All information contained in the 2009-10 Catalog is current as of February 2009. Although every effort has been made to ensure accuracy of the information in this catalog, students and others who use this catalog should consult with a counselor, dean, department chair or program directors for recent additions, deletions or changes. Updates can also be found online at www.rcc.edu.

The Riverside Community College District complies with all federal and state rules and regulations and does not discriminate against any person on the basis of race, religion, gender, disability, medical condition, marital status, age or sexual orientation. This holds true for all students who are interested in participating in educational programs, including career and technical education programs, and/or extracurricular school activities. Limited English speaking skills will not be a barrier to admission or participation in any program. Harassment of any employee/student with regard to race, religion, gender, disability, medical condition, marital status, age or sexual orientation is strictly prohibited. Inquiries regarding compliance and/or grievance procedures may be directed to the District’s Title IX Officer/Section 504/ADA Coordinator, Ms. Chani Beeman, 3845 Market St., Riverside, CA 92506, (951) 222-8039.

On behalf of the faculty and staff at the Moreno Valley Campus, Riverside Community College District I would like to welcome you to our campus. You have made a wise choice coming to the Moreno Valley Campus that will insure your future is bright and promising. The Moreno Valley Campus had dedicated faculty and staff ready and able to assist you in any way we can. Our general education and transfer courses are outstanding and will lead you to enter a four year university without losing a step. Our workforce development curriculum including our nationally famous allied health programs will provide you a pathway to certificates that lead to good jobs. This is also true with our public safety programs that educate and train peace officers, fire technology graduates, and correctional officers.

Our counseling faculty are well versed in transfer, certificate, and AA degree programs. They will work with you every step of the way to make sure you complete your educational goals toward short term training, transfer, certificate or an AA degree. The commitment is also enthusiastically embraced by our student support services staff. Whether you participate in the Extended Opportunity Program and Services Program (EOPS), Disabled Student Program Services (DSPS) Student Financial Aid, Honors, Puente or one of our other student support programs, you will find that there are faculty and staff ready to help you.

The Moreno Valley Campus now has close to 11,000 students enrolled and will continue to grow over the next several years. New buildings will be built and more parking will become available. The campus will develop programs and student activities to make your stay here exciting and meaningful. With our emphasis in Science, Technology, Engineering, and Mathematics (STEM) you will find programs that will lead to high paying STEM careers. You will also find our students come from your neighborhoods and have the same goals and dreams you have. The Associated Students and Student Activities Department are vibrant and have plans to sponsor events that will be fun and fulfilling.

As your President I am pleased to serve each and every one of you. My congratulations on your choice to attend the Moreno Valley Campus of the Riverside Community College District. Your success is our success. Welcome aboard.

GENERAL INFORMATION
MISSION STATEMENTS

RIVERSIDE COMMUNITY COLLEGE DISTRICT

Riverside Community College District is dedicated to the success of our students and to the development of the communities we serve. To advance this mission, our colleges and learning centers provide educational and student services to meet the needs and expectations of their unique communities of learners. To support this mission, District Offices provide our colleges with central services and leadership in the areas of advocacy, resource development, and planning.

MORENO VALLEY CAMPUS

Responsive to the educational needs of its region, Moreno Valley Campus offers academic programs and student support services which include baccalaureate transfer, professional, pre-professional, and pre-collegiate curricula for all who can benefit from them. Life-long learning opportunities are provided, especially, in health and public service preparation.

GOALS — 2005-2015

Improve student retention and success by strengthening certificate, degree, and transfer programs and by establishing new programs and course sequences that lead students to opportunities for transfer education and career preparation.

Ensure that the resources of the district support an effective learning process and ensure accountability by measuring and reporting on institutional effectiveness.

Utilize advances in information technologies to improve effectiveness of instruction, services, and administration.

Improve the capability for economic development and community services by strengthening partnerships with other educational institutions, business, labor, and government to enhance seamless educational opportunity and continuity for students.

Tailor programs and services to meet the needs of the students and communities served by the three-campus District.

Increase the college-going rate in the area by reaching out to underrepresented and underserved populations and designing programs, services, and approaches relevant to the diverse segments of the community.

OUR VISION AND VALUES

Historically the Riverside Community College District has pursued fulfillment of the Mission Statement and the Trustee-adopted Goals by affirming its vision and values:

OUR VISION

The Riverside Community College District is committed to exceeding the expectations of students, community, faculty, and staff by providing and expanding opportunities for learning, personal enrichment, and community development.

VALUES

Recognition for Our Heritage of Excellence: We embrace the District’s rich tradition of excellence and innovation in upholding the highest standard of quality for the services we provide to our students and communities. We are bound together to further our traditions and to build for the future on the foundations of the past.

Passion for Learning: We believe in teaching excellence and student centered decision making. We value a learning environment in which staff and students find enrichment in their work and achievements.

Respect for Collegiality: We recognize the pursuit of learning takes the contributions of the entire district community, as well as the participation of the broader community. We believe in collegial dialogue that leads to participatory decision making.

Appreciation of Diversity: We believe in the dignity of all individuals, in fair and equitable treatment, and in equal opportunity. We value the richness and interplay of differences. We promote inclusiveness, openness, and respect to differing viewpoints.

Dedication to Integrity: We are committed to honesty, mutual respect, fairness, empathy, and high ethical standards. We demonstrate integrity and honesty in action and word as stewards for our human, financial, physical, and environmental resources.

Commitment to Community Building: We believe the District is an integral part of the social and economic development of our region, preparing individuals to better serve the community. We believe in a community-minded approach that embraces open communication, caring, cooperation, transparency, and shared governance.

Commitment to Accountability: We strive to be accountable to our students and community constituents and to use quantitative and qualitative data to drive our planning discussions and decisions. We embrace the assessment of learning outcomes and the continuous improvement of instruction.

FUNCTIONS

GENERAL EDUCATION

Goal: General education is available at all three campuses (Moreno Valley, Riverside City College and Norco) of the Riverside Community College District. A person informed through general education about the conceptual schemes of the arts, humanities and sciences, who comprehends the structure of society and who thinks clearly about the individual and society, will have the tools by which he or she may function efficiently. Such an individual is encouraged to utilize these tools in developing a conception of a commitment to a good life involving able and responsible citizenship, moral and humane relationships, and appreciation of the democratic processes and the culture which sustains our society.

Objective: Specifically, the campuses offer to all of its students a pattern of courses designed to produce an awareness of self and to provide (1) a basic competence with the English language in its written and spoken form; (2) at least a minimum competence in mathematics; (3) a knowledge of American history and governmental institutions; (4) regard for health, mental and physical, of oneself and of the community at large; (5) a grasp of the principles of the major divisions of human studies, humanities and science with some understanding of basic disciplines and methodologies; and (6) knowledge in some depth of one subject area.

GENERAL EDUCATION STUDENT LEARNING OUTCOMES

Every student who graduates from the three campuses of RCCD with an A.A. or A.S. degree is unique—almost no two take exactly the same courses. But to be educated is to possess some values in common, some shared competencies and modes of thought. Thus all graduates
meet a 23-unit general education requirement that gives them broad exposure to ideas and skills outside their own areas of special interest. After successfully completing the GE requirement, all students should be able to . . .

Critical Thinking
- Analyze and solve complex problems across a range of academic and everyday contexts
- Construct sound arguments and evaluate arguments of others
- Consider and evaluate rival hypotheses
- Recognize and assess evidence from a variety of sources
- Generalize appropriately from specific cases
- Integrate knowledge across a range of contexts
- Identify one’s own and others’ assumptions, biases, and their consequences

Information Skills
- Demonstrate computer literacy
- Locate, evaluate, and use information effectively

Communication Skills
- Write with precision and clarity to express complex thought
- Read college-level materials with understanding and insight
- Listen thoughtfully and respectfully to the ideas of others
- Speak with precision and clarity to express complex thought

Breadth of Knowledge
- Understand the basic content and modes of inquiry of the major knowledge fields
- Analyze experimental results and draw reasonable conclusions from them
- Use the symbols and vocabulary of mathematics to solve problems and communicate results
- Respond to and evaluate artistic expression

Application of Knowledge
- Maintain and transfer academic and technical skills to workplace
- Be life-long learners, with ability to acquire and employ new knowledge
- Set goals and devise strategies for personal and professional development and well being

Global Awareness
- Demonstrate appreciation for civic responsibility and ethical behavior
- Participate in constructive social interaction
- Demonstrate teamwork skills
- Demonstrate understanding of ethnic, religious, and socioeconomic diversity
- Demonstrate understanding of alternative political, historical, and cultural viewpoints

The General Education Student Learning Outcomes were approved by the Board of Trustees on December 12, 2006.

TRANSFER OR LOWER DIVISION EDUCATION
Goal: Many students attending the campuses of Riverside Community College District desire the Baccalaureate Degree. Accordingly, the district is committed to providing transfer and lower division education to qualified students.
Objective: The campuses provide courses which parallel those of the lower division of the California State University system, the University of California, and of private universities so that qualified students may transfer to four-year public or private institutions.

CAREER AND TECHNICAL EDUCATION
Goal: Occupational programs, through an advisory process, respond to the changing needs of our communities’ labor market to provide a skilled workforce for business and industry including public and private sectors.
Objective: At the campuses, occupational skills training provides specialized occupational programs that lead individuals either directly to employment or allows for employed individuals to update their skills and knowledge so that they may proceed further in their career endeavors.

REMEDIAL OR DEVELOPMENTAL EDUCATION
Goal: The diverse levels of students’ skills demand that the campuses provide students with support services to assist them in acquiring those skills that are prerequisite to success in college.
Objective: The campuses provide courses in the use of basic learning skills at levels appropriate to those students who must remedy deficiencies. The campuses provide for preassessment, advisement, and specialized programs.

COMMUNITY EDUCATION
Goal: Riverside Community College District seeks to provide a variety of informational, recreational, and skill building opportunities responsive to community needs. Community Education is a self-supporting entity of the college not funded by tax payer dollars. Classes and programs are not-for-credit.
Objective: Community Education offers professional and personal development classes, and recreational classes for district residents of all ages.

CUSTOMIZED TRAINING
Goal: Riverside Community College District seeks to provide a variety of training and consulting opportunities for local business and industry.
Objective: The district offers a variety of customized workshops, seminars, needs assessments, consulting, coaching, pre-employment assessments, and credit and not-for-credit services which are designed to meet the needs of individual businesses.

STUDENT SERVICES
Goal: Recognizing the need for a comprehensive learning experience for students, the campuses provide a wide variety of nonclassroom experiences and services which shall assist students in achieving their educational and career goals.
Objective: The campuses provide a fully integrated program of admission, orientation, assessment, advisement, placement, and registration for students which is consistent with the college’s overall mission.

In addition, the campuses have developed a wide range of student support services such as financial assistance, health services, child care, services for students with a disability, and similar special education services and programs, which along with a comprehensive program of student activities, athletics, fine arts, and student government, enhance the student’s overall learning experience at the campuses.

HISTORY AND DEVELOPMENT
Founded in 1916 in response to a general petition of the electors, Riverside Community College has served our communities for nearly nine decades. In the beginning, the College educated 100 students in classrooms on the Polytechnic High School campus.
On June 2, 1964, a separate five-person governing Board of Trustees was elected and the Riverside Junior College District was completely separated from the Riverside City School system. The legal entity which operates the college is officially known as the Riverside Community College District and encompasses the Alvord, Corona/Norco, Jurupa, Moreno Valley, and Riverside Unified School Districts and the Valley Verde School District.

On February 3, 1964, the Board of Trustees authorized the purchase of a second site for a future campus in the Sierra area of Riverside. On July 1, 1984, the Corona/Norco Unified School District was annexed to the Riverside Community College District and on June 4, 1985, more than 141 acres of federal United States Navy land in Norco was acquired from the General Services Administration by way of the United States Department of Education. On March 16, 1987, 112 acres of privately-owned land in Moreno Valley was donated to the college by the Robert P. Warmington Company; in 1989, 20 more acres were added to the site.

The Moreno Valley and Norco Campuses, opened in March 1991, have grown rapidly and were granted Candidacy for Accreditation in 2008 (see the following Accreditation section). It is projected that by the year 2020, more than 57,000 students will attend classes at the three campuses.

**ACADEMIC FREEDOM**

The faculty, administration, and Board of Trustees subscribe to the American Association of University Professors’ 1940 Statement of Principles on Academic Freedom and Tenure:

“Academic freedom is essential to these purposes and applied to both teaching and research. Freedom in research is fundamental to the advancement of truth. Academic freedom in its teaching aspect is fundamental for the protection of the rights of the teacher in teaching and of the student to freedom in learning. It carries with it duties correlative with rights.”

“The teacher is entitled to full freedom in research and in the publication of the results, subject to the adequate performance of his/her other academic duties; but research for pecuniary return should be based upon an understanding with the authorities of the institution.”

“The teacher is entitled to freedom in the classroom in discussing his/her subject, but he/she should be careful not to introduce into his/her teaching controversial matters which have no relation to his/her subject.”

“Limitations of academic freedom because of religious or other aims of the institution should be clearly stated in writing at the time of the appointment.”

“The college or university teacher is a citizen, a member of a learned profession, and an officer of an educational institution. When he/she speaks or writes as a citizen, he/she should be free from institutional censorship and discipline, but his/her special position in the community imposes special obligations. As a person of learning and an educational officer, he/she should remember that the public judges his/her profession and his/her institution by his/her utterances. Hence he/she should at all times be accurate, should exercise appropriate restraint, should show respect for the opinions of others, and should make every effort to indicate that he/she is not an institutional spokesman.”

**ACCREDITATION**

Riverside Community College District includes Riverside City College, which is accredited by the Accrediting Commission for Community and Junior Colleges of the Western Association of Schools and Colleges (ACCJC). Moreno Valley Campus is a candidate for accreditation by the ACCJC, 10 Commercial Blvd. Suite 204, Novato, CA 94949, 415-506-0234, an institutional accrediting body recognized by the Council For Higher Education Accreditation and the U.S. Department of Education.

Candidate for Accreditation is a status of preliminary affiliation with the Commission initially awarded for up to two years. Candidacy is not accreditation and does not assure eventual accreditation.

The accreditation visit for Moreno Valley Campus is scheduled for October 2009. In the meantime, courses and programs offered at the Moreno Valley Campus remain accredited under the accreditation status of Riverside City College.

Riverside City College is approved under the regulations of the Board of Governors, California Community Colleges, by the Office of Private Postsecondary Education for the training of veterans, by the United States State Department for nonquota immigrant students, and by the United States Department of Health, Education, and Welfare. The University of California, the California State University and Colleges and other colleges and universities give full credit for appropriate courses completed in the Riverside Community College District.

**DISTRICT MEMBERSHIPS**

The three campuses of Riverside Community College District hold memberships in the Council for Higher Education Accreditation, the Accrediting Commission for Community and Junior Colleges, the Council on Law in Higher Education, the Commission on Athletics, the Community Colleges for International Education, the Community College League of California, the Consortium for North American Higher Education Collaboration, the American Council on Education, the Community College Leadership Development Initiatives, the College Board, the American Association of Community Colleges, the Hispanic Association of Colleges and Universities, The Riverside Downtown Partnership, the Greater Riverside Hispanic Chamber of Commerce, the Great Riverside Chamber of Commerce, the Corona Chamber of Commerce, the Norco Chamber of Commerce, the Greater Corona Hispanic Chamber of Commerce, the Moreno Valley Chamber of Commerce, Moreno Valley Hispanic Chamber of Commerce, and Moreno Valley African American Chamber of Commerce.

**PUBLIC AFFAIRS AND INSTITUTIONAL ADVANCEMENT**

Service to the community is a significant function of all public two-year colleges. An important part of this service is to provide the public with information about the college and the activities of its students, and to work with the community to further common goals through sponsorships and partnerships. At Riverside Community College District this is the responsibility of the Public Affairs and Institutional Advancement Office. College departments are assisted with enrollment-development marketing; securing newspaper, radio and cable TV publicity; and publicizing their programs through District print and online publications.
ACADEMIC YEAR
The academic year consists of fall and spring terms, which extend from August to June, plus a winter and a summer session. The calendar for the 2009-2010 academic year appears in the front of the catalog. Courses offered during the various sessions are similar in scope and maintain equivalent standards.

PROGRAM LENGTH
Courses that are part of the requirements for Associate of Science or Associate of Arts degree patterns as well as those that comprise state or locally approved certificate patterns and concentrations are scheduled in such a manner that students who attend either full or part time are able to successfully complete their goals within a reasonable length of time.

WHO MAY ATTEND
Individuals who meet any one of the following criteria are eligible to attend the three campuses of Riverside Community College District:

- Have graduated from high school or
- Have passed the CA High School Proficiency Exam or
- Have passed the GED examination or
- Did not graduate from high school but are 18 years of age or older or
- Are an eligible high school student who has satisfied concurrent enrollment admissions requirements or
- Are an international student who has satisfied specific international student admissions requirements

Admission to the campuses of Riverside Community College District are regulated by state law as prescribed in the California Education Code.

Open Enrollment
It is the policy of the Riverside Community College District that, unless specifically exempted by statute, every course, course section or class, the average daily attendance of which is to be reported for state aid, wherever offered and maintained by the district, shall be fully open to enrollment and participation by any person who has been admitted to the college and who meets such prerequisites as may be established pursuant to Title 5 of the California Administrative Code.

High School Students/Concurrent Enrollment
The California Education Code Sections 48800, 48800.5 and 76001 (a) and (b) permit minor students to enroll in community college courses for college credit with the intent that these students are to be enrolled strictly for the purpose of seeking advanced scholastic or vocational work (i.e. college level courses). Education Code 76001(i) specifies that the principal of a school may recommend not more than five percent of the total number of students at any single grade level for the summer school session.

Students who have completed the 10th grade or reached their 16th birthday may apply for admission as a special student at Riverside Community College District. Individual departments determine which of their courses are appropriate for minor students. Enrollment is contingent on (a) meeting prerequisites and (b) course availability. Students must reapply each term.

Students must have approval from a principal or his/her certified school official and a parent or guardian each term they seek to enroll. Students must also demonstrate that they can benefit from college level classes by passing the Concurrent Admissions test. This test is available at all RCCD campuses. Students who meet the minimum test requirements need not take the test again, but must submit a copy of test results each term they seek to enroll. Students who do not meet the minimum test requirements can retest after one calendar year. Students may apply to take 8 units or less for fall and spring terms and 5 units or less for winter and summer terms. High school students do not pay enrollment fees but are required to pay health fees. Admission to RCCD does not guarantee registration in a class. Admitted students must attend the first day of class and ask to be added to the class. Students obtain registration materials online at www.rccd.edu and complete the registration process in person at the Admissions office at the Moreno Valley campus.

Dates/deadlines to complete and submit documents are: Summer Session: March 1 to May 31; Fall Semester: March 1 to August 15; Winter Intersession: October 1 to November 30; Spring Semester: October 1 to January 31. If dates fall on a weekend the deadline is the next business day. After the first two weeks of the term students may again apply for admission to shorter-term classes in the same term. Documents must be received at least two weeks prior to the start of the class.

Students who plan to continue attending RCCD after exiting high school must submit a new RCCD application as first-time students.

ADMISSION AND REGISTRATION OF STUDENTS

Admission Application
Individuals must complete an application for admission if they have never enrolled at Riverside Community College District. Returning students must submit an application if they have previously taken one or more courses at RCCD, but did not attend in the previous Fall or Spring Semester. However, if students apply for the Winter Intersession they do not need to reapply for spring, even if they do not register for winter classes. And, if students apply for the Summer term, they do not need to reapply for Fall, even if they do not register for Summer classes.

Online applications can be submitted any time at www.rccd.edu and take approximately 24 hours to process (weekends and holidays excepted). Paper applications take up to a week to process.

Schedule of Classes
Schedules are mailed to continuing, new and returning students. The Class Schedule is also available at www.rccd.edu.

Registration
Registration appointment dates as well as information on holds that may restrict registration may be viewed on WebAdvisor at www.rccd.edu approximately 6-8 weeks before the term begins. Students can register on Web Advisor or Phone Reg on or after their scheduled appointment date through the end of the registration period. Before registering, students must complete any necessary requirements, i.e. Assessment, Orientation/Group Counseling. Refer to the section on Matriculation: “Are You Exempt From Matriculation?” Students with a readmit contract and approved high school concurrent students must register in person at Admissions.

Students can pay fees by credit card on WebAdvisor or Phone Reg, mail a check or money order or pay at one of the campuses. See the Schedule of Classes or www.rccd.edu for payment deadlines. MyAccount Summary can be viewed or printed on WebAdvisor.

All prerequisites will be enforced during registration and must be verified by high school and/or college transcripts.
**Procedure for Adding and Dropping Classes**

Once a class has begun, a student may only add a class with the instructor’s permission. Students can then add classes through WebAdvisor at [www.rcc.edu](http://www.rcc.edu) or Phone Reg with an authorization code obtained from the instructor. All adds must be completed by the Add deadline posted in the Class Schedule and on WebAdvisor.

Students may withdraw from courses by using WebAdvisor or Phone Reg prior to the drop deadlines. If there is a hold restricting use of the web or the phone, the student may bring a completed ADD/DROP card to the Admissions counter at any campus and drop classes there. Deadlines to add, drop, and receive a refund are available on Web Advisor. It is the student’s responsibility to drop a class he/she no longer attends.

**Units for Full-Time/Part-Time Status**

For full-time status, a student must be enrolled in at least 12 units of credit for the fall/spring semesters and 6 units of credit for the winter/summer terms. Students who are enrolled in less than 12 units for fall/spring terms or less than 6 units for winter/summer are considered to be part-time. Specialized programs may have a different unit requirement for full-time status because of state mandates. The maximum amount of units a student may enroll in is 18 for fall and spring and 9 for winter and summer. Students wishing to enroll in more than 18 units must have an established GPA of 3.0 or higher. A counselor must sign an ADD card after verifying the GPA and the student must register in person for the over limit units.

**Attendance**

All students are expected to attend every session of every course in which they are enrolled. Failure to do so may indicate lack of serious purpose. Students who fail to attend the first class meeting and/or week may be dropped from the class. Religious observances and military duty, however, are excused. The student should inform their instructors prior to such an absence.

Work missed for unavoidable cause may be made up with the instructor’s approval. Under no circumstances will absence for any reason excuse the student from completing all the work assigned in a given course. After an absence, it is the responsibility of the student to check with the instructor about the completion of missed assignments.

For information on auditing classes, see the Graduation Requirements section.

**LIMITATIONS ON ENROLLMENT**

Riverside Community College District offers some courses which place limitations on enrollment. These limitations may include successful completion of courses, successful completion of online tutorials to demonstrate computer skills, preparation levels for math and English, performance criteria, or health and safety conditions. Students who do not meet the conditions imposed by these limitations will be blocked from enrolling in these classes.

**Remedial Limitation**

Riverside Community College District Board Policy 6092 limits the number of units students can earn for remedial/pre-collegiate basic skills courses to 24 semester units. Pre-collegiate/basic skills courses are defined as those two or more levels below college level English and one or more levels below elementary algebra. Riverside Community College District has designated certain courses as pre-collegiate basic skills courses. These courses include reading, writing, computation, learning skills and study skills designed to assist students in acquiring the skills needed for college level courses. These courses are considered non-degree applicable and earn credit but are not counted toward the 60 units required for the associate degree. Non-degree courses do apply toward: residency, athletic eligibility, work study and financial aid, veterans benefits, associated student body office, and full-time status. Non-degree credit status is indicated at the end of the course description.

**Exemptions**

All developmental courses taken by students enrolled in English as a Second Language course are exempted. Students identified by the District for learning disabled programs are also exempted. Students with documented disabilities may petition the Admissions and Records Office for exemption status on a case-by-case basis.

**Prerequisite**

When a course has a prerequisite, it means that a student must have certain knowledge to be successful in the course. The prior knowledge may be a skill (type 40 wpm), an ability (speaks and writes French fluently), a placement preparation score, or successful completion of a course (grade C or better in CHE-1A). Completion of the prerequisite is required prior to enrolling in the class. Students who have completed a course at another institution for which they would like credit must fill out a Prerequisite Validation Form in order to have coursework on official transcripts validated for math, English, or other prerequisites. If you are currently enrolled in a prerequisite course at Riverside Community College District (i.e. Math 52), you will be allowed to register for the succeeding class (i.e. Math 35). However, if you do not pass the prerequisite course with at least a C grade, you will be dropped from the succeeding class. Successful completion of a prerequisite requires a grade of C or better, P (Pass), or CR (Credit). C-, D, F, NP (No Pass), NC (No Credit), or I grades are not acceptable.

**Corequisite**

When a course has a corequisite, it means that a student is required to take another course concurrent with or prior to enrollment in the course. Knowing the information presented in the corequisite course is considered necessary for a student to be successful in the course. (Completion of, or concurrent enrollment in, Math 1A is required for Physics 4A.)

It is the student’s responsibility to know and meet the course prerequisites and corequisites. These are stated in the course descriptions of the schedule of classes and the current college catalog. A student may be required to file proof of prerequisite and corequisite requirements.

**Advisory**

When a course has an advisory, it means that a student is recommended to have certain preparation before entering the course. The preparation is considered advantageous to a student’s success in the course. Since the preparation is advised, but not required, to meet the condition before or in conjunction with enrollment in the course (eligibility for ENG 1A is recommended) students will not be blocked from enrolling in a class if they do not meet the advisory.

**Official Evaluation of Credit Completed at Other Schools**

Students who have completed credit at RCCD or other institutions and wish to obtain a Riverside City College, Moreno Valley, or Norco RCCD degree, certificate, or transfer to a CSU or UC, may request an official evaluation by completing a “Student Request for Official Evaluation” form. These forms are available in the counseling department. The student must currently be enrolled at RCCD. The official evaluation will be completed by the Evaluations Office once all official transcripts (ones that are received by RCCD directly from the issuing institution), are received. A copy of the completed evaluation
will be forwarded to the student.

**Health Requirements**

It is recommended that each student new to Riverside Community College District have current immunizations and a physical examination by his or her family physician before enrolling. Students who plan to participate in intercollegiate athletics should contact the physical education department about sports physicals. Student-Parents of the children in the Child Development Center must have a tuberculin skin test or a chest x-ray that is negative for tuberculosis. Their children are required to have this as well as be up to date on their immunizations of DPT, MMR, TOPV.

**MATRICULATION**

The matriculation program at the three campuses of Riverside Community College District is intended to assist students in establishing appropriate educational goals and to provide support services to help them achieve these goals. Students eligible for matriculation will be provided an evaluation of basic skills, orientation, counseling, completion of an educational plan and follow-up services. All first-time college students must complete Assessment, Orientation and Counseling prior to registering for classes.

**Assessment of Basic Skills**

Preparation levels are required for placement in English, ESL, mathematics, and reading courses. These placement levels are based on a combination of test scores and other academic experience. Because RCCD uses multiple measure placement criteria, placement levels are enforced as prerequisites to courses. Students who have a documented disability requiring a unique accommodation can take the test in the Office of Disabled Students Programs and Services. To request this service, call: Riverside, (951) 571-6184; or TDD, (951) 222-8061.

Most new students are required to take an assessment test upon initial entry into RCCD and before Counseling appointments can be made or enrollment into any classes. The Accuplacer test is used for placement into English, math and reading courses, and the PTESL (Proficiency Test in English as a Second Language) is used for placement into ESL courses. Some returning students and students transferring to RCCD from another college may need to test as well (Consult a counselor).

In most cases, there is no appointment necessary for the Accuplacer test. An appointment is required for the PTESL. Both tests are available at all RCCD campuses. Limited testing is also available at the following RCCD Learning Center and the Ben Clark Training Center (Accuplacer only). Hours of operation are posted outside each Assessment Center and are available online (see link below.) Students can also call to confirm hours of service: Moreno Valley, (951) 571-6492.

Students are required to present photo identification in order to test; A state or federal issued driver’s license or ID is preferred, but passports and high school ID are also acceptable. In order to preserve a comfortable and quiet testing environment, only students taking the test can remain in the Assessment Center. Friends and family (including minors) who are not testing cannot remain in the room.

Students who have completed the Accuplacer test at another college can petition to have those test results evaluated for use at RCCD. The student’s Accuplacer test print-out (not a student records program print-out) showing the test raw scores must be submitted in person at one of the Assessment Centers along with a special Matriculation Appeal. Students must have completed the test no earlier than one year prior to submission for evaluation. Evaluations and processing takes from one to five working days.

Assessment tests are meant to be a one-time only assessment of your skills and abilities upon your initial entry into the college. Retesting is available under certain circumstances – consult a Counselor or visit the Assessment Web site (below).

Extensive information on assessment testing, test preparation, details of all tests available, sample questions, hours of operation and more is available at [http://www.rcc.edu/services/assessment/index.cfm](http://www.rcc.edu/services/assessment/index.cfm).

It is strongly recommended that students enroll in an appropriate composition course (English 1A, 50, 60A or 60B) during their first or second semester of enrollment. Students who do not meet Riverside Community College District’s reading competency requirement should also enroll in an appropriate reading class (Reading 81, 82 or 83) within their first 18 units undertaken at the college. Development of competent reading and writing skills is necessary for the student’s success as more and more college courses put increasing emphasis on the student’s ability to read at a college level and to write clear, correct English.

**Orientation/Counseling**

All first-time college students must attend a freshman orientation/counseling session prior to registering for courses. During these sessions, counselors will introduce students to services and educational programs at the Moreno Valley campus; provide students with information on registration procedures and placement results; and assist students in developing their first semester educational plans. Call (951) 571-6104 or stop by the Counseling department to schedule a freshman orientation/counseling session. New students, who did not complete Guidance 45, Introduction to College at their high schools, should register for this course during their first semester at RCCD.

**Counseling for Continuing Students**

Continuing matriculated students are entitled to see a counselor who can recommend appropriate coursework based on assessment results, review of past school records, and other information provided by the students. Students who have attended other college(s) must request to have an official transcript(s) sent to the Moreno Valley campus before scheduling counseling appointments or a Student Educational Plan.

All students pursuing certificate or degree programs, either Associate or Baccalaureate, should seek their counselor each semester to review their “Student Educational Plans” (S.E.P.).

**Are You Exempt From Matriculation Pre-Enrollment Requirements?**

The following board approved criteria define exempt students at Riverside Community College District:

A. Students who have completed 60 or more units or who have graduated from an accredited U.S. college or university with an AA degree or higher.

B. First-time college students who have declared one of the following goals:
- Advance in current career/job
- Maintain certificate/license
- Educational development
- Complete credits for high school diploma

C. Students who are enrolled full time at another institution (high school or college) and will be taking five units or fewer
Follow-Up
Counselors and teachers will provide follow-up activities on behalf of matriculated students. “Early Alert” follow-up activities are designed to inform students of their progress early in the semester and to continue to assist students in accomplishing their educational goals. “Probation/dissmissal” activities help students make progress toward successful completion of their academic goals. Referrals for appropriate support services will be made to on-campus and off-campus locations when appropriate.

Students Rights and Responsibilities
Prerequisites for courses will be enforced according to District policy. Students have the right to challenge prerequisites on the following grounds:

1. The successful completion (C or better) of an equivalent course from another accredited college or university.
2. The prerequisite has not been validated.
3. The student has the knowledge or ability to succeed in the course despite not meeting the prerequisite.
4. A prerequisite for a course necessary for graduation, transfer or certificate is not offered and the unavailability of said prerequisite poses a hardship.
5. The prerequisite is discriminatory or being applied in a discriminatory manner.

The Matriculation Appeals Petition form to challenge prerequisites is available in the Counseling Center on all three campuses.

Students challenging a prerequisite based on unofficial documentation may submit a Matriculation Appeals Petition one time only. Students are required to submit official transcripts from all previous colleges after that time. “Official” is defined as transcripts no more than 90 days (3 months) old and in a sealed envelope from the original institution.

Students may appeal to retake the placement test:
- After 12 months has passed from previous tests
- Based on compelling evidence that the initial placement level is not an accurate reflection of the student’s abilities
- After proof of appropriate academic intervention has occurred.

Please Note: Once the student has begun the course sequence, retesting is not an option.

It is the student’s responsibility to a) complete placement testing and orientation prior to registering for classes, b) express a broad educational intent upon admission and c) declare a specific educational goal by the time 15 semester units are completed. The student is also responsible for participating in counseling, attending class, completing assignments and maintaining progress toward that educational goal.

If you have questions regarding the matriculation process, please contact the Counseling Center at Moreno Valley (951) 571-6104.

Student Educational Plan
Counselors are available to assist matriculated students in developing an educational plan that outlines the courses and services necessary to achieve their goals. When goals or majors are changed, students must see a counselor to update their educational plan. To ensure this procedure, matriculated students are encouraged to make an appointment with a counselor. Due to a high demand for counseling during the winter and summer sessions, it is highly recommended that continuing students see a counselor during the spring and fall semesters to complete a Student Educational Plan.

A student’s college program will be more meaningful if he or she has acquired a clear educational objective. This may be a desire to broaden his or her knowledge as a foundation for upper division college work or to develop marketable occupational skills. A student undecided about objectives may receive help by studying the sections in the catalog entitled “Curricular Patterns.” The student is also invited to discuss personal goals with a college counselor.

FEES/RESIDENCY REQUIREMENTS

All fees are subject to change due to state legislative action or RCCD Board policy changes

Each student at the time of admission or readmission is classified according to his/her legal residence. Evidence is required to prove physical presence in California and intent to make California the permanent home. Residency determination is made as of the first day of the semester of application. All documents must be submitted prior to that date.

Enrollment Fees—California Residents
Students shall be classified as California residents for enrollment fee purposes when they have been a legal resident of California one year and one day prior to the term of application. The one year period begins when a student is not only present in California but also has demonstrated clear intent to become a permanent resident of California.

The enrollment fee for California residents is set per state legislation.

Non-Resident Tuition and Fees
A student who is not considered a California resident for enrollment fee purposes may be eligible for admission to Riverside Community College District. Students from other states will be classified as out-of-state residents and are required to pay a non-resident tuition fee in addition to the resident enrollment fee.

Out-of-country non-residents also pay a processing fee and a non-refundable per unit surcharge; they are also required to buy health insurance.

AB 540 Non-Resident Fee Waiver
A student who qualifies for the Non-Resident Fee Waiver will be exempt from paying the out-of-state tuition fee and will pay the per unit resident enrollment fee.

Any student other than a non-immigrant alien within the meaning of paragraph (15) of subsection (a) of Section 1101 of Title 8 of the United States Code, who meets all of the following requirements shall be exempt from paying non-resident tuition at Riverside Community College District if he/she signs an affidavit verifying:

1. High school attendance in California for three or more years.
2. Graduation from a California high school or attainment of the equivalent thereof (equivalent considered GED or high school proficiency test) must be obtained in the state of California.
3. In the case of a person without lawful immigration status,
A student who meets the qualifications for the Non-Resident Fee Waiver is not a resident of the state of California until he/she meets physical presence and intent requirements as stated in the “Residence Classification for Tuition Purposes” section above. Therefore, students are not eligible for any state supported financial aid such as the Board of Governors Waiver, etc.

Health Fee
Every student is required to pay a health services fee per Title 5 state regulations. Students who rely on faith healing, or who are participating in approved apprenticeship programs are exempt from paying the health fee. Students must apply for this waiver by submitting a Health Services Fee Waiver Request and supporting documentation to the Health Services office. The form is available from the Admission and Records office. Students who qualify for a Board of Governor’s Waiver (BOGW) must pay the health fee.

Parking
Parking permits can be purchased on WebAdvisor at www.rcc.edu or through the Phone Reg. Permits may also be purchased at the Admissions office. Special parking is provided to the physically handicapped at the same cost. Student permit enforcement in student parking spaces is suspended the first two weeks of the term.

ALL FEES ARE SUBJECT TO CHANGE DUE TO STATE LEGISLATIVE ACTION OR RCCD BOARD POLICY CHANGES

Library/Learning Resource Center Fees
Overdue fines:
General Collection – Overdue fines will be levied at 20 cents per day per item.
Hourly Reserves – Overdue fines will be levied at $1.00 per hour per item.

Replacement bills:
If materials are not returned, they are declared “lost.” A bill will be issued for each lost item which will include: 1.) The actual replacement cost of the item or $25.00 for out of print materials; 2.) A processing fee of $10.00; and 3.) Any overdue fines (the maximum overdue fine is $20.00).

Refunds:
If the item is returned after the bill is issued (within 1 year) the replacement cost and processing fee will be waived or refunded, however, the overdue fines will still be charged.

Library card fees:
Community members may purchase a library card for $5.00 per session upon proof of District residency, and age of 16 years or older (California Driver License, California Identification Card, or Military Identification Card).

Books, Equipment and Supplies
The cost of books and equipment depends upon the courses elected and the amount of work undertaken. The average yearly expenditure for books and materials is approximately $1000, but if used books are purchased, the cost can be reduced.

In some courses, students will be expected to provide consumable items. In such classes, students will be informed of these items at the first meeting and will be expected to purchase them in order to continue in these classes. Whenever possible, the RCCD Bookstore at all three campuses will attempt to stock the required supplies.

Check Policy:
The RCCD Bookstore will gladly accept checks with the following information.
1. Your name and address MUST be preprinted on the check.
2. If the check is in your parent’s name, we require that you have student ID and driver’s license, along with the Driver’s License number and expiration date of the account holder written on the check.

The bookstore also accepts MasterCard, VISA, American Express and ATM debit cards (with VISA or MasterCard logos). If you are using your parent’s credit card, you MUST have a written authorization letter from them with a signature on both the letter and the card.

Full refunds are given on textbooks during the first 2 weeks of school only. If you drop a class you have 30 days from the start of school to return for a full refund. All returns/exchanges require an original receipt. The bookstore will also buy back books from students for half price at the end of each semester during a designated time if they are to be used again and there is a need for them.

Other Charges
An appropriate charge will be made for breakage of district supplied materials in laboratory courses.

RCCD TRANSCRIPTS
The RCCD transcript includes only coursework completed at Riverside Community College District. Official student transcripts may be requested on Web Advisor at www.rcc.edu, in the Transcript Office at the Student Service office.

The first two official transcripts are free. There is a fee of $3.00 for each additional official transcript requested. For faster service there is an additional $5.00 fee for each official transcript. Transcripts are mailed with first class postage. Unofficial transcripts are available free on Web Advisor. For more information regarding official transcripts, call (951) 222-8603.

Other Transcripts
Transcripts from other accredited institutions, submitted as official documentation of a student’s record, must be printed no more than 90 days/3 months ago and be in a sealed envelope from the institution. Students must fill out a Prerequisite Validation form at the Counseling counter in order to have course work on official transcripts validated for English, Mathematics, and other prerequisites. Transcripts submitted become the property of Riverside Community College District and cannot be returned to the student nor be forwarded to another institution. When a student has completed three consecutive years of non-attendance at RCCD, transcripts from other institutions will be purged from the student’s record. If the student returns to RCCD after three years of non-attendance, new official transcripts from all other accredited institutions will be required. Students planning to graduate from Riverside Community College District, or needing to use courses
from another college/university as a prerequisite, must submit all official transcripts to RCCD. See Section III Graduation Requirements in this catalog for further information on course acceptance from other institutions.

International Students in F-1 Visa Status
Under federal law, Riverside Community College District is authorized to enroll nonimmigrant alien students on F-1 student visas for study toward an Associate of Arts or Science degree; for the first half of study toward a Baccalaureate Degree; and for certificate programs. About 300 students from 60 countries attend RCCD each semester, with the majority transferring to four-year institutions. All F-1 Visa students are subject to nonresident tuition as set by the Board of Trustees.

REFUND DEADLINES FOR FEES
RCCD shall refund any enrollment fee paid by a student for withdrawal from a class during the first two weeks of instruction for a full-term 16 week course and the 10 percent point of the length of the course for a short-term course. Refund deadlines are available on Web Advisor at www.rccd.edu.

Holds on Records
Grades, transcripts, diplomas and registration privileges will be withheld from any student or former student who has failed to pay a proper financial obligation due to the district. Any item or items will be released when the student satisfactorily meets the financial obligation.

MILITARY AND VETERAN STUDENTS AND FAMILY MEMBERS
RCCD exempts students from non-resident tuition who are members of the armed forces of the United States stationed in this state on active duty, except those assigned to California for educational purposes. A student who is a natural or adopted child, stepchild, or spouse who is a dependent of a member of the armed forces is also exempt from non-resident tuition.

Dependents of certain veterans are exempt from paying enrollment fees. (1) Any dependent eligible to receive assistance under Article 2 of chapter 4 of division 4 of the Military and Veterans Code. (2) Any child of any veteran of the US military who has a service-connected disability, has been killed in service, or has died of a service-connected disability, where the Dept of Veterans Affairs determines the child eligible. (3) Any dependent, or surviving spouse who has not remarried, of any member of the CA National Guard who, in the line of duty, and while in the active service of the state, was killed, died of a disability resulting from an event while in active service of the state, or is permanently disabled as a result of an event that occurred while in the active service of the state. (4) Any undergraduate student who is a recipient of a Congressional Medal of Honor and who is under 27 years old, provided his/her income, including parental support, does not exceed the national poverty level and the parental recipient of the Medal of Honor was a CA resident at the time of his or her death. Students who feel they are eligible for a fee exemption should contact the Department of Veterans Affairs for more information.

ALL FEES ARE SUBJECT TO CHANGE DUE TO STATE LEGISLATIVE ACTION OR RCCD BOARD POLICY CHANGES

VETERANS ASSISTANCE
Riverside Community College District is a member of the Service-members Opportunity Colleges (SOC). This consortium of national higher education associations functions in cooperation with the Dept. of Defense (DOD), the Military Services including the National Guard, and the Coast Guard to help meet the voluntary higher education needs of servicemembers.

Riverside Community College District provides assistance to veterans for the following benefit programs:

1. Active Duty Educational Assistance Program – Montgomery GI Bill – Chapter 30
2. Vietnam Era GI Bill – Montgomery GI Bill – Chapter 34/40
3. Selected Reserve Educational Assistance Program – Montgomery GI Bill – Chapter 1606
4. Vocational Rehabilitation – Chapter 31
5. Post-Vietnam Era Veterans Educational Assistance Program (VEAP) – Chapter 32
6. Survivors and Dependents Educational Assistance Program – Chapter 35
7. Reserve Educational Assistance Program (REAP), Chapter 1607.

Veterans who are seeking to use VA Educational Benefits should apply online to the VA at www.gibill.va.gov. Allow 3-6 weeks for processing. Once processed, the VA will send applicants two copies of their Certificate of Eligibility. One copy must be given to the RCCD Veterans’ Services office in the Student Services office. For questions regarding pay, Certificate of Eligibility or benefits call 1-888-GIBILL-1.

While waiting for the Certificate of Eligibility veterans should continue with RCCD procedures in order to enroll and be certified for payment. Veterans apply to RCCD online at www.rccd.edu and complete assessment testing and/or counselor orientation (if applicable). Veterans may also be eligible for other financial aid and are encouraged to submit the FAFSA (Free Application for Federal Student Aid) online at www.fafsa.ed.gov.

Before a VA Student Education Plan (SEP) can be developed, all transcripts must be sent or walked in to RCCD in order to have prior credit evaluated. Transcripts must be official, sealed and printed less than 90 days ago. After transcripts are received veterans can request a transcript evaluation and an SEP for a VA approved Program of Study. Please allow 2-3 weeks processing time. The completed SEP will be mailed to the veteran’s home. After receiving the SEP veterans can register for approved classes. Check the VA website www.gibill.va.gov for the listing of VA approved programs at RCCD.

After registering, veterans must turn in the Veteran's Statement of Responsibility (Blue Sheet) to the Student Services office. This “Blue Sheet” is required in order for enrollment certification to be submitted to the VA; the process may take 2-3 weeks. This form must be submitted to RCCD every term in order to request benefits.

Veterans are eligible for priority registration for two years after being discharged from active duty. In order to be eligible veterans must take a copy of their DD214 discharge papers to the Student Services office. Staff there will tell eligible veterans their priority registration dates.
Veterans’ assistance is available in Admissions. Contact the RCCD Veterans’ Office at (951) 571-6102 or veterans@rcc.edu for more information. Information is also available at www.rcc.edu.

RESERVE OFFICER TRAINING CORPS
Riverside Community College District students interested in the ROTC commissioning program can enroll in the Army ROTC program located at the Claremont Colleges, or the Air Force ROTC program located at Loyola Marymount University and taught at various locations throughout the greater Los Angeles area.

ARMY AND AIR FORCE ROTC PROGRAMS

Army ROTC
Through a cooperative arrangement sponsored by the Claremont Colleges and the Army, students can take the preliminary ROTC training at no cost while attending a community college. The Department of Military Science at the Claremont Colleges offers basic classes at California State University, San Bernardino and the Department of Military Science at the Claremont Colleges offers basic classes at California State University, San Bernardino, and Harvey Mudd College. A student attends class each week for the initial year and the second year of ROTC training. Completion of this program permits a student transferring to a four-year institution full junior status in ROTC upon transfer. Completion of the community college portion of this program also could provide advanced grade placement should the student choose to serve in the military as an enlisted person.

Those interested in finding out more about Army ROTC should contact the Professor of Military Science, California State University, 5500 State University Parkway, San Bernardino, CA 92407-2397, Room SS124, Telephone (909) 880-5533.

Air Force ROTC
Air Force Reserve Officer Training Corps (AFROTC) offers two, three, and four-year programs leading to a commission as a second lieutenant in the United States Air Force. The AFROTC program is open to almost all students pursuing baccalaureate and graduate degrees. Classes consist of one hour of academics and two hours of leadership laboratory per week for freshmen and sophomores and three hours of academics and two hours of leadership laboratory per week for juniors and seniors. AFROTC offers numerous scholarship opportunities, but scholarships are not required to participate in the program. AFROTC offers a variety of one- to four-year scholarships valued up to 100% annual tuition, along with a nontaxable monthly stipend. Air Force ROTC is offered on the campuses of the University of Southern California, California State University-San Bernardino, and Harvey Mudd College. You do not need to be a student of any of these colleges to get involved. For more information contact the Department of Aerospace Studies at (213) 740-2670 or visit www.usc.edu/afroutc/. No military commitment is incurred until entering the junior year of the program or receipt of a scholarship after freshman year.

Regarding These Programs
For more information, contact the Loyola Marymount University Department of Aerospace Studies (AFROTC) at (310) 338-2770. Other AFROTC detachments are located at: University of California, Los Angeles, (310) 825-1742; University of Southern California, (213) 740-2670; San Diego State University, (619) 594-5545; and California State University, San Bernardino (909) 880-5440.

SPECIAL SUPPORTIVE SERVICES

Disabled Student Services
The campuses of Riverside Community College District offer a comprehensive program of support services to students with a documented disability. Students who have an acquired brain injury, physical disabilities, hearing impairments, learning disabilities, developmental disabilities, psychological disabilities, other health impairments, and temporary disabilities are eligible for the services which are provided according to individual need.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)
Riverside Community College District adheres to the policies of the Family Educational Rights and Privacy Act (FERPA) when establishing and maintaining education records. Although the college applies the provisions of FERPA in a strict manner, the law allows the college to release student directory information. RCCD, based on FERPA regulations, designates as directory information the following: student’s name, address, telephone listing, e-mail, major field of study, dates of attendance, enrollment status, (e.g., full-time/part-time) participation in officially recognized activities and sports, weight and height of members of athletic teams, degree and awards received, the most recent previous public or private school attended by the student, and any other information authorized in writing by the students.

Students have the opportunity to request that their directory information be maintained as confidential. In completing the admission application, students are provided this opportunity. Students who are continuing students with RCCD may go to the Student Services office at the Moreno Valley campus and request to have directory information withheld.

The student’s prior written consent is not required to disclose non-directory information under specific conditions according to FERPA regulations. Included under this provision is the ability to disclosure education records to parents of a student under 18 years of age as defined in Section 152 of the Internal Revenue Code of 1986. Refer to www.rcc.edu/ferpa/ for more information.

The Family Education Right and Privacy Act (FERPA) affords students certain rights with respect to their education records. These rights include:

1. The right to inspect and review the student’s education records within 45 days of the date RCCD receives a request for access. Copies are not provided if the student has an outstanding financial or other hold on the records. The District may assess a charge pursuant to Board Policy Regulation 7045 for furnishing copies of any education record. Students should submit to the Admissions and Records, dean, head of the academic department, or other appropriate official, written requests that identify the record(s) they wish to inspect. The RCCD official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the RCCD official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

2. The right to request the amendment of the student’s education...
records that the student believes are inaccurate or misleading. Students may ask RCCD to amend a record that they believe is inaccurate or misleading. They should write the RCCD official responsible for the record, clearly identify the part of the record they want to change, and specify why it is inaccurate or misleading. If RCCD decides not to amend the record as requested by the student, RCCD will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedure will be provided to the student when notified of the right to a hearing.

3. The right to consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorized disclosure without consent. One exception which permits disclosure without consent is disclosure to college officials with legitimate educational interests. A college official is a person employed by RCCD in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom RCCD has contracted (such as an attorney, auditor, collection agent or agents or organizations conducting studies on behalf of the college); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another college official in performing his or her tasks. A college official has a legitimate educational interest if the official needs to review an educational record in order to fulfill his or her professional responsibility. Upon request, RCCD discloses education records without consent to officials of another school in which a student seeks or intends to enroll.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by RCCD to comply with the requirements of FERPA.

The Riverside Community College District is dedicated to maintaining the absolute integrity of all student records as well as protecting the student’s rights of access to those records. To this end, Administrative Regulations for granting of requests to inspect and review records are detailed in Board Policy 6070.

It is the responsibility of the student to advise the Admissions and Records Office of any change in address or telephone number. Change of information forms are also available at www.rcc.edu.
COMMITMENT TO DIVERSITY, NONDISCRIMINATION AND PROHIBITION OF HARASSMENT AND RETALIATION POLICIES

Board Policy 7100 Commitment to Diversity
Board Policy 3410 Nondiscrimination
Board Policy 3430 Prohibition of Harassment and Retaliation

A complete copy of the Board Policies cited can be found at www.rcc.edu/board or www.rcc.edu/administration/hr/dec.cfm, or by calling (951) 222-8039.

COMMITMENT TO DIVERSITY

Riverside Community College District is committed to building a diverse and accessible environment that fosters intellectual and social advancement. All District programs and activities seek to affirm pluralism of beliefs and opinions, including diversity of religion, gender, ethnicity, race, sexual orientation, disability, age and socioeconomic class. Diversity is encouraged and welcomed because RCCD recognizes that our differences as well as our commonalities promote integrity and resilience that prepares our students for the evolving and changing community we serve.

NONDISCRIMINATION

The Riverside Community College District Board of Trustees has adopted policies and procedures that comply with Federal and State laws relating to prohibition of discrimination and/or harassment on the basis of an actual, perceived or association with others': disability, sex/gender, nationality, race or ethnicity, age (40+), religion, sexual orientation, marital status, Vietnam Veteran status or any characteristic listed or defined in Section 11135 of the Government Code or any characteristic that is contained in the prohibition of hate crimes set forth in subdivision (a) of Section 422.6 or the Penal Code.

PROHIBITION OF HARASSMENT AND RETALIATION

All forms of harassment are contrary to basic standards of conduct between individuals and are prohibited by state and federal law, as well as this policy, and will not be tolerated. The District is committed to providing an academic and work environment that respects the dignity of individuals and groups. The District shall be free of sexual harassment and all forms of sexual intimidation and exploitation. It shall also be free of other unlawful harassment, including that which is based on actual or perceived disability, sex/gender, nationality, race or ethnicity, religion, sexual orientation, age, or any characteristic listed or defined in Section 11135 of the government code or any characteristic that is contained in the prohibition of hate crimes set forth in subdivision (a) of Section 422.6 of the Penal Code.

This policy applies to all aspects of the academic environment, including but not limited to classroom conditions, grades, academic standing, employment opportunities, scholarships, recommendations, disciplinary actions, and participation in any community college activity.

The District seeks to foster an environment in which all employees and students feel free to report incidents of harassment without fear of retaliation or reprisal. Retaliation may involve, but is not limited to, the making of reprisals or threats of reprisals, intimidation, coercion, discrimination or harassment following the initiation of an informal or formal complaint. Such conduct is illegal and constitutes a violation of this policy.

COMPROMETIMIENTO A LA DIVERSIDAD

El Distrito de Riverside Community College esta comprometido a construir un ambiente accesible y diverso que adopta avance intelectual y social. Todos los programas y actividades del Distrito buscan afirmar pluralismo de creencias y opiniones, incluyendo diversidad en la religión, género, étnica, raza, orientación sexual, discapacidades, edad y estado social económico. Alentamos y acogemos diversidad porque RCCD reconoce que nuestras diferencias al igual que nuestras igualdades promueven integridad y fortaleza que prepara a nuestros estudiantes para evolucionar y cambiar la comunidad que servimos.

NO DISCRIMINACIÓN

El Consejo Directivo del Distrito de Riverside Community College ha adoptado políticas y procedimientos que cumplen con las leyes federales y estatales relacionadas a la prohibición y/o de acoso basados en la actual, percibida, o asociada: incapacidad física, sexo/género, nacionalidad, raza o grupo étnico, edad (40+), religión, orientación sexual, estado marital, estado de Veterano de Vietnam, o cualquier característica enumerada o definida en la Sección 11135 del Código de Gobierno o cualquiera característica que esta contenida en la prohibición de crímenes de odio contenidos en la subdivisión (a) de la Sección 422.6 o el Código Penal.

PROHIBICIÓN DE ACOSO Y REPRESALIAS

Todas las formas de acoso son en contra de los niveles básicos de conducta entre los individuos y son prohibidos por la ley del estado federal, al igual que nuestra póliza, y no será tolerado. El Distrito esta comprometido a proveer un medio de trabajo académico que respeta la dignidad de los individuos y grupos. El Distrito será libre de acoso sexual y todas las formas de intimidación sexual y explotación. También será libre de otros acosos alérgicos, incluyendo aquel que este basado en percepción o real discapacidad, sexo/género, nacionalidad, raza étnica, religión, orientación sexual, edad o alguna característica nombrada o definida en la Sección 11135 del código o cualquier característica que esta contenida en la prohibición de odio y crímenes establecidos en la subdivisión (a) Código Penal Sección 422.6.

Esta póliza aplica todos los aspectos del medio académico incluyendo pero no limitado a las reglas del aula, grado, estado académico, oportunidades de empleo, becas, recomendaciones, acciones disciplinarias y cualquier participación de actividad en un colegio comunitario.

El Distrito busca acoger un ambiente en el cual todos los empleados y estudiantes se sienten libres de denunciar incidentes de acoso sin miedo a amenazas o represalias. Represalias pueden involucrar pero no están limitadas a hacer amenazas, el acto de represalias o hacer amenazas, intimidación, coerción, discriminación o acoso seguido por el inicio de una queja formal o informal. Tal comportamiento es ilegal y constituye la violación de esta póliza.
Therefore, the District also strictly prohibits retaliation against any individual for filing a complaint, who refers a matter for investigation or complaint, who participates in an investigation, who represents or serves as an advocate for an alleged victim or alleged offender, or who otherwise furthers the principles of unlawful discrimination or harassment.

FILING A COMPLAINT

This is a summary of your right to file an informal or formal complaint of discrimination or sexual harassment. This is only a summary. Please see Board Policies and Administrative procedures BP/AP3410 and BP/AP3430, and AP3435 for the complete District procedure.

INFORMAL/FORMAL COMPLAINT PROCEDURE:

• You have the right to request that the charges be resolved informally, at which time the District will undertake efforts to informally resolve the charges.
• You do not need to participate in informal resolution.
• You have the right to file a formal complaint, even if you have previously requested informal resolution (see below for the procedure for doing so).
• You will not be required to confront or work out problems with the person accused of unlawful discrimination.
• You may file a non-employment-based complaint with the U.S. Department of Education Office for Civil Rights (OCR) where such a complaint is within that agency’s jurisdiction.
• If your complaint is employment-related, you may file a complaint with the U.S. Equal Employment Opportunity Commission (EEOC) and/or the California Department of Fair Employment and Housing (DFEH) where such a complaint is within that agency’s jurisdiction.
• Retaliation is unlawful. If you feel you are being retaliated against as a result of filing a complaint, please contact the RCCD Diversity and Human Resources Department immediately.

PURPOSE OF THE INFORMAL RESOLUTION PROCESS:

The purpose of the informal resolution process is to allow an individual who believes she/he has been unlawfully discriminated against to resolve the issue through a mediation process rather than the formal complaint process. Typically, the informal process will be invoked when there is a simple misunderstanding or you do not wish to file a formal complaint. Resolution of an informal complaint may require nothing more than a clarification of the misunderstanding or an apology from the alleged offender and an assurance that the offending behavior will cease. You will be notified of the outcome of the investigation in the informal process, and will also be notified of the resolution proposed by the District.

If you pursue the informal process, you should note the following important points:

• You will need to sign a document which indicates that you have selected the informal resolution process.
• The District will complete its investigation within the time period required by Board Policy unless you voluntarily rescind your complaint prior to completion.

Selecting the informal resolution process does not prevent you from

Por lo tanto, el Distrito también prohibe rigurosamente represalias en contra de cualquier individuo por archivar una queja, que remite un motivo de investigación o queja, quien participa en una investigación, que representa o sirve como un abogado por una presunta víctima o un presunto delincuente, o cualquier premovimiento de los principios de discriminación ilegal o acoso.

HACER UNA QUEJA

Este es un resumen del derecho que usted tiene a presentar una queja formal de discriminación o de acoso sexual. Este es sólo un resumen. Por favor vea las Políticas de la Junta Directiva Escolar y los Procedimientos Administrativos BP/AP 3410 y BP/AP 3430, y AP 3435 para el procedimiento completo del Distrito.

PROCEDIMIENTO PARA UNA QUEJA FORMAL/INFORMAL:

• Usted tiene derecho a solicitar que los cargos sean resueltos informalmente, durante este tiempo, el Distrito se encargará de hacer lo necesario para solucionar los cargos informalmente.
• Usted no necesita participar en una resolución informal.
• Usted tiene derecho a presentar una queja formal, aún en el caso que anteriormente haya solicitado una resolución informal (mire la parte posterior para el procedimiento a seguir en este caso).
• A usted no se le pedirá que confronte o que trate de resolver los problemas con la persona acusada de discriminación ilícita.
• Usted puede presentar una queja basada en el rehuso de empleo en la Oficina del Departamento de Educación de Estados Unidos de Derechos Civiles (OCR, por sus siglas en inglés) siempre y cuando dicha queja esté dentro de la jurisdicción de esa agencia.
• Si su queja es relacionada a empleo, usted puede presentar una queja en la Comisión de Estados Unidos de Igualdad en Oportunidad de Empleo (EEOC, por sus siglas en inglés) y/o el Departamento de Igualdad en el Empleo y la Vivienda (DFEH, por sus siglas en inglés) siempre y cuando dicha queja esté dentro de la jurisdicción de esa agencia.
• Están prohibidas las represalias. Si usted siente que están usando represalias en su contra como resultado de haber presentado una queja, por favor pongase en contacto con el Departamento de Diversidad y Recursos Humanos de RCCD.

EL PROPOSITO DE LA RESOLUCIÓN INFORMAL:

El propósito del proceso en una resolución informal es permitir que un individuo, el cual cree ha sido ilícitamente discriminado en contra, pueda resolver la situación por medio de un proceso de mediación en lugar de un proceso de queja formal. Típicamente, el proceso informal será invocado cuando haya un simple malentendido, o usted no desee presentar una queja formal. La resolución de una queja informal puede que no requiera más que una aclaración del malentendido o una disculpa por parte del supuesto ofensor y una declaración de que el comportamiento ofensivo cesará. Usted será notificado acerca del resultado de la investigación del proceso informal, y también será notificado de la resolución propuesta por el Distrito.

Si usted da seguimiento al proceso informal, deberá tomar en cuenta los siguientes puntos importantes:
• Usted necesitará firmar un documento el cual indique que usted ha elegido el proceso de la resolución informal.
• El Distrito completará su investigación en el periodo de tiempo requerido por la política de la Junta Directiva Escolar, a menos que usted voluntariamente rescinda su queja antes de ser terminada la investigación.
later deciding to file a formal complaint (subject to all of the rules for filing a formal complaint). You can do this while the informal process is still underway, or if the informal process has been completed and you are not satisfied with the outcome of the District’s proposed resolution, provided that the time period for filing a formal complaint has not passed.

**HOW TO FILE A FORMAL COMPLAINT:**

- The complaint must be filed on a form prescribed by the State Chancellor’s Office. That form is available at [www.rcc.edu/administration/board/policies.cfm](http://www.rcc.edu/administration/board/policies.cfm), from the Diversity and Human Resources Department, or on the State Chancellor’s Web page at [www.cccco.edu](http://www.cccco.edu).
- The complaint must allege unlawful discrimination prohibited under Title 5, Section 59300.
- The complaint must be filed by one who alleges that she/he has personally suffered unlawful discrimination or by one who has learned of such unlawful discrimination in her/his official capacity as a faculty member or administrator.
- In any complaint not involving employment, the complaint must be filed within one year of the date of the alleged unlawful discrimination or within one year of the date on which you knew or should have known of the facts underlying the specific incident or incidents of alleged unlawful discrimination.
- In any complaint alleging discrimination in employment, the complaint shall be filed within 180 days of the date the alleged unlawful discrimination occurred, except that this period will be extended by no more than 90 days following the expiration of that 180 days if you first obtained knowledge of the facts of the alleged violation after the expiration of 180 days.
- You can file a complaint with the:

  Director  
  Diversity, Equity and Compliance  
  Riverside Community College District  
  3845 Market Street  
  Riverside, CA 92501-3244  
  (951) 222-8039

or with the:

  Legal Affairs Division  
  Office of the Chancellor  
  California Community Colleges  
  1102 Q Street  
  Sacramento, CA 95811-6549

**WHAT HAPPENS WHEN A FORMAL COMPLAINT IS FILED?**

The District will then conduct an investigation. Within 90 days of receiving an unlawful discrimination complaint filed under Title 5, Sections 59300 et seq., the District will complete the investigation and forward a copy of the investigative report, or a summary, to you along with a notice of your right to appeal to the District Board of Trustees and the State Chancellor’s Office. The investigative report, or summary, is the District’s Administrative Determination.

**COMPLAINANT’S APPEAL RIGHTS**

You, as the complainant, have appeal rights that you may exercise if El seleccionar el proceso de resolución informal, no le previene a usted el poder tomar la decisión después de presentar una queja formal (sujeto a todas las reglas al presentar una queja formal). Usted puede hacer esto mientras el proceso informal está en curso, o si el proceso informal ha sido completado y usted no está satisfecho con el resultado o la propuesta resolución hecha por el Distrito, siempre y cuando que el periodo de tiempo para presentar una queja formal no haya terminado.

**COMO PRESENTAR UNA QUEJA FORMAL:**

- La queja debe ser presentada utilizando el formulario indicado por la oficina del Rector del Estado. El formulario está disponible en [www.rcc.edu/administration/board/policies.cfm](http://www.rcc.edu/administration/board/policies.cfm), [www.rcc.edu/administration/hr/dec.cfm](http://www.rcc.edu/administration/hr/dec.cfm), en la oficina de Diversidad y Recursos Humanos, o en la página de internet del Rector del Estado en [www.cccco.edu](http://www.cccco.edu).
- Le queja debe declarar discriminación ilícita bajo el Título 5, sección 59300.
- Le queja debe de ser presentada por la persona que declara que ella/el ha sufrido personalmente discriminación ilegítima o por aquella persona que se ha enterado de tal discriminación ilegítima en su función oficial como miembro de la facultad o administrador.
- En cualquier queja que no involucre un empleo, la queja deberá ser presentada en el espacio de un año a partir de la fecha de la presunta discriminación ilegítima o en el espacio de un año a partir de la fecha en la cual usted se enteró o debió haberse enterado de los hechos que fundamentan el incidente específico o los incidentes de la presunta discriminación ilegítima.
- En situaciones en que la queja afirme discriminación en el espacio de un año a partir de la fecha en que la presunta discriminación ilegítima ocurrió, con la excepción de que este periodo será extendido por no más de 90 días seguido a la fecha de expiración de los 180 días, si usted se enteró o tuvo conocimiento de los hechos de la supuesta discriminación después de la fecha de expiración de los 180 días.
- Usted puede presentar una queja con el:

  Director  
  Diversity, Equity and Compliance  
  Riverside Community College District  
  3845 Market Street  
  Riverside, CA 92501-3244  
  (951) 222-8039

o con:

  Legal Affairs Division  
  Office of the Chancellor  
  California Community Colleges  
  1102 Q Street  
  Sacramento, CA 95811-6549

¿QUE SUCEDERÁ CUANDO UNA QUEJA FORMAL SE PRESENTA?

El Distrito entonces conducirá una investigación. A partir de 90 días de haber recibido la queja de la presunta discriminación bajo el Título 5, secciones 59300 et seq., el Distrito completará la investigación y le enviará una copia del reporte investigativo, o un resumen a usted, junto con la notificación de su derecho a apelar la decisión ante la Junta Directiva Escolar del Distrito y la oficina del Rector del Estado. Este reporte es la Determinación Administrativa del Distrito.
you are not satisfied with the results of the District's Administrative Determination. At the time the investigative report and/or summary is mailed to you, the responsible District officer or her/his designee will notify you of your appeal rights as follows:

ALL APPEALS MUST BE IN WRITING
(E-mail is not a satisfactory method.)
First Level of Appeal: You have the right to file an appeal with the District's Board of Trustees within fifteen (15) calendar days from the date of the Administrative Determination. The District's Board of Trustees will review the original complaint, the Administrative Determination, and the appeal.

In order to appeal to the District's Board of Trustees, please send a written request within the required time period to the attention of:

District Board of Trustees  
c/o Diversity, Equity and Compliance  
Riverside Community College District  
3845 Market Street  
Riverside, CA 92501-3244

The District's Board of Trustees will issue a final District decision in the matter within forty-five (45) calendar days after receiving the appeal. Alternatively, the District's Board of Trustees may elect to take no action within forty-five (45) calendar days, in which case the Administrative Determination will be deemed to be affirmed and shall become the final District decision in the matter. A copy of the final decision rendered by the District's Board of Trustees will be forwarded to you and to the State Chancellor's Office.

Second Level of Appeal: You have the right to file an appeal with the California Community Colleges Chancellor's Office in any case not involving employment-related discrimination within thirty (30) calendar days from the date that the District's Board of Trustees issues the final District decision or permits the Administration Determination to become final by taking no action within forty-five (45) calendar days. The appeal must be accompanied by a copy of the decision of the District Board of Trustees or evidence showing the date on which complainant filed an appeal with the District Board of Trustees within forty-five (45) calendar days from that date.

In any case involving employment-related discrimination, you have the right to file an appeal with the Department of Fair Employment and Housing (DFEH) or the U.S. Equal Employment Opportunity Commission (OCR).

DERECHOS DE APELACION DE LA PERSONA AFFECTADA
Usted, como persona afectada, tiene derechos que puede ejercer para apelar si usted no está satisfecho con los resultados de la Determinación Administrativa del Distrito. En el momento en que el resumen investigativo y/o el resumen le sea enviado a usted por correo, el oficial responsable del Distrito y/o su designado/a le notificará a usted acerca de los derechos que tiene para solicitar una apelación de la siguiente manera:

TODAS LAS APELACIONES DEBERAN SER HECHAS POR ESCRITO
(El correo electrónico no es un método satisfactorio.)

Primer Nivel de Apelación: Usted tiene el derecho de solicitar una apelación a los Miembros de la Junta Directiva Escolar en el espacio de 15 días del calendario a partir de la fecha en que la Determinación Administrativa fue hecha. Los Miembros de la Junta Directiva Escolar revisarán la queja original, la Determinación Administrativa y la apelación.

Por favor envíe una petición hecha por escrito para poder solicitar una apelación a los Miembros de la Junta Directiva Escolar en el periodo de tiempo indicado, dirigido con atención de:

District Board of Trustees  
c/o Diversity, Equity and Compliance  
Riverside Community College District  
3845 Market Street  
Riverside, CA 92501-3244

Los miembros de la Junta Directiva Escolar darán una decisión final del Distrito acerca del asunto en el espacio de 45 días del calendario, después de haber recibido la apelación. Alternativamente, los Miembros de la Junta Directiva Escolar pueden elegir no tomar ninguna acción en el espacio de 45 días del calendario, en este caso la decisión original en cuanto a la Determinación Administrativa será considerada afirmativa y será la decisión final del Distrito en este asunto. Usted recibirá una copia de la decisión final retendida por los Miembros de la Junta Directiva Escolar del Distrito y otra copia será enviada a la oficina del Rector del Estado.

Segundo Nivel de Apelación: Usted tiene el derecho de solicitar una apelación a la oficina del Rector de Colegios Comunitarios de California en cualquier caso que no involucre discriminación relacionada con el empleo, en el espacio de 30 días del calendario a partir de la fecha en que los Miembros de la Junta Directiva Escolar dictaminen la Decisión final del Distrito o permitan que la Determinación Administrativa sea la Decisión final al no tomar ninguna acción el el espacio de 45 días del calendario. La apelación debe ser acompañada de una copia de la decisión de los Miembros de la Junta Directiva Escolar del Distrito o evidencia mostrando la fecha en que el afectado solicitó una apelación a la Junta Directiva Escolar del Distrito en el espacio de 45 días del calendario a partir de esa fecha.

En cualquier caso que involucre discriminación con el empleo, usted tiene derecho a solicitar una apelación en el Departamento de Igualdad de Empleo y Vivienda o la Comisión de Estados Unidos de Oportunidad de Igualdad en el empleo.

ACADEMIC HONESTY
Academic honesty and integrity are core values of the Riverside Community College District. Students are expected to perform their work (except when collaboration is expressly permitted by the course instructor). Believing in and maintaining a climate of honesty is integral to ensuring fair grading for all students. Acts of academic dishonesty entail plagiarizing—using another’s words, ideas, data, or product without appropriate acknowledgment—and cheating—the intentional use of or attempted use of unauthorized material, information, or study aids on any academic exercise. Students who violate the standards of student conduct will be subject to disciplinary action as stated in the “Standards of Student Conduct,” listed in the Student Handbook. Faculty, students, and administrators all share the responsibility to maintain an environment which practices academic integrity.

THE ARTS
The visual arts at the Moreno Valley campus plays a significant role in students’ lives. Painting, drawing, design, computer and animation students have access to outstanding faculty and opportunities.

DANCE
The Moreno Valley campus provides a wide array of classes and activities that meet the needs of dance students as well as the recreational dancer.

MUSIC
The Moreno Valley campus provides classes that meet general education requirements for transferring students and music activities courses. The Moreno Valley campus Gospel Singers have toured locally and world-wide.

ATHLETICS
A wide range of physical activity courses are available on the Moreno Valley campus. Both Cross Country teams practice on the campus.

Riverside Community College District maintains a program of intercollegiate athletics as a member of the National Central Conference in Football and the Orange Empire Conference in the following sports:

Men: Baseball, Basketball, Cross Country, Golf, Tennis, Track, Soccer, Swimming and Diving, and Water Polo

Women: Basketball, Cross Country, Fastpitch, Soccer, Swimming and Diving, Tennis, Track, Volleyball and Water Polo.

Questions about athletic eligibility should be directed to the Director of Athletics or the head coach of the sport of interest.

CAREER AND TRANSFER CENTER
The MVC Career and Transfer Center is firmly committed to assisting students in being successful and achieving their academic and career goals.

SERVICES:
- Information on transfer requirements and major preparation
- Counseling appointments with university representatives
- RCC counselors, university representatives, and staff can assist students in exploring majors and determining what college/university is the best fit.

RESOURCES:
- Computer access to utilize internet resources, complete college/university applications, and view college/university information online
- Transfer Workshops focusing on the UC/CSU application process, the UC Personal Statement (Essay), Financial Aid for transfer students, and Steps to Becoming a Teacher (K-12)
- Transfer Fairs are coordinated by the Transfer Center every Fall and Spring term where over 35 university representatives visit our campus to speak to students and to answer questions.
- A Transfer Recognition Ceremony is held every spring term to recognize students who have successfully fulfilled the transfer requirements and transferred to a four-year college/university.

INTERNET ACCESS:
RCC Transfer Website: http://www.rcc.edu/services/counseling/transfer.cfm

RCC Career Center Website: http://www.rcc.edu/services/careercenter/index.cfm

ASSIST: http://www.assist.org/web-assist/welcome.html

For more information please call: (951) 571-6205

COUNSELING CENTER
The Moreno Valley Counselors are committed to providing students with a broad range of options as well as specific guidance in career planning, evaluation, academic choices, and direction. Professional counseling enables students to utilize various resources and academic offerings and assists them in reaching their educational, vocational, and personal objectives and goals.

Special guidance courses are offered to assist each student in gaining the maximum benefit from the college experience. Courses are listed under Guidance in this catalog.

Specific counseling services include personal counseling, group counseling, career development, academic guidance, and information regarding graduation requirements and requirements for transferring to four-year colleges and universities.
How to Use the Counseling Center
Students may make appointments with the clerk in the Counseling Center. Counseling hours vary by term and campus. Appointments can be made by calling (951) 571-6104. It is important to keep your appointment. Please call in advance if you need to cancel or reschedule.

DISABLED STUDENT SERVICES
The Office of Disabled Student Programs and Services (DSP&S), on each of RCCD’s three campuses, provides appropriate, comprehensive, reliable and accessible services to students with documented disabilities who request such services. These offices facilitate and encourage academic achievement, independence, self-advocacy and social inclusion for students with documented disabilities in eight primary disability groups as outlined in California’s Title 5 Regulations (acquired brain injury, physical disabilities, hearing impairments, learning disability groups as outlined in California’s Title 5 Regulations (acquired brain injury, physical disabilities, hearing impairments, learning disabilities, developmental disabilities, psychological disabilities, other health impairments, and temporary disabilities). On the Moreno Valley campus, the office is located in Science and Technology 150.

Services are available to students with:

Physical Disabilities:
- Acquired Brain Injury
- Amputations
- Arthritis
- Cerebral Palsy
- Multiple Sclerosis
- Muscular Dystrophy
- Orthopedic Disabilities
- Post-Polio Disabilities

Learning Disabilities:
- Average to above average intellectual ability with a verifiable learning disability.

Other Health Impairments:
- Cardiac Disease
- Diabetes
- Epilepsy
- Psychological Disabilities

Communicative Disabilities:
- Deaf
- Hearing Impaired
- Speech Impaired
- Respiratory Disease

Temporary Disabilities:
- Broken Bones
- Post Operative Recovery
- Other

Support Services Available Include:
- Adapted Physical Education
- Alternate Media and Adaptive Technology (i.e., e-text, screenreaders, etc.)
- Counseling
- High Tech Center ( Adaptive computer equipment) and assistive devices
- Interpreters/RTC for the Deaf
- Individual tutoring
- Liaison with other agencies
- Mobility assistance
- Note-taking services
- Priority Registration
- Test Facilitation

Trained professionals are available in the Office of Disabled Student Services to assist each student in acquiring the support services needed to attain individual academic and career goals. For further information call: (951) 571-6138 and TDD (951) 222-8061.

Riverside Community College District does not discriminate on the basis of disability in the recruitment and admission of students, the recruitment and employment of faculty and staff, and the operation of any of its programs and activities, as specified by federal laws and regulations. The designated coordinator for compliance with section 504 of the Rehabilitation Act of 1973, as amended, the Americans with Disabilities Act (ADA) is the Director of Diversity, Equity, and Compliance.

DISCIPLINE
It is understood that each student who registers at the district is in sync with its purposes and will cooperate in carrying out these purposes by adhering to the regulations governing student behavior. The Standards of Student Conduct are listed in the Student Handbook.

EARLY AND MIDDLE COLLEGE PROGRAMS
The Riverside Community College District offers, early and middle college programs on each of its three campuses. While the programs differ from one another in some significant respects, all enable high school juniors and seniors to pursue college study while completing their high school study. Interested high school students should consult with their school counselor about opportunities for middle or early college study at an RCCD campus in their region. There are three programs on the Moreno Valley Campus: the MVC Middle College Program, the Nuview Bridge Early College High School and the Vista Del Lago Middle College program.

EXTENDED OPPORTUNITY PROGRAMS AND SERVICES (EOPS)
Funded by the state of California, the RCCD EOPS program provides academic support services for financially and educationally disadvantaged students. Services available include:
- Personal, academic, and career counseling
- Priority Registration
- Supplemental book services
- One-to-one tutoring
- Transfer information and assistance

To be eligible for EOPS, a student must:
1. be a California resident;
2. be enrolled as a full-time student (12 units or more per term, with the exceptions as noted in Section 56220 or Title 5);
3. have fewer than 70 units of degree-applicable college credits;
4. qualify to receive a Board of Governor’s Waiver under either Method A or B;
5. be educationally disadvantaged:
   a. not qualify for degree-applicable English or Math course or
   b. did not graduate from high school or
   c. high school GPA below 2.5 or
   d. previous enrollment in remedial education

Services available at Moreno Valley (951) 571-6253.
Cooperative Agencies Resources for Education (CARE)
The aim of CARE is to assist single parents receiving AFDC (Aid to Families with Dependent Children) increase their educational skills, become more confident and self-sufficient, enhance their employability, encourage success and move from welfare to INDEPENDENCE.

To be eligible a student must:
1. be an eligible full-time EOPS student with 2.0 GPA (good standing);
2. be a single parent/head of household;
3. Student must be 18 years of age or older;
4. Must be a AFDC/CalWORKs recipient;
5. Have a child under the age of fourteen years of age;
6. Have the desire to continue their education and become self-sufficient.

CARE Services are supplemental to EOPS services and MAY include:
- Personal, Academic and Career Counseling
- Support Group
- Personal Counseling
- Child Care Stipend
- Tutorial Assistance
- Bus Pass or Parking Pass
- Meal Tickets
- Special Topic Workshops

Services available at Moreno Valley (951) 571-6253.

STUDENT FINANCIAL SERVICES

Our Mission Statement
The mission of the Student Financial Services department is to provide resources to help students and families gain the knowledge needed to apply for financial assistance to help reach their educational goals.

Our Philosophy
The philosophy of the Student Financial Services (SFS) Department is to assist students reach their educational goals by providing information and applications for financial assistance programs. The SFS department will educate students on how to apply for various types of financial assistance, offer financial aid academic counseling and will provide a variety of resources to students to educate them about financial aid. Through continual staff training and software updates, the SFS department strives to provide an accurate and efficient environment for staff and students. The SFS department will educate staff regarding new policies and procedures through on and off campus trainings and conferences as well as visits to other community colleges to learn best practices.

Objectives
- Achieve an environment conducive to learning by providing a variety of financial assistance workshops, applications, literature and websites to assist students with the financial aid process.
- Encourage students to apply for financial assistance using the latest technology by applying on-line at www.fafsa.ed.gov. For current information and the dates of financial assistance workshops, please visit our website at www.rcc.edu/studentfinancialservices.
- Increase the number of applicants by working hand-in-hand with local schools, community service offices and by attending outreach events.
- Increase awareness of the availability of financial assistance by providing marketing through e-mail, websites, marquees, sandwich boards, banners, fliers and literature.
- Offer excellent customer service by using a variety of methods such as personal assistance, phone contact, e-mail, website, individual appointments, and literature.
- Offer scholarship applications and/or information for those students still in need of financial assistance with their educational expenses. The Federal Family Educational Loan Program is also available to those in need of additional financial assistance.
- Offer academic counseling services to all financial aid students on all 3 campuses. Services include academic counseling, Student Education Plan (SEP) development or revision, guidance on financial aid appeals, review of Approved Class Lists (ACL) as well as other counseling functions.

The Free Application for Federal Student Aid (FAFSA)
The initial application used in applying for financial assistance is the Free Application for Federal Student Aid (FAFSA). The FAFSA application is available online at www.fafsa.ed.gov and workshops are available throughout the year to assist students with completion of the FAFSA. For workshop times and dates, please view our website at www.rcc.edu/studentfinancialservices. The FAFSA must be completed for each academic year. Riverside Community College District’s Title IV code of 001270 must be listed in order for your FAFSA record(s) to be received by our department for all 3 campuses. The FAFSA is available January 1st of each year and will determine eligibility for the following academic year. It is recommended that the FAFSA be completed prior to March 2nd to ensure priority processing and to maximize your funding.

*New: If you are considered a dependent student and cannot provide your parents information on the FAFSA application, we ask that you first complete the FAFSA application and submit it online. If after completing the FAFSA application you are still required to provide your parents information and are not able to, please visit any SFS office and ask to speak to an analyst regarding a Petition for Independent Status (Dependency Override).

Completing the FAFSA will determine your eligibility for the following:
- The Board of Governors Fee Waiver (BOGW) is a state program which waives enrollment fees for qualifying CA resident students. If determined eligible, the BOGW will waive enrollment fees for the entire academic year beginning with summer and ending with the following spring. During the fall and spring semesters, the parking fee will be reduced to $20.00 per semester. The BOGW does not pay for books or other educational supplies, the student services or health fees or additional class fees (such as art and CPR fees as listed in the schedule of classes) To apply, complete the Free Application for Federal Student Aid (FAFSA) online at www.fafsa.ed.gov and list RCC School code #001270 for all 3 campuses and you will be automatically awarded the BOGW if eligible. No separate application is required. If you are not a California Resident, you may be eligible to apply for a non-resident tuition exemption through the AB 540 program. See Admissions and Records for additional information or view our consumer guide online.
- Federal Pell Grant (up to $4713 for the academic year, subject to change) is awarded to eligible undergraduate students to
assist in paying for educational expenses and are awarded based on financial need. Unlike loans, Pell Grants do not have to be repaid (unless you withdraw from courses and owe a refund or do not successfully pass your courses). The information that you provide on the Free Application for Federal Student Aid (FAFSA) is used to produce an Expected Family Contribution (EFC). This EFC number will determine if you are eligible for the Pell Grant and for how much. How much you receive will depend not only on your EFC but also on the number of units you are enrolled in and whether you attend school for a full academic year. Students enrolled less than ½ time (less than 6 units) may qualify for a Pell Grant. Once you have completed all application procedures with the SFS Office, your Pell Grant eligibility will be determined. You will receive an award letter via your RCC student e-mail indicating how much financial aid you have been awarded, including the Pell Grant. All award letters are based on full-time enrollment and disbursements are adjusted based on units. Please note that you may not receive Pell Grant funds from more than one school for the same period of enrollment.

- **Federal Supplemental Educational Opportunity Grant (FSEOG)** (up to $1000 for the academic year at RCC) is awarded to undergraduate students with exceptional financial need and have the lowest expected family contribution (EFC) granted on the FAFSA. Like the Pell Grant, it is a cash award that does not require repayment. Due to limited funding, priority is given to students who apply for the FAFSA by the March 2nd deadline and qualify for the maximum Pell Grant award. This grant is awarded until funds are exhausted.

- **Academic Competitiveness Grant (ACG)** (ranges from $750- $1300 per academic year) is intended to provide additional funds for full-time college students who completed a “rigorous course of study” during their high school years. The high school must validate whether the student meets one of the following options for eligibility for the 2009-2010 school year:
  - The California Golden State Merit Diploma
  - A set of courses similar to the State Scholars Initiative
  - Advanced Placement (AP) or International Baccalaureate (IB) courses and test scores.
  - California A-G Requirements
These recent high school graduates may be eligible for the additional ACG for up to $750 for their first year of college and $1300 for their second year.

- **Cal Grants** (up to $1551 per academic year) are awarded by the California Student Aid Commission (CSAC) to California residents attending a qualifying institution at least half-time (6 or more units). The deadline to apply for these grants is March 2nd of every year. For students attending California Community Colleges, there is an additional deadline of September 2nd. To apply for the Cal Grant awards, you need to complete the FAFSA and have your GPA verified by the above deadlines. If you are awarded a Cal Grant by CSAC and are choosing to attend RCCD, you must ensure that your financial aid file is completed, that you have an active academic program (major) on file with the Admissions and Records office, other than Undecided, and you must be meeting the RCCD Student Financial Services Satisfactory Academic Progress (SAP) standard. Disbursement is contingent upon eligibility and funding.

- **CHAFEE Grant Program** provides grants of up to $5,000 to eligible foster youth. An Independent Living Coordinator with the Department of Public Social Services determines whether or not a student is an eligible foster youth. Students must be enrolled in college or vocational school at least half-time (6 units) during the Fall and/or Spring semester and must meet Satisfactory Academic Progress (SAP) before the Chafee grant can be disbursed. The FAFSA application is required for RCCD to verify eligibility for this grant. Disbursement is contingent upon eligibility and funding. An application for this grant can be completed at www.chafee.csac.ca.gov. Paper applications can be picked up in the SFS Office and after completion, mailed to CSAC. This grant will be renewed automatically by CSAC as long as the student meets specific criteria. Each CHAFEE Grant disbursement is released by CSAC during the Fall and/or Spring semester at which time the SFS Office reviews the student’s eligibility prior to the disbursement being released to the student.

- **Child Development Grant Program** ($1000 per academic year) is for participants who intend to teach or supervise in the field of child care and development in a licensed children’s center. Students must be enrolled in at least half-time (6 units) during the fall and/or spring semester and must meet Satisfactory Academic Progress (SAP) for each semester. A paper application is available in April and can be picked up in the SFS Office or Early Childhood Education Office. It is also available online at www.csac.ca.gov for printing. It must be completed and submitted to Shari Yates, Assistant Professor, Early Childhood Studies in the Early Childhood Education Office. The deadline to submit this application is June 15th. A FAFSA application is required for RCCD to determine eligibility for this grant. A new application must be submitted for each academic year. The Child Development Grant disbursement is released by CSAC during the Fall and/or Spring semester at which time the SFS Office reviews the student’s eligibility prior to the disbursement being released to the student.

- **Federal Work Study** (earn up to $4000 per academic year) The FWS Program offers students the opportunity to earn additional funding through part-time employment. It also allows students to gain work experience and pay for a portion of their educational expenses. All positions require that students maintain half-time enrollment and a minimum 2.0 CGPA. To apply for Federal Work Study, student must complete the FAFSA application online at www.fafsa.ed.gov and list the RCC school code #001270 for all 3 campuses. To apply for a FWS position, you must have completed your financial aid file. Please check Web Advisor for this status or go to any SFS office. To view available jobs or for more information on FWS, please view the Student Employment section.

- **Federal Family Educational Loan Program (FFELP)** - Riverside Community College District (RCCD) participates in the Federal Family Education Loan Program (FFELP). At RCCD it is our plan to help our students reach their educational goal with the least amount of student loan debt as possible. RCCD does not recommend borrowing more than $10,000 at the Community College level (this amount includes all loans from any other institutions attended). To view your complete loan history, go to: National Student Loan Data System http://www.nslds.ed.gov. A Department of Education FAFSA PIN is required to access this website. If you have misplaced or forgotten your PIN number, you may request a duplicate PIN by going to the PIN website at www.pin.ed.gov.
• Students must be meeting the SFS Satisfactory Academic Progress (SAP) standard and must be enrolled at least half-time (6 units) in courses listed on their Student Educational Plan with the RCCD Admissions and Records Department. Students must have a completed financial aid file at RCCD and be notified of their eligibility for any grant aid, Federal Work Study or scholarships before applying for a loan. Students may pick up a loan packet and submit the “FFELP Loan Request Form.”

• Student must also have a current Student Educational Plan (SEP) on file with RCCD which corresponds with the student's academic program declared in Admissions and Records as well as the courses that they are currently enrolled in.

• Students will receive notification by e-mail within two weeks after the deadline date they submitted the “FFELP Loan Request Form” regarding the status of their loan request. If approved, EdFund will guarantee the loan and the student will need to sign his/her Master Promissory Note with their FAFSA PIN online at www.edfund.net. Once our office receives the loan payment we verify that the student is still eligible for the loan disbursement and mail it to the student. RCCD mail is not forwarded by the U.S. Postal Service so it is extremely important that a current mailing address is listed in the Admissions and Records Office at all times.

• Our Federal Student Loan Default Management Plan requires all students to complete a loan Entrance and Exit interview each year students receive a loan at RCCD. Interviews may be completed online at www.edfund.net by choosing the Loan Counseling link. Our efforts in educating students regarding their responsibilities in securing a federal student loan are taken very seriously at RCCD. We also reserve the right to deny loans to students on a case-by-case basis.

SCHOLARSHIPS
Riverside Community College District offers scholarships through its Foundation office and generous donors. These scholarships are based on a variety of majors, career goals, GPA, community service and club involvement:

• The RCCD Scholarship Brochure for continuing and transferring students is available every fall semester with a deadline in early December. The brochure includes RCCD scholarship listings, application, personal essay form, evaluation forms and instructions on how to apply. It is also available on our website early in the fall semester at www.rcc.edu/studentfinancialservices. Scholarship information workshops are held at each campus prior to the scholarship deadline to assist students in the scholarship application process and are also available on our website. Applicants chosen for RCCD scholarships are notified by May of each year. The scholarship funds for students continuing at RCCD are disbursed during the following fall and spring semesters upon verification of eligibility. The scholarship funds for students transferring to a University are disbursed to the transfer institution during the next fall semester. Transfer students must return the Transfer notification form with the transfer institution information.

• The RCCD Scholarship Brochure for High School Seniors is available during the spring semester each year with a deadline in early March. The brochure contains RCCD scholarships to be awarded to High School Seniors who will be attending RCCD during the academic year after they graduate from High School. The brochure is available in February and March of each year at each High School within the RCC District and also at www.rcc.edu/studentfinancialservices.

• The Community Scholars scholarship is a partnership between RCCD and California Baptist University, La Sierra University and the University of Redlands. This is a $7,000 scholarship offered to Riverside County High School Seniors who will attend RCCD for two years and transfer to one of the Universities mentioned above for two years. The application is available at each High School within the RCC District and also at www.rcc.edu/studentfinancialservices in February and March of each year. Scholarships are also available from sources outside of RCCD. There are many resources and opportunities for students to find scholarships to use while attending RCCD. However, it requires time and effort on the part of the student to locate and apply for outside scholarships:
  • A list of scholarships RCCD has been notified of is available at Student Financial Services and at www.rcc.edu/studentfinancialservices.
  • If you are awarded a scholarship from a source outside of RCCD, you may use your scholarship to pay for tuition and fees, set up a bookstore account at any campus bookstore, or be reimbursed for tuition, fees and books already paid for or purchased. Follow the donor’s directions on how to have your scholarship funds sent to RCCD. When outside scholarship funds are received by RCCD, the student is notified by mail and must submit a Scholarship Action Form in order to use the scholarship funds at RCCD.

STUDENT FINANCIAL SERVICES COUNSELING AND OUTREACH SERVICES
The Student Financial Services Counseling and Outreach Office is located on the Riverside City Campus behind the Bradshaw Student Center.

Academic Counselors are available to work with students receiving financial assistance in the following areas:
  • Developing educational goals and Student Educational Plans (SEP)
  • Maintaining financial aid eligibility by meeting Satisfactory Academic Progress standards
  • Working with students who are in a probationary or ineligible financial aid status
  • Processing financial aid Appeals

Computers are available to students receiving financial assistance for the following:
  • Complete the FAFSA on line
  • Research and apply for scholarships on line
  • Other financial aid web assistance

Responsibilities and Requirements
The district must follow Federal, State and Institutional guidelines in administering financial assistance programs. Students must adhere to all Federal, State and Institutional guidelines when applying for and receiving financial assistance. If students do not follow the requirements, eligibility may be rescinded. Please review the following guidelines:
• Ability to Benefit
To receive financial assistance, a student must be qualified to study at the postsecondary level. A student qualifies if he or she has a high school diploma, GED, has completed home schooling, has passed a federally approved Ability to Benefit test (ATB) for students 18 years old or older or satisfactory complete six credit hours (six semester units) or equivalent coursework that are applicable toward a degree or certificate offered at RCCD or another accredited college or university. Students are ineligible to receive Title IV aid while earning the six credit hours. If you need to take the ATB test because you do not have a high school diploma or GED, please contact your campus Assessment Center to take the test.

• Student Educational Plan
You must enroll in and successfully complete courses according to your Student Educational Plan (SEP). To develop your SEP you must meet with an academic counselor. Counselors are available at the SFS Counseling/Outreach office. To schedule an appointment with an SFS Counselor please call (951) 328-3690.

