is lower division major preparation through which you demonstrate interest and ability in your chosen major. Some majors require very little such preparation, while other majors require many courses. Some of the preparation for your major can also be used to meet GE requirements. It is important to choose a major early and find out what preparation you will need to be admitted to your major. The UC requires that students complete most, if not all, of their major preparation before transfer and the CSU is moving in this direction.

6. **Grades**: Your overall academic performance, as measured by your grade point average (GPA), is another factor in being admitted to a university and earning your degree. There are minimum GPAs (2.0 for CSU/2.4 for UC) set for transfer students that vary slightly by system or institution. A higher minimum GPA is required for admission to popular campuses or majors. It is important for you to find out how to do well in your classes - take advantage of tutoring and college resources in order to increase your transfer choices and chances.

RCC offers a rigorous course of study to prepare you for success when you transfer. Make an appointment with one of RCC’s counselors and visit the Transfer Center to find out more about transfer.

Career and Technical Education (CTE) Programs

Riverside City College offers associate in science degrees and certificate programs with career and technical emphasis. Both provide instruction in the skills and knowledge needed to enter a skilled or professional occupation. Associate in science degree programs require completion of at least 60 units of credit, which normally takes four semesters. State approved certificate programs, leading to an associate of science degree, require a minimum of 18 units, but vary in number of units required; most can be completed in two semesters. Locally approved certificates may lead to employment. Each course required for the certificate must be completed with a “C” grade or better. All can be counted toward the degree as well as the major.

Need for Specialized Training

Many find it difficult to secure employment or to advance to increased responsibility and better-paying jobs without specialized training. General education has its value, to be sure, but in the early stages of one’s career it is the specific, technical skills that an employer seeks. The certificate is the best evidence that this specialized training has been secured; some employers actually require it as a condition of employment or for reclassification for higher pay.

Who Can Enroll in the Career and Technical Education Programs?

Individuals wishing to enroll at Riverside City College must file an official application in the Admissions and Records office located at any of the colleges or apply online at www.rcc.edu. Admission to Riverside City College is regulated by state law as prescribed in the California Education Code.

Certificate and Degree Course Requirements

Students should plan to enroll in the specific courses listed under the certificate or degree desired. If a required course for a certificate or degree program is no longer offered, please see the department chair to ascertain an acceptable course substitute. Fifty percent of the coursework required for any certificate or degree pattern must be completed at Riverside City College.

How to Get Further Information

Many career and technical education programs are described in special publications of the College. These can often be obtained from high school counseling offices, or prospective students may write or telephone the College: Riverside City College, Career and Technical Education Programs, 4800 Magnolia Avenue, Riverside, CA 92506-1299, (951) 222-8963. Students may also get information online at www.rcc.edu/cte.

Associate in Science Degree

The associate in science degree consists of coursework totaling 60 units or more, including coursework in a specific college certificate pattern plus general education and elective courses.

State Approved Certificate (Certificate of Achievement)

The state approved certificate consists of coursework totaling 18 units or more completed in a specific occupational college certificate pattern. State approved certificates may lead to employment competency and may also lead to an associate of science degree.

Locally Approved Certificate (Certificate of Career Preparation)

The locally approved certificate consists of coursework totaling between 4 to 17 units completed in a specific occupational certificate pattern. Locally approved certificates may lead to employment competency, but do not necessarily lead to an associate of science degree.

Applying for Certificate or Degree

In order to receive an associate degree or certificate all RCC fees must be paid in full. Students must file an application in the academic year in which they anticipate completing the requirements. Applications are available online at www.rcc.edu. Click on Students, on Admissions and Records, and then on Degree/Certificate Applications. There is a $5 diploma fee for each associate degree application. Students planning to participate in commencement must file their degree or certificate applications by April 1.

Students may apply for degrees and certificates for any term in the following four application periods:

- First day of Summer term through July 15 to graduate in Summer, Fall, Winter, or Spring
- First day of Fall term through October 15 to graduate in the Fall, Winter, or Spring

The governing board of the Riverside Community College District shall confer the degree of associate in one of the eight areas of emphasis upon the student who has demonstrated competence and who has completed the following requirements:

**Residence Requirement:**
In order to receive an A.A./A.S. degree from Riverside Community College District, a student must complete 15 units in residence at one of the colleges within the Riverside Community District.

**Academic Coursework Taken at other Colleges and Universities:**
Official transcripts from all schools and colleges attended must be dated within the preceding 90 days/3 months, be in their original sealed envelope, and be submitted to the Admissions and Records office at the student’s home college. Course credit is accepted from all regionally accredited institutions as listed at www.collegesource.org. Credits from institutions, which are in candidacy status, will be accepted after full accreditation is granted. The two years preceding full accreditation will also be applicable towards the AA/AS Degree. Honors for graduation will be calculated in the same manner.

**Grade Point Average Requirement:**
A student must have a minimum grade point average of not less than 2.0 (“C” average) in work taken at Riverside Community College District. In addition, over-all grade point average, including units from both RCCD and work attempted at all accredited colleges attended, must be not less than 2.0.

**Basic Skills Competency Requirements:**

- **A. Mathematics Competency:** Students must demonstrate minimum proficiency in math by:
  1. obtaining a satisfactory first-time score on an appropriate examination OR
  2. completion of a Math course with a ‘C’ grade or higher selected from MAT 1-36 or equivalent.

- **B. Reading Competency:** Students must demonstrate proficiency in reading by:
  1. a satisfactory score on RCCD’s placement test equivalent to placement in college level reading OR
  2. completion of Reading 83 with a “C” or higher OR
  3. a minimum grade of “C” in each general education course OR
  4. satisfactory reading score on a standardized reading test approved by the English department. Students who do not meet Riverside Community College’s reading competency requirement should enroll in a reading class within their first 18 units undertaken at the college.
  5. Students who have completed an Associate’s or higher degree at an accredited institution are exempt from the reading competency requirement. Waivers may also be granted on a case-by-case basis.

- **C. English Competency:** Students must demonstrate basic competency in writing by successfully completing the general education requirements of English 1A or 1AH with a “C” grade or better.

**Petition for Graduation:**
Students may apply for degrees and certificates during the following application periods:

- Summer—First day of summer term through July 15 to apply for summer, fall, winter, spring
- Fall—First day of fall term through Oct. 15 to apply for fall, winter, spring
- Winter—First day of winter term through Feb. 1 to apply for winter, spring
- Spring—First day of spring term through April 1 to apply for spring

Students who apply during these periods may participate in the Commencement ceremony as long as they are missing no more than 9 units to graduate.

**Catalog Rights:**
Graduation requirements apply to students who are enrolled for any term (summer, fall, winter, spring) indicated by current catalog. Students who enrolled prior to this current year and who have maintained continuous enrollment have the option of meeting the current requirements or those in effect at the time their continuous enrollment began. Continuous enrollment is defined as attendance of one term during each academic year.

**Scholastic Honors At Commencement:**
Honors at commencement will be awarded to students with a cumulative GPA of 3.30 or higher. Their names are listed in the commencement program as receiving the Associate Degree with Distinction (3.30 GPA) or with Great Distinction (3.70 GPA). A gold tassel will be worn by students graduating with honors. Coursework taken during the final spring semester will not be used to calculate honors at commencement. Grade point averages are not rounded up. The cumulative GPA includes coursework taken at Riverside Community College District and all other accredited institutions.

**Dean’s List:**
Each semester, those students who have demonstrated outstanding scholastic achievement by completing at least 12 units of credit-graded work in one semester or 12 units of credit-graded work earned in no more than one academic year (fall, winter and spring, with summer being excluded) with a grade point average of 3.0 or better (completed units will be considered only once for a particular Dean’s List) will be recognized by a letter from the Dean of Instruction.

Students planning to transfer to Cal Poly Pomona or Cal Poly San Luis Obispo have specific general education requirements which must be taken based upon their major. See your counselor to ensure proper academic planning.
If you choose to follow IGETC, you must complete it before you transfer; otherwise you will be required to satisfy the specific lower division general education requirements of the university or college of transfer. Completion of the Intersegmental General Education Transfer Curriculum (IGETC) will permit a student to transfer from a community college to a campus in either the California State University (CSU) or University of California (UC) system without the need to take additional lower-division general education courses. Transfer students will receive IGETC certification after completing all the subject areas below with a min. "C" grade or better.

IGETC certification is valid for community college students only. Those who have already transferred to the CSU/UC systems may not return to RCC to complete IGETC requirements.

+Transfer credit is limited by either UC or CSU or both. Please consult with a counselor.
IGETC Advisement:

**Former UC, CSU and students** with coursework from other four-year institutions, including outside the U.S., should consult with a counselor to determine whether they should complete IGETC or the lower-division breadth/general education requirements at the campus they plan to attend.

FOR THE UC: Students who initially enroll at a UC campus, then leave and attend a California community college, and subsequently return to the same UC campus, are considered “re-admits” by the UC. Such students cannot use IGETC. However, students who enroll at a UC campus, then leave and attend a California community college, and subsequently return to a different UC campus may use the IGETC pattern. The following UC campuses have further limitations:

**Berkeley:** IGETF is acceptable for all majors in the College of Letters and Science. The Haas School of Business and the colleges of Engineering, Environmental Design, and Chemistry have extensive, prescribed major prerequisites. In general IGETC is not appropriate for majors in these colleges. Although IGETC satisfies breadth requirements for most majors in the College of Natural Resources, specific lower-division major requirements must still be satisfied. For more information, check with the college or visit the ASSIST website.

**Davis:** IGETC works well for students planning for Bachelor of Arts majors with few units of lower-division preparation. Bachelor of Science degrees and high-unit majors often have many courses of lower-division preparation. In these cases, the UC Davis GE pattern is the best choice. Students in the College of Engineering who have satisfied IGETC are still required to complete two upper-division general education courses at UC Davis.

**Irvine:** All schools accept IGETC. However, selection by the campus is based on demonstrated academic achievement and preparation for the intended major.

**Los Angeles:** The Henry Samueli School of Engineering and Applied Science does not accept IGETC.

**Merced:** The School of Engineering and the School of Natural Sciences do not recommend IGETC.

**Riverside:** The Marlan and Rosemary Bourns College of Engineering accepts completion of IGETC as satisfying the majority of the college's breadth requirement for transfer students. Some additional breadth coursework may be required after enrollment (for details, see the Bourns College of Engineering Breadth Requirements). However, prospective students are strongly encouraged to focus on preparation coursework for their desired major, such as mathematics, science and other technical preparation coursework. Strong technical preparation is essential for success in the admission process and, subsequently, in all coursework at Bourns.

