All information contained in the 2012-13 Catalog is current as of February 2012. Although every effort has been made to ensure accuracy of the information in this catalog, students and others who use this catalog should consult with a counselor, dean, department chair or program director for recent additions, deletions or changes. Updates can also be found online at www.rccd.edu.

The Riverside Community College District complies with all federal and state rules and regulations and does not discriminate or allow harassment of any student or employee on the basis of ethnic group identification, national origin, religion, age, sex or gender, race, color, ancestry, sexual orientation, physical or mental disability, or any characteristic listed or defined in Section 11135 of the Government Code or any characteristic that is contained in the prohibition of hate crimes set forth in subdivision (1) of Section 422.6 of the California Penal Code, or any other status protected by law. This holds true for all students who are interested in participating in educational programs, including career and technical education programs, and/or extracurricular school activities. Limited English speaking skills will not be a barrier to admission or participation in any programs. Inquiries regarding compliance and/or grievance procedures may be directed to the District’s Title IX Officer/Section 504/ADA coordinator, who is Ms. Chani Beeman, 450 E. Alessandro Blvd., Riverside, CA 92508. Telephone number: (951) 222-8039.

PRESIDENT’S MESSAGE

Welcome to Moreno Valley College! We are committed to the success of each student and to providing access to our outstanding higher education programs. We encourage you to explore and take advantage of the variety of learning opportunities offered here at Moreno Valley College and our Public Safety Education and Training/Ben Clark Training Center. Whether you would like to train for a new job, earn a college degree, transfer to a four-year college or university, upgrade your existing skills or explore educational opportunities, Moreno Valley College has courses and programs to meet your needs and interests.

Our vast array of support services, including counseling, career planning, financial aid programs, and assistance for those with learning and/or physical disabilities, all support our students in achieving their goals. Moreno Valley College also offers on-campus child care, a health center, and many tutorial programs.

Students are our top priority at Moreno Valley College and on behalf of all faculty and staff, I wish you great success in your future education and career accomplishments.

Graduation: June 7, 2013

The application deadline to walk in the Commencement Ceremony is April 1, 2013
MISSION
Responsive to the educational needs of its region, Moreno Valley College offers academic programs and student support services which include baccalaureate transfer, professional, pre-professional, and pre-collegiate curricula for all who can benefit from them. Lifelong learning opportunities are provided, especially in health and public service preparation.

VISION
Moreno Valley College is committed to exceeding the expectations of students, community, faculty, and staff by providing and expanding opportunities for learning, personal enrichment, and community development.

VALUES
RECOGNITION OF OUR HERITAGE OF EXCELLENCE
We embrace Moreno Valley College’s rich tradition of excellence and innovation in upholding the highest standard of quality for the services we provide to our students and communities. We are bound together to further our traditions and to build for the future on the foundations of the past.

PASSION FOR LEARNING
We believe in teaching excellence and student centered decision making. We value a learning environment in which staff and students find enrichment in their work and achievements.

RESPECT FOR COLLEGIALITY
We recognize the pursuit of learning takes the contributions of the entire district community, as well as the participation of the broader community. We believe in collegial dialogue that leads to participatory decision making.

APPRECIATION OF DIVERSITY
We believe in the dignity of all individuals, in fair and equitable treatment, and in equal opportunity. We value the richness and interplay of differences. We promote inclusiveness, openness, and respect to differing viewpoints.

DEDICATION TO INTEGRITY
We are committed to honesty, mutual respect, fairness, empathy, and high ethical standards. We demonstrate integrity and honesty in action and word as stewards for our human, financial, physical, and environmental resources.

COMMITMENT TO COMMUNITY BUILDING
We believe Moreno Valley College is an integral part of the social and economic development of our region, preparing individuals to better serve the community. We believe in a community-minded approach that embraces open communication, caring, cooperation, transparency, and shared governance.

COMMITMENT TO ACCOUNTABILITY
We strive to be accountable to our students and community constituents and to use quantitative and qualitative data to drive our planning discussions and decisions. We embrace the assessment of learning outcomes and the continuous improvement of instruction.

GOALS
Strengthen and expand Moreno Valley College Academic Programs to increase student success and achieve state and national prominence to general education, allied health, public safety programs, and pre-collegiate education.

Develop and expand effective Student Services Programs that will increase student access, retention, and completion.

Provide more opportunities to students, faculty, staff, and community to participate in life-long learning experiences.

Ensure sufficient revenue stream that will support and sustain Moreno Valley College’s Academic, Student Services, and Business Services programs.

Improve the utilization of technological resources and develop the infrastructure necessary to advance technological innovations that will support academic, student services, and business services divisions.

Provide resources and opportunities to faculty and staff in order to enhance professional skills.

Renovate and expand existing facilities and construct new facilities to accommodate Moreno Valley College needs.

Provide support to achieve the full implementation (identification, assessment, and improvement) of student learning outcomes for courses, programs, and the institution by 2012.

ACADEMIC FREEDOM
The faculty, administration, and Board of Trustees subscribe to the American Association of University Professors’ 1940 Statement of Principles on Academic Freedom and Tenure:

“...Institutions of higher education are conducted for the common good and not to further the interest of either the individual teacher or the institution as a whole. The common good depends upon the free search for truth and its free expression.”

“Academic freedom is essential to these purposes and applied to both teaching and research. Freedom in research is fundamental to the advancement of truth. Academic freedom in its teaching aspect is fundamental for the protection of the rights of the teacher in teaching and of the student to freedom in learning. It carries with it duties correlative with rights.”

“The teacher is entitled to full freedom in research and in the publication of the results, subject to the adequate performance of his/her other academic duties; but research for pecuniary return should be based upon an understanding with the authorities of the institution.”

“The teacher is entitled to freedom in the classroom in discussing his/her subject, but he/she should be careful not to introduce into his/her teaching controversial matters which have no relation to his/her subject.”

“Limitations of academic freedom because of religious or other aims of the institution should be clearly stated in writing at the time of the appointment.”

“The college or university teacher is a citizen, a member of a learned profession, and an officer of an educational institution. When he/she speaks or writes as a citizen, he/she should be free from institutional censorship and discipline, but his/her special position in the community...
imposes special obligations. As a person of learning and an educational officer, he/she should remember that the public judges his/her profession and his/her institution by his/her utterances. Hence he/she should at all times be accurate, should exercise appropriate restraint, should show respect for the opinions of others, and should make every effort to indicate that he/she is not an institutional spokesman.”

ACADEMIC YEAR
The academic year consists of fall and spring terms, which extend from August to June, plus a winter and a summer session. The calendar for the 2012-2013 academic year appears in the front of the catalog. Courses offered during the various sessions are similar in scope and maintain equivalent standards.

ACCREDITATION
Riverside Community College District includes Riverside City College, Moreno Valley College, and Norco College which are accredited by the Accrediting Commission for Community and Junior Colleges (ACCJC). Moreno Valley College is accredited by the ACCJC, 10 Commercial Blvd. Suite 204, Novato, CA 94949, 415-506-0234, an institutional accrediting body recognized by the Council For Higher Education Accreditation and the U.S. Department of Education.

Moreno Valley College is approved under the regulations of the Board of Governors, California Community Colleges, by the Office of Private Postsecondary Education for the training of veterans, by the United States State Department for nonquota immigrant students, and by the United States Department of Health, Education, and Welfare. The University of California, the California State University and Colleges and other colleges and universities give full credit for appropriate courses completed in the Riverside Community College District.

PROGRAM LENGTH
Courses that are part of the requirements for Associate in Science or Associate in Arts degree patterns as well as those that comprise state or locally approved certificate patterns and concentrations are scheduled in such a manner that students who attend either full or part time are able to successfully complete their goals within a reasonable length of time.

WHO MAY ATTEND
Individuals who meet any one of the following criteria are eligible to attend the three colleges of Riverside Community College District:
- Have graduated from high school or
- Have passed the CA High School Proficiency Exam or
- Have passed the GED examination or
- Did not graduate from high school but are 18 years of age or older or
- Are eligible high school students who are admitted to the district’s middle or early high school college programs or
- Are international students who have satisfied specific international student admissions requirements

Admission to the colleges of Riverside Community College District is regulated by state law as prescribed in the California Education Code.

Open Enrollment
It is the policy of the Riverside Community College District that, unless specifically exempted by statute, every course, course section or class, the average daily attendance of which is to be reported for state aid, wherever offered and maintained by the district, shall be fully open to enrollment and participation by any person who has been admitted to the college and who meets such prerequisites as may be established pursuant to Title 5 of the California Administrative Code.

High School/Concurrent Enrollment
Due to the heavy demand for classes by college students, high school concurrent enrollment has been temporarily suspended with the exception of high school students who are part of RCCD’s recognized Early College or Middle College High School programs. Those students should follow the guidelines outlined by their program. Please check the website www.rccd.edu for updates.

ADMISSION AND REGISTRATION OF STUDENTS
Admission Application
Students need to apply if:
- They have never been a student at any of the Riverside Community College District colleges.
- They have not been in attendance at any RCCD college for at least one major term (fall or spring only).
- They submitted an application for a future term and wish to attend a current one.

Beginning with the fall 2012 term, students will not need to re-apply for fall or spring terms if an application was submitted in the preceding intersession (summer or winter).

Online applications can be submitted any time at www.mvc.edu and take approximately 24 hours to process (weekends and holidays excepted). The application period for a term closes two weeks prior to the start of that term, for example, the deadline to submit an application for the fall term is two weeks before the first day of the fall term. Computers and assistance are available in the Admissions lobby.

Schedule of Classes
The Schedule of Classes is available at www.mvc.edu. Open classes can also be viewed on WebAdvisor at www.mvc.edu.

Registration
Registration appointment dates as well as information on holds that may restrict registration may be viewed on WebAdvisor at www.mvc.edu approximately 6-8 weeks before the term begins. Students can register on WebAdvisor on or after their scheduled appointment date and time through the end of the registration period. Before registering, students must complete any necessary requirements, i.e. Assessment, online Orientation Counseling. Refer to the section on Matriculation: “Are You Exempt From Matriculation?” Students with a readmit contract are limited to the prescribed unit load approved by an academic counselor.

Students can pay fees by credit card on WebAdvisor, mail a check or money order, or pay at one of the colleges. See the Schedule of Classes at www.mvc.edu/schedule.cfm or fees at www.mvc.edu/services/fee/fees.cfm for payment and refund deadlines. My Account Summary can be viewed or printed on WebAdvisor.

All prerequisites will be enforced during registration and must be verified by high school and/or college transcripts.

Waitlists
Before the beginning of the term, if a class is closed, students may place their name on a waitlist (if available). If a seat becomes available the student is automatically added and his/her account charged with
enrollment and other required fees. Changes in Waitlist status are emailed to the student’s college email address and are posted to the student’s WebAdvisor page. Waitlisting ends two days prior to the first class meeting. Students moved in from the Waitlist must drop themselves from the class by the drop and refund deadlines if they do not intend to remain in the class.

Procedure for Adding and Dropping Classes
Once a class has begun, a student may only add a class with the instructor’s permission. Students can then add classes through WebAdvisor at www.mvc.edu or in person at Admissions and Records with an authorization code obtained from the instructor. Authorization codes are active on the first day of the class until the add deadline. All adds must be completed by the Add deadline posted in the Class Schedule and on WebAdvisor.