• Citizen or eligible non-citizen
To be eligible for federal and state financial assistance, you must be a US citizen or eligible non-citizen with proof of permanent residence (alien registration card, I-94 or I-551). Citizenship or permanent residency is not required to receive most scholarship aid.

• Return of Title IV funds
If you receive federal or state financial assistance and you drop or fail to successfully complete your courses you may need to REPAY a portion of your financial assistance. (See our Consumer Guide for more information regarding Return of Title IV Funds)

• Student cannot receive financial assistance at two institutions at the same time. (with exception of the Board of Governors (BOG) Fee Waiver)

• Satisfactory Academic Progress
All students must meet the SFS Satisfactory Academic Progress (SAP) standard to maintain financial aid eligibility. If you do not meet the SAP standard you will become ineligible for most types of financial assistance. If you are determined ineligible for financial aid due to your SAP, you have the right to appeal through the SFS Appeal process. The SAP standard is as follows:
- GPA – Maintain a cumulative Grade Point Average of 2.0.
- Completion percentage – Successfully complete at least 67% percent of all units attempted at RCCD
- Maximum amount of units – Eligibility for most types of financial assistance is limited to 90 units attempted at RCCD (total unit limit may vary depending on length of program).

• Contact information
Be sure to keep your mailing address, phone number and e-mail address current. This ensures that you will receive information regarding your financial aid in a timely manner. This information can be updated via Web Advisor or in person at the Admissions and Records office on any campus.

• Social Security number
Be sure that your Social Security number is on file with RCCD. We cannot process most types of financial assistance without your Social Security number on file.

• Disbursement and Deadline information
Deadlines for turning in required documents are found on our Disbursement schedule. Disbursement of financial assistance occurs after the student has completed the FAFSA and turned in all documents requested by the SFS office. For dates of deadlines and disbursement, please view our Consumer Guide on our website at www.rcc.edu/studentfinancialservices or pick a disbursement schedule up at one of our offices.

• Veterans: applying for financial assistance through the FAFSA application does not affect your GI Bill benefits. All veterans should apply for financial assistance by completing the FAFSA application online at www.fafsa.ed.gov. Please see the veterans section of this booklet for additional information.

You can find more information regarding Student Financial Services on our website at www.rcc.edu/studentfinancialservices. If you have any questions, please contact us by e-mail at studentfinancialservices@rccd.edu.

Riverside Community College District
Student Financial Services Office
“Helping to Build Dreams”

FOOD SERVICES
When school is in session, Food Services offers a variety of services. The Lions’ Den, located on the Moreno Valley campus, is a small convenience store with cold sandwiches, coffee, drinks and microwave items. Hours of operation are:

FALL – SPRING SCHEDULE
Lions’ Den/Moreno Valley Hours:
Mon – Thurs 7am – 8pm
Friday 7am – 1pm
Sat – Sun Closed

WINTER – SUMMER SCHEDULE
Lions’ Den/Moreno Valley Hours:
Mon – Thurs 7am – 8pm
Friday 7am - 1pm
Sat – Sun Closed

In addition, vending machines are conveniently located in the Lions’ Den.

HEALTH SERVICES
The Health Services office is located on each campus; in the Bradshaw building on the Riverside campus, the Student Services building on the Norco campus and PSC #6 on the Moreno Valley campus. The Riverside campus is open Monday through Thursday, 8:00 a.m. to 7:30 p.m., Fridays 8:00 a.m. to 4:00 p.m. The Moreno Valley and Norco campuses are open Monday through Thursday 8:00 a.m. to 4:00 p.m. and Fridays 8:00 a.m. to 12:00 p.m.

Services include emergency care, first aid, health counseling, health education, care for common health problems, evaluation and treatment by physicians, nurse practitioners, marriage and family counselors, and referral to appropriate agencies and professionals in the community by a college nurse.

Limited medical insurance is available against accidental injury while in class or while participating in a college sponsored event. All campus accidents should be reported immediately to the Health Services office. Voluntary, low cost medical and dental insurance is also available and may be purchased during the first month of the semester. Brochures for both insurance plans are available in the Health Services office.

We are here to serve you! Your medical records and all discussions with our staff are completely confidential.
HONORS PROGRAM
The Riverside Community College District offers an honors program at the Riverside City, Moreno Valley and Norco campuses. The Honors Program makes it possible for students to stretch themselves intellectually, actively work with fellow students and faculty in an environment that encourages them to improve their critical thinking, written and verbal communication skills to a university level, and to help them to cultivate an awareness and understanding of the diverse points of view necessary for a rich and productive intellectual environment. Perhaps the most valuable aspect of the Honors Program will be the enthusiastic learning environment created by Honors faculty and students, an environment we hope benefits not only honors students and faculty, but the college and greater community as well.

To be eligible for the program, current RCCD students need:
• 3.2 GPA in 9 transferrable units
• Eligibility for or completion of English 1A
• Completed Honors Program application

To be eligible for the program, incoming high school students and all other 1st time college students need:
• 3.25 GPA
• Eligibility for or completion of English 1A
• Completed RCCD application
• Completed Honors Program application

Benefits
The Honors Program offers several benefits to students who successfully complete individual honors classes or the six honors classes required to complete the program:
• Low student-teacher ratios. Honors classes have a maximum of 20 students and are taught seminar-style.
• Transfer agreements, including UCLA TAP.
• One-on-one mentoring and help from the honors coordinators and faculty in preparing applications for university admissions and scholarships.
• Workshops to help students prepare university and scholarship applications and application essays.
• Cultural activities, college visits, and other enrichment activities.
• A community of dedicated, motivated students and faculty.

For more information, contact: (951) 222-8779

INFORMATION CENTER
If you have news or information you want to give out for free, bring a copy to the Student Activities Office and it will be displayed on campus.

Posting Policy: Materials may be posted on bulletin boards and other authorized areas for a 10 day period by the Chief Student Services Officer of each campus or program location to prevent litter and overcrowding. The approval process is content neutral and only ensures that the literature will not be removed before the ten working day posting period expires. Only ten (10) flyers and two (2) posters may be approved. No materials should be posted on glass, windows, mirrors, doors, buildings, trees, wood, plaster interior, or exterior walls.

INTERNATIONAL EDUCATION
Riverside Community College District is dedicated to the concept of an internationally based education. The District supports a curriculum that includes the infusion of a global dimension throughout all subject areas to better prepare our students for success in the global community.

Through our college Study Abroad Program, students have the opportunity for quality cross-cultural academic experiences. Students are offered academic credit for fall semester in the “birthplace of the Renaissance,” Florence, Italy, spring semester in the “citadel of learning,” Oxford, England, as well as opportunities for academic study tours during the summer session.

INTERNATIONAL STUDENT CENTER
The Center for International Students and Programs administers the Student and Exchange Visitor Information System (SEVIS) reporting functions in compliance with Department of Homeland Security (DHS) regulations. The Center also organizes orientation classes, counseling and community activities for RCCD students coming from other countries. More than 250 students from 50 nations attend RCCD each semester. An International Club provides a broad range of activities on and off campus, including social events and opportunities for community service. Students may take classes at Riverside City, Moreno Valley and Norco campuses.

The Center also contributes to the international dimension of the campuses by presenting resource speakers from the United States and abroad who address current world issues.

JOB PLACEMENT SERVICES
Job Placement is an employment service provided by the district to assist students with their job search efforts. Job Placement is located in the Student Services building on the Moreno Valley campus. For additional information, you may contact the office by calling (951) 571-6414.

Some of the services offered are: Job referrals for Part-time and Full-time Employment, Resume Development, Interviewing Techniques, Mock Interviews, Job Counseling, Labor Market Information, Resource Materials, Job Search Workshops, Classroom Presentations, On-line Job Search and Annual Career Fairs and Recruitment Fairs.

LIBRARY/LEARNING RESOURCE CENTER (LLRC)
The Riverside Community College District offers quality library services at the Digital Library / Learning Resource Center (Riverside City College), the Moreno Valley Library (Moreno Valley campus), and the Wilfred Airey Library (Norco campus). Each library has book and multimedia collections to support college courses and the local community, as well as academic journals, magazines, and newspapers. Visit the libraries online at: http://library.rcc.edu

Hours for each library during the Fall and Spring semesters are:

**Digital Library / Learning Resource Center**
(Riverside City College)
Monday – Thursday: 7:30 a.m. – 9:00 p.m.
Friday: 7:30 a.m. – 4:00 p.m.
Saturday: 9:30 a.m. – 4:00 p.m.
Circulation Services: (951) 222-8651
Reference Desk: (951) 222-8652

**Moreno Valley Library** (Moreno Valley campus)
Monday – Thursday: 8:00 a.m. – 9:00 p.m.
Friday: 8:00 a.m. – 5:00 p.m.
Saturday: 9:30 a.m. – 4:00 p.m.
Circulation Services: (951) 571 – 6111
Reference Desk: (951) 571 – 6112
Wilfred Airey Library (Norco campus)
Monday-Thursday: 7:30 a.m. - 8:00 p.m.
Friday: 7:30 a.m. - 1:00 p.m.
Saturday: 8:00 a.m. - 4:00 p.m.
Circulation Services: (951) 372 – 7019
Reference Desk: (951) 372 – 7115

Summer and Winter intersession hours vary and are available at the libraries and website: http://library.rcc.edu.

The libraries provide research instruction, quiet study areas, and access to printers, photocopies, media playback equipment, and computers. Computers are equipped with Internet access and software for word processing, spreadsheets, and presentations. The RCCD College Card functions as the library card for students, faculty and staff. Community members may purchase a library card for $5.00 per session. Library faculty are available at the Reference Desk during hours of operation to provide research assistance and instruction to students and other library users.

THE RCCD FOUNDATION
Established in 1975, the RCCD Foundation, is a 501(c)(3) not for profit organization that was created to provide support for scholarships and other special projects to benefit the College and its students. Over the years, the RCCD Foundation has played a major role in the acquisition of land for the Moreno Valley Campus, the Early Childhood Studies building, the RCCD Art Gallery, Passport to College, the purchase of the RCCD Alumni House, and several other initiatives. Scholarship support remains a central mission of the RCCD Foundation. In 1991, the Foundation launched a successful $1 million Endowed Scholarship Campaign, one of the largest scholarship campaigns undertaken by a community college at the time. Today, thanks to tremendous support from individuals and businesses throughout the region, the Foundation’s assets total more than $4 million, with $300,000 distributed annually in scholarship support to incoming, continuing, and transferring students. In 2005 and 2006, an additional $1,000,000 in scholarships were awarded to students enrolled in the Passport to College program, a nationally recognized early outreach initiative.

Currently, the Foundation is in the early phase of a Major Gifts Campaign—Campaign RCC—to raise significant gifts for several initiatives of the District, including construction of the Riverside Aquatics Complex, equipment for the School of Nursing/Science Complex, Allied Health equipment for the Moreno Valley campus, and support for the construction management program at the Norco campus.

The Foundation encourages outright gifts, pledges and planned gifts to further the mission of the District.

The RCCD Foundation Office is located in the RCCD Alumni House. If you would like to learn more about the RCCD Foundation or you are interested in gift and scholarship opportunities, please call (951) 222-8626.

RCCD ALUMNI HOUSE
In 1998, the RCCD Board of Trustees and the RCCD Foundation Board of Directors approved the purchase of the historic Alabaster Home located at 3564 Ramona Drive and transformed the home into the RCCD Alumni House. The house overlooks the Riverside City campus, and serves as a gathering place for the community and college family—a place where traditions are celebrated and a legacy is built for future RCCD students. The upstairs rooms have been designated as offices for the RCCD Foundation. Downstairs rooms are regularly used for college and community meetings and events, as are the outside gardens. The RCCD Alumni House remains true to its heritage, preserving the many historic features found throughout the building. Offices located in the RCCD Alumni House are generally open Monday through Friday, 8 a.m.-5 p.m. For more information, please stop by or call the RCCD Foundation at (951) 222-8626.

RCCD ALUMNI BRICK CAMPAIGN
In 2003, the RCCD Foundation officially launched the Alumni Brick Campaign in the rear courtyard of the RCCD Alumni House. The courtyard creates a beautiful focal point in the home’s garden, and a visual testament to RCCD Alumni and friends of the college. For gifts of $100 or more, you can purchase a brick and have it personalized to commemorate your time at RCCD, honor a friend or loved one, or celebrate an important milestone. More than 400 engraved bricks already have been installed. Call (951) 222-8626 for additional information or to order your Alumni Brick today!

SOCIAL EVENTS
An extensive program of activities is provided by the ASRCC. A calendar of these events is maintained in the Riverside Bradshaw Center. New and exciting activities are always planned. Please stop by and find out how you can get involved. You may also check out our web site at www.rcc.edu/asrcc/index.cfm

CLUBS AND ORGANIZATIONS
The ASRCC sponsors many clubs/organizations. There are honorary, social services, professional and general interest clubs/organizations. Membership to these organizations is open to all paid members of the ASRCC. Students are encouraged to join campus organizations or form new organizations. Not all clubs listed here are currently active. The Clubs and Organizations Guide offers a complete listing of all campus clubs and procedures for starting a new club. Club guides are available in the Student Activities/Government offices. Contact the Moreno Valley campus Student Activities Coordinator for more information: (951) 571-6149.

Students for Christ
Riverside Community College District is committed to a strong co-curricular program which is intended to complement the instructional program by offering a broader educational experience providing two “activity hours” per week: Tuesday/Thursday 12:50 - 1:50 pm. During College Hour, an extensive program of activities (e.g., lectures, films) is provided by the ASMV. A master calendar of these events is maintained in the Student Activities Office.

DEAN OF STUDENT SERVICES
Many student services and student government activities are the responsibility of the Campus Dean of Student Services. The Student Activities Coordinator is located in the Student Activities Office.

EDUCATIONAL SERVICE-SOCIAL
Student clubs and organizations give a major part of their time for improvement of the campus and community through service projects. Although social events are planned throughout the year, the primary goal is to maintain high scholastic standards. Clubs and organizations also exist to provide various kinds of service to the college and to the larger community as well.

FERPA
Students have the right to stop the use of their social security number in a manner otherwise prohibited by submitting a written request to Admissions with photo identification.

HONOR SOCIETY
Riverside Community College District had its own honor society from 1921 until 1953. In the spring of that year, the college was granted membership in Alpha Gamma Sigma, The California community college honor society. Alpha Gamma Sigma chapter of Riverside Community College was granted its charter on May 8, 1953.

Entering freshmen may join Alpha Gamma Sigma on the Moreno Valley campus with a temporary membership if they are life members of the California Scholarship Federation. Riverside Community College District students are eligible with a cumulative Riverside Community College District grade point average (GPA) of 3.0 or above.

SMOKING POLICY
The Moreno Valley campus is a smoke-free campus. Smoking of any form of tobacco or non-tobacco products is prohibited at any activity or athletic event and on all property owned, leased, or rented by or from the Moreno Valley campus.

STUDENT ACTIVITIES OFFICE
The Student Activities Office is rich with activities, events, information, and resources, and acts as a focal point for service and leadership development programs.

Programs and Services
- Support for the Associated Students of Riverside Community College District
- Support for campus clubs and organizations
- Campus social, recreational, cultural, and educational programming
- Community service and volunteer activities
- Leadership development opportunities
- On-campus events

These services enhance the educational experience of students and foster social, intellectual, and physical growth. The staff is firmly committed to actively promoting student involvement and development.

STUDENT GOVERNMENT
Riverside Community College District has one of the most active student government programs in the country. In addition, the Associated Students produce a Homecoming extravaganza, Halloween Valley, and many other successful activities.

The student government is responsible for representing the social, political, and educational concerns of our students. The main purpose of student government is to provide student leaders with skills beyond what they learn in the classroom. Interpersonal communication, budget control, entrepreneurial skills, creativity, and activity planning are just a few of the skills that our very active student leaders learn.

Students can become involved in ASMV either by running for office or by applying for the various appointive positions, committees or by becoming involved in a wide range of other activities.

Riverside Community College District strongly encourages student participation. Students who wish to become involved should visit the Student Activities Center.

STUDENT EMPLOYMENT SERVICES
The Student Employment Program helps students earn money to pay for their educational expenses by working part-time (up to 20 hours per week). Hourly pay rates vary and currently start at the current federal minimum wage (currently $8.00 per hour); however, some positions may start at a higher rate of pay. The benefits of student employment include:

- Helps students earn money to pay educational expenses
- Helps students gain work experience
- Helps students pay for educational expenses
- Helps students gain work experience

There are multiple types of employment through the Student Employment Program:

1. Federal Work Study (FWS)
   Students must:
   - Have completed the Free Application for Federal Student Aid (FAFSA) which can be completed online at www.fafsa.ed.gov.
   - Have completed their financial aid file.
   - Have been determined eligible for financial aid.
   - Meet the Student Financial Services Satisfactory Academic Progress standard.
   - Maintain at least 6 units (Fall and Spring) and 3 units (Winter or Summer).
   - Maintain a minimum 2.0 CGPA.

   Students have the potential to be awarded and earn up to $4,000 during a fiscal year (July 1st through June 30th).

Types of FWS Programs
- On Campus Positions
- Off Campus Positions
  1. America Reads
  2. America Counts
  3. Community Service
  4. Literacy
2. District (non-work study) Employment

These positions are available on each campus throughout the district and do not require the completion of the FAFSA. Earnings are paid from a department’s budget.

Students must:
- Maintain at least 6 units (Fall and Spring) and 3 units (Winter or Summer).
- Maintain a minimum 2.0 CGPA.

Students must have a valid social security card and picture ID with the same name in which they register for classes, along with completing additional documentation for an FWS or District position. For more information please refer to our website www.rcc.edu/services/workforce.

Federal Work Study and District positions may be viewed at www.jobs.rcc.edu 24 hours a day, seven days a week.

3. CalWORKs Work Study

The CalWORKs Work Study program connects eligible CalWORKs students to entry level employment opportunities related to their course of study. The focus is to link employers to students who can learn initial job skills and maintain long-term employment directed toward career development while continuing their college course work. CalWORKs Work Study sites are primarily off-campus.

Students must:
- Be enrolled in at least one unit.
- Maintain a minimum 2.0 CGPA.
- Maintain eligibility with GAIN.

TEACHER PREPARATION AND EDUCATION PROGRAMS

The Teacher Preparation and Education Programs vision statement is that all Future Teachers in Action (FTA) students will attain the highest level of academic knowledge, learning applications, performance skills and professional integrity necessary to ensure fulfilling personal lives and exemplary careers in education. The innovative educational opportunities and comprehensive services described below are offered through the Office of Teacher Preparation and Education Programs to empower a diverse community of learners toward individual achievement, success, and life long learning.

Service Learning is embedded throughout all the Teacher Preparation programs because it provides students with opportunities to put academic theories into practice through experiential learning, and foster civic engagement through service to the community. Service Learning is a teaching method that combines meaningful service to the community with curriculum-based learning. Students learn to build strong academic skills, accommodate many different learning styles, improve workplace skills, and enhance personal development.

In addition to the programs offered on the Moreno Valley campus, the Innovative Learning Center in tandem with Alvord District Stokoe Elementary School offers a state of the art teacher preparation learning environment and laboratory for college students who want careers in education. This center offers opportunities for college students to observe classrooms taught by master teachers using state of the art technology and innovative teaching strategies. Students may also participate in the classroom through service learning programs offered in education classes. The center also has classrooms for college classes in general education and education courses.

For more information call the office at (951) 222-8927 or go to the website www.rccteacherprep.com. For the Teacher Preparation Academic counselor, please call (951) 571-6104.

TUTORIAL SERVICES

Why should you come for tutoring?
- You can increase your independence as a learner
- You can use your limited study time more effectively
- Individual and group sessions are offered
- Tutoring is free to RCCD students
- You can receive up to 3 hours per week/per subject
- Our tutors not only deliver content information, they motivate, coach, challenge and provide feedback to you.

Tutoring sessions are led by qualified tutors who received an “A” or “B” in the respective courses for which they choose to tutor. They reinforce specific course material emphasized by the professors and use their own successful student experiences to integrate what-to-learn with how-to-learn. All of our tutors come highly recommended by the college’s faculty members.

Subject areas offered for tutoring change each semester, but may include math, chemistry, history, psychology, physics, biology, anatomy and physiology, sociology, business administration, computer information, Spanish, French, and many more.

Tutorial Services is here to provide a supportive learning environment to all of our students seeking academic support. We strive to help our students develop the skills necessary to be a successful student and to be prepared for a successful career after graduation.

How To Obtain Tutoring Services

If you are in need of a tutor, please follow these simple steps to secure your appointment.
- Stop by the office or call to see if a tutor is available in the subject area you need help in.
- Be prepared to give the days and times you are available to receive tutoring.
- Make an appointment with the tutor by coming in or calling the office.
- Meet with your tutor during your appointment time on campus.

How To Become A Tutor

Tutoring offers a great opportunity to earn while you learn! Tutors must have passed the class(es) they are tutoring in with at least a “B” grade or higher and:
- Maintain a GPA of 2.0 or higher each semester
- Complete and submit a student application
- Follow Tutorial Policies and Procedures
- Submit Faculty Recommendation(s) completed by RCCD instructors
- Submit a hire packet to Student Employment
- Enjoy working with and helping others
- Have a positive attitude and enjoy being part of a team
- Maintain enrollment in a minimum of 6 units if actively tutoring during the fall or spring terms
Students interested in becoming employed as tutors are welcome to apply. Services available include:

- CalWORKs students enrolling each week received support services through the CalWORKs Program with new in school and the workplace students so that support services can be provided to ensure their success.

Preparation staff continues to seek additional CalWORKs-eligible poverty and dependency without such assistance students could not get the education they need to break the cycle of poverty and dependency without such assistance. Many current CalWORKs students could not get the education they need to break the cycle of poverty and dependency without such assistance. The Workforce Preparation staff continues to seek additional CalWORKs-eligible students so that support services can be provided to ensure their success in school and the workplace. To date, more than 4,800 students have received support services through the CalWORKs Program with new CalWORKs students enrolling each week.

Services available include:

- Career and academic counseling
- Educational and occupational assessments
- Priority registration
- Intensive case management
- Work Study opportunities
- Job placement
- Skill-building courses
- Parenting and wellness resources

Through the Riverside County GAIN program, CalWORKs students participating in approved welfare-to-work plans, may receive supplemental services such as:

- Childcare
- Transportation
- Textbooks and materials
- Parking permits

Services are available at the Moreno Valley campus. For more information call (951) 571-6154.

**Skills Classes**

The Skills Classes are open to all students through out most of the semester. Workforce Preparation offers open-entry Skills Classes in reading, writing, math and computer applications technologies, to enhance success in the workplace and in further college courses. The skills classes are presented in a student-paced, instructor-led format with multiple entry dates every week throughout most of the semester. Depending upon the class, there are multiple course offerings per day. Instructors are student-centered and class sizes are relatively small. We serve a diverse student population who seek to develop workplace skills through occupational training, degree, or transfer programs. The Skills Classes are offered on the Moreno Valley campus. For more information, please see the schedule of classes or call (951) 571-6154.

**TANF-Child Development Careers (TANF-CDC) Program**

Workforce Preparation offers the TANF-Child Development Careers (TANF-CDC) Program, funded through the Foundation for California Community Colleges. The TANF-CDC Program is designed to integrate the education and training of CalWORKS recipients pursuing a Preschool Teacher Permit. Individuals eligible to receive the TANF-CDC Program services are CalWorks students who are pursuing careers in early childhood education.

TANF-CDC Program services may include:

- Transportation assistance
- Textbooks and materials
- Parking permits
- Incentives
- Special topics workshops
- Assistance with fingerprinting and permit fees

The goal of the TANF-CDC Program is to train eligible CalWORKs recipients to become California credentialed preschool teachers. For more information call (951) 571-6154.

**Foster/Kinship Care Education (FKCE) Program**

The Foster and Kinship Care Education Program (FKCE) provides the continuing training/education hours that foster parents are mandated to receive each year, in order to retain their license with the County of Riverside. Relative (grandparents, aunts, etc) caregivers are not required to attend training, but are strongly encouraged to do so. RCCD provides a minimum of 150 training hours each year on topics including, but not limited to, child development, attachment, impact of abuse and neglect, special needs children, positive discipline, self esteem, etc. Classes are open to others who care for children as well (childcare providers, teachers, parents, group home staff, social workers, etc), and are provided free of charge. Workshops are held both mornings and evenings at off-campus locations throughout Riverside County. Classes in Spanish are also offered. For more information call (951) 571-6154.

**Independent Living Program**

The Independent Living Program at Riverside Community College District (ILP@RCC) is a collaborative effort between the County of Riverside Department of Public Social Services and RCCD Workforce Preparation. This unique program is designed to provide current and former foster youth, ages 16-21, with a “hands-on” approach to life-skills training through workshops offered in a variety of areas such as foster care with preparing for academic achievement, employment, and attaining financial independence. The programs directed by Workforce Preparation include the CalWORKs Program, the Workforce Preparation Skills Classes, TANF-Child Development Careers Program (TANF-CDC), Foster and Kinship Care Education Program, Riverside Gateway to College Early College High School, and the Independent Living Program at Riverside Community College Program (ILP@RCC).
as: education and career goals, money management, health and safety issues, employment and personal development. In addition, ILP@RCC serves as a transitional support program, providing services such as bus passes, emergency food and housing, rental assistance, college book services, mentoring and personal support; as well as help with many of the basic necessities former foster youth may experience as they transition out of the foster care system. The program is committed to providing customized support services that meet the educational, personal growth and employment preparation needs of all current and former foster youth living throughout Riverside County. For more information, please contact the Program Director by telephone at (951) 222-8445 or e-mail at ILP@RCC.edu. Information can also be obtained by visiting our website at http://www.rcc.edu/services/workforce/ilp.cfm.

California High School Exit Exam Preparation Program (CAHSEE)
The CAHSEE Preparation Program is designed to assist students who did not graduate from high school and need to pass the California High School Exit Exam (CAHSEE). The CAHSEE Preparation Program consists of non-credit coursework that prepares learners to build foundational skills, successfully pass the CAHSEE, and develop a high school completion and community college educational plan. For more information please call (951) 571-6154.
Section III

GRADUATION REQUIREMENTS
ASSOCIATE DEGREE

PHILOSOPHY FOR THE ASSOCIATE DEGREE

The awarding of an associate degree is intended to represent more than an accumulation of units. It symbolizes the successful attempt on the part of the district to lead students through patterns of learning experiences designed to develop certain capabilities and insights. Among these are the ability to think and to communicate clearly and effectively, both orally and in writing; to use mathematics; to understand the modes of inquiry of the major disciplines; to be aware of other cultures and times; to achieve insights gained through experience in thinking about ethical problems; and to develop the capacity for self-understanding.

GRADUATION REQUIREMENTS FOR THE ASSOCIATE DEGREE

All programs of study leading to completion of a Certificate, A.S. degree, or A.A. degree require careful planning with the assistance of a counselor from the beginning. Students interested in career and technical education (formerly occupational education) will want to follow the requirements of a specific certificate or A.S. degree leading directly to a career. Students who plan to transfer to a bachelor's degree granting institution should consult a counselor to determine the specific courses required for admission to their four-year institution of choice.

Students may earn an A.A. / A.S. degree with an emphasis in one of the eight areas of emphasis and enter the workplace or transfer to a four-year institution with enhanced skills in critical thinking and written and oral communication. Students intending to transfer to a bachelor's degree granting institution can use one of these eight areas to fulfill many lower division major requirements while taking additional transferable courses in closely related areas of study.

The governing board of Riverside Community College District shall confer the degree of associate in one of the eight areas of emphasis upon the student who has demonstrated competence and who has completed the following requirements:

I. RESIDENCE REQUIREMENT

In order to receive an A.A. / A.S. degree from Riverside Community College District, a student must complete 15 units in residence at any campus within the Riverside Community College District. To receive a certificate, a student must complete a minimum of fifty percent (50%) of the required units at Riverside Community College District.

II. ACADEMIC COURSEWORK TAKEN AT OTHER COLLEGES AND UNIVERSITIES

Official transcripts from all schools and colleges attended must be dated within the preceding 90 days/3 months, be in their original sealed envelope, and be submitted to the Admissions and Records office. Course credit is accepted from all regionally accredited institutions as listed in the AACRAO Handbook. Credits from institutions, which are in candidacy status, will be accepted after full accreditation is granted. The two years preceding full accreditation will also be applicable towards the A.A. / A.S. Degree. Honors for graduation will be calculated in the same manner.

III. GRADE POINT AVERAGE REQUIREMENT

A student must have a minimum grade point average of not less than 2.0 (“C” average) in work taken at Riverside Community College District. In addition, overall grade point average, including units from both RCCD and work attempted at all accredited colleges attended, must be not less than 2.0.

IV. UNIT REQUIREMENT

The associate degree requires a minimum of 60 units of college work, of which 18 semester units are in one of the eight areas of emphasis listed below. Students must also complete a minimum of 23 semester units (see section VI. General Education Requirements) in the following categories: Natural Sciences (3 units), Social and Behavioral Sciences (6 units), Humanities (3 units), Language and Rationality (10 units).

While students wishing to transfer to a four-year university can fulfill the transfer requirements by completing a certificate of achievement in California State University General Education (CSUGE) or in Intersegmental General Education Transfer Curriculum (IGETC), they are encouraged to complete an associate degree.

ASSOCIATE OF ARTS

ADMINISTRATION AND INFORMATION SYSTEMS

Administration/Information Systems entails the study of theories, procedures and practices and the acquisition of skills necessary to function productively and effectively in an administrative work environment. Career paths chosen by students pursuing undergraduate studies in Administration/Information Systems typically include managerial positions in business and the public sector, administrative support positions, customer service, sales, accounting/bookkeeping and public relations.

Students completing associate degrees in Administration/Information Systems may obtain entry-level positions in the above career fields or may choose to transfer to a four-year college or university to pursue a bachelor's degree in business, accounting, public administration, management information systems or related fields.

PROGRAM LEARNING OUTCOMES:

Students possessing an associate degree in Administration/Information Systems can be expected to demonstrate achievement of the following learning outcomes:

1. Categorize basic administrative terms, theories and principles;
2. Demonstrate basic understanding of economic systems, i.e., the manner in which goods are produced and distributed in a society and the means by which economic growth is achieved and sustained;
3. Understand and apply fundamental management principles, such as profit/loss, balancing accounts, conflict resolution, effective customer relations and time management;
4. Perform functions such as preparation of memoranda, utilization of spreadsheets, adherence to schedules and responding effectively to changes in the work environment;
5. Implement the fundamental concepts from courses in business, public administration, economics and/or information systems; and

The student must successfully complete 18 units of study.
Included Disciplines and Courses:

Required Courses (9 units, selected from the following):

- Accounting (ACC): 1A
- Business Administration (BUS): 10, **18A
- Computer Information Systems (CIS): 1A
- Economics (ECO): 7, 7H, 8
- Political Science (POL): 8

Electives Courses (9 additional units, selected from the following):

- Accounting (ACC): 1A, 1B, 38
- Business Administration (BUS): 10, **18A, **18B, *20, 22
- Computer Information Systems (CIS): 1A, 1B, 2, 3, 5
- Computer Applications and Office Technology (CAT): 3, 31
- Economics (ECO): 4, 6, 7, 7H, 8
- Library (LIB): 1
- Management (MAG): 44
- Marketing (MKT): 20
- Political Science (POL): 6, 8
- Speech Communications (SPE): 1, 1H, 6, 9, 9H, 12, 13

A course may only be counted once.

**Credit limitation:** UC will accept a maximum of one course for transfer.

Communication, Media, and Languages

Communications is the study of how humans construct meanings through interactions. Courses in this area may focus on the knowledge and skills needed to communicate effectively in oral, written, or visual forms; on the study of language and culture; and/or on a critical understanding of the structures and patterns of different kinds of communication as they affect individuals and society. Studies in Communication, Media, and Languages is designed for students interested in pursuing further studies in English, Journalism, Mass Communication, Media Studies, Speech Communication, and World Languages at four-year colleges and universities. It may be useful for students interested in pursuing careers in communications, graphic design, journalism, law, marketing, public relations, radio and television, translating, and writing, among others.

Program Learning Outcomes:

Students possessing an associate degree in Communication, Media and Languages can be expected to demonstrate achievement of the following learning outcomes:

1. Analyze college level texts to understand and apply themes and evidence in appropriate communication formats.
2. Evaluate purpose and audience to create well-developed, supported, and stylistically fluent responses in written or verbal form.
3. Evaluate and apply appropriate evidence in support of arguments made in different forms of communication.
4. Recognize and understand the role of nonverbal, verbal, interpersonal, visual, mass media, and cultural indicators inherent in different communication mediums.
5. Understand how socioeconomic and cultural factors work in constructing knowledge in different forms of communication.

6. Use a variety of research methods to collect and evaluate sources and evidence to apply in various forms of communication.

The student must successfully complete 18 units of study across 3 disciplines; 9 units must be taken in a single discipline.

Included Disciplines and Courses:

Anthropology (ANT): 8
- Applied Digital Media (ADM): 1
- English (ENG): 1A, 1AH, 1B, 1BH, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 21, 22, 23, 25, 26, 30, 35, 37, 38, 39, 40, 41, 44, 45, 48, 49
- Film, Television and Video (FTV): 12, 44, 45, 65
- Journalism (JOU): 1, 2, 7, 12, 20, 45, 52
- Library (LIB): 1
- Photography (PHO): 12
- Speech Communication (SPE): 1, 1H, 2, 3A, 5, 6, 7, 9, 9H, 10A, 10B, 11, 12, 13, 19
- World Languages includes:
  - Arabic (ARA): 1, 2, 3, 8, 11
  - American Sign Language (AML): 1, 2, 3, 4, 5, 10, 11, 12, 13, 14, 20, 21, 22, 23
  - Chinese (CHI): 1, 2, 11
  - French (FRE): 1, 2, 3, 4, 8, 11
  - German (GER): 1, 2, 3, 4, 11
  - Greek (GRK): 1, 2
  - Italian (ITA): 1, 2, 3, 11
  - Japanese (JPN): 1, 2, 3, 4, 11
  - Korean (KOR): 1, 2, 11
  - Latin (LAT): 1, 2
  - Portuguese (POR): 1, 2
  - Russian (RUS): 1, 2, 3, 11
  - Spanish (SPA): 1, 1A, 1B, 1H, 2, 2H, 3, 3N, 4, 8, 11, 12, 13, *51, *52, *53

Fine and Applied Arts

The Associate Degree in Fine and Applied Arts offers a rich variety of courses to acquaint students with the creation of and performance in the arts from a global perspective. The courses in this area examine the nature of the fine and applied arts through analysis, synthesis, composition, performance and technical development. Students will develop techniques appropriate to the art form, engage in the production and performance of the arts, examine aesthetic valuing, and participate in creative expression.

This area of emphasis is designed for students interested in exploring a variety of art forms including digital media, creative writing, dance, film, graphic design, music, photography, speech communication, television, theatre, video and the visual arts.

Program Learning Outcomes:

Students possessing an Associate of Arts degree in Fine and Applied Arts can be expected to demonstrate achievement of the following program learning outcomes:

1. Demonstrate basic knowledge and skills (technique) in one discipline of the fine and applied arts. These include fundamentals of the field in terms of practice, history, analysis and their applications and technical ability in one discipline to create, sustain, and evolve a personal vision and/or purpose.
2. Develop a personal vision and/or purpose—sometimes called “artistic voice”—that is evident in terms of work produced and manifested in a portfolio, performance or other presentation.

3. Generate and apply original ideas and methods to discover, create and communicate specific artistic content.

4. Demonstrate conceptual acuity, clarity, imagination, and technical ability to combine, integrate, and synthesize elements into works in ways that enhance their communicative powers.

The student must successfully complete 18 units of study across a maximum of 3 disciplines with 9 units from a single discipline.

INCLUDED DISCIPLINES AND COURSES:

Art (ART): 1, 2, 5, 6, 6H, 7, 8, 9, 10, 12, 15, 15A, 15B, 16, 17, 18, 20, 21, 22, 23, 24, 25, 26, 27, 28, 30, 34, 35, 36, 38, 39, 40, 41, 42, 43, 44, 45, 46, 47, 48, 49, 200

Dance (DAN): 3, 4, 5, 6, 7, 8, 9, D9, D10, D11, D12, D13, D14, D15, D16, D17, D18, D19, D20, D21, D22, D23, D24, D25, D30, D32, D37, D38, D39, D43, D44, D45, D46, D47, D48, D49, D51, D60

English (ENG): 1, 1H, 2, 3, 4, 5, 6, 6H, 7, 7H, 8, 9, 14, 15, 21, 22, 25, 26, 28, 29, 30, 31, 34, 35, 36, 37, 38, 39, 41, 44, 46, 48, 49, 50, 51, 52, 53, 54, 55, 57, 61, 65, 67, 69, 70, 71, 72

Film, Television, and Video (FTV): 38, 41, 42, 43, 44, 45, 46, 48, 51, 52, 53, 60, 64, 65, 66, 67, 68, 69, 70, 71, 72

Photography (PHO): 8, 9, 10, 17, 20, 200

Speech Communication (SPE): 1, 1H, 2, 3A, 7, 10, 11, 19

Theatre (THE): 2, 3, 4, 5, 6, 25, 26, 29, 30, 32, 33, 34, 35, 36, 37, 38, 39, 41, 44, 46, 48, 49, 50, 51, 52, 54

HUMANITIES, PHILOSOPHY, AND ARTS

Humanities, Philosophy, and Arts examines human values and experience within a wide range of cultures, across the globe, and over the course of history. Students will study, interpret, and evaluate classic works in architecture, art, literature, music, philosophy, religion, rhetoric and the theater, and they will encounter questions to which there are multiple plausible answers. The study of language, philosophy, and rhetoric provides crucial tools for understanding and interpreting human knowledge and experience. Students pursuing the program in the Humanities, Philosophy, and Arts will enhance their skills in critical thinking and both oral and written communication. The Humanities, Philosophy, and Arts program prepares students for further study in the arts, history, humanities, literature, philosophy, speech communication and/or world languages at a four-year baccalaureate institution and provides an excellent foundation for students interested in administration, communications, law, public service, and teaching.

PROGRAM LEARNING OUTCOMES:

Upon completion of this program, students will be able to:

1. Interpret key philosophical, religious and literary texts, as well as creative works, in historical and cultural contexts and express that interpretation persuasively in oral and/or written form.

The student must successfully complete 18 units of study across 3 disciplines; 9 units must be taken in a single discipline. Up to 3 units may be taken in a studio course.

INCLUDED DISCIPLINES AND COURSES:

Anthropology (ANT): 7, 8

Architecture (ARE): 36

Art (ART): 1, 2, 5, 6, 6H, 7, 8, 9, 10, 12

Dance (DAN): 3, 6

English (ENG): 1B, 1BH, 6, 7, 8, 9, 10, 14, 15, 16, 18, 21, 22, 23, 25, 26, 30, 35, 37, 40, 41, 44, 45, 48

Film, Television and Video (FTV): 12, 65

History (HIS): 1, 2, 4, 5, 6, 6H, 7, 7H, 8, 9, 14, 15, 21, 22, 25, 26, 28, 29, 30, 31, 34, 35

Humanities (HUM): 4, 4H, 5, 5H, 8, 9, 10, 10H, 11, 16, 18, 23, 35

Library (LIB): 1

Music (MUS): 19, 20, 21, 22, 25, 26, 89

Philosophy (PHI): 10, 10H, 12, 13, 14, 15, 19, 20, 21, 22, 32, 33, 35

Political Science (POL): 11

Speech Communication (SPE): 1, 1H, 2, 3A, 5, 7, 9, 9H, 11, 12, 13, 19

Theatre (THE): 3, 29

World Language, including:

Arabic (ARA): 1, 2, 3, 8, 11

American Sign Language (AML): 1, 2, 3, 4, 5, 10, 11, 12, 13, 14, 20, 21, 22, 23

Chinese (CHI): 1, 2, 11

French (FRE): 1, 2, 3, 4, 8, 11

German (GER): 1, 2, 3, 4, 11

Greek (GRK): 1, 2

Italian (ITA): 1, 2, 3, 11

Japanese (JPN): 1, 2, 3, 4, 11

Korean (KOR): 1, 2, 11

Latin (LAT): 1, 2

Portuguese (POR): 1, 2

Russian (RUS): 1, 2, 3, 11

Spanish (SPA): 1, 1A, 1B, 1H, 2, 2H, 3, 3N, 4, 8, 11, 12, 13, 51, 52, 53, 85, 86, 97

Applicable studio courses include (Note that some classes are less than three units.):

Art (ART): 15, 15A, 15B, 16, 17, 18, 20, 21, 22, 23, 24, 25, 26, 27, 28, 30, 34, 35, 36, 38, 39, 40, 41, 42, 43, 44, 45, 46, 47, 48, 49, 200

Dance (DAN): 7, 8, 9, D9, D10, D11, D12, D13, D14, D15, D16, D17, D18, D19, D20, D21, D22, D23, D24, D25, D30, D32, D37, D38, D39, D43, D44, D45, D46, D47, D48, D49, D51, D60-67

English (ENG): 11, 12, 17, 38

Music (MUS): 38, 39, P12

Speech Communication (SPE): 10A, 10B

Theatre (THE): 2, 4, 5, 6, 25, 26, 30, 32, 33, 34, 35, 36, 37, 38, 41, 50, 51, 52, 54
PHYSICAL EDUCATION, HEALTH AND WELLNESS

These courses emphasize the principles for the growth and development of a healthy lifestyle. Students will acquire the knowledge and understanding of these principles to integrate and promote personal, individual or group behavior conducive to the maintenance or restoration of mental and physical wellness. This emphasis will provide students with an understanding of physical skills and their development related to physical activity, exercise and sport. Students will also acquire knowledge of decision making and problem solving strategies for self-management as it pertains to leading a productive and healthful lifestyle. This area of emphasis is designed for students interested in making positive life choices and in the study of health, nutrition, and wellness; physical education/kinesiology; athletic training; sport performance, officiating and coaching; career planning and life management; and the biology, anatomy and physiology of the human body.

Students who work closely with their counselor may use this emphasis area to prepare to transfer to four year institutions in majors such as Health Science, Nutrition, Physical Education/Kinesiology, Exercise Science, and Recreation and Leisure Studies. Some careers such as Athletic Trainer, Physical Therapist, Exercise Physiologist, Sport Nutritionist, and Physical Education and Health Education teachers may require education beyond the Bachelor's Degree.

PROGRAM LEARNING OUTCOMES:
Upon completion of this emphasis area, the student will be able to:

1. Demonstrate understanding of the impact life choices have on overall human health and apply this knowledge to maintain healthful living appropriate to the situation.
2. Recognize the positive impact of physical activity in fostering optimal health and apply this knowledge to lifestyle choices.
3. Recognize and understand the role of individual decision-making processes to the development of strategies concerning personal health and wellness.

The student must successfully complete 18 units of study.

INCLUDED DISCIPLINES AND COURSES:

Required Courses (take 3 units in each of the two disciplines):
Health Science (HES): 1
Physical Education/academic courses (PHP): 4, 6, 8, 10, 12, 16, 17, 18, 24, 25, 26, 27, 28, 29, 30, 33, 34, 35, 36, 38, 47

Elective Courses (12 additional units, selected from the following):
Anatomy and Physiology (AMY): 2A, 2B, 10
Biology (BIO): 17, 30, 34
Early Childhood Education (EAR): 26
Guidance (GUI): 45, 46, 47, 48
Physical Education/academic courses (PHP): 4, 6, 8, 10, 12, 16, 17, 18, 24, 25, 26, 27, 28, 29, 30, 33, 34, 35, 36, 38, 47

The student must successfully complete 18 units of study across a minimum of 3 disciplines listed below.

SOCIAL AND BEHAVIORAL STUDIES

Social and Behavioral Studies is a collection of academic disciplines dedicated to the scholarly study of the human experience. As a comprehensive and multidisciplinary area of study, Social and Behavioral Studies will afford the student an opportunity to explore and examine the nature and multitude of interactive relationships amongst and between individuals and between the individual and their social environment; ranging from the development of the individual, to the nuances of interpersonal interaction, to the dynamic structures of national and global communities. Ultimately, the student of Social and Behavioral Studies will gain a heightened awareness of the nature of their individuality, attain a greater understanding and appreciation of the complexities and diversity of the world in which they live and, become better equipped to succeed in an increasingly diverse and complex society.

Career paths typically chosen by undergraduate students emphasizing Social and Behavioral Studies include: Law Enforcement, Law, Human Relations, Human Resources, Social Work, Professional Childcare and Public Service Agencies, Teaching across the educational and academic spectrum, Consultation in the public and private sectors, Governmental Advisors, Speechwriting, and both domestic and international business professions.

PROGRAM LEARNING OUTCOMES:
Upon completion of this area of emphasis, the successful student should be able to:

1. Demonstrate a knowledge and understanding that the development, maintenance, and adaptation of the individual self and the personality is a product of the interaction between the individual and their social environment.
2. Demonstrate a breadth of knowledge of the social and cultural environments at the local, regional and global levels.
3. Demonstrate a working knowledge of the many facets and intricacies of social interaction from the intrapersonal, to the interpersonal to the societal levels.
4. Demonstrate an ability to apply the theories and principles of human development, human interaction, cultural diversity, and global awareness to their everyday lives.

The student must successfully complete 18 units of study across a minimum of 3 disciplines listed below.

INCLUDED DISCIPLINES AND COURSES:
Administration of Justice/Justice Studies (ADJ): 1, 2, 3, 4, 5, 8, 9, 13, 14, 15, 30
Administration of Justice/Law Enforcement (ADJ): 6, 16, 18, 20, 21, 22, 23, 25
Anthropology (ANT): 1, 2, 3, 4, 5, 6, 7, 8, 10, 21
Border Studies (BOR): 31
Early Childhood Education (EAR): 19, 20, 28, 33, 40 42, 43, 47
Economics (ECO): 4, 5, 6, 7, 7H, 8
Geography (GEG): 2, 3, 4, 6
Human Services (HMS): 4, 5, 6, 7, 8, 13, 14, 16, 18, 19
Library Science (LIB): 1
Political Science (POL): 1, 1H, 2H, 3, 4, 4H, 5, 6, 7ABCD, 8, 10A, 10B, 10C, 10D, 11, 12, 13, 14
Psychology (PSY): 1, 9, 33, 35
Sociology (SOC): 1, 2, 3, 10, 12, 15, 20, 22, 35, 45, 49
Speech Communication (SPE): 1, 1H, 2, 3A, 5, 6, 9, 9H, 10A, 10B, 12, 13

All courses in regular font are transferable to CSU with the courses in bold being transferable to both CSU and UC. Courses designated with a (*) are not transferable.

ASSOCIATE OF SCIENCE
CAREER AND TECHNICAL PROGRAMS
The Associate of Science Degree in Career and Technical Programs will be awarded upon completion of the requirements for the certificate or program of 18 units or more plus completion of the graduation requirements as described in the catalog, as well as electives, totaling 60 units of college work as required for the associate degree. Specific requirements for each program are listed in pages 65-94 of the catalog.

MATH AND SCIENCE
These courses emphasize the natural sciences, which examine the physical universe, its life forms, and its natural phenomena. Courses in Math emphasize mathematical, analytical, and reasoning skills beyond the level of intermediate algebra. Courses in science emphasize an understanding of the process of science and the scientific method. All courses emphasize the use of mathematics and science as investigative tools, the role of mathematics and science as part of human civilization and society, and the inherent value of both inductive and deductive reasoning as part of the human experience.

This area of emphasis is designed for general education students, as well as students interested in mathematics or sciences as a possible career path, with career opportunities included in mathematics, chemistry, physics, biology, ecological/earth sciences, geology, engineering, computer science, electronics, oceanography, microbiology, kinesiology/exercise science and the medical sciences.

PROGRAM LEARNING OUTCOMES:
Students possessing an associate degree in Math and Science can be expected to demonstrate achievement of the following learning outcomes:

1. Apply the basic operations of mathematics on the set of real and complex numbers, expressions, and equations.

2. Apply the principles of the scientific method, including the use of inductive and deductive reasoning to pose, test, and accept or reject hypothesis.

3. Recognize and determine the role of mathematics and the sciences as investigative and reasoning tools of human societies.

The student must successfully complete 18 units of study.

INCLUDED DISCIPLINES AND COURSES:
Required Courses (Take one course in each of the 3 categories, including one course with a lab):
Mathematics (MAT): 1A, 4, 5, 10, 11, 12, 12H, 25
Physical Sciences: Astronomy (AST) 1A, Chemistry (CHE) 1A, 1AH, 2A, 10, Geography (GEG) 1, 1H, 1L, Geology (GEO) 1, 1L, 3, Oceanography (OCE) 1, Physical Science (PHS) 1, Physics (PHY) 2A, 4A
Life Sciences: Anatomy (AMY) 2A, Biology (BIO) 1, 2A, 5, 7, 8, 9, 11, 34, 36, Microbiology (MIC) 1

Elective Courses (The remaining units may be taken from any of the following courses):
Anatomy and Physiology (AMY): 2A, 2B, 10
Anthropology (ANT): 1
Astronomy (AST): 1A, 1B
Biology (BIO): 1, 2A, 2B, 3, 5, 6, 7, 8, 9, 10, 11, 12, 17, 30, 34, 36
Chemistry (CHE): 1A, 1AH, 1B, 1BH, 2A, 2B, 3, 10, 12A, 12B, 17
Electronics (ELE): 21, 22, 23, 24, 25
Engineering (ENE): 1A, 1B, 10, 17, 20, 21, 22, 23, 26, 27, 28, 30, 31, 35, 45
Geography (GEG): 1, 1L, 1H, 5
Geology (GEO): 1, 1L, 1B, 3
Geographic Information Systems (GIS): 1
Health Science (HES): 1
Mathematics (MAT): 1A, 1B, 1C, 2, 3, 4, 5, 10, 11, 12, 12H, 25, 32, 36
Microbiology (MIC): 1
Oceanography (OCE): 1, 1L
Physical Science (PHS): 1, 5, 17
Physics (PHY): 2A, 2B, 4A, 4B, 4C, 4D, 10, 11
Psychology (PSY): 2

A course may only be counted once.
All courses in regular font are transferable to CSU with the courses in bold being transferable to both CSU and UC. Courses designated with a (*) are not transferable.

DEGREE CHANGE ALERT!
The math and English competency requirements for the associate degree will be changing beginning in fall 2009. All new students and all other students who are returning after a break in their continuous enrollment will be required to get a “C” or better in English 1A and Math 35 to complete the associate degree. Students who maintain continuous enrollment as defined in “Catalog Rights” will be able to fulfill this requirement by completing the previous requirements of Eng 50 and Math 52.

V. BASIC SKILLS COMPETENCY REQUIREMENT
(0-7 UNITS)
A. Students must demonstrate minimum proficiency in mathematics by obtaining a satisfactory first-time score on an appropriate examination, (recommended by the math department) and approved by the curriculum committee, or by the successful completion of a Riverside Community College District mathematics course, with a “C” or higher, selected from Math 1-49, or the equivalent.

B. Students must demonstrate reading competency by obtaining:

1. a satisfactory score on RCCD’s placement test equivalent to placement in college level reading; OR
2. completion of Reading 83 with a “C” or higher; OR
3. a minimum grade of “C” in each general education course; OR
4. satisfactory reading score on a standardized reading test approved by the English department. Students who do not meet Riverside Community College
District’s reading competency requirement should enroll in a reading class within their first 18 units undertaken at the college.

5. Students who have completed an associate’s or higher degree at an accredited institution are exempt from the reading competency requirement. Waivers may also be granted on a case-by-case basis.

C. Students must demonstrate basic competency in writing by successfully completing the general education requirements of English 1A or 1AH with a “C” grade or better.

VI. GENERAL EDUCATION REQUIREMENTS

General education is designed to introduce students to a breadth of study through which people comprehend the modern world. It reflects the conviction of Riverside Community College District that those who receive their degrees must possess in common certain basic principles, concepts and methodologies both unique to and shared by the various disciplines. Students must complete a minimum of 23 semester units as outlined in the following categories. Special workshop classes (numbered in the 100 series) cannot be used to fulfill general education requirements. The following basic skills courses are non-degree applicable: English 60AB, 60A1, 60A2, 60A3, 60A4, 90B; English as a Second Language 51, 52, 53, 71, 72, 90A-K, 91, 92, 95, degree applicable: English 60AB, 60A1, 60A2, 60A3, 60A4, 90B; 96, 96A and 97 Education) 81, 83; Spanish 85; Speech 52 and practicum numbered

The following courses are also non-degree applicable: Art 95 to 99; Computer Applications and Office Technology 99 ABCDE; English 85; English as a Second Language 65; Guidance 95; Nursing (Continuing Education) 81, 83; Spanish 85; Speech 52 and practicum numbered 96, 96A and 97.

A. NATURAL SCIENCES (3 UNITS)

Any course for which the student is eligible in anatomy and physiology, Anthropology 1, astronomy, biology, chemistry, Geography 1 or 5/Physical Science 5, geology, microbiology, oceanography, physical science, physics and Psychology 2. Waiver for this requirement will be granted for Cosmetology 60C, and Electronics 21 or 22.

B. SOCIAL AND BEHAVIORAL SCIENCES (6 UNITS)

1. American Institutions (3 units)

   History 6 or 6H, 7 or 7H, 8, 9, 15, 26, 28, 29, 30, 31, 34, 53
   or
   Political Science 1 or 1H, 5
   AND

2. Social and Behavioral Sciences (3 units)

   Any course for which the student is eligible in anthropology (except Anthropology 1), economics, geography (except Geography 1 and 5), history (except as listed in “1” above), human services, military science, political science (except as listed), psychology (except Psychology 2), and sociology.

C. HUMANITIES (3 UNITS)

Any course for which the student is eligible in American Sign Language 1, Architecture/Engineering 36, art, dance, English, foreign languages, History 1, 2, 4, 5, humanities, music, philosophy (except Philosophy 11 and 32), Photography 8, Speech 7, theater arts, and film, television and video.

D. LANGUAGE AND RATIONALITY (10 UNITS)

1. English composition (4 units).

   Courses fulfilling the written composition requirement include both expository and argumentative writing. The English composition requirement may be met by English 1A or English 1AH, with a grade of “C” or better.

2. Communication and analytical thinking (6-8 units)

   Courses fulfilling this requirement include oral communication, mathematics, logic, statistics, computer languages and programming. Students must complete one course from two of the following areas:

   - Computer Information Systems 1A through 30
   - English 1B or 1BH
   - Mathematics 1-49
   - Philosophy 11, Philosophy/Math 32
   - Speech 1, 1H, or 9

VII. ADDITIONAL DEGREE REQUIREMENTS

A. Health Education (3 units)

   Health Science 1 or completion of the DEH, EMS, PA, RN or VN program.

B. Self Development (2 or 3 units)

   1. Physical Education (two activities courses)

   Any course with an A or V, or any Dance class with D is considered an activity class. The following classes have a laboratory component and may be counted as one of the two activity courses required.

   - PHP-6 Physical Education for Elementary and Pre-School
   - PHP-29 Soccer Theory and Practice
   - PHP-42 Lifeguard and Water Safety Instructor’s Certification
   - PHP-47 Hiking and Backpacking
   - DAN-3 World Dance Survey
   - DAN-5 Movement Education for Elementary and Pre-School
   - MUS-45 Marching Band Woodwind Methods
   - MUS-46 Marching Band Brass Methods
   - MUS-47 Marching Band Percussion Methods
   - MUS-48 Marching Band
   - MUS-59 Winter Marching Band Clinic
   - MUS-60 Summer Marching Band Clinic
   - MUS-61 Auxiliary Marching Units
   OR

   2. Fitness and Wellness (3 units)

   - PHP-4 Nutrition
   - PHP-30 First Aid and CPR
   - PHP-35 Foundations for Fitness and Wellness
   - PHP-36 Wellness: Lifestyle Choices

   NOTE: Students are exempt from the Self Development requirement when they complete the Cosmetology program, the Registered or Vocational Nursing Program, the Basic Peace Officer Training Academy, the Firefighter Academy, the EMS Program, or the Physician Assistant program.

VIII. CERTIFICATE PROGRAM

Students who have satisfied the requirements for a certificate of achievement while completing the requirements for an Associate of
Science Degree will be awarded a certificate, and notation of the award will be indicated on the student record. Fifty percent of the coursework required in any certificate pattern must be completed at Riverside Community College District.

IX. PETITION FOR GRADUATION (DEGREE OR CERTIFICATE)
Students may apply for degrees and certificates during the following application periods:

Summer – First day of Summer Term through July 15 to apply for Summer 2009, Fall 2009, Winter 2010, Spring 2010

Fall – First day of Fall term through October 15 to apply for Fall 2009, Winter 2010, Spring 2010

Winter – First day of Winter term through February 1 to apply for Winter 2010, Spring 2010

Spring – First day of Spring term through April 1 to apply for Spring 2010

Students who apply during these periods may participate in the Commencement ceremony as long as they are missing no more than 9 units to graduate.

Students who want to participate in the commencement ceremony must file their application by April 1st. Students applying for a degree must pay a $5.00 diploma fee at the time of application. In order to receive a diploma or a certificate, all fees must be paid in full.

X. SECOND DEGREES
Students may earn one Associate of Arts Degree, one Associate of Science (General A.S.) Degree, and any occupational Associate of Science Degree for which they qualify. This means that a student may qualify for more than one degree during any one given term. Students who complete and apply for a degree within the same academic year will be awarded the degree effective the term in which all requirements are met.

Students who have met degree requirements in a previous academic year and have not maintained continuous enrollment will be awarded the degree in the term in which the application is submitted, provided all current degree requirements are met.

XI. CATALOG RIGHTS
Graduation requirements apply to students who are enrolled for any term (summer, fall, winter, spring) indicated by this catalog ~ Summer 09 through Spring 10. Students who enrolled prior to this current year and who have maintained continuous enrollment have the option of meeting the current requirements or those in effect at the time their continuous enrollment began. Continuous enrollment is defined as attendance of one term during each academic year.

SCHOLASTIC HONORS AT COMMENCEMENT
Honors at commencement will be awarded to students with a cumulative GPA of 3.30 or higher. Their names are listed in the commencement program as receiving the Associate Degree with Distinction (3.30 GPA) or with Great Distinction (3.70 GPA). A gold tassel will be worn by students graduating with honors. Coursework taken during the final spring semester will not be used to calculate honors at commencement.

Grade point averages are not rounded up. The cumulative GPA includes coursework taken at Riverside Community College District and at all other accredited institutions.

DEAN’S LIST
Each semester, those students who have demonstrated outstanding scholastic achievement by completing at least 12 units of credit-graded work in one semester or 12 units of credit-graded work earned in no more than one academic year (Fall, Winter and Spring, with Summer being excluded) with a grade point average of 3.0 or better (completed units will be considered only once for a particular Dean’s List) will be recognized by a letter from the Dean of Instruction.

ACADEMIC APPEALS BY STUDENTS
When a student takes issue with an instructional decision or an application of a stated policy, the student should first discuss this matter with the faculty member who made the decision or applied the policy. If the matter cannot be resolved through this initial discussion, the student has the right to appeal the decision or application through regular college channels. See Board Policy 6080 for details.

For academic matters related to class activities, requirements, and evaluation, the student should first discuss the matter with the instructor. If an appeal is desired, the student then should take the matter up with the appropriate department chair responsible for the instructional area. If further appeal is requested, the student can continue the process by meeting with the Dean of Instruction. If the problem cannot be resolved at that level, the student should then present the problem to the Chief Instructional Officer who will first attempt an informal resolution of the problem, and that failing will establish a formal ad hoc committee to review the matter and to recommend action. Upon receipt of the committee’s recommendation, the Chief Instructional Officer submits a decision in writing. Appeal may be made to the Chief Executive Officer. The final appeal a student can make is to the College Board of Trustees.

In non-academic matters, the appeal procedure is comparable, but is made through the appropriate student personnel administrator to the Dean of Student Services, Chief Services Officer and thence to the Chief Executive Officer. The final appeal a student can make is to the Board of Trustees.

Information on students’ rights and responsibilities, expected standards of conduct, disciplinary action and the student grievance procedure can be found in the Student Handbook.

STANDARDS OF CONDUCT
Students enrolled at Riverside Community College District assume an obligation to conduct themselves in a manner compatible with the college’s function as an educational institution. Students shall refrain from conduct which significantly interferes with college teaching or administration, or which endangers the health or safety of the members of the college community, or of visitors to the campus, and from disorderly conduct on the college premises or at college related or college sponsored activities. Misconduct on the part of students is just cause (Education Code Sections V 76033,76120) for disciplinary action. See Board Policy 5500 for details.
STANDARDS OF SCHOLARSHIP:
PROBATION AND DISMISSAL
The policies of probation and dismissal are applicable to day or evening, full-time or part-time students. Students with an academic status of probation or dismissal will be limited to a maximum of 13 units during Fall/Spring semesters. Probationary students may enroll in no more than seven (7) units during intersessions. Dismissal students will be limited to one (1) course during intersessions.

Standards for Probation
Riverside Community College District utilizes two major standards for evaluating satisfactory academic progress. These are as follows:

1. Academic probation: A student who has attempted at least 12 semester units as shown by the official academic record shall be placed on academic probation if he or she has earned a cumulative grade point average below 2.0 in all units which were graded on the basis of the RCCD grading scale.

2. Progress probation: A student who has attempted at least 12 semester units as shown by the official academic record shall be placed on progress probation when the cumulative percentage of unsuccessful units attempted at RCCD reaches or exceeds 50%.

3. A student on academic probation for a grade point deficiency shall achieve good standing when the student’s accumulated grade point average is 2.0 or higher.

4. A student on progress probation because of an excess of unsuccessful units attempted at RCCD shall achieve good standing when the percentage of units in this category drops below 50 percent.

A student who feels an error has been made in his academic status should make an appointment with an RCCD counselor. The counselor will review the student’s academic record and either explain how the student achieved that status or, in the case of an error, notify the Dean of Student Services at their campus.

Standards for Dismissal
Students failing to maintain satisfactory academic progress may be subject to dismissal from the college under conditions specified as follows:

1. A student who is on academic probation shall be subject to dismissal if he or she earned a cumulative grade point average of less than 2.0 in all units attempted in each of two consecutive full-term (Fall/Spring) semesters of attendance which were graded on the basis of the RCCD grading scale.

2. A student who has been placed on progress probation shall be subject to dismissal when 50% or more of all units in which the student has enrolled are recorded as entries of “F”, “W”, “I” and “NP” in at least two consecutive semesters (Fall/Spring) of attendance at RCCD.

3. A student shall remain on dismissal status until good standing is met by achieving a cumulative GPA of a 2.0 or higher and completing over 50% of the total number of units attempted.

4. A student who has been reinstated will immediately be subject to dismissal if the cumulative grade point average falls below a 2.0 or the number of units for which “F”, “W”, “I”, “NP” and “NP” are recorded meets or exceeds 50%.

GRADING SYSTEM
Grades
Riverside Community College District uses the letter system of grading the quality of work performed by students. The following grades are used:

“Military withdrawal” occurs when a student who is a member of an active or reserve United States military service receives orders compelling a withdrawal from courses. Upon verification of such orders, a withdrawal symbol may be assigned at any time after the period established by the governing board during which no notation is made for withdrawals. Military withdrawals are not counted in progress probation and dismissal calculations. “Ws incurred during the period between January 1, 1990 and the effective date of this paragraph, which meet the definition of military withdrawal herein, are not counted in progress probation and dismissal calculations and may be changed to “MW”s.

Students should refer to WebAdvisor for withdrawal deadlines.

An “I” is given only in cases where a student has been unable to complete academic work for an unforeseeable, emergency and justifiable reasons. The condition for removal of the “I” shall be stated by the instructor in a written agreement. A copy will be kept on file in Admissions and Records until the “I” is made up or the time limit has passed. A final grade shall be assigned when the work stipulated has been completed and evaluated, or when the time limit for completing the work has passed. A copy of this record shall be kept in the files of the appropriate department chairperson. The “I” may be made up no later than one year following the end of the term in which it was assigned. The “I” symbol shall not be used in calculating units attempted nor for grade points. The “I” symbol will be changed to the grade the instructor has predetermined, if the student does not meet the conditions of the agreement.

Grade Points
On the basis of scholarship grades, grade points are awarded as follows: “A”, 4 points per unit of credit; “B”, 3 points per unit of credit; “C”, 2 points per unit of credit; “D”, 1 point per unit of credit; “F”, no points per unit of credit. On computing the grade point average, units attempted are not charged and grade points are not awarded for the following: “I”, “W”, “NP”, “P”, “IP”, “RD”, or “MW”.

Grade Changes
Students have one year following the term in which the grade was recorded to request a change of grade. After the one-year limit, the grade is no longer subject to change. Students must file an Extenuating Circumstances Petition (ECP) with the Admissions and Records office at one of the three campus.
Extenuating Circumstances Petition
This petition is for students who encounter situations involving extenuating circumstances, emergencies that may affect their education records and fall outside the realm of normal college policy and procedures. Failure to be aware of deadlines and expected failure in a course are not acceptable reasons for filing an Extenuating Circumstances Petition. The student bears the burden and is responsible for showing that grounds exist for the Extenuating Circumstances Petition (ECP). Students have one year following the term in which a grade was submitted to request a change of grade.

Auditing Classes
RCCD offers students the option of auditing courses. Instructions for auditing are as follows:

1. Students may not audit a class unless he/she has exhausted all possibilities to repeat the class for credit.
2. Permission to audit a class is given at the discretion of the instructor and with instructor’s signature.
3. When auditing, student shall not be permitted to change his/her enrollment in that course to receive credit.
4. With the instructor’s signature and permission, a credit student may switch his/her enrollment to audit status provided the change is completed prior to 30% of course for short term courses.
5. With the instructor’s signature and permission, a student may enroll in a course for audit at any time during the semester if he/she has not enrolled in that course for credit during the same semester.
6. No student will be allowed to enroll for audit prior to the first day of the course. The first day of the course refers to the actual course meeting.
7. Credit students have priority over auditors. If a course closes after an auditor has been admitted, the auditor may be asked to leave to make room for the credit student. Instructor’s discretion is strongly recommended.
8. The audit fee is $15 per unit. Students enrolled in 10 or more semester units may audit 3 units of audit free (may be 3 one-unit courses). The $15 per unit audit fee will automatically be charged if the student drops below 10 units.

Students wishing to audit should be aware that audited classes will not appear on the RCCD transcript. Forms and information are available at the Admissions offices on the Riverside, Moreno Valley and Norco campus.

Pass/No Pass Classes
Discipline faculty are responsible for determining the appropriate Pass/No Pass option for each course. All sections of the course must be offered in the same manner. Courses may be offered for Pass/No Pass in either of the following categories and will be specified in the catalog:

1. Class sections wherein all students are evaluated on a Pass/No Pass basis.
2. Courses in which each student has the option to individually elect Pass/No Pass or letter grade. Students electing this option must file a petition in the Admissions office at Riverside, Moreno Valley, or Norco by the end of the fifth week of the semester or by the end of the first 30% of a shorter-than-semester term.

All units earned on a Pass/No Pass basis in accredited California institutions of higher education or equivalent out-of-state institutions are counted in satisfaction of community college curriculum and graduation requirements.

Units earned on a Pass/No Pass basis are not used to calculate grade point averages. However, units attempted for which NP is recorded are considered in probation and dismissal procedures.

Final Examinations-Final Grades
Final exam is required in all classes at the scheduled time and place. Failure to appear for a final examination may result in an “F” grade in the course. Final grades may be obtained on WebAdvisor or Phone Reg immediately after they are submitted by the instructor.

Advanced Placement
Riverside Community College District recognizes the Advanced Placement Program of the College Entrance Examination Board. Students will be granted credit for Advanced Placement examinations with a score of three, four or five in specified subject areas. Advanced Placement credit is granted for the fulfillment of Riverside Community College District programs only. Other colleges or universities may have different policies concerning Advanced Placement. Therefore, the transfer institution will reevaluate the Advanced Placement scores based upon their own campus policies. For further information, see a counselor for specific subject credit areas available.

Advanced Placement Credit
Students who have successfully completed courses in the AP Program of the College Entrance Examination Board with scores of 3, 4 or 5 may earn credit for each Advanced Placement course. Credit awarded through Advanced Placement may be used towards graduation requirements, IGETC, and CSU GE Breadth Requirement Certifications. (English 1B earned through AP may not be used to meet the Critical Thinking requirement in the IGETC Group B - Critical Thinking or the CSU GE Breadth Requirements in Area A.3, see page 37 in the catalog.) Official Advanced Placement Scores should be sent to the Admissions and Records Office for official evaluation.

NOTE: Advanced Placement Examinations are reevaluated by each university or college to which you transfer. Although Advanced Placement Examinations will meet equivalent RCCD course requirements for general education (IGETC and CSU GE), the school of transfer may not grant equivalent course credit.

CREDIT BY EXAMINATION
Credit may be granted to any student who satisfactorily passes an examination approved or conducted by the discipline or program in which a comparable course is offered. In the case of foreign language students, must complete a higher level course in order to receive credit for a lower level language course.

To be eligible to petition for credit by examination, a student must be currently enrolled, fully matriculated, in good standing and have completed not less than 12 units of work at Riverside Community College District with an overall grade point average of 2.0 “C”. The option for credit by examination may not be available for all course offerings; contingent upon discipline curricular decisions as approved by the Office of Academic Affairs.

Students must apply for credit by examination on the appropriate petition form obtained from the Admissions office at the Riverside, Moreno Valley and Norco campuses and pay enrollment fees including out of state and/or out of country tuition where applicable.

A student may receive credit by examination in one course for each semester or summer/winter intersession in a total unit amount not to exceed 15 units. Work experience classes are excluded from credit by examination.

After the discipline faculty has determined the student’s evaluative symbol, the student will be notified and the permanent record will reflect the credit and/or grade.

Credit by examination is not treated as part of the student’s study load for any given semester, or for eligibility purposes and therefore, will not require a petition for excess study load. It is not part of the study load for Veterans’ Administration Benefits or eligibility purposes.

The student’s academic record will be clearly annotated to reflect that credit was earned by examination.

Units for which credit is given pursuant to the provisions of this section shall not be counted in determining the 12 semester hours of credit in residence required for an associate degree.

Credit for College-Level Examination Program (CLEP)
A maximum of 30 units may be granted for all types of credit by examination. This includes Advanced Placement, CLEP, credit for military training and credit by exam taken at Riverside Community College District. Credit is not allowed if coursework in the subject area has been completed or AP credit has previously been granted.

Credit granted for CLEP will not be posted on the student’s RCCD transcript and will not be used to meet IGETC or CSU General Education Breadth Requirements for Certification. Students planning to transfer should check the policy on CLEP in the catalog of the college to which they will transfer. To apply for CLEP credit the student must have completed 12 units in residency at Riverside Community College District. An official transcript is required. For further information, contact the Counseling office.

Introductory Accounting 50  3  Accounting 10A
Introductory Business Law 50  3  Business Elective
Principles of Marketing 50  3  Marketing 20

Military Credit
Two physical education units are awarded upon presentation of DD214, NOBE, or ID card for active military. Military tech schools are evaluated based on the recommendation of the ACE Guide. No credit is granted for MOS’s, Correspondence courses, Internships or military specific courses. A maximum of 15 units may be awarded (two of which is the PE credit). CCAF, SMARTS, AARTS transcripts, DD214, and Certificates of Completion are used to evaluate military credit. No more than 30 units may be granted for CLEP, military training, AP, or credit by exam. Contact the Dean of Instruction office on the Moreno Valley campus (HM 113) for additional assistance: (951) 571-6165.

REPEAT POLICY
Course Repetition in a Non-Repeatable Course
Course repetition allows students to repeat classes under the following circumstances: (Title 5, Section 58161)

1. The student is repeating the course to alleviate substandard work which has been recorded on the student’s record (D, F, NP, or N/C). Courses in which a substandard evaluative symbol has been assigned may be repeated once. Otherwise, students are limited to four attempts per course counting withdrawals (W’s). No Petition for Course Repetition is required if a student has only one substandard grade or has not attempted the class four times (including Ws).

2. The student’s previous grade is, at least in part, the result of extenuating circumstances (verified cases of accidents, illness, or other circumstances beyond the control of the student.) A Petition for Course Repetition and documentation are required.

3. There has been a lapse of time (at least 5 years) since the student previously took the course. A Petition for Course Repetition is required.

4. The course outline of record has been officially changed and demonstrates significant curricular changes. A Petition for Course Repetition is required.

5. Repetition of courses where substandard work has not been recorded is permitted when such repetition is necessary for a student to meet a legally mandated training requirement as a condition of continued paid or volunteer employment.

   a. Repetition of courses shall be permitted only upon petition of the student with the written permission of the program administrator based on a finding that circumstances exist which justify such a repetition.

   b. Such courses may be repeated for credit any number of times, regardless of whether or not substandard work was previously recorded, and the grade received each time shall be included for purposes of calculating the student’s grade point average. Students must file a Petition for Course Repetition.

   Petitions for Course Repetition are available in the Admissions offices and Deans of Instruction offices at Riverside, Moreno Valley, and Norco campuses. Petitions are approved or denied by a Dean of Instruction.

The following conditions apply to course repetition in non-repeatable courses:

1. Only courses which are current Riverside Community College District courses may be repeated.

2. When course repetition occurs, the permanent academic record is annotated in such a manner that all work remains legible ensuring a true and complete academic history. Courses repeated will be indicated on the permanent record by using an appropriate symbol.

3. For courses taken and repeated at RCCD, the highest grade earned in the repeated course will be used to compute an adjusted grade point average. The adjusted grade point average will be used in determining academic status and in establishing eligibility for the Associate of Arts degree, Associate of Science Degree and occupational certificates.

4. For courses taken or repeated at another accredited college or university, the highest grade earned in the repeated course will be used to compute an adjusted cumulative grade point average. The adjusted cumulative grade point average will be used in determining eligibility for the cumulative GPA requirement for the Associate of Arts degree, Associate of Science Degree and occupational certificates.

5. Students may repeat any course, which was taken in an accredited college or university and for which substandard academic performance was recorded.

6. The District reserves the right to honor similar, prior course repetition action by other accredited colleges and universities.

7. This regulation will not be construed so as to limit the repetition of activity and performance courses as defined below:

Course Repetition in a Repeatable Course
The following conditions apply to course repetition in repeatable courses:

1. Repeatable activity and performance classes may be taken up to a total of four times.

2. Repeatable courses are identified in the college catalog.

3. All grades and units will be used in the computation of the grade point average and earned units, with the following exceptions:

   a. When a repeatable course is taken and a substandard grade earned, the course may be taken one time with the higher grade used in the computation of the grade point average.
Grades from other repeats will be used in the computation of the grade point average.

**ACADEMIC RENEWAL**

The academic renewal procedure will permit previously recorded substandard course work taken at RCCD to be disregarded in the computation of Riverside Community College District grade point averages. Petitions are available in the Admissions offices of the Riverside, Moreno Valley and Norco campuses. The policies are as follows:

1. A student may request academic renewal for not more than two terms of grades and credits which are not reflective of a student’s present ability and level of performance.

2. At least two semesters of college work (24 units) with a grade point average of 2.0 must have been completed at any accredited college or university subsequent to the term(s) to be disregarded in calculating the GPA obtained at RCCD. (Official transcript is required.)

3. If and when the petition is granted, the student’s permanent record will be annotated so that it is readily evident to all users of the record that no units for substandard work taken during the term(s) are calculated in the GPA, will apply toward graduation or other unit commitment. However, all work will remain on the permanent record to ensure a true and complete academic history.

4. A student may be granted academic renewal only once.

5. A student may repeat work taken during academic renewal terms only if such repetition is necessary to allow normal progression toward an acceptable educational objective.

**Course Prerequisites and Corequisites**

All course prerequisites and corequisites will be enforced. This includes both required prerequisite courses as well as required assessment preparation levels. The Accuplacer assessment test, in conjunction with multiple measures, is used to generate placement levels in English, Math, and Reading. The PTESL (Proficiency Test in English as a Second Language) is used to generate placement levels in ESL. All placement tests taken prior to July 1, 2001 are no longer valid.

Students who have not satisfactorily completed a prerequisite for a course will be denied admission to that course. A grade of “C” or better is required for satisfactory completion of a course which is a prerequisite to a subsequent course.

If prerequisites or corequisites were met by completing courses at another college or university, students must request that the official transcript(s) be sent to the Riverside Community College Admissions and Records Office and request a prerequisite validation of the appropriate course(s) to validate the course that will meet RCCD requirements. Prerequisite validation request forms may be obtained from the Counseling department in the César E. Chávez Admissions and Counseling Building at the City campus, and the Student Services offices at the Moreno Valley and Norco campuses. For information on challenge procedures, see page 8. Forms are also available online at www.rcc.edu.

Students must initiate this process well in advance of the semester in which they plan to register. Students will be informed of the results of the evaluation in a timely manner prior to the term in which they plan to enroll.

General Education Breadth Requirements for a Degree from the University of California (UC)

Students may fulfill their lower-division requirements by completing either the individual U.C. Campus general education pattern or the Intersegmental General Education Transfer Curriculum (IGETC). In order to receive full credit for general education completed at Riverside Community College District, the IGETC must be certified and completed in its entirety. Once you have transferred to a UC or CSU, you may not return to RCCD to complete additional IGETC requirements nor can you use courses taken at the transfer institution. Please see your counselor to determine which pattern is more appropriate for you and for information regarding certification.

Copies of the breadth requirements for each University of California campus and the Intersegmental General Education Transfer Curriculum (IGETC) are available in the Transfer/ Career Center.

CERTIFICATE OF ACHIEVEMENT IN CALIFORNIA STATE UNIVERSITY GENERAL EDUCATION (CSUGE) 2009-2010

Students transferring to one of the California State University campuses can complete the SCU General Education Breadth Requirements or the Intersegmental General Education Transfer Curriculum (IGETC). Please see a counselor to determine which pattern is more appropriate for your educational goal.

The California State University system requires that 48 semester units of general education must be completed to be eligible for a bachelor’s degree. Of these 48 units, 9 units must be completed in upper division (junior and senior years) and up to 39 units may be completed in lower division (freshman and sophomore years). Students may complete these general education units at Riverside Community College District for transfer and it is to the student’s advantage to have these units of general education CERTIFIED. Certification is a legal agreement the California State University system and the community colleges in California to assure that SCU general education requirements met at each campus may have a slightly different program. Failure to complete FULL CERTIFICATION will cause courses to be reviewed differently at each campus.

Report any problems encountered with certification of general education for transfer to the counseling department at the Moreno Valley, Norco, or Riverside campus. Courses which can be certified as general education for transfer to California State Universities are listed below. These courses are transferable and are considered baccalaureate level.
### A. Communication and Critical Thinking (min. 9 units) *Must be completed prior to transfer!*

Select one course from each area. Grades of 'C' or better are required.

<table>
<thead>
<tr>
<th>1.</th>
<th>Oral Communication: Speech 1 or 1H, 6, 9 or 9H</th>
</tr>
</thead>
<tbody>
<tr>
<td>2.</td>
<td>Written Communication: English 1A or 1AH</td>
</tr>
<tr>
<td>3.</td>
<td>Critical Thinking: English 1B or 1BH; Philosophy 11; Speech 2, 3A, 4A, 5</td>
</tr>
</tbody>
</table>

### B. Physical Universe and Its Life Forms (min. 10 units) *Math must be completed prior to transfer!*

Select one course from areas 1, 2, and 4. At least one of the science courses must have a lab--- see underlined courses.

<table>
<thead>
<tr>
<th>1.</th>
<th>Physical Universe: Astronomy 1A; Chemistry 1A, 1AH, 1B, 1BH, 2A, 2B, 3, 10, 12A, 12B; Geography 1, 1H, 1, 5; Geology 1, 1L, 1H; Oceanography 1, 1L; Physical Science 1, 5; Physics 2A, 2B, 4A, 10, 10/11</th>

</tr>
</tbody>
</table>

*Courses designated with an asterisk (*) may also be used to satisfy the U.S. History, Constitution and Government requirement.*

### E. Understanding and Self-Development (min. 3 units)

Select one course from:

| Biology 30; Early Childhood Education 20; Guidance 47; Health Science 1; Physical Education 4, 35, 36; Psychology 9, 33; Sociology 12 |

### United States History, Constitution and Government (6 units)

Although this is not a part of the general education requirements, all students must complete coursework in U.S. History, Constitution and Government. History 6 or 7H may also be used to partially fulfill Area D or if taken Fall 2004 or later, partial fulfillment in Area C. Effective Fall 2000, HUM 16 may also be used to partially fulfill Area C.

<table>
<thead>
<tr>

</tr>
</thead>
<tbody>
<tr>
<td>2. Constitution and Government (3 units)</td>
<td>Political Science 1 or 1H</td>
</tr>
</tbody>
</table>

**NOTE:** Transfer students are required to complete both the general education and lower division major requirements. Make an appointment with your counselor to complete a Student Educational Plan.

*Students planning to transfer to Cal Poly Pomona or Cal Poly San Luis Obispo have specific general education requirements which must be taken, based upon their major. See your counselor to ensure proper academic planning.*
CERTIFICATE OF ACHIEVEMENT IN INTERSEGMENTAL GENERAL EDUCATION TRANSFER CURRICULUM (IGETC) 2009-2010

If you choose to follow IGETC, you must complete it before you transfer; otherwise you will be required to satisfy the specific lower division general education requirements of the university or college of transfer. Completion of the Intersegmental General Education Transfer Curriculum (IGETC) will permit a student to transfer to a community college to a campus in either the California State University (CSU) or University of California (UC) system without the need to take additional lower-division general education courses. Transfer students will receive IGETC certification after completing all the subject areas below for a total of 34 units with a min. “C” grade or better.

IGETC certification is valid for community college students only. Those who have already transferred to the CSU/UC systems may not return to RCC to complete IGETC requirements.

See your counselor for courses required in your major. The UC System will allow IGETC courses to also count toward major requirements. CSU campus limitations on double-counting of general education courses toward major preparation are not changed by the IGETC. Courses which can be certified as general education for transfer to the Universities of California or the California State Universities are listed below. These courses are transferable and are considered baccalaureate level.

1. **English Communication (CSU 3 courses required; one from each group)**

   *(UC 2 courses required; one from group a and one from group b)*

   a. English Composition: English 1A or 1AH
   b. Critical Thinking—English Composition: English 1B (must be taken Fall '93 or later) or 1BH
   c. Oral Communication: Speech 1 or 1H, 6, 9, 9H (CSU requirement only)

<table>

2. **Mathematical Concepts And Quantitative Reasoning**

   Math **1A,1B,1C,2,3,4,**5,**6,8,**9,**10,**11, 12, 12H, 25

   | 3     |

3. **Arts And Humanities**

   *(3 courses required with at least one course from the Arts and one from the Humanities.)*

   a. Arts: Architecture 35,36; Arabic 11; Art 1,2,5,6 or 6H,7,8,9,10,12; Chinese 11; Dance 6; Engineering 36; English/ Humanities 36; French 11; German 11; Italian 11; Japanese 11; Korean 11; Music 3,4,5,6,19,20,21,22,25,26,89; Russian 11; Theater Arts 3, 29
   b. Humanities: American Sign Language 3; Arabic 2,3,8; Chinese 2; English 6,7,8,9,14,15,18,21,22,23,25,26,35,40,41,44,45,48; French 2,3,4,8; German 2,3,4; Greek 2; History 1*,2*,4*,5*,6* or 6H*,7* or 7H*,8*,9*,11*,12*,14*,15*,19*,21*,22*,23*,25*,26*,28*,29*,30*,31*,34*,35*; Humanities 4 or 4H, 5 or 5H,9,10,11,16,18,23,35; Italian 2,3; Japanese 2,3,4; Korean 2; Latin 2; Military Science 1,2; Philosophy 10 or 10H,12,13,14,19,20,21,22,33,35; Portuguese 2; Russian 2,3; Spanish 2 or 2H,3N,4,8,11,12; Speech 12

   | 9     |

4. **Social And Behavioral Sciences**

   Choose three courses from at least two disciplines.

   Anthropology 1*,2,3,4,5,6,7,8,21; Chemistry 17; Early Childhood Education 20; Economics 4,5,6,7,9,14,15,18,21,22,23,25,26,35,40,41,44,45,48; French 2,3,4,8; German 2,3,4; Greek 2; History 1*,2*,4*,5*,6* or 6H*,7* or 7H*,8*,9*,11*,12*,14*,15*,19*,21*,22*,23*,25*,26*,28*,29*,30*,31*,34*,35*; Military Science 1,2; Political Science 1 or 1H,2 or 2H,3,4 or 4H,5,6,11,13; Psychology 1,2,3,4,5,6,7,8,9,14,15,19,20,21,22,23,35; Sociology 1,2,3,4,5,6,11,12,15,17,20,35,42,49; Speech 12, 13

   | 9     |

5. **Physical And Biological Sciences**

   Choose at least one Physical Science and one Biological Science course. One of the courses must include a lab—see underlined courses.

   a. Physical Science: Astronomy 1A,1B; Chemistry **1A,**1AH,**1B,**1BH,**2A,**2B,**3,**10,**12A,**12B; Geography 1,1L; Geology 1,1L,1B,1H,1H3; Oceanography 1,1L; Physical Science **1,**1L; Physics **2A,**2B,**4A,**4B,**4C; 4D,**10,**11
   b. Biological Science: Anatomy and Physiology **2A,**2B; Anthropology 1*, Biology 1,**2A,**2B,3,5,6,7,8,9,**10,**11,**12,**17,**30,**34,**36; Microbiology 1; Psychology 2*

   | 7     |

6. **Language Other Than English (one course - UC requirement only)**

   a. American Sign Language 1,2,3,4; Arabic 1,2; Chinese 1,2; French 1,2,3,4; German 1,2,3,4; Greek 1,2; Italian 1,2,3; Japanese 1,2,3,4; Korean 1,2; Latin 1,2; Portuguese 1,2; Russian 1,2,3; Spanish 1 or 1H,2 or 2H,3N,4
   b. Proficiency equivalent to two years of high school in the same language

   Foreign Languages above level 1 will also meet this requirement.

   | 0-5   |

**OR**

**CSU Graduation Requirement In U.S. History, Constitution, And American Ideals**

*(not part of IGETC; recommend completion before transferring)*

Complete one course from area a and one from area b:

   a. History 6 or 6H or 7 or 7H or Humanities 16
   b. Political Science 1 or 1H

*Course may be listed in more than one area, but shall not be certified in more than one area.

**Indicates that transfer credit may be limited by either UC or CSU or both. Consult with a counselor for additional information.
NOTES:
1. Students should consult with Counselors to determine the most appropriate General Education patterns for their intended majors and transfer institutions.
2. To be eligible for IGETC certification a student must have completed most of the transfer units at one or more California community college(s).
3. Courses taken as preparation for a major will also satisfy the corresponding portion of the IGETC requirements.
4. Each course used to fulfill IGETC requirements must be completed with a minimum grade of “C” or better.
5. Advanced placement exams can be used to satisfy all areas of IGETC except for the critical thinking-English composition and oral communication requirements. IGETC policy is to accept a score of 3 or higher to clear one course.

REQUIREMENTS FOR ADMISSION TO INDEPENDENT CALIFORNIA COLLEGES AND UNIVERSITIES
California’s fully accredited independent colleges and universities provide a host of options at undergraduate, graduate and professional levels for students planning to continue their education beyond community colleges.

Some colleges and universities stipulate a certain number of completed units before considering students eligible for transfer. Others do not and will accept students at any time. The requirements are outlined in the respective college catalogs, available upon request from the college’s or university’s Office of Admissions.

As admission requirements vary campus to campus, it is necessary to meet with a counselor to implement your educational plan. Copies of breadth requirements and major requirements for some of the nearby independent colleges and universities are available in the Riverside Community College District Transfer/Career Centers.

The independent colleges and universities include:
California Baptist University
La Sierra University
Loma Linda University
Occidental College
Pepperdine University
Scripps College
Stanford University
University of La Verne
University of the Pacific
University of Redlands
University of San Diego
University of San Francisco
University of Southern California
Whittier College

TRANSFERABILITY OF COURSES
Questions regarding the transferability of courses should be referred to a college counselor. A listing of baccalaureate level courses that will transfer to the California State University System is available from any college counselor or in the Transfer/Career Centers. A list of baccalaureate courses acceptable for admission to the University of California is also available. In addition, courses acceptable for transfer to the UC and CSU institutions are indicated in the back of this catalog following the descriptive title of each course.

Most four-year colleges and universities will require transfer students to have six units (two semesters) of composition. English 1A or 1AH and 1B or 1BH at Riverside Community College District will meet this requirement.
Section V

CURRICULAR PATTERNS
TRANSFER PROGRAMS

Each institution of higher education has its own requirements for admission, majors, and general education. Students should see a counselor, on a regular basis, to determine the courses needed to prepare for transfer to CSU, UC, or any private/independent university.

Students who plan to transfer to UC must complete IGETC or a campus-specific general education pattern in addition to the lower-division major requirements required by the campus they wish to attend.

Students who want to transfer to CSU must complete the CSU General Education requirements in addition to 1) completion of the individual campus lower-division major requirements or in the near future, 2) completion of the Lower-Division Transfer Pattern (LDTP). The latter is designed for those students who have declared a major, but haven’t yet decided on a school of transfer. Completion of the LDTP will guarantee admission to the CSU campus of their choice. Please see below for information on both options and be sure to see a counselor to obtain an SEP (Student Educational Plan).

1) MAJOR REQUIREMENTS 2009-2010

The 2008-09 major sheets will be available in the Transfer Center. Note that the following majors are for specific colleges and universities. Requirements for the same major at other institutions may be different. These are merely a few samples of the many majors available and represent, for the most part, those of nearby colleges and universities. Additional information and revised major sheets are available in the Transfer/Career Centers. See www.assist.org for the complete articulation information.

In developing a program it should be remembered that in addition to the requirements in the major, each student should complete the general education breadth requirements for the college chosen. Breadth requirements for all branches of the UC, CSU, and various independent colleges are available in the Transfer/Career Centers. Proper planning normally should enable students to satisfy the general education-breadth requirements concurrently with the requirements for graduation form Riverside Community College District. See the associate degree requirements.

2) LOWER-DIVISION TRANSFER PATTERN (LDTP)

The Lower-Division Transfer Pattern (LDTP) project, sponsored by the California State University (CSU) and supported by the California Community Colleges, presents potential transfer students with the Breadth requirements for all branches of the UC, CSU, and various independent colleges in the Transfer/Career Centers. See www.assist.org for the complete articulation information.

“Highest priority for admission” is defined as a written guarantee of admission to a particular CSU campus and major, and it goes into effect when both the student and the CSU campus ratify an LDTP agreement. The guarantee is subject both to satisfactory completion of the agreement requirements and to the campus’s ability to accommodate the student. Students will be asked to complete successfully a specified set of general education courses and major courses that will be common to all CSU campuses offering that major, and they will be asked to complete successfully an additional set of courses identified by the particular CSU campus named in the LDTP agreement. The coursework in the systemwide and campus-specific LDTP pattern will total at least 60 units, the number needed to transfer to CSU as an upper-division student. Through CSUMentor and ASSIST, students and counselors will be able to find road maps detailing coursework preparation by CSU campus and major.

2009-10 MAJOR REQUIREMENTS

ACCOUNTING

CSU SAN BERNARDINO
Accounting 1A, 1B; Business Administration 18A; Economics 7 or 7H, 8; Mathematics 5, 10, 11 or 1A; Mathematics 12 or 12H; Computer Information Systems 1A, 5, 17A, 20, 25

CAL POLY POMONA
Accounting 1AB, 38; Business Administration 18B; Computer Information Systems 1A; Economics 7, 8; English 1B; Mathematics 12.