The College of Natural and Agricultural Sciences does not accept IGETC although courses taken to satisfy IGETC may be applied toward the college's breadth pattern. The College of Humanities, Arts, and Social Sciences and the School of Business Administration accept IGETC.

**San Diego:** IGETC is accepted by John Muir, Earl Warren, Thurgood Marshall and Sixth colleges only. Students completing IGETC are welcomed at Eleanor Roosevelt and Revelle colleges; however, they must also fulfill the specific general education requirements for those colleges. At UCSD, all majors are available to students in each college, so students who choose IGETC will not be restricted in their choice of major.

**Santa Barbara:** Students who transfer into the College of Letters and Science and the College of Creative Studies may use IGETC to substitute for general education requirements. Students planning to transfer into a major in computer science or the biological or physical sciences must be careful to complete lower-division major prerequisites to ensure competitiveness and make normal, timely progress through the major. Transfer students in the College of Engineering are encouraged to focus on the preparation for their major rather than on general education requirements. As part of their general education, all students in the College of Engineering are required to complete a depth requirement. Students who wish to satisfy the depth requirement prior to transfer must complete a yearlong sequence in the history of world civilization, history of Western civilization, history of the United States, history of Western philosophy or history of Western art. Students may want to choose courses for IGETC that will concurrently satisfy the depth requirement. Students may also complete the depth requirement with upper-division coursework after transferring.

**Santa Cruz:** Students intending to pursue any major in the physical and biological sciences or the Jack Baskin School of Engineering should not follow IGETC as it will not provide students with enough lower division preparation for their majors.

Attendance

It is the responsibility of all students to attend classes regularly. When students have been absent due to illness, they should report to their instructor to explain the absence as soon as possible. Your instructors reserve the right to administratively withdraw students who do not regularly attend. However, it is ultimately the student’s responsibility to officially withdraw from a class if they are no longer attending.

Withdrawals

A “W” on your transcript does not compute into your GPA, but excessive withdrawals will result in progress probation. Please refer to WebAdvisor at www.rcc.edu for withdrawal deadlines.

Incomplete

Students are not to re-enroll for a course in which a grade of “I” has been recorded. Incomplete academic work for unforeseeable, emergency and justifiable reasons at the end of the term may result in an “I” symbol being entered on the student’s record. The condition for removal of the “I” shall be stated by the instructor on the Incomplete Contract. Students receiving an Incomplete (I) may print out the Incomplete contract on WebAdvisor at www.rcc.edu. Students have one year to complete an incomplete or the grade will become an “F” or whatever grade the instructor puts on the incomplete contract form.

Good Standing

Students are considered to be in good standing when they achieve a cumulative grade point average of 2.0 or higher and earn grades of “A”, “B”, or “C” in 50% or more in all coursework attempted.

Probation

Students who have attempted 12 semester units or more will be placed on academic probation if their grade point average is below 2.0. Students may also be placed on progress probation if they have attempted 12 or more semester units and have an excessive number of “withdrawals,” “incompletes,” or no-passes. “Excessive” is defined as 50% or more. Students placed on probation will be notified through their RCC email account. All first-time probation students are encouraged to complete an online success workshop offered by the Counseling department. Students on probation may enroll for a maximum of 13 units in the spring and fall semesters and 7 units in the summer and winter terms.

Dismissal

Excessive absences, unsatisfactory academic achievement or falsification of information supplied to Admissions and Records shall serve as a basis for dismissal from a class or from the College. Students who maintain less than a 2.0 GPA for two consecutive semesters are subject to academic dismissal. Students shall also be subject to dismissal if the number of “W,” “I,” “NP” or “NC” entries reaches or exceeds 50% for two semesters in a row.

Waiver of Dismissal

Students may re-enter the semester following academic dismissal after successful petition to Counseling at any college. However, re-admit student’s academic status remains “dismissal” until their cumulative GPA is 2.0 or higher or the percentage of “W,” “I,” “NP,” or “NC” entries is less than 50%. All re-admit students must go through the on-line dismissal workshop, and meet with a counselor to complete a “Readmit Contract” in order to register for classes.

GPA

GPA stands for grade point average. Letter grades are given the following number values:

A - 4 B - 3 C - 2 D - 1 F - 0 FW - 0

Each class has a specific unit value. Multiplying the letter grade value by the unit value equals the grade points. To figure your GPA, divide the total number of grade points by the total number of units attempted.

Units Attempted  Grade Point Value
What is a credit unit?
The terms “unit” and “hour” are synonymous. A unit relates to the amount of time spent in class. For example, a three-unit class will meet for about three and a half hours per week (based on a 16-hour semester). Classes with labs will meet for additional hours. The average class is worth three credit units, while labs are usually worth one credit unit. It takes 60 credit units to receive an associate degree and at least 125 credit units to receive a bachelor’s degree.

How many credit units should I enroll in?
A full-time student will be enrolled in at least 12 credit units per semester. The maximum amount of units a student may enroll in is 18. Students wishing to enroll in more than 18 units for fall/spring and 9 units for winter/summer must have an established GPA of 3.0 or higher.

Do I have to declare a major?
It is not necessary to declare a major (program of study) the first semester you enter. However, you are expected to spend time exploring educational options. We recommend you take advantage of the Transfer Center and its resources. We also suggest you consider enrolling in a guidance class. Under the matriculation guidelines (our partnership for success) it is essential that you declare an educational goal and develop a Student Educational Plan with a counselor.

What times must I attend classes?
You are responsible for arranging your own class schedule. Therefore, you may schedule classes that fit into your own work or personal schedule.

How long will it take to complete my goal at RCC?
Many students complete their associate degree in two years. In order to do this, you must enroll in 15 degree applicable credit units per semester. If you wish, you may decrease your load in the fall and spring and take a class or two in the winter session or summer to compensate. Students preparing to transfer may also complete their requirements within a two-year period.

Should I repeat a class in which I received a “D,” “F” or “FW” (Failed - did not withdraw)?
Beginning Summer 2012, you will not be able to enroll in most courses more than three (3) times. Substandard grades (D, F, FW NC, and NP) and withdrawals (W) are included in your total attempts; military withdrawals (MW) are NOT included. Enrollments prior to Summer 2012 will be included in the repeat count. The last grade earned in the repeated course will be used to compute the grade point average. The permanent academic record will be annotated in such a manner that all work remains legible.

In the case of the following circumstances, a Request for Course Repetition with documentation would be approved:
- Substantial curriculum changes
- Courses mandated for training requirements as a condition of paid or volunteer employment
- Courses that were taken more than five years ago, provided the prior grade was a standard grade (A, B, C, P, CR)

Requests for Course Repetition and information are available on the web at www.rcc.edu/services/admissions/forms.cfm.

Repeatable activity and performance classes may be taken up to a total of four times and are identified in the College Catalogs. For these repeatable courses, all grades and units will be used in the computation of the grade point average and earned units.

Other petitions: Please refer to the RCC Catalog for information about auditing a class, Pass/No Pass, Credit by Examination, and Academic Renewal.

What is RCC’s Attendance Policy?
The student is expected to attend every meeting of all classes for which he or she is registered. Attending a class without being registered is contrary to Riverside City College policy and cannot be used as the basis for a petition to add a class. Students who have enrolled for a class and who do not attend or who are late or absent from the first meeting of the class may forfeit their right to a place in the class. Your instructor reserves the right to administratively withdraw you from class if you do not attend class regularly. Students should know and understand the attendance policy for each class in which they are enrolled.

- While an instructor may drop a student who does not regularly attend, it is the student’s responsibility to officially drop the class if he or she stops attending.
- It is the student’s responsibility to consult with his or her instructor regarding any absences that would alter his or her status in the class.
Questions & Answers

How do I add or drop a class?
If a class has not begun and there are still spaces available, you may add without instructor permission as long as you have a current application, have met any prerequisites, and do not have holds on your record. Check for class availability on WebAdvisor at www.rcc.edu. Payment deadlines are on WebAdvisor. Failure to pay fees will result in your being dropped from unpaid classes. If you decide not to attend class and are not dropped from the class, you will receive an “F” or “FW” (Failed - did not withdraw) in the class and owe fees. It is your responsibility to drop yourself from classes that you decide not to attend.

After a class has begun, you must obtain an authorization code from the instructor in order to add. All classes must be added by the Add deadline. Add deadlines are in the Schedule of Classes and on WebAdvisor at www.rcc.edu. Check “My Class Schedule” on the student menu.

While instructors may drop students for poor attendance, it is ultimately the responsibility of the student to drop WebAdvisor him/herself if no longer attending. Classes can be dropped over or in person at Admissions.

What is the refund policy?
In order to drop a class at www.rcc.edu and get a refund, you must drop by the deadline posted on WebAdvisor. Refund deadlines are two weeks for full semester classes and 10% for short term classes. Be sure to check all of the drop deadlines to ensure that you do not receive any unwanted marks on your transcript. A “W” will not be used to calculate your grade point average, but excessive “W”s will be used as a factor for progress probation. After the last drop deadline (75% of the class), you will receive a grade for any classes that have not been dropped. Be sure to print a receipt verifying any changes you have made.

What should I do if the class I want to take is closed?
Before the beginning of the term, if a class is closed you may be able to place your name on a wait list. If a seat becomes available, you will automatically be added and your account will be charged with enrollment fees. Check WebAdvisor (“Register and Drop Classes”) regularly to confirm your status. If you are added to the class, you will also be notified via RCC email.

You may seek the advice of a counselor who will suggest an alternate class or inform you of other options available to you. You may also attend the first time the class meets and ask the instructor to give you an authorization code. This unique authorization code can be used to add the class over WebAdvisor at www.rcc.edu. If you are seeking to enroll in a closed online class, you may email the instructor and see if he/she will allow you to register. Please note that most online instructors do not add students on or after the first day of class. You are responsible for adding the class by the Add deadline. Deadlines are in the Schedule of Classes and/or on WebAdvisor.

Can I transfer to a four-year college without an AA/AS?
Yes. However, by taking courses required for transfer, you will more than likely meet the requirement for an AA degree as well. Check with a counselor for more information.

If I plan to transfer, is it best to concentrate on my major or general education?
Generally, it is best to work on both requirements. Some majors require very few lower division courses, in which case you may be able to complete all G.E. lower division requirements. However, some majors, particularly in science, may require many lower division courses. In this case, you should concentrate on completing these and filling in with as many G.E. courses as possible. Be certain to ask your counselor about General Education Certification.

What is general education certification?
All California state universities require a common pattern of general education. If you complete the entire pattern prior to transferring, you may request certification of completion on your official transcript. All 23 state universities will honor this certification stamp; that is, you will not be required to take additional lower division G.E. courses in those areas certified by RCC. The IGETC pattern for UC or CSU can also be certified.