Students may withdraw from courses by using WebAdvisor prior to the drop deadlines. If there is a hold restricting use of the web, the student may bring a completed ADD/DROP card to the Admissions counter at any college and drop classes there. Deadlines to add, drop, and receive a refund are available on WebAdvisor. It is the student’s responsibility to drop a class he/she no longer attends.

Units for Full-Time/Part-Time Status
For full-time status, a student must be enrolled in at least 12 units of credit for the fall/spring terms and 6 units of credit for the winter/summer terms. Students who are enrolled in less than 12 units for fall/spring terms or less than 6 units for winter/summer are considered to be part-time. Specialized programs may have a different unit requirement for full-time status because of state mandates. The maximum amount of units a student may enroll in is 18 for fall and spring and 9 for winter and summer. Students wishing to enroll in more than 18 units must have an established GPA of 3.0 or higher. A counselor must sign an ADD card after verifying the GPA and the student must register in person for the over limit units.

Attendance
All students are expected to attend every session of every course in which they are enrolled. Failure to do so may indicate lack of serious purpose. Students who fail to attend the first class meeting and/or week may be dropped from the class. Religious observances and military duty, however, are excused. The student should inform their instructors prior to such an absence.

Work missed for unavoidable cause may be made up with the instructor’s approval. Under no circumstances will absence for any reason excuse the student from completing all the work assigned in a given course. After an absence, it is the responsibility of the student to check with the instructor about the completion of missed assignments.

For information on auditing classes, see the Graduation Requirements section.

LIMITATIONS ON ENROLLMENT
Riverside Community College District offers some courses which place limitations on enrollment. These limitations may include successful completion of courses, successful completion of online tutorials to demonstrate computer skills, preparation levels for math and English, performance criteria, or health and safety conditions. Students who do not meet the conditions imposed by these limitations will be blocked from enrolling in these classes.

Remedial Limitation
Riverside Community College District Board Policy 4222 limits the number of units students can earn for remedial/pre-collegiate basic skills courses to 24 semester units. Pre-collegiate/basic skills courses are defined as those two or more levels below college level English and one or more levels below elementary algebra. Riverside Community College District has designated certain courses as pre-collegiate basic skills courses. These courses include reading, writing, computation, learning skills and study skills designed to assist students in acquiring the skills needed for college level courses. These courses are considered non-degree applicable and earn credit but are not counted toward the 60 units required for the associate degree. Non-degree courses do apply toward: residency, athletic eligibility, work study and financial aid, veterans benefits, associated student body office, and full-time status. Non-degree credit status is indicated at the end of the course description.

Exemptions to Remedial Limitations
All developmental courses taken by students enrolled in English as a Second Language course are exempted. Students identified by the District for learning disabled programs are also exempted. Students with documented disabilities may petition the Admissions and Records Office for exemption status on a case-by-case basis.

Prerequisite
When a course has a prerequisite, it means that a student must have certain knowledge to be successful in the course. The prior knowledge may be a skill (type 40 wpm), an ability (speaks and writes French fluently), a placement preparation score, or successful completion of a course (grade C or better in CHE-1A). Completion of the prerequisite is required prior to enrolling in the class. Students who have completed a course at another institution for which they would like credit must fill out a Prerequisite Validation Form in order to have coursework on official transcripts validated for math, English, or other prerequisites.

If you are currently enrolled in a prerequisite course at Riverside Community College District (i.e., Math 52), you will be allowed to register for the succeeding class (i.e., Math 35). However, if you do not pass the prerequisite course with at least a C grade, you will be dropped from the succeeding class. Successful completion of a prerequisite requires a grade of C or better or P (Pass). C-, D, F, FW, NP (No Pass), or I grades are not acceptable.

Corequisite
When a course has a corequisite, it means that a student is required to take another course concurrent with or prior to enrollment in the course. Knowing the information presented in the corequisite course is considered necessary for a student to be successful in the course. (Completion of, or concurrent enrollment in, Math 1A is required for Physics 4A.)

It is the student’s responsibility to know and meet the course prerequisites and corequisites. These are stated in the course descriptions of the schedule of classes and the current college catalog. A student may be required to file proof of prerequisite and corequisite requirements.

Advisory
When a course has an advisory, it means that a student is recommended to have certain preparation before entering the course. The preparation is considered advantageous to a student’s success in the course. Since the preparation is advised, but not required, to meet the condition before or in conjunction with enrollment in the course (eligibility for ENG 1A is recommended) students will not be blocked from enrolling in a class if they do not meet the advisory.
Official Evaluation of Credit Completed at Other Schools
Students who have completed credit at any RCCD college or other institutions and wish to obtain a Riverside City College, Moreno Valley College, or Norco College degree, certificate, or transfer to a CSU or UC, may request an official evaluation by completing a “Student Request for Official Evaluation” form. These forms are available in the Counseling department. The student must currently be enrolled at RCCD. The official evaluation will be completed by the Evaluations office once all official transcripts (ones that are received by RCCD directly from the issuing institution) are received. A copy of the completed evaluation will be forwarded to the student.

Health Requirements
It is recommended that each student new to Riverside Community College District have current immunizations and a physical examination by his or her family physician before enrolling. Students who plan to participate in intercollegiate athletics should contact the Physical Education department about sports physicals. Student-parents of the children in the Child Development Center must have a tuberculin skin test or a chest x-ray that is negative for tuberculosis. Their children are required to have this as well as be up to date on their immunizations of DPT, MMR, and TOPV.

MATRICULATION
The matriculation program at Moreno Valley College is intended to assist students in establishing appropriate educational goals and to provide support services to help them achieve these goals. Students eligible for matriculation will be provided an evaluation of basic skills, orientation, counseling, completion of an educational plan and follow-up services. All first-time college students must complete Assessment, Orientation and Counseling prior to registering for classes.

Assessment of Basic Skills
Preparation levels are required for placement in English, ESL, mathematics, and reading courses. These preparation levels are based on a combination of test scores and other academic experience. Because Moreno Valley College uses multiple measure placement criteria, placement levels are enforced as prerequisites to courses. Students who have a documented disability requiring a unique accommodation can take the test in the Office of Disabled Students Programs and Services. To request this service, call: (951) 571-6138 or TDD (951) 571-6140.

Most new students are required to take an assessment test upon initial entry into Moreno Valley College and before Counseling appointments can be made or enrollment into any classes. The Accuplacer test is used for placement into English, math and reading courses, and the PTESL (Proficiency Test in English as a Second Language) is used for placement into ESL courses. Some returning students and students transferring to RCCD from another college may need to test as well (consult a counselor).

RCCD placement tests are available by appointment only. Appointments may be made by phone at (951) 571-6492 or online at http://www.mvc.edu/services/assessment/appointments.cfm. An appointment is required for testing. Limited testing is also available at the Ben Clark Training Center (Accuplacer only). Hours of operation are posted outside each Assessment Center and are available online. Students can call to confirm hours of service and make appointments: (951) 571-6492.

Students are required to present photo identification in order to test; a state or federal issued driver’s license or ID is preferred, but passports and high school ID are also acceptable. In order to preserve a comfortable and quiet testing environment, only students taking the test can remain in the Assessment Center. Friends and family (including minors) who are not testing cannot remain in the room.

Students who have completed the Accuplacer test at another college can petition to have those test results evaluated for use at Moreno Valley College. The student’s Accuplacer test print-out (not a student records program print-out) showing the test raw scores must be submitted in person at the Assessment Center. Evaluations and processing takes from one to five working days.

Assessment tests are meant to be a one-time only assessment of a student’s skills and abilities upon initial entry into the college. Retesting is available under certain circumstances – consult a Counselor or visit the Assessment Website at http://www.mvc.edu/assessment. Please Note: Once the student has begun the course sequence, retesting is not an option.

Extensive information on assessment testing, test preparation, details of all tests available, sample questions, and hours of operation are available at http://www.mvc.edu/assessment.

It is strongly recommended that students enroll in an appropriate composition course (English 1A, 50, 60A or 60B) during their first or second semester of enrollment. Students who do not meet Riverside Community College District’s reading competency requirement should also enroll in an appropriate reading class (Reading 81, 82 or 83) within their first 18 units undertaken at the college. Development of competent reading and writing skills is necessary for success as more and more college courses put increasing emphasis on the ability to read at a college level and to write clear, correct English.

Orientation/Counseling
All first-time college students must complete a freshman on-line orientation/counseling session prior to registering for courses. This online session will introduce students to services and educational programs at Moreno Valley College; provide students with information on registration procedures and placement results; and assist students in developing their first semester educational plans. Students will be able access the on-line orientation and advisement session 48 hours after the completion of their assessment test. To access the session please log on to your WebAdvisor account and click on the on-line orientation link under the academic planning header. Students should make sure to develop a one semester student educational plan after completing the orientation presentation. The first semester educational plan will appear shortly after on-line orientation is completed. If you have any further questions, please call (951) 571-6104 or stop by the Counseling department. New students, who did not complete Guidance 45, Introduction to College at their high schools, should register for this course during their first semester at RCCD.

Counseling for Continuing Students
Continuing matriculated students are entitled to see a counselor who can recommend appropriate coursework based on assessment results, review of past school records, and other information provided by the students. Students who have attended other colleges must request to have official transcript(s) sent to Moreno Valley College before scheduling counseling appointments or a Student Educational Plan.
All students pursuing certificate or degree programs, either Associate or Baccalaureate, should see their counselor each semester to review their Student Educational Plans (S.E.P).

### Are You Exempt From Matriculation Pre-Enrollment Requirements?
The following Board approved criteria define exempt students at Riverside Community College District:

A. Students who have completed 60 or more units or who have graduated from an accredited U.S. college or university with an AA degree or higher.
B. First-time college students who have declared one of the following goals:
   - Advance in current career/job
   - Maintain certificate/license
   - Educational development
   - Complete credits for high school diploma
C. Students who are enrolled full time at another institution (high school or college) and will be taking five units or fewer.

### Follow-Up
Counselors and teachers will provide follow-up activities on behalf of matriculated students. “Early Alert” follow-up activities are designed to inform students of their progress early in the semester and to continue to assist students in accomplishing their educational goals. “Probation/dismissal” activities help students make progress toward successful completion of their academic goals. Referrals for appropriate support services will be made to on-campus and off-campus locations when appropriate.

### Students Rights and Responsibilities
Any student who does not meet a prerequisite or corequisite, or who is not permitted to enroll due to a limitation on enrollment but who provides satisfactory evidence may seek entry into the course as follows:

1. If space is available in a course when a student files a challenge to the prerequisite or corequisite, the District shall reserve a seat for the student and resolve the challenge within five (5) working days. If the challenge is upheld or the District fails to resolve the challenge within the five (5) working-day period, the student shall be allowed to enroll in the course.

2. If no space is available in the course when a challenge is filed, the challenge shall be resolved prior to the beginning of registration for the next term and, if the challenge is upheld, the student shall be permitted to enroll if space is available when the student registers for that subsequent term.

Students wishing to utilize the challenge procedure must contact Counseling and complete the required Matriculation Appeals Petition. Prerequisites and/or corequisites may be challenged based on the following criteria:

1. The prerequisite or corequisite has not been established in accordance with the District’s process for establishing prerequisites and corequisites;
2. The prerequisite or corequisite is in violation of Title 5, Section 55003;
3. The prerequisite or corequisite is either unlawfully discriminatory or is being applied in an unlawfully discriminatory manner;
4. The student has the knowledge or ability to succeed in the course or program despite not meeting the prerequisite or corequisite;
5. The student will be subject to undue delay in attaining the goal of his or her educational plan because the prerequisite or corequisite course has not been made reasonably available or such other grounds for challenge as may be established by the Board;
6. The student seeks to enroll and has not been allowed to enroll due to a limitation on enrollment established for a course that involves intercollegiate competition or public performance, or one or more of the courses for which enrollment has been limited to a cohort of students;
7. The student seeks to enroll in a course that has a prerequisite established to protect health and safety, and the student demonstrates that he or she does not pose a threat to himself or herself or others.