ADMINISTRATION OF JUSTICE/CRIMINAL JUSTICE

CSU LONG BEACH
Administration of Justice 1, Philosophy 32; Political Science 1; Psychology 1; Sociology 1

CSU SAN BERNARDINO
Administration of Justice 1, 3, 13; Mathematics 10, 11 or 25

SAN DIEGO STATE UNIVERSITY
Administration of Justice 1; Political Science 1; Sociology 1, 2; Math 12

ANTHROPOLOGY

CSU FULLERTON
Anthropology 1, 2, and 3 or 6

UC RIVERSIDE
Anthropology 1, 2, and 3 or 6; English 16

CSU SAN BERNARDINO
Anthropology 1, 2

ART

CSU FULLERTON
Studio Emphasis: Art 1, 2, 17, 22 or 23, 24, 26, 40; Choose two from Art 15, 16, 20, 21, 30, 41; Photography 8, 9

UC RIVERSIDE
General Art Emphasis: Art 1, 2 or 10 and 17, 26

CSU SAN BERNARDINO
Art History Option: Art 1, 2, 5, 17, 22, 24, 36; Foreign Language 1, 2

BIOLOGY

CSU FULLERTON
Biology 11, 12; Chemistry 1AB, 12AB; Mathematics 1A or 5; Physics 2AB

UC RIVERSIDE
Biology 11, 12; Chemistry 1A or 1AH, 1B or 1BH, 12AB; Mathematics 1AB; Physics 4ABC or 2AB

CSU SAN BERNARDINO
Biology 2AB, 5, 11 or 11, 12; Chemistry 1A or 1AH, 1B or 1BH, 12AB; Mathematics 5 or 1A; Physics 2AB or 4ABC.
BOTANY

**CAL POLY POMONA**
- Biology 11, 12; Chemistry 1AB, 12A; Mathematics 5, 12; Physics 2AB; Choose one from Health Science 1; Physical Education 35; Psychology 1; Sociology 1

**UC RIVERSIDE**
- Biology 11, 12; Chemistry 1A or 1AH, 1B or 1BH, 12A; Mathematics 1AB; Physics 2AB or 4ABC

BUSINESS ADMINISTRATION

**CSU FULLERTON**
- Mathematics 1A or 5; Economics 7, 8.

**CAL POLY POMONA**
- Economics 7, 8; Mathematics 12; Business Administration 18B; Accounting 1AB or 38; Computer Information Systems 1A or 3

**UC RIVERSIDE**
- Accounting 1AB; Business Administration 10; Computer Information Systems 1A; Economics 7, 8; Mathematics 1A, or 5, 12

**CSU SAN BERNARDINO**
- Accounting 1A, 1B; Business Administration 18A; Computer Information Systems 1A; Economics 7 or 7H, 8; Mathematics 12 or 12H and 10 or 11 or 5 or 1A

CHEMISTRY

**CSU FULLERTON**
- Chemistry 1AB, 12A; Mathematics 1ABC, 2, 3; Physics 4ABCD

**CAL POLY POMONA**
- Biology 11; Chemistry 1AB, 12A, 12B; Computer Information Systems 5; Mathematics 1AB, 2; Physics 4BC

**UC RIVERSIDE**
- Chemistry 1A or 1AH, 1B or 1BH, 12AB; Mathematics 1AB, 2; Physics 4ABCD

**CSU SAN BERNARDINO**
- Biology 11; Chemistry 1A or 1AH, 1B or 1BH, 12AB; Mathematics 1AB, 3 and 1C or 2; Physics 4ABC

COMMUNICATIONS

**CAL POLY POMONA**
- Applied Digital Media 1; Journalism 7; Journalism 12 or Photography 12; Mathematics 12; Photography 8; Speech Communication 1, 3A, 9

**CSU SAN BERNARDINO**
- Film, Video and Television 44, Journalism 20, 2; Speech Communications 6, 9 or 9H

**CSU FULLERTON**
- Print Journalism 1, 2, 7, 45

COMPUTER INFORMATION SYSTEMS

**CAL POLY POMONA**
- Computer Information Systems 1A or 3 and 19A or 25 and 17A, 17B or 18B; Economics 7, 8; Mathematics 12; Business Administration 18B; Accounting 1AB

COMPUTER SCIENCE

**CAL POLY POMONA**
- Biology 1; Computer Information Systems 11 and 17B, 17A and 18C or 18A and 18C; Mathematics 1ABC, 3; Physics 4BC

**CSU SAN BERNARDINO**
- Biology 1 or 11; Computer Information Systems 5, 17A; Mathematics 1AB; Physics 4ABC; one laboratory course from Biology, Chemistry, Geology or Physics

DENTAL HYGIENE

**USC**
- Biology 1; Anatomy and Physiology 2A, 2B; Chemistry 1AB; English 1AB; Microbiology 1; Physical Education 4, Psychology 1; Sociology 1; Speech Communications 1

**LOMA LINDA UNIVERSITY**
- English 1AB; Speech Communications 1 or 9; Microbiology 1; Anatomy and Physiology 2AB; Chemistry 2AB; Sociology 1; Anthropology/Economics/Geography/Political Science/ Psychology (one course); Physical Education 2 (units), Physical Education 4; Anthropology 2; Choose 14 units from: Art (lecture only); Foreign Language; History 1, 2, 4, 5; Literature; Philosophy; One transferable Mathematics class

ECONOMICS

**CSU FULLERTON**
- Mathematics 5 or 1A; Mathematics 1B; Economics 7

**CAL POLY POMONA**
- Economics 7, 8; Mathematics 1A, 1B; English 1B; Accounting 1A; Electronics/Engineering 27

**UC RIVERSIDE**
- Economics 7 or 7H, 8; Mathematics 1A, 1B

**CSU SAN BERNARDINO**
- Economics 7 or 7H, 8; Mathematics 10 or 11; Mathematics 12 or 12H

EDUCATION-TEACHING

**ELEMENTARY OR SECONDARY**

Students desiring to teach in California public schools (K-12) must pursue a pattern of course work at RCCD suitable for transfer to a public or private university. Once a successful transfer has been made, students will follow a program leading to completion of baccalaureate degree requirements and preliminary teaching credential requirements defined by the California Commission on Teacher Credentialing. Information concerning the transfer requirements of various universities is available from the Counseling/Transfer Centers and the office of Teacher Preparation and Education Program Counselor.

Historically, RCCC students interested in teaching careers have been able to complete all appropriate lower division liberal arts courses while enrolled here. Beginning in 2002 it is also possible for teacher education students to complete certain lower division courses in Education that transfer into the multiple-subject (Elementary) teacher education programs of nearby universities. Currently, a full articulation agreement exists with La Sierra University, Cal Baptist University, UCR, CSUSB, and many other institutions. Students are urged to check with their program adviser in the Counseling/Transfer Center or the counselor from the office of Teacher Preparation and Education Programs for the latest information.

**COMMUNITY COLLEGE**

The student planning to teach at the community college level must complete at least a Master's degree in a subject matter area normally taught in the community college.
VOCATIONAL
For teaching in occupational areas, a combination of work experience in the field (five to six years) and education is needed.

ENGINEERING-MECHANICAL LOWER DIVISION
ENGINEERING CURRICULUM
The Statewide Engineering Liaison Council encourages engineering transfer students to complete the prescribed Engineering Core and to obtain verification of that at the community college in order to assure transferability as a junior to any UC, CSU, or selected private four-year colleges and/or universities in the state.

The Engineering Core requirements, Riverside Community College’s equivalent courses are: Mathematics 1A, 1B, 1C, 2; Chemistry 1A, 1B; Physics 4A, 4B, 4C; Engineering 17, 22, 35, 45; English 1A; Electives (8-12 units): Engineering 1A, 33; Machine Shop 51; Mathematics 4, 12; Chemistry 12A; Biology 1; Electronics 37.

To establish all necessary prerequisites to upper division courses, the Statewide Engineering Liaison Council indicates that it is imperative for engineering transfer students to concentrate on completing their (math, science, and engineering) course work and English 1A prior to transferring.

The requirements for the different fields of engineering may vary slightly from the outline listed above. All students should select classes to fulfill the core and/or general education requirements before transferring.

CSU FULLERTON
Chemistry 1A; Biology 1; Engineering 17, 22, 35; Mathematics 1ABC, 2, 3; Physics 4AB

UC RIVERSIDE
Mechanical Chemistry 1A or 1AH, 1B or 1BH; Engineering 17, 22, 30, 35; Mathematics 1ABC, 2; Physics 4ABC; Biology 11

CAL POLY POMONA
Electrical Chemistry 1A; Engineering 21, 30, 35; Mathematics 1ABC, 2, 3; Physics 4ABC

ENGLISH
(English 1AB or equivalency test required at all colleges listed.)

CSU FULLERTON
English 6, 7, 14, 15 (choose 2)

CAL POLY POMONA
English 6 or 7, 14 or 15, 40 or 41; Speech Communications 3A; Choose from French 3; German 3; Japanese 4; Spanish 3, 3N, 7, 8

CSU SAN BERNARDINO
English 6, 7

ENVIRONMENTAL SCIENCE

UC RIVERSIDE
Natural Science Option: Biology 8, 11, 12, 36; Chemistry 1A or 1AH, 1B or 1BH, 12AB; Economics 5; Geology 1/1L or Geography 1/1L; Mathematics 1AB; Physics 2AB

CSU SAN BERNARDINO
Major is called Environmental Studies. Track A: Biology 1; Chemistry 2A; Three (3) courses from: Anthropology 1; Chemistry 2B; Geology 1/1L; Geography 1/1L; Physics 10/11 or 2A

FORESTRY

UC BERKELEY
Biology 12; Chemistry 1A; Economics 7, 8; English 1AB; Geology 1/1L; Mathematics 1A, 1B, 12

CSU HUMBOLDT
Biology 5; Mathematics 1A or 5

GEOGRAPHY

CSU FULLERTON
Geography 1, 2, 3

CAL POLY POMONA
Geography 1, 2; Geographic Information Systems 1 or 5

CSU SAN BERNARDINO
Geography 1/1L or 1H/1L, 2

GEOLOGY

CSU LONG BEACH
Biology 1; Chemistry 1A, 1B; Geology 1/1L, 1B; Mathematics 1AB; Physics 4A, 4B

UC RIVERSIDE
Biology 1, 11, or 17; Chemistry 1A or 1AH, 1B or 1BH; Geology 1/1L, 1B; Mathematics 1AB; Physics 4ABC; Geography 1/1L or 1H/1L

HEALTH SCIENCE

CSU LONG BEACH
School Health Option: Anatomy and Physiology 2A; Biology 1; Chemistry 1A or 2A; Health Science 1; Physical Education 4; Psychology 1; Spanish 1

CSU SAN BERNARDINO
Public Health Option: Anatomy and Physiology 2A, 2B; Chemistry 2A; Microbiology 1

SAN DIEGO STATE UNIVERSITY
Biology 1; Chemistry 2A; Mathematics 12; Psychology 1; Sociology 1; Anatomy and Physiology 2A, 2B

HISTORY

CSU FULLERTON
History 1, 2, 6 or 6H, 7 or 7H

CSU LONG BEACH
History electives (9 units) - choose from History 2, 4, 5, 6, 7

CAL POLY POMONA
History 1, 2, 6 or 6H, 7; Political Science 1

UC RIVERSIDE
History 1 or 2, 6 or 6H, 7 or 7H (if U.S. is primary area of concentration)

JOURNALISM

CSU FULLERTON
Journalism 1, 2, 7, 45

CSU LONG BEACH
Journalism 2, 7

CAL POLY POMONA
Journalism Option: Applied Digital Media 1; Journalism 7 and 12; Mathematics 12; Photography 8

KINESIOLOGY

CSU SAN BERNARDINO
Anatomy and Physiology 2A, 2B
CAL POLY POMONA
Anatomy and Physiology 2AB; Mathematics 12; Biology 11; Physical Education 30

LANDSCAPE ARCHITECTURE
CAL POLY POMONA
Art 17; Chemistry 1A; Engineering 1A, 1B; Mathematics 36

MATHEMATICS
CAL POLY POMONA
Physics 4ABCD; Mathematics 1ABC, 2, 3; CIS 5
CSU SAN BERNARDINO

UC RIVERSIDE
Chemistry 1A or 1AH, 1B or 1BH; Mathematics 1ABC, 2; Physics 4ABCD
CSU SAN BERNARDINO
Chemistry 1A or 1AH, 1B or 1BH; CIS 5; Mathematics 1ABC, 3; Physics 4ABCD

POLITICAL SCIENCE
CSU FULLERTON
Political Science 1 or 1H
CSU LONG BEACH
Political Science 1 or 1H; Any two Political Science electives
CAL POLY POMONA
Political Science 1 or 1H, 2 or 2H, 4 or 4H; Economics 7 or 8
UC RIVERSIDE
Political Science 1 or 1H, 2 or 2H, 4 or 4H, 11; Mathematics 12 or 12H
CSU SAN BERNARDINO
Political Science 1 or 1H, 4 or 4H

PRE-LAW
Admission to most law schools requires a Bachelor’s Degree from an accredited college or university. The major can be any academic discipline, but the student must have achieved a good grade point average. Undergraduate courses should provide an adequate foundation for broad culture: Anthropology, Economics, English, History, Mathematics and Logic, Philosophy, Political Science, Psychology, Science, Sociology, Speech and Debate.

PSYCHOLOGY
CAL POLY POMONA
Sociology 1, 2; Psychology 1, 2; Mathematics 12
CSU SAN BERNARDINO
Mathematics 12 or 12H; Psychology 1; Psychology 9 or Early Childhood Studies 20
SOCIAL SCIENCES

Cal Poly Pomona
Anthropology 1; Economics 7, 8; English 1B or 1BH; Geography 2; History 1, 2, 6 or 6H; Political Science 2 or 2H; Sociology 10

SOCIAL WORK

CSU Long Beach
Anthropology 2; Anatomy and Physiology 2A; Mathematics 12; Psychology 1; Sociology 1
San Diego State University
Biology 1 or 10; Economics 7 or 7H or 8; Health Science 1; Psychology 1; Sociology 1; Mathematics 12; Foreign Language 3

SOCIOLOGY

CSU Fullerton
Sociology 1
UC Riverside
Sociology 1, 49 and 6 units of Sociology electives
CSU San Bernardino
Sociology 1

THEATER ARTS

CSU San Bernardino
Theater Arts 25, 32, 33, 44, 48
Cal Poly Pomona
Theater Arts 3, 33, 34 and 2, 4, 5 or 6; English 9

ZOOGY

CSU Long Beach
Chemistry 1AB; Biology 11, 12; Mathematics 1A, 1B, 4A, 4B; Geology 1/1L or Microbiology 1; Physics 2A, 2B
Cal Poly Pomona
Biology 2A, 2B, 11, 12; Chemistry 1AB, 12A; Mathematics 12; Physics 2AB

HIGH SCHOOL EXIT EXAM
GUI-801 Test for Success CAHSEE Preparation

WORKSHOP COURSES

Each discipline of the college has the option of developing workshop courses that are specifically designated to be experimental courses. (They are developed by faculty members in the discipline and receive curriculum committee approval prior to being offered.) Workshop courses cannot be used to satisfy specific graduation requirements; however, they may be used as elective credit for the Associate degree. Courses with this designation may be periodically found in the semester schedule of classes.

OPEN CAMPUS

The Open Campus is responsible for distributing Distance Education and Faculty Technology Training. The goal of the Distance Education programs of the Open Campus is to make learning available anytime, anywhere for students who find it difficult to meet on campus at scheduled class times. The Open Campus is truly a “campus without walls,” distributing courses through a variety of online-based technologies including the Internet and streaming media. Open Campus courses are academically equivalent to on-campus courses and fulfill RCCD General Education, elective, and/or major requirements, with many classes transferable to four-year institutions.* Some certificate programs offered at RCCD can be completed in a Distance Education format. For further information about Distance Education options, visit www.opencampus.com.

*Always consult an RCCD counselor to review your Student Education Plan before taking any class to be sure it meets your particular goals.

COORDERATE WORK EXPERIENCE EDUCATION

The purpose of the Cooperative Work Experience Education Program is to provide students with an opportunity to increase their overall knowledge of their jobs by relating classroom theory with the world of work, while exposing them to the concepts of human relations in their business and personal lives. There are two work experience programs: general and occupational.

GENERAL WORK EXPERIENCE EDUCATION

This program provides career guidance, job information, human relations, and other similar services for employed students. These jobs do not have to be related to the student’s major. The job may be salaried or volunteer, but students must have a job before the beginning of the third week of class. The student earns 3 units per semester for 180-225 hours of volunteer or paid work experience, respectively, plus weekly attendance at a one hour lecture class. Students can take two (2) semesters of general work experience for a maximum of six (6) units. Veterans wishing to earn units and VA benefits must take occupational work experience.

OCCUPATIONAL WORK EXPERIENCE EDUCATION

Work Experience is a one hour per week class which allows students to earn up to 4 units per semester for experience gained through employment or volunteer service. Enroll in a general Work Experience section and you will be placed in your choice of one of the disciplines below.

Units Determination:
General Work Experience (not related to one of the occupational disciplines listed below) is 3 units only.

Occupational Work Experience (one of the disciplines shown below) varies from 1-4 units. For every one (1) unit of work experience credit students must complete 75 hours of paid work or 60 hours of volunteer work during the college semester. No more than 20 hours per week may be applied toward this work requirement. Below is a general guide to help students enroll in the appropriate number of units of work experience.

<table>
<thead>

How To Get Further Information
Many career and technical education programs are described in special publications of the district. These can often be obtained from high school counseling offices, or prospective students may write or telephone Career and Technical Education, Riverside Community College District, 4800 Magnolia Avenue, Riverside, CA 92506-1299, (951) 222-8963.

ASSOCIATE OF SCIENCE DEGREE
The Associate of Science Degree consists of coursework totaling 60 units or more, including coursework in a specific college certificate pattern plus general education and elective courses.

STATE-APPROVED CERTIFICATE
(Certificate of Achievement)
The state-approved certificate consists of coursework totaling 18 units or more completed in a specific occupational college certificate pattern. State approved certificates may lead to employment competency and may also lead to an associate degree.

LOCALLY-APPROVED CERTIFICATE
(Certificate of Career Preparation)
The locally-approved certificate consists of coursework totaling between 4 to 17 units completed in a specific occupational certificate pattern. Locally approved certificates may lead to employment competency, but do not necessarily lead to an associate degree.

ADMINISTRATION OF JUSTICE

ADMINISTRATION OF JUSTICE (MNR)  AS504/CE504
This program focuses on the criminal justice system, its organizational components and processes, as well as its legal and public policy contexts. This includes instruction in criminal law and policy, police and correction systems organization, the administration of justice and the judiciary, and public attitudes regarding criminal justice issues.

Certificate Program
Required Courses (27 units)   Units
ADJ-1 Introduction to the Administration of Justice 3
ADJ-2 Principles and Procedures of the Justice System 3
ADJ-3 Concepts of Criminal Law 3
ADJ-4 Legal Aspects of Evidence 3
ADJ-5 Community Relations 3
Electives  Choose from elective courses in the discipline 12

Associate of Science Degree
The Associate of Science Degree in Administration of Justice will be awarded upon completion of the degree requirements, including general education and other graduation requirements as described in the college catalog.

ADDITION OF JUSTICE/LAW (M)  AS563/CE563
ENFORCEMENT
Certificate Program
Required Courses (18 units minimum)   Units
ADJ-B1B Basic Peace Officer Training Academy 18
or all of the following:
ADJ-P4A, R1A2, R1B, R1C and W10A
Reserve Training Module Format 36.25

Associate of Science Degree
The Associate of Science Degree in Administration of Justice/Law Enforcement will be awarded upon completion of the degree requirements, including general education and other graduation requirements as described in the college catalog.

The following certificates may lead to employment competency, but do not lead to an Associate of Science Degree:

ADMINISTRATION OF JUSTICE BASIC CORRECTIONAL (M) CE783
DEPUTY ACADEMY
Certificate Program
Required Courses (13 units)   Units
ADJ-C1D Basic Correctional Deputy Academy (C) 13

ADMINISTRATION OF JUSTICE BASIC PUBLIC (M)  CE784
SAFETY DISPATCH COURSE
Certificate Program
Required Courses (5 units)   Units
ADJ-D1A Basic Public Safety Dispatch Course 5

CRIME SCENE INVESTIGATION (MNR)  CE619
Certificate Program
Required Courses (15 units)   Units
ADJ-2 Principles and Procedures of the Justice System 3
ADJ-3 Concepts of Criminal Law 3
ADJ-13 Criminal Investigation 3
ADJ-14 Advanced Criminal Investigation 3
ANT-10 Forensic Anthropology 3

INVESTIGATIVE ASSISTANT (NR)  CE785
Certificate Program
Required Courses (15 units)   Units
ADJ-3 Concepts of Criminal Law 3
ADJ-4 Legal Aspects of Evidence 3
ADJ-13 Criminal Investigation 3
ADJ-23 Criminal Justice Report Writing 3
CIS-1A Introduction to Computer Information Systems 3

PRIVATE SECURITY ASSISTANT (M)  CE786
Certificate Program
Required Courses (5 units)   Units
ADJ-10 Introduction to Security 3
ADJ-P4A Arrest, Search and Seizure 1.5
ADJ-R5A Straight Stick Baton Update for Reserves .25
ADJ-R6A Oleoresin Capsicum for Reserves .25

VICTIM SERVICES AIDE (R)  CE 679
Certificate Program
Required Courses (16 units)   Units
ADJ-1 Introduction to the Administration of Justice 3
ADJ-2 Principles and Procedures of the Justice System 3
ENG-1A English Composition 4
HMS-5 Introduction to Evaluation and Counseling 3
or SPE-9 Interpersonal Communication 3
SOC-20 Introduction to Criminology 3

AIR CONDITIONING AND REFRIGERATION

AIR CONDITIONING AND REFRIGERATION (R)  AS596/CE596
This program prepares individuals to apply technical knowledge and skills to repair, install, service, and maintain the operating condition of air conditioning, and refrigeration systems. This includes instruction in diagnostic techniques, the use of testing equipment, the principles of mechanics, electricity, and electronics as they relate to the repair of air conditioning and refrigeration systems.

Certificate Program
Required Courses (26-27 units)   Units
AIR-50A Air Conditioning and Refrigeration 5
AIR-50B Advanced Refrigeration 5
AIR-51A Environmental Control 5
AIR-51B Industrial Commercial Refrigeration 5
AIR-53 Basic Electricity for Air Conditioning and Refrigeration 4
Electives (Choose from list below) 2-3
**Electives (2-3 units)**
- CON-62 Blueprint Reading 3
- ENE/MAN/WEL-34 Metals Joining Processes 2

**Associate of Science Degree**
The Associate of Science Degree in Air Conditioning and Refrigeration will be awarded upon completion of the degree requirements, including general education and other graduation requirements as described in the college catalog.

---

**APPLIED DIGITAL MEDIA AND PRINTING**

**APPLIED DIGITAL MEDIA AND PRINTING (R) AS653/CE653**
This program prepares students for a wide variety of careers in graphic arts and multimedia. This includes instruction in graphic design, illustration, photo manipulation, web design, animation, electronic prepress, press operation, bindery, and management, using the latest computers and software available. Classes are structured to give strong academic and hands-on experience for entry into the graphic arts/multimedia industries.

ARCHITECTURE

ARCHITECTURE (N) AS509/CE509

This program prepares individuals to apply technical knowledge and skills to develop working drawings and electronic simulations for architectural and related construction projects. This includes instruction in basic construction and structural design, architectural rendering, architectural-aided drafting (CAD), layout and designs, architectural industrial print interpretation, building materials, and basic structural wiring diagramming.

Associate of Science Degree

The Associate of Science Degree in Automotive Technology-Electrical will be awarded upon completion of the degree requirements, including general education and other graduation requirements as described in the college catalog.

AUTOMOTIVE TECHNOLOGY - FORD SPECIALTY (R) AS519

This program is a joint effort of Riverside Community College, Ford Motor Company, and area Ford, Lincoln-Mercury and Mazda dealers. Students will participate in 9 to 12 weeks of classroom instruction, alternated with an additional 9 weeks of full-time paid work experience at a sponsoring Ford, Lincoln-Mercury or Mazda dealership. The system allows students to become familiar with the dealership environment, while applying and reinforcing the on-campus learning.

AUTOMOTIVE TECHNOLOGY - GENERAL MOTORS (R)  AS583

SPECIALTY
This program is a joint effort of Riverside Community College, General Motors Corporation and local GM dealers. Students will participate in 9 weeks of classroom instruction, alternated with an additional 9 weeks of full-time paid work experience at a sponsoring GM dealership. The system allows students to become familiar with the dealership environment, while applying and reinforcing the on-campus learning.

Certificate Program
Required Courses (28 units)  
AUT-81  GM Electrical and Electronics Systems  4  
AUT-82  GM Applied Electronics  4  
AUT-83  GM Engine Performance  8  
AUT-84  GM Brakes, Steering and Suspension Systems  4  
AUT-85  GM Gasoline Engine and Repair  4  
AUT-86  GM Advanced Chassis Systems  4  
AUT-88  GM Manual Transmissions and Drive Trains  4  
AUT-89  GM Automatic Transmissions and Transaxles  4  
AUT-99  Automotive Technology Internship  2-2-2-2  
(must be taken four times)

Associate Degree Program
Required Courses (44 units)  
AUT-51A  Automotive Principles  4  
AUT-51B  Internal Combustion Engines  4  
AUT-51C  Rebuilding, Gas and Diesel-Upper End  4  
AUT-51D  Internal Combustion Engines  4  
AUT-51E  Rebuilding, Gas and Diesel-Lower End  4  
AUT-52A  Automotive Chassis and Alignment  4  
AUT-52B  Automotive Brakes  4  
AUT-52C  Automotive Automatic Transmissions/Transaxles  4  
AUT-52D  Automotive Manual Drivetrain Systems  4  

AUTOMOTIVE TECHNOLOGY - MECHANICAL (R)  AS515/CE515

This program prepares individuals to apply technical knowledge and skills to repair, service, and maintain all types of automobiles. This includes instruction in brake systems, engine performance, engine repair, suspension and steering, automatic and manual transmissions, drive trains, and heating and air conditioning systems.

Certificate Program
Required Courses (28 units)  
AUT-50  Automotive Principles  4  
AUT-51A  Internal Combustion Engines  4  
AUT-51B  Rebuilding, Gas and Diesel-Upper End  4  
AUT-51C  Internal Combustion Engines  4  
AUT-51D  Rebuilding, Gas and Diesel-Lower End  4  
AUT-52A  Automotive Chassis and Alignment  4  
AUT-52B  Automotive Brakes  4  
AUT-52C  Automotive Automatic Transmissions/Transaxles  4  
AUT-52D  Automotive Manual Drivetrain Systems  4  

Associate of Science Degree
The Associate of Science Degree in Automotive Technology-Mechanical will be awarded upon completion of the degree requirements, including general education and other graduation requirements as described in the college catalog.

TOYOTA T-TEN (R)  AS517/CE517

T-Ten offers accelerated options for career-minded individuals who want to quickly begin a dynamic, rewarding profession. Learn from top ASE-Certified instructors who are passionate about cars and eager to help you build a future. Master the latest diagnostic equipment in controlled, supervised learning environments. Make money while you learn on-the-job with a worksite education experience at a Toyota or Lexus dealership (where available).

Certificate Program
Required Courses (28 units)  
AUT-61  Introduction to Toyota Service  3  
AUT-62  Toyota Fuel Systems I  3  
AUT-63  Toyota Electrical Systems Mastery  3  
AUT-64  Toyota Brakes and Suspension  3  
AUT-65A  Toyota Manual Transmissions and Transaxles  3  
AUT-65B  Toyota Automatic Transmissions and Transaxles  3  
AUT-66  Toyota Climate Control Systems  3  
AUT-67  Toyota Fuel Systems II  3  
AUT-99  Automotive Technology Internship  2-2  
(must be taken 2 times)

Associate of Science Degree
The Associate of Science Degree in Automotive Technology-Toyota will be awarded upon completion of the degree requirements, including general education and other graduation requirements as described in the college catalog.

BANKING AND FINANCE
The following certificate may lead to employment competency, but does not lead to an Associate of Science Degree.

BANK OPERATIONS (R)  CE625

This program prepares individuals to perform a wide variety of customer services in banks, insurance agencies, savings and loan companies, and related enterprises. This includes instruction in communications and public relation skills, business equipment operation, and technical skills applicable to the methods and operations of specific financial services.

Certificate Program
Required Courses (13 units)  
BAN-51  Principles of Banking  3  
CAT-1A  Business Etiquette  1  
CAT-30  Business English  3  
CAT-31  Business Communications  3  
MKT-41  Techniques of Selling  3  

Associate of Science Degree
The Associate of Science Degree in Banking and Finance will be awarded upon completion of the degree requirements, including general education and other graduation requirements as described in the college catalog.
BIOTECHNOLOGY

BIOTECHNOLOGY (M)  AS617/CE617

This program prepares individuals to apply biological science, biochemistry, and genetics to the preparation of new and enhanced agricultural, environmental, clinical, and industrial products, including the commercial exploitation of microbes, plants, and animals. This includes instruction in bioinformatics, gene identification, phylogenetics and comparative genomics, bioinorganic chemistry, immunosassaying, DNA sequencing, xenotransplantation, genetic engineering, industrial microbiology, drug and biologic development, enzyme-based production processes, patent law, biotechnology management and marketing, applicable regulations, and biotechnology ethics.

Major Concentration Requirements (12 units)

(In addition to Business Administration Major Core Requirements of 18 units noted above choose another 12 units selected from list below.)

Accounting  12
Banking And Finance  12
General Business  12
Human Resources  12
Logistics Management  12
Management  12
Marketing  12
Real Estate  12

NOTE: Students must complete all Business Administration Major Core Requirements and must complete Major Concentration Requirements (total of 30 units) in order to receive the certificate in the concentration area of their choice.

Associate of Science Degree

The Associate of Science Degree in Business Administration with a Major Concentration will be awarded upon completion of the degree requirements, including general education and other graduation requirements as described in the college catalog.

ACCOUNTING CONCENTRATION (MNR)  AS523/CE523

This program prepares individuals to practice the profession of accounting and to perform related business functions. This includes instruction in accounting principles and theory, financial accounting, managerial accounting, cost accounting, budget control, tax accounting, legal aspects of accounting, reporting procedures, statement analysis, planning and consulting, business information systems, accounting research methods, professional standards and ethics, and applications to specific for-profit, public, and non-profit organizations.

**General Business Concentration (MNR) AS524/CE524**

This program focuses on the general study of business, including domestic, international and electronic, and the important ways in which business impacts our daily lives. The program will prepare individuals to apply business principles and techniques in various career settings and to gain an understanding of business situations that affect their personal and working lives. This includes the buying, selling and production of goods and services, understanding business organizations, general management, and employee motivation strategies, basic accounting principles, the economy, and marketing.

| Business Administration Major Core Requirements | 18 |
| Select another 12 units from the following: | 12 |
| ACC-1B Principles of Accounting II | 3 |
| or | |
| ACC-38 Managerial Accounting | 3 |
| BUS-18B Business Law II | 3 |
| BUS-40 International Business-Principles | 3 |

CAT/CIS-98B Advanced Excel 1.5

Associate of Science Degree
The Associate of Science Degree in Executive Office Management will be awarded upon completion of the degree requirements, including general education and other graduation requirements as described in the college catalog.

Community Interpretation AS557/CE557

The Community Interpretation program provides students with a foundation in the skills of Spanish-English translation and interpretation. Students train intensively in the three modes of interpreting: simultaneous, consecutive, and sight translation. Instruction covers general and literary translation and skills are applied in the contexts of medicine, law, and business. The program prepares individuals seeking interpreter certification and improves marketability for bilinguals who use Spanish and English in the workplace.

Certificate Program
Required Courses (18 units) Units
CMI-61 Introduction to Spanish English Translation 3
CMI-71 Bilingual Interpretation for the Medical Professions 6
CMI-81 Bilingual Interpretation for the Legal Professions 6
CMI-91 Introduction to Translation and Interpretation for Business 3

Executive Office Professional (NR) CE637
Certificate Program
Required Courses (13.5 Units) Units

Required Courses (12 units)  Units
CAT-1A Business Etiquette  1
CAT-30A Business English 30A  1
CAT/CIS-34A Introduction to Microsoft Word for Windows  1.5
CAT-53 Keyboarding/Typing Fundamentals  1
CAT/CIS-65 Introduction to Microsoft PowerPoint  1.5
CAT/CIS-93 Computers for Beginners  3
CAT/CIS-95A Introduction to the Internet  1.5
CAT/CIS-98A Introduction to Excel  1.5

VIRTUAL ASSISTANT (R)  CE677
Certificate Program
Required Courses (17.5 units)  Units
BUS-30 Entrepreneurship and Small Business Management  3
CAT-30 Business English  3
CAT-57 Creating and Managing the Virtual Office  3
CAT/BUS-58 Marketing the Virtual Office  3
Electives  (Choose from list below)  5.5

Electives (5.5 units)  Units
ACC-65 Computerized Accounting  3
CAT-1A Business Etiquette  1
CAT/CIS-34A Introduction to Microsoft Word for Windows  1.5
CAT/CIS-34B Intermediate Microsoft Word for Windows  1.5
CAT/ACC-55 Applied Accounting/Bookkeeping  3
CAT/CIS-60 Introduction to Microsoft Access  1.5
CAT-62 Records Management  3
CAT/CIS-80 Word Processing: Microsoft Word for Windows  3
CAT/CIS-84 Word Processing: WordPerfect for Windows  3
CAT-68 Internships in Computer Applications and Office Technology  3
CAT/CIS-95A Introduction to the Internet  1.5
CAT/CIS-98A Introduction to Excel  1.5
CIS/CAT-98B Advanced Excel  1.5

Core courses will be offered online. Most electives will be offered in online or hybrid formats.

It is recommended that individuals interested in this field acquire office experience before deciding to work on their own as a virtual assistant.

COMPUTER INFORMATION SYSTEMS

This program focuses on computers, computing problems and solutions, and design of computers systems and user interfaces from a scientific perspective. This includes instruction in their principles of computation science, and computing theory; computer hardware design; computer development and programming; and application to a variety of end-use situations.

COMPUTER APPLICATIONS (MR)  AS726/CE726

This program generally prepares individuals to perform basic data and text entry using standard and customized software products. This includes instruction in keyboarding skills, personal computer and work station operation, reading draft texts and raw data forms, and various interactive software programs used for tasks such as word processing, spreadsheets, databases, and others.

Certificate Program
Required Courses (31.5 units)  Units
CIS-1A Introduction to Computer Information Systems  3
CIS-1B Advanced Concepts in Computer Information Systems  3
CIS-5 Fundamentals of Programming Logic using C++  3 or
CIS-28A MS Access Programming  3
CIS-21 Introduction to Operating Systems  3
CIS-95A Introduction to the Internet  1.5
CAT-31 Business Communications  3 or
BUS-22 Management Communications  3
Electives 1 (Choose from list below)  7.5
Electives 2 (Choose from list below)  7.5

Electives 1 (7.5 units)
CIS-2 Fundamentals of Systems Analysis  3
CIS-23 Software and End User Support  3
CIS-25 Data Communications  3
CIS-61 Introduction to Databases  3
CIS/CAT-80 Word Processing: Microsoft Word for Windows  3
CIS/CAT-84 Word Processing: WordPerfect for Windows  3
CIS/CAT-98B Advanced Excel  1.5
GIS-1 Introduction to Geographic Information Systems  3

Electives 2 (7.5 units)
CIS-12 PHP Dynamic Web Site Programming  3
CIS-14A Web Programming: Java Script  3
CIS-14B Web Programming: Active Server Pages  3
CIS/CAT-54A Introduction to Flash  3
CIS/CAT-56A Designing Web Graphics  3
CIS-72A Introduction to Web Page Creation  1.5
CIS-72B Intermediate Web Page Creation using Cascading Style Sheets (CSS)  1.5
CIS/CAT-76A Introduction to Microsoft Expression Web  3
CIS/CAT-76B Introduction to DreamWeaver  3
CIS/CAT-78A Introduction to Adobe PhotoShop  3
CIS/CAT-79 Introduction to Adobe Illustrator  3
CIS/CAT-81 Introduction to Desktop Publishing using Adobe InDesign  3
**ASSOCIATE OF SCIENCE DEGREE**

The Associate of Science Degree in Computer Information Systems, Computer Applications will be awarded upon completion of the degree requirements, including general education and other graduation requirements as described in the college catalog.

**COMPUTER PROGRAMMING (MR) AS728/CE728**

This program focuses on the general writing and implementation of generic and customized programs to drive operating systems that generally prepare individuals to apply the methods and procedures of software design and programming to software installation and maintenance. This includes instruction in software design; low and high-level languages and program writing; program customization and linking; prototype testing; troubleshooting; and related aspects of operating systems and networks.

- CIS-15C: Visual Basic Programming: Databases
- CIS-28A: MS Access Programming

- CIS-29A: Introduction to Oracle
- CIS-29B: Oracle Application Development
- CIS-29C: Oracle Database and Server Administration

**Construction Technology**

This program prepares individuals with the technical knowledge and skills in the area of building construction. This includes instruction enabling students to better understand and interpret construction codes, as well as clarifying processes and materials used in construction; and the basic physical laws which are used to formulate the prescriptive code regulations. Management and inspection skills are also examined.

Associate of Science Degree
The Associate of Science Degree in Cosmetology will be awarded upon completion of the degree requirements, including general education and other graduation requirements as described in the college catalog.

COSMETOLOGY
This program prepares individuals to provide professional cosmetic services in salons, resorts, casinos, dermatologist's offices and other related industry establishments. This includes courses in hair design, hair sculpting, chemical, esthetic and other cosmetic services, safety and sanitation, management, customer service, and preparation for practicing as licensed cosmetologist in the state of California. Courses in applicable professional labor laws and regulations in the cosmetology industry, physiology, anatomy, electricity and ergonomics are also covered in depth. Emphasis is placed on passing state licensing exam and industry entry skills.

COSMETOLOGY BUSINESS ADMINISTRATION

A Certificate Program will be awarded to graduates of the Cosmetology Program, or Cosmetology License holders upon successful completion of all Cosmetology Business Administration Certificate Program requirements and 12 units selected from the Major Concentration Requirements (total of 21 units) in order to receive the certificate in the concentration area of their choice.

In addition to the Cosmetology Business Administration Major Concentration Requirements of 9 units noted above, choose another 12 units from one of the following concentrations:

1. Entrepreneurial Concentration
   Management and Supervision Concentration

   ENTREPRENEURIAL CONCENTRATION (R)  AS537/CE537
   Select another 12 units from the following:
   ACC-1B Principles of Accounting II 3
   ACC-62 Payroll Accounting 3
   ART-39 Design and Graphics 3
   BUS-20 Business Mathematics 3
   BUS-30 Entrepreneurship and Small Business 3
   Management
   MKT-20 Principles of Marketing 3
   MKT-30 Fashion Merchandising 3
   MKT-40 Advertising 3
   MKT-41 Techniques of Selling 3
   MKT-42 Retail Management 3
   CAT-30 Business English 3

   MANAGEMENT AND SUPERVISION (R)  AS535/CE535
   Select another 12 units from the following:
   ACC-1B Principles of Accounting II 3
   ACC-38 Managerial Accounting 3
   BUS-18A Business Law I 3
   BUS-18B Business Law II 3
   BUS-22 Management Communications 3
   BUS/MAG-47 Applied Business and Management Ethics 3
   MAG-44 Principles of Management 3
   MAG-46 Contemporary Quality Systems Management 3
   MAG-51 Elements of Supervision 3
   MAG-53 Human Relations 3
   MAG-56 Human Resources Management 3

Associate of Science Degree
The Associate of Science Degree in Cosmetology Business Administration will be awarded upon completion of the degree requirements, including general education and other graduation requirements as described in the college catalog.
The following certificates may lead to employment competency, but do not lead to an Associate of Science Degree.

**Cosmetology Instructor Training (R)**

Certificate Program

<table>

</tbody>
</table>

Completion of esthetician courses (each with a grade of “C” or better) entitles the student to the Esthetician certificate and eligibility for the State Board of Barbering and Cosmetology licensing exam.

Transfer students possessing eligible esthetician hours of applied effort will be placed in the appropriate section with the approval of the department chair.

**Culinary Arts**

This program prepares individuals to provide professional chef and related hospitality services in restaurants and other commercial food establishments. This includes instruction in recipe and menu planning, preparing and cooking of foods, supervising and training kitchen assistants, the management of food supplies and kitchen resources, including cost and inventory controls, aesthetics of food preparation and presentation, as well as training in a wide variety of cuisines and culinary techniques.

**Dental Assistant**

This program prepares individuals to provide patient care, take dental radiographs (x-ray), prepare patients and equipment for dental procedures, as well as discharge office administrative functions under the supervision of dentists and dental hygienists. This includes instruction in dental record-keeping, general office duties, reception and patient intake, scheduling, equipment maintenance and sterilization, dental radiography, pre and post-operative patient care and instruction, chair-side assisting, taking tooth and mouth impressions, and supervised practice.

+ These courses may be taken prior to entrance into the Dental Assistant Program or the equivalent can be met through testing.

*Students must take a minimum of DEA-40C and either DEA-40A or DEA-40B to complete the certificate program.

**Associate of Science Degree**

The Associate of Science Degree in Dental Assisting will be awarded upon completion of the degree requirements, including general education and other graduation requirements as described in the college catalog.
DENTAL HYGIENE
This program prepares individuals to clean teeth and apply preventive materials; provide oral health education and treatment counseling to patients; identify oral pathologies and injuries; and manage dental hygiene practices. This includes instruction in dental anatomy, microbiology, and pathology; dental hygiene theory and techniques; cleaning equipment operation and maintenance; dental materials; radiology; patient education and counseling; office management; supervised clinical training; and professional standards.

DENTAL HYGIENE (M) AS724

Associate of Science Degree
Required Course (60.5 units) Units
First Semester courses:
DEH-10A Pre-Clinic Dental Hygiene #1 2.5
DEH-11 Principles of Dental Hygiene 2
DEH-12A Principles of Oral Radiology 1
DEH-12B Oral Radiology Laboratory 1
DEH-13 Infection Control in Dentistry 1
DEH-14 Systems Analysis of Dental Anatomy 3.5
DEH-15 Head and Neck Anatomy 2
DEH-16 Preventive Dentistry 1
DEH-17 General Pathology 2

First Winter Intersession Courses:
DEH-10B Pre-Clinic Dental Hygiene #2 1
DEH-19 Pain Control 1.5

Second Semester Courses:
DEH-20A Clinical Dental Hygiene #1 3
DEH-21 Clinical Seminar #1 1
DEH-22 Oral Radiology Interpretation 1
DEH-23 Introduction to Periodontology 2
DEH-24 Ethics 1
DEH-25 Medical/Dental Emergencies 1
DEH-26 Dental Treatment of Geriatric and Medically Compromised 2
DEH-27 Oral Pathology 3
DEH-28 Basic and Applied Pharmacology 2

Summer Session Courses:
DEH-20B Clinical Dental Hygiene #2 1

Third Semester Courses:
DEH-30A Clinical Dental Hygiene #3 3.5
DEH-31 Clinical Seminar #2 1
DEH-32 Dental Materials 2.5
DEH-33 Periodontology 1
DEH-34 Community Dental Health Education #1 1
DEH-35 Community Dental Health Education Practicum #1 1
DEH-36 Research Methodology 2
DEH-37 Nutrition in Dentistry 1

Second Winter Intersession Courses:
DEH-30B Clinical Dental Hygiene #4 1

Fourth Semester Courses:
DEH-40 Clinical Dental Hygiene #5 4
DEH-41 Clinical Seminar #3 1
DEH-42 Practice Management and Jurisprudence 2
DEH-43 Advanced Periodontology 1
DEH-44 Community Dental Health Education #2 1
DEH-45 Community Dental Health Education Practicum #2 1
DEH-46 Advanced Topics in Dental Hygiene 1

Associate of Science Degree
The Associate of Science Degree in Dental Hygiene will be awarded upon completion of the degree requirements, including general education and other graduation requirements as described in the college catalog.

DENTAL LABORATORY TECHNOLOGY
This program provides individuals, under the supervision of dentists, to design and construct dental prostheses such as caps, crowns, bridges, dentures, splints, and orthodontic appliances. This includes instruction in dental anatomy, dental materials, ceramics technology, impressions, complete dentures, partial dentures, orthodontics, crowns and bridges, sculpture, bonding and assembly techniques, and equipment operation.

DENTAL LABORATORY TECHNOLOGY (M) AS723/CE723 Certificate Program
Required Courses (37 units) Units
DEN-70 Introduction to Dental Technology 2
DEN-71 Dental Morphology 3
DEN-72A Dental Materials I 1
DEN-72B Dental Materials II 1
DEN-74 Dental Anatomy and Physiology 1
DEN-75A Complete Denture Techniques I 3
DEN-75B Complete Denture Techniques II 3
DEN-77A Removable Partial Denture Techniques I 3
DEN-77B Removable Partial Denture Techniques II 3
DEN-79A Crown and Bridge Techniques I 3
DEN-79B Crown and Bridge Techniques II 3
DEN-82 Dental Laboratory Management 1
DEN-85 Orthodontic/Pedodontic Techniques 3
DEN-89A Dental Ceramics I 3
DEN-89B Dental Ceramics II 3
DEN-200 Work Experience 1-2-3-4

Associate of Science Degree
The Associate of Science Degree in Dental Laboratory Technology will be awarded upon completion of the degree requirements, including general education and other graduation requirements as described in the college catalog.
DRAFTING TECHNOLOGY
This program prepares individuals to apply technical skills and advanced computer software and hardware to the creation of graphic representations and simulation in support of drafting and engineering design problems typical of industry. This includes instruction in engineering graphics, computer-aided drafting (CAD), two-dimensional and three-dimensional engineering design, solids modeling, rapid prototyping and engineering animation.

**Associate of Science Degree**
The Associate of Science Degree in Drafting Technology will be awarded upon completion of the degree requirements, including general education and other graduation requirements as described in the college catalog.

EARLY CHILDHOOD EDUCATION
This program focuses on the theory and practice of learning and teaching children from birth to age eight; the basic principles of educational and developmental psychology; the art of observing, teaching and guiding young children; planning and administration of developmentally appropriate inclusive educational activities; school safety and health issues; and the social and emotional foundations of early care and education.

Child Development Permit
The Early Childhood Education program provides an educational and practical foundation for students interested in working with children from infancy through third grade. In addition to theoretical principles, the curriculum offers practical skills and on-site training that will prepare students for employment in the field of Early Childhood Education. The program leads to certificates in Early Childhood Education and/or an Associate of Science Degree. The EAR courses will also fulfill the required child development coursework for the state issued Child Development Permit. Information regarding this permit and/or the Early Childhood Education Certificates are available from the Early Childhood Education Department.

Upon completion of the requirements for the certificate program and 16 units of special courses in general education, the student has fulfilled the course requirements for the Child Development Permit, teacher level. See the State guidelines for experience qualifications and additional levels. For child development interactive video information, see www.rcc.edu/cdpermit.

Associate of Science Degree
The Associate of Science Degree in Early Childhood Education will be awarded upon completion of the degree requirements, including general education and other graduation requirements as described in the college catalog.

**EDUCATION PARAPROFESSIONAL**
This program prepares individuals to assist a teacher in regular classroom settings or in providing instruction and supervision to special student populations, such as bilingual/bicultural students, special education students, adult learners, and students learning English. This includes instruction in techniques of general classroom supervision, maintaining order, assisting with lessons, and carrying out related assignments.

Associate of Science Degree
The Associate of Science Degree in Education Paraprofessional will be awarded upon completion of the degree requirements, including general education and other graduation requirements as described in the college catalog.

ELECTRONICS TECHNOLOGY
This program prepares individuals to apply basic engineering principles and technical skills in support of electrical, electronics, and communication engineers. Includes instruction in electrical circuitry, prototype development and testing; systems analysis and testing. Systems maintenance, instrument calibration, and report preparation.

ELECTRONICS COMPUTER SYSTEMS (N) AS545/CE545 Certificate Program
Required Courses (35-39 units) Units
ELE-10 Survey of Electronics 4
or both
ELE-21 DC-AC Electronics 4
and
ELE-23 Electronics Devices and Circuits 4
ELE-25 Digital Techniques 4
ELE-26 Microprocessors and Microcontrollers 4
ELE/ENE-27 Technical Communication 3
ELE-36 Advanced Microprocessors 4
ELE-38 Computer Systems Troubleshooting 4
ELE-39 PCM and Digital Transmissions 3
ELE-40 Fiber Optic Basics 3
Electives (Choose from list below) 6

Electives
CIS-5 Fundamentals of Programming Logic using C++ 3
CIS-17A C++ Programming: Objects 3
CIS-17B C++ Programming: Advanced Objects 3
ELE-22 Passive Circuit Analysis 3
ELE-24 Active Circuit Analysis 3
ELE-200 Electronics Work Experience 1-2-3-4
ENE-22 Engineering Drawing 3
ENE-31 Computer-Aided Drafting and Design 3
ENE-60 Math for Engineering Technology 3
MAN-47A Statistical Process Control 3
MAN-51 Machine Processes 3
MAN-60 Hydraulic and Pneumatic Systems 3
MAN-75A Robotic Systems 4
MAN-76 Automated Systems Lab 1

Associate of Science Degree
The Associate of Science Degree in Electronics Technology will be awarded upon completion of the degree requirements, including general education and other graduation requirements as described in the college catalog.

ELECTRONICS TECHNOLOGY (N) AS546/CE546 Certificate Program
Required Courses (28 units) Units
ELE-21 DC-AC Electronics 4
ELE-23 Electronics Devices and Circuits 4
ELE-25 Digital Techniques 4
ELE-26 Microprocessors and Microcontrollers 4
ELE/ENE-27 Technical Communication 3
Electives (Choose from list below) 9

Electives
CIS-5 Fundamentals of Programming Logic using C++ 3

ELE-200 Electronics Work Experience 1-4
ENE-22 Engineering Drawing 3
ENE-31 Computer-Aided Drafting and Design 3
ENE-60 Math for Engineering Technology 3
MAN-47A Statistical Process Control 3
MAN-51 Machine Processes 3
MAN-60 Hydraulic and Pneumatic Systems 3
MAN-75A Robotic Systems 4
MAN-76 Automated Systems Lab 1

Associate of Science Degree
The Associate of Science Degree in Electronics Computer Systems will be awarded upon completion of the degree requirements, including general education and other graduation requirements as described in the college catalog.

ANALOG AND DIGITAL MICROELECTRONICS (N) CE831 Certificate Program
Required Courses (15 units) Units
ELE-23 Electronics Devices and Circuits 4
ELE-24 Active Circuit Analysis 3
ELE-25 Digital Techniques 4
ELE-26 Microprocessors and Microcontrollers 4

ANALOG ELECTRONICS, ANALYSIS AND (N) CE834 DOCUMENTATION Certificate Program
Required Courses (15 units) Units
ELE-22 Passive Circuit Analysis 3
ELE-23 Electronics Devices and Circuits 4
ELE-24 Active Circuit Analysis 3
ELE/ENE-27 Technical Communication 3
ELE-28 Automated Electronics Design and Documentation Tools 2
ANALOG ELECTRONICS TECHNOLOGY (N)  CE835
Certificate Program
Required Courses (11 units)  Units
ELE-10  Survey of Electronics  4
or
ELE-21  DC-AC Electronics  4
ELE-23  Electronics Devices and Circuits  4
ELE-24  Active Circuit Analysis  3

DIGITAL ELECTRONICS TECHNOLOGY (N)  CE837
Certificate Program
Required Courses (11 units)  Units
ELE-25  Digital Techniques  4
ELE-26  Microprocessors and Microcontrollers  4
or
ELE-36  Advanced Microprocessors  4
ELE-39  PCM and Digital Transmission  3

DIGITAL TECHNOLOGY AND DOCUMENTATION (N)  CE839
Certificate Program
Required Courses (16 units)  Units
ELE-10  Survey of Electronics  4
or
ELE-21  DC-AC Electronics  4
ELE-25  Digital Techniques  4
ELE/ENE-27  Technical Communication  3
ELE-28  Automated Electronics Design and Documentation Tools  2
ELE-39  PCM and Digital Transmission  3

ELECTRONIC CIRCUIT ANALYSIS (N)  CE836
Certificate Program
Required Courses (10 units)  Units
ELE-10  Survey of Electronics  4
or
ELE-21  DC-AC Electronics  4
ELE-22  Passive Circuit Analysis  3
ELE-24  Active Circuit Analysis  3

ELECTRONIC COMMUNICATIONS (N)  CE838
Certificate Program
Required Courses (15 units)  Units
ELE-10  Survey of Electronics  4
ELE/ENE-27  Technical Communication  3
ELE-28  Automated Electronics Design and Documentation Tools  2
ELE-32  FCC Radiotelephone License Exam Preparation  3
ELE-39  PCM and Digital Transmission  3

ELECTRONICS DOCUMENTATION (N)  CE844
Certificate Program
Required Courses (9 units)  Units
ELE-10  Survey of Electronics  4
or
ELE-21  DC-AC Electronics  4
ELE/ENE-27  Technical Communication  3
ELE-28  Automated Electronics Design and Documentation Tools  2

GENERAL ELECTRONICS CORE (N)  CE847
Certificate Program
Required Courses (16 units)  Units
ELE-10  Survey of Electronics  4
ELE-23  Electronics Devices and Circuits  4
ELE-25  Digital Techniques  4
ELE-26  Microprocessors and Microcontrollers  4

MICROCOMPUTER TECHNOLOGY (N)  CE848
Certificate Program
Required Courses (12 units)  Units
ELE-26  Microprocessors and Microcontrollers  4
ELE-36  Advanced Microprocessors  4
ELE-38  Computer Systems Troubleshooting  4

MICROPROCESSOR TECHNOLOGY (N)  CE845
Certificate Program
Required Courses (12 units)  Units
ELE-25  Digital Techniques  4
ELE-26  Microprocessors and Microcontrollers  4
ELE-36  Advanced Microprocessors  4

WIRELESS AND FIBER-OPTIC COMMUNICATIONS (N)  CE846
Certificate Program
Required Courses (13 units)  Units
ELE-10  Survey of Electronics  4
ELE-32  FCC Radiotelephone License Exam Preparation  3
ELE-39  PCM and Digital Transmission  3
ELE-40  Fiber-Optic Basics  3

EMERGENCY MEDICAL SERVICES
This program prepares individuals, under the remote supervision of physicians, to recognize, assess, and manage medical emergencies in prehospital settings and to supervise ambulance personnel. This includes instruction in basic, intermediate, and advanced EMS procedures; emergency surgical procedures; medical triage; rescue operations; crisis scene management and personal supervision; equipment operation and maintenance; patient stabilization, monitoring, and care; drug administration; identification and preliminary diagnosis of disease and injuries; communication and computer operations; basic anatomy, physiology, pathology, and toxicology; and professional standards and regulations.

PARAMEDIC (M)  AS585/CE585
Certificate Program
Required Courses (49.5 units)  Units
EMS-60  Patient Assessment and Airway Management  4
EMS-61  Introduction to Medical Pathophysiology  3
EMS-62  Emergency Pharmacology  4
EMS-63  Cardiology  4
EMS-70  Trauma Management  4
EMS-71  Clinical Medical Specialty I  2.5
EMS-80  Medical Emergencies  4.5
EMS-81  Special Populations  4.5
EMS-82  Special Topics  2
EMS-83  Clinical Medical Specialty II  2.5
EMS-90  Assessment Based Management  4.5
EMS-91  Paramedic Field Internship  10
Associate of Science Degree
The Associate of Science Degree in Paramedic will be awarded upon completion of the degree requirements, including general education and other graduation requirements as described in the college catalog.

The following certificate may lead to employment competency, but does not lead to an Associate of Science Degree:

**EMERGENCY MEDICAL TECHNICIAN (M)**

Certificate Program
Required Courses (7 units) Units
EMS-50 Emergency Medical Services-Basic 6
EMS-51 Emergency Medical Services-Basic 1

**ENGINEERING TECHNOLOGY**
This program generally prepares individuals to apply basic engineering principles and technical skills in support of engineers engaged in a wide variety of projects. This includes instruction in various engineering support functions for research, production, and operation, and application to specific engineering specialties. This discipline focuses on Engineering Technology, Mechanical Engineering and Civil Engineering (Engineering Technicians).

**ENGINEERING SOFTWARE APPLICATIONS (N)**

Certificate Program
Required Courses (21 units) Units
ENE-21 Drafting 3
ENE-30 Computer-Aided Drafting 3
ENE-31 Computer-Aided Drafting and Design 3
ENE-42 SolidWorks I 3
ART-36 Computer Art 3
CIS-1A Introduction to Computer Information Systems 3
ADM-71 Adobe Photoshop 3
or
CIS/CAT-78A Introduction to Adobe Photoshop 3

Associate of Science Degree
The Associate of Science Degree in Engineering Software Applications will be awarded upon completion of the degree requirements, including general education and other graduation requirements as described in the college catalog.

**ENGINEERING TECHNICIAN (N)**

Certificate Program
Required Courses (27 units) Units
ENE-1A Plane Surveying I 3
ENE-1B Plane Surveying II 3
ENE-21 Drafting 3
ENE-22 Engineering Drawing 3
ENE-30 Computer-Aided Drafting (CAD) 3
MAT-35 Intermediate Algebra 5
MAT-36 Trigonometry 4
Electives (Choose from list below) 3

Electives
ARE-24 Architectural Drafting 3
ENE-23 Descriptive Geometry 3
ENE-26 Civil Engineering Drafting 3
ENE-31 Computer-Aided Drafting and Design 3

**ENGINEERING TECHNOLOGY (N)**

Certificate Program
Required Courses (35-37 units) Units
ENE-21 Drafting 3
ENE-22 Engineering Drawing 3
ENE/ELE-27 Technical Communication 3
ENE-30 Computer Aided Drafting (CAD) 3
ENE-33 Machine Design 3
ELE-21 DC-AC Drafting (CAD) 4
MAT-11 College Algebra 4
MAT-36 Trigonometry 4
WEL/ENE/MAN-34 Metal Joining Processes 2
Electives (Choose from list below) 6-8

Electives
CHE-2A Introductory Chemistry I 4
ENE-23 Descriptive Geometry 3
MAC/MAN-51 Machine Processes 3
MAT-5 Calculus, A Short Course 4
MAT-12 Statistics 4
PHY-2A General Physics I 4

Associate of Science Degree
The Associate of Science Degree in Engineering Technology will be awarded upon completion of the degree requirements, including general education and other graduation requirements as described in the college catalog.

The following certificates may lead to employment competency, but do not lead to an Associate of Science Degree:

**ENGINEERING GRAPHICS (N)**

Certificate Program
Required Courses (9 units) Units
ENE-21 Drafting 3
ENE-22 Engineering Drawing 3
ENE-30 Computer-Aided Drafting (CAD) 3

**INDUSTRIAL DESIGN (N)**

Certificate Program
Required Courses (10 units) Units
ENE-28 Technical Design 3
ENE-42 Solid Works I 3
MAN-52 Computer-Aided Manufacturing-Mastercam 4
FILM, TELEVISION AND VIDEO
The program prepares individuals to communicate information, entertainment and ideas through film, television and video. This includes practical, hands-on instruction in how to plan and produce a variety of genre in film, television and video; crew responsibilities and production techniques for film, television, video and audio; equipment operation including film and video cameras, editing equipment, switches, character generators, lighting instruments, and microphones; techniques for making specific types of film, television and video programming; use of digital technology and computer applications to record, edit or enhance images, audio, graphics or effects; and how to manage film and video operations.

FILM, TELEVISION AND VIDEO (R) AS641/CE641
PROD SPECIALIST
Certificate Program
Required Courses (28 units) Units
FTV-41 Introduction to Telecommunications 3
FTV-42 Writing for Broadcast Television and Radio 3
FTV-43 Television Studio and Equipment 3
FTV-44 Introduction to Television Production 3.5
JOU/FTV-45 Television News Production 3.5

Choose 3 units 3
FTV-38 Telecommunications Production Project 3
FTV-53 Telecommunications Laboratory 3

In addition, choose and complete courses from one emphasis below: 9

DIGITAL MEDIA/MOTION GRAPHICS EMPHASIS
(Total of 9 units)
Core Requirements 19
FTV-51 Telecommunications Laboratory 1
FTV-52 Telecommunications Laboratory 2
FTV-60 Overview of Digital Media 3
FTV-64 Digital Editing Principles and Techniques 3
FTV-66 Advanced Digital Editing 3
FTV-200 Telecommunications Work Experience 1-2-3-4
ADM-68 3D Animation with Maya 3
ADM-69 Motion Graphics and Compositing 3
with After Effects
ADM-71 Adobe Photoshop 3
ADM-78A Multimedia Construction with 3
Macromedia Director
ADM-78B Multimedia Construction with Lingo 3
ART-22 Basic Design 3
ART-23 Design and Color 3
ART-36 Computer Art 3
PHO-8 Introduction to Photography 3

FTV 12 History of Film 3
FTV-48 Short Film Production 3
FTV-51 Telecommunications Laboratory 1
FTV-52 Telecommunications Laboratory 2
FTV-64 Digital Editing Principles and Techniques 3
FTV-65 The Director's Art in Filmmaking 3
FTV-66 Advanced Digital Editing 3
FTV-68 Story Development Process 3
in the Entertainment Industry
FTV-69 Script Supervising for Television and Film 3
FTV-70 Scriptwriting Software using Final Draft 1
FTV-200 Telecommunications Work Experience 1-2-3-4
ADM-68 3D Animation with Maya 3
ADM-69 Motion Graphics and Compositing 3
with After Effects
ADM-71 Adobe Photoshop 3
ENG-38 Introduction to Screenwriting 3
PHO-8 Introduction to Photography 3
THE-5 Theatre Practicum 3

SOUND ENGINEERING EMPHASIS
(Total of 9 units)
Core Requirements 19
FTV/MUS-11 Sound Recording and 3
Reinforcement Techniques
FTV-51 Telecommunications Laboratory 1
FTV-52 Telecommunications Laboratory 2
FTV-63 Multimedia Sound Design Techniques 3
FTV-64 Digital Editing Principles and Techniques 3

**Associate of Science Degree**
The Associate of Science Degree in Fire Academy will be awarded upon completion of the degree requirements, including general education and other graduation requirements as described in the college catalog.

**Geographic Information Systems**
This program prepares individuals for the systematic study of mapmaking and the application of mathematical, computer and other techniques to the science of mapping geographic information. This includes instruction in cartographic theory and map projections, computer-assisted cartography, map design and layout, photogrammetry, air photo interpretation, remote sensing, cartographic editing, and applications to specific industrial, commercial, research, and governmental mapping problems.

The following certificates may lead to employment competency, but do not lead to an Associate of Science Degree:

LOGISTICS MANAGEMENT
This program prepares individuals to manage business logistics functions, ranging from acquisitions to receiving and handling, through internal allocation of resources to operations units, and delivery to the final customer. This includes instruction in the domestic and international aspects of logistics contracts and purchasing, computerized logistics systems, inventory control, warehousing, transportation, and freight claims. Emphasis is placed on the efficient and effective integration of all logistics activities.

LOGISTICS MANAGEMENT (N) AS579/CE579
Certificate Program
Required Courses (18 units) Units
BUS-80 Principles of Logistics 3
BUS/MAN-81 Inventory Control 1.5
BUS-82 Freight Claims 1.5
BUS-83 Contracts 1.5
BUS-84 Computerized Logistics 1.5
BUS-85 Warehouse Management 3
BUS-86 Transportation and Traffic Management 3
BUS-87 Introduction to Purchasing 3
BUS-90 International Logistics 3

Associate of Science Degree
The Associate of Science Degree in Logistics Management will be awarded upon completion of the degree requirements, including general education and other graduation requirements as described in the college catalog.

MANAGEMENT
See BUSINESS ADMINISTRATION

MANUFACTURING TECHNOLOGY
This program prepares individuals to apply basic engineering principles and technical skills to the identification and resolution of production problems in the manufacture of products. This includes instruction in machine operations, production line operations, engineering analysis, systems analysis, instrumentation, physical controls, automation, computer-aided manufacturing (CAM), manufacturing planning, quality control, and informational infrastructure.

AUTOMATED SYSTEMS (N) AS732/CE732
Certificate Program
Required Courses (32 units) Units
ELE-26 Microprocessors and Microcontrollers 4
MAC/MAN-56 CNC Machine Setup and Operation 4
MAC/ENE-61 Computer Aided Design and Computer Aided Manufacturing 2
MAN-30 Material Handling 3
MAN-60 Hydraulics and Pneumatic Systems 3
MAN-62 Computer Integrated Manufacturing 3
MAN-64 Programmable Logic Controllers 2
MAN-75A Robotic Systems 4
MAN-76 Automated Systems Lab 1

**Medical Transcription (MR)**  
**Associate of Science Degree**

The purpose of the course is to prepare the individual to be a medical language specialist who will apply the knowledge of medical terminology, anatomy and physiology, and English language rules to the transcription and proofreading of medical dictation from various healthcare providers. The individual will interpret and transcribe dictation by physicians and other healthcare professionals regarding patient assessment, therapeutic procedures, and clinical course, to provide a permanent medicolegal record of patient care. This includes preparing the individual to recognize, interpret and evaluate inconsistencies in the grammar of the spoken word and appropriately edit, revise and clarify it without changing the meaning of the dictation. The individual will be prepared to demonstrate an understanding of the medicolegal responsibilities and implications related to the transcription of documents in order to protect the patient and the institution/business facility. The operation of designated word processing, dictation and transcription equipment and software will be included.

**Associate of Science Degree**

The Associate of Science Degree in Medical Assisting/Medical Transcription will be awarded upon completion of the degree requirements, including general education and other graduation requirements as described in the college catalog.
MUSIC
The following certificates may lead to employment competency, but do not lead to an Associate of Science Degree:

JAZZ PERFORMANCE (R)  CE852
Certificate Program
Required Courses (17-17.5 units)  Units
MUS-25  Jazz Appreciation  3
MUS-35  Vocal Music Ensembles (2 semesters)  2
or
MUS-36  Instrumental Chamber Ensembles  1.5
(1 semester)
MUS-39  Intermediate Applied Music (2 semesters)  6
MUS-43  Jazz Improvisation and Theory (2 semesters)  2
MUS-52  Recital Performance  .5
Performing Ensemble (Choose from list below)  4
Performing Ensembles
MUS-33  Vocal Jazz Ensemble (2 semesters)  4
or
MUS-44  Jazz Ensemble (2 semesters)  4

MIDI (R)  CE850
Certificate Program
Required Courses (13 units)  Units
MUS-3  Fundamentals of Music  4
MUS-8A  Introduction to MIDI and Digital Audio  3
MUS-8B  Sequencing and Orchestration with Digital Audio and MIDI  3
MUS-9  Music Composition and Film Scoring with Digital Audio  3

MUSIC PERFORMANCE (R)  CE851
Certificate Program
Required Courses (17.5 units)  Units
MUS-39  Intermediate Applied Music (3 semesters)  9
MUS-52  Recital Performance (25 minute solo program)  .5
Performing Ensemble (Choose from list below)  8
Performing Ensembles (8 units—4 semesters)
MUS-28  Riverside Community Symphony  2
MUS-33  Vocal Jazz Ensemble  2
MUS-41  Chamber Singers  2
MUS-42  Wind Ensemble  2
MUS-44  Jazz Ensemble  2
MUS-48  Marching Band  2
MUS-77  Guitar Ensemble  2

NURSING
REGISTERED NURSING PROGRAM (R)  AS586
This program generally prepares individuals in the knowledge, techniques and procedures for promoting health, providing care for sick, disabled, infirm, or other individuals or groups. This includes instruction in the administration of medication and treatments, assisting a physician during treatments and examinations, referring patients to physicians and other health care specialists, and planning education for health maintenance.

ASSOCIATE OF SCIENCE DEGREE IN REGISTERED NURSING
The Associate of Science Degree in Registered Nursing will be awarded upon successful completion of the following courses:

Required Courses (71.5 units)  Units
AMY-2A  Anatomy and Physiology I  4
AMY-2B  Anatomy and Physiology II  4
MIC-1  Microbiology  4
Nursing 17 is required within one year prior to enrollment for all advanced placement/transfer students.
PSY-9  Developmental Psychology  3
(SPY-9 required prior to NRN-2)
SOC-1  Introduction to Sociology  3
or
ANT-2  Cultural Anthropology  3
ENG-1A  English Composition  4
American Institutions  3
Communication and Analytical Thinking  6
SPE-1 or SPE-9 and Elective Humanities  3
NRN-1  Introduction to Nursing Concepts and Practice  8
NRN-2  Beginning Nursing Concepts of Health and Illness  8
NRN-3  Intermediate Nursing Concepts of Health and Illness  9
NRN-4  Advanced Nursing Concepts of Health and Illness  9
NRN-15  Introduction to Nursing Roles and Relationships  2
NRN-16  Dimensions of AD-Registered Nursing  1.5

VOCATIONAL NURSING (R)  AS588/CE588
This program prepares individuals to assist in providing general nursing care under the direction of a registered nurse, physician or dentist. This includes instruction in taking patient vital signs, applying sterile dressings, patient health education, and assistance with examinations and treatment.

Certificate Program
Required Courses (51 units)  Units
AMY-10  Survey of Human Anatomy and Physiology  3
NVN-50  Introductory Vocational Nursing Foundations  2
NVN-51  Introductory Concepts of Vocational Nursing-Health/Illness  3
NVN-52  Introductory Concepts of Vocational Nursing-Nursing Fundamentals  9.5
NVN-60  Intermediate Vocational Nursing Foundations-Nursing Process/Communication  1
NVN-61  Intermediate Concepts of Vocational Nursing-Care of the Family  6
NVN-62  Intermediate Concepts of Vocational Nursing-Medical/Surgical  12
NVN-63  Intermediate Concepts of Vocational Nursing-Mental Health  3
NVN-70  Advanced Vocational Nursing Foundations-Role Transition  1
NVN-71  Advanced Concepts of Vocational Nursing-Medical/Surgical  7.5
PSY-9  Developmental Psychology  3

ASSOCIATE OF SCIENCE DEGREE
The Associate of Science Degree in Vocational Nursing will be awarded upon completion of the degree requirements, including general education and other graduation requirements as described in the college catalog.
The following certificates may lead to employment competency, but do not lead to an Associate of Science Degree:

**Critical Care Nurse (R)**

**Certificate Program**
Prerequisite: Completion of the RN program is required prior to enrolling in this course.

**Required Courses (5 units)**
- NXN-81 Critical Care Nursing 5

**Nursing Assistant (R)**

**Certificate Program**
This program prepares individuals to perform routine nursing related services to patients in hospitals or long-term care facilities, under the training and supervision of a registered nurse or licensed practical nurse.

The certificate program noted below is incorporated into the AND and VN programs. For a stand alone CNA course, please see HET-80 under Healthcare Technician or call 951-571-6135 for more information.

**Required Courses**
- NXN-81 Critical Care Nursing 8

**Paralegal Studies**

This program prepares individuals to perform research, drafting, investigatory activities, record-keeping and related paralegal administrative functions under the supervision of an attorney in a law firm, public or private entity, and/or within a courtroom setting. This includes instruction in legal research, drafting legal documents, appraising, pleading, courtroom procedures, and legal specializations.

**Paralegal Studies (R)**

**Certificate Program**

**Required Courses (24 units)**

- BUS-18A Business Law I 3
- PAL-10 Introduction to Paralegal Studies 3
- PAL-64 Legal Research and Computer Applications 3
- PAL-80 Internship Project 1.5
- PAL-81 Bankruptcy Law and Procedures 3
- PAL-83 Estate Planning and Probate Procedures 3
- PAL-85 Family Law and Procedures 3
- PAL-87 Trial Practice Preparation and Procedures 3
- RLE-82 Legal Aspects of Real Estate 3

**Associate of Science Degree**

The Associate of Science Degree in Paralegal Studies will be awarded upon completion of the degree requirements, including general education and other graduation requirements as described in the college catalog.

**Photography**

This program focuses on the principles and techniques of communicating information, ideas and emotion through digital and film photography. The goal is to prepare individuals for careers in photographic and photography-related fields. This includes instruction in: camera operation and maintenance, use and maintenance of all photographically-related equipment, selection of camera equipment, digital and film media, printing media, film developing, light and composition, color and special effects, photography as art, the history of photography, and the use of computer applications to refine and organize photographic images.

**Photography (R)**

**Certificate Program**

**Required Courses (24 units)**

- PHO-8 Introduction to Photography 3
- PHO-9 Intermediate Photography 3
- PHO-10 Advanced Photography 3
- PHO-12 Photojournalism 3
- PHO-13 Advanced Darkroom Techniques 3
- PHO-14 Basic Studio Portraiture 3
- PHO-17 Introduction to Color Photography 3
- PHO-20 Digital Photography 3

**Associate of Science Degree**

The Associate of Science Degree in Photography will be awarded upon completion of the degree requirements, including general education and other graduation requirements as described in the college catalog.
PHYSICAL EDUCATION
This program prepares individuals to apply business, coaching and physical education principles to the organization, administration and management of athletic programs and teams, fitness/rehabilitation facilities and health clubs, sport recreation services, and athletic training programs. This includes instruction in program planning and development; business and financial management principles; sales, marketing and recruitment; event promotion, scheduling and management; facilities management; public relations; legal aspects of sports; and applicable health and safety standards.

EXERCISE, SPORT, AND WELLNESS
Certificate Program
Major Core Requirements:
Required Courses (21 units) Units
PHP-4 Nutrition 3
PHP-10 Introduction to Physical Education 3
PHP-12 Sport Psychology 3
PHP-14 Athletic and Fitness Organization and Admin 3
PHP-16 Introduction to Athletic Training 3
PHP-30 First Aid and CPR 3
PHP-35 Foundations for Fitness and Wellness 3

In addition, choose and complete courses from one 3-16
emphasis below:

FITNESS PROFESSIONS EMPHASIS (R) AS595/CE595
(Total of 24 units)
Core Requirements 21
Take one of the following:
- PHP-42 Lifeguard and Water Safety Instructor Cert 3
- PHP-43 Personal Training 3
- PHP-44 Yoga Instructor Training 3
- PHP-45 Group Fitness Instructor 3

ATHLETIC TRAINING EMPHASIS (R) AS597/CE597
(Total of 29 units)
Core Requirements 21
PHP-21 Athletic Training Applications 2-2
(Must take two times)

and
Take two of the following:
- PHP-17 Athletic Training, Fall Sports, Lower Extremity 2
- PHP-18 Athletic Training, Spring Sports, Upper Extremity 2
- PHP-19 Athletic Training, Fall Sports, Head, Neck, Spine, Torso, and Hip 2
- PHP-20 Athletic Training, Spring Sports, General Medical 2

COACHING EMPHASIS (R) AS599/CE599
(Total of 30 units)
Core Requirements 21
Elective from Group 1 Electives 3
Elective from Group 2 Electives 3
Elective from Group 3 Electives 1
Elective from Group 4 Electives 1
Elective from Group 5 Electives 1

Group 1 Electives (3 units)
- PHP-24 Sports Officiating, Fall Sports 3
- PHP-25 Sports Officiating, Spring Sports 3

Group 2 Electives (3 units)
- PHP-26 Foundations of Coaching 3
- PHP-27 Football Theory 3
- PHP-28 Basketball Theory 3
- PHP-29 Soccer Theory 3
- PHP-33 Baseball Theory 3
- PHP-34 Softball Theory 3
- PHP-42 Lifeguard/Water Safety Instructor Certification 3

Group 3 Electives - Individual Activity Courses (1 unit)
- PHP-A20 Golf, Beginning 1
- PHP-A21 Golf, Intermediate 1
- PHP-A28 Swimming, Basic Skills and Aquatic Exercise 1
- PHP-A29 Swimming, Intermediate Skills 1
- PHP-A30 Swimming, Advanced Skills and Conditioning 1
- PHP-A33 Track and Field: Running Event Techniques 1
- PHP-A34 Track and Field: Field Event Techniques 1

Group 4 Electives - Team Activity Courses (1 unit)
- PHP-A40 Baseball Fundamentals, Defensive 1
- PHP-A51 Baseball Fundamentals, Offensive 1
- PHP-A52 Fast Pitch Fundamentals, Offensive 1
- PHP-A53 Fast Pitch Fundamentals, Defensive 1
- PHP-A54 Fast Pitch Softball Fundamentals 1
- PHP-A57 Basketball 1
- PHP-A60 Football Fundamentals, Defensive 1
- PHP-A61 Football Fundamentals, Offensive 1
- PHP-A62 Flag Football 1
- PHP-A64 Soccer 1
- PHP-A67 Volleyball, Beginning 1
- PHP-A68 Volleyball, Intermediate 1
- PHP-A69 Volleyball, Advanced 1

Group 5 Electives - Fitness Activity Courses (1 unit)
- PHP-A31 Water Aerobics and Deep Water Exercise 1
- PHP-A74 Hiking and Backpacking 1
- PHP-A75 Walking for Fitness 1
- PHP-A77 Jogging for Fitness 1
- PHP-A78 Long Distance Running 1
- PHP-A80 Triathlon Techniques 1
- PHP-A81 Physical Fitness 1
- PHP-A86 Step Aerobics 1
- PHP-A87 Step Aerobics, Intermediate 1
- PHP-A88 Step Aerobics, Advanced 1
- PHP-A90 Weight Training 1
- PHP-A92 Weight Training, Advanced 1

Associate of Science Degree
The Associate of Science Degree in Physical Education will be awarded upon completion of the degree requirements, including general education and other graduation requirements as described in the college catalog.
PHYSICIAN ASSISTANT
This program prepares individuals academically and clinically to provide health care services with direction and supervision of a physician. Physician Assistants provide a broad range of medical services to include history taking, physical assessment, surgery assist, and diagnostic, preventive and therapeutic interventions. This includes basic medical, clinical, behavioral and social sciences; introduction of patient assessment; supervised clinical practice in family medicine, pediatrics, women health, general surgery, psychiatry, and behavioral medicine; health policy and professional practice issues; and the deliver of health care services to home-bound patients, rural populations, underserved populations.

PHYSICIAN ASSISTANT (M) AS501/CE501
Prior to acceptance to the Physician Assistant Program students must complete prerequisites in physics, chemistry, algebra, English, anatomy and physiology, microbiology, sociology or cultural anthropology and psychology. It is highly recommended that students complete Abnormal Psychology and Medical Terminology prior to entering the program. Anatomy and physiology and microbiology must have been taken within the last five years with a combined GPA of 2.5. An overall GPA of 2.5 is required in other general education courses. A minimum of 2,000 hours paid “hands-on” patient care experience in the disciplines of medicine, nursing or allied health is also required.

Certificate Program
Required Courses (91.5 units)  Units
PHT-1  Applied Clinical Skills  2
PHT-2  Medicine Science I  6.5
PHT-3  History and Physical Assessment I  4
PHT-4  Applied Clinical Skills II  4
PHT-5  Medicine Science II  6.5
PHT-6  History and Physical Assessment II  4
PHT-7  Medical Pharmacology  4
PHT-8  Applied Clinical Skills III  3
PHT-9  Medicine Science III  6.5
PHT-10  Clinical Nutrition  3
PHT-11  Internal Medicine I  6
PHT-12  Internal Medicine II  6
PHT-13  General Surgery  4
PHT-14  Surgery II  6
PHT-15  Pediatrics  6
PHT-16  Obstetrics/Gynecology  6
PHT-17  Family Practice  6
PHT-18  Psychiatry/Mental Health  4
PHT-19  Emergency Medicine  4

Associate of Science Degree
The Associate of Science Degree in Physician Assistant will be awarded upon completion of the degree requirements, including general education and other graduation requirements as described in the college catalog.

REAL ESTATE
See BUSINESS ADMINISTRATION

RETAIL MANAGEMENT/WAFC
This program prepares individuals to perform operations associated with retail sales in a variety of settings. This includes instruction in over-the-counter and other direct sales operations in business settings, basic bookkeeping principles, customer service, team/staff leadership and supervision, floor management, and applicable technical skills.

RETAIL MANAGEMENT/WAFC (R) AS536/CE536
(WESTERN ASSOCIATION OF FOOD CHAINS)
Certificate Program
Required Courses (30 units)  Units
ACC-1A  Principles of Accounting I  3
or
ACC/CAT-55  Applied Accounting/Bookkeeping  3
BUS-20  Business Mathematics  3
BUS-22  Management Communications  3
CIS-1A  Introduction to Computer Information Systems  3
or
CIS/CAT-3  Computer Applications for Working Professionals  3
MAG-44  Principles of Management  3
or
MAG-51  Elements of Supervision  3
MAG-53  Human Relations  3
MAG-56  Human Resources Management  3
MAG-57  Oral Communications  3
or
SPE-1  Public Speaking  3
or
SPE-9  Interpersonal Communication  3
MKT-20  Principles of Marketing  3
MKT-42  Retail Management  3

Associate of Science Degree
The Associate of Science Degree in Retail Management/WAFC will be awarded upon completion of the degree requirements, including general education and other graduation requirements as described in the college catalog.
SIGN LANGUAGE INTERPRETING
This program prepares individuals to function as simultaneous and consecutive interpreters as well as transliterators of American Sign Language (ASL) and other signing systems employed to assist deaf and hard-of-hearing people, both voice-to-sign and sign-to-voice interpretation. This includes instruction in American Sign Language (ASL), alternative sign systems, fingerspelling, vocabulary and expressive nuances, oral and text translation skills, cross-cultural communications, slang and colloquialisms, and technical interpretation.

SIGN LANGUAGE INTERPRETING (R)    AS505/CE505
Certificate Program
Required Courses (28.5 units)         Units
AML-5      Sign Language for Interpreters     4
AML-10     Introduction to Sign Language Interpreting  3
AML-11     Interpreting I                     4.5
AML-12     Interpreting II                    4.5
AML-13     Interpreting III                   4.5
AML-14     Interpreting IV/Practicum          2
AML-20     Ethics and Professional Standards of Interpreting  3
AML/SOC-22 American Deaf Culture          3

Associate of Science Degree
The Associate of Science Degree in Sign Language Interpreting will be awarded upon completion of the degree requirements, including general education and other graduation requirements as described in the college catalog.

WELDING TECHNOLOGY
This program prepares individuals to apply technical knowledge and skills for joining, and cutting metallic materials. This includes instruction in SMAW, FCAW, GMAW, GTAW welding processes; Oxyacetlene and Plasma cutting of ferrous and non-ferrous materials. Including, welding metallurgy, structural welding safety, and applicable codes and standards.

WELDING TECHNOLOGY (R)    AS606/CE606
Certificate Program
Required Courses (36 units)         Units
WEL-15     Intro. to Basic Shielded Metal Arc Welding  3
WEL-16     Advanced Shielded Metal Arc Welding         3
WEL-35     Semi-Automatic Welding                     3
WEL-55A    Gas Tungsten Arc Welding-Plate Material    3
WEL-55B    Gas Tungsten Arc Welding-Exotic Metals     3
WEL-60     Advanced Pipe and Plate Laboratory         2
WEL-61     Certification for Licensing of Welding     3
ENE-21     Drafting                                  3
ENE-60     Math for Engineering Technology            3
ENG-50     Basic English Composition                 4
Electives (Choose from list below)     (6 units)
ENE-51     Blueprint Reading                         2
ENE-85     Basic Metallurgy                          3
WEL-25     Introduction to Oxyacetylene Welding       3
WEL/ENE/MAN-34 Metal Joining Processes             2
WEL-200    Welding Work Experience                   1-2-3-4

Associate of Science Degree
The Associate of Science Degree in Welding Technology will be awarded upon completion of the degree requirements, including general education and other graduation requirements as described in the college catalog.
Section VI

COURSE DESCRIPTIONS
COURSE DESCRIPTIONS

Riverside Community College District offers a comprehensive program of instruction for students who wish to transfer to four-year institutions, complete an associate degree, train for specific occupations, or develop skills and knowledge. The information listed on courses and transferability is accurate as of the catalog publication date, but from time to time this varies based on changes that occur at four-year institutions. It is always advisable to check with a counselor and the four-year transfer institution for current updates. The following section includes a description of courses which the Board of Trustees has authorized the District to offer and have been or are planned to be offered on the Moreno Valley campus. The complete course outlines of record including student learning outcomes can be found at www.curricunet.com/RCCD.

The program of instruction is divided into major categories:

TRANSFER
College and university parallel courses are generally numbered 1 through 49. There are, however, many exceptions. See a counselor for information.

IGETC
Intersegmental general education transfer curriculum is a series of courses that RCCD students may use to satisfy lower division general education requirements at any CSU or UC campus. IGETC provides an option to the California State University general education requirements and replaces the University of California Transfer Code Curriculum.

UC/CSU
These designated courses are transferable to the campuses of the University of California and the California State University System. Those courses that are not marked UC are not transferable to University of California campuses. Those courses marked UC* indicate there are transfer credit limitations. Copies of the UC transfer course list indicating credit unit limitations are available in the Transfer/Career Center on all three campuses. When in doubt, students are advised to confer with a counselor.

DELIVERY METHODS
A variety of delivery methods are used to offer classes a Riverside Community College District, including face-to-face classroom instruction and distance delivery methods such as televised classes and online classes (taught entirely online utilizing computer and internet technology). Enrollment in online classes is limited to students who have demonstrated competency in working in the online environment. Please see the Open Campus section of the class schedule for details on meeting the limitation on enrollment for online classes.

NON-DEGREE CREDIT
Courses indicated as non-degree credit earn credit, but the credit is not counted toward the associate degree. These courses (Art 95 to 99; Computer Applications and Office Technology 99 ABCDE; English 60AB, 60A1, 60A2, 60A3, 60A4, 85, 90B; English as a Second Language 51, 52, 53, 65, 71, 72, 90 A-K, 91, 92, 95, Guidance 95; Mathematics 63, 64, 65, 90 A-F, 98; Nursing - Continuing Education 81, 83; Reading 81, 82, 83, 86, 87, 95; Spanish 85; Speech 52; and all practicum numbered 96, 96A, 97) are intended to help students develop skills necessary to succeed in college level degree-applicable courses. Non-degree credit courses can be used toward the following: athletic eligibility, work study, financial aid, social security benefits, veteran’s benefits, associated student body office, and full-time status.

NON-TRANSFER
Several general education, occupational, vocational and technical courses are numbered 50 and above. Since these courses are not offered at four-year colleges and universities, they are not designed for transfer credit. Some exceptions do exist. Students are advised to confer with a counselor regarding possible transferability.

NON-CREDIT
These courses are numbered in the 800’s and are non-credit classes. No unit credit is earned in these courses.

REPEATING A COURSE
Some courses, particularly in performance areas such as music, theater, and athletics where significant skill improvement is an important objective, may be repeated regardless of the grade earned. In these instances, for example, the student may repeat the course three times, for a maximum of four (4) total enrollments in the same activity. Beginning tennis, intermediate tennis, advanced tennis, for example, are considered as the same activity, and a student may enroll in the activity for a total of four (4) times.

LIMITATIONS ON ENROLLMENT
Please check course description carefully to see if there are any prerequisites, corequisites, advisory or other limitations on enrollment.

Prerequisite - When a course has a prerequisite, it means that the corresponding discipline has determined that the student must have certain knowledge to be successful in the course. The prior knowledge may be a skill (type 40 WPM), and ability (speak and write French fluently), a preparation score (placement test and prior academic background), or successful completion of a course (grade of C or better, P or CR). Completion of the prerequisite is required prior to enrolling in the class. Successful completion of a prerequisite requires a grade of C or better, P (Pass) or CR (Credit). C-, D, F, NP (No Pass), NC (No Credit), or I are not acceptable. Students currently enrolled in a prerequisite course at Riverside Community College District (i.e. Math 52) will be allowed to register for the succeeding class (i.e. Math 35). However, if the prerequisite course is not passed with at least a C grade, the student will be dropped from the succeeding class.

Corequisite - When a course has a corequisite, it means that a student is required to take another course concurrent with or prior to enrollment in the course. Knowing the information presented in the corequisite course is considered necessary for a student to be successful in the course. (Completion of, or concurrent enrollment in, Math 1A is required for Physics 4A.)

It is the student’s responsibility to know and meet the course prerequisites and corequisites. These are stated in the course descriptions of the schedule of classes and the current college catalog. A student may be required to file proof of prerequisite and corequisite requirements.

Advisory - When a course has an advisory, it means that a student is recommended to have a certain preparation before entering the course. The preparation is considered advantageous to a student’s success in the course. Since the preparation is advised, but not required, the student will not be blocked from enrolling in a class if he/she does not meet the advisory.
Verifying Prerequisites/Corequisites - It is the student's responsibility to know and meet the course prerequisites and corequisites. These are stated in the course descriptions within the Schedule of Classes and the RCCD Catalog.

If you have met the prerequisites at another accredited college or university, you must provide verification through one of the following:
- Submit official transcript(s) and complete a Prerequisite Validation Form.
- Submit unofficial transcript(s) or grade reports and complete a Matriculation Appeals Petition. Petitions approved on an unofficial transcript will be approved for one semester only. This will provide time for the student to request official transcripts.
- If you wish to challenge a prerequisite for courses other than English, ESL, math or reading on the basis of knowledge or ability or because of the unavailability of the prerequisite, submit a Matriculation Appeals Petition at any of our campus's counseling offices.
- Successful completion of some high school courses are accepted by the discipline as an appeal to existing prerequisites and/or corequisites. For more information about these acceptable courses, please call the prerequisite hotline at (951) 222-8808.

Petitions to challenge a prerequisite or to file a complaint of unlawful discrimination are available in the Counseling Offices on all three campuses.

CREDIT COURSES
Credit courses can be degree or non-degree applicable. Unlike non-credit courses, they do carry units based on the number of hours of lecture, lab, or both that are required in the official course outline for the course. These courses are in a wide variety of areas; each requires critical thinking, reading and writing, and assignments that are completed outside of class that require the student to study and work independently. Credit courses are approved by the district and campus Curriculum Committees and the Board of Trustees.

ACCOUNTING

ACC-1A - Principles of Accounting, I
3 units
UC, CSU
Prerequisite: None.
Advisory: BUS-20 and concurrent enrollment in ACC-96.
An introduction to accounting principles and practice, as a manual and/or computerized information system that provides and interprets economic data for economic units within a global society. Includes recording, analyzing and summarizing procedures used in preparing financial statements. 54 hours lecture.

ACC-1B - Principles of Accounting, II
3 units
UC, CSU
Prerequisite: ACC-1A.
Advisory: Concurrent enrollment in ACC-96.
A study of managerial accounting principles and information systems including basic concepts, limitations, tools and methods to support the internal decision-making functions of an organization. 54 hours lecture.

ACC-38 - Managerial Accounting
3 units
CSU
Prerequisite: ACC-1A.
Conceptual and technical analysis of accounting information used by managers as they carry out their planning, controlling and decision-making responsibilities. Includes coverage of just-in-time systems, activity-based costing, flexible manufacturing systems, computer-integrated performance measures and the impact of automation on capital budgeting decisions. 54 hours lecture.

ACC-55 - Applied Accounting/Bookkeeping
3 units
(Same as CAT-55)
Prerequisite: None.
This is an introductory course for students who are non-accounting majors. The focus is basic bookkeeping and accounting principles for both merchandising and service oriented small business enterprises. Emphasis is on the development of skills to record business transactions for cash and accrual methods, as well as the procedures to prepare financial statements and complete an accounting cycle. Attention is given to special journals, subsidiary ledgers, and payroll and banking procedures. 54 hours lecture.

ACC-61 - Cost Accounting
3 units
CSU
Prerequisite: ACC-1B.
Advisory: Concurrent enrollment in ACC-96.
Studies the development of detailed cost data essential to management for controlling operations, decision making and planning. Principles of cost accounting are applied primarily to a manufacturing organization, but are also used by merchandising and service organizations. Use of computers may be required. 54 hours lecture.

ACC-62 - Payroll Accounting
3 units
CSU
Prerequisite: ACC-1A.
Advisory: Concurrent enrollment in ACC-96.
Studies accounting for payroll and examines aspects of the Social Security Act, California Unemployment Insurance Act and the California Workmen's Compensation Insurance Act. Payroll principles applied through the use of microcomputers. 54 hours lecture.

ACC-63 - Income Tax Accounting
3 units
CSU
Prerequisite: None.
Theory and method of preparation of federal income tax returns for individuals. Actual forms are studied and returns are prepared. 54 hours lecture.