We encourage you to meet with your counselor at least once a semester so we can help you plan your program and evaluate your progress. To make an appointment, stop by the Counseling office or call (951) 222-8440.

<tbody>
<tr>
<td>Summer 2012</td>
<td>June 18-July 26</td>

The first step in the online admission application asks you to select a College and Academic Program of Study (Major). By selecting a College (Moreno Valley, Norco, or Riverside City) you are choosing your HOME COLLEGE. Please read this carefully before setting your HOME COLLEGE.

- Your home college location is where you will receive most services including Assessment, Counseling, Student Financial Services, CalWORKS, EOPS/CARE, Veterans Services, and Student Support Services.
- Example: If the home college location that is listed on your application is Moreno Valley, you may be directed to Moreno Valley to obtain services regardless of your home address.
- Your home college location is tied to the admission application. You may only submit one application for any college in the district, per term by the application deadline.
- Choose your HOME COLLEGE carefully as it is difficult to change. Riverside Community College District is comprised of three colleges: Moreno Valley, Norco, and Riverside City. Students may attend classes at any of the three colleges regardless of home college location.

Applications are processed 2-3 business days (weekend and holidays excluded). You will receive two emails:
- Immediately after you submit your application you will receive an email confirmation that your application has been received.
- Two to three business days after you submit your application (weekends and holidays excluded), you will receive an email with your RCCD student ID number, WebAdvisor, User ID, and RCCD email address.

Step 2 Apply for Financial Aid
Fill out the FAFSA online (www.fafsa.ed.gov) or on paper (available in the Student Financial Services office). Get more information on scholarships, grants, and loans at the Student Financial Services website: www.rcc.edu/studentfinancialservices. There may be some supporting documentation you need to turn in to obtain financial aid.

Step 3 Mail or Walk-in Your Official Transcripts
- Only if you need to meet prerequisites or want credit for courses taken at another regionally accredited institution.
- All transcripts should be official, sealed transcripts, and printed no more than 90 days/3 months ago.
- Students who have completed a course at another institution for which they would like credit must fill out a Prerequisite Validation form in order to have coursework on official transcripts validated for math, English or other prerequisites. The form is available in the Counseling office. You can check the arrival of incoming transcripts on WebAdvisor at www.rcc.edu/riverside. (Click “Check Transcripts Received by RCC”.)
- Please provide official transcripts from colleges or high schools you have attended only if you need them to meet prerequisites or want credit for courses taken at another educational institution.

After assessment first-time college students must complete the orientation online which will provide informative, practical advice about the college experience as a whole.

Step 4 Complete Assessment and Orientation
If you are a first-time college student whose goal is to obtain a degree or certificate, prepare for a new career, and/or improve basic skills, you will need to take the assessment test. Appointments may be made by visiting https://esars.rcc.edu/Riverside/Assessment/index.htm. For hours, check online at www.rcc.edu/studentservices/assessment. Please note that appointments typically fill 1-2 weeks in advance.

Step 5 Set-Up Your RCC Email Account
As a student in the Riverside Community College District, you are provided with a free student email account via Live@edu by Microsoft. Through their RCCD email accounts, students will correspond with faculty and receive important notices about new classes, schedule changes, wait list statuses, financial aid, and more. While it is important for you to access your RCCD email often to read important messages, you must do so at least once every 180 days or all messages will be deleted.

Step 6 Check Your Registration Dates/Holds and Register for Classes
Go to WebAdvisor at www.rcc.edu/riverside and click “Log In Video” for detailed log-in instructions. See “Check my Registration Dates/Holds” on WebAdvisor. Registration dates are available 1-2 months before the term begins. Students are given a date and time to register. You can register on or after that date/time.
Register for Classes
- View the Registration Video on WebAdvisor.
- Search for classes on WebAdvisor; the Schedule of Classes can be downloaded from the web.
- On your registration date/time you will be able to register via WebAdvisor (www.rcc.edu/riverside). Adding and dropping can also be done over WebAdvisor.
- Pay special attention to important dates (ex: the last day to drop with a refund, without a “W”, or with a “W”) found on your schedule.
- Check Refund, Add and Drop deadlines on WebAdvisor. Add deadlines are also in the Schedule of Classes. Remember, adding and dropping classes is your responsibility. If you decide to stop attending, do not assume your instructor will drop it for you. It is your responsibility!

Step 7  Pay Enrollment Fees
Your fees are due after you enroll. Every term you will pay for your units, a health fee, a transportation fee (allows RCC students to ride free on RTA), a student services fee (optional), and parking (optional). You can pay over WebAdvisor using Visa or MasterCard, American Express and Discover.

If you drop a class within the refund deadline, your refund will be returned to you 6-8 weeks after the deadline date for refunds. It will be returned the same way you paid (cash or check will receive a check, credit card will be credited back to that account).

Step 8  Buy Your Textbooks
Take a copy of your schedule to the bookstore to find out what book(s) you need to purchase for your classes.

Step 9  Attend Classes the First Day
- If your plans change and you cannot attend, be sure to officially drop your class(es); otherwise you could owe fees and receive an “F” or “FW” (Failed - did not withdraw) grade
- Arrive an hour early to find parking. Students are not ticketed the first two weeks of fall/spring and the first week of summer if they park in student spaces
- If enrolled in an online class, go to www.opencampus.com.

Transcript Requests
Students may order official transcripts on WebAdvisor at www.rcc.edu. The first two official transcripts are free. After that there is a $5 charge per transcript. Transcripts can also be ordered at Admissions. Faster service is available for an additional $10 fee. Transcripts are mailed first class mail. Transcript requests should be submitted two weeks before needed. Transcripts cannot be supplied for college work taken at other institutions.

Enrollment Verifications
Students may order Enrollment Verifications on WebAdvisor at www.rcc.edu. The first two requests are free. After that there is a $2 charge per verification. Verifications can also be ordered at the three colleges. Same day service is not available. Submit the request two weeks before needed.

Change of Address
It is the student’s responsibility to advise Admissions and Records of any change in either their home or temporary address. Students may change their address and other information on WebAdvisor (personal profile updates) at www.rcc.edu or at any Admissions office. Name changes must be done at Admissions with documentation.

If after completing the FAFSA application you are still required to provide your parents’ information and are not able to, please visit the SFS office at your home college and ask to speak to staff regarding a Petition for Independent Status (Dependency Override).

Effective summer 2011 all Financial Aid disbursement(s) will be deposited onto a debit card. The card will be a Sallie Mae debit card and your disbursement(s) for financial aid will be placed on that card (there are a few exceptions for certain fund types). To receive your disbursements, if eligible, you can sign up NOW for a Sallie Mae Debit Card. Go to www.rcc.edu/studentfinancialservices to sign up NOW! The Sallie Mae debit card is used like a regular debit card. This card can be used to make transactions, to withdraw cash, and more.

Completing the FAFSA will determine your eligibility for the following:

• **The Board of Governors Fee Waiver (BOGW)** is a state program which waives enrollment fees for qualifying CA resident students. If determined eligible, the BOGW may waive enrollment fees for the entire academic year beginning with summer and ending with the following spring. During the fall and spring semesters, the parking fee will be reduced to $20 per semester. The BOGW does not pay for books or other educational supplies, student services or health fees, transportation/bus fees or additional class fees (such as art and CPR fees as listed in the schedule of classes). To apply, complete the Free Application for Federal Student Aid (FAFSA) online at www.fafsa.gov and list your home college RCC school code (Riverside City College #001270, Moreno Valley College #041735, Norco College #041761) and you will be automatically awarded the BOGW if eligible. You will receive an email at your RCCD student email account notifying you when your BOG waiver eligibility is available on WebAdvisor under your award letter. No separate application is required.

If you are not a California resident, you may be eligible to apply for:

• A non-resident tuition exemption through the AB 540 program if you meet specific requirements and are an undocumented immigrant student. See Admissions and Records for additional information or view our consumer guide online. The Dream Application for AB 540 students was available in spring 2012 to apply for the Spring 2013 BOG waiver. Additional information will be available regarding the Dream Act on our website once the California Student Aid Commission has posted the application.

• A non-resident tuition deferment if you are eligible for financial aid. This deferment to assist students in securing enrollment while waiting for student grants and/or student loans to credit their Admissions and Records account balance. Non-Resident Tuition Deferment Forms must be submitted each semester and/or 30 days within disbursement of a Stafford Direct Loan funds. For more information, view the “information for non-resident” chapter in our consumer guide online at www.rcc.edu/studentfinancialservices.

• **Federal Pell Grant (up to $5,550 for the academic year, subject to change)** is awarded to eligible undergraduate students to assist in paying for educational expenses and is awarded based on financial need. Unlike loans, Pell Grants do not have to be repaid (unless you withdraw from courses and owe a refund or do not successfully pass your courses). The information that you provide on the Free Application for Federal Student Aid (FAFSA) is used to produce an Expected Family Contribution (EFC). This EFC number will determine if you are eligible for the Pell Grant and for how much. How much you receive will depend not only on your EFC but also on the number of units you are enrolled in, whether you attend school for a full academic year and meeting your college Satisfactory Academic Progress. Students enrolled less than half time (less than 6 units) may qualify for a Pell Grant. Once you have completed all application procedures with the SFS office, your Pell Grant eligibility will be determined. You will receive an award letter via your RCCD student email indicating that your award has been posted on WebAdvisor. The award letter on WebAdvisor will list the types of funds and how much financial aid you have been awarded, including the Pell Grant. All award letters are based on full-time enrollment and disbursement(s) are adjusted based on units. All students are encouraged to enroll in courses as soon as possible each term.

• **Federal Supplemental Educational Opportunity Grant (FSEOG) (up to $1,000 for the academic year at RCC and is subject to change)** is awarded first to students with exceptional financial need and have the lowest expected family contribution (EFC) granted on the FAFSA. Like the Pell Grant, FSEOG is a cash award that does not require repayment as long as you remain in your courses and complete them successfully. Due to limited funding, priority is given to students who apply for the FAFSA by the March 2 deadline and qualify for the maximum Pell Grant award. This grant is limited and is awarded until funds are exhausted.