The student has the obligation to provide satisfactory evidence that the challenge should be upheld. However, where facts essential to a determination of whether the student’s challenge should be upheld are or ought to be in the District’s own records, then the District has the obligation to produce that information.

Unofficial transcripts may be submitted one time only with the Matriculation Appeals Petition to temporarily validate a prerequisite. However, official transcripts must be received prior to registration for the next term for permanent validation. “Official” is defined as transcripts no more than 90 days old and in a sealed envelope from the original institution.

Students may appeal to retake the placement test:
- After 12 months has passed from previous tests
- After proof of appropriate academic intervention has occurred.

Please Note: Once the student has begun the course sequence, retesting is not an option.

It is the student’s responsibility to a) complete placement testing and orientation prior to registering for classes, b) express a broad educational intent upon admission, and c) declare a specific educational goal by the time 15 semester units are completed. The student is also responsible for participating in counseling, attending class, completing assignments and maintaining progress toward that educational goal. If you have questions regarding the matriculation process, please contact the Counseling office at Moreno Valley (951) 571-6104.

### Student Educational Plan
Counselors are available to assist matriculated students in developing an educational plan that outlines the courses and services necessary to achieve their goals. When goals or majors are changed, students must see a counselor to update their educational plan. To ensure this procedure, matriculated students are encouraged to make an appointment with a counselor. Due to a high demand for counseling during the winter and summer sessions, it is highly recommended that continuing students see a counselor during the spring and fall semesters to complete a Student Educational Plan.

A student’s college program will be more meaningful if he or she has acquired a clear educational objective. There may be a desire to broaden his or her knowledge as a foundation
for upper division college work or to develop marketable occupational skills. A student undecided about objectives may receive help by studying the sections in the catalog entitled “Curricular Patterns.” The student is also invited to discuss personal goals with a college counselor.

FEES/RESIDENCY REQUIREMENTS

ALL FEES ARE SUBJECT TO CHANGE DUE TO STATE LEGISLATIVE ACTION OR RCCD BOARD POLICY CHANGES

Enrollment Fees - California Residents
Students shall be classified as California residents for enrollment fee purposes when they have been a legal resident of California one year and one day prior to the term of application. The one year period begins when a student is not only present in California but also has demonstrated clear intent to become a permanent resident of California.

Residency determination is made as of the first day of the term of application. All documents needed to prove residency must be submitted prior to that date.

The enrollment fee for California residents is set per state legislation.

Non-Resident Tuition and Fees
A student who is not considered a California resident for enrollment fee purposes is eligible for admission to a college in the Riverside Community College District. Non-resident students are required to pay non-resident tuition in addition to the resident enrollment fees.

Out-of-country non-residents also pay a processing fee and a non-refundable per unit surcharge; they are also required to buy health insurance.

AB 540 Non-Resident Fee Waiver
A student who qualifies for the Non-Resident Fee Waiver will be exempt from paying the out-of-state tuition fee and will pay the per unit resident enrollment fee.

Any student other than a non-immigrant alien within the meaning of paragraph (15) of subsection (a) of Section 1101 of Title 8 of the United States Code, who meets all of the following requirements shall be exempt from paying non-resident tuition at Moreno Valley College if he/she signs an affidavit verifying:

1. High school attendance in California for three or more years.
2. Graduation from a California high school or attainment of the equivalent thereof (equivalent considered GED or high school proficiency test) must be obtained in the state of California.
3. In the case of a person without lawful immigration status, the filing of an affidavit (available in the Admissions office) stating that the student has filed an application to legalize his or her immigration status, or will file an application as soon as he/she is eligible to do so. Student information obtained in the implementation of this section is confidential.

A student who meets the qualifications for the Non-Resident Fee Waiver is exempt from paying out-of-state tuition and will pay the per unit resident enrollment fees.

Health Fee
Every student is required to pay a health services fee per Title 5 state regulations. Students who rely on faith healing, or who are participating in approved apprenticeship programs are exempt from paying the health fee. Students must apply for this waiver by submitting a Health Services Fee Waiver Request and supporting documentation to the Health Services office. The form is available in the Admission and Records office. Students who qualify for a Board of Governor’s Waiver (BOGW) must pay the health fee.

Parking
Parking permits can be purchased on WebAdvisor at www.mvc.edu, price includes shipping and handling. To waive shipping and handling, permits must be ordered on a campus computer and paid for at the cashier’s office. Special parking is provided to the physically handicapped at the same cost. Student permit enforcement in student parking spaces is suspended the first two weeks of the term.

Transportation Fee
Fee provides free transportation on RTA fixed routes for students with Riverside City College and Moreno Valley College photo ID cards. Fees vary according to full-time or part-time status.

Library/Learning Resource Center Fees
Overdue fines:
General Collection – Overdue fines will be levied at 20 cents per day per item.
Hourly Reserves – Overdue fines will be levied at $1.00 per hour per item.

Replacement Bills:
If materials are not returned, they are declared “lost.” A bill will be issued for each lost item which will include: 1) The actual replacement cost of the item or $25.00 for out-of-print materials; 2) A processing fee of $10.00; and 3) Any overdue fines (the maximum overdue fine is $20.00).

Refunds:
If the item is returned after the bill is issued (within one year), the replacement cost and processing fee will be waived or refunded, however, the overdue fines will still be charged.

Library card fees:
Community members who are 16 years or older may purchase a library card for $5.00 per session upon proof of District residency (California Driver License, California Identification Card, or Military Identification Card).

Books, Equipment and Supplies
The cost of books and equipment depends upon the courses elected and the amount of work undertaken. The MVC bookstore offers many choices for students to purchase their books such as a rental program, many digital options, and used and new textbooks.

In some courses, students will be expected to provide consumable items. In such classes, students will be informed of these items at the first meeting and will be expected to purchase them in order to continue in these classes.
Full refunds are given on textbooks during the first week of school only with a store receipt. If you drop a class, you have 30 days from the start of school to return for a full refund along with your store receipt. The book must be in the same condition that you purchased it in. All returns/exchanges require an original receipt. The bookstore will also buy back textbooks from students. Bring the textbooks to the store along with student identification in order to determine their value. The best time to sell back your textbooks is during finals week.

Other Charges
An appropriate charge will be made for breakage of district supplied materials in laboratory courses.

RCCD TRANSCRIPTS
The RCCD transcript includes only coursework completed at a college in the Riverside Community College District. Official student transcripts may be requested on WebAdvisor at www.mvc.edu, and in the Transcript office at the Student Service office.

The first two official transcripts are free. There is a fee for each additional official transcript requested. For faster service there is an additional fee for each official transcript. Transcripts are mailed with first class postage. Unofficial transcripts are available free on WebAdvisor.

Other Transcripts
Transcripts from other accredited institutions, submitted as official documentation of a student’s record, must be printed no more than 90 days/3 months ago and be in a sealed envelope from the institution. Students must submit a Prerequisite Validation form to Counseling in order to have course work on official transcripts validated for English, Mathematics, and other prerequisites. Transcripts submitted become the property of Riverside Community College District and cannot be returned to the student nor be forwarded to another institution. When a student has three consecutive years of non-attendance at RCCD, transcripts from other institutions will be purged from the student’s record. If the student returns to RCCD after three years of non-attendance, new official transcripts from all other accredited institutions will be required. Students planning to graduate from Moreno Valley College, or needing to use courses from another college/university as a prerequisite, must submit all official transcripts to Moreno Valley College. See Section III Graduation Requirements in this catalog for further information on course acceptance from other institutions.

International Students in F-1 Visa Status
Under federal law, Riverside Community College District is authorized to enroll non-immigrant alien students on F-1 student visas for study toward an Associate of Arts or Science degree; for the first half of study toward a Baccalaureate degree; and for certificate programs. About 300 students from 60 countries attend RCCD each semester, with the majority transferring to four-year institutions. All F-1 Visa students are subject to nonresident tuition as set by the Board of Trustees.

REFUND DEADLINES FOR FEES
Moreno Valley College shall refund any enrollment fee paid by a student for withdrawal from a class during the first two weeks of instruction for a full-term 16 week course and the 10 percent point of the length of the course for a short-term course. See “My Class Schedule” on WebAdvisor at www.mvc.edu for refund deadlines.

Holds on Records
Grades, transcripts, diplomas and registration privileges will be withheld from any student or former student who has failed to pay a proper financial obligation due to the district. Any item or items will be released when the student satisfactorily meets the financial obligation.

MILITARY AND VETERAN STUDENTS AND FAMILY MEMBERS
Moreno Valley College exempts students from non-resident tuition who are members of the armed forces of the United States stationed in this state on active duty, except those assigned to California for educational purposes. A student who is a natural or adopted child, stepchild, or spouse who is a dependent of a member of the armed forces is also exempt from non-resident tuition.

Dependents of certain veterans are exempt from paying enrollment fees. (1) Any dependent eligible to receive assistance under Article 2 of chapter 4 of division 4 of the Military and Veterans Code. (2) Any child of any veteran of the US military who has a service-connected disability, has been killed in service, or has died of a service-connected disability, where the Dept of Veterans Affairs determines the child eligible. (3) Any dependent, or surviving spouse who has not remarried, of any member of the CA National Guard who, in the line of duty, and while in the active service of the state, was killed, died of a disability resulting from an event while in active service of the state, or is permanently disabled as a result of an event that occurred while in the active service of the state. (4) Any undergraduate student who is a recipient of a Congressional Medal of Honor and who is under 27 years old, provided his/her income, including parental support, does not exceed the national poverty level and the parental recipient of the Medal of Honor was a CA resident at the time of his or her death. Students who feel they are eligible for a fee exemption should contact the Department of Veterans Affairs for more information.

ALL FEES ARE SUBJECT TO CHANGE DUE TO STATE LEGISLATIVE ACTION OR RCCD BOARD POLICY CHANGES
Section II
STUDENT INFORMATION
ACADEMIC APPEALS BY STUDENTS
When a student takes issue with an instructional decision or an application of a stated policy, the student should first discuss this matter with the faculty member who made the decision or applied the policy. If the matter cannot be resolved through this initial discussion, the student has the right to appeal the decision or application through regular college channels. See Administrative Policy 5520 for details.

For academic matters related to class activities, requirements, and evaluation, the student should first discuss the matter with the instructor. If an appeal is desired, the student then should take the matter up with the appropriate department chair responsible for the instructional area. If further appeal is requested, the student can continue the process by meeting with the Dean of Instruction. If the problem cannot be resolved at that level, the student should then present the problem to the Chief Instructional Officer who will first attempt an informal resolution of the problem, and that failing will establish a formal ad hoc committee to review the matter as delineated in the student handbook. Upon receipt of the committee’s recommendation, the Chief Instructional Officer submits a decision in writing. Appeal may be made to the Chief Executive Officer. The final appeal a student can make is to the College Board of Trustees.