ACC-65 - Computerized Accounting
3 units
CSU
Prerequisite: ACC-1A or 10A; or CAT-63A.
Advisory: CIS-1 or 90A and concurrent enrollment in ACC-96.
An introduction to computerized accounting, integrating the principles of accounting to an automated system in use by many accounting professionals. 54 hours lecture.
ACC-66 - Non-Profit and Governmental Accounting 3 units
CSU
Prerequisite: ACC-1A.
Advisory: BUS-20.
A study of the principles and practices of nonprofit and governmental entities fund accounting. Topics include accounting concepts, types and structure of funds and accounts, application of generally accepted accounting principles to nonprofit and governmental organizations. 54 hours lecture.

ACC-96 - Practicum in Computers .5 unit
Prerequisite: None.
Self-paced, competency-based skill development in computer usage for any RCC student concurrently enrolled in any RCC non-computer practicum course. Instruction is given on an individualized basis using personal consultation with the student. May be taken a total of four times. 27 hours laboratory required for credit. (Non-degree credit course. Pass/No Pass only.)

ACC-97 - Practicum in Computers 1 unit
Prerequisite: None.
Self-paced, competency-based skill development in computer usage for any RCC student concurrently enrolled in any RCC non-computer practicum course. Instruction is given on an individualized basis using personal consultation with the student. May be taken a total of four times. 54 hours laboratory required for credit. (Non-degree credit course. Pass/No Pass only.)

ACC-200 - Accounting Work Experience 1-2-3-4 units
CSU*
Prerequisite: None.
Advisory: Students should have paid or voluntary employment.
This course is designed to coordinate the student’s occupational on-the-job training with related classroom instruction. Students enrolled in this occupational work experience course must be employed in a field related to the work experience subject area. Students may earn up to four (4) units each semester for a maximum of 16 units of work experience. No more than 20 hours per week may be applied toward the work requirement. 18 hours lecture. Additionally, 60 hours of volunteer work or 75 hours of paid work is required for each unit.

ADMINISTRATION OF JUSTICE
ADJ-1 - Introduction to the Administration of Justice 3 units
UC, CSU
Prerequisite: None.
The history and philosophy of administration of justice in America; recapitulation of the system; identifying the various subsystems, role expectations, and their interrelationships; theories of crime, punishment, and rehabilitation; ethics, education, and training for professionalism in the system. 54 hours lecture.

ADJ-2 - Principles and Procedures of the Justice System 3 units
CSU
Prerequisite: None.
The role and responsibilities of each segment within the administration of justice system: law enforcement, judicial, corrections. An historical exposure to each of the sub-systems’ procedures from initial entry to final disposition and the relationship each segment maintains with its system members. 54 hours lecture.

ADJ-3 - Concepts of Criminal Law 3 units
UC, CSU
Prerequisite: None.
Historical development, philosophy of law and constitutional provisions; definitions, classification of crimes, and their application to the system of administration of justice; legal research, study of case law, methodology, and concepts of law as a social force. 54 hours lecture.

ADJ-4 - Legal Aspects of Evidence 3 units
CSU
Prerequisite: None.
Origin, development, philosophy and constitutional basis of evidence; constitutional and procedural considerations affecting arrest, search and seizure; kinds and degrees of evidence and rules governing admissibility; judicial decisions interpreting individual rights and case studies. 54 hours lecture.

ADJ-5 - Community Relations 3 units
UC, CSU
Prerequisite: None.
An in-depth exploration of the roles of administration of justice practitioners and agencies. The interrelationships and role expectations among the various agencies and the public. Principal emphasis will be placed upon the professional image of the system of justice administration and the development of positive relationships between members of the system and the public. 54 hours lecture.

ADJ-6 - Patrol Procedures 3 units
CSU
Prerequisite: None.
Responsibilities, techniques and methods of police patrol. 54 hours lecture.

ADJ-8 - Juvenile Law and Procedures 3 units
CSU
Prerequisite: None.
The organization, functions, and jurisdiction of juvenile agencies; the processing and detention of juveniles; juvenile case disposition; juvenile statutes and court procedures. 54 hours lecture.

ADJ-9 - Law in American Society 3 units
CSU
Prerequisite: None.
A general survey of practical law intended as an introduction to the legal system and to acquaint the student with elements of the law that affect everyday legal relationships: criminal and juvenile justice, consumer law, family law, housing law, and individual rights and liberties. Emphasis is placed on the philosophical and political foundations of law and on civil law. Recommended for prelaw students and for others interested in the practical application of the law. 54 hours lecture.

ADJ-10 - Introduction to Security 3 units
Prerequisite: None.
This is an introductory course into the career ladder of Private Security. This course will serve as the entry point for understanding this career field, as unique from traditional law enforcement services, e.g., police officer, deputy sheriff. The students will focus on the provision of security services for the private sector and the business world by satisfying the customer through the provision of myriad services at the security officer, supervisor and manager/administrator level. 54 hours lecture.
ADJ-13 - Criminal Investigation 3 units
CSU
Prerequisite: None.
Fundamentals of investigation; crime scene search and recording; collection and preservation of physical evidence; scientific aids; modus operandi; sources of information; interviews and interrogation; follow up and case preparation. 54 hours lecture.

ADJ-14 - Advanced Criminal Investigation 3 units
CSU
Prerequisite: ADJ-13.
Advanced training and skill development in the conduct of crime scene investigation and in the recording, collection and preservation of physical evidence. Focus is on the understanding and working knowledge of fingerprints, ballistics, firearms identification, varieties of trace evidence and a basic introduction to forensic sciences. 36 hours lecture and 54 hours laboratory (simulated crime scene investigation).

ADJ-15 - Narcotics 3 units
CSU
Prerequisite: None.
A basic understanding of narcotics and dangerous drugs, the causes of addiction or habituation, identification of narcotics, hallucinogenics, enforcement procedure and legal aspects. 54 hours lecture.

ADJ-16 - Interviewing and Counseling 3 units
CSU
Prerequisite: None.
Introduction to approaches of behavior modification through interviewing and counseling. An overview of the techniques available to entry level practitioners in corrections in counseling and interviewing. Creates an awareness of advanced methods utilized by professional counselors. Traces the development of positive relationships between the client and corrections personnel. 54 hours lecture.

ADJ-18 - Institutional and Field Services 3 units
CSU
Prerequisite: None.
Philosophy and history of correctional services. A survey of the correctional sub-systems of institutions by type and function, probation concepts, and parole operations. A discussion of correctional employee responsibilities as applied to offender behavior modification via supervisory control techniques. Rehabilitation goals as they affect individual and inmate cultural groups in both confirmed and field settings. 54 hours lecture.

ADJ-20 - Introduction to Corrections 3 units
CSU
Prerequisite: None.
This course is designed to provide the student with an overview of the history and trends of adult and juvenile corrections, including probation and parole. The course will focus on the legal issues, specific laws and general operations of correctional institutions. The relationship between corrections and other components of the judicial system will also be examined. This course has been identified by the Correctional Peace Officer Standards and Training Board of the Department of Corrections, California Youth Authority and the California Peace Officers Association to fulfill the educational requirements of the CPOST Certificate for apprentices hired after July 1, 1995 by CDC and CYA. 54 hours lecture.

ADJ-21 - Control and Supervision in Corrections 3 units
CSU
Prerequisite: None.
This course provides an overview of the supervision process of inmates in the local, state and federal correctional institutions. The issues of the control continuum from daily institutional living through crisis situations will be introduced and discussed. The course will emphasize the role played by the offender and the correctional worker. Topics will include inmate subculture, violence and effects of crowding on inmates and staff and coping techniques for correctional officers in a hostile prison environment. This course has been identified by the Correctional Peace Officers Standards and Training Board of the Department of Corrections, California Youth Authority and the California Peace Officers Association to fulfill the educational requirements of the CPOST Certificate for apprentices hired after July 1, 1995 by CDC and CYA. 54 hours lecture.

ADJ-22 - Legal Aspects of Corrections 3 units
CSU
Prerequisite: None.
This course provides students with an awareness of the historical framework, concepts and precedents that guide correctional practice. Course study will broaden the individual’s perspective of the corrections environment, the civil rights of prisoners and the responsibilities and liabilities of corrections officials. This course has been identified by the Correctional Peace Officers Standards and Training Board of the Department of Corrections, California Youth Authority and the California Peace Officers Association to fulfill the educational requirements of the CPOST Certificate for apprentices hired after July 1, 1995 by CDC and CYA. 54 hours lecture.

ADJ-23 - Criminal Justice Report Writing 3 units
CSU
Prerequisite: None.
This is an introductory course emphasizing the practical aspects of gathering, organizing and preparing written reports applicable to the criminal justice system. The course will cover the techniques of note taking, report writing, memorandum, letters, directives and written administrative projects. Students will also gain practical experience in preparation for court appearances. This course has been identified by the Correctional Peace Officers Standards and Training Board of the Department of Corrections, California Youth Authority and the California Peace Officers Association to fulfill the educational requirements of the CPOST Certificate for apprentices hired after July 1, 1995 by CDC and CYA. 54 hours lecture.

ADJ-25 - Introduction to Probation and Parole 3 units
CSU
Prerequisite: None.
This course provides an overview of the historical development of probation and parole from early court procedures through modern practices. Course study will emphasize organization, function, goals, development and treatment theory focusing on how these concepts are utilized in California. 54 hours lecture.
ADJ-30 - Introduction to Family Support Law  3 units
Prerequisite: None.
This course introduces students to the comprehensive range of policy, procedure, philosophy and theory relevant to the practice of Family Support Law. The course examines Family Support laws as they relate to child and parental rights, establishment of paternity, the role of government and the courts and policies and procedures used in the administration of such laws in public agencies. 54 hours lecture.

ADJ-200 - Administration of Justice  1-2-3-4 units
Work Experience
CSU*
Prerequisite: None.
Advisory: Students should have paid or voluntary employment.
This course is designed to coordinate the student's occupational on-the-job training with related classroom instruction. Students enrolled in this occupational work experience course must be employed in a field related to the work experience subject area. Students may earn up to four (4) units each semester for a maximum of 16 units of work experience. No more than 20 hours per week may be applied toward the work requirement. 18 hours lecture. Additionally, 60 hours of volunteer work or 75 hours of paid work is required for each unit.

BASIC PEACE OFFICER TRAINING ACADEMY

The Basic Peace Officer Training Academy was established in Riverside under the administration of Riverside Community College in the spring of 1953. This program provides practical and technical instruction to meet the requirements of various law enforcement agencies at the local, state, and federal level. The Basic Academy serves eleven counties in Southern California.

The Basic Academy is offered three times per year, forty hours per week, for 22 to 23-week periods. Upon successful completion of the course the college awards 18 units of college credit and the California Commission on Peace Officer Standards and Training issues the Basic Peace Officer’s Certificate.

For Basic Academy applications and further information regarding this program, contact Department of Public Safety Education and Training at (951) 571-6316.

ADJ-A3A - Child Abuse Investigations  2 units
Prerequisite: None.
Limitation on enrollment: Must be a sworn peace officer.
This course is designed to provide the student with an overview of the child abuse investigative process. The course will focus on child abuse law, psychological factors of the offender, interviewing techniques, and responsibilities of the child abuse investigator. 40 hours lecture.

ADJ-A5A - Bicycle Patrol  .5 unit
Prerequisite: None.
Limitation on enrollment: Must be a sworn peace officer.
This course is designed to provide the student with an overview of the tactical handling of a mountain bicycle for use during law enforcement operations. The course will focus on public relations, nutrition, bicycle maintenance, and riding techniques. 32 hours laboratory.

ADJ-A6A - Interview and Interrogation Course  .25 unit
Prerequisite: None.
Limitation on enrollment: Must be currently employed by a law enforcement agency and have POST or STC certification.
This course will provide the student with the fundamentals and techniques for properly interviewing victims, witnesses and suspects in a field setting. Methods for preparing for an interview, establishing rapport with people and interview strategies will be discussed. Additionally, methods for using a tape recorder and methods for manually recording an interview, along with dealing with different personalities and ethnic groups will be covered. 6 hours lecture and 2 hours laboratory.

ADJ-A6B - Advanced Interview and Interrogation Course  1.5 units
Prerequisite: None.
Limitation on enrollment: Must be currently employed by a law enforcement agency and have POST or STC certification.
This POST certified course will provide advanced interview and interrogation techniques for experienced law enforcement personnel assigned to patrol or investigations and others who conduct criminal interviews and interrogations. This course will further refine the skills and techniques required to properly obtain statements, incriminating statements, admissions and confessions. 28 hours lecture and 4 hours laboratory.

ADJ-A8A - Field Training Officer  1.5 units
Prerequisite: None.
Limitation on enrollment: Must be a sworn peace officer.
This course is designed to provide the student with an understanding of the purpose of the field training program. This course will focus on the fundamentals of basic training in patrol concepts and procedures. 32 hours lecture and 8 hours laboratory.

ADJ-A9A - Field Training Officer Update  1 unit
Prerequisite: None.
Limitation on enrollment: Must be a sworn peace officer.
This course is designed to provide the student with an overview of the current legal issues and responsibilities of the field training officer. The course will focus on vehicle pursuits, weapons update, building searches, prisoner restraints, and the use of force. 24 hours lecture.

ADJ-A10A - Vice Operations  .25 unit
Prerequisite: ADJ-B1B.
This course is designed as an overview of vice operations for law enforcement personnel. This course will include discussions on prostitution, solicitors of lewd sex acts, massage parlor investigations, pimping and pandering, pornography and bookmaking. 8 hours lecture.

ADJ-A11A - Effective Writing for Law Enforcement  .25 unit
Prerequisite: None.
Limitation on enrollment: Must be a sworn peace officer.
This course will give the law enforcement student a critical understanding of effective writing skills. The course will cover the various types of documents written by the professional and focus on form. 4 hours lecture and 4 hours laboratory.
ADJ-A13A - Drug Use Recognition 1 unit
Prerequisite: None.
Limitation on enrollment: Must be a sworn peace officer.
This course is designed to provide updated skills training for law enforcement officers enforcing the provisions of 11550 H and S code. The course fulfills the Commission on POST two year, twenty-four hour training requirement for advanced officer training. The course will emphasize public safety when handling incidents involving explosive devices. 20 hours lecture and 4 hours laboratory.

ADJ-A14A - Search Warrant Preparation Workshop .25 unit
Prerequisite: None.
Limitation on enrollment: Must be a sworn peace officer.
This course will instruct law enforcement personnel in the proper techniques used in the preparation of search warrants. The course will include construction of a “hero section,” and supporting documentation needed to receive judicial endorsement. Also, practical exercises in search warrant preparation are reviewed. 6 hours lecture and 2 hours laboratory.

ADJ-A14B - Search Warrant Execution Course .25 unit
Prerequisite: None.
Limitation on enrollment: Must be a sworn peace officer.
This course presents the elements needed in both formulating a proper search warrant entry plan and specific tactics commonly employed by Target/Narcotic Teams for most law enforcement agencies. Students are taught entry techniques, marksmanship, close quarter battle tactics and teamwork. Additionally, this course offers the students the ability to practice the concepts taught in this course during “Live Fire” scenarios which are controlled by the staff who are firearms instructors. 2 hours lecture and 6 hours laboratory.

ADJ-A29A - Courtroom Testimony and Demeanor .5 unit
Prerequisite: None.
Limitation on enrollment: Must be a sworn peace officer.
This course is designed to provide the student with an overview of the courtroom dynamics, personal demeanor and the verbal presentation of factual information. 9 hours lecture.

ADJ-A31A - Advanced Civil Procedures (POST) 1 unit
Prerequisite: None.
Limitation on enrollment: Must be a sworn peace officer.
This course is designed to provide the student with an understanding of advanced civil processes. The course will focus on common writ processes, levy processes, and claims of exemption. 24 hours lecture.

ADJ-A33A - Public Safety Seminar .25 unit
Prerequisite: None.
Limitation on enrollment: Must be a sworn peace officer.
This course is a series of selected law enforcement, fire technology or corrections topics designed to address specific public safety training mandates or California legislative requirements. This meets POST, STC and California Fire Marshal certified skill proficiency requirements for public safety mandated training. May be taken a total of four times. 8 hours lecture.

ADJ-A33B - Public Safety Seminar .5 unit
Prerequisite: None.
Limitation on enrollment: Must be a sworn peace officer.
This course is a series of selected law enforcement, fire technology or corrections topics designed to address specific public safety mandates or California legislative requirements. This meets POST, STC and California Fire Marshal certified skill proficiency requirements for public safety mandated training. May be taken a total of four times. 16 hours lecture.

ADJ-A33C - Public Safety Seminar 1 unit
Prerequisite: None.
Limitation on enrollment: Must be a sworn peace officer.
This course is a series of selected law enforcement, fire technology or corrections topics designed to address specific public safety mandates or California legislative requirements. This meets POST, STC and California Fire Marshal certified skill proficiency requirements for public safety mandated training. May be taken a total of four times. 24 hours lecture.

ADJ-A33E - Public Safety Seminar 2 units
Prerequisite: None.
Limitation on enrollment: Must be a sworn peace officer.
This course is a series of selected law enforcement, fire technology or corrections topics designed to address specific public safety mandates or California legislative requirements. This meets POST, STC and California Fire Marshal certified skill proficiency requirements for public safety mandated training. May be taken a total of four times. 40 hours lecture.

ADJ-A36A - Inland Boating Enforcement 1 unit
Prerequisite: None.
Limitation on enrollment: Must be a sworn peace officer.
This course provides law enforcement personnel with the knowledge and procedures necessary for the enforcement of state laws specific to inland waterways and lakes. The course will also include vessel theft, equipment violations, accident investigation, vessel towing, enforcement contacts, boating while intoxicated and the care and safe operation of the patrol boat. 24 hours lecture and 16 hours laboratory.

ADJ-A37A - Latent Fingerprint Retrieval .5 unit
Prerequisite: None.
Limitation on enrollment: Must be a sworn peace officer.
This course is designed to present a study of the scientific development of fingerprints and their retrieval. The course will focus on identification, fiction ridges and basic categories of fingerprints. Topics will include the methods of processing fingerprints, types of surfaces and powder processing vs. chemical processing. 12 hours lecture and 4 hours laboratory.

ADJ-A42A - Crime Scene Investigation .5 unit
Prerequisite: None.
Limitation on enrollment: Must be a sworn peace officer.
This course reviews principles of evidence collection, crime scene examination, recording, gathering trace evidence, and collecting and packaging of biological evidence, i.e., body fluids. It will introduce the student to basic fundamentals of 35 mm camera and its use and function in a crime scene investigation. 16 hours lecture.
ADJ-A43A - Basic Computer-Aided Collision
Diagramming using AutoSketch
Prerequisite: None.
Limitation on enrollment: Must be a sworn peace officer.
This course is designed to enhance investigative techniques of a traffic collision investigator/homicide detective investigating a motor vehicle traffic collision. This three-day, hands-on instructional course discusses the principles and operation of AutoSketch, a powerful drawing tool developed by Autodesk. 8 hours lecture and 16 hours laboratory.

ADJ-A44A - Laser Operator
Prerequisite: Must have successfully passed a 24-hour POST Radar certification class.
Limitation on enrollment: Must be a current sworn peace officer.
This course provides students with a review on Doppler Radar and the understanding of the historical development, concepts, characteristics, and properties of laser technology. It is designed to teach students the proper use of law enforcement laser in traffic enforcement as well as knowledge and skill for courtroom testimony related to laser use. 6 hours lecture and 2 hours laboratory.

ADJ-A45A - Digital Photography for Law Enforcement
Prerequisite: None.
Limitation on enrollment: Must be currently employed by a law enforcement agency.
This course is designed to educate the student in the field of digital photography, as it would pertain to the day-to-day activities of the law enforcement professional. The student will learn the essentials needed for digital photography (i.e. light, area, size of object, and focal distances.) They will also be instructed in the familiarization of the digital camera and the software needed for authenticating and storing digital images. A segment in the rules of evidence as they pertain to digital images will be taught along with the fundamentals of crime scene photography. 6 hours lecture and 2 hours laboratory. (Pass/No Pass only.)

ADJ-A46A - Background Investigation
Prerequisite: ADJ-B1B.
Limitation on enrollment: Must be a sworn peace officer.
This course provides students with basic techniques and legal information necessary to conduct background investigations for law enforcement agencies. Topics covered will include Legal Aspects, Polygraph Examinations, Psychological Evaluation, Background Investigation Process, Role of the Background Investigator and Pre-Background Investigation Interview/Areas of Inquiry. 36 hours lecture.

ADJ-A48A - Basic Investigator’s Course
Prerequisite: ADJ-B1B.
This course provides students with basic techniques and procedures necessary to perform follow-up criminal investigations, and to understand the available resources that assist the employee’s transition to an investigative unit from assignments where the primary focus has been that of an “initial reporter.” Total of 40 hours lecture.

ADJ-A50A - Raves and Rave Drugs
Prerequisite: None.
Limitation on enrollment: Must be a sworn peace officer.
This course provides students with a basic understanding of the growing phenomenon of rave parties. Students will be introduced to history and culture of the rave, its social impact, proper considerations when providing law enforcement at rave events, and an overview of drugs that are commonly found at rave parties. 8 hours lecture.

ADJ-A56A - Elder Abuse/Racial Profiling 1st Responder
Prerequisite: None.
Limitation on enrollment: Must be a current sworn peace officer.
This course provides students with the information they need to successfully investigate elder abuse cases as the initial responder. It provides the student with knowledge in identifying various forms of elder abuse and abuse to dependant adults. It provides information on crime scene management, interview and interrogation techniques and documenting the cases. The course will help the student understand what racial profiling is and show how to avoid participating in it. It will cover various penal codes and amendments that deal with racial profiling and review civil rights history dealing with racial profiling. 8 hours lecture.

ADJ-A57A - Casino-Related Crime Investigation
Prerequisite: None.
This course is designed for the patrol officer/deputy responding to gambling-related and casino/card room crimes and for the investigator assigned to investigate gambling-related offenses. This course will familiarize the law enforcement officer with the history of gaming in California, issues related to tribal casinos, crime trends in the gambling industry, investigative resources, evidence, as well as prosecutorial considerations in investigating gambling offenses. 8 hours lecture. (Pass/No Pass only.)

ADJ-B1A - Introduction to Law Enforcement and Physical Conditioning for Basic Academy Students
Prerequisite: None.
This course plans an eight week physical training program targeting muscular strength development, cardiorespiratory endurance training, body composition assessment, physical agility, and muscular flexibility training. Additionally, this course is designed to prepare future basic academy students to meet peace officer basic training entrance requirements and to familiarize students with the career opportunities available in Law Enforcement. 24 hours lecture and 24 hours laboratory.

ADJ-B1B - Basic Peace Officer Training Academy
Prerequisite: None.
Limitation on enrollment: Completion of POST reading and writing skills examination. Completion of POST physical fitness assessment. Possession of a valid California driver’s license. Successful completion of a medical examination. Fingerprint clearance through the California State Department of Justice.
Intensive basic instruction designed to meet the minimum requirements of a peace officer as established by state law. 602 hours lecture and 268 hours laboratory.

ADJ-B3A - Basic Community Service Officer Academy
Prerequisite: None.
Limitation on enrollment: Must be employed as a Community Service Officer for a law enforcement agency or have prior approval from the course coordinator.
This course provides an overview of the fundamentals and techniques necessary to perform the position of Community Service Officer. The course will emphasize the practical applications of weapon cleaning and servicing, handcuffing prisoners, transporting inmates, report writing, basic traffic collision report processing, radio communication techniques, evidence processing, courtroom testimony, and civil liability issues. 60 hours lecture and 4 hours laboratory.
ADJ-C1D - Basic Correctional Deputy Academy (C) 13 units
Prerequisite: None.
The Basic Correctional Deputy Academy provides entry-level training for correctional officers. The course will introduce the student to adult corrections procedure, interviewing, counseling techniques, defensive tactics, public relations, and oral and written communications. Security and supervision techniques in adult institutions are stressed. The Correctional Deputy Academy meets or exceeds the mandates of the California Board of Corrections and Rehabilitation. 201 hours lecture and 117 hours laboratory.

ADJ-C2A - Deputy Sheriff Supplemental Core Course 3 units
Prerequisite: None.
Limitation on enrollment: Must be currently employed by a law enforcement agency and have POST or STC certification.
This course provides the necessary transitional training for graduates from the Basic Peace Officer Training Academy. The course is STC certified and meets the requirements of all agencies needing custody-trained officers. 55 hours lecture and 17 hours laboratory.

ADJ-C3B - Advanced Corrections Perishable .25 unit
Skills Training
Prerequisite: None.
Limitation on enrollment: Must be currently employed by a law enforcement agency and have POST or STC certification.
This course is STC certified and is designed to enhance professionalism through continued training in state mandated corrections topics. The students will participate in an assortment of defensive tactic maneuvers and will be required to demonstrate a proficiency of each tactic taught. 2 hours lecture and 10 hours laboratory.

ADJ-C3C - Advanced Corrections Training .5 unit
Prerequisite: None.
Limitation on enrollment: Must be currently employed by a law enforcement agency and have POST or STC certification.
This course is STC certified and is designed to enhance the Corrections employees’ professionalism and career advancement through education and training. May be taken a total of 4 times. 12 hours lecture.

ADJ-C4A - Advanced Corrections Training 1 unit
for Supervisors
Prerequisite: None.
Limitation on enrollment: Must be currently employed by a law enforcement agency and have POST or STC certification.
This mandated STC certified course is designed to enhance the on-the-job skills of the supervisor within corrections. Instruction includes preventing staff misconduct, personnel investigations, and advanced supervisory skills. 24 hours lecture.

ADJ-C5A - Basic Writing Skills for Corrections .5 unit
Prerequisite: None.
Limitation on enrollment: Must be currently employed by a law enforcement agency and have POST or STC certification.
This course reviews the basic principles of law enforcement written communications. Fundamentals of note taking, memoranda and reports used in institutional settings for documentation will be reviewed. 16 hours lecture and 8 hours laboratory.

ADJ-C6A - Corrections Training Officer 2 units
Prerequisite: None.
Limitation on enrollment: Must be currently employed by a law enforcement agency and have POST or STC certification.
This STC certified course is designed to enhance the on-the-job training skills of the corrections training officer. This course includes ethics, coaching techniques, effective supervision methods and learning styles. 40 hours lecture.

ADJ-C7A - Writing Skills for Correctional Deputy (Advanced) .5 unit
Prerequisite: None.
Limitation on enrollment: Must be currently employed by a law enforcement agency and have POST or STC certification.
This course is designed to provide the student with additional study in methods of criminal report writing. The course will focus on complex criminal investigations, crime scene organization, evidence preservation and effective criminal report writing. 12 hours lecture and 12 hours laboratory.

ADJ-C8A - Facility Security Training .25 unit
Prerequisite: None.
Limitation on enrollment: Must be currently employed by a law enforcement agency and have POST or STC certification.
This course focuses on corrections facility security measures for newly hired civilian corrections employees or as a review for current civilian corrections employees. 8 hours lecture.

ADJ-C12A - First Aid/CPR Instructor Course 1.5 units
Prerequisite: None.
Limitation on enrollment: Must be currently employed by a law enforcement agency and have POST or STC certification.
This course is designed for professional law enforcement officers who wish to instruct basic CPR and first aid to students within their respective agencies. 32 hours lecture and 8 hours laboratory.

ADJ-C13A - Stun-Tech R.E.A.C.T. Belt Training .25 unit
Prerequisite: None.
Limitation on enrollment: Must be currently employed by a law enforcement agency and have POST or STC certification.
This course is designed to provide training in the proper utilization of the less-lethal Stun-Tech R.E.A.C.T. Belt for controlling potentially violent incarcerated persons. 6 hours lecture and 2 hours laboratory.

ADJ-C18A - Basic Inmate Classification .5 unit
Prerequisite: None.
Limitation on enrollment: Must be currently employed by a law enforcement agency and have POST or STC certification.
This STC certified course is designed to provide entry-level training for correctional officers on basic inmate classification. The student will be able to identify any inmates housing problems and understand the liability involved with working in a classification unit. 14 hours lecture and 2 hours laboratory.

ADJ-C19 - Corrections Mental Health Training .5 unit
Prerequisite: None.
Limitation on enrollment: Must be currently employed by a law enforcement agency and have POST or STC certification.
This course is STC certified and is designed to enhance the Corrections employees’ professionalism and ability to work with mentally ill inmates. May be taken a total of two times. 13 hours lecture and 3 hours laboratory.
Course Descriptions

ADJ-C20A - Leadership Enhancement 1 unit
Prerequisite: None.
Limitation on enrollment: Must be currently employed by a law enforcement agency and have POST or STC certification.
This course is STC certified and is designed to enhance the Corrections employees' ability to work in their current capacity and enhance their leadership skills. This course may be taken two times. 22 hours lecture and 2 hours laboratory.

ADJ-D4A - Dispatcher Role in Officer Safety .25 unit
Prerequisite: ADJ-D1A.
This course will assist professional public safety communications officers learn their role in assisting officers during high-risk incidents. Students will learn strategies to be more helpful and effective when working with field officers during felony stops, response to high-risk calls and building searches. 4 hours lecture and 4 hours laboratory.

ADJ-D5A - Dispatcher Public Safety Advanced .5 unit
Prerequisite: None.
Limitation on enrollment: Currently employed by law enforcement agency.
This course develops dispatchers professionally and personally, by increasing their knowledge, skills and abilities to cope with challenging situations to which they are exposed on the job. Additionally, this course will increase interpersonal communication and crisis communication skills. 16 hours lecture.

ADJ-D6A - Crisis Negotiation Concepts .25 unit
Prerequisite: None.
Limitation on enrollment: Must be currently employed by a law enforcement agency.
This course is designed to provide the student with a better understanding of identifying a crisis negotiation situation, as well as the understanding of the principles of crisis negotiation. The student will receive information on the various roles and responsibilities of a dispatcher, responding field units, and the crisis negotiations team. The course will discuss several techniques on how to combat stress during and after a crisis negotiation incident. The course will cover the importance of participating in critical incident debriefing. 8 hours lecture.

ADJ-D7A - Crisis Negotiation Techniques 1 unit
Prerequisite: ADJ-D6A.
This course will assist officers in coping with suicidal callers. Additionally, this course will assist the student in determining what role the communications officer should have in crisis negotiation situations. 5 hours lecture and 28 lab hours.

ADJ-E1A - Emergency Services Academy 2.5 units
Prerequisite: None.
Limitation on enrollment: Must be currently employed by a law enforcement agency and have POST or STC certification.
This course will focus on scouting, planning and execution of SWAT operations. The course will provide an overview of Special Weapons and Tactics Team (SWAT) operations. The course will provide a better understanding of the principles of crisis negotiation. The student will receive information on the various roles and responsibilities of a dispatcher, responding field units, and the crisis negotiations team. The course will discuss several techniques on how to combat stress during and after a crisis negotiation incident. The course will cover the importance of participating in critical incident debriefing. 44 hours lecture and 36 hours laboratory.

ADJ-P2A - Juvenile Counselor Core Training 7.5 units
Prerequisite: None.
Responsibilities of the juvenile institutions counselor; handling emergencies; classification; dealing with assaultive clients; ethnic/cultural factors; indicators of medical physical problems, drug abuse, suicidal tendencies, gang affiliation; understanding the juvenile justice system and process; physical conditioning, daily tasks. This course is required of all juvenile institutional counselors within their first year of employment to meet the requirements of the Standards and Training for Local Corrections and Probation Officer Program. 131.5 hours lecture and 28.5 hours laboratory.
ADJ-P4A - Arrest, Search and Seizure 1.5 units
Prerequisite: None.
This course provides the student with the knowledge and skills necessary to qualify for limited peace officer status powers as required by Penal Code 832. The course will emphasize laws of arrest, search and seizure, evidence and the investigative process. This course meets the curriculum standards of the California Board of Corrections and the California Commission on Peace Officers Standards and Training. 30 hours lecture and 10 hours laboratory.

ADJ-R1A2 - Level III Modular Academy Training 6.5 units
Prerequisite: None.
Limitation on enrollment: Fingerprint clearance through California State Department of Justice.
This course is designed to meet the state mandated training requirements to be qualified as a Level III police reserve officer. Curriculum covers the history and ethics of law enforcement, criminal justice system, defensive tactics, information systems, criminal law, crimes against persons and property, laws of arrest, use of firearms, vehicle operations, crimes in progress and report writing. The course satisfies Peace Officer Standards and Training (POST) requirements for Level III reserve police certification. 113 hours lecture and 49 hours laboratory.

ADJ-R1B - Level II Reserve Officer Training 11 units
Prerequisite: ADJ-R1A2.
This course is designed to meet the state mandated training requirements to be qualified as a Level II police reserve officer. Curriculum covers victimology and crisis intervention, community relations, crimes against persons, crimes against property, general crime statutes, crimes against the justice system, laws of arrest, search and seizure, presentation of evidence, use of force, weaponless defense, unusual occurrences, hazardous materials, patrol techniques, vehicle pullovers, crimes against children, sex crimes, firearms and chemical agents, weaponless violations, persons with disabilities, crimes in progress, report writing, preliminary investigations and cultural diversity. This course satisfies Peace Officer Standards and Training (POST) requirements for Level II police officer certification. 189 hours lecture and 53 hours laboratory.

ADJ-R1C - Level I Modular Academy 17 units
Prerequisite: ADJ-R1B.
Limitation on enrollment: Completion of the POST reading and writing skills examination. Completion of POST physical fitness assessment. Possession of a valid California driver’s license. Successful completion of a medical examination. Fingerprint clearance through the California State Department of Justice.
This course is the third module in the Regular Basic Course-Modular Format training sequence. Intensive instruction designed to meet the minimum requirements of a peace officer, or Level I police reserve officer as established by state law. 246 hours lecture and 205 hours laboratory.

ADJ-R5A - Straight Stick Baton Update for Reserves .25 unit
Prerequisite: None.
This course provides the Reserve Officer with an update on the basic techniques for the use of the straight stick baton. 8 hours laboratory. (Pass/No Pass only.)

ADJ-R6A - Oleoresin Capsicum for Reserves .25 unit
Prerequisite: None.
This course provides the Reserve Officer with instruction equivalent to the Basic Academy's presentation on aerosol chemical agents and an introduction to the use and effects of oleoresin capsicum (pepper spray) tear gas. Successful completion of this course is required for authorization to carry OC tear gas by Department Reserves. 3 hours lecture and 1 hour laboratory.

ADJ-S1A - Supervisory Course 4 units
Prerequisite: Completion of ADJ-B1B or equivalent.
A basic course covering the responsibilities of a law enforcement supervisor such as leadership, planning, transition, performance evaluations, investigations, employee relations, discipline, counseling, training, ethics, stress and motivation. 80 hours lecture.

ADJ-T1A - Traffic Collision Investigation: Basic 1.5 units
Prerequisite: None.
Limitation on enrollment: Must be currently employed by a law enforcement agency and have POST or STC certification.
A basic traffic collision investigation course which meets the requirements of 40600(A) of the California Vehicle Code. Topics include traffic law, accident reporting, scene management, skid mark diagramming and determining accident cause. The course includes practical exercises. 32 hours lecture and 8 hours laboratory.

ADJ-T1B - Traffic Collision Investigation: Intermediate 1.5 units
Prerequisite: ADJ-B1B, C1D and T1A.
Limitation on enrollment: Must be a sworn peace officer.
A course in the fundamentals of skid mark analysis and documentation which helps students develop advanced skills in accident investigation. The course includes a practical exercise. The class is designed to help students improve their mathematics skills which are necessary for the advanced investigation course. 32 hours lecture and 8 hours laboratory.

ADJ-T1C - Traffic Collision Investigation: Advanced 3.5 units
Prerequisite: None.
Limitation on enrollment: Must be a sworn peace officer.
This course is designed to introduce the student to the fundamentals of vehicle dynamics. The course will emphasize analyzing evidence, collecting evidence, and preparing documentation. 68 hours lecture and 12 hours laboratory.

ADJ-T1D - Traffic Collision Reconstruction 4 units
Prerequisite: None.
Limitation on enrollment: Must be a sworn peace officer.
This course is designed to provide the student with the skills necessary to investigate traffic collision reconstruction events. The correlation between actual investigations and mathematical models is emphasized. 72 hours lecture and 8 hours laboratory.

ADJ-T2A - Radar Operations 1 unit
Prerequisite: None.
Limitation on enrollment: Must be a sworn peace officer.
This course is designed to train law enforcement personnel in the operation of traffic RADAR. 20 hours lecture and 4 hours laboratory.
ADJ-T3A - Driving Under the Influence (DUI) 1 unit
Prerequisite: None.
Limitation on enrollment: Must be a sworn peace officer.
This course will provide the student with an historical perspective of laws covering persons driving under the influence of alcohol/drugs. The course will introduce the student to DUI statistics, enforcement techniques, handling DUI related traffic collisions and common field sobriety testing techniques. Additionally, DUI reporting techniques and issues related to case law will be covered. 20 hours lecture and 4 hours laboratory.

ADJ-T5A - Techniques of Accident Investigation Training 1.5 units
Prerequisite: ADJ-B1B or C1D.
This course is designed to provide the student with the necessary skills to conduct basic traffic accident investigations. The course will focus on reporting procedures, investigation techniques, cause determination and vehicle damage assessment. 32 hours lecture and 8 hours laboratory. (Pass/No Pass only.)

ADJ-T10A - Radar Enforcement Training-CHP 1.5 units
Prerequisite: ADJ-B1B or C1D.
This course is designed to provide the student with the operational skills necessary to conduct radar traffic enforcement. The course will focus on the legal issues, nomenclature and practical operation of police speed control radar. 24 hours lecture and 30 hours laboratory. (Pass/No Pass only.)

ADJ-T13A - Communications Operator Training 4 units
Phase I
Prerequisite: ADJ-B1B or C1D.
This course provides entry level CHP communications operators with the basic functions of their positions. The course will focus on civil liability, techniques of communications and elementary operation procedures for Computer Assisted Dispatch (CAD). 40 hours lecture and 120 hours laboratory.

ADJ-T13B - Initial Communication Operator Training - Phase II 2 units
Prerequisite: ADJ-T13A.
This course provides intermediate-level CHP communications operators with the basic functions of the position. The course will focus on departmental procedures for dispatchers, civil liability, dispatch scenarios, communication techniques and the development of the competent use of the Computer Assisted Dispatch (CAD) systems. 20 hours lecture and 60 hours laboratory.

ADJ-T15A - CPR Refresher Course .25 unit
Prerequisite: ADJ-B1B or C1D.
This course provides updated training in the methods and techniques necessary to prepare the student to competently administer rescue breathing and cardiac compression for basic life support. 4 hours lecture and 4 hours laboratory. (Pass/No Pass only.)

ADJ-T16A - Communications Operators In-Service 1 unit
Prerequisite: ADJ-B1B or C1D.
This course provides CHP communication operators with updated information on the basic functions of their positions. The course will focus on civil liability, techniques of communications and the operations of Computer Aided Dispatch (CAD). 25 hours lecture and 15 hours laboratory. (Pass/No Pass only.)

ADJ-T17A - Communications Supervisors Training .5 unit
Prerequisite: ADJ-B1B or C1D.
This course provides CHP communication supervisors with updated information on the basic functions of their positions. The course will focus on civil liability, techniques of communications and the operations of Computer Aided Dispatch (CAD). 15 hours lecture and 25 hours laboratory. (Pass/No Pass only.)

ADJ-T18A - Spanish Language for Public Safety Officers 1 unit
Prerequisite: None.
This course instructs students in Spanish required by peace officers. Students will learn sufficient command of the language to permit an officer to communicate with Spanish-speaking individuals. Officers must score a minimum of 70% on the written portion of the final examination. 20 hours lecture and 20 hours laboratory.

ADJ-T26A - Civil Disturbance Training (CHP) .25 unit
Prerequisite: None.
This course provides California Highway Patrol personnel with updates on operational guidelines and modes used in handling civil disturbance and crowd control incidents. 3 hours lecture and 5 hours laboratory.

ADJ-T31A - Motor Vehicle Inspections-Basic 1.5 units
Prerequisite: ADJ-B1B.
This course provides a collision investigator with basic information on vehicles involved in a collision. The course covers how to conduct a complete motor vehicle inspection, from headlamps to exhaust system, in order to determine if any of the vehicle systems caused or contributed to the outcome of the incident. 32 hours lecture and 8 hours laboratory.

ADJ-T35A - Speed Determination from Crush Analysis 2 units
Prerequisite: ADJ-T1C.
This course is designed to assist experienced traffic investigators with analyzing crush deformation and the procedures for measuring vehicles involved in collisions for profile, crush deformation and principle direction of force (PDOF). 36 hours lecture and 4 hours laboratory.

ADJ-T36A - Reconstruction of Automobile Collisions Involving Pedestrians or Bicycles 1 unit
Prerequisite: ADJ-B1B.
This course emphasizes proper documentation and analysis of physical evidence related to bicycle/pedestrian collisions. 24 hours lecture.

ADJ-T42A - Safety Services Program Update .25 unit
Prerequisite: None.
This course provides members of the California Highway Patrol with updates on departmental jurisdictional policies, field operations, MOU completion and reimbursable service agreements. 8 hours lecture. (Pass/No Pass only.)

ADJ-T44A - Workplace Violence Prevention Instructor Training
Prerequisite: None.
This course provides California Highway Patrol (CHP) supervisors and managers with information needed to instruct both uniformed and non-uniformed CHP personnel in identifying and preventing violence in the workplace. 24 hours lecture. (Pass/No Pass only.)
ADJ-T46A - Equal Employment Opportunity (EEO)  .25 unit
Counselor/Investigator Recertification
Prerequisite: None.
This course provides annual refresher training for incumbent CHP EEO counselors and investigators covering updates on program trends, case law and other relevant information to maintain appropriate skills and knowledge necessary to provide effective EEO counseling and investigations. 6 hours lecture and 2 hours laboratory. (Pass/No Pass only.)

ADJ-T47A - Enhanced Officer Safety Training (POST)  .25 unit
Prerequisite: Basic POST certificate or equivalent.
This course is designed to instill the personal resources necessary to instinctively react and succeed during hostile encounters. This training will enhance the student's ability to use personal as well as departmental weapons. 2 hours lecture and 6 hours laboratory. (Pass/No Pass only.)

ADJ-T53A - Preliminary Alcohol Screening (PAS)  .25 unit
Device Coordinator
Prerequisite: None.
The course provides students with information necessary to maintain and calibrate California Highway Patrol (CHP) departmental PAS devices and perform duties of an area PAS coordinator. 6 hours lecture and 2 hours laboratory.

ADJ-T61A - Communications Training Specialist  1 unit
Prerequisite: None.
This course provides instruction on how to become communications training instructors. Students are exposed to several teaching styles, how to prepare course outlines, the use of visual aids, and learning styles. 10 hours lecture and 30 hours laboratory. (Pass/No Pass only.)

ADJ-T65A - National Highway Traffic Safety Administration (NHTSA) Standardized Child Safety Training 1 unit
Prerequisite: None.
This course provides students with background and instruction necessary to properly install and evaluate safety aspects of a federally approved child safety seat. Upon completion, students will be certified by NHTSA to instruct on proper utilization of child restraint seats. 22 hours lecture and 18 hours laboratory.

ADJ-T70A - CHP-Explorer Academy Level III  3 units
Prerequisite: None.
This course is third in a series of four designed to provide California Highway Patrol (CHP) explorer cadets with an introduction of a California Highway Patrol Officer's responsibilities. The course will focus on accident investigations, criminal investigations, child abuse, cultural discrimination, controlled substances, crimes against persons and property, domestic violence, gang awareness, traffic enforcement, physical fitness, sexual assault and harassment, search and seizure, unusual occurrences, use of force, vehicle operations and pullovers, and weapons violations. 48 hours lecture and 32 hours laboratory.

ADJ-T72A - Radioactive Materials Response and Enforcement Training  .5 unit
Prerequisite: None.
This course provides students with the knowledge and background necessary to effectively handle a radioactive incident and take appropriate enforcement action. 12 hours lecture and 4 hours laboratory.

ADJ-T73A - General Hazardous Materials Inspection and Compliance Training Course  2 units
Prerequisite: None.
This course provides students with instruction and procedures for inspecting hazardous materials shipments in accordance with hazardous materials regulations. Topics covered will include initiating hazardous material inspections, checking proper shipping papers, placarding, marking, labeling, packaging, loading and storage, conducting facility inspections, and documenting inspections. 36 hours lecture and 4 hours laboratory.

ADJ-T75A - Specially Marked Patrol Vehicle (SMPV)  1 unit
commercial Enforcement Training Class
Prerequisite: None.
This course provides students with knowledge and background necessary for Specialty Marked Patrol Vehicle (SMPV) commercial vehicle violation enforcement in accordance with California Highway Patrol (CHP) policy. 24 hours lecture.

ADJ-W3A - Domestic Terrorism, Threats and Sabotage  .25 unit
Prerequisite: None.
Limitation on enrollment: Must be a sworn peace officer.
This course provides an overview of major terrorist groups operating in Southern California. The student will learn what recent events that have taken place surrounding the activities of terrorist groups and trends. Some of the more specific topics will cover the identification of types and uses of explosives employed by terrorist organizations. Issues covering the law enforcement response will also be presented. 8 hours lecture.

ADJ-W7A - Rangemaster Course  .5 unit
Prerequisite: None.
Limitation on enrollment: Must be a sworn peace officer.
Designed to introduce the student to instructional methods and adult learning styles relative to teaching firearms. The course emphasizes general firearm safety measures, equipment safety, legal aspects, firing line management and fundamentals of shooting. 15 hours lecture and 25 hours laboratory.

ADJ-W10A - Firearms  .25 unit
Prerequisite: None.
This course is designed to provide the student with firearms safety factors and precautions, firearms shooting principles including range firing of both handguns and shotguns. This course fulfills the firearms portion of ADJ-R1B (PC 832 Arrest and firearms). 8 hours lecture and 16 hours laboratory.

ADJ-W14A - Take Down and Ground Control  .25 unit
Prerequisite: None.
Limitation on enrollment: Must be currently employed by a law enforcement agency and have POST or STC certification.
This course is designed to provide the student with the skills necessary to achieve physical control of an uncooperative individual with the minimal amount of physical force. The course will emphasize the five basic components in defense and control. 4 hours lecture and 12 hours laboratory.
ADJ-W20A - Less-lethal Training .5 unit
Prerequisite: None.
Limitation on enrollment: Must be currently employed by a law enforcement agency and have POST or STC certification.
This course will familiarize the student with various types of uses for less-lethal munitions. Emphasis will be placed on general firearms safety measures, equipment safety, legal aspects, use and deployment of less-lethal munitions against noncompliant individuals. 10 hours lecture and 6 hours laboratory.

ADJ-Y1A - Explorer Academy - Basic 2.5 units
Prerequisite: None.
This course is designed to provide the police explorer scout with an overview of the basic peace officer training academy program. The course will focus on physical fitness, criminal law, crime scene searches, evidence, defensive tactics, and laws of search and seizure. May be taken a total of four times. 32 hours lecture and 66 hours laboratory.

ADJ-Y1B - Explorer Academy-Advanced 2 units
Prerequisite: ADJ-Y1A.
This course is designed to provide the police explorer scout with an overview of advanced issues related to the pursuits of law enforcement personnel. The course will focus on physical fitness, advanced report writing, leadership, bicycle patrol, controlled substance abuse, defensive tactics and laws of search and seizure. May be taken a total of four times. 24 hours lecture and 75 hours laboratory.

ADJ-Y5A - Public Safety High School Internship 2.5 units
Academy-Part 1
Prerequisite: None.
Limitation on enrollment: Consent of high school counselor as required by education code.
This course is designed to develop student awareness of all facets of the public safety field including law enforcement, corrections and fire safety. Students will learn to value diversity and their awareness of, and sensitivity to, other ethnic groups and cultures. Students will explore and analyze the function of community relations, cultural diversity and how they impact the public safety field. This is the first course in a series of two introductory courses to be completed by students who have a desire to enter the public safety field. 49 hours lecture and 12 hours laboratory.

ADJ-Y5B - Public Safety High School Internship 3.5 units
Academy-Part 2
Prerequisite: None.
Limitation on enrollment: ADJ-Y5A and consent of high school counselor as required by education code.
This course is designed to develop student awareness of all facets of the public safety field including law enforcement, corrections and fire safety. Students will learn to value diversity and their awareness of, and sensitivity to, other ethnic groups and cultures. Students will explore and analyze the function of community relations, cultural diversity and how they impact the public safety field. This is the second course in a series of two introductory courses to be completed by students who have a desire to enter the public safety field. 60 hours lecture and 33 hours laboratory.

ANIMAL AND PHYSIOLOGY

AMY-2A - Anatomy and Physiology, I 4 units
UC, CSU
Prerequisite: None.
First of two course sequence that introduces students to the basic concepts and principles of anatomy and physiology. This course will provide a foundation for advanced study of the human body. The course covers body orientation and organization, cells and tissues, the skeletal and muscular system, and the eye and ear. Designed to meet the prerequisite for professional programs, e.g. nursing, dental hygiene, and physical therapy. 36 hours lecture and 108 hours laboratory.
AMY-2B - Anatomy and Physiology, II 4 units  
UC, CSU  
Prerequisite: AMY-2A.  
Second of a two course sequence in anatomy and physiology that covers these systems: nervous, endocrine, cardiovascular, respiratory, urinary, digestive, and reproductive. 36 hours lecture and 108 hours laboratory.

AMY-10 - Survey of Human Anatomy and Physiology 3 units  
CSU  
Prerequisite: None.  
An introductory and survey course of structural and functional aspects of the human body. Emphasis is placed on cell organization, human tissues and discussion of each of the human systems. 54 hours lecture.

ANTHROPOLOGY  
ANT-1 - Physical Anthropology 3 units  
UC, CSU  
Prerequisite: None.  
An introduction to human biological evolution, physical diversity, and relationship to the animal world, using scientific and comparative methods. Incorporates the study of genetics, fossils, primates, and modern human variation within an evolutionary framework. 54 hours lecture.

ANT-2 - Cultural Anthropology 3 units  
UC, CSU  
Prerequisite: None.  
An introduction to the anthropological concept of culture and to the methods and theories used in the comparative analysis of cultures. Cultural practices and institutions are examined using perspectives that enhance effective participation in a culturally diverse world. 54 hours lecture.

ANT-4 - Native American Cultures 3 units  
UC, CSU  
Prerequisite: None.  
A survey of Native American cultures from the pre-Columbian period through conquest and reservation life and into the present. Incorporates evidence from archaeology, oral history, personal narratives, and other sources. Emphasis will be on the growth of Native American cultures, modern communities, including urban life, social and religious institutions, and traditional cultural elements and artistic traditions. 54 hours lecture.

ANT-7 - Anthropology of Religion 3 units  
UC, CSU  
Prerequisite: None.  
Introduction to the anthropological study of religion in world cultures, using a cross-cultural approach to the analysis of beliefs, rituals, mythology, and the role of religion in society, particularly focusing on non-Western traditional societies. 54 hours lecture.

ANT-8 - Language and Culture 3 units  
UC, CSU  
Prerequisite: None.  
An introduction to the anthropological study of language in world cultures. Characteristics of human verbal and non-verbal communication, language diversity and change, and the relationship of language to culture and social groups. 54 hours lecture.

ART-1 - History of Western Art: Prehistoric, Ancient, and Medieval 3 units  
UC, CSU  
Prerequisite: None.  
Advisory: Qualification for ENG-1A.  
Survey of the history of Western art: painting, architecture and sculpture, Prehistoric through the Medieval periods. 54 hours lecture.

ART-2 - History of Western Art: Renaissance through Contemporary 3 units  
UC, CSU  
Prerequisite: None.  
Advisory: Qualification for ENG-1A.  
Survey of the history of Western art: painting, architecture, and sculpture, from the Renaissance through contemporary art. 54 hours lecture.

ART-6 - Art Appreciation 3 units  
UC, CSU  
Prerequisite: None.  
Advisory: Qualification for ENG-1A.  
An introductory course for the non-art major. The creative process and the diversity of style, technique and media evident in various art forms throughout history and culture. Honors course offers an enriched experience for accelerated students through limited class size; seminar format; focus on primary texts; and application of higher level critical thinking skills. Students may not receive credit for both ART-6 and ART-6H. 54 hours lecture.

ART-6H - Honors Art Appreciation 3 units  
UC, CSU  
Prerequisite: None.  
Advisory: Qualification for ENG-1A.  
Limitation on enrollment: Enrollment in the honors program.  
An introductory course designed for the non-art major. The creative process and the diversity of styles, technique and media evident in various art forms throughout history and culture. Honors course offers an enriched experience for accelerated students through limited class size; seminar format; focus on primary texts; and application of higher level critical thinking skills. Students may not receive credit for both ART-6 and ART-6H. 54 hours lecture.

ART-17 - Beginning Drawing 3 units  
UC, CSU  
Prerequisite: None.  
An introduction to the fundamentals of drawing in a variety of media. The exploration of the elements of art, the principles of composition, perspective and the development of observational, motor and creative skills. Emphasis will be on black and white media. Students pay for their own materials. 36 hours lecture and 72 hours laboratory.

ART-18 - Intermediate Drawing 3 units  
UC, CSU  
Prerequisite: ART-17 (or 4A) or 22.  
Continued study of the skills acquired in Beginning Drawing, with the emphasis on the use of color media. Basic color theory, with the academic, psychological and the possibilities of color, will be explored in thoughtful compositions. Students pay for their own materials. 36 hours lecture and 72 hours laboratory.
ART-22 - Basic Design 3 units
UC, CSU
Prerequisite: None.
An introduction to the fundamentals of two-dimensional design. The organization of visual elements (line, shape, space, value, texture and color) according to the principles of design. Emphasis placed on visual perception, theory, dexterity, problem solving, analysis, application, skill and presentation. Students pay for their own materials. 36 hours lecture and 72 hours laboratory.

ART-23 - Design and Color 3 units
UC, CSU
Prerequisite: ART-17 (or 4A) or 22.
A continued study of the principles of two-dimensional design. The practice of the organization of the visual elements (line, shape, space, value, texture and color) according to the principles of design. Emphasis placed on color theory and more advanced methods of communicating ideas through design. Students pay for their own materials. Total of 36 hours lecture and 72 hours laboratory.

ART-25 - Watercolor Painting 3 units
UC, CSU
Prerequisite: ART-17 (or 4A) or 22.
Introduction to the fundamentals of painting with transparent watercolors. Various techniques, tools and materials will be explored. Composition, idea, method, color and creativity will be examined. Students pay for their own materials. 36 hours lecture and 72 hours laboratory.

ART-26 - Beginning Painting 3 units
UC, CSU
Prerequisite: ART-17 (or 4A) or 22.
An introduction to the fundamentals of painting (oil or acrylic); various techniques and the application of color theory. An exploration of the media, the development of visual perception and compositional and creative skills. Students pay for their own materials. 36 hours lecture and 72 hours laboratory.

ART-27 - Intermediate Painting 3 units
UC, CSU
Prerequisite: ART-23 or 26.
Continued study of painting (oil or acrylic); various techniques and the application of color theory. Development of visual perception, and compositional and creative skills. Students pay for their own materials. 36 hours lecture and 72 hours laboratory.

ART-28 - Studio Painting 3 units
UC, CSU
Prerequisite: ART-26 (4B) or 27 (5B).
Continued painting studio work with emphasis on individual problems for the self-motivated student. Specific agreement identifying intent, ideas, goals, and media, to be arranged between instructor and student. Subsequent enrollment will provide an opportunity for development and refinement in the art form. Students are expected to pay for their own materials. May be taken a total of four times. 36 hours lecture and 72 hours laboratory.

ART-36 - Computer Art 3 units
UC, CSU
Prerequisite: None.
Advisory: ART-17 (or 4A), 22, and computer experience.
Introduction to using digital media as a tool for creative arts. The exploration of the visual characteristics of electronic imagery. Emphasis will be on the essentials of fine art and design, as it relates to projects solved on the computer and/or other electronic equipment using art related software. Students pay for their own materials. May be taken a total of two times. 36 hours lecture and 72 hours laboratory.

ART-40 - Figure Drawing 3 units
UC, CSU
Prerequisite: ART-17 (or 4A) or 22.
Drawing from the human figure. Students will draw from a live, nude model using a variety of media. Students pay for their own materials. May be taken a total of four times. 36 hours lecture and 72 hours laboratory.

ART-41 - Figure Painting 3 units
UC, CSU
Prerequisite: ART-17 (or 4A), 26 (or 4B), or 40.
Painting from the human figure. Students will draw and paint from a live, nude model using a variety of media. Students pay for their own materials. May be taken four times. 36 hours lecture and 72 hours laboratory.

ART-42 - Studio Figure Drawing 3 units
UC, CSU
Prerequisite: ART-40.
Continued figure drawing studio work with emphasis on individual problems for the self-motivated student. Specific agreement identifying intent, ideas, goals, and media, to be arranged between instructor and student. Subsequent enrollment will provide an opportunity for development and refinement in the art form. Students are expected to pay for their own materials. May be taken a total of four times. 36 hours lecture and 72 hours laboratory.

ART-43 - Studio Figure Painting 3 units
UC, CSU
Prerequisite: ART-41.
Continued figure painting studio work with emphasis on individual problems for the self-motivated student. Specific agreement identifying intent, ideas, goals, and media, to be arranged between instructor and student. Subsequent enrollment will provide an opportunity for development and refinement in the art form. Students are expected to pay for their own materials. May be taken a total of four times. 36 hours lecture and 72 hours laboratory.

ART-44 - Animation 3 units
UC, CSU
Prerequisite: ART-17 (4A).
Advisory: ART-22 and 40.
Introduction to animation, including the history and the basic concepts of classical animation. Traditional methods such as flip books, storyboards, sequential drawings, background painting, character design, and theme development will be introduced. Students pay for their own materials. May be taken a total of three times. 36 hours lecture and 72 hours laboratory.
ART-45 - Studio Watercolor Painting 3 units
UC, CSU
Prerequisite: ART-25.
Continued watercolor studio work with emphasis on individual problems for the self-motivated student. Specific agreement identifying intent, ideas, goals, and media, to be arranged between instructor and student. Subsequent enrollment will provide an opportunity for development and refinement in the art form. Students are expected to pay for their own materials. May be taken a total of four times. 36 hours lecture and 72 hours laboratory.

ART-48 - Studio Drawing 3 units
UC, CSU
Prerequisite: ART-17 (4A) or 18 (5A).
Continued drawing studio work with emphasis on individual problems for the self-motivated student. Specific agreement identifying intent, ideas, goals and media to be arranged between instructor and student. Subsequent enrollment will provide an opportunity for development and refinement in the art form. Students are expected to pay for their own materials. May be taken a total of four times. 36 hours lecture and 72 hours laboratory.

ART-200 - Art Work Experience 1-2-3-4 units
CSU*
Prerequisite: None.
Advisory: Students should have paid or voluntary employment.
This course is designed to coordinate the student’s occupational on-the-job training with related classroom instruction. Students enrolled in this occupational work experience course must be employed in a field related to the work experience subject area. Students may earn up to four (4) units each semester for a maximum of 16 units of work experience. No more than 20 hours per week may be applied toward the work requirement. 18 hours lecture. Additionally, 60 hours of volunteer work or 75 hours of paid work is required for each unit.

ASTRONOMY

AST-1A - Introduction to Astronomy 3 units
UC, CSU
Prerequisite: None.
Advisory: High school algebra and geometry.
A descriptive survey of the universe: the earth, planets, moons, meteors, sun, stars, nebulae, and galaxies. Principles and methods of astronomical investigation are emphasized. 54 hours lecture.

AST-1B - Introduction to the Stars 3 units
UC, CSU
Prerequisite: AST-1A.
A descriptive course in the astronomy of the sun, stars, star clusters, and galaxies. 54 hours lecture.

BIOLOGY

BIO-1 - General Biology 4 units
UC*, CSU
Prerequisite: None.
This course is an introductory course designed for non-science majors, which offers an integrated study of the basic principles of biology, with emphasis on the principles of structure and function, genetics, development, evolution, and ecology. Discussions on the philosophy, concepts, and implications of modern biology will be included. 54 hours lecture and 54 hours laboratory.

BIO-2A - General Zoology I, Invertebrates 5 units
UC, CSU
Prerequisite: None.
Advisory: A high school biological science course.
A study of invertebrate animals, emphasizing structure, function, behavior, classification, and ecology. Designed for the biology major, preveterinary, premedical, predental, and naturalist. 54 hours lecture and 108 hours laboratory.

BIO-2B - General Zoology II, Vertebrates 5 units
UC, CSU
Prerequisite: None.
Advisory: BIO-1, 2A, or a high school biological science course.
A study of higher animals emphasizing the classification, evolution, and comparative structure of vertebrates, human histology and systems and embryology and genetics. Designed for the biology major, preveterinary, predental, preveterinarian, prepharmacy, physical therapy, dental hygieneist and naturalist. 54 hours lecture and 108 hours laboratory.

BIO-3 - Field Botany 4 units
UC, CSU
Prerequisite: None.
Introduction to the classification of native and introduced plants, with special emphasis on identification of species. Several field trips. 54 hours lecture and 54 hours laboratory.

BIO-5 - General Botany 4 units
UC, CSU
Prerequisite: None.
Introduction to the plant sciences with principal emphasis on the structures, functions, and ecology of common members of each of the major plant divisions. Designed for majors in health science, forestry, agriculture, environmental science, landscape design, horticulture, and general nature studies. 54 hours lecture and 54 hours laboratory.

BIO-6 - Introduction to Zoology 4 units
UC, CSU
Prerequisite: None.
A study of invertebrate and vertebrate animals emphasizing structure, function, behavior, taxonomy evolutionary relationships, and ecology. Designed for the non-science major. The laboratory gives students first hand experience with a diversity of animals and scientific experimental design. 54 hours lecture and 54 hours laboratory.

BIO-7 - Marine Biology 4 units
UC, CSU
Prerequisite: None.
An ecological study of the marine environment. Additional emphasis will be placed on the local marine plants and animals and their interactions with the physical environment. Frequent field trips are combined with laboratory observations to acquaint the student with the identification and understanding of the common marine organisms of the Southern California coastline. 54 hours lecture and 54 hours laboratory.

| BIO-9       | Introduction to the Natural History of Southern California                  | 3     | UC, CSU |
|             | Prerequisite: None.                                                        |       |         |
|             | This course offers an introduction to the identification, description, and   |       |         |
|             | adaptations of indicator plant and animal species found in southern        |       |         |
|             | California. Examples of habitat types which will be covered include         |       |         |
|             | coastal ranges, local mountains, the upper and lower deserts. This         |       |         |
|             | course is designed to offer students an opportunity to discover what        |       |         |
|             | factors have shaped habitat types in southern California, and what types   |       |         |
|             | of organisms are found in these varying habitats. 36 hours lecture and      |       |         |
|             | 54 hours laboratory.                                                       |       |         |

| BIO-10      | Principles of Life Science                                                  | 3     | UC*, CSU|
|             | Prerequisite: None.                                                        |       |         |
|             | For non-life science majors. An introduction to the principles of life     |       |         |
|             | sciences through the study of basic biological concepts of living          |       |         |
|             | organisms involving structure, behavior, evolutionary relationships and     |       |         |
|             | the social and environmental implications of life science. No credit at    |       |         |
|             | the University of California if taken following BIO-1. 54 hours lecture.    |       |         |

| BIO-11      | Introduction to Molecular and Cellular Biology (Majors)                    | 5     | UC*, CSU|
|             | Prerequisite: CHE-1A or IAH.                                              |       |         |
|             | An intensive course for all Life Science majors designed to prepare the    |       |         |
|             | student for upper division courses in molecular biology, cell biology,    |       |         |
|             | developmental biology, evolution, and genetics. Course material            |       |         |
|             | includes introduction, principles of biochemistry, metabolism, cells,     |       |         |
|             | genetics, development, evolution and diversity. 72 hours lecture and       |       |         |
|             | 54 hours laboratory.                                                       |       |         |

| BIO-12      | Introduction to Organismal and Population Biology (Majors)                 | 5     | UC*, CSU|
|             | Prerequisite: BIO-11.                                                     |       |         |
|             | An intensive course designed for all Life Science majors to prepare the    |       |         |
|             | student for upper division courses in organismal and population biology.   |       |         |
|             | Course materials include plant structure and function, animal systems and  |       |         |
|             | behavior, ecological diversity and dynamics, and evolutionary theory,      |       |         |
|             | including population genetics. This course, along with BIO-11, is         |       |         |
|             | intended to fulfill a year of transferable lower division general biology. |       |         |
|             | Some field trips are required. 72 hours lecture and 54 hours laboratory.   |       |         |

| BIO-14      | Soil Science and Management                                                | 3     | UC, CSU |
|             | Prerequisite: None.                                                        |       |         |
|             | An introduction to physical properties and classification of soils,         |       |         |
|             | physical and chemical properties of soil that governs soil reactions       |       |         |
|             | and interactions, nutrient regeneration, and management principles in      |       |         |
|             | relation to air, water, nutrients and organic matter. 54 hours lecture.    |       |         |

| BIO-15      | Soil Science and Management Laboratory                                     | 2     | CSU     |
|             | Prerequisite: None.                                                        |       |         |
|             | A supplementary laboratory course to BIO-14 (Soil Science and Management),|       |         |
|             | focusing on the basics of soil science, physical and biogeochemical        |       |         |
|             | properties, and interpretation for use and management. This course will    |       |         |
|             | give students hands-on perspectives of soil science, ranging from           |       |         |
|             | agricultural, wild lands, watershed, and environmental impacts. 108 hours |       |         |
|             | laboratory.                                                                |       |         |

| BIO-17      | Human Biology                                                              | 4     | UC, CSU |
|             | Prerequisite: None.                                                        |       |         |
|             | A non-major introductory course in biology, which offers an integrated     |       |         |
|             | study of the basic principles of biology as revealed in the human body.    |       |         |
|             | Emphasis is placed on cellular and system organization in relation to      |       |         |
|             | specific function and common disorders affecting the body; the             |       |         |
|             | interaction between the human body and its environment.                    |       |         |
|             | Controversial, thought-provoking topics related to modern biology and      |       |         |
|             | medical advances involving genetic engineering will be included. This      |       |         |
|             | course is intended to fulfill a transferable general science requirement.  |       |         |
|             | 54 hours lecture and 54 hours laboratory.                                   |       |         |

| BIO-30      | Human Reproduction and Sexual Behavior                                      | 3     | UC, CSU |
|             | Prerequisite: None.                                                        |       |         |
|             | Human anatomy, physiology and behavior as related to sexual reproduction,   |       |         |
|             | including discussion of fertilization, pregnancy, childbirth and birth     |       |         |
|             | control. Consideration also will be given to homosexuality, venereal      |       |         |
|             | disease, sex education, and sexual intercourse and response. 54 hours      |       |         |
|             | lecture.                                                                   |       |         |

| BIO-31A     | Regional Field Biology Studies                                             | 1     | CSU     |
|             | Prerequisite: None.                                                        |       |         |
|             | A field course with trips to regional points of biologic interest. This    |       |         |
|             | class field excursions to sites with varying biologic interest. These     |       |         |
|             | sites may include, but are not limited to: Joshua Tree National Park,     |       |         |
|             | Anza-Borrego State Park, the Salton Sea, Idyllwild mountain range,         |       |         |
|             | Big Bear mountain range, Santa Rosa plateau, Corona Del Mar, Tijuana       |       |         |
|             | Estuary. May be taken a total of four times. 54 hours laboratory.          |       |         |

| BIO-31B     | Regional Field Biology Studies                                             | 2     | CSU     |
|             | Prerequisite: None.                                                        |       |         |
|             | A field course with trips to regional points of biologic interest. This    |       |         |
|             | class field excursions to sites with varying biologic interest. These     |       |         |
|             | sites may include, but are not limited to: Joshua Tree National Park,     |       |         |
|             | Anza-Borrego State Park, the Salton Sea, Idyllwild mountain range,         |       |         |
|             | Big Bear mountain range, Santa Rosa plateau, Corona Del Mar, Tijuana       |       |         |
|             | Estuary. May be taken a total of four times. 108 hours laboratory.         |       |         |
BIO-34 - Human Genetics 3 units
UC, CSU
Prerequisite: None.
Advisory: High school biology or any college life science class with laboratory.
A general education course for the non-biology major. The mechanisms of human heredity, emphasizing normal and abnormal genetic counseling. 54 hours lecture.

BIO-36 - Environmental Science 3 units
UC*, CSU
Prerequisite: None.
A study of humans in relation to the environment, emphasizing population ecology, energy cycles, pollution, food resources, and conservation of natural resources. 54 hours lecture.

BIO-96 - Practicum in Life Sciences .5 unit
Prerequisite: None.
Limitation on enrollment: Concurrent enrollment in any life science course with lab.
This course is a supplemental course within the life sciences, with the objective of providing faculty-directed instruction in a laboratory environment. May be taken a total of four times. 27 hours laboratory required for credit. (Non-degree credit course. Pass/No Pass only.)

BIO-97 - Practicum in Life Sciences 1 unit
Prerequisite: None.
Limitation on enrollment: Concurrent enrollment in any life science course with lab.
This course is a supplemental course within the life sciences, with the objective of providing faculty-directed instruction in a laboratory environment. May be taken a total of four times. 54 hours laboratory required for credit. (Non-degree credit course. Pass/No Pass only.)

BIOTECHNOLOGY

BIT-1 - Introduction to Biotechnology 1 unit
CSU
Prerequisite: None.
Lecture course to introduce students to career options and general work skills in biotechnology. General work skills include record keeping, business ethics and safety. 18 hours lecture.

BIT-2 - Basic Laboratory Skills: Solution Preparation 1 unit
CSU
Prerequisite: CHE-2A.
Laboratory course developing solution preparation skills including molarity and percent calculations, reagent/media preparation, care and use of volumetric glassware, pipetting, pH adjustment and serial dilution. May be taken a total of two times. 54 hours laboratory.

BIT-3 - Basic Laboratory Skills: Titration 1 unit
CSU
Prerequisite: CHE-2A.
Advisory: BIT-2.
Laboratory course developing titration skills to collect accurate and precise data, record the data and results, and calculate the results. Acid-base and oxidation-reduction titrations will be performed. May be taken a total of two times. 54 hours laboratory.

BIT-4 - Basic Laboratory Skills: Spectrometry 1 unit
CSU
Prerequisite: CHE-2A.
Advisory: BIT-2.
Laboratory course developing skills in use of the visible spectrometer for carrying out colorimetric analysis. Collection and analysis of data appropriate for industry. May be taken a total of two times. 54 hours laboratory.

BIT-5 - Literature Research and Presentation in Biotechnology .5 unit
CSU
Prerequisite: None.
Lecture/presentation course to develop skills in library research (including using the Internet) and giving an oral presentation for topics in biotechnology. Students will gain exposure to the breadth of the biotechnology field through the presentation on different topics. 9 hours lecture.

BIT-6 - Basic Laboratory Skills: Microscopy .5 unit
CSU
Prerequisite: MIC-1.
A laboratory class designed to develop student competency using various types of light microscopes and specimen preparation using both prokaryote and eukaryote cells. The operation of transmission and scanning microscope will be discussed. 27 hours laboratory.

BIT-7 - Basic Laboratory Skills: Chromatography and Electrophoresis 1 unit
CSU
Prerequisite: CHE-2A.
Advisory: BIT-2 and 4.
A laboratory class to develop student skills in paper chromatography, size exclusion column chromatography, thin layer chromatography, and agarose gel electrophoresis. General principles of chromatography and electrophoresis shall be demonstrated. 54 hours laboratory.

BIT-8 - Technical Writing for Scientists 2 units
CSU
Prerequisite: ENG-1A or 1AH.
Lecture course introducing technical writing for scientific documents, proposals and papers. 36 hours lecture.

BIT-11 - Molecular Techniques in Nucleic Acid Analysis 3 units
CSU
Prerequisite: MIC-1.
Advisory: BIT-2, 3, 4, 6 and 7.
Lecture and laboratory course developing knowledge and skills in bacterial transformation, DNA and RNA extraction and analysis, PCR, restriction digest and ligation, restriction mapping and analysis. 36 hours lecture and 54 hours laboratory.

BIT-12 - Protein Analysis (Amino Acid Sequencing) .5 unit
CSU
Prerequisite: MIC-1.
Advisory: BIT-2, 3, 4, 6 and 7.
Laboratory course developing skills in protein (enzyme) purification, analysis of enzyme kinetics, and predicting protein structure by analyzing amino acid sequence. 27 hours laboratory.
**BIT-13 - Safety and Laboratory Practices**  
1 unit  
CSU  
Prerequisite: None.  
Lecture course introducing safety, good laboratory practices (GLP) and good manufacturing practices (GMP) for the biotechnology industry. 18 hours lecture.

**BIT-14 - Field Experience Presentation**  
1 unit  
CSU  
Prerequisite: None.  
Limitation on enrollment: Must have work experience in biotechnology.  
Lecture/presentation course with students conducting oral presentations based on their work experience in biotechnology. Students will gain exposure to the breadth of the biotechnology field through the presentations on different worksites. 18 hours lecture.

**BIT-15 - Basic Laboratory Immunology**  
1.5 units  
CSU  
Prerequisite: MIC-1.  
An introductory course in basic theoretical concepts of immunology and the underlying theory of procedures performed in immunology/serology labs. Course topics are antigen-antibody reactions, antibody-mediated and cell-mediated immunity, monoclonal antibodies and their use, agglutination reactions and immunochemical techniques including fluorescent-antibody methods, enzyme-linked immunosorbent assay (ELISA) and immunoelectrophoresis techniques including Western blot. 18 hours lecture and 27 hours laboratory.

**BIT-16 - Industry Regulations**  
1 unit  
CSU  
Prerequisite: None.  
Lecture course introducing government and industry regulations for the biotechnology industry. 18 hours lecture.

**BIT-200 - Biotechnology Work Experience**  
1-2-3-4 units  
CSU*  
Prerequisite: None.  
Advisory: Students should have paid or voluntary employment.  
This course is designed to coordinate the student’s occupational on-the-job training with related classroom instruction. Students enrolled in this occupational work experience course must be employed in a field related to the work experience subject area. Students may earn up to four (4) units each semester for a maximum of 16 units of work experience. No more than 20 hours per week may be applied toward the work requirement. 18 hours lecture. Additionally, 60 hours of volunteer work or 75 hours of paid work is required for each unit.

**BOR-32 - U.S.-Mexico Border Studies:**  
1 unit  
Health Care Field Component  
CSU  
Prerequisite: None.  
Advisory: SPA-1 or 1H and BOR-31; recommended for students in Community Interpreting or Nursing programs.  
Field component designed to increase cultural awareness and practical working knowledge of healthcare services in the U.S. and Mexico. Provides opportunities to apply subject and language skills in the most natural settings possible. To be offered in Mexico or the border region, primarily during intersession breaks or cumulatively over weekends. May be taken a total of four times. 54 hours laboratory.

**BOR-33 - U.S.-Mexico Border Studies:**  
1 unit  
Education Field Component  
CSU  
Prerequisite: None.  
Advisory: SPA-1 or 1H and BOR-31; recommended for students in the RCC-CSUSB Bilingual Sequential Degree Program.  
Field component designed to increase cultural awareness and practical working knowledge of educational services in the U.S. and Mexico. Provides opportunities to apply subject and language skills in the most natural settings possible. To be offered in Mexico or the border region, primarily during intersession breaks or cumulatively over weekends. May be taken a total of four times. 54 hours laboratory.

**BUSINESS ADMINISTRATION**

**BUS-10 - Introduction to Business**  
3 units  
UC, CSU  
Prerequisite: None.  
Scope, function, and organization of contemporary business; fundamentals, concepts, principles, and current practices in the major areas of business activity with an integrated global perspective. 54 hours lecture.

**BUS-18A - Business Law, I**  
3 units  
UC*, CSU  
Prerequisite: None.  
The social and practical basis of the law. Covers the legal and ethical environment of business, contracts, agency and employment, and the law of sales. 54 hours lecture.

**BUS-18B - Business Law, II**  
3 units  
UC*, CSU  
Prerequisite: None.  
Commercial paper, secured transactions, bankruptcy, agency and employment, business organizations, governmental regulations, international law, real and personal property and trusts and estates. 54 hours lecture.

**BUS-20 - Business Mathematics**  
3 units  
Prerequisite: None.  
Application of fundamental problem solving concepts, techniques, and skills relating to quantitative aspects of business. The development and solution of first degree equations relating to percentage, merchandise pricing, negotiable instruments, credit, depreciation, and inventory will be emphasized. 54 hours lecture.
BUS-22 - Management Communications 3 units
CSU
Prerequisite: None.
Advisory: CAT-30.
Examines the dynamics of organizational communication including a cross cultural emphasis. Practical experience is attained in verbal, non-verbal and interpersonal communication. Includes business report writing, letter writing and resume writing. 54 hours lecture.

BUS-30 - Entrepreneurship and Small Business 3 units
Management
CSU
Prerequisite: None.
An examination of the American enterprise system, the nature and extent of American business, opportunities in business, and types of business organizations such as sole proprietorships, partnerships, and corporations. The course will particularly focus on the entrepreneur, the opportunity and the resources, pulling it all together with a business plan. 54 hours lecture.

BUS-40 - International Business-Principles 3 units
CSU
Prerequisite: None.
A comprehensive overview of international business designed to provide both beginners and experienced business people with a global perspective on international trade including foreign investments, impact of financial markets, and the operation of multi-national corporations. 54 hours lecture.

BUS-43 - International Business-Marketing 3 units
CSU
Prerequisite: None.
Advisory: BUS-10 or MKT-20.
Presents the problems of marketing in the international marketplace and how marketers approach and solve them. The course focuses on concepts and principles by teaching the theory and practice of international marketing. Included are: the United States international marketing position, market entry strategies, analysis of foreign markets, culture and marketing, product, pricing, distribution, promotion and sales. 54 hours lecture.

BUS-46 - International Business-Basics of Exporting 3 units
CSU
Prerequisite: None.
An introduction to the current U.S. position in the global trade arena with an emphasis on the export concerns of the small U.S. firm. Includes export assessment, methods of export, resources of export advice, international market research methods, aspects of overseas selling practices, and export documentation and shipping. 54 hours lecture.

BUS-47 - Applied Business and Management Ethics 3 units
(Same as MAG-47)
CSU
Prerequisite: None.
An examination of ethical concerns in business decision making. Includes corporate, personal, global, governmental, public, environmental, product, and job-related issues. Case studies and corporate ethics programs and audits also covered. 54 hours lecture.

BUS-48 - International Management 3 units
CSU
Prerequisite: None.
Advisory: BUS-10 or MAG-44.
A beginning focus for managing resources at the international level. Case studies are used to examine what a manager would need to know to function as effectively as possible in other cultures. 54 hours lecture.

BUS-51 - Principles of E-Commerce 3 units
CSU
Prerequisite: None.
Advisory: BUS-10, CIS-1A and concurrent enrollment in BUS-96 or 97.
An introduction to electronic commerce focusing on business, technological and social issues in today’s global market. Provides the theory and practice of conducting business over the Internet and the World Wide Web. 54 hours lecture.

BUS-52 - Introduction to PDAs 1.5 units
(Same as CIS/CAT-52)
Prerequisite: None.
An introduction to Personal Digital Assistant (PDA) devices using the Palm OS. This short course is designed to teach students the use of PDAs in maintaining electronic calendars, scheduling appointments, creating address books, communicating via e-mail, connecting to the Internet and working with MS Office applications. 27 hours lecture.

BUS-53 - Introduction to Personal Finance 3 units
(Same as CAT-58)
Prerequisite: None.
An introduction to personal finance focusing on mastering the key concepts involved in attaining personal wealth. Personal Finance focuses on the concepts, decision-making tools, and applications of financial planning. A financial plan will be utilized to guide decisions today and in years to come. Additional emphasis will be placed on interpreting financial information obtained online, the theory and practice regarding income tax law, health insurance provisions, retirement programs and personal investing. 54 hours lecture.

BUS-58 - Marketing the Virtual Office 3 units
(Same as CAT-58)
Prerequisite: None.
Advisory: CAT-57 and CAT/CIS-76A or 76B.
Identifies and evaluates various employment marketing techniques such as networking face-to-face, virtual interviews, associating with professional organizations, developing flyers and brochures, developing a professional Internet site, and using Web-based resources. The course is a core requirement of the Virtual Assistant certificate program. 54 hours of lecture.

BUS-61 - Introduction to Insurance 1 unit
Prerequisite: None.
Basic introduction to the modern insurance system, how insurance products and services are distributed to the consumer, how insurance company departments function, how reinsurance is used, civil laws or tort and contracts, commercial and personal ISO insurance contracts, and the risk management process. 18 hours lecture.

BUS-62 - Personal Insurance Principles 3 units
Prerequisite: None.
Basic introduction to insurance products and coverage including automobile insurance; homeowners insurance; other residential insurance, such as fire and earthquake insurance; marine insurance; other personal property and liability insurance; financial planning; life insurance; and health insurance. 54 hours lecture.
BUS-63 - Principles of Property and Liability Insurance  3 units
Prerequisite: None.
Introduction to Property and Liability Insurance including types of property and liability insurers, how it is regulated, measurement of financial performance, marketing, underwriting, claims loss exposure, and risk management. 54 hours lecture.

BUS-64 - Commercial Insurance Principles  3 units
Prerequisite: None.
Basic introduction to Commercial Insurance including commercial property insurance, business income insurance, commercial crime insurance, equipment breakdown insurance, inland and ocean marine insurance, commercial general liability insurance, commercial automobile insurance, business owner's policies and farm insurance, worker's compensation and employer's liability insurance. 54 hours lecture.

BUS-65 - Insurance Code and Ethics  1 unit
Prerequisite: None.
Ethical considerations one must support in order to succeed in the insurance industry. The course presents ethical issues with which employees working in insurance offices will be involved. 18 hours lecture.

BUS-66 - Insurance Internship  1 unit
Prerequisite: None.
This one-unit internship will be carried out in a local insurance company and will follow the guidelines of the college. Students enrolled in this occupational internship course must be employed in the insurance industry. Students will earn the one credit for this course by completing 75 hours of paid work or 60 hours of volunteer work. No more than 20 hours per week may be applied toward the work requirement.

BUS-70 - Introduction to Organization Development  3 units
(Same as MAG-70)
Prerequisite: None.
Advisory: MAG-44.
This is a study of organization-wide, planned efforts to increase organizational effectiveness using planned interventions by managers. Multiple intervention techniques, such as diagnostic activities, team building, process consulting, coaching and goal setting are covered. 54 hours lecture.

BUS-71 - Introduction to Productivity Management  3 units
(Same as MAG-71)
Prerequisite: None.
Advisory: MAG-44 and 70.
An introduction to the techniques used to determine, analyze and improve the systems of creating wealth by supplying quality goods and services to consumers. Includes selecting technologies, managing facilities and people, and integrating cross-functional departments into effective work units. 54 hours lecture.

BUS-72 - Introduction to Quantitative Methods  3 units
for Business
(Same as MAG-72)
Prerequisite: None.
Advisory: BUS-20 and MAG-70.
An introduction to the techniques used to analyze business decisions using facts and data. An application of statistical techniques for non-mathematicians for making effective business decisions. 54 hours lecture.

BUS-80 - Principles of Logistics  3 units
Prerequisite: None.
A study of the basic concepts in product distribution including distribution planning and terminology, transportation methods, traffic management, inventory control and warehousing. 54 hours lecture.

BUS-81 - Inventory Control  1.5 units
(Same as MAN-81)
Prerequisite: None.
Review of the concepts and techniques available for planning and controlling inventories. 27 hours lecture.

BUS-82 - Freight Claims  1.5 units
Prerequisite: None.
A study of loss avoidance and mitigation in transit and the preparation, filing and resolution of freight claims. 27 hours lecture.

BUS-83 - Contracts  1.5 units
Prerequisite: None.
A study of the legal and regulatory requirements applicable to contracts for product transportation and logistics functions and considerations for drafting and negotiating contracts with freight carriers, warehousemen and other logistics service providers. 27 hours lecture.

BUS-84 - Computerized Logistics  1.5 units
Prerequisite: None.
A study of the need for and use of computers in the logistics and freight industry and an introduction to the software that is available. 27 hours lecture.

BUS-85 - Warehouse Management  3 units
Prerequisite: None.
Analysis of warehouse functions and management including facility location and operation, financial analysis, security, cargo handling, and productivity improvement and measurement. 54 hours lecture.

BUS-86 - Transportation and Traffic Management  3 units
Prerequisite: None.
A study of the domestic freight transportation system including the demand for freight movement, laws, regulations, pricing and policies, traffic management and international transportation issues. 54 hours lecture.

BUS-87 - Introduction to Purchasing  3 units
Prerequisite: None.
Study of basic purchasing functions including establishing requirements and quantities, developing policies and procedures for purchasing, making purchasing decisions, receiving acceptable goods, arranging packaging and shipping and managing inventory levels. 54 hours lecture.

BUS-88 - Warehouse and Distribution Skills  3 units
Prerequisite: None.
A study of the vocational level concepts in warehouse and distribution processes and techniques; including distribution planning and terminology, transportation methods, OSHA safety rules and regulations, shipping, marking and receiving procedures, and inventory control. 54 hours lecture.
BUS-89 - Forklift Safety and Operation  
**Prerequisite:** None.
A study of the basic concepts and practical use of industrial trucks and forklift operator safety procedures; including design, energy sources, fire protection and OSHA rules and regulations. 9 hours lecture and 9 hours laboratory.

BUS-90 - International Logistics  
**Prerequisite:** None.
An introduction to the role of logistics in global business; including the economic and service characteristics of international transportation providers, the government’s role, documentation and terms of sale used in global business, and the fundamentals of effective export and import management. 54 hours lecture.

BUS-96 - Practicum in Computers  
**Prerequisite:** None.
Self-paced, competency-based skill development in computer usage. Instruction is given on an individualized basis using personal consultation with the student. The course is offered credit/no credit only. May be taken a total of four times. 27 hours laboratory required for credit. (Non-degree credit course. Pass/No Pass only.)

BUS-97 - Practicum in Computers  
**Prerequisite:** None.
Self-paced, competency-based skill development in computer usage. Instruction is given on an individualized basis using personal consultation with the student. The course is offered credit/no credit only. May be taken a total of four times. 54 hours laboratory required for credit. (Non-degree credit course. Pass/No Pass only.)

BUS-200 - Business Administration  
**Work Experience**
1-2-3-4 units  
**CSU**
**Prerequisite:** None.
**Advisory:** Students should have paid or voluntary employment.
This course is designed to coordinate the student’s occupational on-the-job training with related classroom instruction. Students enrolled in this occupational work experience course must be employed in a field related to the work experience subject area. Students may earn up to four (4) units each semester for a maximum of 16 units of work experience. No more than 20 hours per week may be applied toward the work requirement. 18 hours lecture. Additionally, 60 hours of volunteer work or 75 hours of paid work is required for each unit.

CHEMISTRY

CHE-1A - General Chemistry, I  
**5 units**  
**UC**, **CSU**
**Prerequisite:** CHE-2A or 3 and MAT-35.
The student will explore simple chemical systems, their properties and how they can be investigated and understood in terms of stoichiometry, gas laws, elementary thermodynamics, atomic structure and bonding. Laboratory techniques in the investigation of chemical systems. Students may not receive credit for both CHE-1A and CHE-1AH. 54 hours lecture and 108 hours laboratory.

CHE-1AH - Honors General Chemistry, I  
**5 units**  
**UC**, **CSU**
**Prerequisite:** CHE-2A or 3, and MAT-35.
**Limitation on enrollment:** Enrollment in the honors program.
The student will explore simple chemical systems, their properties and how they can be investigated and understood in terms of stoichiometry, gas laws, elementary thermodynamics, atomic structure and bonding. Laboratory techniques in the investigation of chemical systems. The honors course offers an enriched experience for accelerated students through limited class size; seminar format; focus on primary texts; and application of higher level critical thinking skills. A thematic approach developing a chemical concept in detail will be used rather than a topic based approach. Laboratory will involve completion of directed research projects with submission of standard operating procedures (SOPs) or papers in appropriate scientific format. Students may not receive credit for both CHE-1A and CHE-1AH. 54 hours lecture and 108 hours laboratory.

CHE-1B - General Chemistry, II  
**5 units**  
**UC**, **CSU**
**Prerequisite:** CHE-1A or 1AH.
Continued exploration of the principles of chemistry with emphasis on kinetics, thermodynamics, acid-base theory, equilibrium and electrochemistry. Special topics from descriptive inorganic chemistry, nuclear chemistry and introductory organic chemistry. Laboratory techniques in the investigation of chemical systems. Students may not receive credit for both CHE-1B and CHE-1BH. 54 hours lecture and 108 hours laboratory.

CHE-1BH - Honors General Chemistry, II  
**5 units**  
**UC**, **CSU**
**Prerequisite:** CHE-1A or 1AH.
**Limitation on enrollment:** Enrollment in the honors program.
Continued exploration of the principles of chemistry with emphasis on kinetics, thermodynamics, acid-base theory, equilibrium and electrochemistry. Special topics from descriptive inorganic chemistry, nuclear chemistry and introductory organic chemistry. Laboratory techniques in the investigation of chemical systems. The honors course offers an enriched experience for accelerated students through limited class size; seminar format; focus on primary texts; and application of higher level critical thinking skills. A thematic approach developing a chemical concept in detail will be used rather than a topic based approach. Laboratory will involve completion of directed research projects with submission of standard operating procedures (SOPs) or papers in appropriate scientific format. Students may not receive credit for both CHE-1B and CHE-1BH. 54 hours lecture and 108 hours laboratory.

CHE-2A - Introductory Chemistry, I  
**4 units**  
**UC**, **CSU**
**Prerequisite:** MAT-52.
Introduction to the nature of chemicals, their properties, chemical bonding, reactions and mixtures. Applications to health and environmental topics. Fulfills the needs of non-science majors. 54 hours lecture and 54 hours laboratory.
CHE-2B - Introductory Chemistry, II  4 units
UC*, CSU
Prerequisite: CHE-2A.
Introduction to organic and biochemistry including: (1) structure, nomenclature and reactions of some organic compounds and drugs, (2) structure and metabolism of carbohydrates, lipids, proteins, and nucleic acids and (3) enzyme activity and inhibition. Meets the chemistry requirement for nursing, physical education, paramedics, nutrition, dental hygiene, physical therapy assistants, and inhalation therapy majors. 54 hours lecture and 54 hours laboratory.

CHE-10 - Chemistry for Everyone  3 units
UC*, CSU
Prerequisite: None.
A lecture-demonstration presentation of the basic principles of chemistry with special emphasis on how chemistry applies and contributes to society. The course is designed to provide a general overview of chemistry with emphasis on historical, industrial, environmental, organic, biological and nuclear aspects. CHE-10 covers a wide variety of topics ranging from atoms and molecules, acids and bases, organic and biochemistry, to a look at genetics and nuclear chemistry. The chemistry of air and water pollution is also discussed. This course is designed for students desiring a general knowledge of the field and fulfills the natural science requirement for the Associate of Arts Degree. 54 hours lecture.

CHE-17 - Introduction to the Development of Modern Science (Same as PHS-17)  3 units
UC, CSU
Prerequisite: None.
Advisory: Qualification for ENG-IA.
A survey of the rise of modern science in Western civilization from the Scientific Revolution of the 16th and 17th centuries through the biological and earth science revolutions of the 20th century. The historical forces that led to major scientific developments and the impact of science and science-based technology on society will be examined. 54 hours lecture.

CHICANO STUDIES
Several courses have been developed to meet the special needs of Chicano (Mexican-American) students. In varying degrees, these seek to (1) establish the Chicano student’s identity with the culture, the history, and the elements of the Chicano lifestyle today; (2) provide all Riverside Community College District students with objective, well-planned courses involving the often neglected multiracial aspects of American society; and (3) offer learning experiences that will develop and improve scholastic abilities.