• **Cal Grants (up to $1,551 per academic year)** are awarded by the California Student Aid Commission (CSAC) to California residents who graduated from a California high school and will be attending a qualifying institution at least half time (6 or more units). The deadline to apply for these grants is March 2 of every year. For students attending California community colleges, there is an additional deadline of September 2. To apply for the Cal Grant awards, you need to complete the FAFSA and have your GPA verified by the above deadlines. If you are awarded a Cal Grant by CSAC and are choosing to attend RCC, you must ensure that your financial aid file is completed, that you have an active academic program (major) on file with the Admissions and Records office other than Undecided, and you must be meeting the RCC Student Financial Services Satisfactory Academic Progress (SAP) standard. Disbursement is contingent upon eligibility and funding. You may view your Cal Grant eligibility online at https://mygrantinfo.csac.ca.gov/logon.asp.
• **CHAFFEE Grant Program** provides grants up to $5,000 to eligible foster youth. An Independent Living Coordinator with the Department of Public Social Services determines whether or not a student is an eligible foster youth. Students must be enrolled in college at least half-time (6 units) during the fall and/or spring semester and must meet Satisfactory Academic Progress (SAP) before the CHAFEE grant can be disbursed. The FAFSA application is required for RCC to verify eligibility for this grant. Disbursement is contingent upon eligibility and funding. An application for this grant can be completed at www.chafee.csac.ca.gov. Paper applications can be picked up in the SFS office and after completion, mailed to CSAC. This grant will be renewed automatically by CSAC as long as the student meets specific criteria. Each CHAFEE grant disbursement is released by CSAC during the Fall and/or Spring semester at which time the SFS office reviews the student’s eligibility prior to the disbursement being released to the student. All disbursement(s) for CHAFEE grants must be picked up in person with a valid picture ID at your home college (this is subject to change).

• **Child Development Grant Program** ($1,000 per academic year) is for participants who intend to teach or supervise in the field of child care and development in a licensed children’s center. Students must be enrolled in at least half-time (6 units) during the fall and/or spring semester and must meet Satisfactory Academic Progress (SAP) for each semester. A paper application is available in April and can be picked up in the SFS office or Early Childhood Education office (please check their website for hours and locations). It is also available online at www.csac.ca.gov for printing. It must be completed and submitted to the Early Childhood Education office. The deadline to submit this application is June 15. A FAFSA application is required for RCC to determine eligibility for this grant. A new application must be submitted for each academic year. The RCCD Foundation was officially established in 1975, and since its inception, the major focus of the Foundation has been to provide scholarship assistance for students. In 1991, the Foundation launched a successful $1 Million Endowed Scholarship Campaign held in conjunction with the 75th Anniversary of RCC and the opening of the Moreno Valley and Norco campuses. In 1996, the Foundation launched a successful $1.5 million campaign to support Passport to College, the nationally recognized early outreach program, and in 2003, the Foundation completed a $450,000 campaign to fund the acquisition of the RCCD Alumni House, a wonderful historic home adjacent to Riverside City College. In 2006, the RCCC Foundation Board implemented the major gift campaign, “Campaign RCC—Our College, Our Future,” to support several initiatives including the Riverside Aquatics Complex, the School of Nursing/Science/Math Complex, Allied Health Initiatives at Moreno Valley, Industrial Technology Complex at Norco, the Riverside School for the Arts, and scholarship and endowment support. To date, over $15 million in cash, pledges, and planned gifts has been raised.

At the heart of the Foundation’s mission is a passionate belief that scholarships can make a tremendous difference in students’ lives. The RCCD Foundation awards more than $300,000 in scholarships annually to deserving high school seniors, continuing RCCD students, and RCCD students transferring to a four-year college or university. Scholarships may be based on financial need and/or academic performance, and often include qualifications such as your major, career goal, GPA, club involvement or volunteer activities.

CCAF, SMARTS, AARTS transcripts, DD214, and Certificates of Completion are used to evaluate military credit.

Order your official, sealed and printed less than 90 days prior, military transcript and have it sent to the Evaluations department, RCC District Office, 1533 Spruce Street, Riverside, CA 92507.

No more than 30 units may be granted for CLEP, military training, AP or credit by exam. Any military credit granted is usable toward your AA/AS degree at a college within the Riverside Community College District only and is not posted to your RCC transcript. See Veterans’ Services for more information, (951) 222-8607.

Transcripts must be official, sealed, and printed less than 90 days ago. After transcripts are received, veterans are to call Veterans’ Services and request to have their VA Student Educational Plan prepared for a VA approved program. When the VA SEP is completed, an email will be sent to their RCC email account to pick it up at the Counseling dept. After receiving the SEP, veterans can register for approved classes. Check the VA website at www.gibill.va.gov for the listing of VA approved programs at RCC.

After registering for classes, veterans must turn in the Veteran’s Statement of Responsibility (Blue Sheet) to the RCC Veterans’ Services office at Riverside City College. This “Blue Sheet” is required in order for an enrollment certification to be submitted to the VA and to prevent the veteran from being dropped for nonpayment. This process may take 2-3 weeks. This form must be submitted to RCC every term to request benefits.

Veterans are eligible for priority registration for four years after being discharged from active duty. In order to be eligible, veterans must take a copy of their DD214 discharge papers to the Veterans’ Services or Admissions office at Riverside City College. Staff there will tell eligible veterans their priority registration dates. Dates are also posted on the website at www.rcc.edu/riverside. Click on “Going to College” and then on Veterans Assistance.

Veterans’ Services is available in the Veterans’ Resource Center (VRC) in the Administration Building, room 124. Riverside City College is pleased to provide the VRC, a relaxed lounge for veterans. The VRC has computers, study areas, a reclining sofa and chairs, and a flat-screen TV. Plan to join us at the monthly Veterans Club meetings.

See the Military Credit and Residency for Tuition Purposes sections for more information.

Veterans’ Services
Veterans who are seeking to use VA Educational Benefits should apply online to the VA at www.gibill.va.gov. Allow 3-6 weeks for processing. Once processed, the VA will send applicants two copies of their Certificate of Eligibility. One copy must be given to the RCC Veterans’ Services office in the Veteran’s Resource Center in the Administration Bldg., Rm. 124. For questions regarding pay, Certificate of Eligibility or benefits call 1-888-GIBILL-1.

While waiting for the Certificate of Eligibility, veterans should continue with RCC procedures in order to enroll and be certified for payment. Veterans apply to the College online at www.rcc.edu/riverside and complete any required assessment testing and online orientation.

Veterans must activate their RCC student email account, and check email daily, to receive important veterans’ and college information. Veterans may also be eligible for other financial aid and are encouraged to submit the FAFSA (Free Application for Federal Student Aid) online at www.fafsa.ed.gov.

Before a VA Student Education Plan (SEP) can be developed, all transcripts must be received by the College in order to have prior credit evaluated. Transcripts from other educational institutions should be mailed to: Riverside City College, Admissions and Records, 4800 Magnolia Avenue, Riverside, CA 92506-1299.

Ujima Project
The goal of the Ujima Project is based on three components: curriculum, culture, and civic engagement. Curriculum—enrollment in our Ujima Ethnic Studies Course; Culture—exposure to events and community activities; and Civic Engagement—by becoming a member and participating in our College UJIMA/NAACP Chapter, which focuses on training and fine tuning intellectual and leadership skills to manifest an increased level of social and political activism.

Ujima, which means “collective work and responsibility,” is focused on the scholastic achievement of African American students. This success is connected to mentoring, life planning, and developing an understanding of the community college culture and its services.

For more information, please contact (951) 222-8428.

Services available include:

- Career and academic counseling
- Educational and occupational assessments
- Priority registration
- Intensive case management
- Job placement
- Skill-building courses

Through the Riverside County GAIN program, CalWORKs students participating in approved welfare-to-work plans may receive supplemental services through the Riverside County GAIN program, such as:

- Childcare
- Transportation
- Textbooks and materials
- Parking permits

Gateway to College students learn how to succeed in an educational setting, under the guidance of a caring team of instructors and student support specialists with experience and interest in at-risk youth. In their first term, students take foundational courses as part of a learning community. This experience builds their academic and personal skills, preparing them for college courses with the general student population. During the foundation term, students take reading, writing, and math, plus a college survival and success class where students learn how to take effective notes, study for tests, and juggle school, work, and family life. After completing the foundation term, students take a career development class to help them focus their academic goals and select a major. They also begin taking classes on the comprehensive campus. For more information, call (951) 222-8934.

Title V Pathways to Excellence
RCC’s Title V-funded Pathways to Excellence is a five-year initiative designed to: 1) engage RCC Students, 2) engage RCC Faculty, and 3) Provide Physical and Virtual Engagement Centers where RCC students, faculty and staff can work together to achieve success. Enrolled Pathways to Excellence students will explore their skills, interests, and abilities; then, match these to career pathways in Business/Career-Technical, STEM, and Liberal Arts/Humanities. Pathways students will have access to intensive academic planning and student support services. Pathways faculty and staff actively participate in specialized professional development and strategies to support college students who may be the first in their family to attend college and would like further assistance in navigating the college completion process. Going to college, let alone successfully completing a college certificate or degree, is a challenge. The goal of the Pathways to Excellence program at RCC is to develop a streamlined college completion process and structure of student support that will enable students to narrow their focus, define their goals and achieve those goals. Eighteen of the 24 units required to be eligible shall be in courses counting toward remediation, a certificate, graduation or transfer according to an educational plan. A student athlete must have a comprehensive Student Educational Plan on file by October 15, if your first competition in any sport occurs during the fall academic term and March 1, if your first competition in any sport occurs during the spring academic term. Nine of the 12 units shall be in courses counting toward remediation, a certificate, graduation or transfer according to an educational plan with the athletic director.

Eligibility to Transfer

Transfer to an NCAA institution is based, in part, on high school academic performance. The following must be satisfied in high school:

1. Graduate from high school
2. Attain a 2.0 GPA in at least 14 core courses
3. Attain satisfactory score on the SAT or ACT
4. Be cleared by the NCAA clearing house for qualified status.

To check on qualifying status go to ncaaclearinghouse.net/NCAA/common/index.html.

Qualifier

Having met these requirements in high school, an RCC student athlete may transfer after a minimum of two semesters completion of 12 transferable units for each full-time semester of attendance as long as a 2.0 GPA is maintained.

Nonqualifier

If you are a nonqualifier at the time of high school graduation, RCC student athletes must complete 48 transferable units and earn an AA degree before they may transfer and be eligible to compete at most four-year colleges and universities. Please make a counseling appointment during your first semester for more details.

If there’s another sport you’d like to add to the list, it may be considered, based on student interest. You may want to join the Century Club: jog, swim and cycle 100 miles and earn a T-shirt. For further information, call (951) 222-8576.

How Much Does It Cost To Attend Our Games?

If you are an ASRCC cardholder, you are admitted FREE to all Tiger home football and basketball games. All other sports do not require an admission ticket. ASRCC cards are purchased during the enrollment process.
Student Government

Riverside City College has one of the most active student government programs in the country. Student government is responsible for representing the social, political and educational concerns of our students. Their main purpose is to provide student leaders with skills beyond what they learn in the classroom. Interpersonal communication, budget control, entrepreneurial skills, creativity, and activity planning are just a few of the skills that our very active student leaders learn.