In non-academic matters, the appeal procedure is comparable, but is made through the appropriate student personnel administrator to the Dean of Student Services, Chief Services Officer and thence to the Chief Executive Officer. The final appeal a student can make is to the Board of Trustees.

Information on students’ rights and responsibilities, expected standards of conduct, disciplinary action and the student grievance procedure for disciplinary and matters other than disciplinary can be found on page 19 and in the Student Handbook.

ACADEMIC HONESTY
Academic honesty and integrity are core values of the Riverside Community College District. Students are expected to perform their work independently (except when collaboration is expressly permitted by the course instructor). Believing in and maintaining a climate of honesty is integral to ensuring fair grading for all students. Acts of academic dishonesty entail plagiarizing—using another’s words, ideas, data, or product without appropriate acknowledgment—and cheating—the intentional use of or attempted use of unauthorized material, information, or study aids on any academic exercise. Students who violate the standards of student conduct will be subject to disciplinary action as stated in the “Standards of Student Conduct,” listed in the Student Handbook. Faculty, students, and administrators all share the responsibility to maintain an environment which practices academic integrity.

ACADEMIC RENEWAL
Academic renewal allows a student who experienced academic difficulties during earlier attendance to have grades for a particular period of time excluded from the calculation of the RCCD grade point average. All courses and grades remain on the student’s permanent academic record. Petitions forms are available online at www.mvc.edu/forms.cfm. The policies are as follows:

1. A student may request academic renewal for not more than two terms (fall, winter, spring, summer) of grades. A maximum of 24 units of substandard grades and credits, which are not reflective of a student’s present ability and level of performance, will be disregarded.

2. At least two semesters of college work (24 units) with a grade point average of 2.0 must have been completed at any accredited college or university subsequent to the two terms to be disregarded in calculating the grade point average obtained at Riverside Community College District. If using coursework from another college or university, the student must submit an official transcript from that institution to be submitted with the academic renewal petition.

3. If and when the petition is granted, the student’s permanent record will be annotated so that it is readily evident to all users of the record that no substandard units for work taken during the alleviated term(s) will apply toward graduation or any other unit commitment. However, all work will remain legible on the permanent record to ensure a true and complete academic history.

4. A student may be granted academic renewal only once.

Academic renewal procedures shall not conflict with the District’s obligation to retain and destroy records or with the instructor’s ability to determine a student’s final grade.

Course Prerequisites and Corequisites
All course prerequisites and corequisites will be enforced. This includes both required prerequisite courses as well as required assessment preparation levels. The Accuplacer assessment test, in conjunction with multiple measures, is used to generate placement levels in English, Math, and Reading. The PTESL (Proficiency Test in English as a Second Language) is used to generate placement levels in ESL. All placement tests taken prior to July 1, 2001 are no longer valid.

Students who have not satisfactorily completed a prerequisite for a course will be denied admission to that course. A grade of “C” or better is required for satisfactory completion of a course which is a prerequisite to a subsequent course.

If prerequisites or corequisites were met by completing courses at another college or university, students must request that the official transcript(s) be sent to the Moreno Valley College Admissions and Records office and request a prerequisite validation of the appropriate course(s) to validate the course that will meet RCCD requirements. Prerequisite validation request forms may be obtained from the Counseling department in the César E. Chávez Admissions and Counseling Building at Riverside City College, and the Student Services offices at the Moreno Valley and Norco colleges. For information on challenge procedures, see page 6.

Students must initiate this process well in advance of the semester in which they plan to register. Students will be informed of the results of the evaluation in a timely manner prior to the term in which they plan to enroll.

THE ARTS
ART
The visual arts at the Moreno Valley College plays a significant role in students’ lives. Painting, drawing, design, computer and animation students have access to outstanding faculty and opportunities.

DANCE
The Moreno Valley College provides a sampling of classes and activities that meet the needs of dance students as well as the recreational dancer.
MUSIC
The Moreno Valley College provides classes that meet general education requirements for transferring students and music activities courses. The Moreno Valley College Gospel Singers have toured locally and worldwide.

ATHLETICS
Physical activity and academic courses are available at Moreno Valley College. Both Cross Country teams practice at the College.

COLLEGE BOOKSTORE
Students are able to order their textbooks when registering thru WebAdvisor. A list will be populated with the required materials for classes as well as recommended books or study guides. The bookstore offers many choices for textbooks which may also be ordered at www.mvc.edu/bookstore such as:

- **Rentals** - Over 50% (and growing) of our titles are available to rent which means the students will save 50% off the new textbook price. Students can highlight and take notes in the book. The books are due back when the student has completed finals. Students will need a valid debit card or credit card to secure the rental.
- **Used** - Save 25% of the new textbook price.
- **E-textbooks** - Save up to 60% by buying or renting a digital book. This is an instant download from our website www.mvc.edu/bookstore. Download the free eTextbooks application for PC and MAC at www.nookstudy.com/college.
- **New** - A fresh new start to the new semester - prices will vary. Remember to sell your new textbooks back to the bookstore and get up to 50% cash back.

The bookstore offers a large variety of supplies for your classes as well as items to show off your school pride with a wide selection of school spirit accessories. Also, students can grab a quick snack to go. The store also has a laptop program and carries all Nook devices.

Return policy
The MVC bookstore will gladly accept MasterCard, Visa, American Express, Discover, ATM debit cards and Barnes & Noble gift cards. Checks are not accepted. Full refunds will be given the first week of class. Students must have the original receipt and the book must be in the same condition that it was purchased in. Visit the website www.mvc.edu/bookstore for the complete return policy.

CAREER AND TRANSFER CENTER
The MVC Career and Transfer Center is firmly committed to assisting students in being successful and achieving their academic and career goals.

SERVICES:
- Information on transfer requirements and major preparation
- Counseling appointments with university representatives
- MVC counselors, university representatives, and staff can assist students in exploring majors and determining what college/university is the best fit
- Computer access to utilize Internet resources, complete college/university applications, and view college/university information online
- Transfer Workshops focusing on the UC/CSU application process, the UC Personal Statement (Essay), Financial Aid for transfer students, and Steps to Becoming a Teacher (K-12)
- Transfer Fairs are coordinated by the Transfer Center every fall and spring term where over 35 university representatives visit our College to speak to students and to answer questions
- A Transfer Recognition Ceremony is held every spring term to recognize students who have successfully fulfilled the transfer requirements and transferred to a four-year college/university

RESOURCES:
- Resource library that includes college/university catalogs, brochures, and handouts
- Books and college handouts to assist in major and college/university campus selection
- Computer programs to conduct career, major and college/university exploration
- Collection of paper-based and on-line resources that assist students in understanding how course credits at Riverside Community College District can be applied when transferred to a four-year college/university, or vice versa.
- Guides and handbooks providing information on financial aid and scholarships
- Internet access for online admissions applications
- Transfer major sheets that explain what courses must be completed for certain majors and colleges/universities
- Monthly calendar of events/workshops/university representatives in the Transfer Center

INTERNET ACCESS:
MVC Transfer and Career Center: www.mvc.edu/services/ctc

ASSIST: http://www.assist.org/web-assist/welcome.html

For more information please call: (951) 571-6205

COUNSELING CENTER
The Moreno Valley counselors are committed to providing students with a broad range of options as well as specific guidance in career planning, evaluation, academic choices, and direction. Professional counseling enables students to utilize various resources and academic offerings and assists them in reaching their educational, vocational, and personal objectives and goals.

Special guidance courses are offered to each student in gaining the maximum benefit from the college experience. Courses are listed under Guidance in this catalog.

Specific counseling services include personal counseling, group counseling, career development, academic guidance, and information regarding graduation requirements and requirements for transferring to four-year colleges and universities.

How to Use the Counseling Center
Students may make appointments with the clerk in the Counseling Center. Counseling hours vary by term and college. Appointments can be made by calling (951) 571-6104. It is important to keep your appointment. Please call in advance if you need to cancel or reschedule.

DISABLED STUDENT SERVICES
The Office of Disabled Student Programs and Services (DSP&S), located in Science and Technology 150, provides appropriate, comprehensive, reliable and accessible services to students with documented disabilities who request such services. This office facilitates and encourages academic achievement, independence, self-advocacy
and social inclusion for students with documented disabilities in eight primary disability groups as outlined in California’s Title 5 Regulations (acquired brain injury, physical disabilities, hearing impairments, learning disabilities, developmental disabilities, psychological disabilities, other health impairments, and temporary disabilities).

Services are available to students with:

**Physical Disabilities:**
- Acquired Brain Injury
- Amputations
- Arthritis
- Cerebral Palsy
- Multiple Sclerosis
- Muscular Dystrophy
- Orthopedic Disabilities
- Post-Polio Disabilities

**Learning Disabilities:**
- Average to above average intellectual ability with a verifiable learning disability.

**Other Health Impairments:**
- Cardiac Disease
- Diabetes
- Epilepsy
- Psychological Disabilities

**Communicative Disabilities:**
- Deaf
- Hearing Impaired
- Speech Impaired
- Respiratory Disease

**Temporary Disabilities:**
- Broken Bones
- Post Operative Recovery
- Other

**Support Services Available Include:**
- Adaptive Physical Education
- Alternate Media and Adaptive Technology (i.e., e-text, screenreaders, etc.)
- Counseling
- High Tech Center (Adaptive computer equipment) and assistive devices
- Interpreters/RTC for the Deaf
- Individual tutoring
- Liaison with other agencies
- Mobility assistance
- Note-taking services
- Priority registration
- Test facilitation

Trained professionals are available in the Office of Disabled Student Services to assist each student in acquiring the support services needed to attain individual academic and career goals. For further information call: (951) 571-6138 and TDD (951) 222-8061.

Moreno Valley College does not discriminate on the basis of disability in the recruitment and admission of students, the recruitment and employment of faculty and staff, and the operation of any of its programs and activities, as specified by federal laws and regulations. The designated coordinator for compliance with section 504 of the Rehabilitation Act of 1973, as amended, the Americans with Disabilities Act (ADA) is the Director of Diversity, Equity, and Compliance. See pages 185-189 for additional information.

**DISCIPLINE**
It is understood that each student who registers at the District is in sync with its purposes and will cooperate in carrying out these purposes by adhering to the regulations governing student behavior. The Standards of Student Conduct are listed in the college catalog and at the website www.rccd.edu.

**EARLY AND MIDDLE COLLEGE PROGRAMS**
The Riverside Community College District offers early and middle college programs at each of its three colleges. While the programs differ from one another in some significant respects, all enable high school juniors and seniors to pursue college study while completing their high school study. Interested high school students should consult with their school counselor about opportunities for middle or early college study at an RCCD college in their region. There are two programs at Moreno Valley College: the MVC Middle College Program, and the Nuview Bridge Early College High School.

**EMPLOYMENT PLACEMENT**
The mission of Employment Placement is to provide encouragement, guidance and placement services to students entering the occupational development stage of their career development process. Students who need or want employment preparation assistance to enter a career in a diverse and changing economy can receive employment preparation and job placement. Employment Placement services focus on entering a career field related with specific Career & Technical Education programs. Contact the Employment Placement office to learn more about career pathways available to you through your Career & Technical Education program. For more information, visit the Employment Placement link on the Moreno Valley College website or call today at (951) 571-6207.