Among these courses are:

- ESL-54 - Intermediate Writing and Grammar
- ESL-55 - Advanced Writing and Grammar
- ESL-73 - High Intermediate Reading and Vocabulary
- ESL-93 - Oral Skills III: Advanced Oral Communications
- HIS-8 and 9 - History of the Americas
- HIS-30 and 31 - Introduction to Chicano Studies
- SOC-10 - Race and Ethnic Relations

COMMUNITY INTERPRETATION

CMI-61 - Introduction to Spanish English Translation  3 units
Prerequisite: None.
Advisory: This course is intended for students with near native writing skills in Spanish and English.
This course is an introduction to Spanish/English translation with an emphasis on developing writing style appropriate to text type. Text types covered will include correspondence, news media texts, and informational texts of a general nature. Students will focus on comprehension of source language texts and accurate expression of content in translations. Theoretical readings will be used to familiarize students with strategies, techniques and approaches to solving translation challenges. The course will cover the appropriate use of research materials as aids to translation. 54 hours lecture.

CMI-71 - Bilingual Interpretation for the Medical Professions  6 units
Prerequisites: None.
Limitation on enrollment: This course is intended for students with near native fluency in Spanish and English.
This course is an introduction to oral interpretation theory and practice in the medical professions, with emphasis on anatomy, illnesses and cultural diversity in institutional procedures. This course concentrates on developing general skills in sight translation, consecutive interpretation, and simultaneous interpretation, and includes a field-observation component. 90 hours lecture and 54 hours laboratory.

CMI-72 - Intermediate Medical Interpreting  4 units
Prerequisite: CMI-71.
This course builds upon skills and knowledge obtained and practiced in CMI–71. Although the course will continue to highlight medical terminology specific to the provision of all aspects and levels of patient healthcare services, emphasis is on medical specialties and subspecialties, including specialized procedures, uncommon diagnoses, and workers’ compensation. Students continue to practice modes of interpretation, with emphasis placed on speed, accuracy, and interpretation of non-standard language/speech patterns. Public speaking, vocabulary building, and test-taking strategies will also be covered. Students will be required to observe the work of professional interpreters in the healthcare setting. 72 hours lecture.

CMI-81 - Bilingual Interpretation for the Legal Professions  6 units
Prerequisite: None.
Limitation on enrollment: This course is intended for students with near native fluency in Spanish and English.
This course is an introduction to oral interpretation theory and practice in the legal professions, with emphasis on criminal law, civil law, mental health hearings, and cultural diversity in procedures. This course concentrates on developing general skills in sight translation, consecutive interpretation and simultaneous interpretation, and includes a field-observation component. 90 hours lecture and 54 hours laboratory.

CMI-82 - Intermediate Legal Interpreting  4 units
Prerequisite: CMI-81.
This course builds upon skills practiced in CMI-81. Students review sight translation and consecutive interpretation. Considerable emphasis will be placed on simultaneous interpretation. Terminology covered will include Spanish-English legal terminology as well as the lexicon of fingerprinting, firearms, controlled substances and other subject areas dealt with in court interpreting. Emphasis will be placed upon public speaking, discourse analysis and dual task exercises. 72 hours lecture.
CMI-91 - Introduction to Translation and Interpretation for Business 3 units
Prerequisite: None.
Limitation on enrollment: This course is intended for students with near native fluency in Spanish and English.
This course is an introduction to Spanish/English translation and interpretation as practiced in business settings. Students will focus on developing skills in interpreting and written translation while acquiring business terminology in Spanish and English. Emphasis will be placed on written translation and consecutive interpretation. Acquisation of bilingual business terminology will be reinforced through readings, oral practice and written work. 54 hours lecture.

CMI-200 - Community Interpretation 1-2-3-4 units
Work Experience
CSU*
Prerequisite: None.
Advisory: Students should have paid or voluntary employment.
This course is designed to coordinate the student’s occupational on-the-job training with related classroom instruction. Students enrolled in this occupational work experience course must be employed in a field related to the work experience subject area. Students may earn up to four (4) units each semester for a maximum of 16 units of work experience. No more than 20 hours per week may be applied toward the work requirement. 18 hours lecture. Additionally, 60 hours of volunteer work or 75 hours of paid work is required for each unit.

CAT-1A - Business Etiquette 1 unit
Prerequisite: None.
This course provides students with both the knowledge and skills required to quickly apply business standards of acceptable behavior and etiquette to project a professional image. The following communication techniques are taught for an effective professional standard: dialog, discussion, cooperation, compromise, self-knowledge and knowledge of others. 18 hours lecture.

CAT-3 - Computer Applications for Working Professionals 3 units
(Same as CIS-3)
CSU
Prerequisite: None.
Advisory: Concurrent enrollment in CAT-96 or 97.
This course introduces a suite of computer applications to students preparing to enter business, office, and teaching professions. Individuals who are already established in these professions may also benefit from skills emphasized which include: use of basic operating system functions, word processing, spreadsheets, database management, presentation graphics, scheduling/time management, basic Internet, and introducing scanning/management of documents and images. 54 hours lecture and 18 hours laboratory.

CAT-3A - Linux Computer Applications for Working Professionals 3 units
(Same as CIS-3A)
CSU
Prerequisite: None.
This course introduces a suite of computer applications to students preparing to enter the office, business, and teaching professions. Individuals who are already established in these professions may also benefit from skills emphasized which include: use of basic operating system functions, Internet utilization, word processing, spreadsheets, database management, presentation graphics, and scheduling/time management. 54 hours lecture and 18 hours laboratory.

CAT-30 - Business English 3 units
Prerequisite: None.
Advisory: Typing skills and familiarity with Microsoft Word.
Examines the mechanics of business communications. Includes a study of grammar fundamentals, sentence structure, punctuation, vocabulary, and spelling. 54 hours lecture.

CAT-30A - Business English 30A 1 unit
Prerequisite: None.
Advisory: Typing skills and familiarity with Microsoft Word.
Examines the mechanics of business communications; includes a study of grammar fundamentals, sentence structure, punctuation, vocabulary, and spelling. CAT-30A is equivalent to the first third of CAT-30. 18 hours lecture.

CAT-30B - Business English 30B 1 unit
Prerequisite: CAT-30A.
This intermediate-level course is designed to provide students with instruction in vocabulary and spelling, possession, pronouns, verbs, punctuation, and business communications. CAT-30B is equivalent to the second third of CAT-30. 18 hours lecture.

CAT-30C - Business English 30C 1 unit
Prerequisite: None.
Advisory: Typing skills and familiarity with Microsoft Word.
Examines the mechanics of business communications; includes a study of grammar fundamentals, sentence structure, punctuation, vocabulary, and spelling. CAT-30C is equivalent to the last third of CAT-30. 18 hours lecture.

CAT-31 - Business Communications 3 units
CSU
Prerequisite: None.
Advisory: CAT-30, or concurrent enrollment.
This course is designed to teach the fundamentals of written and oral communication in business by providing specific practical applications. Emphasis will be on written and oral communications, stressing the most common forms of correspondence. 54 hours lecture.

CAT-34A - Introduction to Microsoft Word for Windows 1.5 units
(Same as CIS-34A)
CSU
Prerequisite: None.
Skill development in the use of Microsoft Word for Windows for word processing. For non-Computer Applications and Office Technology majors. 27 hours lecture and 18 hours laboratory.
**CAT-34B - Intermediate Microsoft Word for Windows** 1.5 units
(Same as CIS-34B)
CSU
Prerequisite: None.
Advisory: CAT-3 or 34A.
Provides a continuation of instruction in Microsoft Word for Windows to students who have taken the introductory level and would like to further their skills in word processing applications. For non-Computer Applications and Office Technology majors. 27 hours lecture and 18 hours laboratory.

**CAT-36A - Legal Office Procedures I** 3 units
CSU
Prerequisite: None.
Advisory: Typing skills and familiarity with Microsoft Word or Corel WordPerfect.
This course is designed to train the student for employment as a secretary in a legal office. Specialized training is given in the knowledge and skills required of legal secretaries by the presentation of a basic understanding of legal procedure for legal secretaries. 54 hours lecture and 18 hours laboratory.

**CAT-36B - Legal Office Procedures II** 3 units
CSU
Prerequisite: None.
Advisory: CAT-36A and Microsoft Word or Corel WordPerfect.
A continuation and in-depth study of California legal procedure for the law office professional. Emphasis will be placed on the principles and practices of California legal procedure in various areas of law including family law, criminal, real estate, probate, and corporate. 54 hours lecture and 18 hours laboratory.

**CAT-37 - Legal Terminology and Transcription** 3 units
CSU
Prerequisite: None.
Advisory: Basic formatting skills in Microsoft Word or Corel WordPerfect, and keyboarding speed of 40 wpm.
A comprehensive study of the meaning, spelling, pronunciation and current use of legal terms and their application to legal documents and procedure. Transcribing correspondence and legal documents from digital dictation using a computer. 54 hours lecture and 18 hours laboratory.

**CAT-38 - Legal Word Processing and Forms Production** 3 units
CSU
Prerequisite: None.
Advisory: CAT-36A and Microsoft Word or Corel WordPerfect.
Preparing legal documents and Judicial Council forms using a computer. Emphasis will be placed on the standards used in California legal procedure for various areas of law. 54 hours lecture and 18 hours laboratory.

**CAT-39 - Legal Solutions Software** 1.5 units
Prerequisite: None.
Prepare, manage and edit computerized Judicial Council forms using computer. 27 hours lecture and 9 hours laboratory.

**CAT-40 - Administrative Office Management** 3 units
CSU
Prerequisite: None.
Advisory: CAT-30 and 61.
A study of management philosophies and principles related to the office manager or administrative professional. Practical experience is attained in planning and organizing office operations including space management and the psychological environment. Includes leadership and human relations, job analysis, salary administration, and supervision of accounting and information processing systems. 54 hours lecture.

**CAT-50 - Keyboarding and Document Processing** 3 units
CSU
Prerequisite: None.
Develops motor coordination, memory, thinking and problem solving skills. Includes mastery of the keyboard on computers and introduction to personal and business typing using word processing software. 54 hours lecture and 18 hours laboratory.

**CAT-51 - Intermediate Typewriting/Document Formatting** 3 units
CSU
Prerequisite: None.
Advisory: Beginning typing skills.
Develops professional typing skills. Includes business letters, manuscripts, reports, and tables. 54 hours lecture and 18 hours laboratory.

**CAT-52 - Introduction to PDAs** 1.5 units
(Same as BUS/CIS-52)
Prerequisite: None.
An introduction to Personal Digital Assistant (PDA) devices using the Palm OS. This short course is designed to teach students the use of PDAs in maintaining electronic calendars, scheduling appointments, creating address books, communicating via e-mail, connecting to the Internet and working with MS Office applications. 27 hours lecture.

**CAT-53 - Keyboarding/Typing Fundamentals** 1 unit
Prerequisite: None.
Develops basic alpha/numeric keyboarding/touch typewriting skills on an electronic keyboard. Designed primarily for individuals needing basic keyboarding skill to input and retrieve information from a microcomputer. Develops a straight-copy rate of 20 gross words a minute. 18 hours lecture and 18 hours laboratory.

**CAT-54A - Introduction to Flash** 3 units
(Same as CIS-54A)
Prerequisite: None.
Advisory: Competency in the use of a computer and familiarity with the Internet; CAT-95A and concurrent enrollment in CAT-96 or 97.
This course provides students with the essential knowledge and skills required to use Flash. This includes instruction on the authoring tools, drawing tools, working with symbols, creating interactive buttons and streaming sound. 54 hours lecture and 18 hours laboratory.
CAT-55 - Applied Accounting/Bookkeeping  3 units  
(Same as ACC-55)  
Prerequisite: None.  
This is an introductory course for students who are non-accounting majors. The focus is basic bookkeeping and accounting principles for both merchandising and service oriented small business enterprises. Emphasis is on the development of skills to record business transactions for cash and accrual methods, as well as the procedures to prepare financial statements and complete an accounting cycle. Attention is given to special journals, subsidiary ledgers, and payroll and banking procedures. 54 hours lecture.

CAT-56A - Designing Web Graphics  3 units  
(Same as CIS-56A)  
Prerequisite: None.  
Advisory: Competency in the use of a computer and familiarity with the Internet. Concurrent enrollment in CAT-96 or 97.  
This course provides students with the knowledge and skills required to create, modify and prepare visual elements for placement within web pages. Focus on the understanding of file compression, color palettes, visual design and layout principles. The course uses Adobe Photoshop and ImageReady. 54 hours lecture and 18 hours laboratory.

CAT-57 - Creating and Managing the Virtual Office  3 units  
Prerequisite: None.  
Advisory: CAT-95A.  
The increased use of the Web and hardware and software technologies has allowed individuals to work outside their corporate/business office or to become self-employed entrepreneurs. The course explores topics related to creating a virtual office including time management, customizing the workplace, evaluating and buying software and hardware, and communicating with technology. The course is a requirement of the Computer Applications and Office Technology Discipline's Virtual Assistant Certificate Program. May be taken a total of 2 times. 54 hours lecture.

CAT-58 - Marketing the Virtual Office  3 units  
Prerequisite: None.  
Advisory: CAT-57 and 76A or 76B.  
Identifies and evaluates various employment marketing techniques such as networking face-to-face, virtual interviews, associating with professional organizations, developing flyers and brochures, developing a professional Internet site, and using Web-based resources. The course is a core requirement of the Virtual Assistant certificate program. 54 hours of lecture.

CAT-59 - Introduction to Adobe Acrobat  1.5 units  
Prerequisite: None.  
Creation, optimization and use of Portable Document Format (PDF) software to publish, share and distribute electronic documents. 27 hours lecture and 18 hours laboratory.

CAT-60 - Introduction to Microsoft Access  1.5 units  
(Same as CIS-60)  
Prerequisite: None.  
Introduction to database management using Microsoft Access. Creating a database, sorting, indexing, creating reports and forms will be covered. 27 hours lecture and 18 hours laboratory.

CAT-61 - Professional Office Procedures  3 units  
Prerequisite: None.  
Advisory: CAT-3, 31 and 51.  
Mastering procedures for the office professional through the development of: business communications, team building, business ethics, word processing, database management, spreadsheets, presentation techniques and general office skills. 54 hours lecture.

CAT-62 - Records Management  3 units  
Prerequisite: None.  
Advisory: Knowledge of database management.  
Examines the basic procedures covering alphabetical, numerical, geographical, subject, and chronological filing. Introduces records and database management and the management, control, and retention thereof, both manually and electronically. 54 hours lecture and 18 hours laboratory.

CAT-63 - Electronic Records Management  3 units  
Prerequisite: None.  
Advisory: CAT-60.  
Provides an introduction to electronic records management. The content includes exploration of the increased use of electronic devices to create and store documents as well as the impact within the field of records management. 54 hours lecture and 18 hours laboratory.

CAT-64 - RIM Advanced Applications  3 units  
Prerequisite: None.  
Advisory: CAT-62 and 63.  
Involves students in hands-on Records Information Management (RIM) advanced applications essential for creating a records management program. Projects include creating an industry specific file plan, vital records protection plan, disaster recovery program and the automation of records systems. 54 hours lecture and 18 hours laboratory.

CAT-65 - Introduction to Microsoft PowerPoint  1.5 units  
(Same as CIS-65)  
Prerequisite: None.  
Introduction to Microsoft PowerPoint presentation graphics program. Creation of overhead transparencies, electronic presentations or formal presentations media. 27 hours lecture and 18 hours laboratory.

CAT-66 - Machine Dictation/Transcription  3 units  
Prerequisite: CAT-80, 84, or 51.  
Advisory: CAT-30.  
A course designed to provide instruction in the use of modern language dictating/transcribing equipment. Emphasis will be placed on using effective dictation and transcription techniques: Composing original documents, employing acceptable formats and transcribing business correspondence and reports in final form. 54 hours lecture.

CAT-67A - Introduction to Microsoft Expression Web  3 units  
(Same as CIS-76A)  
Prerequisite: None.  
Advisory: Competency in using the Internet and in managing files and folders; CAT-95A and concurrent enrollment in CAT-96 or 97.  
Provides students with the knowledge and skills required to quickly design and implement webpages, and to administer and update existing websites using Microsoft Expression Web. The course uses Microsoft Expression Web to streamline and automate website management on a website. 54 hours lecture and 18 hours laboratory.

<tbody>
<tr>
<td>CAT-76B</td>
<td>Introduction to Dreamweaver</td>
<td>3</td>
<td>None</td>
<td>Concurrent enrollment in CAT-96 or 97.</td>
<td>This course provides students with the knowledge and skills required to quickly design and implement webpages and to administer and update existing websites using Dreamweaver. The course uses Dreamweaver to streamline and automate website management on a website. 54 hours lecture and 18 hours laboratory.</td>
</tr>
<tr>
<td>CAT-78A</td>
<td>Introduction to Adobe Photoshop</td>
<td>3</td>
<td>None</td>
<td>Concurrent enrollment in CAT-96 or 97.</td>
<td>Introduction to Adobe Photoshop including mastery of digital image editing, techniques for selecting, photo correction, manipulating images and vector drawing. This course also provides instruction in retouching images, special effects, working with image color and web page illustrations. 54 hours lecture and 18 hours laboratory.</td>
</tr>
<tr>
<td>CAT-78B</td>
<td>Advanced Adobe Photoshop</td>
<td>3</td>
<td>CAT-78A</td>
<td>Concurrent enrollment in CAT-96 or 97.</td>
<td>Advanced techniques and methods for using Adobe Photoshop to produce custom graphic solutions. Focus on real-world projects, workflow foundations, adjusting, and optimizing images, and tips and tricks for enhanced image creation. 54 hours lecture and 18 hours laboratory.</td>
</tr>
<tr>
<td>CAT-79</td>
<td>Introduction to Adobe Illustrator</td>
<td>3</td>
<td>None</td>
<td>Concurrent enrollment in CAT-96 or 97.</td>
<td>Fundamentals of Adobe Illustrator, including creating objects, drawing paths and designing with type, creating freehand drawing and illustration, importing and working with graphics. Develop a working knowledge of the processes that generate graphic images: layering, shadowing, and color use. 54 hours lecture and 18 hours laboratory.</td>
</tr>
<tr>
<td>CAT-80</td>
<td>Word Processing: Microsoft Word for Windows</td>
<td>3</td>
<td>None</td>
<td>Concurrent enrollment in CAT-96 or 97 and typing knowledge/skills with at least 40 WPM.</td>
<td>This course is designed to provide introductory, intermediate, and advanced skill levels necessary to produce a variety of professional documents using Microsoft Word word processing program. Students will develop skills in word processing techniques and tasks. 54 hours lecture and 18 hours laboratory.</td>
</tr>
<tr>
<td>CAT-81</td>
<td>Introduction to Desktop Publishing</td>
<td>3</td>
<td>None</td>
<td>Concurrent enrollment in CAT-96 or 97.</td>
<td>Page design and layout techniques using Adobe InDesign. Mastery of beginning and intermediate techniques of document creation, including design skills. Successful incorporation of drawing and bit mapped files to create professional printed media. 54 hours lecture and 18 hours laboratory.</td>
</tr>
<tr>
<td>CAT-84</td>
<td>Word Processing: WordPerfect for Windows</td>
<td>3</td>
<td>None</td>
<td>Concurrent enrollment in CAT-96 or 97 and typing knowledge/skills with at least 40 WPM.</td>
<td>This course is designed to provide introductory, intermediate, and advanced skill levels necessary to produce a variety of professional documents using WordPerfect for Windows word processing program. Students will develop skills in word processing techniques and tasks. 54 hours lecture and 18 hour laboratory.</td>
</tr>
<tr>
<td>CAT-88</td>
<td>Internships in Computer Applications</td>
<td>3</td>
<td>None</td>
<td>CAT-3 and 51.</td>
<td>Limitation on enrollment: Computer Applications and Office Technology majors and certificate students. In cooperation with private or public sector employers, the internship is supervised employment of students that extends classroom learning to the job site and relates to the students’ educational or occupational goal. The internship class is for students who have declared a Computer Applications and Office Technology major, have taken classes in the major, and are ready for on-the-job experience in a paid or unpaid position. Students will acquire new knowledge, skills, and abilities to prepare for a career in their chosen field. Placement is arranged through the instructor and with student assistance. Internship participation requirements may vary with the job setting. May be taken up to four times for a maximum of twelve units of credit. 27 hours lecture and a minimum of 90 hours internship.</td>
</tr>
<tr>
<td>CAT-89</td>
<td>Microsoft Outlook</td>
<td>3</td>
<td>None</td>
<td>Concurrent enrollment in CAT-96 or 97.</td>
<td>This course utilizes Microsoft Outlook to organize and plan personal and business information. Emphasis is placed on the use of Outlook for communication and sharing information with persons within a company and on the Internet. 54 hours lecture and 18 hours laboratory.</td>
</tr>
<tr>
<td>CAT-90</td>
<td>Microsoft Project</td>
<td>3</td>
<td>None</td>
<td>Concurrent enrollment in CAT-96 or 97.</td>
<td>This course utilizes Microsoft Project to build, track and account for variances and changes in the baseline plan. Emphasis is placed on project management, tracking and information analysis. 54 hours lecture and 18 hours laboratory.</td>
</tr>
</tbody>
</table>
CAT-93 - Computers for Beginners
(Same as CIS-93)
Prerequisite: None.
This course is designed as a practical step-by-step introduction to computer literacy topics including computer hardware and software, application skills, the Internet and Internet searching, Web page creation and computer ethics. 54 hours lecture and 18 hours laboratory.

CAT-95A - Introduction to Internet
1.5 units
(Same as CIS-95A)
CSU
Prerequisite: None.
Advisory: Concurrent enrollment in CAT-96 or 97.
Skill development in the concepts of the Internet on microcomputer-based systems. This course is designed as a practical step-by-step introduction to working with the Internet using personal computers. 27 hours lecture.

CAT-96 - Practicum in Computers
.5 unit
Prerequisite: None.
Limitation on enrollment: Must be concurrently enrolled in another non-practicum RCC course.
Self-paced, competency-based skill development in computer usage for any RCC student concurrently enrolled in any RCC non-computer practicum course. Instruction is given on an individualized basis using personal consultation with the student. May be taken a total of four times. 27 hours laboratory required for credit. (Non-degree credit course. Pass/No Pass only.)

CAT-96A - Practicum in Computers
.25 unit
Prerequisite: None.
Limitation on enrollment: Must be concurrently enrolled in another non-practicum RCC course.
Self-paced, competency based skill development in computer usage for any RCC student concurrently enrolled in any RCC course. Instruction is given on an individualized basis using personal consultation with the student. May be taken a total of four times. 13.5 hours laboratory is required for credit. (Non-degree credit course. Pass/No Pass only.)

CAT-97 - Practicum in Computers
1 unit
Prerequisite: None.
Limitation on enrollment: Must be concurrently enrolled in another non-practicum RCC course.
Self-paced, competency-based skill development in computer usage for any RCC student concurrently enrolled in any RCC non-computer practicum course. Instruction is given on an individualized basis using personal consultation with the student. May be taken a total of four times. 54 hours laboratory required for credit. (Non-degree credit course. Pass/No Pass only.)

CAT-98A - Introduction to Excel
1.5 units
(Same as CIS-98A)
Prerequisite: None.
Advisory: Concurrent enrollment in CAT-96 or 97.
Skill development in electronic spreadsheets using Excel for business and scientific related applications. 27 hours lecture and 18 hours laboratory.

CAT-98B - Advanced Excel
1.5 units
(Same as CIS-98B)
Prerequisite: CAT-98A.
Advanced concepts of MS-Excel including managing large spreadsheet sheets, creating and working with databases, creating and using templates and macro creation. Spreadsheet manipulation with advanced macro techniques, customizing Excel screen and toolbars and solving problems with goal seeker and solver. 27 hours lecture and 18 hours laboratory.

CAT-99A - Keyboarding for Beginners
.25 unit
Prerequisite: None.
This course is meant as a self-paced, competency-based skill development in computer usage. Instruction is given on a group and an individual basis using personal consultation with the student. The course is offered as a non degree credit course only. 4 hours lecture and 14 hours laboratory. (Non-degree credit course. Pass/No Pass only.)

CAT-99B - Windows for Beginners
.25 unit
Prerequisite: None.
Develops a basic understanding of computer components by developing skill in the concepts of Microsoft Windows on microcomputer-based systems. Instruction is given on a group and individual basis using personal consultation with the student. The course is offered as a non degree credit course only. 4 hours lecture and 14 hours laboratory. (Non-degree credit course. Pass/No Pass only.)

CAT-99C - Word for Beginners
.25 unit
Prerequisite: None.
This course provides skill development in the use of Microsoft Word for Windows for non-Computer Applications and Office Technology majors. Instruction is given on a group and individual basis using personal consultation with the student. The course is offered as a non degree credit course only. 4 hours lecture and 14 hours laboratory. (Non-degree credit course. Pass/No Pass only.)

CAT-99D - Excel for Beginners
.25 unit
Prerequisite: None.
This course provides skill development in the use of Microsoft Excel for Windows for non-Computer Applications and Office Technology majors. Instruction is given on a group and individual basis using personal consultation with the student. 4 hours lecture and 14 hours laboratory. (Non-degree credit course. Pass/No Pass only.)

CAT-99E - PowerPoint for Beginners
.25 unit
Prerequisite: None.
This course provides skill development in the use of Microsoft PowerPoint for Windows for non-Computer Applications and Office Technology majors. Instruction is given on a group and individual basis using personal consultation with the student. 4 hours lecture and 14 hours laboratory. (Non-degree credit course. Pass/No Pass only.)
CAT-200 - Computer Applications and Office Technology Work Experience

Prerequisite: None.
Advisory: Students should have paid or voluntary employment.
This course is designed to coordinate the student's occupational on-the-job training with related classroom instruction. Students enrolled in this occupational work experience course must be employed in a field related to the work experience subject area. Students may earn up to four (4) units each semester for a maximum of 16 units of work experience. No more than 20 hours per week may be applied toward the work requirement. 18 hours lecture. Additionally, 60 hours of volunteer work or 75 hours of paid work is required for each unit.

COMPUTER INFORMATION SYSTEMS

CIS-1A - Introduction to Computer Information Systems
UC, CSU
Prerequisite: None.
Advisory: Concurrent enrollment in CIS-96 or 97.
An introduction to computer concepts, theory and computer applications. Functions and capabilities of word processors, spreadsheets, databases, presentation graphics and the Internet are covered through lecture, discussion and hands-on computer assignments. Concepts covered include types of software, hardware components, and operating systems with an emphasis on terminology and functionality. 54 hours lecture and 18 hours laboratory.

CIS-1B - Advanced Concepts in Computer Information Systems
CSU
Prerequisite: CIS-1 or 1A.
Advisory: Concurrent enrollment in CIS-96 or 97.
Advanced computer concepts, theory and computer applications. Advanced skills of word processing, spreadsheets, presentation graphics, the Internet and databases with an emphasis on multitasking, integrating applications, linking and embedding are covered. Concepts covered include communications and networks, E-Commerce, ethical issues, security, privacy, databases and information management, information systems development, program development and programming languages, computer careers and certification. 54 hours lecture and 18 hours laboratory.

CIS-2 - Fundamentals of Systems Analysis
CSU
Prerequisite: None.
Advisory: Concurrent enrollment in CIS-96 or 97.
Study of structured systems analysis techniques. Course includes the identification of problems, fact gathering, report analysis, system/data flow analysis, screen/forms design, creation of user documentation/reports, and completion of written and verbal presentations and the use of CASE tools. 54 hours lecture and 18 hours laboratory.

CIS-3 - Computer Applications for Working Professionals
(Same as CAT-3)
CSU
Prerequisite: None.
Advisory: Concurrent enrollment in CIS-96 or 97.
This course introduces a suite of computer applications to students preparing to enter business, office, and teaching professions. Individuals who are already established in these professions may also benefit from skills emphasized which include: use of basic operating system functions, word processing, spreadsheets, database management, presentation graphics, scheduling/time management, basic Internet, and introducing scanning/management of documents and images. 54 hours lecture and 18 hours laboratory.

CIS-3A - Linux Computer Applications for Working Professionals
(Same as CAT-3A)
CSU
Prerequisite: None.
Advisory: Concurrent enrollment in CIS-96 or 97.
This course introduces a suite of computer applications to students preparing to enter the office, business, and teaching professions. Individuals who are already established in these professions may also benefit from skills emphasized which include: use of basic operating system functions, Internet utilization, word processing, spreadsheets, database management, presentation graphics, and scheduling/time management. 54 hours lecture and 18 hours laboratory.

CIS-5 - Fundamentals of Programming Logic using C++
UC, CSU
Prerequisite: None.
Advisory: CIS-1A and concurrent enrollment in CIS-96 or 97.
Introduction to the fundamentals of problem definition, algorithm development, and structured programming logic for business, scientific and mathematical applications. The C++ language will be used for programming problems. 54 hours lecture and 18 hours laboratory.

CIS-11 - Computer Programming using ASSEMBLER
UC, CSU
Prerequisite: None.
Advisory: CIS-5 and concurrent enrollment in CIS-96 or 97.
This course is an introduction to microprocessor architecture and assembler language. The relationship between the hardware and the software will be studied in order to understand the interaction between a program and the total system. 54 hours lecture and 18 hours laboratory.

CIS-12 - PHP Dynamic Web Site Programming
CSU
Prerequisite: None.
Advisory: Programming fundamentals such as in CIS-5 or 14A, and familiarity with HTML such as in CIS-72A or 14A. Concurrent enrollment in CIS-96 or 97.
Dynamic Web site programming using PHP. Fundamentals of server-side Web programming. Introduction to database-driven Web sites, using PHP to access a database such as MySQL. Web applications such as user registration, content management, and e-commerce. This course is for students already familiar with the fundamentals of programming and HTML. 54 hours lecture and 18 hours laboratory.
CIS-14A - Web Programming: JavaScript 3 units

UC, CSU

Prerequisite: None.

Advisory: Previous programming experience and knowledge of HTML.

CIS-5, 72A and concurrent enrollment in CIS-96 or 97.

Fundamentals of JavaScript programming for the World Wide Web for students already familiar with the fundamentals of programming and HTML. Language features will include control structures, functions, arrays, JavaScript objects, browser objects and events. Web applications will include image rollovers, user interactivity, manipulating browser windows, form validation and processing, cookies, creating dynamic content and Dynamic HTML programming. 54 hours lecture and 18 hours laboratory.

CIS-14B - Web Programming: Active Server Pages 3 units

UC, CSU

Prerequisite: None.

Advisory: CIS-5, 15A and 72A, and concurrent enrollment in CIS-96 or 97.

Fundamentals of server-side Web programming using Active Server Pages (ASP) for students already familiar with the fundamentals of programming and HTML. Language features will include control structures, functions, arrays, collections, objects and events. Focus on server-side programming to generate dynamic web content and database access. 54 hours lecture.

CIS-15A - Visual Basic Programming: Objects 3 units

UC, CSU

Prerequisite: None.

Advisory: Previous programming experience writing function and using arrays on PC platforms as well as CIS-5 and concurrent enrollment in CIS-96 or 97.

This course in Visual Basic programming assumes the student has existing fundamental programming skills. The course emphasizes object-based programming with an introduction to object-oriented-programming. Topics include event-driven programming, GUI design principles, modular programming, structured programming, string processing, arrays, file I/O, Windows common controls, graphics and multimedia programming, multiple forms, drag and drop functionality, debugging and error handling. 54 hours lecture and 18 hours laboratory.

CIS-15B - Visual Basic Programming: Advanced Objects

3 units

UC, CSU

Prerequisite: None.

Advisory: Previous Visual Basic programming experience as well as CIS-15A and concurrent enrollment in CIS-96 or 97.

This course in Visual Basic programming assumes the student has Visual Basic programming experience. The course emphasizes object-oriented programming topics. Topics include dynamic cloning and resizing objects, multiple document interface, advanced Windows controls, OOP principles, designing classes and class hierarchies, inheritance, Office automation, COM, Windows API, ActiveX control creation and Internet controls. 54 hours lecture.

CIS-15C - Visual Basic Programming: Databases 3 units

UC, CSU

Prerequisite: None.

Advisory: Previous Visual Basic programming experience as well as CIS-15A and concurrent enrollment in CIS-96 or 97.

This course in Visual Basic programming assumes the student has Visual Basic programming experience. The course emphasizes database programming topics and techniques. Topics include random access files, relational databases, MS Access programming, SQL Queries, Data Controls, Data-Bound Controls, ADO Programming, Data Forms, Data Reports, Data Validation, Universal Data Access and Remote Data Access. 54 hours lecture.

CIS-16A - Programming Games with DirectX and OpenGL 3 units

UC, CSU

Prerequisite: None.

Advisory: Previous C++ programming experience such as CIS-17A.

An advanced C++ programming course using DirectX and OpenGL to create games and high-performance multimedia applications. An emphasis will be placed on advanced programming concepts associated with two-dimensional and three-dimensional graphics, sound effects and music, input devices and networked applications. 54 hours lecture and 18 hours laboratory.

CIS-17A - C++ Programming: Objects 3 units

UC, CSU

Prerequisite: None.

Advisory: CIS-5 and concurrent enrollment in CIS-96 or 97.

A comprehensive study of the syntax and semantics of the C++ language and the methodology of Object-Oriented program development. 54 hours lecture and 18 hours laboratory.

CIS-17B - C++ Programming: Advanced Objects 3 units

UC, CSU

Prerequisite: None.

Advisory: Previous C++ programming experience such as CIS-17A.

This is an advanced C++ programming course using DirectX and OpenGL to create games and high-performance multimedia applications. An emphasis will be placed on advanced concepts associated with complex Business and Gaming applications that utilize exception handling, multithreading, multimedia, and database connectivity. 54 hours lecture and 18 hours laboratory.

CIS-17C - C++ Programming: Data Structures 3 units

UC, CSU

Prerequisite: None.

Advisory: Previous programming experience in C++ and object-oriented programming as well as CIS-17A and concurrent enrollment in CIS-96 or 97.

This course offers a thorough presentation of the essential principles and practices of data structures using the C++ programming language. The course emphasizes abstract data types, software engineering principles, lists, stacks, queues, trees, graphs and the comparative analysis of algorithms. 54 hours lecture and 18 hours laboratory.

CIS-18A - Java Programming: Objects 3 units
UC, CSU
Prerequisite: None.
Advisory: Previous programming experience writing functions on PC platforms as well as CIS-5 and concurrent enrollment in CIS-96 or 97. An introduction to Java programming for students already experienced in the fundamentals of programming. An emphasis will be placed upon object-oriented programming. Other topics include graphical interface design and typical swing GUI components. 54 hours lecture and 18 hours laboratory.

CIS-18B - Java Programming: Advanced Objects 3 units
UC, CSU
Prerequisite: None.
Advisory: Previous JAVA programming experience such as CIS-18A. This is an advanced JAVA programming course for students familiar with object-oriented programming and utilization of basic graphical interface techniques. An emphasis will be placed on advanced concepts associated with Business, E-Commerce and Gaming applications that utilize exception handling, multithreading, multimedia, and database connectivity. 54 hours lecture and 18 hours laboratory.

CIS-18C - Java Programming: Data Structures 3 units
UC, CSU
Prerequisite: None.
Advisory: Previous Java programming experience as well as CIS-18A and concurrent enrollment in CIS-96 or 97. This course is designed to be an advanced Java programming course for students familiar with object-oriented programming and database concepts. The major emphasis will be related to concepts of storing and retrieving data efficiently, which are the essential principles and practices of data structures. 54 hours lecture and 18 hours laboratory.

CIS-19A - Network+: Fundamentals of Computer Networking
CSU
Prerequisite: None.
Advisory: Ability to use a computer and the Internet for research and writing. Concurrent enrollment in CIS-96 or 97. This course provides a vender-neutral introduction to the theory and practice of networking, for students already familiar with basic computer skills and concepts. It includes the terminology and technologies of current networking environments. It provides a foundation for continued study in the field and may help students prepare for CompTIA’s Network+ Certification Exam. 54 hours lecture.

CIS-20 - Systems Analysis and Design
CSU
Prerequisite: CIS-2.
Advisory: Students should have a working knowledge of MS Access. Structured design techniques for the development and implementation of computerized business applications. Includes project planning, analysis of current system, design of a new system, implementation, consideration of data base design and development, file organization, and modular programming techniques. 54 hours lecture and 18 hours laboratory.

CIS-21 - Introduction to Operating Systems
CSU
Prerequisite: CIS-1A.
Advisory: Concurrent enrollment in CIS-96 or 97. An introduction to operating concepts, structure, functions, performance and management is covered. A current operating system, such as DOS, OS/2, UNIX, NT or Windows is used as a case study. File multi-processing, system security, device management, network operating systems, and utilities are introduced. 54 hours lecture and 18 hours laboratory.

CIS-21A - Linux Operating System Administration
CSU
Prerequisite: None.
Advisory: Previous experience with computer concepts, theory and applications such as CIS 1A or CIS/CAT 3A.
This course covers operating system concepts, structure, functions, performance and management. The Linux operating system is specifically studied and analyzed with respect to these concepts. All major administrative responsibilities associated with this operating system are performed. These tasks shall include but not be limited to system installation, configuration, security, and backups for both client and server which might be found in a small business environment. 54 hours lecture and 18 hours laboratory.

CIS-21B - Robotics: Introductory Programming
CSU
Prerequisite: None.
Advisory: Computer skills such as CIS-1A, programming fundamentals such as CIS-5 and concurrent enrollment in CIS-96 or 97. Introduces the history and theory of behavior-based programming, teaches the skills needed to program a virtual robot. Robot control is delineated into simple behaviors that are easy to program using inexpensive micro-controllers with little memory. No background in robotics is required. 54 hours lecture.

CIS-22A - Robotics: Intermediate Programming
CSU
Prerequisite: None.
Advisory: CIS-5, concurrent enrollment in CIS-17A or 18A as well as CIS-96 or 97. This course presents the theory and practice behind robotic programming. It teaches the skills needed for programming a robot and implementing this program in a micro-controller and servo based robotic system. 54 hours lecture.

CIS-22B - Robotics: Intermedide Programming
CSU
Prerequisite: None.
Advisory: CIS-5, concurrent enrollment in CIS-17A or 18A as well as CIS-96 or 97. This course presents the theory and practice behind robotic programming. It teaches the skills needed for programming a robot and implementing this program in a micro-controller and servo based robotic system. 54 hours lecture.

CIS-23 - Software End User Support
CSU
Prerequisite: None.
Advisory: CIS-1A, 1B and concurrent enrollment in CIS-96 or 97. Study of computer software installation, configuration, maintenance, troubleshooting and optimization, operating system commands and utilities and network software. 54 hours lecture.

CIS-25 - Introduction to Data Communications
CSU
Prerequisite: CIS-1A.
Fundamentals of data communications and network concepts. Emphasis on planning, analyzing, designing, and implementing computer communications networks. 54 hours lecture.
CIS-26A - Cisco Networking Academy 1A 4 units
CSU
Prerequisite: None.
Advisory: CIS-1A, 21 and 23.
This course is designed to provide students with classroom and laboratory experience in current and emerging network technology. Instruction includes, but is not limited to, safety, networking, networking terminology, protocols and network standards. This course is one of four Cisco-related curricula designed to prepare students for Cisco Certified Network Associate (CCNA) certification examination. 72 hours lecture.

CIS-26B - Cisco Networking Academy 1B 4 units
CSU
Prerequisite: CIS-26A.
This course introduces students to routing concepts of LANs, WANs, Ethernet, Token Ring, Fiber Distributed Data Interface, TCP/IP, dynamic routing and network administrator’s role and function. Students will learn to configure the CISCO IOS software and configurations required for specific routing protocols. This course is one of four Cisco-related curricula designed to prepare students for Cisco Certified Network Associate (CCNA) certification examination. 72 hours lecture.

CIS-26C - Cisco Networking Academy 1C 4 units
CSU
Prerequisite: CIS-26B.
This course introduces students to configure IPX access lists, LAN segmentation using bridges, using routers, using switches, half-duplex Ethernet operations, network segmentation, dynamic routing, and the network administrator’s role and function. Students will learn to configure the CISCO IOS software and configurations required for specific routing protocols. This course is one of four Cisco-related curricula designed to prepare students for Cisco Certified Network Associate (CCNA) certification examination. 72 hours lecture.

CIS-26D - Cisco Networking Academy 1D 4 units
CSU
Prerequisite: CIS-26C.
This course introduces students to configure WAN services, frame relay, Integrated Services Digital Network (ISDN/LAPD), encapsulate WAN data, High-Level Data Link Control (HDLC), Point-to-Point Protocol (PPP), dial-on-demand routing (DDR), and the network administrator’s role and function. Students will learn to configure the Frame Relay operations and configurations for specific WAN routing protocols. This course is one of four Cisco-related curricula designed to prepare students for Cisco Certified Network Associate (CCNA) certification examination. 72 hours lecture.

CIS-26E - Advanced Routing, Semester Five 4 units (Cisco Networking Academy)
CSU
Prerequisite: CIS-26D.
This advanced curriculum trains students to install, configure and operate local- and wide-area networks (LANs and WANs) and dial access services for organizations with networks from 100 to more than 500 nodes with protocols and technologies such as TCP/IP, OSPF, EIGRP, BGP, ISDN, and Frame Relay. Students will learn to configure the CISCO IOS software and configurations required for specific routing protocols. This course is one of four Cisco-related curricula designed to prepare students for CCNP (Cisco Certified Network Professional) certification examination. 72 hours lecture.

CIS-27 - Information and Network Security 3 units
CSU
Prerequisite: None.
Advisory: CIS-23.
The increased use of the local area networks, data communications and Internet technologies has also increased the need for information security. The course explores topics related to security technology physical design including firewalls, VPNs, ethical and professional issues, and information security maintenance. The course is an elective in the CIS Discipline’s Networking Certificate program. May be taken a total of two times. 54 hours lecture.

CIS-28A - MS Access Programming 3 units
CSU
Prerequisite: None.
Advisory: CIS-5 and concurrent enrollment in CIS-96 or 97.
Use of the data management program, MS Access, in writing command file programs to automate database management applications with the use of Visual Basic Applications variables, expressions and functions. This course shows students how event driven programs operate. 54 hours lecture and 18 hours laboratory.

CIS-29A - Introduction to Oracle 3 units
CSU
Prerequisite: None.
Advisory: Working knowledge of the Structured Query Language (SQL).
This course provides an in-depth introduction to the fundamentals of Oracle. The course will present the following: developing a database schema; creating and maintaining tables; developing and using views and sequences; creating objects and collection types; maintaining integrity and enforcing security. A programming component will include the use of PL/SQL in understanding the PL/SQL syntax; create and manipulate data; managing cursors; working with objects; programming collection types; creating triggers and building packages. The course includes a hands-on component in utilizing the SQL and PL/SQL languages. 54 hours lecture.

CIS-29B - Oracle Application Development 3 units
CSU
Prerequisite: None.
Advisory: Working knowledge of the Structured Query Language (SQL).
This course provides a comprehensive review of creating and maintaining Oracle applications. This course will present the following: design and implement efficient database applications; ensure data integrity; use Oracle data types and techniques in application design; perform debugging and implement error handling; apply GUI design principles; develop forms and menus; create tabular, master-detail and matrix reports. Define chart items and graphical displays and integrate forms, reports and charts into one application. The course includes a hands-on component in developing applications. 54 hours lecture.
CIS-29C - Oracle Database and Server Administration  3 units  
CSU  
Prerequisite: None.  
Advisory: Working knowledge of the Structured Query Language (SQL).  
This course provides an in-depth review of database administration and server administration. The course will present the following administration tasks: configure and manage Oracle databases; understand the Oracle architecture; manager users’ accounts; perform effective storage management; implement partitions; select backup and recovery options; troubleshooting, using events and generating trace files. The following Server functions will be covered: tuning memory structures; configuring disk storage; using the Enterprise Manager toolset. The course includes a hands-on component in developing applications. 54 hours lecture.

CIS-34A - Introduction to Microsoft Word  1.5 units  
for Windows (Same as CAT-34A)  
CSU  
Prerequisite: None.  
Skill development in the use of Microsoft Word for Windows. For non-Office Administration majors. 27 hours lecture and 18 hours laboratory.

CIS-34B - Intermediate Microsoft Word for Windows  1.5 units  
(Same as CAT-34B)  
CSU  
Prerequisite: None.  
Advisory: CIS-3 or 34A.  
Provides a continuation of instruction in Microsoft Word for Windows to students who have taken the introductory level and would like to further their skills in word processing applications. Not open to Office Administration majors. 27 hours lecture and 18 hours laboratory.

CIS-35 - Introduction to Simulation and Game Development  3 units  
CSU  
Prerequisite: None.  
Advisory: Concurrent enrollment in CIS 96 or 97.  
An introduction to the field of simulation and computer gaming. Course provides an introductory look at the fundamentals of simulation and computer games used in various industries—entertainment, military, finance, medical, education, and law enforcement. Topics include licensing and franchising, marketing, business development, game design, storytelling, and development life cycle. 54 hours lecture and 18 hours laboratory.

CIS-36 - Introduction to Computer Game Design  3 units  
CSU  
Prerequisite: None.  
Advisory: Concurrent enrollment in CIS 96 or 97.  
An introduction to the fundamental techniques, concepts, and vocabulary of computer game design. Students will explore analog game design principles and apply modern game design and development methodologies and principles to create their own electronic games. Topics include game genres, design documents, and game design principles such as level design, gameplay, balancing and user interface design. 54 hours lecture and 18 hours laboratory.

CIS-37 - Beginning Level Design for Computer Games  3 units  
CSU  
Prerequisite: None.  
Advisory: Concurrent enrollment in CIS 96 or 97.  
An introduction to the fundamental techniques, concepts, and vocabulary of computer game level design. Students will create environments, place objects in those environments, and control those objects via a scripting language. Topics include frame rate, game flow and pacing. Students will create 3D computer games using a game engine such as Unreal. No previous computer programming experience is required. 54 hours lecture and 18 hours laboratory.

CIS-38A - Simulation and Gaming/3D Modeling  4 units  
for Real-Time Interactive Simulations  
CSU  
Prerequisite: None.  
Advisory: Concurrent enrollment in CIS 96 or 97.  
Create computationally efficient 3D digital models of both living and inanimate objects and then implement them in a real-time interactive simulation or video game. Topics include model construction using tri meshes and splines, applying basic surface detailing, understanding how model design effects computing performance, importing vertex and edge vectors into a game engine, and applying basic user and game world interactivity to one or more rigid bodies. May be taken a total of two times. 54 hours lecture and 54 hours laboratory.

CIS-38B - Simulation and Gaming/3D Animation  4 units  
for Real-Time Interactive Simulations  
CSU  
Prerequisite: CIS-38A.  
Animate both living and inanimate objects created with a 3D modeling program and then implement them in a real-time interactive simulation or video game. Topics include linear and non-linear attribute interpolation, path, forward and reverse kinematics animation. Additional topics include understanding how animation parameters affect computing performance, importing vertex and edge vectors into a game engine, and applying basic user and game world interactivity to a rigid body. May be taken a total of two times. 54 hours lecture and 54 hours laboratory.

CIS-38C - Simulation and Gaming/3D Dynamics and Rendering for Real-Time Interactive Simulations  4 units  
CSU  
Prerequisite: CIS-38B.  
Create dramatic cinematic sequences based on 3D animations of both living and inanimate objects. Topics include combining animated models with simulations of real world dynamics such as wind, water, fire, smoke, and gravity. Short animated sequences will be modeled, animated, and then rendered into frames. Hardware and software rendered frames will then be composited and added to a game engine. May be taken a total of two times. 54 hours lecture and 54 hours laboratory.
CIS-39 - Current Techniques in Game Art 4 units
CSU
Prerequisite: None.
Advisory: Ability to manipulate graphics including layers and textures with Photoshop or concurrent enrollment in CIS-78A or ADM-71, as well as CIS-96 or 97.
Introduction to the fundamental techniques, concepts, and vocabulary of advanced sculpting for Game Art, Animation, Concept Art, and Digital Illustration. Students will modify 3D models, and create textured compositions as applied to video games, animation and concept art. 54 hours lecture and 54 hours laboratory.

CIS-52 - Introduction to PDAs 1.5 units
(Same as BUS/CAT-52)
Prerequisite: None.
An introduction to Personal Digital Assistant (PDA) devices using the Palm OS. This short course is designed to teach students the use of PDAs in maintaining electronic calendars, scheduling appointments, creating address books, communicating via e-mail, connecting to the Internet and working with MS Office applications. 27 hours lecture.

CIS-54A - Introduction to Flash 3 units
(Same as CAT-54A)
Prerequisite: None.
Advisory: Competency in the use of a computer and familiarity with the Internet; CIS-95A and concurrent enrollment in CIS-96 or 97.
This course provides students with the essential knowledge and skills required to use Flash. This includes instruction on the authoring tools, drawing tools, working with symbols, creating interactive buttons and streaming sound. 54 hours lecture and 18 hours laboratory.

CIS-56A - Designing Web Graphics 3 units
(Same as CAT-56A)
Prerequisite: None.
Advisory: Competency in the use of a computer and familiarity with the Internet. Concurrent enrollment in CIS-96 or 97.
This course provides students with the knowledge and skills required to create, modify and prepare visual elements for placement within web pages. Focus on the understanding of file compression, color palettes, visual design and layout principles. The course uses Adobe Photoshop and ImageReady. 54 hours lecture and 18 hours laboratory.

CIS-60 - Introduction to Microsoft Access 1.5 units
(Same as CAT-60)
Prerequisite: None.
Introduction to database management using Microsoft Access. Creating a database, sorting, indexing, creating reports and forms will be covered. 27 hours lecture and 18 hours laboratory.

CIS-61 - Introduction to Database Theory 3 units
Prerequisite: None.
This course provides a comprehensive introduction to the design and development of professional database management systems. This course will demonstrate how to build database structures using “Entity-Relationship” models and relationships. The student will encounter design and development techniques for work groups and enterprise level database models. The course will cover the Systems Development Life Cycle, as well as data validation, business rules, security and disaster recovery techniques. 54 hours lecture.

CIS-62 - Microsoft Access DBMS: Comprehensive 3 units
Prerequisite: None.
Advisory: Previous computer experience.
This course provides a comprehensive introduction to the implementation of database management systems using Microsoft Access. The student will be provided hands-on experience in modeling work problems and transforming them to a relational data model. The student will design data tables to efficiently store data. The student will be shown techniques for entering, changing and deleting data using datasheets and forms. The student will learn to filter and modify data using queries and to output data using both forms and reports. Access macros will be applied to forms and reports. The student will be presented with database projects to reinforce their lectures. 54 hours lecture and 18 hours laboratory.

CIS-63 - Introduction to Structured Query 3 units
Language (SQL)
Prerequisite: None.
This course provides an introduction to the relational database management system industry standard – Structured Query Language (SQL.) Students will analyze, design and implement database schema using the SQL programming language. SQL will be utilized to develop a database structure (DDL) The student will use SQL to create both SELECT and action queries (DML) JOINS, UNIONS, DIFFERENCES and subquery statements will be covered. Both the Access and Oracle DBMS SQL statements will be covered. 54 hours lecture and 18 hours laboratory.

CIS-65 - Introduction to Microsoft PowerPoint 1.5 units
(Same as CAT-65)
Prerequisite: None.
Introduction to Microsoft PowerPoint presentation graphic program. Creation of overhead transparencies, electronic presentations or formal presentations media. 27 hours lecture and 18 hours laboratory.

CIS-72A - Introduction to Web Page Creation 1.5 units
Prerequisite: None.
Advisory: Competency in the use of a computer, familiarity with the Internet; CIS-95A and concurrent enrollment in CIS-96 or 97.
An introduction to webpage creation using Extensible Hypertext Markup Language (XHTML). Use XHTML to design and create webpages with formatted text, hyperlinks, lists, images, tables, frames and forms. 27 hours lecture and 18 hours laboratory.

CIS-72B - Intermediate Web Page Creation 1.5 units
using Cascading Style Sheets (CSS)
Prerequisite: None.
Advisory: Knowledge of HTML and the Internet; CIS-72A and 95A and concurrent enrollment in CIS-96 or 97.
Intermediate webpage creation using cascading style sheets (CSS) to format and lay out webpage content. CSS works with HTML, so HTML knowledge is recommended. Inline styles, embedded styles, and external style sheets are covered. CSS is used to format text, links, set fonts, colors, margins and position text and graphics on a page. CSS is also a component of Dynamic HTML. 27 hours lecture and 18 hours laboratory.
CIS-72C - Introduction to XML  1.5 units  
Prerequisite: None.
Advisory: Knowledge of HTML and CSS; concurrent enrollment in CIS-96 or 97.
Introduction to XML (Extensible Markup Languages) on the World Wide Web. Understand and create XML documents, and explore the various applications of the XML technology. 27 hours lecture.

CIS-73A - Introduction to Multimedia Authoring  3 units  
Prerequisite: None.
Advisory: Concurrent enrollment in CIS-96 or 97.
Introduction to the fundamentals of interactive multimedia authoring. There is an emphasis on producing applications incorporating text, audio, graphics, animation and digitized video which effectively communicate to the user. 54 hours lecture.

CIS-76A - Introduction to Microsoft Expression Web  3 units  
(Same as CAT-76A)  
Prerequisite: None.
Advisory: Concurrent enrollment in CIS-96 or 97.
Provides students with the knowledge and skills required to quickly design and implement webpages, and to administer and update existing websites using Microsoft Expression Web. The course uses Microsoft Expression Web to streamline and automate website management on a website. 54 hours lecture and 18 hours laboratory.

CIS-76B - Introduction to Dreamweaver  3 units  
(Same as CAT-76B)  
Prerequisite: None.
Advisory: Concurrent enrollment in CIS-96 or 97.
This course provides students with the knowledge and skills required to quickly design and implement webpages and to administer and update existing websites using Dreamweaver. The course uses Dreamweaver to streamline and automate website management on a website. 54 hours lecture and 18 hours laboratory.

CIS-78A - Introduction to Adobe Photoshop  3 units  
(Same as CAT-78A)  
Prerequisite: None.
Advisory: Concurrent enrollment in CIS-96 or 97.
Introduction to Adobe Photoshop including mastery of digital image editing, techniques for selecting, photo correction, manipulating images and vector drawing. This course also provides instruction in retouching images, special effects, working with image color and web page illustrations. 54 hours lecture and 18 hours laboratory.

CIS-78B - Advanced Adobe Photoshop  3 units  
(Same as CAT-78B)  
Prerequisite: CIS-78A.
Advisory: Concurrent enrollment in CIS-96 or 97.
Advanced techniques and methods for using Adobe Photoshop to produce custom graphic solutions. Focus on real-world projects, workflow foundations, adjusting, and optimizing images, and tips and tricks for enhanced image creation. 54 hours lecture and 18 hours laboratory.

CIS-79 - Introduction to Adobe Illustrator  3 units  
(Same as CAT-79)  
Prerequisite: None.
Advisory: Concurrent enrollment in CIS-96 or 97.
Fundamentals of Adobe Illustrator, including creating objects, drawing paths and designing with type, creating freehand drawing and illustration, importing and working with graphics. Develop a working knowledge of the processes that generate graphic images: layering, shadowing, and color use. 54 hours lecture and 18 hours laboratory.

CIS-80 - Word Processing: Microsoft Word for Windows  3 units  
(Same as CAT-80)  
Prerequisite: None.
Advisory: Concurrent enrollment in CIS-96 or 97 and typing knowledge/skills with at least 40 wpm.
This course is designed to provide introductory, intermediate and advanced skill levels necessary to produce a variety of professional documents using Microsoft Word word processing program. Students will develop skills in word processing techniques and tasks. 54 hours lecture and 18 hours laboratory.

CIS-81 - Introduction to Desktop Publishing  3 units  
(Same as CAT-81)  
Prerequisite: None.
Advisory: Concurrent enrollment in CIS-96 or 97.
Page design and layout techniques using Adobe InDesign. Mastery of beginning and intermediate techniques of document creation, including design skills. Successful incorporation of drawing and bit mapped files to create professional printed media. 54 hours lecture and 18 hours laboratory.

CIS-84 - Word Processing: WordPerfect for Windows  3 units  
(Same as CAT-84)  
Prerequisite: None.
Advisory: Concurrent enrollment in CIS-96 or 97 and typing knowledge/skills with at least 40 WPM.
This course is designed to provide introductory, intermediate, and advanced skill levels necessary to produce a variety of professional documents using WordPerfect for Windows word processing program. Students will develop skills in word processing techniques and tasks. 54 hours lecture and 18 hour laboratory.

CIS-90 - Microsoft Outlook  3 units  
(Same as CAT-90)  
Prerequisite: None.
Advisory: Concurrent enrollment in CIS-96 or 97.
Limitation on enrollment: This course is not recommended for AOL users.
This course utilizes Microsoft Outlook to organize and plan personal and business information. Emphasis is placed on the use of Outlook for communication and sharing information with persons within a company and on the Internet. 54 hours lecture and 18 hours laboratory.

CIS-91 - Microsoft Project  3 units  
(Same as CAT-91)  
Prerequisite: None.
This course utilizes Microsoft Project to build, track and account for variances and changes in the baseline plan. Emphasis is placed on project management, tracking and information analysis. 54 hours lecture and 18 hours laboratory.
CIS-93 - Computers for Beginners
3 units
(Same as CAT-93)
Prerequisite: None.
This course is designed as a practical step-by-step introduction to computer literacy topics including computer hardware and software, application skills, the Internet and Internet searching, Web page creation and computer ethics. 54 hours lecture and 18 hours laboratory.

CIS-95A - Introduction to the Internet
1.5 units
(Same as CAT-95A)
CSU
Prerequisite: None.
Advisory: Concurrent enrollment in CIS-96 or 97.
Skill development in the concepts of the Internet on microcomputer-based systems. This course is designed as a practical step-by-step introduction to working with the internet using personal computers. 27 hours lecture.

CIS-96 - Practicum in Computers
.5 unit
Prerequisite: None.
Limitation on enrollment: Must be concurrently enrolled in another non-practicum RCC course.
Self-paced, competency-based skill development in computer usage for any RCC student concurrently enrolled in any RCC non-computer practicum course. Instruction is given on an individualized basis using personal consultation with the student. May be taken a total of four times. 27 hours laboratory required for credit. (Non-degree credit course. Pass/No Pass only.)

CIS-96A - Practicum in Computers
.25 unit
Prerequisite: None.
Limitation on enrollment: Must be concurrently enrolled in another non-practicum RCC course.
Self-paced, competency based skill development in computer usage for any RCC student concurrently enrolled in any RCC non-computer practicum course. Instruction is given on an individualized basis using personal consultation with the student. May be taken a total of four times. 13.5 hours laboratory required for credit. (Non-degree credit course. Pass/No Pass only.)

CIS-97 - Practicum in Computers
1 unit
Prerequisite: None.
Limitation on enrollment: Must be concurrently enrolled in another non-practicum RCC course.
Self-paced, competency-based skill development in computer usage for any RCC student concurrently enrolled in any RCC non-computer practicum course. Instruction is given on an individualized basis using personal consultation with the student. May be taken a total of four times. 54 hours laboratory required for credit. (Non-degree credit course. Pass/No Pass only.)

CIS-98A - Introduction to Excel
1.5 units
(Same as CAT-98A)
Prerequisite: None.
Advisory: Concurrent enrollment in CIS-96 or 97.
Skill development in electronic spreadsheets using Excel for business and scientific related applications. 27 hours lecture and 18 hours laboratory.

CIS-98B - Advanced Excel
1.5 units
(Same as CAT-98B)
Prerequisite: CIS-98A.
Advanced concepts of MS-Excel including managing large spreadsheets, creating and working with databases, creating and using templates and macro creation. Spreadsheet manipulation with advanced macro techniques, customizing Excel screen and toolbars and solving problems with goal seeker and solver. 27 hours lecture and 18 hours laboratory.

CIS-200 - Computer Information Systems
1-2-3-4 units
Work Experience
CSU*
Prerequisite: None.
Limitation on enrollment: Students must be enrolled in a minimum of 7 units including the work experience units and in a major related to the course.
This course is designed to coordinate the student's occupational on-the-job training with related classroom instruction. Students enrolled in this occupational work experience course must be employed in a field related to the work experience subject area. Students may earn up to four (4) units each semester for a maximum of 16 units of work experience. No more than 20 hours per week may be applied toward the work requirement. 18 hours lecture. Additionally, 60 hours of volunteer work or 75 hours of paid work is required for each unit.

DANCE
ACADEMIC COURSES
DAN-3 - World Dance Survey
2 units
UC, CSU
Prerequisite: None.
This course is designed to introduce students to dance technique from a specific regional area, culture or ethnic group. International styles to be studied might include Spanish, Balinese, Flamenco and will be the choice of the instructor. May be taken a total of four times. 18 hours lecture and 54 hours laboratory.

DAN-4 - Music for Dance
2 units
UC, CSU
Prerequisite: None.
Music for Dance is designed to develop the skills necessary for a dancer/choreographer/musician to make the best use of sound in relationship to movement. The student will gain the tools needed to communicate intelligently with the composer/musician and dancer/choreographer. 18 hours lecture and 54 hours laboratory.

DAN-5 - Introduction to Movement Education for Preschool and Elementary Children
3 units
CSU
Prerequisite: None.
An individualized approach to teaching children to become aware of their physical abilities through the use of movement and dance in the classroom. 45 hours lecture and 27 hours laboratory.

DAN-6 - Dance Appreciation
3 units
UC, CSU
Prerequisite: None.
A nontechnical course for the general student leading to the appreciation and understanding of dance as a medium of communication, entertainment, and as an art form. 54 hours lecture.
DAN-7 - Choreography I 2 units
UC, CSU
Prerequisite: DAN-6 or concurrent enrollment.
The study of dance as an art form with emphasis on the basic elements and forms of dance composition. 18 hours lecture and 54 hours laboratory.

DAN-8 - Choreography II 2 units
UC, CSU
Prerequisite: DAN-7.
The continuing study of dance as an art form with emphasis on exploiting space, time and energy as elements of choreographic style on the intermediate level. 18 hours lecture and 54 hours laboratory.

DAN-9 - Choreography III 2 units
UC, CSU
Prerequisite: DAN-8.
The continuing study of dance composition with emphasis on improvisation as a choreographic tool. 18 hours lecture and 54 hours laboratory.

ACTIVITY COURSES

DAN-D9 - Concert Dance Ensemble .5 unit
UC, CSU
Prerequisite: None.
Advisory: High competence in performance area.
Limitation on enrollment: Audition on or before the first class meeting.
This course is designed to provide students with an opportunity for intensive preparation, performance and appraisal of choreography for public performance. May be taken a total of four times. 27 hours laboratory.

DAN-D10 - Dance Performance 3 units
UC, CSU
Prerequisite: None.
Limitation on enrollment: Audition on or before the first class meeting.
This course provides the opportunity for students to rehearse and perform in the Student Dance Concert. Auditions are held to determine technical and choreographic skill. Student and faculty dances are performed in concert. May be taken a total of four times. 162 hours laboratory.

DAN-D11 - Rehearsal and Performance 2 units
UC, CSU
Prerequisite: None.
Advisory: DAN-D22 or D38 or equivalent dance experience.
Limitation on enrollment: Audition on or before the first class meeting.
In this course, the student develops material for lecture-demonstrations, master classes and mini-concerts. It involves development of the material as well as rehearsal and performance. May be taken a total of four times. 108 hours laboratory.

DAN-D12 - Dance Touring Ensemble 2 units
UC, CSU
Prerequisite: DAN-D11.
The student will develop ensemble performance skills through creating, rehearsing and performing a repertory of various dance genres and choreographic styles for the RCC Dance Touring Ensemble school performance season. May be taken a total of four times. 108 hours laboratory.

DAN-D13 - Dance Repertoire, Modern 1 unit
UC, CSU
Prerequisite: None.
Limitation on enrollment: Audition on or before the first class meeting.
Develop a concert repertoire in the genre of modern dance, as choreographed by a visiting artist or dance faculty. Rehearsal and practice of a concert piece choreographed by the faculty artist. May be taken a total of four times. 54 hours laboratory.

DAN-D14 - Dance Repertoire, Jazz 1 unit
UC, CSU
Prerequisite: None.
Limitation on enrollment: Audition on or before the first class meeting.
Develop a concert repertoire in the genre of jazz, as choreographed by a visiting artist or dance faculty. Rehearsal and practice of a concert piece choreographed by the faculty artist. May be taken a total of four times. 54 hours laboratory.

DAN-D15 - Dance Repertoire, Ballet 1 unit
UC, CSU
Prerequisite: None.
Limitation on enrollment: Audition on or before the first class meeting.
Develop a concert repertoire in the genre of ballet, as choreographed by a visiting artist or dance faculty. Rehearsal and practice of a concert piece choreographed by the faculty artist. May be taken a total of four times. 54 hours laboratory.

DAN-D16 - Dance Repertoire, Tap 1 unit
UC, CSU
Prerequisite: None.
Limitation on enrollment: Audition on or before the first class meeting.
Develop a concert repertoire in the genre of tap, as choreographed by a visiting artist or dance faculty. Rehearsal and practice of a concert piece choreographed by the faculty artist. May be taken a total of four times. 54 hours laboratory.

DAN-D17 - Dance Repertoire, Ethnic 1 unit
UC, CSU
Prerequisite: None.
Limitation on enrollment: Audition on or before the first class meeting.
Develop a concert repertoire in the genre of ethnic dance, as choreographed by a visiting artist or dance faculty. Rehearsal and practice of a concert piece choreographed by the faculty artist. May be taken a total of four times. 54 hours laboratory.

DAN-D18 - Dance Performance Production 1 unit
UC, CSU
Prerequisite: None.
Corequisite: DAN-D10.
Directed dance projects for stage, integrating all aspects of choreographic design with the elements of theatre production resulting in the public studio or stage performance of works-in-progress or completed works during the semester. Subsequent enrollment will provide the student an opportunity for additional skill and competency development within the subject matter. May be taken a total of four times. 54 hours laboratory.
DAN-D19 - Conditioning for Dance 1 unit
UC, CSU
Prerequisite: None.
Students will develop their strength, flexibility, endurance, movement memory, balance and coordination to prepare for other dance classes or athletic activity. The course is designed to introduce basic movement skills from dance and exercise for body conditioning. 54 hours laboratory.

DAN-D20 - Introduction to Social Dance 1 unit
UC, CSU
Prerequisite: None.
This course is designed to introduce student to social dance technique. Styles to be studied might include Waltz, Cha cha, Fox trot or Swing. May be taken a total of four times. 54 hours laboratory.

DAN-D21 - Ballet, Beginning 1 unit
UC, CSU
Prerequisite: None.
This class will provide an opportunity to learn, practice and apply fundamental ballet skills and vocabulary. This class will introduce historical and cultural context of ballet. May be taken a total of four times. 54 hours laboratory.

DAN-D22 - Ballet, Intermediate 1 unit
UC, CSU
Prerequisite: None.
Limitation on enrollment: Audition on or before the first class meeting.
Learn, practice and apply basic ballet skills learned in beginning ballet to more complex movement phrases and vocabulary characteristic of intermediate level technique. Introduce the study of historical and cultural context of ballet as introduced in beginning ballet. May be taken a total of four times. 54 hours laboratory.

DAN-D23 - Ballet, Advanced 1 unit
UC, CSU
Prerequisite: DAN-D22.
Learn, practice and apply intermediate ballet skills learned in intermediate ballet toward the refinement of technical and artistic expression characteristic of advanced level technique. The study of historical and cultural context of ballet will be augmented. May be taken a total of four times. 54 hours laboratory.

DAN-D24 - Pointe Technique, Beginning 1 unit
UC, CSU
Prerequisite: DAN-D22 or D23.
Introduction and development of the technical aspects of pointe work in the ballet curriculum. Beginning skills will be the foundation for more demanding vocabulary at the barre, in center work, pirouette technique and turns across the floor. May be taken a total of four times. 54 hours laboratory.

DAN-D25 - Floor Barre 1 unit
UC, CSU
Prerequisite: None.
This course is designed for students of all levels. Students will concentrate on ballet-based floor exercises designed to build strength and true alignment of the body. By improving flexibility and agility, the students will learn how to prevent injuries and increase movement longevity. May be taken a total of four times. 54 hours laboratory.

DAN-D30 - Social Dance Styles 1 unit
UC, CSU
Prerequisite: None.
This course is designed to provide students with a concentrated focus on a particular social dance style to be chosen from among Tango, Lindy-Hop, Salsa or Nightclub Two-step. May be taken a total of four times. 54 hours laboratory.

DAN-D31 - Hip-Hop Dance 1 unit
CSU
Prerequisite: None.
Learn, practice and apply fundamental hip-hop dance skills and vocabulary. Introduction to the historical and cultural context of hip-hop culture. May be taken a total of four times. 54 hours laboratory.

DAN-D32 - Jazz, Beginning 1 unit
UC, CSU
Prerequisite: None.
Learn, practice and apply fundamental jazz dance skills and vocabulary. Introduction to the historical and cultural context of jazz dance. May be taken a total of four times. 54 hours laboratory.

DAN-D33 - Jazz, Intermediate 1 unit
UC, CSU
Prerequisite: None.
Limitation on enrollment: Audition on or before the first class meeting. Retention based on successful audition.
Learn, practice and apply basic jazz dance skills learned in beginning jazz to more complex movement phrases and vocabulary characteristic of intermediate level technique. Continued study of historical and cultural context of jazz dance as introduced in beginning jazz. May be taken a total of four times. 54 hours laboratory.

DAN-D34 - Jazz, Advanced 1 unit
UC, CSU
Prerequisite: DAN-D33.
Learn, practice and apply intermediate jazz dance skills learned in intermediate jazz toward the refinement of technical and artistic expression characteristic of advanced level technique. Continued use of improvisation as applied to performance. The study of historical and cultural context of jazz dance will be augmented. May be taken a total of four times. 54 hours laboratory.

DAN-D37 - Modern Dance, Beginning 1 unit
UC, CSU
Prerequisite: None.
Learn, practice and apply fundamental modern dance skills and vocabulary. Introduction to the historical and cultural context of modern dance. May be taken a total of four times. 54 hours laboratory.

DAN-D38 - Modern Dance, Intermediate 1 unit
UC, CSU
Prerequisite: None.
Limitation on enrollment: Audition on or before the first class meeting.
Learn, practice and apply basic modern dance skills learned in beginning modern dance to more complex movement phrases and vocabulary characteristic of intermediate level technique. Continued study of historical and cultural context of modern dance as introduced in beginning modern. May be taken a total of four times. 54 hours laboratory.
DAN-D39 - Modern Dance, Advanced  1 unit
UC, CSU
Prerequisite: DAN-D38.
Learn, practice and apply intermediate modern dance skills learned in intermediate modern dance toward the refinement of technical and artistic expression characteristic of advanced level technique. Continued use of improvisation as applied to performance. The study of historical and cultural context of modern dance will be augmented. May be taken a total of four times. 54 hours laboratory.

DAN-D43 - Tap Beginning  1 unit
UC, CSU
Prerequisite: None.
Learn, practice and apply fundamental tap dance skills and vocabulary. Introduction to the historical and cultural context of tap dance. May be taken a total of four times. 54 hours laboratory.

DAN-D44 - Tap, Intermediate  1 unit
UC, CSU
Prerequisite: None.
Limitation on enrollment: Audition on or before the first class meeting. Learn, practice and apply basic tap dance skills learned in beginning tap to more complex movement phrases and vocabulary characteristic of intermediate level technique. Tap Dance improvisation will be introduced. Continued study of historical and cultural context of tap dance as introduced in beginning tap. May be taken a total of four times. 54 hours laboratory.

DAN-D45 - Tap, Advanced  1 unit
UC, CSU
Prerequisite: DAN-D44.
Learn, practice and apply intermediate tap dance skills learned in intermediate tap toward the refinement of technical and artistic expression characteristic of advanced level technique. Continued use of improvisation as applied to performance. The study of historical and cultural context of tap dance will be augmented. May be taken a total of four times. 54 hours laboratory.

DAN-D46 - Body Control Mat Work  .5 unit
UC, CSU
Prerequisite: None.
This class is structured on the total body floor mat exercises developed by Joseph H. Pilates. Exercises emphasize stretching and strengthening, in a non-impact system of floor work that emphasizes improved alignment, body awareness and control. May be taken a total of four times. 27 hours laboratory.

DAN-D47 - Pilates Beginning  1 unit
UC, CSU
Prerequisite: None.
This beginning level course in alignment and correctives work is based on exercises and concepts developed by Joseph Pilates. The course will include mat work and apparatus work on the universal reformer and will emphasize alignment and balance of muscle groups through strengthening, stretching, breathing and concentration. May be taken a total of four times. 54 hours laboratory.

DAN-D48 - Universal Reformer Technique  1 unit
UC, CSU
Prerequisite: DAN-D47.
Intensive mat work and repertoire on the universal reformer developed by Joseph Pilates will emphasize alignment and correct balance of muscle groups through strengthening, stretching, breathing, and concentration. May be taken a total of four times. 54 hours laboratory.

DAN-D49 - Pilates, Intermediate  1 unit
UC, CSU
Prerequisite: DAN-D47.
This intermediate level course in Pilates teaches alignment and correctives work based on the concepts and exercises developed by Joseph H. Pilates. The course will include intermediate mat work and apparatus work and will emphasize alignment and balance of muscle groups through a series of intensive strengthening and stretching exercises based on Pilates’ principles. May be taken a total of four times. 54 hours laboratory.

DAN-D50 - Pilates for Dancers  1 unit
UC, CSU
Prerequisite: None.
Conditioning and specialized training for dancers using the Pilates Method for the development of dance technique. Includes mat work and apparatus work emphasizing the specialized needs of dancers. May be taken a total of four times. 54 hours laboratory.

DAN-D51 - Pilates, Advanced  1 unit
UC, CSU
Prerequisite: DAN-D49.
This advanced level course in Pilates teaches alignment and correctives work based on the concepts and exercises developed by Joseph H. Pilates. The course will include advanced mat work and apparatus work and will emphasize alignment and balance of muscle groups through a series of intensive advanced level strengthening and stretching exercises based on Pilates’ principles. May be taken a total of four times. 54 hours laboratory.

DAN-D60 - Dance Techniques for Musical Theater  .5 unit
UC, CSU
Prerequisite: None.
Principles and techniques of various performance methods, dance genres, and styles involved in performing dance for the musical theater. Genres/styles to be studied may include jazz, tap, modern, ballet and ethnic/world dance. May be taken a total of four times. 27 hours laboratory.

DAN-D61 - Summer Ballet Intensive  .5 unit
UC, CSU
Prerequisite: None.
Concentrated focus on a particular ballet technique or style from a visiting guest artist or dance faculty. Techniques or styles to be studied might include turns, jumps, or a comparison of the various schools of ballet such as Balanchine, Cecchetti, Royal Academy of Dance, and Vaganova. May be taken a total of four times. 27 hours laboratory.
DAN-D62 - Summer Jazz Intensive  .5 unit
UC, CSU
Prerequisite: None.
Designed to provide students with a concentrated focus on a particular jazz dance style from a visiting guest artist or dance faculty. Styles to be studied might include hip-hop, Commercial Jazz, Luigi technique, Giordano technique, Broadway Jazz, or Fosse-based dance. May be taken a total of four times. 27 hours laboratory.

DAN-D63 - Summer Modern Dance Intensive  .5 unit
UC, CSU
Prerequisite: None.
Designed to provide students with a concentrated focus on a particular modern dance style from a visiting guest artist or dance faculty. Styles to be studied might include Cunningham technique, Limon technique, Dunham technique, or Graham technique. May be taken a total of four times. 27 hours laboratory.

DAN-D64 - Summer Tap Dance Intensive  .5 unit
UC, CSU
Prerequisite: None.
Designed to provide students with a concentrated focus on a particular tap dance style from a visiting guest artist or dance faculty. Styles to be studied might include rhythm tap, Broadway tap, soft shoe, and tap improvisation. May be taken a total of four times. 27 hours laboratory.

DAN-D65 - Summer World Dance Intensive  .5 unit
UC, CSU
Prerequisite: None.
Designed to provide students with a concentrated focus on a particular world dance style from a visiting guest artist or dance faculty. Styles to be studied might include Balinese dance, Flamenco, Bharat Natyam, Folklorico or Irish step dance. May be taken a total of four times. 27 hours laboratory.

DAN-D66 - Summer Social Dance Intensive  .5 unit
UC, CSU
Prerequisite: None.
Designed to provide students with a concentrated focus on a particular social dance style from a visiting guest artist or dance faculty. Styles to be studied might include tango, lindy hop, paso doble, salsa or nightclub musical by a visiting guest artist or dance faculty. Prerequisite: None.

DAN-D67 - Summer Musical Theatre Dance Intensive  .5 unit
UC, CSU
Prerequisite: None.
Designed to provide students with a concentrated focus on a particular musical by a visiting guest artist or dance faculty. Musicals to be studied might include “42nd Street,” “Chicago,” “On Your Toes,” “Oklahoma!” or “West Side Story.” May be taken a total of four times. 27 hours laboratory.

Meeting minimum requirements does not guarantee admission into the program.

Selection Process:
The following priority given to those candidates meeting the minimum requirements:

- **First Priority Selection:**
  Students meeting all GPA requirements and residing within the District. Applications will be assigned a number and all numbers will be randomly selected. Once the maximum number of students is selected, the other applications will be assigned to a waiting list according to the order they are selected. This waiting list is valid for that year only.

- **Second Priority Selection:**
  Students meeting all GPA requirements but not residing within the District. This category will be used only if there are not enough applicants to fill the program needs from the first priority selection category. The number of students selected from the second priority selection pool of applicants will depend on the number of applicants needed to fill the program.

DEA-10 - Introduction to Dental Assisting and Chairside Assisting  4 units
Prerequisite: None.
Limitation on enrollment: Enrollment in the Dental Assistant Program.
This course is designed to meet the state and national accreditation requirements for an approved Dental Assistant Program. The course introduces the student to the practice and history of dentistry including dental specialties, legal responsibilities and roles of the dental auxiliary, ethical decision making, dental terminology, dental charting, dental equipment, instrument identification, patient communication skills, and the provision of oral hygiene instructions. 54 hours lecture and 54 hours laboratory.

DEA-20 - Infection Control for Dental Assistants  2 units
Prerequisite: None.
Limitation on enrollment: Enrollment in the Dental Assistant Program.
This course is designed to meet the state and national accreditation requirements for an approved Dental Assistant Program. The course introduces the student to Center of Disease Control (CDC) and Occupational Safety and Health Administration (OSHA) infection control standards and protocols, general safety protocols, general description of microorganisms, concepts of disease spread and its prevention, and how to manage hazardous chemicals used in dentistry. 36 hours lecture.

DEA-21 - Introduction to Radiology for Dental Assistants  2 units
Prerequisite: None.
Corequisite: DEA-20.
Limitation on enrollment: Enrollment in the Dental Assistant Program.
This course is designed to meet the state and national accreditation requirements for an approved Dental Assistant Program. This course includes the production, characteristics, and biological effects of radiation, the function, components and operation of the x-ray unit; radiation protection and monitoring; chemistry and techniques associated with x-ray film development. Introduction to anatomical landmarks, intraoral long-cone radiographic techniques for exposing bitewing, periapical and occlusal films are taught in this course. 18 hours lecture and 54 hours laboratory.

**DENTAL ASSISTANT**

Requirements for Eligibility:
1. RCCD application on file and eligibility to attend RCCD.
2. A qualifying first time score on RCCD’s “Ability to Benefit” test.
4. Verification of receiving the Hepatitis B vaccination, tetanus, MMR, and TB testing.
DEA-22 - Introduction to Supervised Externships  
1.5 units  
Prerequisite: DEA-10.  
Limitation on enrollment: Enrollment in the Dental Assistant Program.  
This course is designed to meet the state and national accreditation requirements for an approved Dental Assistant Program. The course introduces the student to supervised clinical experience in chairside dental assisting. The students will be assigned to the RCC Dental Hygiene Clinic and local general practices. 4 hours lecture and 54 hours laboratory.

DEA-23 - Introduction to Dental Sciences  
3 units  
Prerequisite: None.  
Limitation on enrollment: Enrollment in the Dental Assistant Program.  
This course is designed to meet the state and national accreditation requirements for an approved Dental Assistant Program. The course is an overview of embryologic development of structures of the head and neck, teeth, and oral cavity; histology of the hard and soft tissues of the oral cavity; the developmental and structural defects involving the oral cavity and teeth; introduction to diseases of the oral cavity including periodontal disease and caries; and general pathology found in the head and neck region. 54 hours lecture.

DEA-24 - Dental Materials for the Dental Assistant  
2 units  
Prerequisite: None.  
Limitation on enrollment: Enrollment in the Dental Assistant Program.  
This course is designed to meet the state and national accreditation requirements for an approved Dental Assistant Program. The course includes the manipulation of dental materials commonly prepared and used by the dental assistant including temporary dressings, impression materials, cement bases and liners, topical agents, composites, resins, and amalgam. 18 hours lecture and 54 hours laboratory.

DEA-30 - Intermediate Chairside Dental Assisting  
2 units  
Prerequisite: DEA-20, 23 and 24.  
Limitation on enrollment: Enrollment in the Dental Assistant Program.  
This course is designed to meet the state and national accreditation requirements for an approved Dental Assistant Program. The course covers clinical chairside dental assisting duties of the fabrication and cementation of a temporary crown, fabrication and delivery of bleaching splint, fabrication of a sports mouthguard, armamentarium and procedure for the placement of pit and fissure sealants. 18 hours lecture and 54 hours laboratory.

DEA-31 - Radiology for Dental Assistants  
1.5 units  
Prerequisite: DEA-20 and 21.  
Limitation on enrollment: Enrollment in the Dental Assistant Program.  
This course is designed to meet the state and national accreditation requirements for an approved Dental Assistant Program. This course includes the evaluation of the quality of a radiographic film, recognition of anomalies, specialized techniques for the pedodontic, endodontic and edentulous patient, principles of panoramic and cephalometric films, and digital radiography. 18 hours lecture and 36 hours laboratory.

DEA-32 - Intermediate Supervised Externships  
1 unit  
Prerequisite: DEA-20, 22, 24.  
Limitation on enrollment: Enrollment in the Dental Assistant Program.  
This course is designed to meet the state and national accreditation requirements for an approved Dental Assistant Program. The course provides the student with supervised clinical experience in chairside dental assisting. The student will be assigned to local general practices where they will assist dentists with basic dental procedures. 2 hours lecture and 36 hours laboratory.

DEA-40A - Advanced Chairside Restorative Dental Assistant  
4 units  
Prerequisite: DEA-30. (A minimum of two years experience in a dental restorative practice or a valid Registered Dental Assistant license from the State of California are also accepted for this prerequisite). Limitation on enrollment: Enrollment in the Dental Assistant Program or valid California Registered Dental Assistant license.  
This course is designed to meet the state and national accreditation requirements for an approved Dental Assistant Program. In addition, this course meets the Dental Board of California’s licensing requirements for the Registered Restorative Assistant. This course provides specialized knowledge and skills to perform chairside dental assisting in a surgical practice. The course includes didactic, laboratory and clinical instruction on dental sciences, pharmacology, dental materials, legal and ethical considerations, infection control, emergency management, treatment planning, pain and anxiety management, oral and maxillofacial pathology, specific anatomy and physiology of the cardiovascular and circulatory system, and medically compromised patients as they relate to the surgery patient. 47 hours lecture and 99 hours laboratory.

DEA-40B - Advanced Chairside Orthodontic Dental Assistant  
3.5 units  
Prerequisite: DEA-30. (A minimum of two years experience in an orthodontic practice or a valid Registered Dental Assistant license from the State of California are also accepted for this prerequisite). Limitation on enrollment: Enrollment in the Dental Assistant Program or a valid California Registered Dental Assistant license.  
This course is designed to meet the state and national accreditation requirements for an approved Dental Assistant Program. In addition, this course meets the Dental Board of California’s licensing requirements for the Registered Orthodontic Assistant. This course provides specialized knowledge and skills to perform chairside dental assisting in an orthodontic practice. The course includes didactic, laboratory and clinical instruction on dental sciences, pharmacology, dental materials, legal and ethical considerations, infection control, emergency management, and treatment planning as they relate to the orthodontic patient. 42 hours lecture and 104 hours laboratory.

DEA-40C - Advanced Chairside Restorative Dental Assistant  
4.5 units  
Prerequisite: DEA-30. (A minimum of two years experience in a dental restorative practice or a valid Registered Dental Assistant license from the State of California are also accepted for this prerequisite). Limitation on enrollment: Enrollment in the Dental Assistant Program or a valid California Registered Dental Assistant license.  
This course is designed to meet the state and national accreditation requirements for an approved Dental Assistant Program. In addition, this course meets the Dental Board of California’s licensing requirements for the Registered Restorative Assistant. This course provides specialized knowledge and skills to perform chairside dental assisting in a general or prosthodontic practice. The course includes didactic, laboratory and clinical instruction on dental sciences, pharmacology, dental materials, legal and ethical considerations, infection control, emergency management, and treatment planning as they relate to the restorative patient. 50 hours lecture and 114 hours laboratory.
DEA-41 - Dental Office Procedures  4 units
Prerequisite: None.
Limitation on enrollment: Enrollment in the Dental Assistant Program.
This course is designed to meet the state and national accreditation requirements for an approved Dental Assistant Program. This course is an introduction to purchasing, inventory and cost control; banking and payroll procedures; billing and insurance procedures; collection of accounts; treatment plan and case presentations; and scheduling of patients. Additionally, the course will prepare the student to develop a resume and interviewing skills. 54 hours lecture and 54 hours laboratory.

DENTAL HYGIENE

DEH-10A - Pre-Clinical Dental Hygiene #1  2.5 units
Prerequisite: AMY-2A, 2B, MIC-1, ENG-1A or 1AH, SPE-1 or 1H.
Corequisite: DEH-11, 12A, 12B, 13, 14, 15, 16, 17.
Limitation on enrollment: Enrollment in the Dental Hygiene Program.
This course is designed to meet the state and national accreditation requirements for an approved Dental Hygiene Program. The students are exposed to the continuation of pre-clinical experiences. This course is a laboratory course designed to orient the student to the role of the dental hygienist and develop basic skills and techniques required to perform dental hygiene services. Requires evaluation of clinical performance through demonstration of skill acquisition and level of competency. Students will work on typodonts and classmates. Student will be required to do observations at specific local dental offices. 144 hours laboratory.

DEH-10B - Pre-Clinical Dental Hygiene #2  1 unit
Prerequisite: None.
Corequisite: DEH-19.
Limitation on enrollment: Enrollment in the Dental Hygiene Program.
This course is designed to meet the state and national accreditation requirements for an approved Dental Hygiene Program. This course is a continuation of DEH 10A and is designed to facilitate the development of clinical skills and techniques required to perform dental hygiene services. Requires evaluation of clinical performance through demonstration of skill acquisition and level of competency. Students will work on typodonts and classmates. 54 hours laboratory.

DEH-11 - Principles of Dental Hygiene  2 units
Prerequisite: AMY-2A, 2B, ENG-1A or 1AH, SPE-1 or 1H.
Limitation on enrollment: Enrollment in the Dental Hygiene Program.
This course is designed to meet the state and national accreditation requirements for an approved Dental Hygiene Program. This is an introductory course that will provide the student with the scientific knowledge and theory of the basic principles of dental hygiene techniques and procedures for the clinical aspect of dental hygiene. 36 hours lecture.

DEH-12A - Principles of Oral Radiology  1 unit
CSU
Prerequisite: AMY-2A, ENG-1A or 1AH, MAT-52.
Corequisite: DEH-10A, 11, 12A, 13, 14, 15, 16, 17.
Limitation on enrollment: Enrollment in the Dental Hygiene Program.
This course is designed to meet the state and national accreditation requirements for an approved Dental Hygiene Program. The student will be introduced to the basic principles and techniques of exposing and processing dental radiographs. Emphasis will be placed on the concepts of radiologic imaging, quality assurance, legal aspects, hazardous waste management, radiation health, and basic radiologic imaging interpretation. 18 hours lecture.

DEH-12B - Oral Radiology Laboratory  1 unit
CSU
Prerequisite: AMY-2A, MAT-52.
Corequisite: DEH-10A, 11, 12A, 13, 14, 15, 16, 17.
Limitation on enrollment: Enrollment in the Dental Hygiene Program.
This course is designed to meet the state and national accreditation requirements for an approved Dental Hygiene Program. This laboratory course is designed to provide the student the avenue to implement knowledge obtained from the lecture course: DEH-12A and 13. Students will experience exposing, processing, mounting, charting, critiquing and interpreting radiographs on manikins and patients. 54 hours laboratory.

DEH-13 - Infection Control in Dentistry  1 unit
CSU
Prerequisite: MIC-1, CHE-2A, 2B, ENG-1A or 1AH.
Limitation on enrollment: Enrollment in the Dental Hygiene Program.
This course is designed to meet the state and national accreditation requirements for an approved Dental Hygiene Program. This course is designed to provide the student with the principles and practical application of universal precaution and other infection control concepts. Occupational Safety and Health Administration (OSHA), Environmental Protection Agency (EPA), Center for Disease Control (CDC), and the Dental Board of California (DBC) standards will be presented and discussed. Procedures and policies learned will be applied in all clinical dental hygiene courses. 18 hours lecture.

DEH-14 - Systems Analysis of Dental Anatomy, Morphology, Histology, Embryology  3.5 units
CSU
Prerequisite: AMY-2A, 2B.
Limitation on enrollment: Enrollment in the Dental Hygiene Program.
This course is designed to meet the state and national accreditation requirements for an approved Dental Hygiene Program. This course is a systematic approach to histological structures and embryonic development of oral human tissues, morphological characteristics of teeth with emphasis on comparative crown and root anatomy and occlusion. Identification of teeth and oral structures, tooth-numbering systems will be included in this course. 67 hours lecture and 16 hours laboratory.
DEH-15 - Head and Neck Anatomy  2 units  
CSU  
Prerequisite: AMY-2A, 2B. 
Limitation on enrollment: Enrollment in the Dental Hygiene Program. 
This course is designed to meet the state and national accreditation requirements for an approved Dental Hygiene Program. The course emphasizes specialized and interrelated structures of the head and neck, and associated structures surrounding and including the oral cavity. 36 hours lecture.

DEH-16 - Preventive Dentistry  1 unit  
CSU  
Prerequisite: CHE-2A, 2B, MIC-1, ENG-1A or 1AH, SOC-1, PSY-1, SPE-1 or 1H, PHP-4. 
Limitation on enrollment: Enrollment in the Dental Hygiene Program. 
This course provides the fundamentals of preventive dentistry concepts and modalities including the dental assessment, diagnosis, treatment planning, and implementation of clinical preventive procedures. Emphasis is on prevention of dental diseases through effective patient education and motivation. Preventive dental products will be reviewed and analyzed. 18 hours lecture.

DEH-17 - General Pathology  2 units  
CSU  
Prerequisite: AMY-2A, 2B, MIC-1. 
Corequisite: DEH-10A, 11, 12A, 12B, 13, 14, 15, 16. 
Limitation on enrollment: Enrollment in the Dental Hygiene Program. 
This course is designed to meet the state and national accreditation requirements for an approved Dental Hygiene Program. The student will learn about the basic pathologic mechanisms in human disease. There will be emphasis on the inflammation and repair, and immunity. Students will also learn about clinical aspects of diseases and disorders that will be encountered in the clinical setting. 36 hours lecture.

DEH-19 - Pain Control  1.5 units  
CSU  
Prerequisite: None. 
Corequisite: DEH-10B. 
Limitation on enrollment: Enrollment in the Dental Hygiene Program. 
This course is designed to meet the state and national accreditation requirements for an approved Dental Hygiene Program. The student will be introduced to the theory, concepts, techniques, and drugs utilized in dentistry to achieve adequate pain control through local anesthesia and nitrous oxide/oxygen sedation. Students practice local anesthesia injections and administer nitrous oxide/oxygen on classmates. 25 hours lecture and 36 hours laboratory.

DEH-20A - Clinical Dental Hygiene #1  3 units  
CSU  
Prerequisite: None. 
Corequisite: DEH-21, 22, 23, 24, 25, 26, 27, 28. 
Limitation on enrollment: Enrollment in the Dental Hygiene Program. 
This course is designed to meet the state and national accreditation requirements for an approved Dental Hygiene Program. The students are exposed to the continuation of clinical dental hygiene. Students apply knowledge, critical thinking and basic clinical skills acquired in previous completed dental hygiene courses. Emphasis is placed on periodontal maintenance and recall patients with gingivitis and early periodontal disease. Requires evaluation of clinical performance through the demonstration of skill acquisition and clinical competency. 162 hours laboratory.