The Associated Students of the Riverside City College (ASRCC) consists of the ASRCC Student Trustee and the three Associated Student Organizations from each college: The Associated Students of Moreno Valley College (ASMVC), the Associated Students of Norco College (ASNC), and the Associated Students of Riverside City College (ASRCC). As the official student representative, the ASRCC Student Trustee is a member of the RCCD Board of Trustees. The Student Trustee also chairs the Student District Consultation Council. Each of the college’s Associated Student Organizations are lead by an elected student president. The Student Senates, as well as other student committees, tackle a wide variety of student issues and help plan many of the campus activities.

RCC’s Inter-Club Council is responsible for coordinating the many activities of more than 70 active campus clubs. The clubs are the foundation for our student activities program. The Interclub Council director presides over the ICC. The coordinator of Student Activities serves as advisor to this organization.

Let ASRCC be your “Vehicle for Success!” This will be a very exciting and educational year. ASRCC looks forward to having you as a part of the team. If you desire information on how to get involved, stop by the Student Activities office in the Bradshaw Center, 2nd floor.

How Can I Get Involved in Student Activities?

Nothing is stopping you! Get involved! You will get recognition as well as personal satisfaction for your involvement. Special recognition is awarded to those who are involved in on- or off-campus projects as college volunteers. You are eligible for recognition if you donate 50 or more hours in a single semester. In the past, students have organized blood drives, tutored, assisted in research, visited the elderly, and organized fund-raising projects. You can qualify for recognition by recording your service hours with approval of a faculty advisor or the coordinator of Student Activities. For more information, call (951) 222-8570 at Riverside City College or visit us at www.rivاسrcc.org.

Many of the above students will be required to register in person.

THINGS TO CHECK FOR AS YOU MAKE YOUR CLASS SELECTIONS...
- Is the class still open? Check WebAdvisor for open classes (new sections may be added and classes may re-open if students drop). If the class is closed, refer to Adding Classes in the Schedule of Classes or select other options.
- Have you met all necessary prerequisites for each class? These are listed in the Schedule of Classes and online.
- Do any of your classes overlap? You must have an Approval for Overlapping Classes form signed by the instructor and add in person.

Reading the Class Schedule

After you have given some thought to the number and types of classes you would like to take, you are ready to organize your first semester of classes using the Class Schedule which is published for fall, winter, spring, and summer. It is important to note that classes may vary in length. Some courses are offered off campus, and evening courses are designated by bold print. If you enroll in a “day” class, you must enroll in a “day” lab (when one is required.)

Choosing College Classes

How to Schedule Your First Year
With assessment and orientation behind you, you’re probably ready to sit back and relax for a while before starting college, but don’t get too comfortable. Before you know it, you’ll find yourself on campus, thrown into a whirlwind of decisions. Choosing your courses will be among the first.

Picking classes in high school may not have been a big deal, but college is different. Some schools offer literally thousands of classes. Deciding what to take can make even the most experienced student dizzy. The following tips and strategies will make it easier to select your courses.

Tip 1: Review the College Catalog
You will need to purchase a College Catalog from the bookstore or view the College Catalog at www.rcc.edu. Look through it thoroughly. You’ll find certificates, associate degrees, and transfer programs requirements. Review the course descriptions so you have a better idea of the course content.

Mark the classes that interest you. If you have an idea of what you want to major in, consider taking some of the general requirements in your major. If you’re like most freshmen and have no idea what you want to major in yet, think about taking classes in areas that spark your interest. Have you always wanted to learn about space? Try an astronomy class. Do fossils intrigue you? Sign up for anthropology.

Tip 2: Search on WebAdvisor
Go to www.rcc.edu. Click on WebAdvisor, then on view open classes by campus. You will find class names, titles, location, meeting information, units, faculty, and available capacity. If you click on class names/deadlines, you can find detailed information about the class, including any prerequisite requirements.

Tip 3: Find a Balance of Hard and Easy Courses
You may be eager to jump into difficult classes your first year, but beware of taking too many. You may not realize how challenging college courses can be, and how much reading and other work they require. And don’t forget that this will be your first semester on campus -- you’re in for lots of changes. Too many hard courses can put a real strain on you and it will show in your grades.

Tip 4: Find a Balance of Subject Areas
You should also take subjects that require different kinds of work. For example, some classes, like literature and history, require a lot of reading, while others, like journalism, require lots of writing. And courses like math and science will have you solving problem sets. Choose a variety of subjects so you’re not stuck writing five research papers or having to read five books in one week.

Tip 5: Take Advantage of Counseling Services
Take the opportunity in the group orientation to ask questions. Make it a priority to set up an appointment to see a counselor and come with questions.

Tip 6: Use AP Credits, Placement Exams, and More
Before you register, find out if you’ve already fulfilled any of your requirements. If you score high on AP exams, for example, you may not have to take certain classes, such as a lab science. Acing a placement exam could free you from taking the required language course. Submit your official AP exams results to Admissions and Records.

Tip 7: Take a Writing Course
It’s in your best interest to take a writing class during your first semester, even if you’re not required to do so. You can apply the writing skills you develop in this course to all your other courses throughout college and in whatever career you choose.

Tip 8: Make a Plan for Registration Day
Registering for classes can be a nailbiting experience. You can be sure that some of the classes you want will be full, or that you’ll have to choose between two classes that are held at the same time. So, after you come up with your dream schedule, make a list of alternative classes. Your preparations will make registration day easier, and help you start your first year off right.
Choosing College Classes

One important aspect of a successful college career is managing your time well. Making the right choices about how to spend your time is one of the most important things you will do. The following pages will assist you with planning your time schedule for college.

Unlike the formal structure of a high school schedule, a college schedule can be very unstructured. You are in charge of your own schedule. Many sections of the same class are offered at various times of the day. It is up to you to select the time which best meets your needs. It is possible to arrange your schedule so that you may attend classes on certain days of the week. In other words, it is not mandatory for you to attend classes Monday through Friday.

It is important to consider all aspects of your life when planning your class schedule. Work, family commitments, recreational activities, and other areas must be included in your daily schedule. In fact, you are encouraged to take into consideration all aspects of your life when planning your class schedule.

Planning time for study is one of the most important ingredients of academic success. Most college classes require far more study time than high school classes. A general rule of thumb to follow when trying to set up a time schedule for studying is to plan on two hours of study per week for each unit of class you are enrolled in. For example, a three-unit class may require up to six hours of study per week (based on an 16-week semester).

To ease some of the confusion you might be experiencing, we have designed a sample schedule for you. It includes class time, study time, work time, and leisure time. Note that the sample student is taking 13 units and has arranged 24 hours of study time. Also, note the student is working 20 hours per week. Please refer to the following recommended guidelines to determine your workload.

Note: You can shorten these timeframes by taking summer or winter session courses. Don’t be discouraged by how long it will take you. Remember, each class is a real step toward your goal.

There is a blank time management schedule for you in the following pages. Please use it and revise it once the semester begins if it is not meeting your scheduling needs. Again, for each unit that you take, there will be 2 to 3 hours of outside study per week. You must, therefore, manage your class and study time carefully, keeping in mind your employment and other responsibilities. Because effective time management plays a key role in your success at Riverside City College, please see a counselor if you are having difficulty with your planning. Remember, your success in college is important to us, and we are here to assist you.

Tips that lead to Success

Information About Sexual Violence

I. What is sexual violence?
Sexual violence is any unwanted, forced, tricked, or coerced sexual activity. There are many forms of sexual violence, some of which include:
- Rape/attempted rape
- Sexual assault
- Incest
- Date/acquaintance rape
- Sexual harassment
- Unwanted sexual touching
- Voyeurism
- Forced to watch or partake in pornography.

Rape is never the victim’s fault and it is never too late to seek help. No matter who raped you, when the assault occurred, or how you choose to take care of yourself, medical and emotional help are available.

II. Facts and myths about sexual violence

FACTS
- Women on American college campuses who are from 18 to 24 years of age are at greater risk for becoming victims of rape, sexual assault, domestic violence, and stalking than women in the general population or women in a comparable age group. Research over the past 20 years has consistently shown that the rate of sexual assault among women who are in this age group (18 to 24) traditionally considered to be college-aged is one in four.
- Studies have consistently shown that sexual assault primarily targets women and youth, and that most perpetrators are friends, relatives, acquaintances, or someone else who is known by the victim. According to the 2003 National Crime Victimization Survey, approximately 70% of female rape victims knew their assailant.
- In 1994, Ms. Magazine’s “Report on Recognizing, Fighting and Surviving Date and Acquaintance Rape” documented that one in four college women had been the victim of a completed actual rape or attempted rape, and that, in 84% of the attacks, the victim knew the perpetrator.
- The National Violence Against Women Survey of 1998 demonstrated that 83% of rape victims were less than 25 years old when they were assaulted.
- In 2000, the Sexual Victimization of College Women Survey estimated that a college with 10,000 students could expect more than 350 rapes per year to occur on that campus.
- Additionally, half of all stalking victims are between the ages of 18 and 29, and women between the ages of 16 and 24 experience the highest rate of domestic violence victimization.
- While sexual assault primarily affects young women, they are not the only targets. Women of all ages, men, children, individuals with disabilities, members of cultural and religious minority groups, and lesbian/gay/transgendered individuals also experience sexual assault or rape.
- Every two and one-half minutes a woman is raped or sexually assaulted—this calculation is based on the 2004 National Crime Victimization Survey from the Bureau of Justice Statistics, U.S. Department of Justice.

MYTHS
- Rape is a sexual crime.
- Women are powerless against rape.
- Women secretly want to be raped.
- Only young attractive women are raped.
- Only women with bad reputations are raped.
- Women who dress sexy are asking to be raped.

III. Support Information and Resources
Support information and resources are available to you if you have been a victim of rape, sexual assault, dating violence, domestic violence, and/or stalking crimes or have friends, peers, or acquaintances who have been victimized. All sexual assaults are considered very serious matters to Riverside City College and are given the highest priority for response. A survivor of rape or sexual assault on or off campus may obtain assistance by contacting someone in the following agencies/departments/groups.