**Step-By-Step**
- Go to the Moreno Valley College Website: www.mvc.edu
- Under the Gateways section on right side of main page, CLICK Department/Services
- Under DEPARTMENT & STUDENT SERVICES, CLICK Student Services
- Then CLICK Employment Placement

**EXTENDED OPPORTUNITY PROGRAMS AND SERVICES (EOPS)**
Funded by the state of California, the Moreno Valley College EOPS program provides academic support services for financially and educationally disadvantaged students. Services available include:

- Personal, academic, and career counseling
- Priority registration
- Supplemental book services
- One-to-one tutoring
- Transfer information and assistance

To be eligible for EOPS, a student must:
1. be a California resident;
2. be enrolled as a full-time student (12 units or more per term, with the exceptions as noted in Section 56220 of Title 5);
3. have fewer than 70 units of degree-applicable college credits;
4. qualify to receive a Board of Governor’s Waiver under either Method A or B;
5. be educationally disadvantaged:
   - a. not qualify for degree-applicable English or Math course or
b. did not graduate from high school or
c. high school GPA below 2.5 or
d. previous enrollment in remedial education

Call for additional information: (951) 571-6253.

Cooperative Agencies Resources for Education (CARE)
The aim of CARE is to assist single parents receiving AFDC (Aid to Families with Dependent Children) increase their educational skills, become more confident and self-sufficient, enhance their employability, encourage success, and move from welfare to INDEPENDENCE.

To be eligible a student must:
1. Be an eligible full-time EOPS student with 2.0 GPA (good standing);
2. Be a single parent/head of household;
3. Student must be 18 years of age or older;
4. Must be an AFDC/CalWORKs recipient;
5. Have a child under the age of fourteen years of age;
6. Have the desire to continue their education and become self-sufficient.

CARE services are supplemental to EOPS services and MAY include:
• Personal, academic and career counseling
• Support group
• Personal counseling
• Child care stipend
• Tutorial assistance
• Bus pass or parking pass
• Meal tickets
• Special topic workshops

For additional information: (951) 571-6253.

STUDENT FINANCIAL SERVICES
The Student Financial Services (SFS) Department at Moreno Valley College (MVC) strives to assist students in reaching their educational goals by providing information and applications for financial assistance programs. The SFS department will educate students on how to apply for various types of financial assistance, offer financial aid academic counseling, and will provide a variety of resources to students to educate them about financial aid. Through continual staff training and software updates, the SFS department strives to provide an accurate and efficient environment for staff and students. The SFS department will educate staff regarding new policies and procedures through on- and off-campus training and conferences as well as visits to other community colleges to learn best practices.

The Free Application for Federal Student Aid (FAFSA)
The initial application used in applying for financial assistance is the Free Application for Federal Student Aid (FAFSA). The FAFSA application is available online at www.fafsa.gov and workshops are available throughout the year to assist students with completion of the FAFSA. For workshop times and dates, please view our website at http://www.mvc.edu/sfs under workshops. The FAFSA application must be completed for each academic year. The MVC Title IV code of 041735 must be listed on your FAFSA record(s) in order for our department to receive your application. If you are a Riverside City College or Norco College student, please make sure to list the school code for your home college on the FAFSA application. You can locate school codes by selecting the “School Code Search” link on the main page of the FAFSA website. The FAFSA is available January 1st of each year and will determine eligibility for the following academic year. It is recommended that the FAFSA be completed prior to March 2nd to ensure priority processing and to maximize your funding.

When completing the FAFSA application, you will need to apply for a Personal Identification Number (PIN) at www.pin.ed.gov so you can electronically sign the online FAFSA. If you are a dependent student, have a parent apply for their own PIN. Parents will need to sign the FAFSA until you are 24 years of age or no longer considered a dependent student.

Once you have completed your FAFSA, the results will be sent to MVC. You must have an RCCD Admissions application on file in order for your FAFSA to be received. Once you have completed your RCCD Admissions application online at www.mvc.edu, you will be issued your RCCD email account. You can find directions to activate and access your RCCD email account online at www.mvc.edu, under the Admissions and Records webpage. We will send an email to your RCCD student email account, notifying you of your application status. Required documents will be posted on WebAdvisor under “required documents by year” once you have received your email. Forms are available on our website at http://www.mvc.edu/sfs under forms and can be turned in at the SFS office at your home college.

*New: If you are considered a dependent student and cannot provide your parents’ information on the FAFSA application, we ask that you first complete the FAFSA application and submit it online. If after completing the FAFSA application you are still required to provide your parents’ information and are not able to, please visit the SFS office at your home college and ask to speak to staff regarding a Petition for Independent Status (Dependency Override).

Effective Summer 2011 all Financial Aid disbursements will be deposited onto a debit card. The card will be a Sallie Mae debit card and all your disbursements for financial aid will be placed on that card. To receive your disbursements, if eligible; you MUST sign up NOW for a Sallie Mae debit card. Go to www.mvc.edu/sfs to sign up NOW! The Sallie Mae debit card is used like a regular debit card. This card can be used to make a transaction, to withdraw cash, and more.

• The Board of Governors Fee Waiver (BOGW) is a state program which waives enrollment fees for qualifying CA resident students. If determined eligible, the BOGW will waive enrollment fees for the entire academic year beginning with summer and ending with the following spring. During the fall and spring semesters, the parking fee will be reduced to $30.00 per semester. The BOGW does not pay for books or other educational supplies, the student services or health fees or additional class fees (such as art and CPR fees as listed in the schedule of classes). To apply, complete the Free Application for Federal Student Aid (FAFSA) online at www.fafsa.gov and list MVC School code #041735 and you will be automatically awarded the BOGW if eligible. You will receive an email at your RCCD student email account notifying you when your BOG waiver eligibility is available on WebAdvisor under your award letter. No separate application is required. If you are not a California resident, you may be eligible to apply for a non-resident tuition exemption through the AB 540 program.
  o If you are not a California resident, you may be eligible to apply for:
    • a non-resident tuition exemption through the AB 540 program if you meet specific requirements and are
• Federal Pell Grant (up to $5550 for the academic year, subject to change) is awarded to eligible undergraduate students to assist in paying for educational expenses and is awarded based on financial need. Unlike loans, Pell Grants do not have to be repaid (unless you withdraw from courses and owe a refund or do not successfully pass your courses). The information that you provide on the Free Application for Federal Student Aid (FAFSA) is used to produce an Expected Family Contribution (EFC). This EFC number will determine if you are eligible for the Pell Grant and for how much. How much you receive will depend not only on your EFC but also on the number of units you are enrolled in and whether you attend school for a full academic year. Students enrolled less than half-time (less than 6 units) may qualify for a Pell Grant. Once you have completed all application procedures with the SFS office, your Pell Grant eligibility will be determined. You will receive an award letter via your RCCD student email indicating that your award has been posted on WebAdvisor. The award letter on WebAdvisor will list how much financial aid you have been awarded, including the Pell Grant. All award letters are based on full-time enrollment and disbursements are adjusted based on units. Please note that you may not receive Pell Grant funds from more than one school for the same period of enrollment.

• Federal Supplemental Educational Opportunity Grant (FSEOG) (up to $1000 for the academic year at MVC and is subject to change) is awarded to undergraduate students with exceptional financial need and have the lowest expected family contribution (EFC) granted on the FAFSA. Like the Pell Grant, FSEOG is a cash award that does not require repayment as long as you remain in your courses and complete them successfully. Due to limited funding, priority is given to students who apply for the FAFSA by the March 2nd deadline and qualify for the maximum Pell Grant award. This grant is limited and is awarded until funds are exhausted.

• Cal Grants (up to $1551 per academic year) are awarded by the California Student Aid Commission (CSAC) to California residents who graduated from a California high school and will be attending a qualifying institution at least half time (6 or more units). The deadline to apply for these grants is March 2nd of every year. For students attending California Community Colleges, there is an additional deadline of September 2nd. To apply for the Cal Grant awards, you need to complete the FAFSA and have your GPA verified by the above deadlines. If you are awarded a Cal Grant by CSAC and are choosing to attend MVC, you must ensure that your financial aid file is completed, that you have an active academic program (major) on file with the Admissions and Records office other than Undecided, and you must be meeting the MVC Student Financial Services Satisfactory Academic Progress (SAP) standard. Disbursement is contingent upon eligibility and funding. You may view your Cal Grant eligibility online at https://mygrantinfo.csac.ca.gov/logon.asp.

• CHAFEE Grant Program provides grants of up to $5,000 to eligible foster youth. An Independent Living Coordinator with the Department of Public Social Services determines whether or not a student is an eligible foster youth. Students must be enrolled in college at least half-time (6 units) during the fall and/or spring semester and must meet Satisfactory Academic Progress (SAP) before the CHAFEE grant can be disbursed. The FAFSA application is required for MVC to verify eligibility for this grant. Disbursement is contingent upon eligibility and funding. An application for this grant can be completed at www.chafee.csac.ca.gov. This grant will be renewed automatically by CSAC as long as the student meets specific criteria. Each CHAFEE grant disbursement is released by CSAC during the fall and/or spring semester at which time the SFS office reviews the student’s eligibility prior to the disbursement being released to the student. All disbursement(s) for CHAFEE grants must be picked up in person with a valid picture ID at your home college (this is subject to change).

• Child Development Grant Program ($1000 per academic year) is for participants who intend to teach or supervise in the field of child care and development in a licensed children’s center. Students must be enrolled in at least half-time (6 units) during the fall and/or spring semester and must meet Satisfactory Academic Progress (SAP) for each semester. A paper application is available in April and can be picked up in the SFS office or Early Childhood Education office. It is also available online at www.csac.ca.gov for printing. It must be completed and submitted to the Early Childhood Education office (please check their website for hours and locations). The deadline to submit this application is June 15th. A FAFSA application is required for MVC to determine eligibility for this grant. A new application must be submitted for each academic year. The Child Development Grant disbursement is released by CSAC during the fall and/or spring semester at which time the SFS office reviews the student’s eligibility prior to the disbursement being released to the student. All disbursement(s) for Child Development grants must be picked up in person with a valid picture ID at your home college (this is subject to change).

• Federal Work Study (earn up to $4000 per academic year) The FWS Program offers students the opportunity to earn additional funding through part-time employment. It also allows students to gain work experience and pay for a portion of their educational expenses. All positions require that students maintain half-time enrollment (3 units for summer and winter, 6 units for fall and spring) and a minimum 2.0 CGPA (exceptions may be made on a case-by-case basis). To apply for Federal Work Study, students must complete the FAFSA application online at www.fafsa.gov and list the MVC school code #041735. To apply for a FWS position, you must have completed your financial aid file. To view available jobs or for more information on FWS, please view the Student Financial Services Satisfactory Academic Progress (SAP) for each semester.
Financial Services website at [www.mvc.edu](http://www.mvc.edu) for the link to student employment job listings.

- **Federal Direct Loan Program** - Moreno Valley College (MVC) participates in the Federal Direct Loan Program. At MVC it is our plan to help our students reach their educational goal with the least amount of student loan debt as possible.

  MVC does not recommend borrowing more than $10,000 at the community college level (this amount includes all loans from any other institutions attended). To view your complete loan history go to: National Student Loan Data System [http://www.nslds.ed.gov](http://www.nslds.ed.gov). A Department of Education FAFSA PIN is required to access this website. If you have misplaced or forgotten your PIN number, you may request a duplicate PIN by going to the PIN website at [www.pin.ed.gov](http://www.pin.ed.gov).