DEH-20B - Clinical Dental Hygiene #2  1 unit  
CSU  
Prerequisite: None. 
Limitation on enrollment: Enrollment in the Dental Hygiene Program. 
This course is designed to meet the state and national accreditation requirements for an approved Dental Hygiene Program. The students are exposed to the continuation of clinical dental hygiene. Students apply knowledge, critical thinking and clinical skills acquired in previous completed dental hygiene courses. Emphasis is placed on periodontal maintenance and recall patients with gingivitis and early to moderate periodontal disease. Requires evaluation of clinical performance through the demonstration of skill acquisition and clinical competency. 72 hours laboratory.

DEH-21 - Clinical Seminar #1  1 unit  
CSU  
Prerequisite: None. 
Limitation on enrollment: Enrollment in the Dental Hygiene Program. 
This course is designed to meet the state and national accreditation requirements for an approved Dental Hygiene Program. The students are exposed to the continuation of clinical dental hygiene issues that will be implemented in the clinical setting. This course focuses on clinical issues and experiences of the students. Emphasis will be placed on communication, clinical protocols, chart management, and patient management and assessment issues. The dental hygiene portfolio will be introduced. 18 hours lecture.

DEH-22 - Oral Radiology Interpretation  1 unit  
CSU  
Prerequisite: None. 
Limitation on enrollment: Enrollment in the Dental Hygiene Program. 
This course is designed to meet the state and national accreditation requirements for an approved Dental Hygiene Program. This course focuses on radiographic interpretation of full mouth series, periapical, and panoramic radiographs. Identification of anatomical landmarks, developmental defects, and lesions affecting the oral structures, carious lesions, periodontal disease and other maxillofacial radiographic pathology will be covered. 18 hours lecture.
DEH-23 - Introduction to Periodontology  2 units  
CSU  
Prerequisite: None.  
Corequisite: DEH-20A, 21, 22, 24, 25, 26, 27, 28.  
Limitation on enrollment: Enrollment in the Dental Hygiene Program.  
This course is designed to meet the state and national accreditation requirements for an approved Dental Hygiene Program. The student will be introduced to a continuation of the study of Periodontics. This course is an introduction of the basic concepts of Periodontics. Emphasis will be placed on the periodontium and the etiology, diagnosis, treatment planning, and prevention of periodontal disease. 36 hours lecture.

DEH-24 - Ethics  1 unit  
CSU  
Prerequisite: None.  
Corequisite: DEH-20A, 21, 22, 23, 25, 26, 27, 28.  
Limitation on enrollment: Enrollment in the Dental Hygiene Program.  
This course is designed to meet the state and national accreditation requirements for an approved Dental Hygiene Program. This course is designed to introduce the student to ethics and professionalism as it relates to the profession of dental hygiene. Emphasis will be placed on the challenges of providing ethical care in the clinical setting. 18 hours lecture.

DEH-25 - Medical and Dental Emergencies  1 unit  
CSU  
Prerequisite: None.  
Corequisite: DEH-20A, 21, 22, 23, 24, 26, 27, and 28.  
Limitation on enrollment: Enrollment in the Dental Hygiene Program.  
This course is designed to meet the state and national accreditation requirements for an approved Dental Hygiene Program. This course will introduce the student to planning for the patient's medical management, including prevention, anticipation of potential medical emergencies and implementing appropriate treatment. Emphasis is placed on a problem-based approach to management of medical emergencies. 18 hours lecture.

DEH-26 - Dental Treatment of Geriatric and Medically Compromised Patients  2 units  
CSU  
Prerequisite: None.  
Limitation on enrollment: Enrollment in the Dental Hygiene Program.  
This course is designed to meet the state and national accreditation requirements for an approved Dental Hygiene Program. This course is designed to introduce the student to the special needs of the geriatric and medically compromised patients. Emphasis will be placed on the value of a thorough evaluation and risk assessment of patients, and determining the need for supplemental laboratory test and medical consultations. 36 hours lecture.

DEH-27 - Oral Pathology  3 units  
CSU  
Prerequisite: None.  
Limitation on enrollment: Enrollment in the Dental Hygiene Program.  
This course is designed to meet the state and national accreditation requirements for an approved Dental Hygiene Program. This course provides the student with an introduction to pathologic conditions that directly or indirectly affect the oral cavity and adjacent structures. Students will learn a spectrum of signs and symptoms accompanied by clinical slides to learn how to correctly make a differential diagnosis. 54 hours lecture.

DEH-28 - Basic and Applied Pharmacology  2 units  
CSU  
Prerequisite: None.  
Corequisite: DEH-20A, 21, 22, 23, 24, 25, 26, 27.  
Limitation on enrollment: Enrollment in the Dental Hygiene Program.  
This course is designed to meet the state and national accreditation requirements for an approved Dental Hygiene Program. The course introduces the student to the basic principles of pharmacology. Emphasis is on the use, actions, and clinical implications / contraindications to medications. 36 hours lecture.

DEH-30A - Clinical Dental Hygiene #3  3.5 units  
CSU  
Prerequisite: None.  
Corequisite: DEH-31, 32, 33, 34, 35, 36, 37.  
Limitation on enrollment: Enrollment in the Dental Hygiene Program.  
This course is designed to meet the state and national accreditation requirements for an approved Dental Hygiene Program. The students are exposed to the continuation of clinical dental hygiene. Students apply knowledge, critical thinking and clinical skills acquired in dental hygiene courses. Emphasis is placed on periodontal maintenance and recall patients with early to advanced periodontal disease. Requires evaluation of clinical performance through the demonstration of skill acquisition and clinical competency. 192 hours laboratory.

DEH-30B - Clinical Dental Hygiene #4  1 unit  
CSU  
Prerequisite: None.  
Limitation on enrollment: Enrollment in the Dental Hygiene Program.  
This course is designed to meet the state and national accreditation requirements for an approved Dental Hygiene Program. The students are exposed to the continuation of clinical dental hygiene. Students apply knowledge, critical thinking and clinical skills acquired in dental hygiene courses. Emphasis is placed on periodontal maintenance and recall patients with early to advanced periodontal disease. Requires evaluation of clinical performance through the demonstration of skill acquisition and clinical competency. 72 hours laboratory.

DEH-31 - Clinical Seminar #2  1 unit  
CSU  
Prerequisite: None.  
Limitation on enrollment: Enrollment in the Dental Hygiene Program.  
This course is designed to meet the state and national accreditation requirements for an approved Dental Hygiene Program. The students are exposed to the continuation of clinical dental hygiene issues that are implemented in the clinical setting. The course focuses on clinical issues and experiences of the students. Emphasis will be placed on assessment and treatment planning of moderate to advanced periodontal cases. The development of the dental hygiene portfolio will be continued. 18 hours lecture.
DEH-32 - Dental Materials  2.5 units
CSU
Prerequisite: None.
Limitation on enrollment: Enrollment in the Dental Hygiene Program.
This course is designed to meet the state and national accreditation requirements for an approved Dental Hygiene Program. This course is the study of the properties, composition and manipulation of materials used in dentistry. The study of dental materials provides the student with the scientific rationale for selecting and using specific materials as well as understanding the varied relationships of dental biomaterials. 36 hours lecture and 27 hours laboratory.

DEH-33 - Periodontology  1 unit
CSU
Prerequisite: None.
Limitation on enrollment: Enrollment in the Dental Hygiene Program.
This course is designed to meet the state and national accreditation requirements for an approved Dental Hygiene Program. The students will expand their knowledge of Periodontology to include analysis of periodontal tissues, and the mechanisms and causes in various pathologic processes. Emphasis will be placed on therapeutic goals and techniques to attain and maintain periodontal health in the clinical setting. 18 hours lecture.

DEH-34 - Community Dental Health Education #1  1 unit
CSU
Prerequisite: None.
Limitation on enrollment: Enrollment in the Dental Hygiene Program.
This course is designed to meet the state and national accreditation requirements for an approved Dental Hygiene Program. The student is introduced to a continuation of dental health education as it relates to evidenced-based decision-making skills in community settings. Emphasis is placed on the role of the dental health educator. 18 hours lecture.

DEH-35 - Community Dental Health Education  1 unit
Practicum #1
CSU
Prerequisite: None.
Limitation on enrollment: Enrollment in the Dental Hygiene Program.
This course is designed to meet the state and national accreditation requirements for an approved Dental Hygiene Program. The student is introduced to a continuation of dental health education as it relates to evidenced-based decision-making skills in community settings. Emphasis is placed on the role of the dental health educator. 18 hours lecture.

DEH-36 - Research Methodology  2 units
CSU
Prerequisite: None.
Limitation on enrollment: Enrollment in the Dental Hygiene Program.
This course is designed to meet the state and national accreditation requirements for an approved Dental Hygiene Program. This is an introductory course that will allow the student to learn the fundamentals of research design and methodology, and acquire skills to critique scientific literature. The use of internet and different search engines will be incorporated in this course. 36 hours lecture.

DEH-37 - Nutrition in Dentistry  1 unit
CSU
Prerequisite: None.
Limitation on enrollment: Enrollment in the Dental Hygiene Program.
This course is designed to meet the state and national accreditation requirements for an approved Dental Hygiene Program. This course is designed to introduce the student to nutritional principles as they related to overall health of the patient with special emphasis on the nutrition as it relates to oral health. 18 hours lecture.

DEH-40 - Clinical Dental Hygiene #5  4 units
CSU
Prerequisite: None.
Corequisite: DEH-41, 42, 43, 44, 45, 46.
Limitation on enrollment: Enrollment in the Dental Hygiene Program.
This course is designed to meet the state and national accreditation requirements for an approved Dental Hygiene Program. The students are exposed to the continuation of dental hygiene. Students apply knowledge, critical thinking and clinical skills acquired in previous completed dental hygiene courses. Emphasis is placed on periodontal maintenance and recall patients with moderate to advanced periodontal disease. Students will do rotations to observe the different aspects of dentistry. Requires evaluation of clinical performance through the demonstration of clinical competence. 216 hours laboratory.

DEH-41 - Clinical Seminar #3  1 unit
CSU
Prerequisite: None.
Corequisite: DEH-40, 42, 43, 44, 45, 46.
Limitation on enrollment: Enrollment in the Dental Hygiene Program.
This course is designed to meet the state and national accreditation requirements for an approved Dental Hygiene Program. The students are exposed to the continuation of clinical dental hygiene issues that will be implemented in the clinical setting. The course focuses on clinical issues and experiences of the students. Emphasis is on developing critical thinking skills when implementing dental hygiene treatment plans. The development of the dental hygiene portfolio will be completed in this course. 18 hours lecture.

DEH-42 - Practice Management and Jurisprudence  2 units
CSU
Prerequisite: None.
Corequisite: DEH-40, 41, 43, 44, 45, 46.
Limitation on enrollment: Enrollment in the Dental Hygiene Program.
This course is designed to meet the state and national accreditation requirements for an approved Dental Hygiene Program. This course will introduce the student to the dental economics of a dental hygiene practice within a private dental practice. Students will become familiar with dental office procedures including computer dental office management programs as well as tissue management systems. Emphasis will be placed on the scope of practice of dental professionals as outlined by the California State Dental Practice Act (DPA). 36 hours lecture.
DEH-43 - Advanced Periodontology 1 unit
CSU
Prerequisite: None.
Corequisite: DEH-40, 41, 42, 44, 45, 46.
Limitation on enrollment: Enrollment in the Dental Hygiene Program.
This course is designed to meet the state and national accreditation requirements for an approved Dental Hygiene Program. The students will perform an in-depth analysis of current literature and how to implement the information to accomplish evidence-based dental hygiene care. 18 hours lecture.

DEH-44 - Community Dental Health Education #2 1 unit
CSU
Prerequisite: None.
Corequisite: DEH-40, 41, 42, 43, 44, 46.
Limitation on enrollment: Enrollment in the Dental Hygiene Program.
This course is designed to meet the state and national accreditation requirements for an approved Dental Hygiene Program. This course is a continuation of dental health education with emphasis on the concepts and methods of prevention as they relate to the oral health of groups. Issues central to community dental health such as access to care, supply and demand, quality assurance, health financing, health policy and community program development are presented. 18 hours lecture.

DEH-45 - Community Dental Health Education Practicum #2 1 unit
CSU
Prerequisite: None.
Corequisite: DEH-40, 41, 42, 43, 44, 46.
Limitation on enrollment: Enrollment in the Dental Hygiene Program.
This course is designed to meet the state and national accreditation requirements for an approved Dental Hygiene Program. This course is a continuation of dental health practicum that emphasizes the assessment, diagnosis, planning, implementation, and evaluation of community programs. 9 hours lecture and 27 hours laboratory.

DEH-46 - Advanced Topics in Dental Hygiene 1 unit
CSU
Prerequisite: None.
Corequisite: DEH-40, 41, 42, 43, 44, 45.
Limitation on enrollment: Enrollment in the Dental Hygiene Program.
This course is designed to meet the state and national accreditation requirements for an approved Dental Hygiene Program. This course examines advanced topics in the field of dental hygiene to prepare students to transition into the private practice arena. Students will discuss how to integrate topics into their clinical practices. Latest clinical duties approved by the Dental Board of California will be discussed. 18 hours lecture.

DEH-200 - Dental Hygiene Work Experience 1-2-3-4 units
CSU*
Prerequisite: None.
Advisory: Students should have paid or voluntary employment.
This course is designed to coordinate the student’s occupational on-the-job training with related classroom instruction. Students enrolled in this occupational work experience course must be employed in a field related to the work experience subject area. Students may earn up to four (4) units each semester for a maximum of 16 units of work experience. No more than 20 hours per week may be applied toward the work requirement. 18 hours lecture. Additionally, 60 hours of volunteer work or 75 hours of paid work is required for each unit.

DENTAL TECHNOLOGY
The curriculum prepares a student for employment in a private or commercial dental laboratory or dental office performing laboratory techniques and procedures. Emphasis is on fundamental laboratory procedures including all five specialized areas: dentures, crown and fixed partial dentures, ceramics, removable partial dentures, and orthodontic/pedodontics. The two year (41 unit) full-time program provides for student-centered teaching. The student will receive a Dental Technology certificate upon completing the curriculum in Dental Technology, provided the student has maintained a “C” average or better in each course.

Four internal certificates may be earned while enrolled in the 41 unit certificate pattern. These certificates are in Basic Sciences, Orthodontic/Removable Techniques, Removable Techniques, and Fixed Techniques.

Riverside Community College District awards an Associate of Science Degree in Dental Technology upon successful completion of the prescribed two year program, plus meeting all other graduation requirements.

Recommended Courses:
Health Science 1
Sociology 1
Art 22, Art 23, Art 24
CIS-1A, CIS-96
English 1A
Math 35
Speech 1 or 9
Business Administration 30
History 7 or Political Science 1
Anatomy and Physiology 10

Requirements for Admission to Dental Technology Program:
Completion of DEH-70.
Expenses of Program:
1. Students are required to purchase a set of hand tools that cost about $350 for both semesters.
2. Textbooks and supplies cost about $200.
3. The student furnishes his or her own laboratory coat that is required for wear in the laboratory.
4. Students are urged to carry some form of health and accident insurance. Policies are available to college students at reasonable rates.

DEN-70 - Introduction to Dental Technology 2 units
Prerequisite: None.
An introductory course to acquaint the student with the field of dental technology, the categories of training and employment, the professional relationship of the technician and the dentist, professional growth and trade associations and the ethics and laws governing laboratory practices. Fundamental, hands-on procedures for model and die work as necessary to five core specialties. Additional emphasis on manual dexterity and spatial relationship skills. Successful completion necessary for program admission. 9 hours lecture and 81 hours laboratory.

DEN-71 - Dental Morphology 3 units
Prerequisite: None.
Tooth anatomy, physiology and terminology will be covered to allow the student a thorough study of the terms unique to the dental profession; additional emphasis on the principles of occlusion. Students are required to carve tooth forms to develop manipulative skill and to learn tooth anatomy. 36 hours lecture and 54 hours laboratory.
DEN-72A - Dental Materials I
Prerequisite: None.
Composition, characteristics, physical properties and use of non-metallic materials used by the dental technician. Emphasis will be on gypsum products, duplicating materials, resins, waxes and polishing agents. Additional emphasis on infection control indications and procedures. 18 hours lecture.

DEN-72B - Dental Materials II
Prerequisite: None.
Composition, characteristics, physical properties and use of metallic materials and dental porcelains used by the dental technician. Emphasis will be on precious, semi-precious and non-precious metals, their respective solders and proper techniques and situations for selection; additional emphasis on preventive maintenance, safety and hazardous communication. 18 hours lecture.

DEN-74 - Dental Anatomy and Physiology
Prerequisite: None.
Designed to teach the student the anatomy of the head, face and the oral cavity. Emphasis on the bony anatomy of the head, muscles of mastication and their attachments, the blood and nerve supply and the movements of the mandible. 18 hours lecture.

DEN-75A - Complete Denture Techniques I
Prerequisite: DEN-70.
Theory and procedural steps involved in the construction of complete dentures, nightguards, relines, repairs and rebases. Involves the concepts behind model development articulation, and dental tooth arrangement. 18 hours lecture and 108 hours laboratory.

DEN-75B - Complete Denture Techniques II
Prerequisite: DEN-75A.
Theory and applied techniques for denture construction: investing, packing, tinting, resin processing, remount, selective grinding and finishing. Included theory and applied techniques in construction of relines, rebases and repairs. 18 hours lecture and 108 hours laboratory.

DEN-77A - Removable Partial Denture Techniques I
Prerequisite: DEN-70.
Theory and fundamental techniques in the construction of chrome-cobalt partial dentures; model preparation, refractory casts, elementary principles of survey and design, blockout, duplication and wax-up of refractory casts. 18 hours lecture and 108 hours laboratory.

DEN-77B - Removable Partial Denture Techniques II
Prerequisite: DEN-77A.
Theory and applied techniques in the construction of chrome-cobalt dentures; spraying, investing, casting and finishing of the metal frameworks; soldering and repair. Set-up, process and finish of dentures bases. 18 hours lecture and 108 hours laboratory.

DEN-79A - Crown and Bridge Techniques I
Prerequisite: DEN-70.
Theory and fundamental techniques in the construction of inlays, onlays and full metal crowns; emphasis on model preparation, waxing, investing, casting and finishing. The student will acquire an understanding of how the anatomical structures will influence the construction of a fixed dental prosthetic restoration. 18 hours lecture and 108 hours laboratory.

DEN-79B - Crown and Bridge Techniques II
Prerequisite: DEN-79A.
Theory and applied techniques for crown and bridge construction; principles of bridge design for aesthetics, function, sanitation and comfort; emphasis on abutments, retainers and pontics, bridge assembly utilizing soldered and cast connectors. 18 hours lecture and 108 hours laboratory.

DEN-82 - Dental Laboratory Management
Prerequisite: None.
Fundamentals of accounting: financial statements, basic record keeping procedures, sales and cash receipts, transactions with individual dentists, end-of-period procedures, financial statement analysis and pricing, as they apply to the dental laboratory industry. 18 hours lecture.

DEN-85 - Orthodontic/Pedodontic Techniques
Prerequisite: DEN-70.
Designed to familiarize the student with the laboratory requirements of orthodontics; wire bending procedures and the fabrication of orthodontic appliances and pedodontic preventive appliances; emphasis on space maintainers, both fixed and removable, habit breaking appliances, appliances for effective tooth movement. 18 hours lecture and 108 hours laboratory.

DEN-89A - Dental Ceramics I
Prerequisite: DEN-79B.
Theory and fundamental techniques for fabricating cast metal substructures; opaquing, porcelain manipulation, color control, blending, firing, shaping and glazing single crowns with emphasis on porcelain fused to metal restorations. 18 hours lecture and 108 hours laboratory.

DEN-89B - Dental Ceramics II
Prerequisite: DEN-89A.
Theory and advanced techniques for constructing porcelain fused to metal multiple crowns and bridgework; framework design, assembly, porcelain buildup, add-ons and staining; pre and post soldering, porcelain jacket crowns and porcelain veneers. 18 hours lecture and 108 hours laboratory.

DEN-90 - Advanced Techniques in Dental Technology
Prerequisite: At least two of the following: DEN-75B, 79B, 85B, 89B.
An exit level skills course in advanced procedures to reinforce techniques and processes that were taught in basic courses. Emphasis on student generated case development in two specialty areas and clinical acceptability of final product. Successful completion necessary for program certificat. 9 hours lecture and 189 hours laboratory.

DEN-200 - Dental Technology Work Experience
Prerequisite: None.
Advisory: Students should have paid or voluntary employment. This course is designed to coordinate the student's occupational on-the-job training with related classroom instruction. Students enrolled in this occupational work experience course must be employed in a field related to the work experience subject area. Students may earn up to four (4) units each semester for a maximum of 16 units of work experience. No more than 20 hours per week may be applied toward the work requirement. 18 hours lecture. Additionally, 60 hours of volunteer work or 75 hours of paid work is required for each unit.
EARLY CHILDHOOD EDUCATION

EAR-19 - Observation and Assessment Methods in Early Childhood Education 3 units

Prerequisite: EAR-20.
An overview of observation and assessment approaches to understand the development of children from infancy to age eight, which involves the recording of observations of physical, emotional, social, language, and cognitive behaviors, and how to interpret and use the information to plan curriculum that is responsive to and supportive of children’s typical and atypical learning and developmental needs. 54 hours lecture.

EAR-20 - Child Development 3 units

UC, CSU

Prerequisite: None.
This course is a comprehensive overview of concepts, issues and theories of human development from conception through adolescence. Emphasis is on typical and atypical development that occurs through the following areas: physical, cognitive, language, social and emotional stages of growth. Students will be introduced to theories, research and applications that constitute the field of child development. Students will examine culturally diverse and innovative methods that support the growth and development of children. Outside observations required. 54 hours lecture.

EAR-22 - Early Childhood Programs and Career Opportunities 3 units

CSU

Prerequisite: None.
The course explores the historical backgrounds and philosophies of early childhood programs. The theories of Dewey, Montessori, Erikson, Piaget and Vygotsky are examined as the foundation for current educational strategies and atypical learning and developmental needs. The characteristics of various program types are introduced along with the requirements of operation: state licensing, laws, permits, and regulations. Career opportunities, particularly those involving the Pre-K and K-12 educational systems, are discussed and explored, as well as other career paths open to educators. Observations of various educational settings are required. 54 hours lecture.

EAR-23 - Family Home Child Care Program 3 units

CSU

Prerequisite: None.
This course is designed to meet the specific needs of the family child care provider. Emphasis will be given to licensing regulations, recordkeeping, developing contracts, child development, and creating partnerships with parents. Topics include creating appropriate environments, using appropriate positive guidance techniques, and planning and implementing developmentally appropriate curricula for mixed-age groups of children. Outside observations required. 54 hours lecture.

EAR-24 - Creative Activities Through Curriculum 3 units

CSU

Prerequisite: None.
Introduction to creativity in education as it relates to both typically developing young students and those with disabilities and other special needs. Integration of creative activity into various aspects of the early childhood and school age curriculum. 54 hours lecture.

EAR-26 - Child Health 3 units

CSU

Prerequisite: EAR-20.
This course introduces basic concepts of health, safety, and nutrition for the developing child (birth—age 8). Topics include identification and prevention of communicable diseases; assessment of general physical and mental health; developmental delays; nutrition; assessment of environmental safety, general first aid procedures; as well as health, safety, and nutrition education for children provided by the school and the local resources. 54 hours lecture.

EAR-28 - Principles and Practices of Early Childhood Education 3 units

CSU

Prerequisite: None.
An overview of the field of early childhood education that includes: the history that has shaped the principles and practices (educational philosophies) used to educate both young and school-age children today; practices that enhance and impede the healthy development of children's cognitive, emotional, social, creative, and physical selves (the five selves); the teaching practices that are used to shape the role of the teacher as a facilitator of learning or transmitter of information; effective practices to be used when working with and communicating with parents; full inclusion practices for working with children with disabilities and special needs; implementing developmentally and culturally appropriate curriculum and displaying culturally diverse materials throughout the classroom; and current influences and trends in educating young children/students including some licensing and child development permit issues. 54 hours lecture.

EAR-30 - Internship in Early Childhood Education 4 units

CSU

Prerequisite: EAR-19 and 28.
Supervised experience and participation in a group program for preschool children at the RCC Early Childhood Studies Center or community child development centers. Emphasis on curriculum planning, implementation and evaluation, discipline and guidance techniques; instructional methods; cooperative relationships with staff, parents, and children; professional ethics and job search skills. Lab hours will be completed under the direction of a Master Teacher (Child Development Permit Matrix, California Commission on Teacher Credentialing) with 3 units of supervised field experience in ECE setting. 36 hours lecture and 108 hours laboratory.

EAR-31 - Home Visiting 3 units

CSU

Prerequisite: EAR-20.
This class will provide an overview of the basics required for an early intervention assistant to effectively provide services to a child with a disability and their family in the home environment. Students will be challenged to develop a personal philosophy regarding early intervention services in the home. Topics will be geared to prepare students to handle the diversity of environments, family systems, and interpersonal communication styles they will encounter. Additional topics will provide support relating to personal organization and preparation for the visits, collaboration with other professionals, infant mental health, and developing appropriate home based interventions for the child and family. 54 hours lecture.
EAR-33 - Caring for Infants and Toddlers in Group Settings

CSU
Prerequisite: None.
Advisory: EAR-20.

This course provides caregivers in family day care homes, infant/toddler centers, or early intervention settings, the components of quality care and education for typically and atypically developing infants and young children ages 0 to 3. The specific development of the child from birth to age three will be studied in relation to the development of appropriate activities and materials to meet the child’s developmental needs. Health, safety, and nutrition; components of physical space and equipment in the natural environment; and play of the young child will be examined. 54 hours lecture.

EAR-34 - Curriculum Activities for Infants and Toddlers

CSU
Prerequisite: None.
Advisory: EAR-33.

An introduction to assessing, planning, and developing individualized activities for infants and toddlers. Practical learning experiences will be developed in various curriculum areas such as science, learning games, creative arts, imaginative play, music and movement, language, self-concept and discipline. 54 hours lecture.

EAR-35 - Internship in Infant and Toddler Care

CSU
Prerequisite: EAR-20.
Advisory: EAR-33 and 34.

This is a supervised teaching experience in the care and education of infants and toddlers. Emphasis is on applying the principles and practices of high quality infant care programs. Students will participate in and ultimately plan and develop a comprehensive infant/toddler program consistent with Title 22 licensing regulations and the physical, emotional, social, cognitive, and creative needs of the infant/toddler. 36 hours lecture and 54 hours laboratory work in an approved infant/toddler program under the direction of a Master Teacher with appropriate Infant-Toddler units required.

EAR-37 - School Age Child Care

CSU
Prerequisite: EAR-20.

This course provides school-age child care givers with methods and activities appropriate for after school care of 5-11 year olds. Emphasis will be placed on differentiating between the needs of the school-aged child after school as opposed to during school. Planning will include methods for integrating the school-aged child’s interests and abilities into a developmentally appropriate curriculum to meet individual needs. 54 hours lecture.

EAR-38 - Adult Supervision in ECE/CD Classrooms

CSU
Prerequisite: EAR-44.

This course is a study of the methods and principles of supervising teachers, assistant teachers, student teachers, parents and volunteers in early childhood/child development classrooms. Emphasis is on the role of administrators and classroom teachers who function as mentors to new personnel while simultaneously addressing the needs of administrative concerns, other staff, children and parents. Practical experience is attained in verbal and written communication. Attention is given to the role of communication as the conduit for establishing good interpersonal relations. Meets the requirements for the Child Development Permit Option 1 for the Master Teacher, Site Supervisor and Program Director level. 54 hours lecture.

EAR-39 - Mentor Seminar

Prerequisite: None.

Limitation on enrollment: Selection as an Early Childhood Mentor Teacher or Director.

Early childhood Mentors attend monthly seminars to explore issues related to their role as supervisors of early childhood student teachers. Seminar content will be individualized to meet the needs of each Mentor. May be taken a total of four times. 9 hours lecture.

EAR-40 - Introduction to Infants and Children with Disabilities and Other Special Needs

CSU
Prerequisite: None.

This course is designed to introduce students to the characteristics of infants and children with disabilities and other types of special needs. Students will also learn about early intervention, special education and civil rights laws and history, the dynamics of the family of an infant or toddler, and their families. 54 hours lecture.

EAR-41 - Internship in Early Intervention/ Special Education

CSU
Prerequisite: EAR-44.

This course provides a supervised practicum as an assistant in an early intervention/special education setting with children from birth through 8 years old. It explores the characteristics and distinctive needs of infants and young children with disabilities and other special needs, and their development. The role of the family, teacher and community agencies will be studied. Natural environments, adaptation of curriculum, and identification and assessment will be discussed. 36 hours lecture and 108 hours laboratory.

EAR-42 - Home, School and Community Relations

CSU
Prerequisite: None.

Focus is placed on the interrelationships of home, school, and community and their impact on the development of young children. Designed for parents, teachers, teacher assistants and others interested in or participating in early childhood education. Broad overview of early development, with emphasis on communication and positive interaction techniques and strategies. 54 hours lecture.
**EAR-43 - Children with Challenging Behaviors** 3 units

**Prerequisite:** EAR-20.

**Corequisite:** EAR-19.

This course provides an overview of the developmental, environmental and cultural factors that impact the behavior of young children, including family stressors, child temperament, violence, attachment disorders, and special needs; and proactive intervention and prevention techniques. Topics include addressing why children misbehave, how to carefully observe a child, how to create a positive environment to encourage appropriate behavior, and how to effectively address many types of behaviors including those that are aggressive and antisocial, disruptive, destructive, emotional and dependent. Outside observations required. 54 hours lecture.

**EAR-44 - Administration of Early Childhood Programs I** 3 units

**Prerequisite:** EAR 20, 24, 28 and 42.

Introduction to management skills and administrative responsibilities pertaining to the successful operation of care and educational environments for early childhood programs. Emphasis is on the administration of programs for infants, toddlers, preschool, and school-age children. Content areas include: child/program development, adult supervision and management, family and community relationships, human resources development, business/fiscal management, and technological skill development. 54 hours lecture.

**EAR-45 - Administration of Early Childhood Programs II** 3 units

**Prerequisite:** EAR-44.

Examines the dynamics of management behavior and responsibilities, and the communication process within the organization. It includes the essentials of curriculum design, and its implementation and maintenance through systems of professional staff accountability. Quality program standards are reviewed and their link to professional growth planning and development are addressed. Presented as the foundation for effective management is skill building in leadership, team work, time management, sensitivity toward diversity, and advocating for the principles of developmentally appropriate practices. 54 hours lecture.

**EAR-47 - Childhood Stress and Trauma** 3 units

**Prerequisite:** None.

This course is an introduction to the common and uncommon stresses of childhood and the short-and long-term effects it has on a child’s development. The many needs and issues of children and families make child development programs challenging as well as rewarding. When exceptional stress and trauma get added into the picture, life can feel overwhelming for everyone involved. This course is designed to develop an understanding of how children react and adapt to stress and trauma as a form of survival. Outside observations required. 54 hours lecture.

**EAR-52 - Parenting: Parents as Teachers** 1 unit

**Prerequisite:** None.

Explores the parents’ role in a child’s process of learning. This course presents a variety of methods and techniques a parent can utilize to facilitate the development of a child’s intellectual, social, emotional and physical skills. 18 hours lecture.

**EAR-53 - Parenting: Guiding Young Children - Approaches to Discipline** 1 unit

**Prerequisite:** None.

An examination of various theoretical approaches to child guidance with an overview of social and emotional development in young children and the need for guidance. Exploration about how values that people hold influence and shape the behavior of young children. Problem-solving techniques that utilize positive behavioral support methods will be examined and discussed. 18 hours lecture.

**EAR-54 - Parenting: Contemporary Parenting Issues and Problems** 1 unit

**Prerequisite:** None.

This course is designed to explore how the concept of childhood in society and children’s position has changed, to examine historical antecedents of change in relation to the new position of women in society and the marriages of today. It will also attempt to relate how changes in society and forces impacting on this change influence child-rearing. Issues addressed will include divorce, the sexual acceleration of childhood, and television. 18 hours lecture.

**EAR-55 - Parenting: Common Problems in Infancy and Childhood** 1 unit

**Prerequisite:** None.

A course designed to study and examine some of the difficult behaviors that even normal and well adjusted children exhibit. It will present common problems like disruptive children, shyness, fearfulness, aggressiveness, thumb sucking and others. 18 hours lecture.

**EAR-200 - Early Childhood Studies Work Experience** 1-2-3-4 units

**Prerequisite:** None.

This course is designed to coordinate the student’s occupational on-the-job training with related classroom instruction. Students enrolled in this occupational work experience course must be employed in a field related to the work experience subject area. Students may earn up to four (4) units each semester for a maximum of 16 units of work experience. No more than 20 hours per week may be applied toward the work requirement. 18 hours lecture. Additionally, 60 hours of volunteer work or 75 hours of paid work is required for each unit.

**ECO-4 - Introduction to Economics** 3 units

**Prerequisite:** None.

An entry-level, general education course which introduces and surveys basic macroeconomic and microeconomic principles. This course emphasizes the causes and consequences of the business cycle on output, employment, and prices as well as, basic supply and demand analysis across different market structures. Analysis further includes the role of the government in the macro-economy and the micro-economy. 54 hours lecture.
Course Descriptions

**ECO-5 - Economics of the Environment** 3 units
UC, CSU
Prerequisite: None.
Advisory: Qualification for ENG-1A.
Economics 5 searches for an economic understanding of contemporary environmental problems. Economic theory is used to explain why there is inefficient resource use and pollution. Public policy to correct environmental problems is examined critically, looking at the costs and benefits of such programs as Superfund cleanup, government regulation, and market incentives. The course also studies the effect of environmental problems and policies on wealth distribution, economic growth and international relations. 54 hours lecture.

**ECO-6 - Introduction to Political Economy** 3 units
(Same as POL-6)
UC, CSU
Prerequisite: None.
Advisory: Qualification for ENG-1A.
This course will examine the historical, structural, and cultural elements in the development of international political economy. Topics covered will include the relation of politics and economics on development, globalization, national institutions, social groups and classes, and democracy. 54 hours lecture.

**ECO-7 - Principles of Macroeconomics** 3 units
UC, CSU
Prerequisite: None.
Advisory: Qualification for ENG-1A and MAT-52.
Economic theory and analysis as applied to the U.S. economy as a whole. Emphasizes aggregative economics dealing with the macroeconomic concepts of national income and expenditure, aggregate supply and demand, fiscal policy, monetary policy, and economic stabilization and growth. 54 hours lecture.

**ECO-7H - Honors Principles of Macroeconomics** 3 units
UC, CSU
Prerequisite: None.
Advisory: Qualification for ENG-1A and MAT-52.
Limitation on enrollment: enrollment in the honors program.
Economic theory and analysis as applied to the U.S. economy as a whole. Emphasizes the enhanced exploration of aggregative economics dealing with the macroeconomic concepts of national income and expenditure, aggregate supply and demand, fiscal policy, monetary policy, and economic stabilization and growth. The honors course offers an enriched experience for accelerated students through limited class size, seminar format, focus on primary texts, and application of higher order critical thinking skills. Students may not receive credit for both ECO-7 and ECO-7H. 54 hours lecture.

**ECO-8 - Principles of Microeconomics** 3 units
UC, CSU
Prerequisite: None.
Advisory: Qualification for ENG-1A and MAT-52.
Economic theory and analysis as applied to consumer and producer behavior in markets. Emphasizes the allocation of resources and the distribution of income through the price mechanism, and deals with the microeconomic concepts of equilibrium in product and factor markets, perfect and imperfect competition, government intervention in the private sector, and international trade and finance. 54 hours lecture.

**EDU-1 - Teaching in the Multicultural Classroom** 3 units
UC, CSU
Prerequisite: None.
This is the first course en route to teaching as a profession. In addition to an introduction to the history of public education, the following topics are covered within the context of a multicultural/multilingual classroom: motivation, lesson design, teaching strategies, discipline and management and professionalism. A required guided observation of class components in the elementary and secondary schools is based on these last five areas. 54 hours lecture.

**EDU-3 - Introduction to Literacy Instruction** 3 units
UC, CSU
Prerequisite: None.
Limitation on enrollment: Able to meet safety and health clearance standards for a public school district.
This course is designed for students participating in the Teacher Education Program, students considering teaching as a profession and for prospective literacy tutors. The basic processes of literacy acquisition are presented. Instructional literacy strategies are introduced and essential competencies for delivering culturally relevant reading instruction to emerging readers are developed. This class is to be taken concurrently with enrollment in EDU-4 the teacher education program where literacy strategies are practiced and applied in an elementary school (K-3) tutorial setting. 54 hours lecture.

**EDU-4 - Introduction to Literacy Instruction/Service Learning** 1 unit
CSU
Prerequisite: None.
This course is designed for students participating in the Liberal Studies Blended Teacher Education Program, students considering teaching as a profession and for prospective literacy tutors. The purpose of this class is to provide early, supervised experience to pre-service teachers in the form of service learning. The lectures provide for orientation, literacy instruction review, reflection, and problem solving. In addition, 40 hours of volunteer service work will be required. Experiential learning activities will include literacy tutoring at various educational levels. Through this service learning class students will begin to develop fluency with the fundamental skills of literacy development and with literacy instruction as applied to an individual, small groups and whole classes. Additionally, they will begin to acquire classroom management techniques and other routine teaching skills required in the public schools. 18 hours lecture.

**EDU-5 - AmeriCorps Community Service-Learning** 3 units
CSU
Prerequisite: None.
This course is designed to provide AmeriCorps members with program training, theory and practices of AmeriCorps community service at local service sites (elementary schools.) Emphasis is placed on AmeriCorps member training, leadership, citizenship and personal development through experience at local service sites. May be taken a total of two times. 54 hours lecture and 360 hours classroom tutoring.
EDU-51 - Leadership Development Studies 3 units
CSU
Prerequisite: None.
Designed to provide emerging and existing leaders the opportunity to explore the concept of leadership and to develop and improve their leadership skills. The course integrates readings from the humanities, experiential exercises, films and contemporary readings on leadership. Course emphasis is placed on assessing leadership skills, evaluating interactions among leaders and followers, situations, communicating within groups, managing conflict, goal setting and delegating tasks. 36 hours lecture and 54 hours laboratory.

EDU-200 - Education Work Experience 1-2-3-4 units
CSU*
Prerequisite: None.
Advisory: Students should have paid or voluntary employment.
This course is designed to coordinate the student's occupational on-the-job training with related classroom instruction. Students enrolled in this occupational work experience course must be employed in a field related to the work experience subject area. Students may earn up to four (4) units each semester for a maximum of 16 units of work experience. No more than 20 hours per week may be applied toward the work requirement. 18 hours lecture. Additionally, 60 hours of volunteer work or 75 hours of paid work is required for each unit.

**EMERGENCY MEDICAL SERVICES**

Prior to acceptance to the Emergency Medical Services Paramedic Program, students must have the following: a valid EMT-1 card and a valid American Heart Association Healthcare Provider level CPR card (both to remain current throughout the program), a high school diploma or GED, verification of at least 18 years of age, documentation of at least 1 year and 2000 hours of paid or volunteer service as an EMT-1 (50% of the experience must be in the prehospital setting,) and successful completion of AMY-10 or equivalent. Attendance at orientation and successful completion of paramedic preparatory class are also required. Students will receive further details upon acceptance into program.

Students must purchase a uniform and complete a background check and healthcare screening prior to the start of the program. **Before taking any of these steps, attendance at orientation and successful completion of paramedic preparatory class are also mandatory.**

It is highly recommended that students take courses in medical terminology, medical math and English composition before the program begins.

EDM-50 - Emergency Medical Services - Basic 6 units
Prerequisite: None.
Corequisite: EMS-51.
Limitation on enrollment: American Heart Association CPR Certification (Healthcare Provider level) current throughout the length of the program. Must be 18 years of age. Attendance is required at the EMS Orientation prior to the start of class. Student must purchase a uniform and complete a background check and healthcare screening prior to the start of the program. Before taking any of these steps, students must attend program orientation.

An entry-level course into the Emergency Medical Services career field that follows the current Department of Transportation (DOT) curriculum. Satisfactory completion of this course (when taken concurrently with EMS-51) prepares this student as an Emergency Medical Technician (EMT) for work in the prehospital emergency medical environment. May be taken a total of two times. 96 hours lecture and 64 hours laboratory.

EMS-51 - Emergency Medical Services-Basic Clinical/Field 1 unit
Prerequisite: None.
Corequisite: EMS-50.
Limitation on enrollment: American Heart Association CPR Certification (Healthcare Provider level) current throughout the length of the program. Must be 18 years of age. Attendance is required at the EMS Orientation prior to the start of class. Student must purchase a uniform and complete a background check and healthcare screening prior to the start of the program. Before taking any of these steps, students must attend program orientation.

Provides supervised clinical practice in a wide variety of patient care activities in the care of the sick and injured. This course is the second part of EMS 50/51 series and meets all state and national guidelines. May be taken a total of two times. 64 hours laboratory.

EMS-60 - Patient Assessment and Airway Management 4 units
Prerequisite: None.
Limitation on enrollment: Acceptance into the Paramedic Program and concurrent enrollment in EMS-61, 62, and 63.
Enables Emergency Medical Technicians (EMTs) to refine their skills and develop to the level of a paramedic; concentrates on patient assessment and airway management techniques needed in dealing with sick and injured patients; integral component of the first semester of the RCC Paramedic Program. 62 hours lecture and 64 hours laboratory.

EMS-61 - Introduction to Medical Pathophysiology 3 units
Prerequisite: None.
Limitation on enrollment: Acceptance into the Paramedic Program and concurrent enrollment in EMS-60, 62, and 63.
Enables Emergency Medical Technicians (EMTs) to expand their understanding of disease and injury processes; integral component of the first semester of the RCC Paramedic Program; reviews anatomy and physiology; introduces pathophysiology to assist the paramedic student in understanding disease and trauma processes. 62 hours lecture.

**ENGLISH**

Most four-year colleges and universities will require transfer students to have eight units (two semesters) of composition. English 1A or 1H and 1B or 1BH at Moreno Valley campus will meet this requirement.

**ENG-1A - English Composition**

Prerequisite: ENG-50 or qualifying preparation score.

Emphasizes and develops skills in critical reading and academic writing. Reading and writing assignments include exposition, argumentation, and academic research. Students will write a minimum of 10,000 words. Classroom instruction integrates Writing and Reading Center activities. Students may not receive credit for both ENG-1A and ENG-1AH. 72 hours lecture and 18 hours laboratory. (Letter Grade only.)
ENG-1AH - Honors English Composition 4 units
UC, CSU
Prerequisite: ENG-50 or qualifying preparation score.
Limitation on enrollment: Enrollment in the honors program.
Emphasizes and develops skills in critical reading and academic writing. Reading and writing assignments include exposition, argumentation, and academic research. Students will write a minimum of 10,000 words. Honors course offers an enriched experience for accelerated students through limited class size; seminar format; focus on primary texts; and application of higher level critical thinking skills. Students may not receive credit for both ENG-1A and ENG-1AH. Classroom instruction integrates Writing and Reading Center activities. 72 hours lecture and 18 hours laboratory. (Letter Grade only.)

ENG-1B - Critical Thinking and Writing 4 units
UC, CSU
Prerequisite: ENG-1A or 1AH.
This course develops critical thinking, reading, and writing skills through the formal study of argument and literature. Composition totaling a minimum of 10,000 words serves to correlate writing with reading. Classroom activities integrate with Writing and Reading Center activities. 72 hours lecture and 18 hours laboratory. (Letter Grade only.)

ENG-1BH - Honors Critical Thinking and Writing 4 units
UC, CSU
Prerequisite: ENG-1A or 1AH.
Limitation on enrollment: Enrollment in the honors program.
This course develops critical thinking, reading, and writing skills through the formal study of argument and literature. Composition totaling a minimum of 10,000 words serves to correlate writing with reading. Honors course offers an enriched experience for accelerated students through limited class size, seminar format, focus on primary texts, and application of higher level critical thinking skills. Students may not receive credit for both Eng 1B and Eng 1BH. Classroom activities integrate with Writing and Reading Center activities. 72 hours lecture and 18 hours laboratory. (Letter Grade only.)

ENG-4 - Writing Tutor Training 2 units
CSU
Prerequisite: ENG-1A or 1AH.
Designed to prepare students to become peer tutors in the Writing Center. Participants learn specific tutoring techniques and discuss problems, questions, and challenges in tutoring writing. Tutors develop student-centered, non-intrusive tutoring skills that avoid “appropriating the text” (i.e., becoming a proofreader, editor, or co-author). Topics include theory and practice of tutoring writing, including writing as a process, interpersonal communication techniques, cross-cultural tutoring, group learning, and computer programs applicable to writing instruction. May be taken a total of two times. 27 hours lecture and 27 hours laboratory.

ENG-6 - British Literature I: Anglo-Saxon through Eighteenth Century 3 units
UC, CSU
Prerequisite: None.
Advisory: ENG-1B or 1BH.
A survey of British literature from the eighth century AD to 1800, including a comprehensive exposure to the poetry, drama, and fiction of this era as well as a basic understanding of the cultural, intellectual, and artistic trends it embodies. 54 hours lecture. (Letter Grade, or Pass/No Pass option.)

ENG-7 - British Literature II: Romanticism through Postmodernism 3 units
UC, CSU
Prerequisite: None.
Advisory: ENG-1B or 1BH.
A survey of British literature from 1800 to the present, including a comprehensive exposure to the poetry, drama, and fiction of this era as well as a basic understanding of the cultural, intellectual, and artistic trends it embodies. 54 hours lecture. (Letter Grade, or Pass/No Pass option.)

ENG-8 - Introduction to Mythology 3 units
(Same as HUM-8)
UC, CSU
Prerequisite: None.
Advisory: ENG-1B or 1BH.
A study of Judeo-Christian, Greco-Roman and other mythological traditions. Emphasizes the historical sources and cultural functions of myths and legends in ancient societies and their continuing relevance to modern thought and culture. 54 hours lecture.

ENG-9 - Introduction to Shakespeare 3 units
UC, CSU
Prerequisite: None.
Advisory: ENG-1B or 1BH.
A survey of Shakespeare’s plays and poetry, with the primary emphasis on exposing students to a representative sampling of his dramatic works and to the cultural, intellectual, and artistic contexts for his work. Both students who have read Shakespeare before and students who have no experience with Shakespeare are encouraged to take this class. 54 hours lecture.

ENG-10 - Special Studies in Literature 3 units
CSU
Prerequisite: None.
Advisory: ENG-1B or 1BH.
Designed to provide students with opportunities to focus on specialized areas of literature and/or specific authors, genres or literary themes. Topics are selected according to student and instructor interest and needs. May be taken a total of three times. 54 hours lecture. (Letter Grade, or Pass/No Pass option.)

ENG-11 - Creative Writing 3 units
UC, CSU
Prerequisite: ENG-1A or 1AH.
Studies in fundamental principles and practice of writing fiction and poetry. Lectures and discussions emphasize analysis of professional examples of creative writing and study of creative writing theory. In-class workshops provide practice in creative writing techniques. In-class and out-of-class class writing assignments provide practice in writing techniques and in peer- and self-analysis. Subsequent enrollment in an additional semester affords students opportunity for further development of fiction and poetry projects, as well as further development of creative writing and analysis skills and techniques. This course may be taken a total of two times. 54 hours lecture. (Letter Grade, or Pass/No Pass option.)
ENG-14 - American Literature I: Pre-Contact 3 units
through Civil War
UC, CSU
Prerequisite: None.
Advisory: ENG-1B or 1BH.
A survey of American literature from the pre-contact period to the Civil War, including a comprehensive exposure to the prose, poetry and fiction of this era was well as a basic understanding of the cultural, intellectual and artistic trends it embodies. 54 hours lecture. (Letter Grade, or Pass/No Pass option.)

ENG-15 - American Literature II: 1860 to the Present 3 units
UC, CSU
Prerequisite: None.
Advisory: ENG-1B or 1BH.
A survey of American literature from 1860 to the present, including a comprehensive exposure to the prose, poetry and fiction of this era as well as a basic understanding of the cultural, intellectual and artistic trends it embodies. 54 hours lecture. (Letter Grade, or Pass/No Pass option.)

ENG-16 - Introduction to Language 3 units
UC, CSU
Prerequisite: None.
Advisory: Qualification for ENG-1A.
A survey of language structure, theory and development, including a study of phonetics, phonology, morphology, semantics and syntax, language variation and change, language acquisition, and the psychological and social issues involved in language learning. 54 hours lecture. (Letter Grade, or Pass/No Pass option.)

ENG-21 - African-American Literature I: Early Oral Traditions through Harlem Renaissance 3 units
UC, CSU
Prerequisite: None.
Advisory: ENG-1B or 1BH.
A survey of African-American literature from the early oral traditions through the Harlem Renaissance, including a comprehensive exposure to the prose, poetry and fiction of this era as well as a basic understanding of the cultural, intellectual and artistic trends it embodies. 54 hours lecture. (Letter Grade, or Pass/No Pass option.)

ENG-22 - African American Literature II: From the Harlem Renaissance to the Present 3 units
UC, CSU
Prerequisite: None.
Advisory: ENG-1B or 1BH.
A survey of African-American literature from the Harlem Renaissance to the present, including a comprehensive exposure to the prose, poetry and fiction of this era as well as a basic understanding of the cultural, intellectual and artistic trends it embodies. 54 hours lecture. (Letter Grade, or Pass/No Pass option.)

ENG-23 - The Bible as Literature 3 units
(Same as HUM-23)
UC, CSU
Prerequisite: None.
Advisory: ENG-1B or 1BH.
A survey of the Hebrew Bible and New Testament with emphasis on literary form, styles, and themes, including the extensive influence of the Bible on Western literature. 54 hours lecture. (Letter Grade, or Pass/No Pass option.)

ENG-25 - Latino Literature of the United States 3 units
UC, CSU
Prerequisite: None.
Advisory: ENG-1B or 1BH.
Latino literature of the regional United States in all genres from the early oral traditions, chronicles and epic poems of the 15th through 19th centuries to the essays, poems, plays and novels of 20th century authors. The course will also explore Latino history, culture and identity as expressed in the writings of American Latino writers. 54 hours lecture.

ENG-30 - Children's Literature 3 units
CSU
Prerequisite: None.
Advisory: Qualification for ENG-1A.
A general survey of children’s literature from early times, with emphasis on contemporary works, including fantasy/science fiction, realistic, multicultural and historical fiction. Both oral and written assignments are required. 54 hours lecture.

ENG-40 - World Literature I: From Ancient Literatures through 1650 C.E. 3 units
UC, CSU
Prerequisite: None.
Advisory: ENG-1B or 1BH.
Significant works of world literature from Ancient literatures through 1650 CE, including a comprehensive exposure to the poetic, dramatic, and prose forms of early cultures as well as a basic understanding of the cultural, intellectual, and artistic trends these works embody. Primary emphasis is on literature in translation. 54 hours lecture. (Letter Grade, or Pass/No Pass option.)

ENG-41 - World Literature II: 1650 C.E. Through the Present 3 units
UC, CSU
Prerequisite: None.
Advisory: ENG-1B or 1BH.
Significant works of world literature from the 1650 through the present, including a comprehensive exposure to the poetry, drama, and fiction of these periods as well as a basic understanding of the cultural, intellectual, and artistic trends these works embody. Emphasis on literature in translation. 54 hours lecture. (Letter Grade, or Pass/No Pass option.)

ENG-47 - Inlandia: Regional Writing about the Inland Empire 3 units
CSU
Prerequisite: None.
Advisory: ENG-1A or 1AH.
Studies in creative writing (fiction, poetry, creative nonfiction, and/or playwriting) focusing on regional writing about the Inland Empire. Includes study in techniques of creative writing as well as discussion and practice of various aspects of writing from, and about, specific locations, cultures, and environments. Lectures and discussions involve analysis of professional examples and techniques of regional writing. In-class workshops along with in-class and out-of-class writing assignments provide writing practice and application of writing techniques through peer-analysis and self-analysis. Subsequent enrollment in an additional semester affords students opportunity for further development in the skill of regional writing. 54 hours lecture. (Letter Grade, or Pass/No Pass option.)
ENG-50 - Basic English Composition 4 units
Prerequisite: ENG-60B, ESL-55 or qualifying preparation score.
Emphasizes and develops skills in critical reading and academic writing as preparation for college-level composition. Students will write a minimum of 5,000 words. Classroom instruction integrates Writing and Reading Center activities. 72 hours lecture and 18 hours laboratory. (Letter Grade only.)

ENG-60A - English Fundamentals: Sentence to Paragraph 4 units
Prerequisite: None.
Develops student's writing, active-reading and grammar skills to basic-level performance. Emphasis is on correcting writing at the sentence and paragraph level. May be taken a total of two times. 72 hours lecture and 18 hours laboratory. (Pass/No Pass only. Non-Degree Credit Course.)

ENG-60A1 - English Fundamentals: Sentence Structure 1 unit
Prerequisite: None.
Develops students' sentence structure skills to basic-level performance. One of a four-part series that equates with English 60A. Courses in this series may be taken in any order. This course may be taken two times for credit. 18 hours lecture and 4.5 hours laboratory. (Non-degree credit course. Pass/No Pass only.)

ENG-60A2 - English Fundamentals: Grammar and Usage 1 unit
Prerequisite: None.
Develops students' grammar and usage skills to basic-level performance. One of a four-part series that equates with English 60A. Courses in this series may be taken in any order. This course may be taken two times for credit. 18 hours lecture and 4.5 hours laboratory. (Non-degree credit course. Pass/No Pass only.)

ENG-60A3 - English Fundamentals: Mechanics and Spelling 1 unit
Prerequisite: None.
Develops students' mechanics and spelling skills to basic-level performance. One of a four-part series that equates with English 60A. Courses in this series may be taken in any order. This course may be taken two times for credit. 18 hours lecture and 4.5 hours laboratory. (Non-degree credit course. Pass/No Pass only.)

ENG-60A4 - English Fundamentals: Paragraph Construction 1 unit
Prerequisite: None.
Develops students' paragraph writing skills to basic-level performance. One of a four-part series that equates with English 60A. Courses in this series may be taken in any order. This course may be taken two times for credit. 18 hours lecture and 4.5 hours laboratory. (Non-degree credit course. Pass/No Pass only.)

ENG-60B - English Fundamentals: Paragraph to Essay 4 units
Prerequisite: ENG-60A or qualifying preparation score.
Develops the student's basic-level writing, active-reading and grammar skills to intermediate-level performance. Emphasis is on correct writing at the paragraph and short-essay level. May be taken a total of two times. 72 hours lecture and 18 hours laboratory. (Non-degree credit course. Pass/No Pass only.)

ENG-85 - Writing Clinic .5 unit
Prerequisite: None.
Intended for students who need concentrated attention in various areas of grammar, punctuation, and composition. Self-paced, open-entry/ open-exit, with no traditional lecture-based component. Instead, it requires students to do the majority of their coursework independently. Each student follows a sequential series of modules based on his or her diagnosis. Students meet with their instructor in the Writing and Reading Center for the pre-and post-test and as needed for one-on-one instruction or small group study for the duration of the students' enrollment in the course. 27 hours laboratory.

ENG-90B - Special Topics in English: The Research Paper Process 1 unit
Prerequisite: None.
Advisory: Qualification for ENG-1A.
Guides students through the entire research process, which includes choosing the topic; conducting and evaluating research; organizing the research material; pre-writing and multiple drafts; academic formats; and preparation of the final product. May be taken a total of three times. 18 hours lecture. (Pass/No Pass only.)

ENG-96 - Writing and Reading Center Practicum .5 unit
Prerequisite: None.
Limitation on enrollment: Must be enrolled in another non-practicum English, speech communication, or journalism course.
Writing and Reading Center support for any student enrolled in an English, speech communication, or journalism course. Self-paced development in writing. Instruction is available on an individualized basis using personal consultation with the student. 27 hours laboratory required for credit. (Non-degree credit course. Pass/No Pass only.)

ENG-97 - Writing and Reading Center Practicum 1 unit
Prerequisite: None.
Limitation on enrollment: Must be enrolled in another non-practicum English, speech communication, or journalism course.
Writing and Reading Center support for any student enrolled in an English, speech communication, or journalism course. Self-paced development in writing. Instruction is available on an individualized basis using personal consultation with the student. 54 hours laboratory required for credit. (Non-degree credit course. Pass/No Pass only.)

ENGLISH AS A SECOND LANGUAGE

ESL-51 - Basic Writing and Grammar 4 units
Prerequisite: None.
Emphasizes elementary competency in standard written English with a focus on basic writing and grammar skills. Instruction will also include vocabulary and reading skills necessary for success in basic English as a Second Language courses. Subsequent enrollment in an additional semester will provide the student with an opportunity for continued skills and competency development within the level and subject matter. May be taken two times. 72 hours lecture and 18 hours laboratory. (Non-degree credit course. Pass/No Pass only.)
ESL-52 - Low-intermediate Writing and Grammar 4 units
Prerequisite: Qualifying score on a state-approved placement instrument, or successful completion of ESL-51.
Develops competency in standard written English with a continued focus on basic writing and grammar skills. Instruction includes vocabulary and reading skills necessary for success in low-intermediate English as a Second Language courses. Subsequent enrollment in an additional semester will provide the student with an opportunity for continued skills and competency development within the level and subject matter. May be taken two times. 72 hours lecture and 18 hours laboratory. (Non-degree credit course. Pass/No Pass only.)

ESL-53 - Intermediate Writing and Grammar 4 units
Prerequisite: Qualifying score on a state-approved placement instrument, or successful completion of ESL-52.
Increases competency in standard written English with a focus on intermediate and writing grammar skills. Instruction includes vocabulary and reading skills necessary for success in intermediate English as a Second Language courses. Subsequent enrollment in an additional semester will provide the student with an opportunity for continued skills and competency development within the level and subject matter. May be taken two times. 72 hours lecture and 18 hours laboratory. (Non-degree credit course. Pass/No Pass only.)

ESL-54 - High-intermediate Writing and Grammar 5 units
UC, CSU
Prerequisite: Qualifying score on a state-approved placement instrument, or successful completion of ESL-53.
Emphasizes competency in standard written English with a focus on high-intermediate grammar and writing skills. Instruction includes an intensive review of vocabulary and reading skills necessary for success in high-intermediate English as a Second Language courses. Subsequent enrollment in an additional semester will provide the student with an opportunity for continued skills and competency development within the level and subject matter. May be taken two times. 90 hours lecture and 18 hours laboratory. (Degree credit course. Letter grade, or Pass/No Pass option.)

ESL-55 - Advanced Writing and Grammar 5 units
UC, CSU
Prerequisite: Qualifying score on a state-approved placement instrument, or successful completion of ESL-54.
Emphasizes competency in standard written English with a focus on developing paragraphs and essays in preparation for English composition classes. Instruction includes continued development of vocabulary, reading and academic skills necessary for success in college classes. Subsequent enrollment in an additional semester will provide the student with an opportunity for continued skills and competency development within the level and subject matter. May be taken two times. 90 hours lecture and 18 hours laboratory. (Degree credit course. Letter grade, or Pass/No Pass option.)

ESL-71 - Basic Reading and Vocabulary 4 units
Prerequisite: None.
Advisory: Enrollment in ESL-51 or 52 or qualifying score on a state-approved placement instrument.
Emphasizes the acquisition of simple reading skills, expansion of receptive and productive vocabulary, developing dictionary skills, and comprehension of short, adapted reading selections. Subsequent enrollment in an additional semester will provide the student with an opportunity for further skills and competency development at the basic level. May be taken two times. 72 hours lecture and 18 hours laboratory. (Non-degree credit course. Pass/No Pass only.)

ESL-72 - Intermediate Reading and Vocabulary 4 units
Prerequisite: None.
Advisory: Enrollment in ESL-53 or 54.
Emphasizes the continued acquisition of reading skills needed for college level courses, expansion of receptive and productive vocabulary, and comprehension of medium-length adapted reading selections. Subsequent enrollment in an additional semester will provide the student with an opportunity for further skills and competency development at the intermediate level. May be taken two times. 72 hours lecture and 18 hours laboratory. (Non-degree credit course. Pass/No Pass only.)

ESL-73 - High-intermediate Reading and Vocabulary 4 units
Prerequisite: None.
Advisory: Enrollment in ESL-53, 54, 55 or qualifying score on a state-approved placement instrument.
Emphasizes the acquisition of higher level reading skills needed for college level courses, expansion of receptive and productive vocabulary, further development of library skills, and comprehension of both adapted and authentic reading selections of varying lengths. Subsequent enrollment in an additional semester will provide the student with an opportunity for further skills and competency development at the high intermediate level. May be taken a total of two times. 72 hours lecture and 18 hours laboratory. (Degree credit course. Letter grade, or Pass/No Pass option.)

ESL-90C - Special Topics in ESL: Preposition Review 1 unit
Prerequisite: None.
Advisory: Qualification for ESL-53 or higher.
Provides students with basic instruction and practice in the use of prepositions and phrasal verbs. Attention will focus on specialized usage and problem areas. Topics include two- and three-part verbal idioms, two-part adjectives, adjectival and adverbial idioms, and prepositions used in normal discourse. May be taken a total of four times. 18 hours lecture. (Non-degree credit course. Pass/No Pass only.)

ESL-90D - Special Topics in ESL: Verb Tense Review 2 units
Prerequisite: None.
Advisory: Qualification for or enrollment in ESL-54 or higher.
Provides students with intensive review, practice, and use of all the basic English verb tenses. May be taken a total of four times. 36 hours lecture. (Non-degree credit course. Pass/No Pass only.)

ESL-90G - Special Topics in ESL: Mastering Articles: A, An, and The 1 unit
Prerequisite: None.
Advisory: Qualification for or enrollment in ESL-53 or higher.
Provides students with extensive review of and practice using definite and indefinite articles in English. May be taken a total of four times. 18 hours lecture. (Non-degree credit course. Pass/No Pass only.)
ESL-90H - Special Topics in ESL: Phrases and Clauses  1 unit
Prerequisite: None.
Advisory: Qualification for or enrollment in ESL-53 or higher.
Provides students with basic instruction and practice in using phrases and clauses to write well-structured sentences. Enhances the students’ competence in identifying types of phrases and clauses in English and in using proper punctuation with compound and complex sentence structures. May be taken a total of four times. 18 hours lecture. (Non-degree credit course. Pass/No Pass only.)

ESL-90I - Special Topics in ESL: Punctuation Review  1 unit
Prerequisite: None.
Advisory: Qualification for ESL-53 or higher.
Provides students with the conventions of punctuation use in American English. Students will analyze and apply the rules of punctuation. May be taken a total of three times. 18 hours lecture. (Non-degree credit course. Pass/No Pass only.)

ESL-90J - Special Topics in ESL: Spelling Review  1 unit
Prerequisite: None.
Advisory: Qualification for ESL-53 or higher.
Improves students’ spelling skills. Students will analyze and apply the rules and principles of spelling in American English. May be taken a total of four times. 18 hours lecture. (Non-degree credit course. Pass/No Pass only.)

ESL-91 - Oral Skills I: Beginning Oral Communication  3 units
Prerequisite: None.
Advisory: Concurrent enrollment in ESL-51 or 52.
This course emphasizes beginning conversation, pronunciation and idiomatic skills along with basic listening comprehension. Conversational and idiomatic skills focus on fluent and appropriate use of common words and functional expressions in life skills areas — shopping, food, clothing, money/banking, car/license, travel, medicine. Pronunciation focuses on the articulation of English vowels and consonants and on the development of basic English patterns of stress and intonation. Listening stresses understanding verbal instructions and questions, common vocabulary and daily functions in an aural context, main ideas and details in monologues and dialogues. Subsequent enrollment in an additional semester will provide the student with an opportunity for further skills and competency development at the beginning level. May be taken a total of two times, 54 hours lecture and 18 hours laboratory. (Degree credit course. Letter grade, or Pass/No Pass option.)

ESL-92 - Oral Skills II: Intermediate Oral Communication  3 units
Prerequisite: None.
Advisory: Concurrent enrollment in ESL-53 or 54.
This course develops intermediate conversation, pronunciation, idiomatic and aural comprehension skills. It is intended for non-native speakers of English who can make themselves understood but are not yet proficient in self-expression. Conversational and idiomatic skills focus on fluent and appropriate use of oral communication skills in a variety of social, business and/or academic situations. Pronunciation focuses on clearer articulation of English vowels and consonants and on increased control of the stress, intonation and rhythm of English. Listening comprehension stresses understanding, verbal instructions and questions on campus and in the workplace. Students continue to learn appropriate verbal and non-verbal behavior as well as conversation management techniques to exchange ideas in small and large group communication. Subsequent enrollment in a second additional semester will provide the student with an opportunity for further skills and competency development at the intermediate level. May be taken a total of two times. 54 hours lecture and 18 hours laboratory. (Non-degree credit course. Pass/No Pass only.)

ESL-93 - Oral Skills III: Advanced Oral Communication  3 units
Prerequisite: None.
Advisory: Concurrent enrollment in ESL-54, 55 or ENG-50.
This course develops advanced conversation, pronunciation, idiomatic and aural comprehension skills. Conversational and idiomatic skills focus on increasingly fluent communication and interaction skills in complex speaking situations and comfortable use of English in a variety of situations, both academic and professional. Pronunciation focuses on improved clarity of speech and on increased control of the stress, intonation and rhythm of English. Listening comprehension stresses understanding complex syntax, register, nuance and tone in conversations on campus and in the workplace. Students will learn how to speak at length on a given topic, both prepared and extemporaneous, and to understand the subtleties of conversational English. Subsequent enrollment in an additional semester will provide the student with an opportunity for further skills and competency development at the advanced level. May be taken a total of two times. 54 hours lecture and 18 hours laboratory. (Degree credit course. Letter grade, or Pass/No Pass option.)

ESL-95 - Pronunciation and Accent Reduction  3 units
Prerequisite: None.
Advisory: Qualification for ESL-52 or higher.
Provides students with basic instruction and practice in the oral production of English. Listening activities focus on comprehension of sentences, dialogs and paragraphs at normal speed and on discrimination of sound patterns in American English. Pronunciation focuses on stress, intonation, rhythm, phrasing, reduction, and linking as well as consonants, vowels and digraphs. The course emphasizes overall pronunciation improvement to make spoken communication more intelligible and to approximate more closely native rhythms and intonation. May be taken a total of three times. 54 hours lecture and 18 hours laboratory. (Non-degree credit course. Pass/No Pass only.)
ESL-96 - ESL Writing and Reading Center Practicum  .5 unit
Prerequisite: None.
Limitation on enrollment: Must be concurrently enrolled in another non-practicum ESL course.
Self-paced development in writing and grammar through the Writing and Reading Center for students concurrently enrolled in ESL courses. Instruction is given on an individualized basis using personal consultation with the student and Writing and Reading Center resources. May be taken a total of four times. 27 hours laboratory required for credit. (Non-degree credit course. Pass/No Pass only.)

ESL-97 - ESL Writing and Reading Center Practicum  1 unit
Prerequisite: None.
Limitation on enrollment: Must be concurrently enrolled in another non-practicum ESL course.
Self-paced development in writing and grammar through the Writing and Reading Center for students concurrently enrolled in ESL courses. Instruction is given on an individualized basis using personal consultation with the student and Writing and Reading Center resources. May be taken a total of four times. 54 hours laboratory required for credit. (Non-degree credit course. Pass/No Pass only.)

FIRE TECHNOLOGY
FIT-1 - Fire Protection Organization  3 units
Prerequisite: None.
Provides an introduction to fire protection; career opportunities in fire protection and related fields; philosophy and history of fire protection; fire loss analysis; organization and function of public and private fire protection services; fire departments as part of local government; laws and regulations affecting the fire service, fire service nomenclature; specific fire protection functions; basic fire chemistry and physics; introduction to fire protection systems; introduction to fire strategy and tactics. 54 hours lecture.

FIT-2 - Fire Behavior and Combustion  3 units
Prerequisite: None.
Theory and fundamentals of how and why fires start, spread and are controlled; an in-depth study of fire chemistry and physics, fire characteristics of materials, extinguishing agents and fire control techniques. Adopted from the National Fire Academy Model Fire Science Associate Degree Curriculum. 54 hours lecture.

FIT-3 - Fire Protection Equipment and Systems  3 units
Prerequisite: None.
Provides information relating to the features of design and operation of fire detection and alarm systems, heat and smoke control systems, special protection and sprinkler systems, water supply for fire protection and portable fire extinguishers. 54 hours lecture.

FIT-4 - Building Construction for Fire Protection  3 units
Prerequisite: None.
This course is the study of the components of building construction that relates to fire safety. The elects of construction and design of structures are shown to be key factors when inspecting buildings, preplanning fire operations and operating at fires. The development and evolution of building and fire codes will be studied in relationship to past fires in residential, commercial and industrial occupancies. 54 hours lecture.

FIT-5 - Fire Prevention  3 units
Prerequisite: None.
Provides fundamental information regarding the history and philosophy of fire prevention, organization and operation of a fire prevention bureau, use of fire codes, identification and correction of fire hazards and the relationship of fire prevention with fire safety education and detection and suppression. 54 hours lecture.

FIT-6 - Fire Apparatus and Equipment  3 units
Prerequisite: None.
Exposes the student to mechanized equipment operated by the fire service personnel and regulations pertaining to their use. Subject matter includes: driving laws, driving techniques, construction and operation of pumping engines, ladder trucks, aerial platforms, specialized equipment and apparatus maintenance. 54 hours lecture.

FIT-8 - Strategies and Tactics  3 units
Prerequisite: None.
Principles of fire control through utilization of manpower, equipment and extinguishing agents, fire command and control procedures; utilization of information on types of building construction in fire control; pre-fire planning; an organized approach to decision making on the fire ground. 54 hours lecture.

FIT-9 - Fire Ground Hydraulics  3 units
Prerequisite: None.
Provides a review of applied mathematics and hydraulic principles as they relate to fire service applications. Hydraulic formulas will be utilized and mental calculations required. Engine pressure, hose appliances, friction loss and nozzle pressure will be discussed. Adopted from the National Fire Academy Model Fire Science Associate Degree Curriculum. 54 hours lecture.

FIT-14 - Wildland Fire Control  3 units
Prerequisite: None.
This course provides students with a fundamental knowledge of factors affecting Wildland fires including fuel, weather, topography, prevention, fire behavior, public education, and control techniques common to all agencies involved in Wildland fire control. 54 hours lecture.

FIT-200 - Fire Technology Work Experience  1-2-3-4 units
Prerequisite: None.
Advisory: Students should have paid or voluntary employment.
This course is designed to coordinate the student’s occupational on-the-job training with related classroom instruction. Students enrolled in this occupational work experience course must be employed in a field related to the work experience subject area. Students may earn up to four (4) units each semester for a maximum of 16 units of work experience. No more than 20 hours per week may be applied toward the work requirement. 18 hours lecture. Additionally, 60 hours of volunteer work or 75 hours of paid work is required for each unit.
FIT-A1A - Fire Investigation 1A  
Prerequisite: None.
Fundamentals of investigation; causes, chemistry, and physics of fires; collection and preservation of physical evidence; scientific aids; laws relating to arson; case preparation and report writing. This course meets the requirements of the California Fire Academy System. 40 hours lecture.

FIT-A1B - Fire Investigation 1B  
Prerequisite: FIT-A1A.
This course provides the participants with information to achieve a deeper understanding of fire investigation. This course builds on FIT-A1A and adds topics of discussion to include the juvenile fire setter, report writing, evidence collection and preservation procedures. 40 hours lecture.

FIT-A2A - Fire Investigation 2A  
Prerequisite: FIT-A2B.
This course provides the information to successfully investigate, apprehend, and convict arsonists and focuses heavily on the legal case preparation. May be taken a total of two times. 40 hours lecture.

FIT-A2B - Fire Investigation 2B  
Prerequisite: FIT-A2A.
This course provides advanced instruction in fire scene investigation, case preparation and courtroom presentation. May be taken a total of two times. 40 hours lecture.

FIT-C1A - Command 1A, Command Principles for Command Officers  
Prerequisite: None.
Designed to provide fire company officers with information and experience in command and control techniques used at the scene of an emergency. Emphasizes decision making, the act of commanding, the authority, the personnel, organization structure and preplanning and training techniques. 40 hours lecture.

FIT-C1B - Command 1B, Hazardous Materials  
Prerequisite: FIT-C1A.
Designed to provide fire company officers with information and experience in hazardous materials and incident management skills. Emphasizes utilization of command principles, special techniques and emergency planning. 40 hours lecture.

FIT-C1C - Fire Command 1C, I-Zone Firefighting for Company Officers  
Prerequisite: FIT-C1A.
This course is designed around the responsibilities of the company officer at a wildland/urban interface incident. It will bring the structural company officer out of the city and into the urban interface. 40 hours lecture.

FIT-C2A - Command 2A, Command Tactics at Major Fires  
Prerequisite: FIT-C1A.
This course prepares the officer to use management techniques and the Incident Command System (ICS) when commanding multiple alarms or large suppression fires. Topics include advanced ICS, tactics and strategies for large suppression operations and communication/management techniques for use in unified command structures and areas of geographical division separation. 40 hours lecture.

FIT-C2B - Command 2B, Management of Major Fires  
Prerequisite: FIT-C1B and C2A.
This course includes areas of discussion on information and databases, organizations, agencies and institutions involved in hazardous materials response and research, planning for your community’s hazardous materials problems, legislation, litigation and liabilities of hazardous materials response. 40 hours lecture.

FIT-C2C - Command 2C, High Rise Fire Tactics  
Prerequisite: FIT-C2A.
This course is a skill course that is designed to instruct prospective fireline supervisors in high rise building behavior for effective and safe fire protection employees. 40 hours lecture.

FIT-C2D - Command 2D, Planning for Large Scale Disasters  
Prerequisite: FIT-C1A and C1B.
This course is designed for supervisory and managerial fire service personnel. The course critically examines the need for emergency disaster/multi-hazard management systems, preplanning, multi-disciplinary work groups while stressing the importance of the integrated team approach to managing emergencies. This course also reviews the Standard Emergency Management System. 40 hours lecture.

FIT-C2E - Fire Command 2E, Wildland Firefighting Tactics  
Prerequisite: FIT-C1A and C1B.
Provides line and staff officers and potential line and staff officers with the knowledge necessary to perform and coordinate in a management/supervisory capacity during an extended wildland fire attack related incident. 24 hours lecture and 16 hours laboratory.

FIT-C2M - Incident Management 2  
Prerequisite: None.
Provides line and staff officers and potential line and staff officers with the basic management knowledge necessary to perform and coordinate in a management/supervisory capacity during a fire incident. Specifically designed for California Department of Forestry and Fire Protection employees. 18 hours lecture and 18 hours laboratory.

FIT-C19A - Introduction to Wildland Fire Behavior (S-190)  
Prerequisite: None.
This introductory course provides instruction in basic wildland fire behavior factors that will aid students in the safe and effective control of wildland fires. 8 hours lecture.

FIT-C19B - Intermediate Wildland Fire Behavior (S-290)  
Prerequisite: FIT-C19A.
This intermediate course is designed to meet the training requirements to work in the operations section of the Incident Command System. This course is a skill course that is designed to instruct prospective fireline supervisors in wildland behavior for effective and safe fire management operations. 16 hours lecture and 16 hours laboratory.

<th>Prerequisites</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>FIT-C19C</td>
<td>Wildland Fire Behavior Calculations (S-390)</td>
<td>1</td>
<td>FIT-C19A and C19B</td>
<td>This course will provide the student with wildland fire behavior knowledge for safe and effective wildland fire management activities. The course is designed to meet the training requirements to work in the operations section of the Incident Command System. Topics include fire behavior calculations using the BEHAVE Plus processor, methods and applications. 24 hours lecture and 16 hours laboratory.</td>
</tr>
<tr>
<td>FIT-C20</td>
<td>Basic Incident Command System (I-200)</td>
<td>.5</td>
<td>None</td>
<td>Provides public safety workers and potential public safety workers with the knowledge necessary to perform in a support capacity at an incident or event being managed within the organizational guidelines, defined terminology, and common responsibilities and roles of the Incident Command System. 12 hours lecture and 4 hours laboratory.</td>
</tr>
<tr>
<td>FIT-C30</td>
<td>Intermediate Incident Command System (I-300)</td>
<td>.5</td>
<td>FIT-C20</td>
<td>This course provides public safety managers and supervisors with the terminology, duties and responsibilities of positions within the Incident Command System. Organizational relationships, flow of information, and emergency incident action planning are topics of discussion. The course provides guidelines for organizational growth during an emergency incident, and demobilization procedures for an emergency incident that is ending. 12 hours lecture and 12 hours laboratory.</td>
</tr>
<tr>
<td>FIT-C33A</td>
<td>Strike Team Leader All Risk (S-330)</td>
<td>1.5</td>
<td>FIT-C30</td>
<td>This course provides students with the necessary information to become a State certified Strike Team Leader – All Risk. May be taken a total of two times. 28 hours lecture and 4 hours laboratory.</td>
</tr>
<tr>
<td>FIT-C39</td>
<td>Division/Group Supervisor (S-339)</td>
<td>.25</td>
<td>FIT-C30 and C33A</td>
<td>Advisory: Prior to attending the course, students should review ICS Field Operations Guide, ICS-420-1. This course provides potential Division/Group supervisors with the management skills necessary to perform specific functions within the Incident Command System (ICS). 8 hours lecture and 16 hours laboratory.</td>
</tr>
<tr>
<td>FIT-C40</td>
<td>Advanced Incident Command System (I-400)</td>
<td>.5</td>
<td>FIT-C20 and C30</td>
<td>This course provides public safety managers with the knowledge and skills associated with executive-level authority and decision making within the Incident Command System. Managerial theories, progressive discipline, conflict resolution, and emergency incident action planning will be discussed. This course emphasizes fiscal accountability and responsibility, and allocation of emergency resources. 12 hours lecture and 12 hours laboratory.</td>
</tr>
<tr>
<td>FIT-C41</td>
<td>Safety Officer (I-404)</td>
<td>1</td>
<td>FIT-C33A, C34A or C34C; and C39 and C40</td>
<td>This course introduces new safety officers to the tasks and responsibilities associated with being an emergency incident Safety Officer within the framework of the Incident Command System. Students will analyze safety hazards, draft safety messages and memos, brief other students on safety topics, and prepare documents and forms associated with on-the-job injuries or deaths. 24 hours lecture 8 hours laboratory.</td>
</tr>
<tr>
<td>FIT-C42</td>
<td>Information Officer (I-403)</td>
<td>1</td>
<td>None</td>
<td>This course delivers the information needed for functioning as a Public Information Officer in an emergency incident. After completing this course the student will be able to represent an emergency response agency to the media and the public. The course will cover public relations, dealing with the media and the issuing of press releases. 24 hours lecture and 8 hours laboratory.</td>
</tr>
<tr>
<td>FIT-C43</td>
<td>Operations Section Chief All Risk (S-430)</td>
<td>1</td>
<td>FIT-C39, C40</td>
<td>Limitation on enrollment: Must be associated with a fire department at the Company Officer level. This course meets all requirements of the Firescope All Risk qualification system for the position of Operations Section Chief. Additionally, this course complies with the Wildland Fire Qualifications System set forth in 310-1 and the National Wildfire Coordinating Group. 24 hours lecture and 8 hours laboratory.</td>
</tr>
<tr>
<td>FIT-E2A</td>
<td>First Responder Medical</td>
<td>2</td>
<td>None</td>
<td>This course is specifically designed for pre-hospital emergency medical personnel, with special emphasis on field application practices and techniques vital to the interaction with EMS personnel. 38 hours lecture and 18 hours laboratory.</td>
</tr>
<tr>
<td>FIT-E3D</td>
<td>Emergency Medical Technician Continuing Education</td>
<td>1</td>
<td>None</td>
<td>Limitation on enrollment: Must have current EMT certification This course is designed to provide fire service personnel with annually required continuing education in pre-hospital emergency medical care at the EMT-I level. May be taken a total of four times. 20 hours lecture and 12 hours laboratory.</td>
</tr>
<tr>
<td>FIT-E7A</td>
<td>Public Safety First Aid and Cardiopulmonary Resuscitation</td>
<td>.5</td>
<td>None</td>
<td>This course is designed specifically for non-first responder personnel, with special emphasis on field application practices and techniques vital to the interaction with EMS personnel. 16 hours lecture and 16 hours laboratory.</td>
</tr>
<tr>
<td>FIT-H2</td>
<td>Hazardous Materials First Responder Operational</td>
<td>.5</td>
<td>None</td>
<td>Provides public safety workers and potential public safety workers who are likely first responders with an improved capability to respond to Hazardous Materials events in a safe and competent manner, within typical resource and capability limitations at the operational level. 14 hours lecture and 2 hours laboratory.</td>
</tr>
</tbody>
</table>
FIT-H3 - Hazardous Materials First Responder  .25 unit  
Operational-Decontamination  
Prerequisite: FIT-H2. 
Provides Hazardous Materials First Responder Operational certified individuals with an improved capability to respond to hazardous materials incidents and mitigate HazMat team members and victims possible or probable contamination. 4 hours lecture and 4 hours laboratory.

FIT-H7 - Hazardous Materials Incident Commander  2 units  
Prerequisite: FIT-H2. 
This course provides the HAZ MAT technician with an increased capability to assume the role of an Incident Commander, and other Command and General Staff ICS positions during HAZ MAT events. Emphasis is placed on personal safety and management. 36 hours lecture.

FIT-I1A - Instructor 1A, Instructional Techniques  2 units  
Prerequisite: None.  
This is the first of a two course series and is the standard State Board of Fire Services accredited course for trainers. Topics include: occupational analysis, course outlines, concepts of learning, levels of instruction, behavioral objectives, using lesson plans, the psychology of learning and evaluation and effectiveness. Activities include student teaching demonstrations. 40 hours lecture.

FIT-I1B - Instructor 1B, Instructional Techniques  2 units  
Prerequisite: FIT-I1A. 
This is the second of a two course series and is the standard State Board of Fire Services accredited course for trainers. Topics include: preparing course outlines, establishing levels of instruction, constructing behavioral objectives, using lesson plans, instructional aid development, fundamentals of testing and measurements, test planning, evaluation techniques and tools. Activities include student teaching demonstrations. 40 hours lecture.

FIT-I2A - Instructor 2A, Techniques of Evaluation  2 units  
Prerequisite: FIT-I1A and I1B. 
This is the first of a three course series which provides the instructor and/or supervisor with the techniques of evaluation. It includes construction of written (technical knowledge) and performance (manipulative skills) tests, as well as test planning, test analysis, test security and evaluation of test results to determine instructor and student effectiveness. This is an essential course for writing valid, objective tests. 40 hours lecture.

FIT-I2B - Instructor 2B, Group Discussion Techniques  2 units  
Prerequisite: FIT-I1A and I1B. 
This course is designed to provide the instructor and/or supervisor with leadership skills. Group dynamics, problem solving techniques and interpersonal relations are developed and utilized in conducting actual staff meetings, brainstorming sessions and organized, effective conference meetings. Skills are also developed in conducting formal public meetings such as panel discussions and forums. 40 hours lecture.

FIT-I2C - Instructor 2C, Employing Audio Visual Aids  2 units  
Prerequisite: FIT-I1A and I1B. 
This course covers the principles of media in the instructional process; selection of A/V and instructional media; employment of basic and advanced forms of instructional media; use of computers in the instructional process; and individualized instruction program. 40 hours lecture.

FIT-I3 - Fire Instructor 3, Master Instructor  .5 unit  
Prerequisite: FIT-I1A, I1B, I2A, I2B and I2C. 
This is the final course in a series of courses designed to educate and train professional instructors for the fire service. This course is accredited by the California State Board of Fire Services and is one of the prerequisites for teaching any of the Instructor series courses through the Office of the California State Fire Marshal. 16 hours lecture and 24 hours laboratory.

FIT-M1 - Fire Management 1,  2 units  
Management/Supervision for Company Officers  
Prerequisite: None.  
This course is designed to prepare or enhance the first line supervisor’s ability to supervise subordinates. The course introduces key management concepts and practices utilized in the California Fire Service. The course includes discussions about decision making, time management, leadership styles, personal evaluations and counseling guidelines. 40 hours lecture.

FIT-M2A - Organizational Development and Human Relations  2 units  
Prerequisite: FIT-M1.  
This course provides the student with the basic grounding in some of the principles of managing in organizations. Students will work together to develop some job-related skills such as general skills of managers, diversity, self-knowledge, problem solving values, motivation, performance management and organizational politics. 40 hours lecture.

FIT-M2B - Fire Management 2B, Fire Service  2 units  
Financial Management  
Prerequisite: FIT-M1.  
This course is designed to provide insight into the cyclical nature of budgeting financial management. As a management course, the student will become familiar with the essential elements of the financial planning, budget justification and budget controls. 40 hours lecture.

FIT-M2C - Management 2C, Personnel and Labor Relations  2 units  
Prerequisite: FIT-M1 and M2A.  
This course is designed to provide the fire manager with advanced knowledge and insight into fire personnel, human resource, diversity management, legal mandates, labor relations and related areas. Methodology will include presentations, case study, exercises and focused discussions. This course is approved by the California State Fire Marshal. 40 hours lecture.
FIT-M2D - Fire Management 2D, Master Planning 2 units in the Fire Science
Prerequisite: FIT-M1.
This course is intended to provide fire department officers with the capability to plan and manage the local fire protection system. Completion of this course will provide the participants with information and discussion centering around program planning, master planning, forecasting, system analysis, system design, policy analysis and others. 40 hours lecture.

FIT-M2E - Contemporary Issues and Concepts 2 units
Prerequisite: FIT-M2A and M2B.
This course provides an overview of contemporary management issues and concepts. Key topics include governmental relations, changing/setting policy formation, program management, personnel, labor relations, and legal environment. 40 hours lecture.

FIT-M20 - Developing a Personal Philosophy of Leadership 1 unit
Prerequisite: None.
This course will introduce the California Public Safety Leadership Certificate Program, providing the participant with a deepened understanding of self as it relates to leadership philosophies, knowledge, skills, and abilities. Each participant will explore his or her own core values and begin to develop a personal philosophy of leadership. Through course presentations, dialogue and learning activities the participant will identify his or her leadership roles in the community to include self, family, professional, and social, as well as define the difference between leaders and managers. The participant will complete self-assessments to gain insights into his or her personal leadership style and characteristics and participate in video and written case studies to further explore his or her understanding of leadership. 24 hours lecture and 16 hours laboratory.

FIT-M21 - Leading Others 1.5 units
Prerequisite: None.
This course provides students with the knowledge, skills, and abilities to effectively lead others. The participant will explore various roles of leadership as they relate to being a team builder, delegator, conflict manager, coach, or mentor, as well as interpersonal leader-follower relationships. Students will gain an understanding of the communication process, empowering others, conflict resolution methods, leading in a diverse environment and facilitating change. Case studies, video analysis, and other interactive learning processes will be used to explore the dynamic relationship of leaders and followers. 32 hours lecture and 8 hours laboratory.

FIT-M22 - Organizational Leadership 1 unit
Prerequisite: None.
This course provides students with an opportunity to explore the leadership process within organizational settings. The leader-follower relationship is discussed, as well as the influence of organizational culture on leadership effectiveness. Students will gain an understanding of the components and processes of a learning organization and gain insights into the concept of defensive reasoning within organizations. Case studies, video analysis, selected readings, and group activities will be used to help students further understand theories and principles of organizational leadership. 20 hours lecture and 20 hours laboratory.

FIT-M23 - Ethics and the Challenge of Leadership 1 unit
Prerequisite: None.
In this course students will explore theories and practices of ethical leadership including the use of ethical decision-making models. Students will use a variety of learning modalities including case studies, video analysis, and critical thinking scenarios to explore ethical dilemmas. Presentation and class dialogue will define challenges facing a leader in today’s diverse and dynamic organizations. Personal action plans including practical opportunities for leadership will be reviewed. Students will develop strategies for leading in the challenging public safety environment. 24 hours lecture and 16 hours laboratory.

FIT-P1A - Prevention 1A, Fire Inspection Practices 2 units
Prerequisite: None.
This course of study provides a broad technical overview of fire prevention codes, ordinances and fire prevention practices. 40 hours lecture.

FIT-P1B - Prevention 1B, Code Enforcement 2 units
Prerequisite: FIT-P1A.
This course focuses on the codes, ordinances and statutes that pertain to fire prevention practices in California. Some topics of discussion include: building construction and occupancy, evacuation procedures, inspection reports and processing plans. 40 hours lecture.

FIT-P1C - Prevention 1C, Flammable Liquids and Gases 2 units
Prerequisite: FIT-P1A and P1B.
This course focuses on the special hazards associated with flammable combustible liquids and gases. Some topics of discussion include: bulk storage and handling, transportation of flammable gases and liquids and more. 40 hours lecture.

FIT-P2A - Fire Prevention 2A 2 units
Prerequisite: FIT-P1B.
Advisory: Pre-class study of the Uniform Building Code Occupancy Classification Table and NFPA pamphlets 72A and 72E.
This course provides the most up-to-date information on laws and regulations pertaining to systems, description, installations and problems relating to fire protection systems. May be taken a total of two times. 40 hours lecture.

FIT-P2B - Fire Prevention 2B 2 units
Prerequisite: FIT-P1B.
This course provides participants with extensive, in-depth information about the fire and life safety standards of buildings as they relate to Titles 19 and 24 of the California Code of Regulations. May be taken a total of two times. 40 hours lecture.

FIT-P2C - Fire Prevention 2C 2 units
Prerequisite: FIT-P1B.
This course introduces the student to more unique or unusual prevention challenges. May be taken a total of two times. 40 hours lecture.

FIT-R1A - Rescue Systems 1 .5 unit
Prerequisite: None.
This course includes: heavy rescue team organization; heavy rescue considerations (blocked access, structural damage, environmental considerations); use of ropes, knots, rigging and pulley systems; descending, rappelling and belaying tools and techniques; subsurface rescue techniques; use of cribbing, wedges; use of ladders in specialized rescue situations; and simulated rescue exercises. 45 hours laboratory.
FIT-R1B - Rescue Systems 2 (Heavy Rescue Systems)  .5 unit
Prerequisite: FIT-R1A.
This course includes heavy rescue systems for heavy object lifting, movement and stabilization, team organization, emergency building shoring, small power and hand tools, advanced use of ropes, knots, rigging and pulley systems and simulated rescue exercises. 16 hours lecture and 24 hours laboratory.

FIT-R2A - Confined Space Rescue - Awareness Level .5 unit
Prerequisite: None.
This introductory course presents an overview of confined space definitions and operating restrictions and principles. The course includes: confined space codes, atmospheric hazards and monitoring and confined area operation perimeters. 9 hours lecture.

FIT-R2B - Confined Space Rescue- Operational Level 1 unit
Prerequisite: FIT-R2A.
This course presents a review of confined space definitions and operating restrictions and principles, then moves the student through a series of drills and scenarios for practical application of the skills and techniques presented. 12 hours lecture and 28 hours laboratory.

FIT-R3 - Basic Automobile Extrication .25 unit
Prerequisite: None.
This course includes team organization, rescue and safety considerations, use of hand tools, use of hydraulic tools, use of pneumatic tools, use of wood cribbing and air bags, vehicle and victim stabilization techniques and scene management. 4 hours lecture and 12 hours laboratory.

FIT-R4 - Low Angle Rescue-Introduction to Rescue Systems
Prerequisite: None.
Designed to equip the student with the techniques and methods for using rope, webbing, hardware friction devices, and litters in low angle rescue situations. Areas covered include: Rope and related equipment, anchor systems, safety lines, stretcher lashing and rigging, mechanical advantage systems and single line and two line rescue systems. 4 hours lecture and 20 hours laboratory.

FIT-R7 - Trench Rescue for Fire Service Personnel .25 unit
Prerequisite: None.
This course is designed to train fire service personnel in hands-on application of the techniques necessary to safely effect a rescue from an excavation or trenching cave-in. Topics include critical considerations while responding to trenching emergencies, evaluation of cave-in scenes, basic life support procedures and temporary protection for victims, specialized tool usage, shoring techniques and below grade rescue safety procedures. 4 hours lecture and 12 hours laboratory.