- Riverside Community College District Safety and Police Department
  (951) 222-8171
  Dispatch (951) 222-8171
- Riverside Police Department (951) 826-5314 or Emergency 9-1-1

- Alternatives to Domestic Violence (951) 683-0829 (24-Hour Crisis Line)
- Health Department (951) 358-5000
- Victim Witness Program (951) 955-5450

- Riverside Community College Counseling Center
  Moreno Valley College (951) 571-6104
  Norco College (951) 372-7101
  Riverside City College (951) 222-8440

IV. Process for Filing
Process for filing internal administrative complaints with campus administration and criminal charges with local law enforcement:
- After a reported incident occurs the following procedures will be used in the investigation.
  - Identify the victim(s) and all others on the scene.
  - Provide emergency medical treatment for the victim(s) if needed.
  - Establish rapport with victim(s).
  - Conduct cursory interview to determine specific crimes, suspect identity, or other pertinent information.
  - The officer will determine the location of the suspect.
  - Crime broadcast if appropriate.
  - Identify and protect all crime scenes.
  - Identify and interview all possible witnesses.
• For complaints regarding sexual harassment refer to District Board Policy 6110 located in the Student Handbook or on the RCC website.

V. Policy and Regulations
All victims of sexual violence are highly encouraged to report the crime. Rape is one of the most under-reported crimes. According to the Rape, Abuse, and Incest National Network (RAINN) only about 36% of rapes were reported to law enforcement in 2004. The most common reasons given by victims for not reporting the crime are the beliefs that this is a private/personal matter and that they fear reprisal from the assailant.

In an effort to encourage victims to report assaults, the following exception will be made. The victim of sexual assault will not be disciplined as defined in the Board Policy 6080, “Standards of Student Conduct,” for the use, possession, or being under the influence of alcoholic beverages or controlled substances at the time of the incident if the assault occurred on College property.

In the state of California if a person is prevented from resisting by any intoxicating or anesthetic substance or any controlled substance and this condition was known, or reasonably should have been known by the accused, this is rape. Refer to Title 9, Chapter 1 #261, sections (3), (4), (4A), (4B), and (4C) of the California Penal Code.

This means if sex happens while you were drunk and without your consent, you were raped. Being drunk or high lowers your inhibitions and impairs your ability to make safe choices. Date rape drugs are out there. Watch your own drink, and watch each other’s drinks. Be aware that if you are drinking, you may not be able to hear the “NO” your partner is trying to communicate to you.

The idea that a woman says no when she means yes is not true. Pushing or turning away is a non-verbal NO! If your partner says No-STOP! It still means NO! A clear and sober “YES” is the only answer that means YES.

VI. Information regarding campus, criminal, and civil consequences of committing acts of sexual violence.

The punishments for rapes and sexual assaults vary according to the facts related to the crime. Rape is punishable by imprisonment in the state prison for up to three, six, or eight years.

Sexual assault or harassment by an RCC student on District property may result in expulsion from the College and criminal prosecution of the perpetrator.

VII. Tips for Keeping Safe
Information about Rape Aggressive Defensive Tactics can be found at www.rcc.edu/departments/police/rad.html on the College Safety and Police webpage.

Drug Abuse Prevention Program

Statement of Philosophy and Purpose
It is the intention of Riverside City College to provide an environment that maximizes academic achievement and personal growth. The District recognizes that alcohol, tobacco, and other drug use or abuse poses a significant threat to the health, safety, and well-being of users and the people around them. Substance abuse also interferes with academic, co-curricular, and extra-curricular interests and can lead to health, personal, social, economic, and legal problems.

Alcohol and other drug abuse, addiction or dependency is a behavioral/medical problem. Because the District’s intent is to be helpful, not punitive, programs have been developed to deter alcohol and other drug abuse. First, education is provided. Second, a program of assistance and referral is available. Third, disciplinary procedures are applied to uphold the District’s policy regarding alcohol and other drug use and the Standards of Student Conduct as listed in the Student Handbook.

The District’s policy is that all use of alcohol and other drugs is prohibited on District property and at any college-sponsored or related activity regardless of its location. Furthermore, the use of tobacco is prohibited in all District buildings.

VI. Disciplinary Action
Complaints, grievances or disciplinary matters should be resolved at the campus level. This is the quickest and most successful way of resolving issues. You are encouraged to work through the college complaint process listed in the College’s grievance procedures first before escalating issues to any of the following resources that are identified in the attached link. http://californiacommunitycolleges.cccco.edu/ComplaintsForm.aspx.

A. Any student who disrupts the orderly operation of a District campus, or who violates the standards of student conduct, is subject to disciplinary action. Such action may be implemented by the Chief Executive Officer of the College or designee.
B. The various types of disciplinary actions are set forth hereafter:

1. **Verbal Warning**: This is notice to the student that continuation or repetition of specified conduct may be cause for other disciplinary action.

2. **Reprimand**: This includes a written statement and/or a probationary period to be specified by the Chief Executive Officer of the College or designee for violation of specified rules. The reprimand serves to place on record that a student's conduct in a specific instance did not meet the standards expected by the District. It also specifies the steps necessary to correct the inappropriate conduct and to terminate the probation, if probation has been imposed. A person placed on probation is notified that this is a warning and that continued conduct of the type described in the reprimand may result in further disciplinary action against the student.

3. **Social Suspension**: Social suspension limits a student's attendance on District property to his/her scheduled class hours. This limitation of District privileges will be set forth in the notice of social suspension for a specified period of time. The imposition of social suspension involves written notification to the student(s) and, if necessary, the advisor of the organization involved and the reason for social suspension.

4. **“Temporary Suspension”**: This suspension is invoked by a classroom instructor due to student misconduct in the classroom. The student may be removed from class the day of the occurrence and the subsequent class period. If such suspension occurs, the instructor will immediately notify the appropriate Department Chairperson and/or College Dean of Instruction who will, in turn, notify the College Dean of Student Services.

5. **Interim Suspension**: Interim suspension may be invoked prior to a hearing to protect the safety and welfare of the District. This is an interim suspension from all District privileges including class attendance. Interim suspension is limited to that period of time necessary to resolve the problems that originally required the interim suspension, and in any case, no more than a maximum of ten (10) instructional days. The student will be afforded the opportunity for a formal hearing within ten (10) instructional days of imposition of the interim suspension.

6. **Restitution**: This is financial reimbursement to the District for damage or misappropriation of property. Reimbursement may also take the form of appropriate service to repair or otherwise compensate for damage.

7. **Disciplinary Suspension**: Disciplinary suspension is a suspension of all District privileges including class attendance and may be imposed by the Chief Executive Officer of the College, or designee, following a formal hearing for misconduct when other corrective measures have failed or when the seriousness of the situation warrants such action. Disciplinary suspension will not be more than ten (10) instructional days.

8. **Extended Suspension**: The Chief Executive Officer of the College, or designee, may suspend a student for good cause from all classes and activities of the District for one or more terms.

9. **Expulsion**: An expulsion is a long term or permanent denial of all District privileges including class attendance. The Board of Trustees may expel a student upon recommendation of the Chief Executive Officer of each College.

C. In cases of academic dishonesty by a student, a faculty member may take any one of the following actions:

1. The faculty member may: a) reduce the score on test(s) or assignment(s); b) reduce the grade in the course; or c) fail the student in the course if the weight of the test(s) or assignment(s) warrants course failure. The faculty member may recommend to the College Dean of Instruction that the student be suspended from the course. If course suspension is recommended, the College Dean of Instruction will review the information regarding the charge of academic dishonesty, notify the student, consult with the faculty member regarding the recommendation for suspension, and prescribe appropriate due process procedures.

2. If the suspension is upheld, the College Dean of Instruction will make note of the offense in the student's educational records. A second instance of academic dishonesty may result in expulsion proceedings. Any enrollment, tuition, and other applicable fees will not be refunded as a result of disciplinary action for academic misconduct.

D. **Short-term Suspensions, Long-term Suspensions, and Expulsions**

Before any disciplinary action to suspend or expel is taken against a student, the following procedures will apply:

1. **Notice** – Within three (3) days of the date on which the Dean of Student Services, or designee, was made aware of the conduct leading to the disciplinary action, a meeting with the student will be scheduled. The student will be provided a verbal notice of the conduct warranting the discipline. The verbal notice will include the following:

3. The specific section of the Standards of Student Conduct that the student is accused of violating

4. A short statement of the facts supporting the accusation

5. The nature of the discipline that is being considered.

### VII. Student Grievance Procedure for Student-Related Issues

The purpose of a student grievance procedure is to provide a process by which student-related issues for disciplinary matters may be resolved in a fair and efficient manner following due process. The procedure is intended to achieve an equitable solution to an issue with due regard for the rights of the student, the faculty, the student body, and the District.

Complaints, grievances or disciplinary matters should be resolved at the campus level. This is the quickest and most successful way of resolving issues. You are encouraged to work through the college complaint process listed in the College's grievance procedures first before escalating issues to any of the following resources that are identified in the attached link:

A. **Procedure Relating to Disciplinary Action**

In all cases when the Dean of Student Services of the College, or designee, has initiated disciplinary action, the student, within five (5) instructional days following notification of the action, may convey to the appropriate Chief Instructional Officer or Chief Student Services Officer of the College, in writing:

1. Concurrence with the decision; or

2. A grievance challenging the action.

The Chief Executive Officer of the College, or designee, would hear the challenge and provide a finding within five (5) days of receiving the written request.

Absence of any communication after the five (5) day limit from the student indicates concurrence with the decision.

For extended suspension or expulsion, the student may request a formal hearing within five (5) days of receiving a written decision from the Chief Executive Officer of the College.

### Request for Hearing

Within five (5) days after receipt of the Chief Executive Officer's, or designee's, decision regarding a long-term suspension or expulsion, the student may request a formal hearing. The request must be made in writing to the Chancellor or designee.
Schedule of Hearing
The formal hearing shall be held within ten (10) days after a formal request for hearing is received.

Hearing Panel
The hearing panel for any disciplinary action shall be composed of one (1) administrator, one (1) faculty member, and one (1) student.

The Chief Executive Officer of the College, the President of the Academic Senate, and the Associated Students' President shall each, at the beginning of the academic year, establish a list of at least five (5) administrators, five (5) faculty members, and five (5) students who will serve on student disciplinary hearing panels. The Chancellor shall appoint the hearing panel from the names on this list. However, no administrator, faculty member or student who has any personal involvement in the matter to be decided, who is a necessary witness, or who could not otherwise act in a neutral manner shall serve on a hearing panel.

Hearing Panel Chair
The Chief Executive Officer of the College shall appoint one member of the panel to serve as the chair. The decision of the hearing panel chair shall be final on all matters relating to the conduct of the hearing unless there is a vote by both other members of the panel to the contrary.

Conduct of Hearing
The members of the hearing panel shall be provided with a copy of the accusation against the student and any written response provided by the student before the hearing begins.

The facts supporting the accusation shall be presented by the College Dean of Student Services, or designee.

The College representative and the student may call witnesses and introduce oral and written testimony relevant to the issues of the matter.

Formal rules of evidence shall not apply. Any relevant evidence shall be admitted.