  - Students must meet the SFS Satisfactory Academic Progress (SAP) standard and must be enrolled at least half-time (6 units) in courses listed on their Student Educational Plan. Students must have a completed financial aid file at MVC and be notified of their eligibility for any grant aid, Federal Work Study or scholarships before applying for a loan. Students may pick up a loan packet and submit your “Direct Loan Request Form” to the Moreno Valley College SFS office.

  - Students must also have a current Student Educational Plan (SEP) on file with MVC which corresponds with the student’s academic program declared in Admissions and Records as well as the courses that they are currently enrolled in.

  - Students will receive notification by email within two weeks after the deadline date they submitted the “Direct Loan Request Form” regarding the status of their loan request. Prior to disbursement, your eligibility to receive your Direct Loan will be reviewed (enrollment status and Satisfactory Academic Progress). Disbursement dates can be located in your Loan Information Guide received at the time of application. Please refer to our consumer guide online at [www.mvc.edu/sfs](http://www.mvc.edu/sfs) for a full list of requirements for applying for a student loan at MVC.

  - Our Federal Student Loan Default Management Plan requires all students to complete a loan Entrance and Exit interview each year you wish to apply for a loan at MVC. Please view our consumer guide for directions on how to complete the entrance and exit loan interviews. Our efforts in educating students regarding their responsibilities in securing a federal student loan are taken very seriously at MVC. We also reserve the right to deny loans to students on a case-by-case basis. You will be notified by mail if your loan request has been denied.

  **SCHOLARSHIPS**

  Moreno Valley College offers scholarships through its RCCD Foundation office and various generous donors. These scholarships are based on a variety of majors, career goals, GPA, community service, and club involvement:

  - **RCCD Scholarships** for continuing and transferring students are available every fall semester with a deadline in early December. Information and instructions on how to apply is available on our website early in the fall semester at [www.mvc.edu/sfs](http://www.mvc.edu/sfs). Scholarship information workshops are held at Moreno Valley College prior to the scholarship deadline to assist students in the scholarship application process and are also available on our website. Applicants chosen for RCCD scholarships are notified by May of each year. The scholarship funds for students continuing at MVC are disbursed during the following fall and spring semesters upon verification of eligibility. The scholarship funds for students transferring to a university are disbursed to the transfer institution during the next fall semester. Transfer students must return the Transfer Notification form with the transfer institution information.

  - **RCCD Scholarships for High School Seniors** are available beginning in January of each year with a deadline in early March. These scholarships are awarded to high school seniors who will be attending MVC during the academic year after they graduate from high school. Information is available at [www.mvc.edu/sfs](http://www.mvc.edu/sfs) in January and February of each year and also at each high school within the Moreno Valley high school zone.

  - **The Community Scholars** scholarship is a partnership between RCCD and California Baptist University, La Sierra University, and the University of Redlands. This is a $7,000 scholarship offered to Riverside County high school seniors who will attend any college within the RCC District for two years and transfer to one of the universities mentioned above for two years. The application is available at each high school within the MVC high school zone and also at [www.mvc.edu/sfs](http://www.mvc.edu/sfs) in January and February of each year.

  Scholarships are also available from sources outside of MVC. There are many resources and opportunities for students to find scholarships to use while attending MVC. However, it requires time and effort on the part of the student to locate and apply for outside scholarships.

  - A list of scholarships MVC has been notified of is available at [www.mvc.edu/sfs](http://www.mvc.edu/sfs) or in the SFS office.

  - You may also find additional scholarship resources in the reference section of any library or on the Internet at free scholarship search sites such as [www.fastweb.com](http://www.fastweb.com), [www.scholarshipexperts.com](http://www.scholarshipexperts.com), [www.scholarships.com](http://www.scholarships.com), [www.scholarsite.com](http://www.scholarsite.com), and [www.scholarshiphunter.com](http://www.scholarshiphunter.com).

  - If you are awarded a scholarship from a source outside of MVC, you may use your scholarship to pay for tuition and fees, set up a bookstore account at any college bookstore, or request to be reimbursed for tuition, fees, and books already paid for or purchased. Follow the donor’s directions on how to have your scholarship funds sent to MVC. When outside scholarship funds are received at MVC, the student is notified by mail and sent a Scholarship Action Form along with deadlines established in order to use the scholarship funds at MVC.

  **STUDENT FINANCIAL SERVICES COUNSELING**

  The SFS counseling services are available through the SFS office at the Moreno Valley College.

  Academic counselors are available to work with students receiving financial assistance in the following areas:

  - Developing educational goals and Student Educational Plans (SEP)
  - Maintaining financial aid eligibility by meeting satisfactory academic progress standards
  - Recommendations for improved progress
  - Processing financial aid appeals

  **Computer Access**

  Computers are available in the SFS lobby to students receiving financial assistance for the following:
• Complete the FAFSA online
• Research and apply for scholarships online
• Other financial aid web assistance

Responsibilities and Requirements
Moreno Valley College must follow federal, state and institutional regulations in administering financial assistance programs. Students must adhere to all federal, state and institutional guidelines when applying for and receiving financial assistance. If students do not follow the requirements, eligibility may be rescinded. Please review the following guidelines:

• Ability to Benefit Changes
Federal and State financial aid requires students to have one of the following educational requirements to be eligible for financial aid:
1. High School Diploma (a diploma, not a certificate of completion)
2. GED
3. Approved Home School Completion
4. Passed the California High School Proficiency Exam (CHSPE)**
5. Received an AA/AS degree from an accredited institution.
Beginning July 1, 2012, students will have to have met one of the outlined educational requirements, or have previously met the ATB requirement to be eligible for financial aid.

If you are a current ATB student and you have previously met one of the 2 ATB requirements, you will continue to meet the educational requirements for financial aid and no further action is necessary. If you have not previously met one of the 2 ATB requirements and have not completed 6 degree applicable units by July 1, 2012, you will be required to meet one of the listed educational requirements to be considered for financial assistance at any college.

**For more information on the CHSPE, please visit: www.chspe.net.

• Student Educational Plan
You must enroll in and successfully complete courses according to your Student Educational Plan (SEP). To develop your SEP you should meet with an academic counselor. Counselors are available at the SFS office. To schedule an appointment with an SFS counselor, please contact the Counseling department at MVC at (951) 571-6104.

• Citizen or eligible non-citizen
To be eligible for federal and state financial assistance, you must be a U.S. citizen or Eligible Non-citizen with proof of permanent residence (alien registration card, I-94 or I-551). Citizenship or permanent residency is not required to receive most scholarship aid.

• Return of Title IV Funds
If you receive federal or state financial assistance and you drop or fail to successfully complete your courses, you may need to REPAY a portion of your financial assistance. (See our consumer guide for more information regarding Return of Title IV Funds.)

• Students cannot receive financial assistance at two institutions at the same time (with exception of the Board of Governors (BOG) Fee Waiver). All students must determine their home college within the RCC District in order to receive financial assistance. All units taken within the RCC District (Moreno Valley College, Norco College, Riverside City College) will be paid for by your home college, if eligible.

• Satisfactory Academic Progress
All students must meet the SFS Satisfactory Academic Progress (SAP) standard to maintain financial aid eligibility. If you do not meet the SAP standard, you will become ineligible for most types of financial aid. If you are determined ineligible for financial aid due to your SAP, you have the right to appeal through the SFS Appeal process. For additional information regarding our SAP Standard and the related components, please review the Satisfactory Academic Progress chapter in our consumer guide at www.mvc.edu/sfs.

• Contact Information
Be sure to keep your mailing address, phone number, and email address current. This ensures that you will receive information regarding your financial aid in a timely manner. This information can be updated via Web Advisor or in person at the Admissions and Records office. Visit your RCCD email regularly as all updates and communications are sent to your RCCD email account.

• Social Security Number
Be sure that your Social Security number is on file with MVC as it is not required on the Admissions application but is needed for ALL financial aid applicants. We cannot process most types of financial assistance without your Social Security number on file.

• Disbursement and Deadline Information
Deadlines for turning in required documents are located on our Disbursement schedule. Disbursement of financial assistance occurs after the student has completed the FAFSA and turned in all documents requested by the SFS office and enroll accordingly. For dates of deadlines and disbursement, please view our consumer guide on our website at www.mvc.edu/sfs or pick a disbursement schedule up at the MVC office.

• Veterans: Applying for financial assistance through the FAFSA application does not affect your GI Bill benefits. All veterans should apply for financial assistance by completing the FAFSA application online at www.fafsa.gov.

You can find more information regarding Student Financial Services and access forms for download on our website at www.mvc.edu/sfs. If you have any questions, please contact us by e-mail at studentfinancialservices@mvc.edu.

Moreno Valley College
Riverside Community College District
Student Financial Services Office
"Building Dreams Together"

FOOD SERVICES
When school is in session, Food Services offers a variety of services. The Lions’ Den offers hot and cold sandwiches, coffee, drinks, and microwave items. Hours of operation are:

Lions’ Den:
Mon – Thurs 7am – 8pm
Friday 7am – 1pm
Sat – Sun Closed

HEALTH SERVICES
The MVC Health Services Office is located in PSC #6. The office is open Monday through Thursday 8:00 a.m. to 4:00 p.m. and Fridays 8:00 a.m. to 12:00 p.m. Check our website at www.mvc.edu/services/hs for our summer hours.
Services include emergency care, first aid, health counseling, health education, care for common health problems, evaluation and treatment by physicians, nurse practitioners, marriage and family counselors, and referral to appropriate agencies and professionals in the community by a college nurse.

Limited medical insurance is available against accidental injury while in class or while participating in a college sponsored event. All College accidents should be reported immediately to the Health Services office. Voluntary, low cost medical and dental insurance is also available and may be purchased during the first month of the semester. Brochures for both insurance plans are available in the Health Services office.

We are here to serve you! Your medical records and all discussions with our staff are completely confidential.

HONORS PROGRAM

Moreno Valley College offers an Honors Program which makes it possible for students to stretch themselves intellectually; actively work with fellow students and faculty in an environment that encourages them to improve their critical thinking, written and verbal communication skills to a university level; and help them to cultivate an awareness and understanding of the diverse points of view necessary for a rich and productive intellectual environment. Perhaps the most valuable aspect of the Honors Program is the enthusiastic learning environment created by Honors faculty and students, an environment we hope benefits not only Honors students and faculty, but the college and greater community as well.

To be eligible for the program, current RCCD students need:

- 3.0 GPA in 9 transferable units
- Eligibility for or completion of English 1A
- Completed Honors Program application
- Students will need to complete an Honors Program orientation before or during their first semester in the program.

To be eligible for the program, incoming high school students and all other 1st time college students need:

- 3.0 GPA
- Eligibility for or completion of English 1A
- Completed RCCD application
- Completed Honors Program application
- Students will need to complete an Honors Program orientation before or during their first semester in the program.

Benefits

The Honors Program offers several benefits to students who successfully complete individual honors classes or the six honors classes required to complete the program:

- Low student-teacher ratios. Honors classes have a maximum of 20 students and are taught seminar-style.
- Transfer agreements, including UCLA and UC Irvine.
- One-on-one mentoring and help from the Honors coordinators and faculty in preparing applications for university admissions and scholarships.
- Workshops to help students prepare university and scholarship applications and application essays.
- A community of dedicated, motivated students and faculty.
- The opportunity to present work at student research conferences.

For more information, contact: (951) 571-6244.

INFORMATION CENTER

If you have news or information you want to give out for free, bring a copy to the Student Activities office and it will be displayed on campus.