FIT-R10 - Rapid Intervention Crews and Tactics .25 unit
Prerequisite: FIT-S3 or equivalent. Designed specifically for in-service fire department personnel.
This course provides students with the knowledge to identify potential life threatening situations that may arise during a structural firefighting incident and the skills necessary to perform rescues on trapped firefighters as well as self-rescue techniques. May be taken a total of two times. 4 hours lecture and 12 hours laboratory.

FIT-S1 - Fire Apparatus Driver/Operator 1A, Pump Operations
Prerequisite: None.
Advisory: California Firefighter I Certification. Limitation on enrollment: Class B California Driver’s License or California Firefighter Restricted License.
This course is designed to provide the student with information, theory, methods and techniques for operating fire service pumps. 24 hours lecture and 16 hours laboratory.

FIT-S2 - Truck Operations 3 units
Prerequisite: None.
This course includes aerial physics, ground ladder testing, positive power ventilation techniques, vertical ventilation techniques, special rescue considerations for aerial apparatus and standard truck equipment, high rise building incident command procedures, elevator construction, fire service systems and rescue techniques, building search and rescue techniques, salvage and overhaul operations, methods of commercial and residential forcible entry, chain saw safety and maintenance and rapid intervention crew tactics. 45 hours lecture and 50 hours laboratory.

FIT-S3 - Basic Firefighter Academy 19 units
Prerequisite: Emergency Medical Technician Basic Licensure (EMS 50 and 51 or equivalent) and Fire Protection Organization (FIT-I or equivalent) Advisory: Basic English Composition (ENG-50), Elementary Algebra (MAT-52) and Reading Level II (REA-82) or qualifying test scores
Limitation on enrollment: Successful completion within one year of a Certified Physical Abilities Test and a Fire Academy Medical Clearance (once student has been offered a spot in the program)
This course provides individuals with the knowledge and skills to safely perform, under minimal supervision, essential and advanced fire ground tasks. These shall include basic rescue operations, including auto extrication, basic fire suppression, prevention and investigation, a basic knowledge of the “Incident Command System” and an introduction to the potential dangers of hazardous materials. In addition, students will learn to use, inspect and maintain various types of fire fighting and rescue equipment. Completion of this course satisfies the manipulative and academic training requirements as established by the State Fire Marshal to become certified as a Fire Fighter I. 235 hours lecture and 325 hours laboratory.
FIT-S3A - Introduction to Fire Academy and Physical Conditioning for Fire Academy Students
Prerequisite: None.
This course is a six-week physical conditioning and Fire Academy orientation program to prepare future Fire Academy cadets for the physical and emotional demands of the Fire Academy. Students will participate in muscular strength development, cardio-respiratory endurance training, body composition assessment, physical agility and flexibility training. Additionally, students will be introduced to the paramilitary format of the Fire Academy, and the expectations that are placed on Fire Academy cadets. 24 hours lecture and 24 hours laboratory.

FIT-S4 - CDF Firefighter 1 - Basic Academy
Prerequisite: None.
This course introduces the novice firefighter to the duties required in both wildland and structural firefighting as part of an engine crew. It is comprised from the minimum training requirements for entry-level seasonal firefighters for the California Department of Forestry and Fire Protection. Fundamentals of wildland fire control and techniques in structural fire control are covered with a strong emphasis on safety. Subjects covered include: fire behavior and terminology, tools used in firefighting, protective clothing and safety equipment, strategies and tactics used in firefighting, storage and deployment of fire hose. 30 hours lecture and 42 hours laboratory.

FIT-S5A - Wildland Safety and Survival
Prerequisite: None.
Provides firefighters with an appreciation of how serious the firefighter wildland injury and death problem is, an appreciation of his or her responsibility for reducing future injuries and deaths in the rural fire setting, and information for improving safety considerations in the wildland and wildland interface aspects of the firefighter’s job. 8 hours lecture.

FIT-S7 - Backfire and Burnout
Prerequisite: None.
This course provides instruction in the basic safety considerations and procedures for use when immediate and unplanned backfiring or burning out is deemed necessary. The emphasis is directed toward initial attack incidents. The course is an awareness level course (module 1) and is not designed to qualify students as Firing Technical Specialists. 8 hours lecture.

FIT-S10 - Basic High-Rise Fire Operations and Tactics
Prerequisite: None.
This course prepares the student for fire suppression and rescue operations in the high-rise building environment. It is approached from an operational basis and is applied to both small and large highrise buildings. Topics include prefire planning, building inventory, ventilation methods, water supply, elevators, life safety and application of the Incident Command System and specific responsibilities. 8 hours lecture and 16 hours laboratory.

FIT-S13 - Fire Control 3, Structural Firefighting
Prerequisite: None.
This course utilizes the burning of buildings to provide students with hands-on firefighting experience in fire behavior within a building, ventilation, self-contained breathing apparatus, use and survival techniques, interior fire attack, exterior fire attack, and basic fire investigation as it relates to fire fighting. 6 hours lecture and 18 hours laboratory.

FIT-S14 - Fire Control 4, Oil and Gas Fire Fighting
Prerequisite: None.
This course utilizes live fire situations to provide hands-on experience in combating fire involving liquefied petroleum gas and flammable liquid fires. Subjects include flammable liquid and gas fire behavior, safety, extinguishing agents, transportation fires, water flow requirements and live fire fighting. 6 hours lecture and 6 hours laboratory.

FIT-S16 - Fire Control 6, Wildland Firefighting Essentials
Prerequisite: None.
This wildland firefighting course provides information, methods and techniques for utilization of: The California Fire and Rescue Mutual Aid Plan, Incident Command System, wildland firefighting strategy and tactics, structure triage, terminology, survival skills and operating safely in a wildland firefighting incident. 14 hours lecture and 2 hours laboratory.

FIT-S17 - Volunteer Firefighter Trainee Academy
Prerequisite: None.
This course introduces recruit firefighters to the duties required of the trainee volunteer firefighter. It is comprised of the minimum training requirements for entry-level volunteer firefighters for the Riverside County Fire Department. Subjects covered include fire station orientation, fire terminology, communicable disease awareness, tools used in firefighting, protective clothing and safety equipment, storage and deployment of fire hose. 31 hours lecture and 19 hours laboratory.

FIT-S21 - Public Safety Honor Guard Academy
Prerequisite: None.
This course provides individuals with the knowledge and skills to perform, under minimal supervision, basic and essential honor guard drill and funeral management. These shall include basic military drill, ceremonial skills, history of honor and color guards, funeral types and options, pre-funeral preparations, flag etiquette, church and casket procedures and a basic knowledge of the Incident Command System. In addition, students will learn to use, inspect and maintain various types of fire fighting and rescue equipment for ceremonial details. Completion of this course satisfies the manipulative and academic training requirements for the public safety honor guard academy. 18 hours lecture and 30 hours laboratory.

GEG-1 - Physical Geography
UC, CSU
Prerequisite: None.
The interacting physical processes of air, water, land, and life which impact Earth’s surface. Topics include weather and climate, the water cycle, landforms and plate tectonics, and the characteristics of plant and animal life. Emphasis is on interrelationships among systems and processes and their resulting patterns and distributions. There is a heavy emphasis on maps as descriptive and analytical tools. 54 hours lecture.
GEG-1H - Honors Physical Geography 3 units
UC, CSU
Prerequisite: None.
Limitation on enrollment: Enrollment in the honors program.
The interacting physical processes of air, water, land, and life which impact Earth's surface. Topics include weather and climate, the water cycle, landforms and plate tectonics, and the characteristics of plant and animal life. Emphasis is on interrelationships among systems and processes and their resulting patterns and distributions. There is a heavy emphasis on maps as descriptive and analytical tools. The honors course offers an enriched experience for accelerated students by limited class size, seminar format, student generated and led discussions and projects, the application of higher level thinking, reading, and writing skills – analysis, synthesis, and evaluation. Students may not receive credit for both Geography 1 and Geography 1H. 54 hours lecture.

GEG-2 - Human Geography 3 units
UC, CSU
Prerequisite: None.
The geographic analysis of the human imprint on the planet. A study of diverse human populations, their cultural origins, diffusion and contemporary spatial expressions emphasizing demography, languages, religions, urbanization, landscape modification, political units and nationalism, economic systems and development. Emphasis is given to interrelationships between human activities and the biophysical environment. 54 hours lecture.

GEG-3 - World Regional Geography 3 units
UC, CSU
Prerequisite: None.
A study of major world regions, emphasizing current characteristics and issues including cultural, economic, political and environmental conditions. Topics may include the natural environment, population distribution, cultural practices, political institutions, economic development, agricultural practices, and urbanization. 54 hours lecture.

GEG-4 - Geography of California 3 units
UC, CSU
Prerequisite: None.
An introduction to California’s physical and cultural diversity as well as the issues facing individual regions and the state. The course emphasizes ethnic diversity, human alteration of the landscape, and contemporary social, economic, and environmental issues using maps and other geographic tools. Topics include regions, demographic trends, politics, climate, landforms, natural vegetation, water resources, the cultural landscape, our Native American past, urbanization, agriculture, and the challenges of the future. 54 hours lecture.

GEG-5 - Weather and Climate 3 units
(Same as PHS-5)
UC, CSU
Prerequisite: None.
The nature and causes of common meteorological phenomena, severe weather occurrences, and climatic patterns. Topics include: atmospheric structure, solar radiation and energy balances, atmospheric moisture, clouds and fog, air pressure, winds air masses and fronts, cyclones, tornadoes, hurricanes, weather forecasting, climate classification, and climate change. 54 hours lecture.

GEG-6 - Geography of the United States and Canada 3 units
UC, CSU
Prerequisite: None.
An overview of the regions of the United States and Canada. Topics include including regional interactions and current political, economic, demographic, and cultural issues. 54 hours lecture.

GUIDANCE

GUI-45 - Introduction to College 1 unit
CSU
Prerequisite: None.
Guidance 45 is designed to introduce academic and occupational programs, college resources and personal factors that contribute to success as a college student. This course includes an extensive exploration of Riverside Community College resources and policies, orientation to college life, student rights and responsibilities, as well as certificates, graduation and transfer requirements. Students will prepare a Student Educational Plan (S.E.P.). As a result of class activities and exploration of factors influencing educational decisions, class members will be able to utilize the information obtained in class to contribute to their college success. 18 hours lecture.

GUI-46 - Introduction to the Transfer Process 1 unit
CSU
Prerequisite: None.
Provides an introduction to the transfer process. This course includes an in-depth exploration of transfer requirements, admission procedures, requirements for majors, and financial aid opportunities. The information learned will enable students to make informed choices on majors, four-year institutions and in academic planning. 18 hours lecture.

GUI-47 - Career Exploration and Life Planning 3 units
UC, CSU
Prerequisite: None.
In depth career and life planning: topics include extensive exploration of one's values, interests and abilities; life problem-solving and self-management skills; adult development theory and the changes that occur over the life span; self-assessment including identifying one's skills and matching personality with work. An intensive career investigation; decision making, goal setting and job search strategies, as well as resume writing and interviewing skills will also be addressed. This course is designed to assist those students considering the transition of a career change or undecided about the selection of a college transfer major. Required materials fee will be charged to the student and is not covered by BOGW. 54 hours lecture.
GUI-48 - College Success Strategies  
2 units  
CSU  
Prerequisite: None.  
This comprehensive course integrates personal growth and values, academic study strategies and critical thinking techniques. Students will obtain skills and personal/interpersonal awareness necessary to succeed in college. 36 hours lecture.

GUI-48A - College Success Strategies- Study Skills  
1 unit  
CSU  
Prerequisite: None.  
This course is designed to increase the student’s success in college by assisting the student in obtaining study skills necessary to reach educational and career goals. Topics include time management, test taking and study techniques. GUI-48A is equivalent to the first half of GUI-48. 18 hours lecture.

GUI-48B - College Success Strategies- Life Skills  
1 unit  
CSU  
Prerequisite: None.  
This course is designed to increase the student’s success in college by assisting the student in obtaining life skills necessary to reach educational and career goals. Topics include communication and relationships, critical thinking and personal health. GUI-48B is equivalent to the second half of GUI-48. 18 hours lecture.

HEALTH SCIENCE

HES-1 - Health Science  
3 units  
UC, CSU  
Prerequisite: None.  
A basic study of the anatomy and physiology of the body, emphasizing modern concepts of prevention, treatment, and cure of degenerative and communicable diseases. This course satisfies the California requirement in drug, alcohol, tobacco and nutrition education for teacher certification. 54 hours lecture.

HEALTHCARE TECHNICIAN

HET-79 - Introduction to Healthcare Careers  
2 units  
Prerequisite: None.  
Provides an overview of healthcare industry, describes entry-level occupations and outlines related career ladder. Explores professional and educational options. Focuses on developing competencies and skills required for success in healthcare professions. Includes ethical, legal, developmental and sociocultural foundations of care. 36 hours lecture.

HET-80 - Certified Nurse Assistant Theory and Practices  
6 units  
Prerequisite: None.  
Limitation on enrollment: Requires fingerprinting and submission of application for state certification examination, current CPR certification and immunizations, medical clearance from healthcare provider; uniform and RCC HET I.D. badge.  
Provides theoretical and clinical laboratory components of state-mandated curriculum required to take the state certification examination for nurse assistants. Complies with federal regulations for preparing healthcare workers in long-term care settings. Focuses on the role, performance and responsibilities of certified nurse assistants (CNAs) as members of the healthcare team. Requires evaluation of clinical performance through demonstrated competence on identified skills. 72 hours lecture and 108 hours laboratory.

HET-82 - Phlebotomy Technician  
5 units  
Prerequisite: None.  
Advisory: The California Department of Health Services requires applicants for certification as a phlebotomy technician to have a high school diploma or equivalent and the ability to obtain and process official documents in English.  
Limitation on enrollment: Prior to beginning of clinical laboratory component, requires evidence of current CPR certification and immunizations, and medical clearance from healthcare provider to be on file in the department office; clinical laboratory experience requires wearing a green scrubs uniform and an RCC HET I.D. badge.  
Provides theoretical and laboratory preparation for entry level certification as a phlebotomy technician; includes overview of federal and state regulations governing clinical laboratories; focuses on vascular anatomy and physiology and performance of venipuncture and dermal puncture techniques, describes additional responsibilities of phlebotomy technicians as members of the health care team; requires demonstration of skill competency. 54 hours lecture and 108 hours laboratory.

HET-86 - Acute Care Nurse Assistant  
1 unit  
Prerequisite: HET-80. (Evidence of Certification as a Nurse Assistant also acceptable.)  
Limitation on enrollment: Requires current CPR certification and immunizations, medical clearance from healthcare provider, uniform with RCC HET I.D. badge.  
Designed to assist Certified Nurse Assistants in adapting their nursing skills to the requirements of clients in acute care settings. Includes demonstration of required skills and supervised practice in acute care clinical settings. 54 hours laboratory.

HET-87 - Restorative Nurse Assistant  
2 units  
Prerequisite: HET-80. (Evidence of Certification as a Nurse Assistant also acceptable.)  
Limitation on enrollment: Requires current CPR certification and immunizations, medical clearance from healthcare provider, uniform with RCC HET I.D. badge.  
Prepares Certified Nurse Assistants (CNAs) for career advancement as Restorative Nurse Assistants (RNAs). Provides overview of rehabilitative and restorative nursing care. Focuses on the roles and responsibilities of RNAs. Includes discussion of federal and state regulations, principles of rehabilitative and restorative care and supervised clinical practice in long-term care settings. 28 hours lecture and 28 hours laboratory.

HIS-1 - History of World Civilizations I  
3 units  
UC, CSU  
Prerequisite: None.  
Advisory: Qualification for ENG-1A.  
A survey of the historical development of global societies, major social, political and economic ideas and institutions from their origins until the 16th century. Principal areas to be covered are: African civilizations of the Nile and sub-Saharan areas, Mesopotamian civilizations, Greek and Roman civilizations, Medieval and Reformation Europe, the Indus River, China and Japan. 54 hours lecture.
HIS-2 - History of World Civilizations II  
3 units  
UC, CSU  
Prerequisite: None.  
Advisory: Qualification for ENG-IA.  
A survey of the evolution of modern world civilizations from the 16th century emergence of new global, political, economic, social and intellectual patterns, through the era of industrialization and imperialism, to the world wars of the 20th century and the present. 54 hours lecture.

HIS-4 - History of Western Civilization  
3 units  
UC, CSU  
Prerequisite: None.  
Advisory: Qualification for ENG-IA.  
A survey of the historical development of Western society's major social, political, and economical ideas and institutions from their origins in the ancient Middle East, Greece and Rome, through the European Middle Ages, to the Protestant and Catholic Reformation. 54 hours lecture.

HIS-5 - History of Western Civilization  
3 units  
UC, CSU  
Prerequisite: None.  
Advisory: Qualification for ENG-IA.  
A survey of the evolution of modern Western ideas and institutions from the age of the Scientific Revolution, through the Democratic and Industrial Revolutions and the World Wars to the present. 54 hours lecture.

HIS-6 - Political and Social History of the United States  
3 units  
UC, CSU  
Prerequisite: None.  
Advisory: Qualification for ENG-IA.  
Political, social and economic development of the United States from colonial foundations to 1877; the evolution of American thought and institutions; principles of state and local government. 54 hours lecture.

HIS-6H - Honors Political and Social History of the United States  
3 units  
UC, CSU  
Prerequisite: None.  
Advisory: Qualification for ENG-IA.  
Limitation on enrollment: Enrollment in the honors program.  
Political, social and economic development of the United States from colonial foundations to 1877; the evolution of American thought and institutions; principles of state and local government. The honors course offers an enriched experience for accelerated students by limited class size, seminar format, student generated and led discussions and projects, the application of higher level thinking, reading, and writing skills - analysis, synthesis, and evaluation. Students may not receive credit for both History 6 and History 6H. 54 hours lecture.

HIS-7 - Political and Social History of the United States  
3 units  
UC, CSU  
Prerequisite: None.  
Advisory: Qualification for ENG-IA.  
Political, social and economic development of the United States from 1877 to the present; the evolution of American thought and institutions; principles of national, state and local government. The honors course offers an enriched experience for accelerated students by limited class size, seminar format, student generated and led discussions and projects, the application of higher level thinking, reading, and writing skills - analysis, synthesis, and evaluation. Students may not receive credit for both History 7 and History 7H. 54 hours lecture.

HIS-7H - Honors Political and Social History of the United States  
3 units  
UC, CSU  
Prerequisite: None.  
Advisory: Qualification for ENG-IA.  
Limitation on enrollment: Enrollment in the honors program.  
Political, social and economic development of the United States from 1877 to the present; the evolution of American thought and institutions; principles of national, state and local government. Students may not receive credit for both HIS-7 and HIS-7H. 54 hours lecture.

HIS-8 - History of the Americas  
3 units  
UC, CSU  
Prerequisite: None.  
Advisory: Qualifying reading test scores.  
A history of the Western Hemisphere including a study of the pre-Columbian Indian cultures, European exploration and colonization, life in the colonial Americas, and the achievement of independence by the United States and Latin America. Latin America, Canada, and the United States are studied as an integrated whole. Included is a consideration of the Constitution of the United States. 54 hours lecture.

HIS-9 - History of the Americas  
3 units  
UC, CSU  
Prerequisite: None.  
Advisory: Qualifying reading test scores.  
The American nations from the Latin American wars for independence to the present, with emphasis on Latin American development, inter-American relations, and the foreign policy of the United States and its relation to Latin America. The constitutional history and government of California are also examined. 54 hours lecture.

HIS-11 - Military History of the United States to 1900  
3 units  
(Same as MIL-1)  
UC, CSU  
Prerequisite: None.  
An examination of the evolution of American military and naval practices and institutions as they have developed through the major wars involving the United States up to 1900. The roles of leadership and technology and their impact upon the art of war will also be discussed. 54 hours lecture.
HIS-12 - Military History of the United States Since 1900
(Same as MIL-2)
UC, CSU
Prerequisite: None.
An examination of the evolution of military and naval practices and institutions as they have developed through major wars of the twentieth century, with emphasis upon two world wars. The roles of leadership and technology and their impact upon the art of war will also be discussed. 54 hours lecture.

HIS-14 - African American History I
UC, CSU
Prerequisite: None.
Advisory: Qualification for ENG-IA.
A selected study of the complex continent from which African Americans came with special emphasis on the historical, political and socioeconomic aspects of African civilizations in Egypt and the western Sudan; the transformation of the continent and of Africans through the transatlantic slave trade; and a study of the African American experience during their confinement as slaves in British North America and the early national and antebellum periods through the Civil War and Emancipation. 54 hours lecture.

HIS-15 - African American History II
UC, CSU
Prerequisite: None.
Advisory: Qualification for ENG-IA.
A study of the economic, political, social and cultural history and traditions of African Americans since Reconstruction. An examination of African American struggle for identity and status since the late 19th century including: concepts of integration, segregation, accommodation, nationalism, separatism, Pan Africanism; social forces of Jim Crow, Great Migration, Harlem Renaissance, legislative and political action, Civil Rights Revolution and concerns of post civil rights era. 54 hours lecture.

HIS-21 - History of Ancient Greece
UC, CSU
Prerequisite: None.
Advisory: Qualification for ENG-IA.
A survey of Greek history from Monoan and Mycenaean civilizations through the Hellenistic period. Emphasizes the development of Greek culture from its earlier Mediterranean origins through the development of Athenian democracy and Alexander's conquest. 54 hours lecture.

HIS-22 - History of Ancient Rome
UC, CSU
Prerequisite: None.
Advisory: Qualification for ENG-IA.
A lecture course offering an overview of Roman history and civilization from the legendary founding of Rome in 753 B.C. to the collapse of the Roman Empire’s central administration in the West in 476 A.D. 54 hours lecture.

HIS-26 - History of California
UC, CSU
Prerequisite: None.
A history of California from the pre-Columbian period to the present, with emphasis on the period since statehood in 1850. 54 hours lecture.

HIS-30 - Introduction to Chicano Studies
UC, CSU
Prerequisite: None.
Advisory: Qualifying reading test scores.
A survey of Chicano history and social problems from 1950 to the present. Included is an examination of the principles of state and local government as well as political, economic and social forces as they relate to contemporary Chicano problems. 54 hours lecture.

HIS-31 - Introduction to Chicano Studies
UC, CSU
Prerequisite: None.
A survey of regional Chicano history and social problems from 1950 to the present. Included is an examination of the principles of state and local government as well as political, economic and social forces as they relate to contemporary Chicano problems. 54 hours lecture.

HIS-34 - History of Women in America
UC, CSU
Prerequisite: None.
A survey of the political, social, and cultural institutions which have shaped the role and character of women in America. The historical role of women in the development of the nation, and the ongoing struggle to achieve political, economic, and social equality will be examined. 54 hours lecture.

HIS-35 - History of England
UC, CSU
Prerequisite: None.
Advisory: Qualifying reading test scores.
A historical survey of developments of the major social, political, and economic ideas and institutions of England from the Roman occupation, the coming of the Anglo-Saxons, and the Norman Invasion, the Tudor and Stuart reigns, the Age of the Enlightenment, and modern England. 54 hours lecture.

HOMELAND SECURITY

HLS-1 - Introduction to Homeland Security
Prerequisite: None.
Course is designed to introduce students to a comprehensive overview of homeland security from an all-hazard, multidisciplinary perspective. Students will examine threats to homeland security, including natural and technological disasters, as well as acts of domestic and international terrorism, including weapons of mass destruction. Students will review the roles and responsibilities of government agencies, private organizations, and individual citizens in homeland security including but not limited to law enforcement, fire, EMS, public health, education, mental health, and special districts (water, utilities, sanitation). Students will meet the state and federal requirements for certification in SEMS/NIMS by completing: IS 100 (Introduction to Incident Command), IS 200 (ICS for Single Resources and Initial Action Incidents), IS 700 (National Incident Management System: An Introduction) and IS 800 (National Response Plan: An Introduction). 54 hours lecture.
HUMAN SERVICES

HMS-4 - Introduction to Human Services 3 units
CSU
Prerequisite: None.
This is an introductory course for students interested in a career in Human Services. Covers the history of Human Services, types and functions of Human Services agencies, careers in Human Services, skills utilized in the Human Services professions, ethics, current trends and issues, human need theory and self-support techniques for Human Services workers. 54 hours lecture.

HMS-5 - Introduction to Evaluation and Counseling 3 units
CSU
Prerequisite: None.
This is an introduction to the basic skills and techniques of evaluation and counseling. Course covers listening, responding, building trust, questioning, assessment, reflecting strengths, referral, values and ethics. Designed for professionals and paraprofessionals in Human Services positions and students preparing for a career in Human Services. 54 hours lecture.

HMS-6 - Introduction to Case Management 3 units
CSU
Prerequisite: None.
This is an introductory course that familiarizes students with the basic concepts and skills of case management. Course covers philosophy, ethics, concepts, assessment, documentation, record keeping, plan development, linking to community agencies, services monitoring and an overview of benefits programs. Designed to provide students with knowledge and skills that can be applied to a variety of Human Service settings. 54 hours lecture.

HMS-7 - Introduction to Psychosocial Rehabilitation 3 units
CSU
Prerequisite: None.
An introduction to the principles and practices providing support services to persons with psychiatric disabilities who are undergoing rehabilitation and transitioning to recovery. Includes the theory, values and philosophy of psychosocial rehabilitation, diagnostic categories and symptoms of mental illnesses, development of support systems, disability management and approaches to service delivery, skills and ethics. 54 hours lecture.

HMS-8 - Introduction to Group Process 3 units
CSU
Prerequisite: None.
An introduction to the theory and dynamics of group interaction including psychoeducational, support and therapeutic context. The various stages and processes of group development are studied using both a conceptual and experiential approach. This course is intended to assist persons who will function as leaders in a variety of small group situations. 54 hours lecture.

HMS-13 - Employment Support Strategies 3 units
CSU
Prerequisite: None.
An introductory course for those who are either working or preparing to work in Human Service agencies and other settings which assist individuals in securing and maintaining employment. Principles of employment support services, assessment for work readiness, identification of strengths, removal of employment barriers, identification of community training and employment resources, job search and match, job coaching and support planning are emphasized. 54 hours lecture.

HMS-14 - Job Development 3 units
CSU
Prerequisite: None.
An introduction to the theory, skills and practices used by job developers to successfully place individuals in jobs. Includes principles of job development, marketing, networking with employers, presentation skills, career counseling, vocational assessment and job match, placement and retention. 54 hours lecture.

HMS-16 - Public Assistance and Benefits 1 unit
CSU
Prerequisite: None.
A course which provides an introduction and overview of public assistance and benefits available under local, state and federal programs. Examines eligibility requirements and methods used to evaluate applications for selected benefit programs. Includes application of economics, legal and ethical principles related to administration of public assistance. 18 hours lecture.

HMS-18 - Introduction to Social Work 3 units
CSU
Prerequisite: None.
Advisory: ENG-IA or 1AH.
Study of theory and principles of generalist social work practice within an ecological framework. Introduction to the generalist intervention model across the micro, mezzo, macro continuum. Introduction to professional social work values and ethics, and issues of diversity underlying generalist practice. 54 hours lecture.

HMS-19 - Generalist Practices of Social Work 3 units
CSU
Prerequisite: None.
Advisory: ENG-IA or 1AH.
The course emphasizes generalist engagement, assessment, planning, intervention, evaluation, termination and follow-up across the micro-macro continuum. Special attention is given to the bio-psychosocial spiritual assessment, child abuse assessment, suicide assessment, crisis intervention and content on diversity, oppression and social justice. 54 hours lecture.

HMS-200 - Human Services Work Experience 1-2-3-4 units
CSU*
Prerequisite: None.
Advisory: Students should have paid or voluntary employment.
This course is designed to coordinate the student’s occupational on-the-job training with related classroom instruction. Students enrolled in this occupational work experience course must be employed in a field related to the work experience subject area. Students may earn up to four (4) units each semester for a maximum of 16 units of work experience. No more than 20 hours per week may be applied toward the work requirement. 18 hours lecture. Additionally, 60 hours of volunteer work or 75 hours of paid work is required for each unit.
HUM-4 - Arts and Ideas: Ancient World through the Late Medieval Period
UC, CSU
Prerequisite: None.
Advisory: Qualification for ENG-1A.
An interdisciplinary study of the cultural movements in art, architecture, literature, music, philosophy, and religion of Western Civilization. The cultural achievements of the ancient world and the middle ages are studied to develop an understanding of their philosophical ideas, values, cultural meaning, artistic form, and contributions to modern thought. Students may not receive credit for both HUM-4 and HUM-4H. 54 hours lecture.

HUM-4H - Honors Arts and Ideas: Ancient World through the Medieval Period
UC, CSU
Prerequisite: None.
Advisory: Qualification for ENG-1A.
Limitation on enrollment: Enrollment in the honors program.
An interdisciplinary study of the cultural movements in art, architecture, literature, music, philosophy, and religion of Western Civilization. The cultural achievements of the ancient world and the middle ages are studied to develop an understanding of their philosophical ideas, values, cultural meaning, artistic form, and contributions to modern thought. The honors course offers an enriched experience for accelerated students by means of limited class size, seminar format, discussions and projects generated and led by students, a focus on primary texts in translation, and the applications of higher-level thinking and writing skills—analysis, synthesis, and evaluation. Students may not receive credit for both HUM-4 and HUM-4H. 54 hours lecture.

HUM-5 - Arts and Ideas: The Renaissance through the Modern Era
UC, CSU
Prerequisite: None.
Advisory: Qualification for ENG-1A.
Limitation on enrollment: Enrollment in the honors program.
An interdisciplinary study of the cultural movements in art, architecture, literature, music, philosophy, and religion of Western civilization. The cultural achievements of the Renaissance, Enlightenment, Romantic, Modern and post-Modern periods are studied to develop an understanding of their philosophical ideas, values, cultural meaning, artistic form, and contributions to modern thought. Students may not receive credit for both HUM-5 and HUM-5H. 54 hours lecture.

HUM-5H - Honors Arts and Ideas: The Renaissance through the Modern Era
UC, CSU
Prerequisite: None.
Advisory: Qualification for ENG-1A.
Limitation on enrollment: Enrollment in the honors program.
An interdisciplinary study of the cultural movements in art, architecture, literature, music, philosophy, and religion of Western civilization. The cultural achievements of the Renaissance, Enlightenment, Romantic, Modern and post-Modern periods are studied to develop an understanding of their philosophical ideas, values, cultural meaning, artistic form, and contributions to modern thought. The honors course offers an enriched experience for accelerated students by means of limited class size, seminar format, discussions and projects generated and led by students, a focus on primary texts in translation, and the applications of higher-level thinking and writing skills—analysis, synthesis, and evaluation. Students may not receive credit for both HUM-5 and HUM-5H. 54 hours lecture.

HUM-8 - Introduction to Mythology
(Same as ENG-8)
UC, CSU
Prerequisite: None.
Advisory: ENG-1B or 1BH.
A study of Judeo-Christian, Greco-Roman and other mythological traditions. Emphasizes the historical sources and cultural functions of myths and legends in ancient societies and their continuing relevance to modern thought and culture. 54 hours lecture.

HUM-10 - World Religions
UC, CSU
Prerequisite: None.
Advisory: Qualification for ENG-1A.
Limitation on enrollment: Enrollment in the honors program.
Thought and concepts of the major religious systems, including primal religions, extinct religions, Hinduism, Buddhism, Jainism, Sikhism, Confucianism, Taoism, Shintoism, Zoroastrianism, Judaism, Christianity, and Islam. Students may not receive credit for both HUM-10 and HUM-10H. 54 hours lecture.

HUM-10H - Honors World Religions
UC, CSU
Prerequisite: None.
Advisory: Qualification for ENG-1A.
Limitation on enrollment: Enrollment in the honors program.
Thought and concepts of the major religious systems, including primal religions, extinct religions, Hinduism, Buddhism, Jainism, Sikhism, Confucianism, Taoism, Shintoism, Zoroastrianism, Judaism, Christianity, and Islam. The honors section of HUM-10 offers an enriched experience for students through limited class size, seminar format, discussions and projects generated and led by students, a focus on primary texts in translation and the application of higher level thinking and writing skills – analysis, synthesis and evaluation. Students may not receive credit for both HUM-10 and HUM-10H. 54 hours lecture.

HUM-16 - Arts and Ideas: American Culture
UC, CSU
Prerequisite: None.
Advisory: Qualification for ENG-1A.
An interdisciplinary survey of the cultural movements in art, architecture, literature, music, philosophy, and religion of American culture. American culture is studied in the context of American political culture, economic and industrial transformation, and the changing shape of American society. American arts and ideals are examined from the colonial period through the present. 54 hours lecture.

HUM-18 - Death: An Interdisciplinary Perspective
UC, CSU
Prerequisite: None.
Advisory: Qualification for ENG-1A.
An interdisciplinary study of death from historical, mythological, religious, philosophical and biological perspectives. The evolving way in which world cultures have understood the problem of death is studied through work and literature, art and philosophy. 54 hours lecture.
HUM-20A - Arts and Ideas: Special Studies    1 unit
in Humanities
CSU
Prerequisite: None.
Advisory: Qualification for ENG-1A.
An interdisciplinary survey of the cultural movements in art, architecture, literature, music, philosophy or religion organized around first-hand observation of relevant works and/or lecture. Topics vary and take advantage of resources in study abroad programs, available museum and performance resources and needs and interests of students and faculty. May be taken a total of four times. 18 hours lecture.

HUM-20B - Arts and Ideas: Special Studies    2 units
in Humanities
CSU
Prerequisite: None.
Advisory: Qualification for ENG-1A.
An interdisciplinary survey of the cultural movements in art, architecture, literature, music, philosophy or religion organized around first-hand observation of relevant works and/or lecture. Topics vary and take advantage of resources in study abroad programs, available museum and performance resources and needs and interests of students and faculty. May be taken a total of four times. 36 hours lecture.

HUM-20C - Arts and Ideas: Special Studies    3 units
in Humanities
CSU
Prerequisite: None.
Advisory: Qualification for ENG-1A.
An interdisciplinary survey of the cultural movements in art, architecture, literature, music, philosophy or religion organized around first-hand observation of relevant works and/or lecture. Topics vary and take advantage of resources in study abroad programs, available museum and performance resources and needs and interests of students and faculty. May be taken a total of four times. 54 hours lecture.

HUM-23 - The Bible as Literature    3 units
(Same as ENG-23)
UC, CSU
Prerequisite: None.
Advisory: ENG-1B or 1BH.
A survey of the Hebrew Bible and New Testament with emphasis on literary form, styles, and themes, including the extensive influence of the Bible on Western literature. 54 hours lecture. (Letter Grade, or Pass/No Pass option.)

HUM-35 - Philosophy of Religion    3 units
(Same as PHI-35)
UC, CSU
Prerequisite: None.
Advisory: PHI-10 or 10H or 11.
An introduction to the examination of religious claims from a philosophical perspective. Emphasis will be placed upon examining the rational justification for various traditional faith claims, and upon examining the relationship between rationality and faith. The course presumes a basic knowledge of philosophical argumentation. 54 hours lecture.

INTERDISCIPLINARY STUDIES
ILA-1 - Introduction to Tutor Training I    1 unit
Prerequisite: None.
Advisory: Qualification for ENG-1A.
Introduction to tutoring, with an emphasis on tutoring strategies, learning styles, problem solving, and working with diverse student populations. Designed to prepare students to become peer tutors in a variety of subject areas. Tutors develop student-centered, non-intrusive tutoring skills to meet a wide variety of student needs. Topics include theory, practice and ethics of tutoring, interpersonal communications techniques, tutoring diverse student populations, and group tutorial methods and practical field work. 18 hours lecture. (Letter Grade, or Pass/No Pass option.)

JOURNALISM
JOU-1 - Introduction to Journalism    3 units
CSU
Prerequisite: None.
Advisory: ENG-IA or 1AH.
The role of print media, with theory and practice in news story structure, responsible news evaluation, news gathering methods, interviewing, reporting techniques, copy editing, headline writing, and makeup techniques in general. 54 hours lecture.

JOU-2 - News Writing    3 units
CSU
Prerequisite: JOU-1.
Continued theory and practice in general news writing and reporting, with emphasis on news features, features, editorial writing, sports, society, columns, and newspaper writing in general. Studies in mass media forces in society. 54 hours lecture.

JOU-7 - Mass Communications    3 units
UC, CSU
Prerequisite: None.
Surveys and evaluates the mass media. Special attention is given to newspapers, magazines, radio, TV, motion pictures, and advertising, and to their impact on society and the individual. 54 hours lecture.

JOU-12 - Photojournalism    3 units
(Same as PHO-12)
CSU
Prerequisite: PHO-8.
Corequisite: Concurrent enrollment in or prior completion of PHO-9. Introduction to basic photojournalism as a means for communicating visual information in print media. Emphasis on using photos to tell a story. Discussion of the professional, legal, and ethical responsibilities of the photojournalist. Students required to provide 35 mm camera with manual override. Lab material fees assessed on the first day of class. 27 hours lecture and 81 hours laboratory.

JOU-20 - Newspaper    3 units
CSU
Prerequisite: None.
Advisory: JOU-1, PHO-8 or ENG-1A or 1AH.
Emphasis is on both theory and practice in producing the college newspaper. Qualified students may serve in various capacities, ranging from editorial work to photography, to advertising. Subsequent enrollment in additional semesters will provide the student an opportunity for additional skill and competency development within the subject matter. May be taken a total of four times. 18 hours lecture and 90 hours laboratory.
JOU-52 - Newspaper Editing 3 units
CSU
Prerequisite: None.
Advisory: JOU-1, PHO-8 or ENG-1A or 1AH.
Advanced practice in the production of a newspaper, with practical experience on the college newspaper. Course to include theory and practice in news editing, headline writing, page design, photographic theory and graphic arts processes. Weekly critiques of college newspaper to be included. Subsequent enrollment in additional semesters will provide the student an opportunity for additional skill and competency development within the subject matter. May be taken a total of four times. 36 hours lecture and 54 hours laboratory.

JOU-200 - Journalism Work Experience 1-2-3-4 units
CSU*
Prerequisite: None.
Advisory: Students should have paid or voluntary employment.
This course is designed to coordinate the student's occupational on-the-job training with related classroom instruction. Students enrolled in this occupational work experience course must be employed in a field related to the work experience subject area. Students may earn up to four (4) units each semester for a maximum of 16 units of work experience. No more than 20 hours per week may be applied toward the work requirement. 18 hours lecture. Additionally, 60 hours of volunteer work or 75 hours of paid work is required for each unit.

Also see PHOTOGRAPHY

LIBRARY
LIB-1 - Information Competency 1 unit
UC, CSU
Prerequisite: None.
Presents the fundamentals of the effective use of libraries, electronic databases and retrieved information. Students will learn how to express information needs, access information from appropriate sources, evaluate retrieved data and organize it to solve problems. Information values and ethics will also be introduced. 18 hours lecture.

MANAGEMENT
MAG-44 - Principles of Management 3 units
CSU
Prerequisite: None.
For those who are in management, preparing for a potential promotion or interested in the management process. Includes the primary functions of planning, organizing, controlling and leading as well as related skills such as team development, motivation and communication techniques, and quality management. Also social responsibility and a global perspective are emphasized. 54 hours lecture.

MAG-46 - Contemporary Quality Systems 3 units
Management
CSU
Prerequisite: None.
An introduction to Quality Management principles and to their application in business, industry, and public service organizations including Deming’s 14 points, process management, ISO 9000 certification, Six Sigma efforts, Baldrige criteria and introductory statistical process control. 54 hours lecture.

MAG-47 - Applied Business and Management Ethics 3 units
(Same as BUS-47)
CSU
Prerequisite: None.
An examination of ethical concerns in business decision making. Includes corporate, personal, global, governmental, public, environmental, product, and job-related issues. Case studies and corporate ethics programs and audits also covered. 54 hours lecture.

MAG-51 - Elements of Supervision 3 units
Prerequisite: None.
Gives an overview of responsibilities of a supervisor in industry including organizational structure, training, work assignments, productivity, quality control, evaluations, and management-employee relations. 54 hours lecture.

MAG-52 - Employee Training and Development 3 units
Prerequisite: None.
This course examines the forces influencing employee development through various methods such as training, strategic thinking, needs assessments, training evaluation, learning theories, e-learning and career development. 54 hours lecture.

MAG-53 - Human Relations 3 units
Prerequisite: None.
A practical application of basic psychology in building better employer/employee relationships. Examines effective human relation techniques. 54 hours lecture.

MAG-54 - Employee Labor Relations 3 units
Prerequisite: None.
This course provides a framework for studying labor relations, the objective of employee relationships, industrial relations, right of labor and management, labor law, bargaining, unions, employment contracts, grievances, developing effective new processes, history of labor relations and ethics. 54 hours lecture.

MAG-56 - Human Resources Management 3 units
Prerequisite: None.
Examines the manager’s responsibility for implementing human resources applications involving the selection, training, evaluation, motivation and promotion of personnel. Compares and contrasts alternatives leading to innovative and socially responsible solutions to current employee relations issues with the workplace. 54 hours lecture.

MAG-57 - Oral Communications 3 units
Prerequisite: None.
Presents persuasive, expository, and extemporaneous expression applied to the business environment. Includes a practical demonstration of acquired skills in oral communication. Explores obstacles to the communication process in interpersonal and group communications. 54 hours lecture.

MAG-60 - Introduction to Hospitality Management 3 units
Prerequisite: None.
An introduction to hospitality management covering travel and tourism, resorts, clubs, casinos, lodging and food and beverage industries with consideration given to issues in environment, technology, ethics and international arena. 54 hours lecture.
MAG-62 - Restaurant and Hotel Management 3 units
Prerequisite: None.
Management techniques and concepts about giving service in the restaurant and hotel industries. Course is designed to train future food service, hotel or hospitality industry executives. 54 hours lecture.

MAG-70 - Introduction to Organization Development 3 units
(Same as BUS-70)
Prerequisite: None.
Advisory: MAG-44.
This is a study of organization-wide, planned efforts to increase organizational effectiveness using planned interventions by managers. Multiple intervention techniques, such as diagnostic activities, team building, process consulting, coaching and goal setting are covered. 54 hours lecture.

MAG-71 - Introduction to Productivity Management 3 units
(Same as BUS-71)
Prerequisite: None.
Advisory: MAG-44 and 70.
An introduction to the techniques used to determine, analyze and improve the systems of creating wealth by supplying quality goods and services to consumers. Includes selecting technologies, managing facilities and people, and integrating cross-functional departments into effective work units. 54 hours lecture.

MAG-72 - Introduction to Quantitative Methods 3 units for Business
(Same as BUS-72)
Prerequisite: None.
Advisory: BUS-20 and MAG-70.
An introduction to the techniques used to analyze business decisions using facts and data. An application of statistical techniques for non-mathematicians for making effective business decisions. 54 hours lecture.

MAG-200 - Management Work Experience 1-2-3-4 units
CSU*
Prerequisite: None.
Advisory: Students should have paid or voluntary employment.
This course is designed to coordinate the student's occupational on-the-job training with related classroom instruction. Students enrolled in this occupational work experience course must be employed in a field related to the work experience subject area. Students may earn up to four (4) units each semester for maximum of 16 units of work experience. No more than 20 hours per week may be applied toward the work requirement. 18 hours lecture. Additionally, 60 hours of volunteer work or 75 hours of paid work is required for each unit.

MARKETING
MKT-20 - Principles of Marketing 3 units
CSU
Prerequisite: None.
Advisory: BUS-10.
Examines the role of marketing as it relates to society and economic development. The course will analyze products, consumer, marketing research, and strategic market planning. The course will survey, with a global perspective, the selection of target markets as well as the development of the marketing mix - place, product, price and promotion. 54 hours lecture.

MKT-30 - Fashion Merchandising 3 units
CSU
Prerequisite: None.
An in-depth study of the fashion merchandising field; emphasis on development and growth of fashion merchandising. Retail and vendor methods of operation and distribution; the influence of promotion, advertising, and publicity on consumer demand. Examination of current trends. Career opportunities that exist in the fashion field. 54 hours lecture.

MKT-40 - Advertising 3 units
CSU
Prerequisite: None.
Economic, professional, persuasive and technical aspects of advertising, publicity and propaganda, and their relation to sociology and psychology. Campaign organization, research, and media of communication. Analysis and discussion of situation problems, mass motivation, consumer action and legal restraints. 54 hours lecture.

MKT-41 - Techniques of Selling 3 units
CSU
Prerequisite: None.
Examines the key topics of how to locate, qualify and approach prospects; how to deliver the sales presentation, how to meet objections and how to close the sale. The analysis of behavioral, ethical and philosophical factors as applied to the selling function globally. 54 hours lecture.

MKT-42 - Retail Management 3 units
CSU
Prerequisite: None.
Merchandising analysis of the changing concepts and business objectives of retailing. Management philosophies, strategies, and functions (from individual to multi-unit firms). Social and economic forces on decisions concerning location and operational policies. Analysis of forms of retailing, such as foods, motels, service stations, and direct channels. 54 hours lecture.

MKT-50 - Marketing Research 3 units
Prerequisite: None.
An introduction to various research methodologies useful in the marketing environment. This course will focus on development, execution and application of marketing research, pulling it all together with completion of a marketing research project. 54 hours lecture.

MKT-200 - Marketing Work Experience 1-2-3-4 units
CSU*
Prerequisite: None.
Advisory: Students should have paid or voluntary employment.
This course is designed to coordinate the student's occupational on-the-job training with related classroom instruction. Students enrolled in this occupational work experience course must be employed in a field related to the work experience subject area. Students may earn up to four (4) units each semester for maximum of 16 units of work experience. No more than 20 hours per week may be applied toward the work requirement. 18 hours lecture. Additionally, 60 hours of volunteer work or 75 hours of paid work is required for each unit.
MATHEMATICS

MAT-1A - Calculus I 4 units
UC*, CSU
Prerequisite: MAT-10 or qualifying placement level.
Functions, limits, continuity, differentiation, inverse functions, applications of the derivative including maximum and minimal problems, and basic integration. 72 hours lecture and 18 hours laboratory.

MAT-1B - Calculus II 4 units
UC, CSU
Prerequisite: MAT-1A.
Techniques of integration, applications of integration, improper integrals, infinite sequences and series, parametric equations, polar coordinates and conic sections. 72 hours lecture and 18 hours laboratory.

MAT-1C - Calculus III 4 units
UC, CSU
Prerequisite: MAT-1B.
Vectors in a plane and in space, vector valued functions, partial derivatives, multiple integrals, line and surface integrals, indeterminate forms, and elementary applications to the physical sciences. 72 hours lecture.

MAT-2 - Differential Equations 4 units
UC, CSU
Prerequisite: MAT-1B.
Special types of differential equations, linear first and second order differential equations, series solutions, Laplace transforms, matrix theory, and elementary applications to the physical and biological sciences. 72 hours lecture.

MAT-3 - Linear Algebra 3 units
UC, CSU
Prerequisite: MAT-1B.
Introduction to matrix algebra, determinants, systems of linear equations, vector spaces, linear independence, linear transformations, eigenvalues and eigenvectors and applications. 54 hours lecture.

MAT-4 - Finite Mathematics 3 units
UC, CSU
Prerequisite: MAT-35.
Mathematics for majors in economics, business management, biological and social sciences. Topics include: system of equations, linear programming, matrices, probabilities, permutations and combinations, statistics and logic. 54 hours lecture.

MAT-5 - Calculus, A Short Course 4 units
UC*, CSU
Prerequisite: MAT-35 or qualifying placement level.
Calculus for majors in economics, business management, biological and social sciences. Emphasis on problem solving and applications. Topics include: functions, graphs, limits, differentiation, integration, exponential and logarithmic functions. 72 hours lecture.

MAT-7 - Mathematica 2 units
CSU
Prerequisite: MAT-1A or qualifying placement level.
Introduction to the computer software package Mathematica for math, science and engineering majors. Mathematica will be used in solving selected problems in algebra, trigonometry, calculus, vector and matrix analysis, data manipulation and presentation, complex analysis, etc., with emphasis on Mathematica's superior 2- and 3-dimensional graphical capability. 18 hours lecture and 54 hours computer laboratory.

MAT-10 - Precalculus 4 units
UC*, CSU
Prerequisite: MAT-36 or qualifying placement level.
An integrated treatment of algebra and trigonometry at the college level, with major emphasis on polynomial, rational, exponential, logarithmic, trigonometric and inverse functions, sequences and series, mathematical induction, analytic geometry, partial fractions, polar coordinates and parametric equations. The course is designed to prepare students for the study of calculus. 72 hours lecture.

MAT-11 - College Algebra 4 units
UC*, CSU
Prerequisite: MAT-35 or qualifying placement level.
Topics include algebra review, linear and quadratic equations and inequalities, systems of linear equations and inequalities, functions, exponential and logarithmic functions, permutations and combinations, binomial theorem, and linear programming. 72 hours lecture.

MAT-12 - Statistics 3 units
UC, CSU
Prerequisite: MAT-35 or qualifying placement level.
A comprehensive study of measures of central tendency and variation, the normal distribution, the t-distribution, the chi-square distribution, linear correlation, testing of hypotheses, probability, and estimation. 54 hours lecture.

MAT-12H - Honors Statistics 3 units
UC, CSU
Prerequisite: MAT-35 or qualifying placement level.
Limitation on enrollment: Enrollment in the honors program. A comprehensive study of measures of central tendency and variation, the normal distribution, the t-distribution, the chi-square distribution, linear correlation, testing of hypotheses, probability, and estimation. Honors course offers an enriched experience for accelerated students through limited class size, seminar format, focus on primary texts, and application of higher-level critical thinking skills. Students may not receive credit for both MAT-12 and MAT-12H. 54 hours lecture.

MAT-25 - A Survey of Mathematics 3 units
UC, CSU
Prerequisite: MAT-35 or qualifying placement level.
This is a survey course with selected topics from the history and development of mathematics, patterns and inductive reasoning, set theory and deductive reasoning, the real number system, algebra, geometry, probability, statistics, and problem solving. It is designed for students majoring in liberal arts, education or communication. Calculators or computers may be used for selected topics. 54 hours of lecture.

MAT-32 - Introduction to Symbolic Logic 3 units
(Same as PHI-32)
UC, CSU
Prerequisite: None.
Limitation on enrollment: May not be taken if credit for PHI-32 has been granted.
Introduces the principles of deductive reasoning, including the practical application of modern symbolic techniques. 54 hours lecture.
MAT-35 - Intermediate Algebra  
Prerequisite: MAT-52 or qualifying placement level.  
The concepts introduced in beginning algebra are presented again, but in greater depth. In addition to the basic operations, logarithms, exponential equations, systems of linear and nonlinear equations, Cramer's Rule, the Binomial Theorem, the complex number system, and sequences and series are included. 90 hours lecture.

MAT-36 - Trigonometry  
4 units
CSU  
Prerequisite: MAT-35 and 53 or qualifying placement level.  
The study of trigonometric functions, their inverses and their graphs; identities and proofs related to trigonometric expressions; solving trigonometric equations; solving right triangles; solving oblique triangles using the law of cosines and the law of sines; elements of geometry important to the foundation of trigonometry. 72 hours lecture.

MAT-52 - Elementary Algebra  
4 units
Prerequisite: MAT-64 (formerly MAT-50), 65, 90F or qualifying placement level.  
Examines real numbers and variables as they are involved in polynomials, fractions, linear equations, quadratic equations, systems of equations, inequalities, exponential and radical expressions, and absolute value. Factoring, graphing and word problem applications will also be included. 72 hours lecture.

MAT-53 - College Geometry  
3 units
Prerequisite: MAT-52 or qualifying placement level.  
A course covering the study of geometric figures in the Euclidean plane, including angles, triangles, quadrilaterals, circles and solids: formulas for measuring such figures, including perimeter, area and volume, proofs using postulates and theorems associated with congruent triangles, parallel and perpendicular line segments, and angle measures; construction of angles and segment measures. 54 hours lecture.

MAT-63 - Arithmetic  
3 units
Prerequisite: None.  
A course covering the decimal system of numeration and the four basic mathematical operations as they apply to whole numbers, fractions, mixed numbers, and decimals. Factoring, percentage applications, geometric figures, and measurements are included. Emphasis is placed on applications to real world problems. Computations will be performed without the use of any calculating device. 54 hours lecture. (Non-degree credit course.)

MAT-64 - Pre-Algebra  
3 units
Prerequisite: MAT-63 (formerly MAT-51), 90C, or qualifying placement level.  
An introduction to the notion of algebra and its uses. Includes integers, equations, and polynomials as well as topics from arithmetic. Designed as a transition from arithmetic to elementary algebra. 54 hours lecture. (Non-degree credit course.)

MAT-65 - Arithmetic and Pre-Algebra  
5 units
Prerequisite: None.  
A combination course covering the decimal system of numeration and the four basic mathematical operations as they apply to whole numbers, fractions, mixed numbers, and decimals without the use of any calculating device. Integers, factoring, geometric figures, and measurements are included. Emphasis is placed on applications to real world problems. An introduction to the notion of algebra and its uses. Includes equations and polynomials. 90 hours lecture. (Non-degree credit course.)

MAT-90A - Special Topics in Arithmetic: Whole Numbers and Introduction to Fractions  
1 unit
Prerequisite: None.  
A course covering the four basic mathematical operations as they apply to whole numbers with an introduction to fractions. Emphasis is placed on applications to real world problems. Computations will be performed without the use of any calculating device. 18 hours lecture. (Non-degree credit course. Pass/No Pass only.)

MAT-90B - Special Topics in Arithmetic: Fractions and Introduction to Decimals  
1 unit
Prerequisite: MAT-90A.  
A course covering the four basic mathematical operations as they apply to fractions with an introduction to decimals. Emphasis is placed on applications to real world problems. Computations will be performed without the use of any calculating device. 18 hours lecture. (Non-degree credit course. Pass/No Pass only.)

MAT-90C - Special Topics in Arithmetic: Decimals  
1 unit
Prerequisite: MAT-90B.  
A course covering the four basic mathematical operations as they apply to decimals. Emphasis is placed on applications to real world problems. Computations will be performed without the use of any calculating device. 18 hours lecture. (Non-degree credit course. Pass/No Pass only.)

MAT-90D - Special Topics in Pre-Algebra: Integers and an Introduction to Variables  
1 unit
Prerequisite: MAT-90D.  
A course covering the four basic mathematical operations as they apply to integers with an introduction to variables. Emphasis is placed on applications to real world problems. Computations will be performed without the use of any calculating device. 18 hours lecture. (Non-degree credit course. Pass/No Pass only.)

MAT-90E - Special Topics in Pre-Algebra: Real Numbers and an Introduction to Algebra  
1 unit
Prerequisite: MAT-90D.  
A course covering the four basic mathematical operations as they apply to real numbers and an introduction to algebraic expressions. Emphasis is placed on applications to real world problems. 18 hours lecture. (Non-degree credit course. Pass/No Pass only.)

MAT-90F - Special Topics in Pre-Algebra: Algebraic Expressions and Equations  
1 unit
Prerequisite: MAT-90E.  
A course covering the addition, subtraction, multiplication, and factoring of polynomials as well as simplification of basic algebraic expressions. Emphasis is placed on applications to real world problems. 18 hours lecture. (Non-degree credit course. Pass/No Pass only.)

MAT-96 - Math Center Practicum  
.5 unit
Prerequisite: None.  
Corequisite: Concurrent enrollment in any math course.  
Math Center access for students who feel they will benefit from use of the Math Center’s resources. May be taken a total of four times. 27 hours laboratory required for credit. (Non-degree credit course. Pass/No Pass only.)
MEDICAL ASSISTING

Riverside Community College District offers two medical assisting certificates: Administrative/Clinical Medical Assisting and Medical Transcription. An Associate of Science Degree in Medical Assisting is awarded upon successful completion of one of the medical assisting certificate programs and general education/graduation requirements.

MDA-IA - Medical Terminology 1A

Examines the structure and use of medical terms related to the body as a whole and basic anatomy, physiology and pathology of the musculoskeletal, digestive, cardiovascular, respiratory and blood/lymphatic systems. Remainder of body systems are addressed in MDA-1B. 54 hours lecture.

MDA-IB - Medical Terminology 1B

Examines the use of medical terms related to the basic anatomy, physiology and pathology of the urinary, male and female reproductive, integumentary, nervous, sensory and endocrine systems. Also includes the specialty fields of radiology, oncology, pharmacology and psychology. 54 hours lecture.

MDA-54 - Clinical Medical Assisting and Pharmacology

Examines treatment modalities in modern health care, drug laws, standards, systems of measurement, dosages, actions and effects. Covers assisting the physician with examinations and procedures, patient preparation, counseling and education. Includes sterilization techniques and diagnostic laboratory procedures. Examines the principles of medical law and ethics as applied to the physician, patient, and those employed in the medical field. Pursuant to Section 2146.5 and 2146.6 of the Business and Professions Code and adopted in Subchapter 3 of Chapter 13 of Title 16 of the California Administrative Code, this class will also include administration of medications including intradermal, subcutaneous, and intramuscular. Includes venipuncture for purposes of withdrawing blood for laboratory examination test procedures. 72 hours lecture and 54 hours laboratory.

MDA-58A - Medical Transcription

Examines transcription of medical reports, formatting, proofreading, punctuation, and editing. Examines medical law and ethics as it relates to medical transcription. 72 hours lecture and 54 hours laboratory.

MDA-58B - Advanced Medical Transcription

Examines transcription of advanced medical reports, formatting, proofreading, punctuation and editing. Examines medical law ethics as it relates to medical transcription. 45 hours lecture and 27 hours laboratory.

MDA-58A - Medical Transcription

Examines transcription of medical reports, formatting, proofreading, punctuation, and editing. Examines medical law and ethics as it relates to medical transcription. 72 hours lecture and 54 hours laboratory.

MDA-58B - Advanced Medical Transcription

Examines transcription of advanced medical reports, formatting, proofreading, punctuation and editing. Examines medical law ethics as it relates to medical transcription. 45 hours lecture and 27 hours laboratory.

MDA-97 - Math Center Practicum

Prerequisite: None.
Corequisite: Concurrent enrollment in any math course.
Math Center access for students who feel they will benefit from use of the Math Center's resources. May be taken a total of four times. 54 hours laboratory required for credit. (Non-degree credit course. Pass/No Pass only.)

MAT-98 - Academic Excellence Seminar

Prerequisite: None.
Corequisite: Concurrent enrollment in First-Year Experience program.
Interactive seminar designed to enhance students' learning skills and experience in mathematics. May be taken a total of two times. 27 hours laboratory. (Non-degree credit course. Pass/No Pass only.)

MAT-99 - Patient Preparation, Counseling and Education

Covers assisting the physician with examinations and procedures, patient preparation, counseling and education.

MDA-1A - Medical Terminology 1A

Examines the structure and use of medical terms related to the body as a whole and basic anatomy, physiology and pathology of the musculoskeletal, digestive, cardiovascular, respiratory and blood/lymphatic systems. Remainder of body systems are addressed in MDA-1B. 54 hours lecture.

MDA-1B - Medical Terminology 1B

Examines the use of medical terms related to the basic anatomy, physiology and pathology of the urinary, male and female reproductive, integumentary, nervous, sensory and endocrine systems. Also includes the specialty fields of radiology, oncology, pharmacology and psychology. 54 hours lecture.

MDA-54 - Clinical Medical Assisting and Pharmacology

Examines treatment modalities in modern health care, drug laws, standards, systems of measurement, dosages, actions and effects. Covers assisting the physician with examinations and procedures, patient preparation, counseling and education. Includes sterilization techniques and diagnostic laboratory procedures. Examines the principles of medical law and ethics as applied to the physician, patient, and those employed in the medical field. Pursuant to Section 2146.5 and 2146.6 of the Business and Professions Code and adopted in Subchapter 3 of Chapter 13 of Title 16 of the California Administrative Code, this class will also include administration of medications including intradermal, subcutaneous, and intramuscular. Includes venipuncture for purposes of withdrawing blood for laboratory examination test procedures. 72 hours lecture and 54 hours laboratory.

MDA-58A - Medical Transcription

Examines transcription of medical reports, formatting, proofreading, punctuation, and editing. Examines medical law and ethics as it relates to medical transcription. 72 hours lecture and 54 hours laboratory.

MDA-58B - Advanced Medical Transcription

Examines transcription of advanced medical reports, formatting, proofreading, punctuation and editing. Examines medical law ethics as it relates to medical transcription. 45 hours lecture and 27 hours laboratory.

MDA-59 - Medical Office Procedures

Patient scheduling, communications, medical records management, and care of office property. Credit and collection, financial record keeping, and insurance billing. 72 hours lecture and 54 hours laboratory.

MDA-60 - Survey of Human Disease Processes

Examines and discusses the most common disease processes in relation to each of the body systems. Includes etiology, mechanisms of disease, diagnosis and treatment. 36 hours lecture.

MDA-61 - Pharmacology for Medical Office Personnel

Addresses the history of pharmacology and legislation related to drugs. This course also examines the classification of drugs, their source and their affect on the human body, the use of drug references and explores/discusses the common terms used to describe the administration of medications. 36 hours lecture.

MDA-62 - CPT/Coding

Advisory: Completion of or concurrent enrollment in MDA-1B.
Addresses the principles, terminology and techniques of procedural coding as outlined in the Physician’s Current Procedural Terminology. Included coding for the physician’s services, anesthesiology, surgery, radiology, pathology/laboratory and medicine. This course also examines current procedural coding and its relationship to the Health Care and Financing Administrator’s Common Procedural Coding System. History of pharmacology and legislation related to drugs. This course also examines the classification of drugs, their source and their affect on the human body, the use of drug references and explores/discusses the common terms used to describe the administration of medications. 54 hours lecture.
MDA-63 - ICD-9 Coding/Ambulatory 3 units
Prerequisite: MDA-1A.
Advisory: MDA-1B, 59 and AMY-10.
Addresses the principles, terminology, interpretation of medical records to ensure support of diagnoses, conditions and problems encountered during coding procedures encountered in ambulatory healthcare environments and techniques of ICD-9 (International Classification of Diseases, Clinical Modification, 9th revision) diagnostic codes as they related to ambulatory care settings. 54 hours lecture.

MDA-64 - ICD-9 Coding/Hospital 3 units
Prerequisite: MDA-1A and 1B, or completion of MDA-1A and concurrent enrollment in 1B.
Advisory: Completion of MDA-59 and AMY-10.
Addresses the principles, terminology and techniques of ICD-9 (International Classification of Diseases, Clinical Modification, 9th revision) diagnostic coding as applied to a non-ambulatory/hospital environment. 54 hours lecture.

MDA-200 - Medical Assisting Work Experience 1-2-3-4 units CSU*
Prerequisite: None.
Advisory: Students should have paid or voluntary employment.
This course is designed to coordinate the student's occupational on-the-job training with related classroom instruction. Students enrolled in this occupational work experience course must be employed in a field related to the work experience subject area. Students may earn up to four (4) units each semester for a maximum of 16 units of work experience. No more than 20 hours per week may be applied toward the work requirement. 18 hours lecture. Additionally, 60 hours of volunteer work or 75 hours of paid work is required for each unit.

MICROBIOLOGY
MIC-1 - Microbiology 4 units
UC, CSU
Prerequisite: CHE-2A and one of the following: AMY-2A, 2B, 10, BIO-1, 2A, 2B, 5, 8, 11, 12 or 34.
General characteristics of microorganisms with emphasis on morphology, growth, reproduction and chemical activities; their control; role in disease; and application of their role to mankind. 54 hours lecture and 54 hours laboratory.

MILITARY SCIENCE
The Army Reserve Officers Training Corps (AROTC) makes available the first two years of its program to qualified Riverside Community College District students through the Claremont Colleges, with classes taught at Claremont, California State University at San Bernardino, and/or at Riverside Community College District. Credit towards an A.A. degree will be granted by RCCD for these courses. There are no charges to the students for these first two years. Students will have the opportunity to compete for Army scholarships. Information on the Army ROTC program is available from the Claremont Colleges: (909) 624-7965.

MIL-1 - Military History of the United States 3 units to 1900
(Same as HIS-11)
UC, CSU
Prerequisite: None.
An examination of the evolution of American military and naval practices and institutions as they have developed through the major wars involving the United States up to 1900. The roles of leadership and technology and their impact upon the art of war will also be discussed. 54 hours lecture.

MIL-2 - Military History of the United States 3 units since 1900
(Same as HIS-12)
UC, CSU
Prerequisite: None.
An examination of the evolution of American military and naval practices and institutions as they have developed through major wars of the twentieth century, with emphasis upon two world wars. The roles of leadership and technology and their impact upon the art of war will also be discussed. 54 hours lecture.

MUSIC
MUS-1 - Teaching Music to Young Children 3 units CSU
Prerequisite: None.
Instruction in teaching music to young children. Emphasis will be on music for early childhood ages 3 - 8. Musical elements and theory will be introduced through activities appropriate for children. 54 hours lecture.

MUS-3 - Fundamentals of Music 4 units
UC, CSU
Prerequisite: None.
Advisory: Concurrent enrollment in MUS-32 and another music performance class.
Basic course in music theory designed to develop an understanding of notation, rhythm, pitch, keys, modes, scales, intervals, chords and music terminology. Sightsinging, dictation and music reading using the keyboard. 54 hours lecture and 54 hours laboratory.

MUS-4 - Music Theory I 4 units
UC, CSU
Prerequisite: MUS-3 and 32 or 53.
Advisory: Concurrent enrollment in a music performance class.
Through guided composition and analysis this course incorporates the following concepts: rhythm and meter, basic properties of sound, intervals, diatonic scales and triads, diatonic chords, basic cadential formulas and phrase structure, dominant seventh, figured bass, non-harmonic tones, and voice leading involving 4-part chorale writing. Development of skills in handwritten notation is expected. Lab includes sight singing and ear training including melodic, harmonic and rhythmic dictation. Keyboard requirements include playing chord progressions, modes, and scales in all major and minor keys. 54 hours lecture and 54 hours laboratory.
The following is a list of the classes that qualify for the “two unit performance class” corequisite requirement for MUS-3, 12, 39, 79 and P12:

- MUS-28 Riverside Community Symphony
- MUS-33 Showcase Singers
- MUS-38 Beginning Applied Music Training
- MUS-41 Chamber Singers
- MUS-42 Wind Ensemble
- MUS-44 Jazz Ensemble
- MUS-48 Marching Band
- MUS-61 Auxiliary March Units
- MUS-65 Basic Musicianship
- MUS-66 Advanced Auxiliary Units
- MUS-68 Community Symphony
- MUS-73 Showcase Ensemble
- MUS-77 Guitar Ensemble
- MUS-78 Beginning Applied Music Training II
- MUS-81 Consort Singers
- MUS-82 Wind Symphony
- MUS-84 Jazz Orchestra
- MUS-88 Pageantry Ensemble
- MUS-P28 Symphony Strings
- MUS-P77 Advanced Guitar Ensemble
- THE-37 Musical Theater Techniques
- THE-52 Musical Theater Touring Ensemble

MUS-20 - Great Composers and Music Masterpieces 3 units to 1820
UC, CSU
Prerequisite: None.
Advisory: ENG-1A or 1AH.
A course on biography, history and music masterpieces of classical European music from its inception to 1820. The content focuses on great composers and their music in an historical context from the Medieval, Renaissance, Baroque and Classic periods. 54 hours lecture.

MUS-25 - Jazz Appreciation 3 units
UC, CSU
Prerequisite: None.
A comprehensive study of jazz from its origins to the present day. Study will be centered on influential composers, instrumentalists, vocalists and arrangers. There will also be an introduction to and study of musical elements such as instrumentation, lyrics, form, rhythm and harmony. 54 hours lecture.

MUS-26 - Film Music Appreciation 3 units
UC, CSU
Prerequisite: None.
A study of film music in the United States from 1927 to the present day. Study will be centered on originally composed scores by prominent composers and arrangers. 54 hours lecture.

MUS-8A - Introduction to MIDI and Digital Audio 3 units
CSU
Prerequisite: None.
An introduction to the Musical Instrument Digital Interface and its applications. Includes the MIDI interface (Musical Instrument Digital Interface), sequencing and notation, drum machines, samplers, and tape machines used to produce musical projects. 36 hours lecture and 54 hours laboratory.

MUS-8B - Sequencing and Orchestration with Digital Audio and MIDI 3 units
CSU
Prerequisite: MUS-8A.
Practical experience using Digital Audio, the Musical Instrument Digital Interface (MIDI) and its applications with an emphasis on song writing, graphic notation, sampling, editing and orchestrating. May be taken a total of three times. 36 hours lecture and 54 hours laboratory.

MUS-9 - Music Composition and Film Scoring with Digital Audio 3 units
CSU
Prerequisite: MUS-8B.
Practical experience using the Musical Instrument Digital Interface (MIDI), Digital Audio and its applications. Emphasis will be on recording musically advanced compositions and scoring music for film. May be taken a total of three times. 36 hours lecture and 54 hours laboratory.

MUS-19 - Music Appreciation 3 units
UC, CSU
Prerequisite: None.
A comprehensive study of musical style, form, and materials organized to acquaint the student with representative musical literature through listening, reading and writing. 54 hours lecture.

MUS-29 - Concert Choir 1 unit
UC, CSU
Prerequisite: None.
Limitation on enrollment: Audition by instructor.
A large choir dedicated to the study, rehearsal and public performance of larger choral works from Renaissance to 20th Century. Activities include festivals, concerts and clinics. May be taken a total of four times. 54 hours laboratory.

MUS-30 - Class Voice 1 unit
UC, CSU
Prerequisite: None.
Group study of vocal production, voice techniques, diction and interpretation. Opportunity provided for individual attention and performance. May be taken a total of four times. 54 hours laboratory.

MUS-31 - College Choir 1 unit
UC, CSU
Prerequisite: None. Open to all students interested in a college choral singing experience.
A vocal ensemble of mixed voices dedicated to the study, rehearsal and performance of a variety of choral literature. May be taken a total of four times. 54 hours laboratory.

MUS-32 - Class Piano 1 unit
UC, CSU
Prerequisite: None.
Group work in developing keyboard facility and reading of music notation. Opportunity provided for individual attention and performance. Developing knowledge and facility with primary and secondary chords and their use in song accompaniment patterns. Subsequent enrollment will provide the student an opportunity for additional skill and competency development. May be taken a total of four times. 17 hours lecture and 32 hours laboratory.
MUS-33 - Vocal Jazz Ensemble 2 units
UC, CSU
Prerequisite: None.
Advisory: Concurrent enrollment in MUS-29, 41, 51, 69 or 81.
Limitation on enrollment: Audition by instructor.
A select vocal ensemble dedicated to the study and performance of jazz music arranged for vocal jazz ensemble. Appearances at public and private functions will be made throughout the year. Opportunity for students to arrange and compose. May be taken a total of four times. 108 hours laboratory.

MUS-35 - Vocal Music Ensembles 1 unit
UC, CSU
Prerequisite: None.
Limitation on enrollment: Audition by instructor.
A small select vocal group dedicated to the rehearsal and performance of classical and madrigal literature. Public performance in concert or recital situations will take place throughout the semester. May be taken a total of 4 times. 54 hours laboratory.

MUS-36 - Instrumental Chamber Ensembles 1.5 units
UC, CSU
Prerequisite: None.
Limitation on enrollment: Audition on or before the first class meeting.
The ability to sight-read and perform music on a wind, percussion, string or keyboard instrument.
Performance of standard music literature for the small instrumental ensemble. Public performance in concert or recital situations. Subsequent enrollment in additional semesters will provide the student an opportunity for additional skill and competency development. May be taken a total of four times. 81 hours laboratory.

MUS-37 - Class Guitar 1 unit
UC, CSU
Prerequisite: None.
Fundamentals of guitar performance and basic musicianship. Introduction to music notation, basic guitar technique and development of basic repertoire. May be taken a total of four times. 17 hours lecture and 32 hours laboratory.

MUS-38 - Beginning Applied Music Training 2 units
UC, CSU
Prerequisite: None.
Limitation on enrollment: Audition on or before the first class meeting.
Vocal or instrumental instruction for students who are proficient performers who could benefit from individualized instruction in preparation for a job in the music field or to prepare for performance auditions. Attendance at related concerts required. Not designed for beginning students. Beginning students are encouraged to take class piano, voice class or guitar class as an entry into the field of music performance. May be taken a total of four times. 108 hours laboratory.

MUS-39 - Intermediate Applied Music 3 units
UC, CSU
Prerequisite: None.
Corequisite: Two-unit performance ensemble.
Limitation on enrollment: Audition on or before the first class meeting.
Individual instruction on a musical instrument or voice, supervised practice, concert attendance and ensemble participation. May be taken a total of four times. 162 hours laboratory.

MUS-41 - Chamber Singers 2 units
UC, CSU
Prerequisite: None.
Advisory: Concurrent enrollment in MUS-29, 33, 51, 69 or 73.
Limitation on enrollment: Audition by instructor.
A select chamber vocal group dedicated to the study, rehearsal, and public performance of smaller vocal repertoire from Renaissance to Contemporary. Activities include festivals, concerts, radio and TV broadcasts and tours. Subsequent enrollment in additional semesters will provide the student an opportunity for additional skill and competency development within the subject matter. May be taken a total of four times. 108 hours laboratory.

MUS-54 - Community Jazz Ensemble .5 unit
UC, CSU
Prerequisite: None.
Limitation on enrollment: Previous experience in performance of jazz literature and audition on or before the first class meeting.
Study and performance of standard jazz ensemble literature. Appearances at college and community functions are made each semester. Subsequent enrollment will provide additional skill and competency development within the subject matter. May be taken a total of four times. 27 hours laboratory.

MUS-55 - Community Concert Band 1 unit
UC, CSU
Prerequisite: None.
Limitation on enrollment: Audition on or before the first class meeting.
Ability to sight-read and perform music on either a wind or percussion instrument.
Study and performance of standard concert band literature. Appearances at college and community functions are made throughout the year. May be taken a total of four times. 54 hours laboratory.

MUS-57 - Gospel Singers 1 unit
UC, CSU
Prerequisite: None. Open to all students interested in a college choral singing experience.
A college chorus of mixed voices dedicated to the study, rehearsal and public performance of anthems, spirituals and gospel (traditional/contemporary) music. This class provides for the learning of the fundamentals of choral singing. Subsequent enrollment will provide the student with an opportunity for additional skill and competency development within the subject matter. May be taken a total of four times. 54 hours laboratory.

MUS-58 - Gospel Choir 1 unit
UC, CSU
Prerequisite: None. Open to all students interested in a college choral singing experience.
A choir of mixed voices dedicated to the further study, rehearsal and public performance of anthems, spirituals and African-American gospel (traditional/contemporary) music. May be taken a total of four times. 54 hours laboratory.
MUS-65 - Basic Musicianship  2 units
UC, CSU
Prerequisite: None.
An introduction to the basic knowledge and skills necessary to develop the ability to read standard musical notation. Voice, piano, and rhythm instruments will be used, at a rudimentary level, to aid the development of sight reading skills. Music Learning Center facilities will also develop student skill. The necessary rudiments of music theory will be presented as they apply to music reading. 36 hours lecture.

MUS-71 - College Chorus  1 unit
UC, CSU
Prerequisite: None.
Limitation on enrollment: Audition on or before the first class meeting. An advanced vocal ensemble of mixed voices dedicated to the further study, rehearsal and performance of a variety of choral literature. May be taken a total of four times. 54 hours laboratory.

MUS-77 - Guitar Ensemble  2 units
UC, CSU
Prerequisite: None.
Limitation on enrollment: Previous experience with classical guitar and an audition.
An ensemble dedicated to the study, rehearsal and performance of a variety of literature written or transcribed for classical guitar ensemble. Subsequent enrollment will provide the student an opportunity to gain additional skill and competency within the subject matter. May be taken a total of four times. 108 hours laboratory.

MUS-95 - Community Symphony Band  1 unit
UC, CSU
Prerequisite: None.
Limitation on enrollment: Audition on or before the first class meeting. The ability to sightread and perform music on either a wind or percussion instrument.
Study and performance of symphony band literature. Appearances at college and community functions are made throughout the year. May be taken a total of four times. 54 hours laboratory.

MUS-200 - Music Work Experience  1-2-3-4 units
CSU*
Prerequisite: None.
Advisory: Students should have paid or voluntary employment.
This course is designed to coordinate the student’s occupational on-the-job training with related classroom instruction. Students enrolled in this occupational work experience course must be employed in a field related to the work experience subject area. Students may earn up to four (4) units each semester for a maximum of 16 units of work experience. No more than 20 hours per week may be applied toward the work requirement. 18 hours lecture. Additionally, 60 hours of volunteer work or 75 hours of paid work is required for each unit.

MUS-P28 - Symphony Strings  2 units
UC, CSU
Prerequisite: None.
Limitation on enrollment: Audition on or before the first class meeting.
A course that rehearses and performs symphonic orchestral literature. Appearances at college and community functions are made throughout the year. Subsequent enrollment in additional semesters will provide the student an opportunity for additional skill and competency development within the subject matter and provide leadership opportunities within the section. May be taken a total of four times. 18 hours lecture and 54 hours laboratory.

PHI-10 - Introduction to Philosophy  3 units
UC, CSU
Prerequisite: None.
A survey and exploration of significant questions in the Western philosophical tradition. Questions are drawn from the various branches of philosophy: metaphysics, theory of knowledge, ethics, aesthetics, political philosophy and/or philosophy of religion. Students may not receive credit for both PHI-10 and PHI-10H. 54 hours lecture.

PHI-10H - Honors Introduction to Philosophy  3 units
UC, CSU
Prerequisite: None.
Limitation on enrollment: Enrollment in the honors program. A survey and exploration of significant questions in the Western philosophical tradition through an examination of primary sources. Questions are drawn from the various branches of philosophy: metaphysics, theory of knowledge, ethics, aesthetics, political philosophy and/or philosophy of religion. The honors course offers an enriched experience for accelerated students by means of limited class size, seminar format, discussions and projects generated and led by students, the application of higher level thinking and writing skills—analysis, synthesis, and evaluation. Students may not receive credit for both PHI-10 and PHI-10H. 54 hours lecture.

PHI-11 - Critical Thinking  3 units
UC, CSU
Prerequisite: None.
This course presents critical thinking as a skill to be used for better understanding, evaluating and constructing arguments. The focus will be on developing and enhancing the student’s ability to identify, analyze and present arguments. Topics covered through analysis and writing include the nature of argument, inductive and deductive reasoning, rhetoric, theory of knowledge, scientific method, informal fallacies. 54 hours lecture.

PHI-12 - Introduction to Ethics: Contemporary Moral Issues  3 units
UC, CSU
Prerequisite: None.
Contemporary problems in ethics. An examination of the moral problems of today in light of ethical theory. Problems examined may include abortion, euthanasia, the death penalty, affirmative action, war, racism, sexism, and others. 54 hours lecture.

PHI-15 - Bio-Medical Ethics  3 units
UC, CSU
Prerequisite: None.
An introduction to some of the ethical questions which affect medical research and the health care industry. The topics covered will include: the foundation of ethical judgments, the nature of moral reasoning, the ethics of medical practitioner-patient relationships, confidentiality, death and dying, medical experimentation, animal research, abortion and euthanasia, genetic engineering, and the new reproductive technologies. 54 hours lecture.
PHI-20 - History of Western Philosophy I: 3 units
Greek, Roman, and Medieval
UC, CSU
Prerequisite: None.
A survey of the beginning and rise of Western science and philosophy; pre-Socratic era, Socrates, Plato, Aristotle; Greek philosophical influence upon the Roman Empire and Medieval Europe. 54 hours lecture.

PHI-21 - History of Western Philosophy II: 3 units
Modern and Contemporary
UC, CSU
Prerequisite: None.
Advisory: PHI-10, 10H, 12, or 20.
A survey of the history of Western philosophy beginning with the transition from the medieval period and ending with contemporary philosophy. Topics covered will include renaissance humanism, the rise of modern science, continental rationalism, British empiricism, the Enlightenment, German romanticism and idealism, and such contemporary movements as Marxism, existentialism, positivism, American pragmatism and analytic philosophy. 54 hours lecture.

PHI-32 - Introduction to Symbolic Logic 3 units
(Same as MAT-32)
UC, CSU
Prerequisite: None.
Limitation on enrollment: May not be taken if credit for MAT-32 has been granted.
Introduces the principles of deductive reasoning, including the practical application of modern symbolic techniques. 54 hours lecture.

PHI-35 - Philosophy of Religion 3 units
(Same as HUM-35)
UC, CSU
Prerequisite: None.
Advisory: PHI-10 or 11.
An introduction to the examination of religious claims from a philosophical perspective. Emphasis will be placed upon examining the rational justification for various traditional faith claims, and upon examining the relationship between rationality and faith. The course presumes a basic knowledge of philosophical argumentation. 54 hours lecture.

PHO-8 - Introduction to Photography 3 units
UC, CSU
Prerequisite: None.
Theory and practice in the basic techniques of producing quality black and white photographs with technical and artistic merit. Acquire competency in the use of cameras, photo materials and processes associated with basic darkroom procedures. Students are expected to supply their own 35 mm cameras with f-stop and shutter controls, film and enlarging paper for printing. Lab materials fee assessed. 27 hours lecture and 81 hours laboratory.

PHO-9 - Intermediate Photography 3 units
CSU
Prerequisite: PHO-8.
An intermediate course in black and white photography with emphasis on materials, equipment, methods of application and the theory and practice of photographic composition. Introduces professional medium and large format cameras. Students required to provide 35 mm camera with f-stop and shutter controls. Lab materials fee assessed. 27 hours lecture and 81 hours laboratory.

PHO-10 - Advanced Photography 3 units
CSU
Prerequisite: PHO-9.
Advanced concepts of black and white photography, with emphasis on utilization of 35 mm and medium and large format cameras in the studio and on location. Application of advanced lighting techniques for products and portraiture. Includes an introduction to studio management and the legal and financial considerations of the professional photographer. Students required to provide their own 35 mm camera with f-stop and shutter controls. Lab materials fee assessed. 27 hours lecture and 81 hours laboratory.

PHO-12 - Photojournalism 3 units
(Same as JOU-12)
CSU
Prerequisite: PHO-8.
Corequisite: Concurrent enrollment in or prior completion of PHO-9.
Introduction to basic photojournalism as a means for communicating visual information in print media. Emphasis on using photographs to tell a story. Discussion of the professional, legal, and ethical responsibilities of the photojournalist. Students required to provide 35 mm camera with f-stop and shutter controls. Lab materials fee assessed. 27 hours lecture and 81 hours laboratory.

PHO-13 - Advanced Darkroom Techniques 3 units
CSU
Prerequisite: PHO-9.
Designed to introduce advanced students to manipulation of photosensitive materials for technical and creative enhancement of photographic images. The course presents the principles learned to control contrast and density with the goal of producing images with technical excellence using lighting, exposure, developing and printing techniques. Discuss laboratory processes for ensuring archival permanence of photographic images. 27 hours lecture and 81 hours laboratory.

PHO-14 - Basic Studio Portraiture 3 units
CSU
Prerequisite: PHO-9.
Designed to introduce students to the basic theory and principles of studio photography. This course provides hands on experience in creating studio and environmental portraits with an emphasis on lighting and posing techniques. 27 hours lecture and 81 hours laboratory.
PHO-17 - Introduction to Color Photography  3 units  
CSU  
Prerequisite: PHO-9.  
An introductory course in color photography covering theory and practice in the use of equipment and materials for producing color prints. Students required to provide 35-mm camera with f-stop and shutter controls. A materials fee will be charged at the time of registration. May be taken a total of two times. 27 hours lecture and 81 hours laboratory.

PHO-20 - Introduction to Digital Still Photography  3 units  
CSU  
Prerequisite: None.  
Introduces students to electronic still photography and digital imagery. Students will learn how to create photography quality images without use of the traditional photographic wet lab. Students use state of the art computers, digital cameras, professional grade negative and flat bed scanners and a digital printer to produce photo-grade prints. Software utilized includes Adobe Photoshop, Photoenhancer Ofoto and others. May be taken a total of four times. 27 hours lecture and 81 hours laboratory.

PHO-200 - Photography Work Experience  1-2-3-4 units  
CSU*  
Prerequisite: None.  
Advisory: Students should have paid or voluntary employment.  
This course is designed to coordinate the student’s occupational on-the-job training with related classroom instruction. Students enrolled in this occupational work experience course must be employed in a field related to the work experience subject area. Students may earn up to four (4) units each semester for a maximum of 16 units of work experience. No more than 20 hours per week may be applied toward the work requirement. 18 hours lecture. Additionally, 60 hours of volunteer work or 75 hours of paid work is required for each unit.  

Also see JOURNALISM

PHYSICAL EDUCATION

It is recommended that students enroll in physical education activity courses or academic physical education courses (that satisfy the Self Development requirement of the Associate of Arts Degree) during the first two semesters of full-time enrollment until the two or three unit requirement is completed. For further information, students should read the Associate of Arts Degree requirements in this catalog.

ACADEMIC COURSES

PHO-17 - Introduction to Color Photography  3 units  
UC, CSU  
Prerequisite: None.  
The principles of modern nutrition and its application. The importance of a scientific knowledge of nutrition, specific food nutrients and nutritional controversies. A study of modern convenience foods and their impact on present day diets. 54 hours lecture.

PHO-20 - Introduction to Digital Still Photography  3 units  
UC, CSU  
Prerequisite: None.  
This course involves the theory and detailed demonstration of first aid of the injured by the citizen responder. Students who successfully pass all American Red Cross requirements will receive an American Red Cross Responding to Emergency Certificate. Students who successfully pass all American Heart Association requirements will receive a Healthcare Professional CPR Certificate. Fees for required certificates will be charged to the student and are not covered by BOGW. 54 hours lecture.

PHO-35 - Foundation for Fitness and Wellness  3 units  
CSU  
Prerequisite: None.  
This course will provide students with the ability to make informed choices and to take responsibility for those choices in the areas of fitness, nutrition and stress management. Emphasis is on the application of health and physical fitness principles. Each student will develop a personalized plan for the overall maintenance of their own wellness. 45 hours lecture and 27 hours laboratory.

PHO-36 - Wellness: Lifestyle Choices  3 units  
CSU  
Prerequisite: None.  
The course content focuses upon the dynamic and inter-related dimensions of wellness and how choices made by the individual may encourage an enhanced quality of life. The dimensions of wellness include the social, physical, emotional, occupational, intellectual, environmental, and spiritual. Potential student benefits include learning positive life skills through expanding self-awareness and the opportunity to enhance one’s personal, family and community wellness. 54 hours lecture.

PHO-38 - Stress Management  3 units  
CSU  
Prerequisite: None.  
This course explores the nature, physiology, and psychology of stress. Students will explore perceptions, attitudes, beliefs, and lifestyle factors that may be pre-cursors to distress. Students are also exposed to a variety of coping mechanisms and techniques for stress management. The lab portion of this class provides students the opportunity to practice techniques and develop a personalized stress management program. 45 hours lecture and 27 hours laboratory.

ACTIVITY COURSES

Besides fulfilling the Self Development requirement, activity classes can be used as electives for the Associate of Arts Degree and the Associate of Science Degree.

PHO-39 - Racquetball  1 unit  
UC*, CSU  
Prerequisite: None.  
This course is designed to introduce students to the rules and fundamental skills of racquetball. Students will also develop an understanding of basic strategy involved in racquetball and have the opportunity to participate in a class tournament. Subsequent enrollment in additional semesters will provide the student an opportunity for added skill and competency development within each activity area. Enrollment is limited to four times within the racquetball activity area. 54 hours laboratory.
PHP-A10 - Table Tennis, Beginning  1 unit
UC*, CSU
Prerequisite: None.
This course will introduce the student to the sport of table tennis. Topics to be covered include equipment, rules and terminology, strokes, technique and strategy. Students will also compete in class competitions and tournaments. Subsequent enrollment in additional semesters will provide the student an opportunity for added skill and competency development within each activity area. Enrollment is limited to four times within the table tennis activity area. 54 hours laboratory.

PHP-A11 - Tennis, Beginning  1 unit
UC*, CSU
Prerequisite: None.
This beginning course is for the inexperienced or starting player. Emphasis is placed on the basic forehand, backhand, serve and volley strokes. Basic strategies for doubles and singles will be introduced. Subsequent enrollment in additional semesters will provide the student an opportunity for added skill and competency development within each activity area. Enrollment is limited to four times within the tennis activity area. 54 hours laboratory.

PHP-A12 - Tennis, Intermediate  1 unit
UC*, CSU
Prerequisite: None.
Advisory: PHP-A11.
Intermediate tennis is designed for the player wishing to review basic strokes and develop intermediate level skills. Subsequent enrollment in additional semesters will provide the student an opportunity for added skill and competency development within each activity area. Enrollment is limited to four times within the tennis activity area. 54 hours laboratory.

PHP-A13 - Tennis, Advanced  1 unit
UC*, CSU
Prerequisite: None.
Advisory: PHP-A12.
This course is designed for the advanced player interested in improving both their knowledge and skill in tennis. Emphasis is placed on advanced skills and competition. Subsequent enrollment in additional semesters will provide the student an opportunity for added skill and competency development within each activity area. Enrollment is limited to four times within the tennis activity area. 54 hours laboratory.

PHP-A15 - Bowling, Beginning  1 unit
UC*, CSU
Prerequisite: None.
This course is designed to develop the basic techniques of bowling. Practice drills focus on the development of an appropriate grip, the approach and ball delivery. Students have an opportunity for practicing their skills and for competition during a handicap league. Subsequent enrollment in additional semesters will provide the student an opportunity for added skill and competency development within each activity area. Enrollment is limited to four times within the bowling activity area. 54 hours laboratory.

PHP-A16 - Bowling, Intermediate  1 unit
UC*, CSU
Prerequisite: None.
This course is designed to give the student the opportunity to continue improving his/her timing, approach and delivery. Individual coaching is given on footwork and ball release. Different systems for spare conversions are presented and the student is given the opportunity to practice them and develop a preference. Lane conditions become a concern for the intermediate bowler. Reading oil patterns and making adjustments of feet, marks, speed of delivery and focus are emphasized. The students will participate in a handicap league. Additional semesters will provide the student an opportunity for added skill and competency development within each activity area. Enrollment is limited to four times within the bowling activity area. 54 hours laboratory.

PHP-A17 - Bowling, Advanced  1 unit
UC*, CSU
Prerequisite: None.
This course is designed to assist students in perfecting approach and delivery, and mastery of spare conversion. Emphasis is on lane adjustments: marks, feet, focus, speed, lift and equipment. It affords bowlers an opportunity to practice skills with other highly skilled bowlers. Discussions on the psychology and problems involving competition help to prepare bowlers for high-level competition. The bowlers participate in singles and doubles handicap competition in class. Additional semesters will provide the student an opportunity for added skill and competency development within each activity area. Enrollment is limited to four times within the bowling activity area. 54 hours laboratory.

PHP-A20 - Golf, Beginning  1 unit
UC*, CSU
Prerequisite: None.
This course is designed to serve as an opportunity for the students to develop fundamental skills such as grip, stance, address and swing. Class competitive play and skill contests are conducted to further develop the students’ interest in the game. Subsequent enrollment in additional semesters will provide the student an opportunity for added skill and competency development within each activity area. Enrollment is limited to four times within the golf activity area. 54 hours laboratory.

PHP-A21 - Golf, Intermediate  1 unit
UC*, CSU
Prerequisite: None.
Advisory: PHP-A20.
This course is designed to serve as an opportunity for students to develop golf skills at the intermediate level. The mental approach to golf as well as intermediate drills and practice techniques will be employed to further enhance the students’ skill level. Subsequent enrollment in additional semesters will provide the student added skill and competency development within each activity area. Enrollment is limited to four times within the golf activity area. 54 hours laboratory.
PHP-A36 - Cross Country Skiing 1 unit
UC*, CSU
Prerequisite: None.
This course is designed to allow the student to develop skills and interest in cross country skiing. Topics will include equipment and clothing selection, waxing, instruction in classical technique, skating technique and Nordic downhill. Practical application of skiing skills will take place in the field trips. Subsequent enrollment in additional semesters will provide the student an opportunity for added skill competency development within each activity area. Enrollment is limited to four times within the cross country skiing activity area. 54 hours laboratory.