Unless the hearing panel determines to proceed otherwise, the College representative and the student shall each be permitted to make an opening statement. Thereafter, the College representative shall make the first presentation, followed by the student. The College representative may present rebuttal evidence after the student completes his or her evidence. The burden shall be on the College representative to prove by substantial evidence that the facts alleged are true.

The student may represent himself or herself, and may also have the right to be represented by a person of his or her choice, except that the student shall not be represented by an attorney unless, in the judgment of the hearing panel, complex legal issues are involved. If the student wishes to be represented by an attorney, a request must be presented not less than five (5) days prior to the date of the hearing. If the student is permitted to be represented by an attorney, the College representative may request legal assistance. The hearing panel may also request legal assistance; any legal advisor provided to the panel may sit with it in an advisory capacity to provide legal counsel, but shall not be a member of the panel, nor vote with it.

Hearings shall be closed and confidential unless the student requests that it be open to the public. Any such request must be made no less than five (5) days prior to the date of the hearing.

In a closed hearing, witnesses shall not be present at the hearing when not testifying, unless all parties and the panel agree to the contrary.

The hearing shall be recorded by the College either by tape recording or stenographic recording, and shall be the only recording made. No witness who refuses to be recorded may be permitted to give testimony. In the event the recording is by tape recording, the hearing panel chair shall, at the beginning of the hearing, ask each person present to identify themselves by name, and thereafter shall ask witnesses to identify themselves by name. The tape recording shall remain in the custody of the College at all times, unless released to a professional transcribing service. The student may request a copy of the tape recording.

All testimony shall be taken under oath; the oath shall be administered by the hearing panel chair. Written statements of witnesses under penalty of perjury shall not be used unless the witness is unavailable to testify. A witness who refuses to be tape recorded is not considered an unavailable witness.

Within five (5) days following the close of the hearing, the hearing panel shall prepare and send to the Chief Executive Officer of the College a written decision, if the recommended discipline is regarding long-term suspension, a lesser discipline or no discipline. If the recommended discipline is regarding expulsion, then the written decision shall be sent to the Chancellor, with a copy to the Chief Executive Officer of the College. The decision shall include specific factual findings regarding the accusation, and shall include specific conclusions regarding whether any specific section of the Standards of Student Conduct were violated. The decision shall also include a specific recommendation regarding the disciplinary action to be imposed, if any. The decision shall be based only on the record of the hearing, and not on matters outside of that record. The record consists of the original accusation, the written response, if any, of the student, and the oral and written evidence produced at the hearing.

Chief Executive Officer's Decision
Long-term suspension or a lesser discipline -- Within five (5) days following receipt of the hearing panel's recommended decision, the Chief Executive Officer of the College shall render a final written decision. The Chief Executive Officer may accept, modify or reject the findings, decisions and recommendations of the hearing panel. If the Chief Executive Officer modifies or rejects the hearing panel's decision, the Chief Executive Officer shall review the record of the hearing, and shall prepare a new written decision which contains specific factual findings and conclusions. The decision of the Chief Executive Officer of the College shall be final.

Chancellor's Decision
Expulsion -- Within five (5) days following receipt of the hearing panel's recommended decision, the Chancellor shall render a written recommended decision to the Board of Trustees. The Chancellor may accept, modify or reject the findings, decisions and recommendations of the hearing panel for expulsion. If the Chancellor modifies or rejects the hearing panel's decision, he or she shall review the record of the hearing, and shall prepare a new written decision which contains specific factual findings and conclusions. If the Chancellor's decision supports expulsion, it shall be forwarded to the Board of Trustees.

Board of Trustees' Decision
The Board of Trustees shall consider a recommendation for expulsion from the Chancellor at the next regularly scheduled meeting of the Board after receipt of the recommended decision.
Rights and Responsibilities

2012-2013 Riverside City College Student Handbook

The Board of Trustees shall consider an expulsion recommendation in closed session, unless the student has requested that the matter be considered in a public meeting in accordance with these procedures.

The student shall be notified in writing, by registered or certified mail or by personal service, at least three (3) days prior to the meeting of the date, time, and location of the Board’s meeting.

The student may, within forty-eight (48) hours after receipt of the notice, request that the hearing be held as a public meeting.

Even if a student has requested that the Board of Trustees consider an expulsion recommendation in a public meeting, the Board of Trustees will hold any discussion that might be in conflict with the right to privacy of any student, other than the student requesting the public meeting, in closed session.

The Board of Trustees may accept, modify or reject the findings, decisions and recommendations of the Chancellor and/or the hearing panel. If the Board of Trustees modifies or rejects the decision, the Board shall review the record of the hearing, and shall prepare a new written decision which contains specific factual findings and conclusions. The decision of the Board of Trustees shall be final.

The final action of the Board of Trustees on the expulsion shall be taken at a public meeting, and the result of the action shall be a public record of the District.

B. General Grievance Process for Matters Other than Disciplinary

Student grievances (other than for discipline) will be processed in the following manner:

1. Consultation Process
   a. Prior to any formal hearing, a student will be encouraged to contact the appropriate faculty or staff member and attempt, in good faith, to resolve the concern through the consultative process. If a student is unsure of the appropriate faculty or staff member to contact, he or she should contact the College Dean of Instruction or College Dean of Student Services for nonacademic matters, who will direct the student to the appropriate staff member. In cases where either the student or faculty/staff member prefers to meet in the presence of a third party, he/she will contact the above-mentioned administrators. The College Dean of Instruction or the College Dean of Student Services will either serve as the third party or designate someone for this purpose.
   b. If the issue is not resolved by the affected parties, the student may request an informal consultation with the appropriate department chairperson, dean or director.
   c. If the issue is not resolved with the appropriate department chairperson, dean or director, the student may request an informal consultation with the College Dean of Instruction or College Dean of Student Services.
   d. If the issue is not resolved with the appropriate dean, the student may request an informal consultation with the appropriate administrator.
      (1) For academic matters, the conference will be with the College Chief Instructional Officer.
      (2) For nonacademic matters, the conference will be with the College Chief Student Services Officer.
   e. The College Chief Instructional Officer or Chief Student Services Officer will convey a decision to all affected parties.
   f. If the issue is not resolved at the informal consultation, the student may file a formal, written grievance requesting a formal hearing within thirty (30) instructional days of hearing from the College Chief Instructional Officer or Chief Student Services Officer. The student will direct this letter to the appropriate College Chief Instructional Officer or Chief Student Services Officer. The time limit for students to file a formal written grievance will be one hundred twenty (120) days from the date of the incident giving rise to the grievance.

2. Formal Hearing
   a. Upon receipt of a written request for a formal hearing, the College Chief Instructional Officer or Chief Student Services Officer will arrange for the hearing within a reasonable time period not to exceed twenty (20) instructional days. The written request should contain a statement detailing the grievance to be resolved, and the action or remedy requested. The College Chief Instructional Officer or Chief Student Services Officer will forward signed copies of all written grievances to the faculty member being grieved within seven (7) instructional days.
   b. A grievance withdrawn from the formal hearing stage will be deemed without merit and cannot be refiled.
   c. The formal hearing will be conducted before the College Student Grievance Committee. This committee will be composed as follows:
      (1) One (1) student appointed by the College’s Associated Students College President
      (2) One (1) faculty member appointed by the College Academic Senate President
      (3) One (1) manager appointed by the Chief Executive Officer of the College
      (4) The Chief Executive Officer or his/her designee – a person who has received training in proper procedures – will serve as chair of the committee.
   d. The College Student Grievance Committee will:
      (1) Set a reasonable time limit for the hearing.
      (2) Receive signed written statements from both student and faculty involved in the grievance specifying all pertinent facts relevant to the case in question, a copy of which will be given to the other party with due notification of rights and responsibilities in the procedure for disposing of the case.
      (3) Transmit to all parties a written list of intended areas of inquiry to be asked at hearings or interviews, at least seventy-two (72) hours in advance of the hearing.
      (4) Allow each party the right to be assisted at the hearing by a student or staff member of the College whose participation will be limited to directly advising the student or staff member. If there is a need for accommodation for a disability, the student must notify the appropriate College Chief Instructional Officer or the Chief Student Services Officer at least seventy-two (72) hours in advance of the hearing. The advisor may not enter into the proceeding of the Grievance Committee. In addition, each party has the right to question witnesses and testimony.
      (5) Judge the relevancy and weight of testimony evidence. The Committee will make its findings of fact, limiting its investigation to the formal allegations. It will also make recommendation for disposition of the case.
      (6) Maintain a transcript of the proceeding which will be kept in a confidential file but be available for review by either party.
      (7) Submit its findings of fact and recommended action to each party and the appropriate College Chief Instructional Officer or Chief Student Services Officer within ten (10) instructional days of the completion of the formal hearing.
   e. The formal hearing shall be closed to the public.
   f. Upon receipt of the College Student Grievance Committee’s recommendation, the appropriate College Chief Instructional Officer or Chief Student Services Officer, within ten (10) instructional days, will transmit, in writing, his/her decision to all involved parties.

These areas are the Library Plaza and the Aguilar Patio at Riverside City College; the John J. Coudures, Jr. Plaza at Moreno Valley College; and the Science and Technology Plaza at Norco College. If there is a conflict with the use of the specified area, the Chief Student Services Officer will arrange for an alternate site.

In compliance with California Code, expression which is obscene, libelous, or slanderous according to current legal standards, or which incites students as to create a clear and present danger of the commission of unlawful acts on community college premises, or the violation of lawful community college regulations, or the substantial disruption of the orderly operation of the community college shall be prohibited. (Ed. Code 76120)

Activities must not disrupt classroom instruction or other scheduled campus events. The sound associated with the activity must not exceed a volume of 65 decibels at a distance of 50 feet.

In compliance with California Penal Codes 602.1, 626.4, and 626.6 any person or persons in violation of the regulations listed above will be removed from college property and subject to the appropriate legal action.

E. Advocacy
Chartered student organizations and individual students may take positions on issues if they make clear in doing so that they are not representing the view of the College, the student government, or the students as a whole.
F. Charter of Student Government

“In recognition of the true and democratic ideals of government of, by and for the people through due process of representation, the Board of Trustees of Riverside Community College District does hereby grant this charter bestowing upon the student body of the College the privileges, duties and responsibilities of self government. This government shall be represented and administered as specifically set forth in the constitution created and approved by the Associated Student Body. We, the Board of Trustees of Riverside Community College, do hold the President of the College entirely accountable for the effective functioning of the student government. Should the Associated Student Body fail at any time to fulfill its trust as a self-governing unit, the President of the College may exercise the power of veto. Upon the recommendation of the President of the College, we, the Board of Trustees, retain our right to revoke this charter, provided such recommendation shall be prompted by reason of misuse or neglect of said Charter.”