Posting Policy: Materials may be posted on bulletin boards and other authorized areas for a 10 day period by the Chief Student Services Officer of each College or program location to prevent litter and overcrowding. The approval process is content neutral and only ensures that the literature will not be removed before the ten working day posting period expires. Only ten flyers and two posters may be approved. No materials should be posted on glass, windows, mirrors, doors, buildings, trees, wood, plaster interior, or exterior walls.

INTERNATIONAL EDUCATION / STUDY ABROAD

Riverside Community College District is dedicated to the concept of an internationally based education. The District supports a curriculum that includes the infusion of a global dimension throughout all subject disciplines to better prepare our students for success in the global community.

Through our College Study Abroad Program, MVC students have the opportunity for quality cross-cultural academic experiences. Students are offered academic credit for fall semester in the “birthplace of the Renaissance,” Florence, Italy; spring semester in the political and economic capital of China, and the home of the forbidden city, Beijing; as well as opportunities for academic study tours during the summer session in such countries as the Czech Republic, Hungary, Greece, Turkey, Morocco, and Italy.

INTERNATIONAL STUDENT CENTER

The Center for International Students and Programs administers the Student and Exchange Visitor Information System (SEVIS) reporting functions in compliance with Department of Homeland Security (DHS) regulations. The Center also organizes orientation classes, counseling and community activities for RCCD students coming from other countries. More than 250 students from 50 nations attend RCCD each semester. An International Club provides a broad range of activities on and off campus, including social events and opportunities for community service. Students may take classes at Riverside City, Moreno Valley and Norco colleges.

The Center also contributes to the international dimension of the Colleges by presenting resource speakers from the United States and abroad who address current world issues.

LIBRARY/LEARNING RESOURCE CENTER (LLRC)

To support the mission of the Moreno Valley College, the library provides access both on and off-campus to a wide range of books, multimedia collections, and electronic resources, including academic journals, magazines, newspapers, ebooks, and more. Visit the library online at www.mvc.edu/library.

Moreno Valley College Library
Monday – Thursday: 8:00 a.m. – 7:00 p.m.
Friday: 8:00 a.m. – 1:00 p.m.
Closed Saturday and Sunday
Circulation Services: (951) 571 – 6111
Reference Desk: (951) 571 – 6447
The library provides research instruction, quiet study areas, and access to printers, photocopies, media playback equipment, and computers. Computers are equipped with Internet access and software for word processing, spreadsheets, and presentations. The MVC College Card functions as the library card for students, faculty and staff. Community members may purchase a library card for $5.00 per session. Library faculty are available at the Reference Desk during hours of operation to provide research assistance and instruction to students and other library users.

SOCIAL EVENTS
An extensive program of activities is provided by the Moreno Valley Associated Students. A calendar of these events is maintained in the Student Activities building. New and exciting activities are always planned. Please stop by and find out how you can get involved.

ASSOCIATED STUDENTS CLUBS AND ORGANIZATIONS
The Moreno Valley Associated Students sponsors many clubs/organizations. There are honorary, social services, professional and general interest clubs/organizations. Membership to these organizations is open to all paid members of the ASMVC. Students are encouraged to join campus organizations or form new organizations. Not all clubs listed here are currently active. The Clubs and Organizations Guide offers a complete listing of all campus clubs and procedures for starting a new club. Club guides are available in the Student Activities Office. Contact the Moreno Valley College Student Activities Coordinator for more information: (951) 571-6149.

COLLEGE HOUR
Moreno Valley College is committed to a strong co-curricular program which is intended to complement the instructional program by offering a broader educational experience providing two “activity hours” per week: Tuesday/Thursday 12:50 - 1:50 p.m. During College Hour, an extensive program of activities (e.g., lectures, films) is provided by the ASMV. A master calendar of these events is maintained in the Student Activities Office.

SMOKING POLICY
Moreno Valley College is a smoke-free campus. Smoking of any form of tobacco or non-tobacco products is prohibited at any activity or athletic event and on all property owned, leased, or rented by or from Moreno Valley College.

STUDENT ACTIVITIES OFFICE
The Student Activities Office is rich with activities, events, information, and resources, and acts as a focal point for service and leadership development programs.

Programs and Services
- Support for the Associated Students of Moreno Valley College
- Support for campus clubs and organizations
- Campus social, recreational, cultural, and educational programming
- Community service and volunteer activities
- Leadership development opportunities
- On-campus events

These services enhance the educational experience of students and foster social, intellectual, and physical growth. The staff is firmly committed to actively promoting student involvement and development.

STANDARDS OF SCHOLARSHIP:
PROBATION AND DISMISSAL
The policies of probation and dismissal are applicable to day or evening, full-time or part-time students. Students with an academic status of probation or dismissal will be limited to a maximum of 13 units during Fall/Spring semesters. Probationary students may enroll in no more than seven (7) units during intersessions. Dismissal students will be limited to 5 units during intersession.

Standards for Probation
Riverside Community College District utilizes two major standards for evaluating satisfactory academic progress. These are as follows:

1. Academic probation: A student who has attempted at least 12 semester units as shown by the official academic record shall be placed on academic probation if he or she has earned a cumulative grade point average below 2.0 in all units which were graded on the basis of the RCCD grading scale.
2. Progress probation: A student who has attempted at least 12 semester units as shown by the official academic record shall be placed on progress probation when the cumulative percentage of unsuccessful units attempted at RCCD reaches or exceeds 50%.
3. A student on academic probation for a grade point deficiency shall achieve good standing when the student’s accumulated grade point average is 2.0 or higher.
4. A student on progress probation because of an excess of unsuccessful units attempted at RCCD shall achieve good standing when the percentage of units in this category drops below 50 percent.

A student who feels an error has been made in his academic status should make an appointment with an RCCD counselor. The counselor will review the student’s academic record and either explain how the student achieved that status or, in the case of an error, notify the Dean of Student Services at their College.

Standards for Dismissal
Students failing to maintain satisfactory academic progress may be subject to dismissal from the college under conditions specified as follows:

1. A student who is on academic probation shall be subject
to dismissal if he or she earned a cumulative grade point average of less than 2.0 in all units attempted in each of two consecutive full-term (Fall/Spring) semesters of attendance which were graded on the basis of the RCCD grading scale.

2. A student who has been placed on progress probation shall be subject to dismissal when 50% or more of all units in which the student has enrolled are recorded as entries of “F”, “FW”, “W”, “I” and “NP” in at least two consecutive semesters (Fall/Spring) of attendance at RCCD.

3. A student shall remain on dismissal status until good standing is met by achieving a cumulative GPA of 2.0 or higher and completing over 50% of the total number of units attempted.

4. A student who has been reinstated will immediately be subject to dismissal if the cumulative grade point average falls below a 2.0 or the number of units for which “F”, “FW”, “W”, “I” “NP” and “NP” are recorded meets or exceeds 50%.

STANDARDS OF STUDENT CONDUCT

The Chancellor shall establish procedures for the imposition of discipline on students in accordance with the requirements for due process of the federal and state law and regulations.

The procedures shall clearly define the conduct that is subject to discipline, and shall identify potential disciplinary actions, including, but not limited to, the removal, suspension, or expulsion of a student.

The Board of Trustees shall consider any recommendation from the Chancellor for expulsion. The Board of Trustees shall consider an expulsion recommendation in closed session unless the student requests that the matter be considered in a public meeting. Final action by the Board of Trustees on the expulsion shall be taken at a public meeting.

The procedures shall be made widely available to students through the college catalog(s) and other means.

The following conduct shall constitute good cause for discipline, including but not limited to the removal, suspension or expulsion of a student.

1. Causing, attempting to cause, or threatening to cause physical injury to another person.
2. Possession, sale or otherwise furnishing any firearm, knife, explosive or other dangerous object, including, but not limited to, any facsimile firearm, knife or explosive, unless, in the case of possession of any object of this type, the student has obtained written permission to possess the item from a District employee, which is concurred by the Chancellor.
3. Unlawful possession, use, sale, offer to sell, or furnishing, or being under the influence of, any controlled substance listed in Chapter 2 (commencing with Section 11053) of Division 10 of the California Health and Safety Code, an alcoholic beverage, or an intoxicant of any kind; or unlawful possession of, or offering, arranging or negotiating the sale of any drug paraphernalia, as defined in California Health and Safety Code Section 11014.5. It is also unlawful under federal law, to possess, use, sell, offer to sell, furnish or be under the influence of any controlled substance, including medical marijuana.
4. Committing or attempting to commit robbery or extortion.
5. Causing or attempting to cause damage to District property or to private property on campus.
6. Stealing or attempting to steal District property or private property on campus, or knowingly receiving stolen District property or private property on campus.
7. Willful or persistent smoking in any area where smoking has been prohibited by law or by regulation of the District.
8. Committing sexual harassment as defined by law or by District policies and procedures.
9. Engaging in harassing or discriminatory behavior toward an individual or group based on ethnic group identification, national origin, religion, age, sex or gender, race, color, ancestry, sexual orientation, physical or mental disability, or any characteristic listed or defined in Section 11135 of the Government Code of any characteristic that is contained in the prohibition of hate crimes set forth in subdivision (1) of section 422.6 of the Penal Code, or any other status protected by law.
10. Willful misconduct which results in injury or death to a student or to District personnel or which results in cutting, defacing, or other injury to any real or personal property owned by the District or on campus.
11. Disruptive behavior, willful disobedience, habitual profanity or vulgarity, or the open and persistent defiance of the authority of, or persistent abuse of, District personnel.
12. Cheating, plagiarism (including plagiarism in a student publication), or engaging in other academic dishonesty
   A. Forms of Dishonesty include, but are not limited to:
   1. Plagiarism: Presenting another person’s language (spoken or written), ideas, artistic works or thoughts, as if they were one’s own;
   2. Cheating: Use of information not authorized by the Instructor for the purpose of obtaining a grade. Examples include, but are not limited to, notes, recordings, and other students’ work;
   3. Furnishing false information to the District for purposes such as admission, enrollment, financial assistance, athletic eligibility, transfer, or alteration of official documents.
13. Dishonesty; forgery; alteration or misuse of District documents, records or identification; or knowingly furnishing false information to the District.
14. Unauthorized entry upon or use of District facilities.
15. Lewd, indecent or obscene conduct on District-owned or controlled property, or at District-sponsored or supervised functions.
16. Engaging in expression which is obscene; libelous or slanderous; or which so incites students as to create a clear and present danger of the commission of unlawful acts on college premises, or the violation of lawful District administrative procedures, or the substantial disruption of the orderly operation of the District.
17. Persistent, serious misconduct where other means of correction have failed to bring about proper conduct.
18. Unauthorized preparation, giving, selling, transfer, distribution, or publication, for any commercial purpose, of any contemporaneous recording of an academic presentation in a classroom or equivalent site of instruction, including, but not limited to, handwritten or typewritten class notes, except as permitted by any District policy or administrative procedure.
19. Use, possession, distribution or being under the influence of alcoholic beverages, controlled substance(s) or poison(s) classified as such by Schedule D, Section 4160 of the Business and Professions Code, while at any District location, any District off-site class, or during any District sponsored activity, trip or competition.
   A. In accordance with Section 67385.7 of the Education Code and in an effort to encourage victims to report assaults, the following exception will be made: The victim of a sexual assault will not be disciplined for the use, possession, or being
under the influence of alcoholic beverages or controlled substances at the time of the incident if the assault occurred on District property or during any of the aforementioned District activities.