PHP-A40 - Karate, Beginning 1 unit
UC*, CSU
Prerequisite: None.
This course in beginning karate will develop the basic skills needed for the art of unarmed self-defense. This includes the use of blocking, shifting, punching, striking, and kicking. Karate will also develop speed, grace of movement, self-confidence, poise, mental alertness, strength, endurance, and muscular control. Karate is a physical art and a sport that anyone, irrespective of size, age, or sex, can practice according to his or her own capabilities. Subsequent enrollment in additional semesters will provide the student an opportunity for added skill competency development within each activity area. Enrollment is limited to four times within the karate activity area. 54 hours laboratory.

PHP-A41 - Karate, Intermediate 1 unit
UC*, CSU
Prerequisite: None.
Advisory: Course is designed for students with proficient skills in blocking, shifting, punching, striking and kicking and the knowledge of basic katas or for those who have completed PHP-A40.
This course in intermediate karate is designed for the student wishing to review basic self defense skills and begin work on higher skills, develop intermediate level skills in unarmed self defense, and learn basic skills in kumite (free fighting). Subsequent enrollment in additional semesters will provide the student an opportunity for added skill competency development within each activity area. Enrollment is limited to four times within the karate activity area. 54 hours laboratory.

PHP-A43 - T’ai-chi Ch’uan, Beginning 1 unit
UC*, CSU
Prerequisite: None.
Teaches the student the first Yang Style T’ai-chi ch’uan (taijiquan) routine, section one. The first t’ai-chi form is a 28 movement symmetrical choreographed routine. The students will learn proper posture, relaxation methods, stances, hand and foot motions. Benefits include improved balance, coordination and stress reduction. Supplemental exercises will include stretching methods, ch’i kung (qigong) and Chinese therapeutic exercises. Subsequent enrollment in additional semesters will provide the student an opportunity for added skill competency development. Enrollment is limited to four times within the T’ai-chi Ch’uan activity area. 54 hours laboratory.

PHP-A44 - T’ai-chi Ch’uan, Intermediate 1 unit
UC*, CSU
Prerequisite: PHP-A43.
A continuation of Yang Style T’ai-chi Ch’uan. It will teach the student more advanced forms and training methods. Students will learn the Yang Style T’ai-chi Ch’uan (taijiquan) Long Form. Students will also learn the partner T’ai-chi San Shou application form, advanced pushing hands training methods and supplemental exercises. This class will prepare the student to test for the NWTCCA T’ai-chi Ch’uan certification. Subsequent enrollment in additional semesters will provide the student an opportunity for added skill competency development. Enrollment is limited to four times within the T’ai-chi Ch’uan activity area. 54 hours laboratory.

PHP-A46 - Hatha Yoga, Beginning 1 unit
UC*, CSU
Prerequisite: None.
This course offers beginning hatha yoga exercises to improve students’ physical and mental wellness. The yoga exercises will be taught to promote improvement in yoga breathing techniques, concentration, muscular flexibility, strength and endurance, balance and meditation techniques. Subsequent enrollment in additional semesters will provide the student an opportunity for added skill competency development within each activity area. Enrollment is limited to four times within the hatha yoga activity area. 54 hours laboratory.

PHP-A47 - Hatha Yoga, Intermediate 1 unit
UC*, CSU
Prerequisite: None.
Advisory: PHP-A46.
This course offers intermediate hatha yoga exercises to improve students’ physical and mental wellness. The yoga exercises will be taught to promote improvement in yoga breathing techniques, concentration, muscular flexibility, strength and endurance, balance and meditation techniques. Subsequent enrollment in additional semesters will provide the student an opportunity for added skill competency development within each activity area. Enrollment is limited to four times within the hatha yoga activity area. 54 hours laboratory.

PHP-A63 - Ultimate Frisbee 1 unit
UC*, CSU
Prerequisite: None.
Provides instruction in the skills, techniques, strategy, and rules of Ultimate Frisbee. The class emphasizes throwing techniques, skill improvement, and strategic team play. Students will also be exposed to a variety of Ultimate Frisbee techniques, other freestyle techniques, and distance throwing techniques. Subsequent enrollment in additional semesters will provide the student an opportunity for added skill competency development within each activity area. May be taken a total of four times. 54 hours laboratory.

PHP-A64 - Soccer 1 unit
UC*, CSU
Prerequisite: None.
This course is designed to introduce students to the rules, basic skills, and offensive/defensive strategy in soccer. Emphasis will be placed on improving individual skills and applying these skills to game situations. Subsequent enrollment in additional semesters will provide the student an opportunity for added skill competency development within each activity area. May be taken a total of four times. 54 hours laboratory.
PHP-A75 - Walking for Fitness  
UC*, CSU  
Prerequisite: None.
This course will assist students in improving physical health and general well being. It is designed for men and women of all ages, with and emphasis on cardiovascular health, fitness, and maintenance of healthy weight. Walking programs will be established to improve cardio-respiratory endurance and encourage optimal body composition. Subsequent enrollment in additional semesters will provide the student an opportunity for added skill competency development within each activity area. This course may be taken a total of four times. 54 hours laboratory.

PHP-A81 - Physical Fitness  
UC*, CSU  
Prerequisite: None.
This course is designed to give the student an overview of the basic concepts that affect total fitness. Personalized exercise programs in cardiovascular endurance, muscular strength endurance and flexibility will be developed. Subsequent enrollment in additional semesters will provide the student an opportunity for added skill competency development within each activity area. May be taken a total of four times. 54 hours laboratory.

PHP-A83 - Kickboxing Aerobics  
UC*, CSU  
Prerequisite: None.
Students will develop strength, flexibility, endurance, movement memory, balance, coordination, and cardiovascular fitness with the use of the kickboxing unit in an aerobic format. This course is designed to introduce basic fitness concepts as well as basic movement skills and exercises. Subsequent enrollment in additional semesters will provide the student with further development in skill competency within each activity area. May be taken a total of four times. 54 hours laboratory.

PHP-A85 - Bicycling  
UC*, CSU  
Prerequisite: None.
This course will acquaint the student with bicycling safety and traffic laws, bicycles and accessories, bicycle maintenance and repair, and cycling techniques. Students will develop an appreciation of cycling as a lifetime activity and as a means of developing and maintaining muscular and aerobic fitness. Subsequent enrollment in additional semesters will provide the student an opportunity for added skill competency development within each activity area. Enrollment is limited to four times within the bicycling activity area. 54 hours laboratory.

PHP-A86 - Step Aerobics  
UC*, CSU  
Prerequisite: None.
Students will develop strength, flexibility, endurance, movement memory, balance, coordination, and cardiovascular fitness with the use of the step unit in an aerobic format. This course is designed to introduce basic fitness concepts as well as basic movement skills and exercise. Subsequent enrollment in additional semesters will provide the student an opportunity for added skill competency development within each activity area. Enrollment is limited to four units within the step aerobics activity area. 54 hours laboratory.

PHP-A87 - Step Aerobics, Intermediate  
UC*, CSU  
Prerequisite: None.  
Advisory: PHP-A86 or proficient skills in step aerobics.
This course will broaden students’ aerobic experience using intermediate step combinations and various class formats such as circuit training and interval step. The students will be exposed to choreography that will improve their balance, coordination and memory skills. Students will improve their cardiovascular fitness and aerobic endurance. Subsequent enrollment in additional semesters will provide the student an opportunity for added skill and competency development within each activity area. Enrollment is limited to four units within the step aerobics activity area. 54 hours laboratory.

PHP-A88 - Step Aerobics, Advanced  
UC*, CSU  
Prerequisite: None.  
Advisory: PHP-A87 or proficient skills in step aerobics.
For students who have already taken Physical Education A87, this course will broaden their aerobic experience using advanced step combinations and various class formats such as circuit training and interval step. The students will be exposed to challenging choreography, which will improve their balance, coordination, and memory skills. Using the FIT principle of Frequency, Intensity, and Time, students will improve their cardiovascular fitness and aerobic endurance by increasing the intensity of the movements and the length of the aerobic segment. Subsequent enrollment in additional semesters will provide the student an opportunity for added skill and competency development within the step aerobics activity area. Enrollment is limited to four units within the step aerobics activity area. 54 hours laboratory.

PHP-A89 - Body Sculpting  
UC*, CSU  
Prerequisite: None.
Students will develop muscular strength and endurance, aerobic endurance, core strength, and flexibility using a variety of hand weights, body bars, elastic bands, and exercise balls. Emphasis will be placed on safety and proper technique while training major and minor muscle groups. Subsequent enrollment in additional semesters will provide the student an opportunity for added skill competency development. The course may be taken four times. 54 hours laboratory.

PHS-1 - Introduction to Physical Science  
UC*, CSU  
Prerequisite: None.
Fundamental concepts of earth, space and environmental science (geology, oceanography, meteorology, and astronomy) and principles of physics and chemistry especially as they relate to these fields. Emphasis is placed on the application of science in the understanding and solution of environmental problems. 54 hours lecture.
### PHYSICIAN ASSISTANT

<tr>
<th>Course Code</th>
<th>Course Name</th>
<th>Units</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>PHS-15</td>
<td>Introduction to the Development of Modern Science</td>
<td>3</td>
<td>The nature and causes of common meteorological phenomena, severe weather occurrences, and climatic patterns. Topics include: atmospheric structure, solar radiation and energy balances, atmospheric moisture, clouds and fog, air pressure, winds air masses and fronts, cyclones, tornadoes, hurricanes, weather forecasting, climate classification, and climate change. 54 hours lecture.</td>
</tr>
<tr>
<td>PHS-16</td>
<td>History and Physical Assessment I</td>
<td>4</td>
<td>This course is designed to meet the state and national accreditation requirements for an approved Physician Assistant program. The student is exposed to clinical gathering skills, how to elicit and write a medical history, introduction to physical examination using the problem oriented medical record and patient simulation. Emphasis will be placed on a normal history, physical and neurological exam and progressive case presentations which correlate with the pathophysiology of disease systems covered in the PHT-2 Medical Science I course. 54 hours lecture and 54 hours laboratory.</td>
</tr>
<tr>
<td>PHS-17</td>
<td>History and Physical Assessment II</td>
<td>4</td>
<td>Designed to meet the state and national accreditation requirements for an approved Physician Assistant program. The course provides a systematic approach to the basic skills and concepts of electrocardiology and radiology applicable to the clinical setting. 54 hours lecture and 54 hours laboratory.</td>
</tr>
<tr>
<td>PHS-18</td>
<td>Medicine Science I</td>
<td>6.5</td>
<td>Designed to meet the state and national accreditation requirements for an approved Physician Assistant program. The course provides a systematic approach to the theory of clinical medicine including the etiology, epidemiology and pathophysiology of human disease, illness and injury. 120 hours lecture.</td>
</tr>
<tr>
<td>PHS-19</td>
<td>Medicine Science II</td>
<td>4</td>
<td>This course is designed to meet the state and national accreditation requirements of an approved Physician Assistant program. The student is exposed to the continuation of clinical data gathering skills related to history and physical assessment. Emphasis will be on a normal history, physical and neurological exam and progressive case studies will correlate with the clinical symptoms covered in PHT-5. The student will also learn how to perform an obstetric and gynecological exam and examination of the male genitalia and prostate using patient simulations and patient models. Includes practical experiences of history taking and physical assessment supervised by individual preceptors. 54 hours lecture and 54 hours laboratory.</td>
</tr>
</tbody>
</table>
PHT-7 - Medical Pharmacology  4 units
CSU
Prerequisite: Completion of all first semester courses.
Corequisite: Concurrent enrollment in PHT-4, 5, and 6.
Limitation on enrollment: Acceptance into the Physician Assistant Program.
This course is designed to meet the state and national accreditation requirements for an approved Physician Assistant program. The student is introduced to the basic principles of pharmacology including pharmacokinetics, drug actions, drug interaction and drug toxicities involved in the clinical use of drugs. Emphasis will be placed on the physiological and biochemical actions, absorptions, distribution, metabolism, excretions and therapeutic use of drugs. 72 hours lecture.

PHT-8 - Applied Clinical Skills III  3 units
CSU
Prerequisite: None.
Limitation on enrollment: Acceptance into the Physician Assistant Program.
Designed to meet the state and national accreditation requirements for an approved Physician Assistant program. The course provides a systematic approach to the basic skills and concepts of cardiopulmonary resuscitation, aseptic technique, operating room principles and guidelines, wound closure, bandaging and splinting, casting, parenteral medication administration, intravenous access, venipuncture, nasogastric intubation and bladder catheterization and standard precautions. 36 hours lecture and 54 hours laboratory.

PHT-9 - Medicine Science III  6.5 units
CSU
Prerequisite: None.
Limitation on enrollment: Acceptance into the Physician Assistant Program.
Designed to meet the state and national accreditation requirements for an approved Physician Assistant program. The course provides a systematic approach to the theory of clinical medicine including the etiology, epidemiology and pathophysiology of human disease, illness and injury. 120 hours lecture.

PHT-10 - Clinical Nutrition  3 units
CSU
Prerequisite: None.
Limitation on enrollment: Acceptance into the Physician Assistant Program.
This course is designed to meet the state and national accreditation requirements for an approved Physician Assistant program. The student is introduced to the science of nutrition as it relates to good health, health promotion, disease prevention, the diagnosis, assessment and treatment of the nutritional aspects of acute and chronic illnesses. 54 hours lecture.

PHT-11 - Internal Medicine I  6 units
CSU
Prerequisite: None.
Limitation on enrollment: Advanced standing in the Physician Assistant Program including completion of all first-year courses.
Designed to meet the state and national accreditation requirements for an approved Physician Assistant program. Students are assigned to the Department of Internal Medicine where, under supervision, they participate in a variety of patient care activities including rotation through Intensive and Coronary Care Units and the Emergency Room. Students are assigned to patients for medical history review, physical examination, diagnostic testing and within limitation imposed by education and experience, patient management. They attend grand and special conferences participating, where possible, in the elucidation of diagnoses and formulation of therapeutic plans. 336 hours laboratory.

PHT-12 - Internal Medicine II  6 units
CSU
Prerequisite: None.
Limitation on enrollment: Advanced standing in the Physician Assistant Program including completion of all first-year courses.
Designed to meet the state and national accreditation requirements for an approved Physician Assistant program. Students are assigned to the Department of Internal Medicine where, under supervision, they participate in a variety of patient care activities including rotations in the Intensive and Coronary Care Units. Students are assigned to patients for medical history, physical examination, diagnostic testing and patient management. Students attend daily ward rounds, grand rounds, and special conferences and participate in discussions of diagnostic problems and formulation of patient management plans. 336 hours laboratory.

PHT-13 - General Surgery  4 units
CSU
Prerequisite: None.
Limitation on enrollment: Advanced standing in the Physician Assistant Program including completion of all first-year courses.
Designed to meet the state and national accreditation requirements for an approved Physician Assistant program. Students are assigned to the Department of Surgery where, under supervision, they participate in a wide variety of patient care activities including rotations in the Trauma Unit and Emergency Room. Students are assigned to patients for medical history, physical examination, diagnostic testing and patient management. Students attend daily ward rounds, special conferences participating, where possible, in the elucidation of diagnoses and formulation of therapeutic plans. 336 hours laboratory.

PHT-14 - Surgery II  6 units
CSU
Prerequisite: None.
Limitation on enrollment: Advanced standing in the Physician Assistant Program including completion of all first year courses.
This course is designed to meet the state and national accreditation requirements for an approved Physician Assistant program. Students are exposed to a continuation of Surgery Internship with the Department of Orthopedic Surgery. 336 hours laboratory.
PHT-15 - Pediatrics 6 units
CSU
Prerequisite: None.
Limitation on enrollment: Advanced standing in the Physician Assistant Program including completion of all first year courses.

Designed to meet the state and national accreditation requirements for an approved Physician Assistant program. Students are assigned to the Department of Pediatrics where they, under supervision, participate in a variety of pediatric patient care activities. Students are assigned to pediatric patients for medical history review, physical examination, diagnostic testing, and participation in supportive role in the patient’s therapeutic management. They attend daily ward rounds, grand rounds, and special conferences and participate on discussion of diagnostic problems and formulation of patient management plans. 336 hours laboratory.

PHT-16 - Obstetrics/Gynecology 6 units
CSU
Prerequisite: Advanced standing in the Physician Assistant Program including completion of all first year courses.

This course is designed to meet the state and national accreditation requirements for an approved Physician Assistant program. Students are assigned to the Department of Obstetrics and Gynecology where, under supervision, they participate in a variety of patient care activities emphasizing patients with reproductive tract abnormalities and normal or complicated pregnancies. Students are assigned to patients for medical history review, physical examination and diagnostic testing in preparation for a supportive role during labor and delivery or gynecologic surgery. They also attend daily grand rounds and special conferences with participation in the discussion of diagnostic problems and patient management plans. 336 hours laboratory.

PHT-17 - Family Practice 6 units
CSU
Prerequisite: Advanced standing in the Physician Assistant Program including completion of all first year courses.

This course is designed to meet the state and national accreditation requirements for an approved Physician Assistant program. Students are assigned to the Department of Family Practice where, under supervision, they participate in a variety of patient care activities. Students are assigned to patients for medical history review, physical examination, diagnostic testing and within limitation imposed by education and experience, patient management. They attend daily grand rounds and special conferences with participating, where possible, in the elucidation of diagnosis and formulation of therapeutic plans. 336 hours laboratory.

PHT-18 - Psychiatry/Mental Health 4 units
CSU
Prerequisite: None.
Limitation on enrollment: Advanced standing in the Physician Assistant Program including completion of all first year courses.

Students perform psychiatric interviews and mental status examinations and participate in discussions and formulation of therapeutic plans. 224 hours laboratory.

PHT-19 - Emergency Medicine 4 units
CSU
Prerequisite: None.
Limitation on enrollment: Advanced standing in the Physician Assistant Program including completion of all first year courses.

Designed to meet the state and national accreditation requirements for an approved Physician Assistant program. Students are assigned to the Department of Emergency Medicine where, under supervision, they participate in a variety of patient care activities including medical history review, physical examination, advanced life support, basic life support, suturing, splinting, insertion of central lines, venipuncture, intravenous access, and minor surgical procedures. Students participate in discussion on diagnostic problems and formulate therapeutic plans. 224 hours laboratory.

PHT-20 - Medical Genetics 3 units
Prerequisite: None.
Limitation on enrollment: Acceptance into the Physician Assistant Program.

Medical Genetics course introduces students to the human genome and human genetic research. The course covers the principles of heredity at the cellular and molecular levels; genetic and molecular analysis of representative human traits in conjunction with their clinical manifestation. Genetic variation in individuals and its application in forensic medicine; gene mining for the advance medicine; genetics of cancer, immunogenetics, and pharmacogenetics will also be discussed. Emphasis is placed on understanding the role of genetic and environmental factors in maintaining health, prevention and management of disease in individuals and populations; on identification of genetic predispositions based on family pedigree in the context of clinical preventive practice; and on genetic testing and counseling. The ethical, legal and social implications of genomics for individuals and health care systems will be discussed. Controversial, thought-provoking topics related to the treatment of genetic diseases such as stem cell research and gene therapy will be included. Genomics of emerging pathogens in the aspect of world health will be recognized. Designed to meet the requirements in basic medical sciences for professional programs. 54 hours lecture combined with problem-based learning and virtual laboratory settings.

PHYSICS

PHY-4A - Mechanics 4 units
UC*, CSU
Prerequisite: None.
Corequisite: MAT-1A.
Examines elementary mechanics, vectors, motion, particle dynamics, work and energy, conservation of energy and momentum, rotation, oscillations, gravitation, and fluid dynamics. 54 hours lecture and 54 hours laboratory.

PHY-4B - Electricity and Magnetism 4 units
UC*, CSU
Prerequisite: PHY-4A.
Corequisite: MAT-1B.
Electrostatics, conductors and currents, electric and magnetic fields, electromagnetic induction, Maxwell’s equations, and waves and oscillations. 54 hours lecture and 54 hours laboratory.
PHY-4C - Heat, Light and Waves 4 units
UC*, CSU
Prerequisite: PHY-4A.
Corequisite: MAT-1B.
Examines temperature, heat transfer, thermal properties of matter, thermodynamics and heat-engine cycles, wave motion and acoustical phenomena, reflection, refraction, lenses, interference and diffraction. 54 hours lecture and 54 hours laboratory.

PHY-4D - Modern Physics 4 units
UC, CSU
Prerequisite: None.
Corequisite: PHY-4C.
Relativity theory, the old quantum theory, fundamentals of quantum mechanics and basic applications of these theories to examples including the one-electron atom. 72 hours lecture.

PHY-10 - Introductory General Physics 3 units
UC*, CSU
Prerequisite: MAT-52.
A liberal arts physics course covering mechanics, properties of matter, heat, sound, light, electricity and magnetism and nuclear physics. 54 hours lecture.

PHY-11 - Physics Lab 1 unit
UC, CSU
Prerequisite: None.
Corequisite: PHY-10.
An optional laboratory science course for the non-science major. Emphasis on laboratory techniques, student experimentation, and laboratory demonstrations. 54 hours laboratory.

PHYSIOLOGY AND ANATOMY
See ANATOMY AND PHYSIOLOGY

POLITICAL SCIENCE

POL-1 - American Politics 3 units
UC, CSU
Prerequisite: None.
Advisory: Qualification for ENG-1A.
The principles and critical issues of American politics, with emphasis on the national government. Course topics include: political parties and elections, interest groups, mass movements, public policy, media, judicial system, and California state and local government are included. Students may not receive credit for both POL-1 and POL-1H. 54 hours lecture.

POL-1H - Honors American Politics 3 units
UC, CSU
Prerequisite: None.
Advisory: Qualification for ENG-1A.
Limitation on enrollment: Enrollment in the honors program.
The principles, and critical issues of American politics, with emphasis on the national government. Course topics include: philosophic and ideological sources of political system and culture, political parties and elections, interest groups, mass movements, public policy, media, judicial system, and California state and local government. Students may not receive credit for both POL-1 and POL-1H. 54 hours lecture.

POL-2 - Comparative Politics 3 units
UC, CSU
Prerequisite: None.
Advisory: Qualification for ENG-1A.
A comparative study of selected European, Asian, African, Latin American and Middle Eastern political systems. Concerned with broadening and deepening the student's understanding of the nature and variety of political systems. Course topics will include a study of institutions and issues of various countries. Students may not receive credit for both POL-2 and POL-2H. 54 hours lecture.

POL-2H - Honors Comparative Politics 3 units
UC, CSU
Prerequisite: None.
Advisory: Qualification for ENG-1A.
Limitation on enrollment: Enrollment in the honors program.
A comparative study of selected European, Asian, African, Latin American, Middle Eastern and Political Systems. Concerned with broadening and deepening the student's understanding of the nature and variety of political systems. Course topics will include a study of institutions and issues of various countries. Students may not receive credit for both POL-2 and POL-2H. 54 hours lecture.

POL-3 - Introduction to Politics 3 units
UC, CSU
Prerequisite: None.
Advisory: Qualification for ENG-1A.
An introduction to the major concepts, theories, and issues common to the study of Political Science. The course will include introductions to the sub-fields of American Government, Comparative Politics, International Relations, Political Economy, and Political Theory. 54 hours lecture.

POL-4 - Introduction to World Politics 3 units
UC, CSU
Prerequisite: None.
Advisory: Qualification for ENG-1A.
A study of the theories, paradigms and issues of global politics. Special attention is given to the role of the United States in the international community, the role of international organizations and international political economy. Students may not receive credit for both POL-4 and POL-4H. 54 hours lecture.

POL-4H - Honors Introduction to World Politics 3 units
UC, CSU
Prerequisite: None.
Advisory: Qualification for ENG-1A.
Limitation on enrollment: Enrollment in the honors program.
A study of the theories, paradigms and issues of global politics. Special attention is given to the role of the United States in the international community, the role of international organizations and international political economy. The honors course offers and enriched experience for accelerated students by means of limited class size, seminar format, student-generated and –led discussions and projects, a focus on primary texts in translation, and the applications of higher-level thinking and writing skills – analysis, synthesis and evaluation. Students may not receive credit for both POL-4 and POL-4H. 54 hours lecture.
POL-5 - The Law and Politics 3 units
UC, CSU
Prerequisite: None.
Advisory: Qualification for ENG-1A.
The principles and problems of the constitution are examined, with emphasis on how the constitution impacts public policy. Also, the course looks at the constitutional considerations affecting civil rights and liberties. 54 hours lecture.

POL-6 - Introduction to Political Economy 3 units
(Same as ECO-6)
UC, CSU
Prerequisite: None.
Advisory: Qualification for ENG-1A.
This course will examine the historical, structural, and cultural elements in the development of international political economy. Topics covered will include the relation of politics and economics on development, globalization, national institutions, social groups and classes, and democracy. 54 hours lecture.

POL-7ABCD - Current Political Issues 3 units
CSU
Prerequisite: None. Sections may be taken in any sequence.
Advisory: Qualification for ENG-1A.
Current political issues is designed to provide students the opportunity to examine major national and global issues which are not fully covered in the regular department curriculum. Topics selected are defined as current critical issues facing our nation and globe and will vary with each course offering. Each issue will be covered in detail, as will potential solutions to each issue and the political bodies involved in attempting resolution. 54 hours lecture.

POL-8 - Introduction to Public Administration and Policy Development
UC, CSU
Prerequisite: None.
Advisory: Qualification for ENG-1A.
This course is designed as an introduction to the processes of policy formation and implementation. Public administration, decision making in the public bureaucracy, and administrative tasks are discussed. In addition to the politics of administrative organizations, personnel management, budget administration, public relations, and Government service as a career are discussed. Practicing public administrators will be featured as guest speakers. 54 hours lecture.

POL-10ABCD - International Organizations 3 units
CSU
Prerequisite: None.
Advisory: Qualification for ENG-1A.
The course will examine the development and impact of International Organizations. Particular emphasis will be placed upon and understanding of the United Nations. Students will prepare for participation in Model United Nations Conferences, which are voluntary. Subsequent enrollment in sections BCD will provide the student an opportunity for additional skill and competency development within the subject matter. 54 hours lecture.

POL-11 - Political Theory 3 units
UC, CSU
Prerequisite: None.
Advisory: Qualification for ENG-1A.
This course will examine the major contributions of political thinkers from Socrates to the present. Political concepts such as democracy, the rule of law, justice, natural rights, sovereignty, citizenship, power, the state, revolution, liberty, reason, materialism, toleration, and the place of religion in society and politics are traced from their origins, through their development and changing patterns, to show how they influence political thinking and institutions today. 54 hours lecture.

POL-12 - State and Local Politics 3 units
CSU
Prerequisite: None.
Advisory: Qualification for ENG-1A.
The goal of this course is to acquaint students with the history and theories of American state and local politics. This course will examine the history of state and local politics in the U.S., with emphasis on California politics. Current political issues such as urban development, fiscal policies, race, gender and class politics, state and local political leaders, civil rights and civil liberties will be discussed. 54 hours lecture.

POL-13 - Introduction to American Foreign Policy 3 units
UC, CSU
Prerequisite: None.
Advisory: Qualification for ENG-1A.
The goal of this course is to provide students with comprehensive and critical coverage of U.S. foreign policy since World War II. Through a coherent chronological narrative, the course traces the evolution of U.S. foreign policy from its assumption of world leadership during and after World War II to its present concerns with sprouting democracies, a militarized policy, global economic and political interdependence. 54 hours lecture.

POL-14 - Internship in Political Science 3 units
CSU
Prerequisite: None.
Advisory: Qualification for ENG-1A.
This course will examine the process of decision making in the public arena of local, state, and national politics. Policy development, public administration and the bureaucratic implementation of policy will be analyzed. The student will be assigned to work 90 hours in a political or public administrative state or local office as the internship component of this course. 27 hours lecture and 90 hours volunteer internship required.

PSYCHOLOGY

PSY-1 - General Psychology 3 units
UC, CSU
Prerequisite: None.
Historical and philosophical antecedents of contemporary psychology; the scientific study of behavior as systemized in learning, motivation, emotion, personality, intelligence, and thought. 54 hours lecture.
PSY-2 - Physiological Psychology 3 units
UC, CSU
Prerequisite: None.
The scientific study of the physiological determinants of behavior. Issues addressed include: basic nervous system structure and function, sensory and motor systems, emotion, motivation, learning and memory, sleep and dreaming and neurological and mental disorders. 54 hours lecture.

PSY-9 - Developmental Psychology 3 units
UC, CSU
Prerequisite: None.
Genetic and environmental determinants of life-span human development in the biosocial, cognitive and psychosocial domains. 54 hours lecture.

PSY-33 - Theories of Personality 3 units
UC, CSU
Prerequisite: None.
This course examines the basic concepts and principles of the prevailing theories of personality and evaluates the scientific merits of their assumptions and propositions. This course includes discussion of the application of theory to real-life situations and the significance of the theorist's biographical data to the development of the theory. 54 hours lecture.

PSY-35 - Abnormal Psychology 3 units
UC, CSU
Prerequisite: None.
Survey of historical and contemporary approaches to diagnosing, understanding and treating major forms of psychological disorder including: anxieties, fears, obsessions, psychoses, sexual and personality disorders, disorders of childhood and adolescence. 54 hours lecture.

READING

REA-2 - Rapid Reading 2 units
CSU
Prerequisite: None.
Designed for readers with good vocabulary skills who are interested in increasing reading speed. A qualifying preparation score is recommended. Students practice utilizing a variety of rapid reading methods and comprehension-building techniques, including computer assisted instruction. May be taken a total of two times. 36 hours lecture. (Letter Grade, or Pass/No Pass option.)

REA-3 - Reading for Academic Success 3 units
CSU
Prerequisite: None.
Advisory: Qualification for ENG-1A.
Intended to provide students with a review and study of reading skills at the college level. Students will receive instruction in fundamental, academic and discipline-specific reading skills. Total of 54 hours lecture. (Letter Grade, or Pass/No Pass option.)

REA-81 - Reading, Level I 3.5 units
Prerequisite: None.
Intended for students in need of basic remediation. Instruction in basic reading skills, along with individually prescribed practice work in which a wide range of material will be utilized. Subsequent enrollment in an additional semester will provide the student an opportunity for additional skill and competency development within the subject matter. May be taken a total of two times. 54 hours lecture and 36 hours laboratory. (Non-degree credit course. Letter Grade, or Pass/No Pass option.)

REA-82 - Reading, Level II 3.5 units
Prerequisite: REA-81 or qualifying preparation score.
Intended for students who experience significant difficulty in reading college-level materials. Instruction in reading skills at a less basic level than that required in REA-81, along with individually prescribed practice work, in which a wide range of materials will be utilized. Subsequent enrollment in an additional semester will provide the student an opportunity for additional skills and competency development within the subject matter. May be taken a total of two times. 54 hours lecture and 36 hours laboratory. (Non-degree credit course. Letter Grade, or Pass/No Pass option.)

REA-83 - Reading, Level III 3 units
Prerequisite: REA-82 or ESL-73 or qualifying preparation score.
Intended for students who experience moderate difficulty in reading college-level materials. Instruction in reading skills at a more advanced level than those covered in REA-82. Subsequent enrollment in an additional semester will provide the student an opportunity for additional skills and competency development within the subject matter. May be taken a total of two times. 54 hours lecture. (Non-degree credit course. Letter Grade, or Pass/No Pass option.)

REA-86 - Reading Strategies for Textbooks 1 unit
Prerequisite: None.
This course is intended for students currently enrolled in a lecture class where the curriculum and instruction depends on extensive textbook readings. Students will receive instruction on using different reading comprehension strategies designed for better understanding and retention of textbook material. May be taken a total of three times. 18 hours lecture. (Pass/No Pass only.)

REA-87 - Reading Tutorial .5 unit
Prerequisite: None.
This self-paced course provides practice on individually prescribed learning plans designed to improve and develop reading skills. Instruction is provided on an individualized basis through conferences with the student. Subsequent enrollment in the course will provide the student further opportunities for additional skill and competency development within the subject matter. May be taken a total of four times. 27 hours laboratory. (Non-degree credit course. Pass/No Pass only.)

REA-96 - Reading and Writing Center Practicum .5 unit
Prerequisite: None.
Corequisite: Concurrent enrollment in any English, ESL, reading or speech communication course.
Reading and Writing Center access for students who feel they will benefit from use of the Reading and Writing Center's resources. May be taken a total of eight times. 27 hours laboratory required for credit. (Non-degree credit course. Pass/No Pass only.)

REA-97 - Reading and Writing Center Practicum 1 unit
Prerequisite: None.
Corequisite: Concurrent enrollment in any English, ESL, reading or speech communication course.
Reading and Writing Center access for students who feel they will benefit from use of the Reading and Writing Center's resources. May be taken a total of four times. 54 hours laboratory required for credit. (Non-Degree Credit Course. Pass/No Pass only.)
**REAL ESTATE**

**RLE-80 - Real Estate Principles**  
3 units  
CSU  
Prerequisite: None.  
The fundamental real estate course covering the basic laws and principles of California real estate, gives understanding, background, and terminology necessary for specialized courses. Assists those preparing for the real estate sales agent license examination. 54 hours lecture.

**RLE-81 - Real Estate Practices**  
3 units  
CSU  
Prerequisite: None.  
Covers basic laws and principles of California real estate, terminology and daily operations in a real estate brokerage. Includes listing, prospecting, advertising, financing, sales techniques, escrow and ethics. Applies toward state’s educational requirements for the brokers examination. 54 hours lecture.

**RLE-82 - Legal Aspects of Real Estate**  
3 units  
CSU  
Prerequisite: None.  
California real estate law, including rights incident to property ownership and management, agency, contracts, and application to real estate transfer, conveyance, probate proceedings, trust deeds, and foreclosure, as well as recent legislation governing real estate transactions. Applies toward educational requirement of brokers examination. 54 hours lecture.

**RLE-83 - Real Estate Finance**  
3 units  
CSU  
Prerequisite: None.  
Analysis of real estate financing, including lending policies and problems in financing transactions in residential, apartment, commercial, and special purpose properties. Methods of financing properties emphasized. 54 hours lecture.

**RLE-84 - Real Estate Appraisal**  
3 units  
CSU  
Prerequisite: None.  
Purposes of appraisals, the appraisal process, and the different approaches, methods, and techniques used to determine the value of various types of property. Emphasis will be on residential and single unit properties. 54 hours lecture.

**RLE-85 - Real Estate Economics**  
3 units  
CSU  
Prerequisite: None.  
Trends and factors affecting the value of real estate; the nature and classification of land economics; the development of property, construction and subdivision, economic values and real estate evaluation; real estate cycles and business fluctuations, residential market trends, real and special purpose property trends. 54 hours lecture.

**RLE-86 - Escrow Procedures I**  
3 units  
CSU  
Prerequisite: None.  
Methods and techniques of escrow procedure for various types of real estate transactions, including the legal/ethical responsibilities engaged in escrow work. 54 hours lecture.

**SOCIOLOGY**

**SOC-1 - Introduction to Sociology**  
3 units  
UC, CSU  
Prerequisite: None.  
An introduction to the basic concepts relating to the study of society. The course includes investigation into the foundations of sociology including its overall perspective, theoretical orientations, and research methodology; the foundations of social life including the components of culture, social interaction and the process of socialization, groups, organizations, and deviance; economic social inequalities based upon race, sex, and age; social institutions; and dimensions of social change. 54 hours lecture.

**SOC-2 - American Social Problems**  
3 units  
UC, CSU  
Prerequisite: None.  
Identification and analysis of major social problems confronting 20th century America; emphasizing, among other topics, urban and rural transformations; family life; minorities; criminal and delinquent behavior. 54 hours lecture.

**SOC-10 - Race and Ethnic Relations**  
3 units  
UC, CSU  
Prerequisite: None.  
An introduction to the relevant theories and operational definitions that ground the study of race and ethnic relations in the social sciences. Extensive treatment of prejudice, discrimination, and the concept of racism. The course brings into sharper focus the history and contemporary status of White-ethics, religious minorities, American Indians, Afro-Americans, Hispanic-Americans, Asian-Americans, Jewish-Americans, and women in the United States. Social institutions such as family, education, politics, and the economy receive special attention for each group. The similarities and differences in ethnic hostilities between the United States and other societies are closely examined. 54 hours lecture.

**SOC-12 - Marriage and Family Relations**  
3 units  
UC, CSU  
Prerequisite: None.  
Patterns in marriage and family relations focusing on both academic and practical considerations. Includes courtship, marriage, child-parent relations, intrafamily conflict, and sexual adjustment. 54 hours lecture.
SOC-17 - Introduction to Public Mental Health 3 units
CU
Prerequisite: None.
Introductory course for students interested in public mental health. An overview of the history of public mental health, the types and functions of agencies, practices, careers, professional ethics, current trends and issues is provided. 54 hours lecture.

SOC-20 - Introduction to Criminology 3 units
UC, CU
Prerequisite: None.
An introduction to the fundamentals of criminology. Including surveys of the theories of crime, statistical procedures and research methodology, types of crimes, criminal etiology, the origins and features of criminal law, the police, courts, and corrections. An analysis of the interrelations between social organization, the perceptions of social harm, and the dynamics of social control. 54 hours lecture.

SPANISH

SPA-1 - Spanish 1 5 units
UC*, CSU
Prerequisite: None.
This course concentrates on developing basic skills in listening, reading, speaking and writing. Emphasis is placed on acquisition of vocabulary, structures and grammatical patterns necessary for comprehension of native spoken and written Spanish at the beginning level. This course includes discussion of Hispanic culture and daily life. Students may not receive credit for both SPA-1 and SPA-1H. 90 hours lecture and 18 hours laboratory.

SPA-1A - Spanish 1A 2.5 units
UC*, CSU
Prerequisite: None.
This course concentrates on developing basic skills in listening, reading, speaking and writing. Emphasis is placed on acquisition of vocabulary, structures and grammatical patterns necessary for comprehension of native spoken and written Spanish at the beginning level. This course includes discussion of Hispanic culture and daily life. SPA-1A is equivalent to the first half of SPA-1. 54 hours lecture and 9 hours laboratory.

SPA-1B - Spanish 1B 2.5 units
UC*, CSU
Prerequisite: SPA-1A.
This course concentrates on developing basic skills in listening, reading, speaking and writing. Emphasis is placed on acquisition of vocabulary, structures and grammatical patterns necessary for comprehension of native spoken and written Spanish at the beginning level. This course includes discussion of Hispanic culture and daily life. SPA-1B is equivalent to the second half of SPA-1. 54 hours lecture and 9 hours laboratory.

SPA-1H - Honors Spanish 1 5 units
UC, CSU
Prerequisite: None.
Limitation on enrollment: Enrollment in the honors program.
This course concentrates on developing basic skills in listening, reading, speaking and writing. Emphasis is placed on acquisition of vocabulary, structures and grammatical patterns necessary for comprehension of native spoken and written Spanish at the beginning level. This course includes discussion of Hispanic culture and daily life. Honors course offers an enriched experience for accelerated students through limited class size, a seminar format, the reading of level-appropriate adapted Hispanic works and cultural studies, and the application of higher level critical thinking skills. Students may not receive credit for both SPA-1 and SPA-1H. 90 hours lecture and 18 hours laboratory.

SPA-2 - Spanish 2 5 units
UC*, CSU
Prerequisite: SPA-1, 1H or 1B.
Further development of basic skills in listening, reading, speaking and writing. A continued emphasis on the acquisition of vocabulary, structures and grammatical patterns necessary for comprehension of standard spoken and written Spanish at the beginning level. This course includes expanded discussion of Hispanic culture and daily life. Students may not receive credit for both SPA-2 and SPA-2H. 90 hours lecture and 18 hours laboratory.

SPA-2H - Honors Spanish 2 5 units
UC, CSU
Prerequisite: SPA-1, 1H or 1B.
Limitation on enrollment: Enrollment in the honors program.
Further development of basic skills in listening, reading, speaking and writing. A continued emphasis on the acquisition of vocabulary, structures and grammatical patterns necessary for comprehension of standard spoken and written Spanish at the beginning level. This course includes an expanded discussion of Hispanic culture and daily life. Honors course offers an enriched experience for accelerated students through limited class size, a seminar format, the reading of level-appropriate adapted Hispanic works and cultural studies, and the application of higher level critical thinking skills. Students may not receive credit for both SPA-2 and SPA-2H. 90 hours lecture and 18 hours laboratory.

SPA-3 - Spanish 3 5 units
UC*, CSU
Prerequisite: SPA-2 or 2H.
Development of intermediate skills in listening, reading, speaking and writing. A continued emphasis on the acquisition of vocabulary, structures and grammatical patterns necessary for comprehension of standard spoken and written Spanish at the intermediate level. This course includes an expanded discussion of Hispanic culture and daily life. 90 hours lecture and 18 hours laboratory.
SPA-3N - Spanish for Spanish Speakers 5 units
UC*, CSU
Prerequisite: None.
Enrichment and formalization of speaking, reading and writing skills in Spanish. Emphasis on vocabulary expansion, awareness of standard versus non-standard lexicon, introduction to various Spanish dialects. Intense review of grammar and linguistic terminology necessary to expand and enrich language skills. Introduction to diverse literary materials, writing styles and composition techniques. Intensive survey of Latino culture in the United States and in the Spanish-speaking world. Designed for students with near-native fluency, having acquired the language in a non-academic environment, and having received minimal or no formal instruction in Spanish. 90 hours lecture and 18 hours laboratory.

SPA-4 - Spanish 4 5 units
UC, CSU
Prerequisite: SPA-3 or 3N.
Further development of intermediate skills in listening, reading, speaking and writing. A review of the vocabulary, structures and grammatical patterns necessary for comprehension of standard spoken and written Spanish at the intermediate level. An emphasis on the reading of novels, short stories, poems and plays in Spanish as a means of enhancing basic Spanish language skills. This course includes an expanded discussion of Hispanic culture and daily life. 90 hours lecture and 18 hours laboratory.

SPA-8 - Intermediate Conversation 3 units
UC, CSU
Prerequisite: SPA-2 or 2H.
Intermediate-level vocabulary building and improvement of speaking proficiency in the context of Hispanic culture, daily life and topics of current interest. May be taken a total of four times. 54 hours lecture.

SPA-11 - Spanish Culture and Civilization 3 units
UC, CSU
Prerequisite: None.
Introductory survey of Spanish culture and civilization as reflected in language, literature, art, history, policies, customs and social institutions. Class conducted in English. 54 hours lecture.

SPA-12 - Latin American Culture and Civilization 3 units
UC, CSU
Prerequisite: None.
Introductory survey of Latin American culture and civilization as reflected in language, literature, art, history, policies, customs and social institutions. Class conducted in English. 54 hours lecture.

SPA-13 - Spanish for Health Care Professionals 5 units
CSU
Prerequisite: None.
This course is designed for health care professionals who want to learn basic phrases in Spanish as related to their daily activities. Class conducted in Spanish. 90 hours lecture.

SPE-1 - Public Speaking 3 units
UC, CSU
Prerequisite: None.
Emphasis is placed on the application of logic to problems in contemporary society and will also include focus on rhetorical principles, types of persuasive speeches and organizational patterns, development and support of sound reasoning and argument, theories of persuasion and debate, application of ethics in public speaking, creative outlet, articulate expression, and improved speaking ability. 54 hours lecture.

SPE-1H - Honors Public Speaking 3 units
UC, CSU
Prerequisite: None.
Advisory: SPE-51 or 52 or qualification for ENG-1A.
Limitation on enrollment: Enrollment in the honors program.
Prepares students to compose (develop outlines and research) and present a minimum of six speeches, including informative and persuasive presentations in front of a live audience. Emphasis will include: different purposes of speaking, types of speeches and organizational patterns, topic choice and audience adaptation, rhetorical principles, development and support of sound reasoning and argument, theories of persuasion, application of ethics in public speaking, listening skills, and theory and principles of effective delivery. Students will speak formally for a minimum of 30 total semester minutes. 54 hours lecture.

SPE-3A - Argumentation and Debate 3 units
UC*, CSU
Prerequisite: None.
Advisory: SPE-51 or 52 or qualification for ENG-1A.
Fundamentals of argumentation and debate: research, logical analysis, case construction, refutation/rebuttal basics and persuasive presentations, including cross examination debate. Emphasis is placed on the application of logic to problems in contemporary society and will also include focus on rhetorical principles, types of persuasive speeches and organizational patterns, development and support of sound reasoning and argument, theories of persuasion and debate, application of ethics in public speaking, research methods, theory and principles of effective delivery. 54 hours lecture.

SPE-7 - Oral Interpretation in Literature 3 units
UC, CSU
Prerequisite: None.
A course in the oral reading of prose, poetry and drama. Principles and techniques of interpreting the printed page are related to effective audience communication. This course provides opportunities for cultural enrichment, literary analysis, creative outlet, articulate expression, and improved speaking ability. 54 hours lecture.
SPE-9 - Interpersonal Communication 3 units
CSU
Prerequisite: None.
Advisory: SPE-52 or qualification for ENG-1A.
Analyzes the dynamics of the two-person communication process in relationships. Students study values, communication models, listening, verbal and nonverbal communication, perception, self-concept, self-disclosure, management of emotions, relationship theories and conflict resolution. 54 hours lecture.

SPE-9H - Honors Interpersonal Communication 3 units
UC, CSU
Prerequisite: None.
Advisory: SPE-52 or qualification for ENG-1A.
Limitation on enrollment: Enrollment in the honors program.
Analyzes the dynamics of the two-person communication process in relationships. Students study values, communication models, listening, verbal and nonverbal communication, perception, self-concept, self-disclosure, management of emotions, relationship theories and conflict resolution. Honors course offers an enriched experience for accelerated students through limited class size; seminar format; focus on primary texts; and application of higher level critical thinking skills. Students may not receive credit for both SPE-9 and SPE-9H. 54 hours lecture.

SPE-12 - Intercultural Communication 3 units
UC, CSU
Prerequisite: None.
Advisory: SPE-51 or 52 or qualification for ENG-1A.
Traces the reciprocal relationship between culture and communication. As people from different culture groups interact, the markings of culture, personality and interpersonal perception have an impact on their interaction. The course reveals the relationship between those interaction patterns. This influence ranges widely, and includes definitions of culture, an understanding of intercultural theories, creation of a culture, cultural adaptation, intercultural effectiveness in relationships and ethno-linguistic identities. 54 hours lecture.

SPE-13 - Gender Communication 3 units
UC, CSU
Prerequisite: None.
Advisory: SPE-51 or 52 or qualification for ENG-1A.
A study of the communication patterns and differences existing between males and females, integrate theory and practice, and heighten student's awareness of the importance of gender as a communication variable. Gender communication issues are addressed with emphasis on listening, perception, language, nonverbal communication, and conflict management in interpersonal, small group and public settings. 54 hours lecture. (Letter Grade, or Pass/No Pass option.)

SPE-51 - Introduction to Public Speaking 3 units
Prerequisite: None.
Advisory: ESL-55 or qualification for ENG-50.
A pre-collegiate introduction to basic public speaking in preparation for Speech Communication 1. Attention to development and organization of ideas within various speech genres/types, research and outlining methods, as well as techniques for presentation with a particular focus on managing speech anxiety. 54 hours lecture.

SPE-52 - Introductory Survey of Speech Communication 3 units
Prerequisite: None.
Advisory: ESL-55 or qualification for ENG-50.
A pre-collegiate introduction to interpersonal, small group and public communication. Attention is given to basic skills of two-person communication, group dynamics, and public speaking with emphasis on listening, conflict resolution, and reducing speech anxiety. 54 hours lecture.

SUPERVISION

THEATER ARTS

THE-2 - Play Practicum-Special Projects Laboratory I 1 unit
UC*, CSU
Prerequisite: None.
Advisory: Acting and production skills desirable.
A course in play production from casting to performance including units in acting, set construction, lighting, costuming, house management, props and make-up on a small scale. Subsequent enrollment will provide the student an opportunity for additional skill and competency development within the subject matter. May be taken a total of four times. 54 hours laboratory.

THE-3 - Introduction to the Theater 3 units
UC, CSU
Prerequisite: None.
A comprehensive study of theatrical styles and forms with units in directing, acting, designing, technical theater, playwriting and genres, to acquaint the student with the diverse nature of theater leading to an appreciation and understanding of the theater as a separate and distinctive art form. 54 hours lecture.

THE-4 - Play Practicum-Special Projects Laboratory II 2 units
UC*, CSU
Prerequisite: None.
Advisory: Acting and production skills desirable.
A course in play production from casting to performance including units in acting, set construction, lighting, costuming, house management, props and make-up on a small scale. Subsequent enrollment will provide the student an opportunity for additional skill and competency development within the subject matter. May be taken a total of four times. 108 hours laboratory.

THE-5 - Theater Practicum 3 units
UC, CSU
Prerequisite: None.
Advisory: Acting and production skills desirable.
A course in play production from casting to performance, including units in acting, set construction, lighting, costuming, house management, props and make-up. Subsequent enrollment will provide the student an opportunity for additional skill and competency development within the subject matter. May be taken a total of four times. 162 hours laboratory.
THE-6 - Advanced Theater Practicum
UC*, CSU
Prerequisite: THE-5.
Advanced play and production from casting to performance including units in acting, technical design and construction, lighting, costuming, house management, props and make-up. Subsequent enrollment will provide the student an opportunity for additional skill and competency development within the subject matter. May be taken a total of four times. 162 hours laboratory.

THE-25 - Makeup for the Stage
UC, CSU
Prerequisite: None.
This course is an exploration of the creative and practical aspects of theatrical makeup design, where students will experience techniques of makeup application, painterly techniques and three-dimensional techniques in relation to production and performance. 18 hours lecture and 54 hours laboratory.

THE-26 - Directing for Stage
UC, CSU
Prerequisite: None.
Advisory: THE-32 or 33 or 37.
An introduction to the role of the director in modern theatrical production. This course is a study of the director's interpretation of dramatic literature, with emphasis on the communication of intellectual and emotional concepts through composition, visualization, picturization, movement and rhythm. Trains potential theatre directors in script analysis, book preparation, production management and working with actors, with an emphasis on practical experience in directing through class projects and public performance. May be taken a total of four times. 45 hours lecture and 27 hours laboratory.

THE-29 - Musical Theater Appreciation
UC, CSU
Prerequisite: None.
A study of the history and literature of the genre of musicals from 19 century to present day. Emphasis will be placed on the stylistic distinctions of the musical and the contribution of individual composers, librettists, lyricists, choreographers, directors and designers to the genre of musical theatre. Students will study the genre's social and cultural significance as a separate and distinctive art form. 54 hours lecture.

THE-30 - Voice and Movement for the Stage
UC, CSU
Prerequisite: None.
Theory, principles and techniques of voice and movement needed for the actor to perform on stage: including stage movement, alignment, voice production, breathing, diction, accents, flexibility, projection and voice care. 18 hours lecture and 54 hours laboratory.

THE-32 - Acting Fundamentals-Theater Games and Exercises
UC, CSU
Prerequisite: None.
Foundation training for actors through theater games and improvisational exercises for developing expressive freedom, creativity, relaxation, sensory awareness and concentration. Development and preparation of the actor's instrument: voice, speech, body and imagination. Beginning of relationship and motivation. 36 hours lecture and 54 hours laboratory.

THE-33 - Scene Acting: Creating a Role
UC, CSU
Prerequisite: THE-32.
Fundamentals of creating a role through beginning scene study and monologues with emphasis in modern realism. Building of character through text analysis and practical applications such as use of body, voice and imagination. Continued development of actor's body through exercises. Advanced work in motivation, relationships and emotional discovery and release. 36 hours lecture and 54 hours laboratory.

THE-34 - Scene Study in Various Theatrical Styles
UC, CSU
Prerequisite: THE-32.
Advanced scene study with emphasis on a variety of theatrical styles, excluding classical verse. Advanced development of the emotional and character range of the actor. Development of the actor's artistic sense and presentation with regard to text, environment, actions and choices. Public performance required. 36 hours lecture and 54 hours laboratory.

THE-35 - Classical Acting with Emphasis in Shakespearean Verse
UC, CSU
Prerequisite: THE-32.
Development of techniques for performing classical verse with an emphasis in Shakespearean texts. Special emphasis on actor's physical instrument, voice, speech and body, to handle demands of elevated verse. Analysis and thematic aspects of Shakespeare and elevated verse, especially meter, rhythm, structure, imagery, antithesis, word games, patterns, stressing and inflections. Practical applications through scene and monologue work. May be taken a total of two times. 36 hours lecture and 54 hours laboratory.

THE-36 - Improvisational Acting
UC, CSU
Prerequisite: THE-32.
Advanced principles and techniques of improvisational acting designed to increase creativity, problem solving and performance skills. Students will develop the ability to work in short and long form, dramatic and comedic, pantomime skills, group work, spontaneity, offers, narrative, characterization and endowments. Public performance required. 36 hours lecture and 54 hours laboratory.

THE-37 - Musical Theater Techniques
UC, CSU
Prerequisite: THE-32.
Practical applications through scene and monologue work. May be taken a total of two times. 36 hours lecture and 54 hours laboratory.

THE-38 - Auditioning for the Stage
UC, CSU
Prerequisite: None.
Principles and techniques of the various performance methods and styles involved in auditioning for the stage encompassing a variety of theatrical genres. 9 hours lecture and 27 hours laboratory.

THE-54 - Introduction to Stage Management 3 units
UC, CSU
Prerequisite: None.
Advisory: Concurrent enrollment in THE-5 or 6.
A comprehensive study of the role of the stage manager in theatrical productions, including the duties, obligations and responsibilities of the stage manager, and the unique role of the stage manager in production coordination. Students will be given stage management responsibilities for a theater department production with concurrent enrollment in either THE-5 or 6. 54 hours lecture.

THE-200 - Theater Arts Work Experience 1-2-3-4 units
CSU*
Prerequisite: None.
Advisory: Students should have paid or voluntary employment.
This course is designed to coordinate the student’s occupational on-the-job training with related classroom instruction. Students enrolled in this occupational work experience course must be employed in a field related to the work experience subject area. Students may earn up to four (4) units each semester for a maximum of 16 units of work experience. No more than 20 hours per week may be applied toward the work requirement. 18 hours lecture. Additionally, 60 hours of volunteer work or 75 hours of paid work is required for each unit.

WORK EXPERIENCE
WKX-200 - Work Experience 1-2-3-4 units
CSU*
Prerequisite: None.
Advisory: Students should have paid or voluntary employment.
This course is designed to coordinate the student’s occupational on-the-job training with related instruction in work-related skills, including occupational and educational resources, career planning, resume development and interview techniques. Students may earn up to four (4) units each semester for a maximum of 16 units of work experience. No more than 20 hours per week may be applied toward the work requirement; 60 hours of volunteer work or 75 hours of paid work in the semester are required for each unit. WKX-200 is an enrolling course for General Work Experience and Occupational Work Experience courses. Students enrolling in WKX-200 are administratively moved to the appropriate general or occupational work experience course after the first class meeting. Determination of the appropriate work experience course is made by the instructor, with input from the student, based upon several factors, including the number of hours worked during the semester, occupational program requirements, and type of work in which the student is engaged. 18 hours lecture and 60 hours of volunteer work experience or 75 hours of paid work experience are required for each enrolled unit.

WKX-201 - General Work Experience 1-2-3 units
CSU*
Prerequisite: None.
Advisory: Students should have paid or voluntary employment.
This course is designed to coordinate the student’s occupational on-the-job training with related instruction in work-related skills, including occupational and educational resources, career planning, resume development and interview techniques. Students may earn up to three (3) units each semester for two (2) semesters for a maximum of 6 units of work experience. No more than 20 hours per week may be applied toward the work requirement; 60 hours of volunteer work or 75 hours of paid work in the semester are required for each unit. 18 hours lecture and 60 hours of volunteer work experience or 75 hours of paid work experience are required for each enrolled unit.

NON-CREDIT COURSES
Non-credit courses are one of several educational options offered by community colleges. They offer students access to a variety of low and no-cost courses that do not carry any unit value, but can help students in reaching personal and professional goals. They provide lifelong learning, career preparation opportunities, and skill remediation, development or proficiency. They can serve as an “educational gateway” for students who want to improve their earning power, literacy skills or access to higher education. Non-credit courses are approved by the district Curriculum Committee, the Board of Trustees and the state Chancellor’s Office.

ENGLISH
ENG-885 - Writing Clinic 0 units
Prerequisite: None.
Intended for students who need concentrated attention in various areas of grammar, punctuation, and composition. Self-paced, open-entry/open-exit, with no traditional lecture-based component. Instead, it requires students to do the majority of their coursework independently. Each student follows a sequential series of modules based on his or her diagnosis. Students meet with their instructor in the Writing and Reading Center for the pre-and post-test and as needed for one-on-one instruction or small group study for the duration of the students’ enrollment in the course. May be taken a total of four times. 27 hours laboratory.

GUIDANCE
GUI-801 - Testing for Success CAHSEE Preparation 0 units
Prerequisite: None.
Course is intended to give students a review of study skills and time management strategies in preparation for the California High School Exit Examination (CAHSEE). This course may be taken multiple times. 10 hours lecture. There is no mandatory laboratory hour requirement.

READING
REA-887 - Reading Clinic 0 units
Prerequisite: None.
This self-paced course provides practice on individually prescribed learning plans designed to improve and develop reading skills. Instruction is provided on an individualized basis through conferences with the student. Subsequent enrollment in the course will provide the student further opportunities for additional skill and competency development within the subject matter. May be taken a total of four times. 27 hours laboratory.
SENIOR CITIZEN EDUCATION

For information about Senior Citizen Education courses, contact the
Young @Heart Program in Tech B, 201 on the Riverside Campus. The
telephone number is (951) 328-3811.

SCE-804 - Senior Topics 0 units
Prerequisite: None.
This course will encourage students 55 years and older to develop a
sense of personal empowerment through continued learning and self-
awareness of the knowledge, experience, understanding and wisdom
attained in later adulthood. Students will learn communication and
listening skills as they participate in various discussions of special
interest and have an opportunity to review and discuss books,
biographies, film, theatre, music and news items while experiencing
intellectual excitement and the pleasure of camaraderie during class
sessions. Students would provide their own entrance fees to any events
planned. 24 hours lecture; Positive Attendance.

SCE-805 - Creative Writing for Older Adults 0 units
Prerequisite: None.
This course for adults 55 years and older teaches students how to
create and shape autobiographies, fiction and non-fiction writing and
poetry into readable and publishable form. The course will provide an
encouraging and welcoming social environment as well as a means of
capturing the well-written works from an older generation. 24 hours
laboratory; Positive Attendance.

SCE-809 - Computer Basics for Older Adults 0 units
Prerequisite: None.
This course is designed to teach students 55 years and older the basics
of home computer use, including terminology, components, basic
windows functions, accessory programs, simple word processing and
spreadsheet programs as well as skills in accessing and using the
Internet. 16 hours laboratory; Positive Attendance.

SCE-810 - Photography as Therapy for Older Adults 0 units
Prerequisite: None.
In this course, students 55 years and older will use their own 35mm
digital cameras as they learn the theory and application of
basic photographic skills needed to consistently take high quality
photographs under a variety of shooting conditions. Students will be
responsible for processing their own photographs. Socialization and
working as a group will be an important part of this course. Students
will be taught in a progressive systematic manner. 28 hours laboratory;
Positive Attendance.

SCE-811 - Drawing and Painting for Older Adults 0 units
Prerequisite: None.
This course is designed for students 55 years and older, and will include
a potpourri of drawing, illustration, painting, mixed media and basic
design components. Individual classes will have one or more emphases
and will focus on the development and/or enhancement of mental
acuity, fine motor skills, creativity and art appreciation in a welcoming
social environment. Classes may include creative interpretation of
subjects from life, landscape and imagination, basic exploration of
design elements and principles, composition, observation skills,
perspective on art appreciation and history and methods of conserving
and displaying completed works. Socialization and interaction will be
an important part of this class. Students will be taught in a progressive
systematic manner. Students will provide their own materials and
supplies. 24 hours laboratory; Positive Attendance.

SCE-813 - Dynamic Activities for Older Adults 0 units
Prerequisite: None.
Students aged 55 years and older at all levels of fitness will learn
basic information about helpful and harmful activities and exercises
in reference to the aging process and will be exposed to information
regarding common physical health problems of older adults. Students
will learn and perform basic movements and exercises designed to
increase strength, flexibility, balance, coordination and cardiovascular
fitness designed to help counteract some of the side affects of aging.
Students will participate in discussions about the importance of a
healthy life style in preventing disease, and will learn to monitor their
own fitness level to discover the appropriate level of exercise that will
be of benefit to their bodies. The class is designed the make the tasks of
daily living more enjoyable. 24 hours laboratory; Positive Attendance.

SCE-814 - T’ai-Chi Ch’uan for Older Adults 0 units
Prerequisite: None.
This course introduces the Yang style of T’ai-chi Ch’uan, a traditional
Chinese exercise method used to help improve mental and physical
faculties that may slow as a result of the aging process. This internal
form of Kung Fu improves balance and agility in seniors, can lower
blood pressure, improve arthritis and reduce stress. Students will be
taught this technique along with the importance of a healthy life style in
preventing disease. Students will be taught in a progressive systematic
manner. Classes are designed for students 55 years and older. 24 hours
laboratory; Positive Attendance.

SCE-815 - Yoga for Older Adults 0 units
Prerequisite: None.
Students 55 years and older will learn the principles of yoga exercises
and how their practice can increase levels of health and fitness. Students
will learn techniques to improve their breathing, concentration,
flexibility, strength, balance and endurance as well as techniques to
help them relax. Students will be exposed to information regarding
health and fitness for older adults, including the importance of exercise
and good nutrition. Students will learn to monitor their own fitness
level in a way designed to help them live a healthier and longer life.
24 hours laboratory; Positive Attendance.

SCE-816 - Swim and Water Exercise for Older Adults 0 units
Prerequisite: None.
Students 55 years and older will learn basic swimming skills or low-
level water aerobics including water safety in and around a pool.
Students will learn aquatic exercises designed to increase strength,
flexibility, balance, coordination and cardiovascular fitness and relieve
stress and muscle tension. 24 hours laboratory; Positive Attendance.

SCE-819 - Walking for Health for Older Adults 0 units
Prerequisite: None.
Advisory: Ability to walk unassisted for approximately one hour. The
class will meet in one hour increments and students must be able to
walk from the beginning location to the designated ending location.
Students 55 years and older will learn to improve physical stamina
and increase their current level of health by walking in a way designed
to address their cardiovascular needs. The class will cover safety
techniques, including the proper clothing and footwear, hydration,
and how to monitor heart rate levels as well as building cardiovascular
efficiency, strength and endurance, weight control, general mental
vitality and providing an opportunity to exercise in a socially interactive
and safe environment. Students will be exposed to information
regarding health and fitness for older adults including the importance
of exercise and nutrition. 24 hours laboratory; Positive Attendance.
SCE-820 - Music for Active Seniors 0 units
Prerequisite: None.
This course will focus on listening to, participating in and learning the history of music deemed to be of interest to older adults. Classes will include live instrumental and vocal presentations and instruction on composers, song stories, backgrounds and musical styles from approximately 1900 forward. This course is designed for students 55 years and older who are able to be active, mobile participants. 30 hours laboratory; Positive Attendance.

SCE-821 - Music Therapy for Frail Seniors 0 units
Prerequisite: None.
This course will focus on listening to, participating in and learning the history of music deemed to be of interest to seniors. Class will include live piano or other instruments and vocal presentations and instruction on composers, song stories, backgrounds and musical styles from approximately 1900 forward. This course is designed for students 55 years and older who might live in assisted living environments. 30 hours laboratory; Positive Attendance.

SCE-824 - Successful Money Management 0 units
Prerequisite: None.
This course will introduce students to the key concepts and practices of wise money management, including how to minimize taxes, maximize your investment returns and plan for your future. Students will develop a personal money management plan suitable to their individual income and financial objectives. 10 hours laboratory; Positive Attendance.

SCE-830 - Mature Driver Improvement 0 units
Prerequisite: None.
Advisory: Students must possess a valid California Driver’s License and be prepared to pay a nominal fee (currently $1.00) for the DMV Certificate.
This course is designed to update the driving skills of students 55 years and older. Curriculum is provided by the State of California DMV to help older drivers become more defensive, more alert to their surroundings as they drive and to familiarize them with new traffic laws. DMV requires that the course be 8 hours long and be open to a maximum of 30 students. Students will pay a nominal fee for the DMV Certificate of Completion. 8 hours lecture; Positive Attendance.

SCE-833 - Health Wellness and Nutrition for Older Adults 0 units
Prerequisite: None.
Adults 55 years and older will learn practical information about nutrition and dietary needs for older adults. Topics can include general health, nutrition, consumer awareness, market trends/dietary fads, healthy food preparation and safety. Emphasis will be placed on nutrition and the role it plays throughout the aging process. 24 hours laboratory; Positive Attendance.

SCE-834 - Weight Management for Older Adults 0 units
Prerequisite: None.
This course is designed for older adults who desire to lose between 5 and 40 pounds. Emphasis is placed on developing nutritionally sound eating habits to reduce weight by 1-2 pounds per week. The course examines a variety of issues involved with successful weight management including: exercise, stress management, strategies for restaurant dining, evaluation of fad diets, building confidence and changing habits. 36 hours lecture; Positive Attendance.

SCE-840 - Craft Design for Older Adults 0 units
Prerequisite: None.
This course offers students 55 years and older the opportunity to create and construct various types of crafts in an interactive and stimulating environment. The course will feature crafts that give students an opportunity to use their creative talents while retaining and continuing to develop their fine motor skills and improve memory skills. Some of the crafts featured in various classes might include ceramics, stain glass, wood carving, jewelry, china painting, calligraphy, fabric crafts, scrap book design, various crafts using glass items, wood items, clay pots, found items and items from nature like gourds and pine cones, etc. Students will supply their own craft materials. 24 hours laboratory; Positive Attendance.

SCE-842 - Needle Arts Therapy for Seniors 0 units
Prerequisite: None.
Students 55 years and older will learn to create needle arts projects in a socially interactive environment. The course will feature a wide variety of needle arts instruction to give students an opportunity to use their creative talents while retaining and continuing to develop fine motor skills memory improvement and will provide an opportunity to share backgrounds and family history through the various projects and offer in a socially interactive environment. Some of the various needle arts that might be included in various classes are: needlepoint, cross stitch, needle beading, embroidery, ribbon embroidery, Japanese bunka and other ethnic needle arts, fabric embellishment, appliqué, quilting, crochet and knitting. Students will provide their own needle art supplies. 24 hours laboratory; Positive Attendance.
Section VII

FACULTY
Each year, the Academic Senate and faculty of RCCD select an educator from their ranks to address the college community. This is one of the highest honors the faculty at RCCD can bestow on a colleague to recognize an individual’s outstanding teaching skills and contributions to the District and its students. The 48th Distinguished Faculty Lecturer is

TRAVIS GIBBS, Ph.D.
ASSOCIATE PROFESSOR,
PSYCHOLOGY

Travis Gibbs received an A.A. degree from RCC in 1975, a B.A. in psychology in 1988 and a M.A. in industrial/organizational psychology in 1990, both from Cal State San Bernardino, and a Ph.D. in industrial/organizational psychology from The Union Institute Graduate School in 2001. He joined RCC as a part-time psychology instructor in 1992 and became a full-time faculty member in 1996. He retired from his commercial landscape business, which he owned and operated for over 22 years, in 1999—which formed part of the basis for his interest, his master’s thesis, and his doctoral dissertation in the psychology of individuals, organizations, and business.

Since joining RCC, Travis Gibbs has served on many committees as both a part-time and full-time representative, including service on the Academic Senate from 1994 until the present time, with the exception of 1999-2000 when he was the first chair of the newly formed Communications, Humanities, and Social Sciences Department at the Moreno Valley Campus. Additionally, he was honored to be RCC’s Humanities and Social Science’s Teacher of the Year for 1997-1998 and Moreno Valley’s Campus’ Communication, Humanities, and Social Sciences Teacher of the Year in 1999-2000 and again in 2001-2002.
Acknowledging that the quality of an instructional program is dependent largely upon the quality of the faculty, Riverside Community College District endeavors to maintain a teaching staff which is among the finest in California.

**MORENO VALLEY CAMPUS FACULTY**

**AMEZQUITA, ANNA MARIE**  
Associate Professor, English  
B.A., St. Edward’s University; M.A., New Mexico State University. At Riverside Community College District since 2000.

**BACIUNA, NICOLAE**  
Assistant Professor, Mathematics  
B.S., M.S., University of California, Riverside. At Riverside Community College District since 2008.

**BALEN'T, AMY E.**  
Associate Professor, Art  

**BARBOZA, MATTHEW M.**  
Associate Professor, Computer Information Systems  
B.A., California State Polytechnic University, Pomona; M.A., California State University, Fullerton. At Riverside Community College District since 2001.

**BECKSTROM, DOUGLAS A.**  
Associate Professor, Dental Technology  
A.S., Community College of the Air Force; B.S., Southern Illinois University; M.A., Chapman University. At Riverside Community College District since 1992.

**BHATTACHARYA, DEBADARSHI (Dipen)**  
Associate Professor, Physics  
M.S., Moscow State University, Moscow, Russia; Ph.D., University of New Hampshire, Durham. At Riverside Community College District since 2001.

**BIANCARDI, FABIAN A.**  
Associate Professor, Political Science  

**BRIGGS, CORDELL A.**  
Dean, Public Safety Education and Training  
Associate Professor, English  

**BROYLES, LARISA**  
Associate Professor, Anthropology  
B.A., University of California, Irvine; M.A., Ph.D., University of California, Riverside. At Riverside Community College District since 2005.

**BUFALINO, PATRICIA**  
Dean of Instruction, Associate Professor, Nursing  
B.S.N., St. Joseph College, Maryland; M.N., F.N.P., University of California, Los Angeles; M.A., California State University, Northridge. At Riverside Community College District since 1980.

**BURNETT, DARIA**  
Dean, Student Services  
B.A., M.A., Keen College of New Jersey; Ed.D., University of Southern California. At Riverside Community College District since 1990.

**CLARK, DANIEL H.**  
Associate Professor, English  
B.A., Colorado State University; M.A., Indiana University; Ph.D., University of California, Davis. At Riverside Community College District since 1999.

**CONRAD, DIANE M.**  
Associate Professor, Speech Communication  
A.A., Palomar College; B.A., Wheaton College; M.A., California State University, Long Beach. At Riverside Community College District since 1990.

**CONYERS, LISA A.**  
Vice President, Educational Services  
A.A., Mt. San Antonio College; B.A., University of California, Riverside; M.A., New York University; Ph.D., University of California, Riverside. At Riverside Community College District from 1992-1996, and since 1997.

**DRAKE, SEAN D.**  
Associate Professor, Mathematics  
B.S., M.S., University of California, Riverside. At Riverside Community College District since 2000.

**DUMER, OLGA**  
Associate Professor, English as a Second Language  
B.A., M.A., Moscow State Pedagogical Institute; Ph.D., Institute of Linguistics of the USSR Academy of Sciences. At Riverside Community College District since 2000.

**DURAN, JOSE**  
Associate Professor, Business & Computer Information Systems  
B.A., M.B.A., California State University, San Bernardino. At Riverside Community College District since 1986.

**ELDER, GREGORY P.**  
Associate Professor, History  
A.B., Indiana University; Certificate in Theology, Oxford University, UK; Master of Divinity, Nashotah House Theological Seminary; M.A., Ph.D., University of California, San Diego. At Riverside Community College District since 1991.

**FAST, MATTHEW**  
Assistant Professor, Computer Information Systems  
B.S., M.S., University of California, Riverside. At Riverside Community College District since 2006.

**FONTAINE, ROBERT**  
Associate Professor, Emergency Medical Services  
B.A., University of La Verne; M.A., Chapman University. At Riverside Community College District since 2004.

**FOSTER, DONALD**  
Associate Professor, Music  
B.M., M.M., University of Southern California. At Riverside Community College District since 2005.

**GAGE, GEORGE**  
Associate Professor, Community Interpretation in Spanish  
B.A., University of Vermont; M.A., University of Texas at El Paso. At Riverside Community College District since 2000.

**GALICIA, FELIPE**  
Associate Professor, Biology  
B.S., M.S., California State University, San Bernardino. At Riverside Community College District since 2005.
GIBBS, TRAVIS  
Associate Professor, Psychology  
A.A., Riverside Community College; B.A., M.A., California State University, San Bernardino; Ph.D., The Union Institute Graduate School. At Riverside Community College District since 1996.

HAUSLADEN, LISA  
Associate Professor, Medical Assisting  
B.S., Southern Illinois University; M.B.A., University of Phoenix. At Riverside Community College District since 2005.

HONORE, CHERYL  
Associate Professor, Accounting  
B.S., Loyola Marymount University, Los Angeles; M.B.A., California State Polytechnic University, Pomona. At Riverside Community College District since 1990.

HOWARD, JEANNE  
Assistant Professor, Counseling  
B.S., M.S., University of La Verne. At Riverside Community College District since 2008.

HULSHOF, LIDIA  
Assistant Professor, Dental Assisting  
B.S., Biola University; D.D.S., Loma Linda University. At Riverside Community College District since 2006.

INGHAM, SUSAN L.  
Associate Professor, English  

ISAAC, WOLDE-AB  
Instructor/Dean, Health Sciences Programs  
B.S., Adis Abeba University; M.A., Ph.D., University of Michigan. At Riverside Community College District since 2006.

JOHNSON, FEN  
Associate Professor, Mathematics  
B.A., M.A., California State University, San Bernardino. At Riverside Community College District since 2004.

LESSEER, DONNA  
Assistant Professor, Director, Dental Assistant and Dental Hygiene Programs  
B.S., California State University, Northridge. At Riverside Community College District since 2002.

LIPKIN, ELLEN  
Associate Professor, Microbiology  
M.S., University of California, San Francisco. At Riverside Community College District since 1999.

LOOMIS, REBECCA  
Associate Professor, Anatomy and Physiology  
B.S., University of Nebraska; M.S., Loma Linda University. At Riverside Community College District since 1996.

MARSH, DIANE M.  
Associate Professor, Chemistry  
B.A., California State University, San Bernardino; M.S., Ph.D., University of California, Riverside. At Riverside Community College District since 1992.

MARSHALL, SHARA  
Assistant Professor, Biology and Health Sciences  
B.A., M.S., California State University, San Bernardino. At Riverside Community College District since 2009.

McQUEAD, MICHAEL W.  
Associate Professor, Computer Information Systems  
B.M., M.M., University of Southern California. At Riverside Community College District since 1999.

MERCADO, ROSARIO  
Associate Professor, Spanish  
B.A., California State University, San Bernardino; M.A., Ph.D., University of California, Riverside. At Riverside Community College District since 1997.

METCALFE, KIM  
Associate Professor, Early Childhood Education  
B.A., M.A., California State University, San Bernardino, Ph.D., Capella University. At Riverside Community College District since 2002.

MIDDLETON, DELORES  
Director, Associate Professor, Physician Assistant  
A.S., Los Angeles Southwest College; B.S., California State University, Los Angeles; M.A., Ed.D, University of Southern California. At Riverside Community College District since 1998.

MOORE, FRANKIE  
Associate Professor, Coordinator, Student Activities  
B.A., M.A., California State University, Fresno. At Riverside Community College District since 2005.

NAMEKATA, JAMES S.  
Associate Professor, Mathematics  
B.S., University of California, Riverside; M.A., California State University, San Bernardino. At Riverside Community College District since 1999.

NOLLETTE, CHRISTOPHER  
Associate Professor, Director, Emergency Medical Services  

NYROP, SONYA  
Assistant Professor, Reading  
B.A., Columbia Union College; M.A., University of London; M.S., California State University, San Bernardino. At Riverside Community College District since 2006.

OGATA KEELER, LORRAINE  
Associate Professor, Reading  
B.A., M.A., California State University, San Bernardino; Ed.D., University of Southern California. At Riverside Community College District since 1999.

PACHECO, MARIA DEL ROCIO  
Associate Professor, Counseling  
A.A., Rio Hondo Community College; B.A., University of California, Irvine; M.S., California State University, Long Beach. At Riverside Community College District since 2001.

PARKER, LATONYA  
Assistant Professor, Counseling  
B.A., M.S., California State University, Long Beach. At Riverside Community College District since 2008.

PENA, LARRY A.  
Associate Professor, Counseling  
B.A., University of California, Riverside; M.S., California State University, San Bernardino. At Riverside Community College District since 2000.
PEREZ, MONTE  President, Moreno Valley
B.A., California State College, Los Angeles; Ph.D., University of Southern California. At Riverside Community College District since 2008.

PFEIFLE, ANN L.  Associate Professor, History
B.A., University of Minnesota; B.S., Moorhead State University; M.A., University of California, Riverside. At Riverside Community College District since 2001.

PISA, SHEILA  Associate Professor, Mathematics

QUINTO-MacCALLUM, BONAVITA  Associate Professor, Spanish
B.A., M.A., University of New Mexico; Ph.D., New Mexico State University. At Riverside Community College District since 2005.

REYNOLDS, JOSEPH E.  Associate Professor, DSPS Counseling/LD Specialist
B.S., Florida State University; M.H.S., Ed.D., University of Florida. At Riverside Community College District since 2001.

RHYNE, JEFFREY  Assistant Professor, English
B.A., Pomona College; M.A., University of California, Riverside. At Riverside Community College District since 2006.

ROCCO, CHRISTOPHER  Associate Professor, Humanities
B.A., University of Hawaii; M.A., Ph.D., University of California, San Diego. At Riverside Community College District since 2001.

SAXON, KATHLEEN L.  Associate Professor, Mathematics
A.S., Mt. San Jacinto College; B.S., University of California, Riverside; M.S., California Polytechnic State University, Pomona. At Riverside Community College District since 1998.

SINIGAGLIA, NICHOLAS  Assistant Professor, Philosophy
B.A., University of California, Berkeley; M.A., University of California, Irvine. At Riverside Community College District since 2007.

SNITKER, NICOLE  Instructor, Dental Hygiene
B.A., Northern Arizona University. At Riverside Community College District since 2008.

SOTO, SALVADOR  Associate Professor, Counseling
A.A., Riverside Community College District; B.A., University of California, Santa Barbara; M.S., P.P.S., University of La Verne. At Riverside Community College District since 2005.

STAFFORD, PAULA  Assistant Professor, Physician Assistant
A.A., West Los Angeles College; B.S., California State University, San Bernardino. At Riverside Community College District since 2002.

TENPAS, CYNTHIA  Assistant Dean, Library and Learning Resources
B.A., University of California, Riverside; M.L.S., California State University, San Jose. At Riverside Community College District since 1995 to 2004 and since 2006.

THETFORD, TERESA  Associate Professor, Physician Assistant
A.A., Riverside Community College; B.S., University of Southern California; M.S., A.T. Still University. At Riverside Community College District since 2002.

THOMPSON, ERIC  Associate Professor, Sociology
B.A., California State University, Chico; M.A., California State University, Sacramento. At Riverside Community College District since 2005.

TOLUNAY, ADIYE  Assistant Professor, Psychology
B.A., M.A., Bogazici University (Turkey); Ph.D., University of Rhode Island. At Riverside Community College District since 2006.

TOVARES, CHARLES  Associate Professor, Geography
B.A., University of Florida; M.A., Ph.D., University of Washington, Seattle. At Riverside Community College District since 2005.

WAGNER, STEPHEN D.  Associate Professor, Biology
B.S., M.S., California State University, San Bernardino. At Riverside Community College District since 2005.

WERNER-FRACZEK, J.  Assistant Professor, Biology
B.S., M.S., University of Gdansk; M.S., Ph.D., University of Wisconsin, Madison. At Riverside Community College District since 2006.

WICKEN, INGRID P.  Associate Professor, Physical Education
A.A., Riverside Community College; B.S., M.S., California State Polytechnic University, Pomona. At Riverside Community College District since 1989.

WILLIAMS, EDWARD ALLAN  Associate Professor, English

YAO, CHUI ZHI  Assistant Professor, Mathematics
B.A., M.A., M.A., California State University, Sacramento; Ph.D., University of California, Riverside. At Riverside Community College District since 2008.

ZAPATA, VALARIE  Associate Professor, English
B.A., M.A., Ph.D., University of California, Riverside. At Riverside Community College District since 2005.
Bajaj, Pankaj
Dean/Director, Institutional Reporting and Academic Services
B.E., MIT; M.I.S., University of Missouri, St. Louis. At Riverside Community College District since 2001.

Braudy, Glen
Interim Dean, Distance Education
B.S., University of Utah; M.S., San Diego State University. At Riverside Community College District since 2000.

Buysse, James
Vice Chancellor, Administration and Finance

Di Thomas, Deborah
Associate Vice Chancellor, Student Services and Operations
B.S., California Polytechnic University; M.A., Azusa Pacific University; Ed.D., Pepperdine. At Riverside Community College District since 1992.

Dietz, Kristina
Associate Professor, Political Science
B.A., Whittier College; M.A., Claremont Graduate School. At Riverside Community College District since 1979.

Kane, Melissa
Vice Chancellor, Diversity and Human Resources
B.A., University of Missouri; M.A.A., University of Memphis. At Riverside Community College District since 2005.

Kaufmann, Kristina
Associate Vice Chancellor, Institutional Effectiveness
Associate Professor, Political Science
B.A., Whittier College; M.A., Claremont Graduate School. At Riverside Community College District since 1979.

Keeler, Richard
Director, Grant and Contract Services
B.A., University of La Verne; B.A., M.A., University of California, Berkeley. At Riverside Community College District since 2000.

Kimberling, Renee
Director, Health Services
B.S.N., Loma Linda University; B.S.M., Pepperdine University; M.S.N. California State University, Dominguez Hills. At Riverside Community College District since 2005.

Lacy, Linda L.
Vice Chancellor, Student Services and Operations
Associate Professor, Physical Education
B.S., Oklahoma State University; M.S., Central State University; Ed.D., Oklahoma State University. At Riverside Community College District since 1986.

Maghroori, Ray
Vice Chancellor, Academic Affairs
B.A., San Jose State College; M.A., San Jose State University; Ph.D., University of California, Riverside. At Riverside Community College District since 2001.

Martinez, Daniel
Associate Director, Institutional Research
B.S., Loma Linda University; M.A., California State University, San Bernardino; Ph.D., Claremont Graduate University. At Riverside Community College District since 2000.

McCroskey, Paula
Dean, Disabled Student Programs and Services
Associate Professor, Counseling
B.S., M.Ed., University of Georgia. At Riverside Community College District since 1985.

Thomas, Sylvia A.
Associate Vice Chancellor, Instruction
Associate Professor, Reading
B.A., University of California, Los Angeles; M.A., Pepperdine University. At Riverside Community College District since 1988.

Tillquist, John
Dean, Economic Development
B.A., University of Colorado, Boulder; M.S., Ph.D., University of California, Riverside. At Riverside Community College District since 2005.

Torres, David
Dean, Institutional Research
B.A., M.A., California State University, Fullerton. At Riverside Community College District since 1993.

Vincent, Eugenia E.
Dean, Student Financial Services
B.S., Clark-Atlanta University; M.A., University of Southern California. At Riverside Community College District since 1988.
FACULTY EMERITI

Michael Amrich, Professor Emeritus, Chemistry
Sally Armstrong, Professor Emerita, Art
Hilda Attridge, Professor Emerita, English
Jo Ann Bailey, Professor Emerita, Library Services
Theodore Banks, Professor Emeritus, Physical Education
James Baylor, Professor Emeritus, Business Administration
Henry Z. Benedict, Professor Emeritus, Counseling
Joe Bennett, Professor Emeritus, Automotive Technology
Richard Bevan, Professor Emeritus, Dental Technology
John S. Biehl, Professor Emeritus, Biology and Health Services
Elizabeth Bigbee, Dean Emerita, Learning Resources
Janis Binam, Professor Emerita, Anthropology
Donald Birren, Professor Emeritus, Physical Education
Douglas Bond, Professor Emeritus, Chemistry
Friedrich Brose, Professor Emeritus, Library Services
C. Kenneth Brown, Professor Emeritus, Instructional Media
Vern Browne, Professor Emeritus, Computer Information Systems
Ronald Burton, Professor Emeritus, English
Dean Chambers, Professor Emeritus, Business Administration
Linda Chang, Professor Emerita, Library Services
JoAnn Chasteen, Professor Emerita, Nursing
Mike Churchill, Professor Emeritus, Physical Education
Marmion Complin, Professor Emeritus, Computer Information Systems
George Conrad, Professor Emeritus, Machine Shop Technology
Frank Corona, Professor Emeritus, Spanish
Lois O. Cresgy, Professor Emerita, Physical Education
Betty Day, Professor Emerita, English
Foster Davidoff, Superintendent/President, Emeritus
Nate DeFrancisco, Dean Emeritus
Philip Denham, Professor Emeritus, English/Mathematics
Arthur B. Dietrich, Professor Emeritus, Automotive Technology
Robert Dixon, Professor Emeritus, Astronomy
JoEllen Dooley, Professor Emeritus, Library Services
Sonia Doshna, Professor Emerita, Physical Education
Roger Duffer, Professor Emeritus, Music
John Elliott, Professor Emeritus, Physics
Stanley Everett, Professor Emeritus, Administration of Justice
Al Fages, Professor Emeritus, Physical Education
Brenda Farrington, Professor Emerita, Counseling
Royal Fraser, Professor Emeritus, Business
Annette Gaines, Professor Emerita, Nursing
Robert L. Garvin, Professor Emeritus, Automotive Technology
John Georgakakos, Professor Emeritus, Chemistry
Garnett Lee Gladden, Professor Emeritus, Psychology
Grace Goodrich, Professor Emerita, Accounting/Business/CIS
Pauline Goss, Professor Emerita, Nursing
Cecil Green, Professor Emeritus, Business Administration
Helen Hadden, Professor Emerita, Business
Michael Hain, Professor Emeritus, Biology
Allen E. Hansen, Professor Emeritus, Mathematics
Kenneth Harper, Professor Emeritus, Anthropology
Wihelmina Hathaway, Professor Emerita, Chemistry
Raphael C. Hawley, Professor Emeritus, Physics and Astronomy
Lauris Hazlett, Professor Emeritus, Mathematics
Carol Hensel, Professor Emerita, Home Economics
Tony Hernandez, Professor Emeritus, Counseling/Spanish
Alta Hester, Professor Emerita, Counseling
James Hill, Professor Emeritus, Counseling
Betty Hosking, Professor Emerita, Home Economics
Sam Huang, Professor Emeritus, Biology and Health Science
Glenn Hunt, Professor Emeritus, Mathematics
Charles Inacker, Dean Emeritus, Instruction
Bruce Jackson, Professor Emeritus, Counseling
Charles Jackson, Professor Emeritus, Anthropology and Sociology
Gilbert Jimenez, Professor Emeritus, History
Cecil Johnson, Professor Emeritus, Biology
Hilda (Bixler) Johnson, Professor Emerita, Nursing
Tom Mark Johnson, Director Emeritus, Athletics
Allan Kirkpatrick, Professor Emeritus, Sociology and Psychology
LeeAnn Kochenderfer, Professor Emerita, Learning Disabilities
Janice Kollitz, Professor Emerita, English
Lee Kraus, Professor Emeritus, English
Kenneth Krivanek, Professor Emeritus, German and English
Robert S. Kroger, Professor Emeritus, Physics
Carolyn Sue Kross, Professor Emerita, Nursing Education
James Kross, Professor Emeritus, Physical Education
Taiko Lacey, Professor Emerita, Office Administration
Louis Larson, Professor Emeritus, Geography
Susan Lawrence, Professor Emerita, Counseling
Jim Leatherwood, Dean Emeritus, Occupational Education
Edward Ledford, Professor Emeritus, English
Eva Leech, Professor Emerita, Nursing
Ruby (Strahan) Lockard, Professor Emerita, Cosmetology
John Locker, Professor Emeritus, Criminal Justice
George Londos, Professor Emeritus, Biology
Barbara Mariscal, Professor Emerita, Cosmetology
Cynthia Marquez, Professor Emerita, Philosophy and Religion
Jean Marsh, Professor Emerita, Cosmetology
W. Paul Matthews, Professor Emeritus, Engineering
John M. Matulich, Deputy Superintendent and Vice President Emeritus, Administrative Services
Doris Mawn, Professor Emerita, Medical Assisting
Doris McElroy, Professor Emerita, Nursing
Leighton McLaughlin, Professor Emeritus, Journalism
Ron McPherson, Professor Emeritus, Computer Information Systems
Leonard Metcalf, Associate Dean Emeritus, Student Personnel Services
Joseph B. Miller, Professor Emeritus, Health Science
V. Eva Molnar, Professor Emerita, Business Administration
Michael Montano, Professor Emeritus, Mathematics
David Moody, Professor Emeritus, Mathematics
Gloria Jean Morgan, Professor Emerita, Cosmetology
Donald Myers, Professor Emeritus, Biology
Harold Nemer, Professor Emeritus, Mathematics/Astronomy
Louis N. Papac, Professor Emeritus, Cosmetology
May R. Paquette, Professor Emerita, Office Administration
John Partida, Professor Emeritus, Cosmetology
Pamela Patey, Professor Emerita, Office Administration
Patricia Peters, Professor Emeritus, Physical Education
Louise Peterson, Professor Emerita, Home Economics
Gail Piestrup, Professor Emerita, English
Joan Pleasants, Professor Emerita, Chemistry
Richard Ramirez, Vice President Emeritus, Student Services
Natalie Ringlund, Professor Emerita, Physical Education
Cheryl Roberts, Professor Emerita, Early Childhood Studies
Nancy Rose, Professor Emerita, Library Science
John Ross, Professor Emeritus, Music
Salvatore Rotella, Chancellor Emeritus
Joan Royce, Professor Emerita, Psychology
Carol Salgado, Professor Emerita, Early Childhood Studies
June Saunders, Professor Emerita, Nursing
Darrell Sausser, Professor Emeritus, Music
Robert Schermerhorn, Professor Emeritus,
    Physical Education and Athletics
Richard Schneider, Professor Emeritus, Psychology
Gary Schultz, Director Emeritus, Performing Arts
Joan Semonella, Professor Emerita, Speech Communication
Gary Semonella, Professor Emeritus, Speech Communication
Kenneth Shabell, Professor Emeritus, Mathematics
Margaret Sharp, Professor Emerita, Counseling
Selby Sharp, Professor Emeritus, Chemistry,
    Engineering and Mathematics
Terrance Shaw, Professor Emeritus, Anatomy and Physiology
S. Garrett Short, Professor Emeritus, Humanities
Roger Sliva, Professor Emeritus, Automotive Body Technology
Katie Smith, Professor Emerita, Reading
Robert Southwick, Professor Emeritus, Geology
Dina Stallings, Professor Emerita, English and Speech
Dorothy Steck, Professor Emerita, Nursing
Richard Stover, Assistant Supt. and Vice President Emeritus,
    Academic Services
Letha Strain, Professor Emerita, Office Administration
Margaret Thompson, Professor Emerita, Home Economics
John Thornton, Professor Emeritus, Reading
Irmy Tilton, Director Emerita, Cosmetology
Melchior Tomaselli, Professor Emeritus, Cosmetology Department
Tony Turner, Professor Emeritus, Physical Education
Richard K. Tworek, President Emeritus

Evan Vail, Provost Emeritus
Donald Van Dyke, Professor Emeritus, Biology/Botany
Barney W. Van Noy, Professor Emeritus, Dental Technology
Joseph von Helf, Professor Emeritus, Anthropology
Charles Walker, Professor Emeritus, English/Speech Communication
Dorothy (Chari) Wallace, Professor Emerita, Business Administration
Roger Warren, Professor Emeritus, Cosmetology
LeRoy Watters, Professor Emeritus, Psychology
David Waxman, Professor Emeritus, Physical Education
Diana Webster, Professor Emerita, Business Administration
Auston White, Professor Emeritus, Administration of Justice
Gerald Williams, Professor Emerita, Electronics
Bruce Wilson, Professor Emeritus, Physical Education
Pearl Wolfsen, Professor Emerita, College Nurse
Cecilia Wong, Executive Dean Emerita, Technology/Learning Resources
Geraldine Woods, Professor Emerita, Anthropology
Gordon R. Woolley, Jr., Assistant Superintendent Emeritus and
    Business Manager
Cornelia Wyldestar, Professor Emerita, Reading