G. Organizational Fund Raising

College regulations shall permit fund raising by chartered student organizations on campus when approved by the Associated Student Executive Board and the College Dean of Student Services. Board regulations prohibit fund raising or appeals for funds on or off campus by students or others unless expressly authorized.

H. Distribution of Literature Procedure/Commercial Advertising Policy

Recognized College organizations, students, faculty, staff members or citizens may post, circulate, or distribute literature on the colleges of RCC in accordance with existing laws and regulations. All materials must include the name of the co-sponsoring organization or individual. Posting of literature must be approved by the Chief Student Services Officer prior to posting.

Obscene or lewd materials are prohibited. Distribution of literature that is libelous or slanderous is prohibited. Materials or speech that may cause people to disrupt the orderly operation of the District are prohibited.

Materials may not be forced upon people or in any way harass passersby. A table may be requested through Facilities or the party may provide their own table from which distribution of flyers, pamphlets, etc. can be dispersed.

All materials, which advertise illegal substances, as identified by the laws of the United States and/or the State of California, are prohibited. (Ed. Code 76120). Selling merchandise, products, or services is prohibited on Riverside City College property. Approved clubs/organizations may host commercial entities in conjunction with a fundraising activity. A contract and facilities request must be pre-approved by the Chief Student Services Officer at each campus or program location. Each commercial entity is allowed to be on campus a total of ten (10) days per semester.

I. Posting of Literature

Materials may be posted on bulletin boards and other authorized areas. Posted materials will be approved for a ten (10) day period by the Chief Student Services Officer to prevent litter and overcrowding. The approval process is content neutral and only ensures that the literature will not be removed before the ten (10) day posting period expires.

Only ten (10) flyers and two (2) posters will be approved for a maximum of ten (10) school days.

No materials should be posted on glass, windows, mirrors, doors, buildings, trees, wood, or plaster interior or exterior walls. Thumbtacks must be used to post materials on bulletin boards. Posted materials must not obscure previously posted items.

IX. NonDiscrimination (Board Policy 3410)

The District is committed to equal opportunity in educational programs, employment, and all access to institutional programs and activities.

The District, and each individual who represents the District, shall provide access to its services, classes, and programs without regard to actual or perceived disability, sex/gender, nationality, race or ethnicity, religion, sexual orientation, age, or any characteristic listed or defined in Section 11135 of the Government Code or any characteristic that is contained in the prohibition of hate crimes set forth in subdivision (a) of Section 422.6 of the Penal Code. In addition to these protected bases, the District additionally provides equal employment opportunities to all applicants and employees regardless of gender, medical condition, marital status, or status as a Vietnam-era veteran.

The Chancellor shall establish administrative procedures that ensure all members of the college community can present complaints regarding alleged violations of this policy and have their complaints heard in accordance with the Title 5 regulations and those of other agencies that administer state and federal laws regarding nondiscrimination.

No District funds shall ever be used for membership or for any participation involving financial payment or contribution on behalf of the District or any individual employed by or associated with it to any private organization whose membership practices are discriminatory.

The District shall comply with the accessibility requirements of Section 508 of the Rehabilitation Act of 1973 in the development, procurement, maintenance, or use of electronic or information technology and respond to and resolve unlawful discrimination complaints regarding accessibility. Such complaints will be treated as complaints of discrimination on the basis of disability.

Information regarding the filing of a complaint can be obtained from the Director, Diversity, Equity and Compliance at (951) 222-8039, and is also included in Administrative Procedures 3410 and 3435.

X. Prohibition of Harassment and Retaliation (Board Policy 3430)

All forms of harassment are contrary to basic standards of conduct between individuals and are prohibited by state and federal law, as well as this policy, and will not be tolerated. The District is committed to providing an academic and work environment that respects the dignity of individuals and groups. The District shall be free of sexual harassment and all forms of sexual intimidation and exploitation. It shall also be free of other unlawful harassment, including that which is based upon an individual’s actual, perceived or association with others; ethnic group identification, national origin, religion, age, sex or gender, race, color, ancestry, sexual orientation, physical or mental disability, or any characteristic listed or defined in Section 11135 of the Government Code or any characteristic that is contained in the prohibition of hate crimes set forth in subdivision (a) of Section 422.6 of the Penal Code.

This policy applies to all aspects of the academic environment, including, but not limited to, classroom conditions, grades, academic standing, employment opportunities, scholarships, recommendations, disciplinary actions, and participation in any community college activity. In addition, this policy applies to all terms and conditions of employment, including, but not limited to, hiring, placement, promotion, disciplinary action, layoff, recall, transfer, leave of absence, training opportunities, and compensation.

The District seeks to foster an environment in which all employees and students feel free to report incidents of harassment without fear of retaliation or reprisal. Retaliation may involve, but is not limited to, the making of reprisals or threats of reprisals, intimidation, coercion,
discrimination or harassment following the initiation of an informal or formal complaint. Such conduct is illegal and constitutes a violation of this policy.

Therefore, the District also strictly prohibits retaliation against any individual for filing a complaint, who refers a matter for investigation or complaint, who participates in an investigation, who represents or serves as an advocate for an alleged victim or alleged offender, or who otherwise furthers the principles of unlawful discrimination or harassment.

All allegations of retaliation will be swiftly and thoroughly investigated. If the District determines that retaliation has occurred, it will pursue all measures within its power to stop such conduct. Individuals who engage in retaliatory conduct are subject to disciplinary action up to and including termination or expulsion.

The Chancellor shall establish procedures that define harassment and establish reporting procedures for employees, students, and other members of the District community that provide for the investigation and resolution of complaints regarding discrimination and harassment.

Any student or employee who believes that he or she has been harassed or retaliated against in violation of this policy should immediately report such incidents by following the procedures described in AP 3435 titled “Handling Complaints of Unlawful Discrimination or Harassment.” A copy of the procedure is available at www.rcc.edu/administration/hr/dec.cfm in each College library and all administrative offices in the District. Supervisors are required to report all incidents of harassment and retaliation that come to their attention.

To this end, the Chancellor shall ensure that the institution undertakes at least education and training activities to counter discrimination and harassment, and to prevent, minimize, and/or eliminate any hostile environment that impairs access to equal education opportunity or impacts the terms and conditions of employment. However, because of their special responsibilities under the law, supervisors will also undergo mandatory training within six (6) months of assuming a supervisory position. This policy and related written procedures shall be widely published and publicized to administrators, faculty, staff, and students, particularly when they are new to the institution.

Employees found in violation of this policy may be subject to disciplinary action up to and including termination. Students found in violation of this policy may be subject to disciplinary measures up to and including expulsion.

XII. Academic Freedom (Administrative Procedure 3435, page 6)

The District reaffirms its commitment to academic freedom, but recognizes that academic freedom does not permit unlawful discrimination or harassment. To the extent that these policies and procedures are in conflict with the District’s policy on academic freedom, the harassment policies and procedures shall prevail. Nothing in District policies and procedures shall be interpreted to prohibit bona fide academic requirements for a specific District program, course or activity.

It is recognized that an essential function of education is a probing of opinions and an exploration of information and ideas that may cause some students discomfort. It is further recognized that academic freedom insures the faculty’s right to teach and the students’ right to learn. If a faculty member wishes to use sexually explicit materials in the classroom, the District strongly recommends that faculty member work with the Director of Diversity, Equity and Compliance as well as academic discipline colleagues to assure that sexual harassment regulations are not violated.

When investigating unlawful discrimination or harassment complaints containing issues of academic freedom, the designated investigator will consult with a group of one to three faculty members in that subject area appointed by the Academic Senate with respect to contemporary practices and standards for course content and delivery.

XIII. Handling Complaints of Unlawful Discrimination or Harassment (Administrative Procedure 3435)

This is a summary of your right to file an informal or formal complaint of discrimination or sexual harassment. This is only a summary. Please see Administrative Procedures AP3435 for the complete District procedure. AP3435 can be found at www.rcc.edu under Board of Trustees Policies, at www.rcc.edu/administration/hr/dec.cfm or from the Diversity, Equity and Compliance office at (951) 222-8039.

How to Report
If you experience or witness what you believe to be unlawful discrimination or harassment, please document the following information:
• Date, time, and location of the incident
• Names and contact information for those involved and possible witnesses, if known
• Detailed information regarding the incident(s) observed
• Report your concerns and problems to the District by calling (951) 222-8039.

Discrimination/Harassment
Is contrary to the RCC mission of higher education and is against the law. District policy prohibits any discriminatory practice that is based upon an individual’s actual, perceived or association with others:
• Ethnic Group Identification
• National Origin
• Religion
• Age
• Sex or Gender
• Race
• Color
• Ancestry
• Sexual Orientation
• Physical or Mental Disability
Or any characteristic listed or defined in Section 11135 of the Government Code or any characteristic that is contained in the prohibition of hate crimes set forth in subdivision (a) of Section 422.6 of the Penal Code.
Sexual Harassment
Has no place in an academic or work setting. RCC is committed to providing a positive and safe environment for all students, employees, and visitors. The following is a partial list of prohibited sexual harassment activities:
- Unwanted sexual advances
- Offering employment or grade benefits in exchange for sexual favors
- Actual or threatened retaliation for non-participation
- Leering; making sexual gestures; or displaying sexually suggestive objects, pictures, cartoons, or posters
- Making or using derogatory comments, epithets, slurs, or jokes
- Sexual comments including graphic comments about an individual’s body
- Sexually degrading words describing an individual; suggestive or obscene letters, notes, or invitations
- Physical touching or assault, as well as impeding or blocking movements.

Resolution
Of complaints may be achieved by either formal or informal process. The choice of resolution process is determined by the individual raising the complaint. The purpose of the informal resolution process is to allow any individual who believes they have experienced discrimination or harassment to resolve the issue through a mediation process rather than the formal complaint process. Typically, the informal process is utilized when there is a simple misunderstanding or the individual seeks nothing more than a clarification of the misunderstanding or an apology from the other person and an assurance that the offending behavior will cease. Formal complaints must be filed in writing using the required formal complaint form available on our website, the State Chancellor's website or in the Diversity and Human Resources department. If a formal complaint is filed, the District conducts an investigation within required timeframes according to policy and law. During the formal process the complainant will not be required to confront, or work out problems with, the person accused of unlawful conduct.

Informal Complaints
May be filed by contacting the RCC Diversity, Equity and Compliance office at (951) 222-8039. Informal complaints require written acknowledgement from the person filing the complaint. Choosing the informal process does not prevent the right to file a formal complaint within the one-year time period for filing complaints.