20. Violation of the District’s Computer and Network Use Policy and Procedure No. 3720 in regard to their use of any or all of the District’s Information Technology resources. The full text of the policy can be found at www.rccd.edu/administration/board.

21. Use of an electronic recording or any other communications device (such as walkmans, cell phones, pagers, recording devices, etc.) in the classroom without the permission of the instructor.

22. Eating (except for food that may be necessary for a verifiable medical condition) or drinking (except water) in classrooms.

23. Gambling, of any type, on District property.

24. Bringing pets (with the exception of service animals) on District property.

25. Distribution of printed materials without the prior approval of the Student Activities office. Flyers or any other literature may not be placed on vehicles parked on District property.

26. The riding/use of bicycles, motorcycles, or motorized vehicles (except for authorized police bicycles or motorized vehicles) is limited to paved streets or thoroughfares normally used for vehicular traffic. In addition, the riding/use of all types of skates, skateboards, scooters, or other such conveyances is prohibited on District property, except for approved activities.

27. The presence in classrooms or laboratories of non-enrolled individuals (except for those individuals who are providing accommodations to students with disabilities) is prohibited without the approval of the faculty member.

Responsibility

A. The Chancellor is responsible for establishing appropriate procedures for the administration of disciplinary actions. In this regard, please refer to Administrative Procedure 5520, which deals with matters of student discipline and student grievance.

B. The Chief Student Services Officer of each College will be responsible for the overall implementation of the procedures which are specifically related to all nonacademic, student related matters contained in Administrative Procedure 5520.

C. The Chief Instructional Officer of each College will be responsible for the overall implementation of the procedures which are specifically related to class activities or academic matters contained in Administrative Procedure 5520.

D. For matters involving the prohibition of discrimination and harassment, the concern should be referred to the District’s Diversity, Equity and Compliance Office.

E. The definitions of cheating and plagiarism and the penalties for violating standards of student conduct pertaining to cheating and plagiarism will be published in all schedules of classes, the college catalog, the student handbook, and the faculty handbook. Faculty members are encouraged to include the definitions and penalties in their course syllabi.

Disciplinary Action

A. Any student who disrupts the orderly operation of a District campus, or who violates the standards of student conduct, is subject to disciplinary action. Such action may be implemented by the Chief Executive Officer of the College or designee.

B. The various types of disciplinary actions are set forth hereafter: The District may utilize any level of discipline without previously using a lower level of discipline and may utilize more than one type of discipline in a case if appropriate.

1. Verbal Warning: This is notice to the student that continuation or repetition of specified conduct may be cause for other disciplinary action.

2. Reprimand: This includes a written statement and/or a probationary period to be specified by the Chief Executive Officer of the College or designee for violation of specified rules. The reprimand serves to place on record that a student’s conduct in a specific instance did not meet the standards expected by the District. It also specifies the steps necessary to correct the inappropriate conduct and to terminate the probation, if probation has been imposed. A person placed on probation is notified that this is a warning and that continued conduct of the type described in the reprimand may result in further disciplinary action against the student.

3. Social Suspension: Social suspension limits a student’s attendance on District property to his/her scheduled class hours. This limitation of District privileges will be set forth in the notice of social suspension for a specified period of time. The imposition of social suspension involves written notification to the student(s) and, if necessary, the advisor of the organization involved and the reason for social suspension.

4. “Temporary Suspension”: This suspension is invoked by a classroom instructor due to student misconduct in the classroom. The student may be removed from class the day of the occurrence and the subsequent class period. If such suspension occurs, the instructor will immediately notify the appropriate Department Chairperson and/or College Dean of Instruction who will in turn notify the College Dean of Student Services.

5. Interim Suspension: Interim suspension may be invoked prior to a hearing to protect the safety and welfare of the District. This is an interim suspension from all District privileges including class attendance. Interim suspension is limited to that period of time necessary to resolve the problems that originally required the interim suspension, and in any case, no more than a maximum of ten (10) instructional days. The student will be afforded the opportunity for a formal hearing within ten (10) instructional days of imposition of the interim suspension.

6. Restitution: This is financial reimbursement to the District for damage or misappropriation of property. Reimbursement may also take the form of appropriate service to repair or otherwise compensate for damage.

7. Disciplinary Suspension: Disciplinary suspension is a suspension of all District privileges including class attendance and may be imposed by the Chief Executive Officer of the College, or designee, following a formal hearing for misconduct when other corrective measures have failed or when the seriousness of the situation warrants such action. Disciplinary suspension will not be more than ten (10) instructional days.

8. Extended Suspension: The Chief Executive Officer of the College, or designee, may suspend a student for good cause from all classes and activities of the District for one or more terms.

9. Expulsion: An expulsion is a long term or permanent denial of all District privileges including class attendance. The Board of Trustees may expel a student upon recommendation of the Chief Executive Officer of each College.

C. In cases of academic dishonesty by a student, a faculty member may take any one of the following actions:

1. The faculty member may: a) reduce the score on test(s) or
assignment(s); b) reduce the grade in the course; or c) fail the student in the course if the weight of the test(s) or assignment(s) warrants course failure. The faculty member may recommend to the College Dean of Instruction that the student be suspended from the course. If course suspension is recommended, the College Dean of Instruction will review the information regarding the charge of academic dishonesty, notify the student, consult with the faculty member regarding the recommendation for suspension, and prescribe appropriate due process procedures.

2. If the suspension is upheld, the College Dean of Instruction will make note of the offense in the student’s educational records. A second instance of academic dishonesty may result in expulsion proceedings. Any enrollment, tuition, and other applicable fees will not be refunded as a result of disciplinary action for academic misconduct.

**Short-term Suspensions, Long-term Suspensions, and Expulsions**

Before any disciplinary action to suspend or expel is taken against a student, the following procedures will apply:

- Notice – Within three (3) days of the date on which the Dean of Student Affairs, or designee, was made aware of the conduct leading to the disciplinary action, a meeting with the student will be scheduled. The student will be provided a verbal notice of the conduct warranting the discipline. The verbal notice will include the following:
  - the specific section of the Standards of Student Conduct that the student is accused of violating.
  - a short statement of the facts supporting the accusation.
  - the nature of the discipline that is being considered.

After the meeting a written notice will be provided restating the facts of the action. The student must be given an opportunity to respond verbally, or in writing, to the accusation.

**Student Grievance Procedure for Student-Related Issues**

The purpose of a student grievance procedure is to provide a process by which student-related issues for disciplinary matters may be resolved in a fair and efficient manner following due process. The procedure is intended to achieve an equitable solution to an issue with due regard for the rights of the student, the faculty, the student body, and the District.

A. Procedure Relating to Disciplinary Action: In all cases when the Dean of Student Affairs of the College, or designee, has initiated disciplinary action, the student, within five (5) instructional days following notification of the action, may convey to the appropriate Chief Instructional Officer or Chief Student Services Officer of the College, in writing:

1. Concurrence with the decision; or
2. A grievance challenging the action.

The Chief Executive Officer of the College, or designee, would hear the challenge and provide a finding within five (5) days of receiving the written request.

Absence of any communication after the five day limit from the student indicates concurrence with the decision.

For extended suspension or expulsion, the student may request a formal hearing within five (5) days of receiving a written decision from the Chief Executive Officer of the College.

**Hearing Procedures**

**Request for Hearing:**

Within five (5) days after receipt of the Chief Executive Officer’s, or designee’s, decision regarding a long-term suspension or expulsion, the student may request a formal hearing. The request must be made in writing to the Chancellor or designee.

**Schedule of Hearing:**

The formal hearing shall be held within ten (10) days after a formal request for hearing is received.

**Hearing Panel:**

The hearing panel for any disciplinary action shall be composed of one (1) administrator, one (1) faculty member and one (1) student.

The Chief Executive Officer of the College, the President of the Academic Senate, and the Associated Students President shall each, at the beginning of the academic year, establish a list of at least five (5) administrators, five (5) faculty members and five (5) students who will serve on student disciplinary hearing panels. The Chancellor shall appoint the hearing panel from the names on this list. However, no administrator, faculty member or student who has any personal involvement in the matter to be decided, who is a necessary witness, or who could not otherwise act in a neutral manner shall serve on a hearing panel.

**Hearing Panel Chair:**

The Chief Executive Officer of the College shall appoint one member of the panel to serve as the chair. The decision of the hearing panel chair shall be final on all matters relating to the conduct of the hearing unless there is a vote by both other members of the panel to the contrary.

**Conduct of Hearing:**

The members of the hearing panel shall be provided with a copy of the accusation against the student and any written response provided by the student before the hearing begins. The facts supporting the accusation shall be presented by the college Dean of Student Services, or designee. The college representative and the student may call witnesses and introduce oral and written testimony relevant to the issues of the matter. Formal rules of evidence shall not apply. Any relevant evidence shall be admitted.

Unless the hearing panel determines to proceed otherwise, the College representative and the student shall each be permitted to make an opening statement. Thereafter, the College representative shall make the first presentation, followed by the student. The College representative may present rebuttal evidence after the student completes his or her evidence. The burden shall be on the College representative to prove by substantial evidence that the facts alleged are true.

The student may represent himself or herself, and may also have the right to be represented by a person of his or her choice, except that the student shall not be represented by an attorney unless, in the judgment of the hearing panel, complex legal issues are involved. If the student wishes to be represented by an attorney, a request must be presented not less than five days prior to the date of the hearing. If the student is permitted to be represented by an attorney, the college representative may request legal assistance. The hearing panel may also request legal assistance; any legal advisor provided to the panel may sit with it in an advisory capacity to provide legal counsel but shall not be a member of the panel, nor vote with it.

Hearings shall be closed and confidential unless the student requests that it be open to the public. Any such request must be made no less
The Board of Trustees shall consider a recommendation for expulsion.

Board of Trustees’ Decision:
- If the Board of Trustees supports expulsion, it shall be forwarded to the Board of Trustees.
- If the Board of Trustees modifies or rejects the Board of Trustees’ decision, the Board of Trustees shall review the record of the hearing, and shall prepare a new written decision which contains specific factual findings and conclusions.

Executive Officer of the College shall be final.

Chief Executive Officer’s Decision:
- Within five (5) days following receipt of the hearing panel’s recommended decision, the Chief Executive Officer of the College shall render a final written decision.

Chancellor’s Decision:
- Within five (5) days following receipt of the hearing panel’s recommended decision, the Chancellor may accept, modify or reject the findings, decisions and recommendations of the hearing panel for expulsion. The Chancellor may accept, modify or reject the findings, decisions and recommendations of the hearing panel for expulsion. If the Chancellor modifies or rejects the hearing panel’s decision, the Chancellor shall review the record of the hearing, and shall prepare a new written decision which contains specific factual findings and conclusions. The decision of the Chancellor shall be final.

Board of Trustees’ Decision:
- The Board of Trustees shall consider a recommendation for expulsion from the Chancellor at the next regularly scheduled meeting of the Board after receipt of the recommended decision.

The Board of Trustees shall consider an expulsion recommendation in closed session, unless the student has requested that the matter be considered in a public meeting in accordance with these procedures.

The student shall be notified in writing, by registered or certified mail or by personal service, at least three (3) days prior to the meeting, of the date, time, and location of the Board’s meeting.

The student may, within forty-eight hours after receipt of the notice, request that the hearing be held as a public meeting.

Even if a student has requested that the Board of Trustees consider an expulsion recommendation in a public meeting, the Board of Trustees will hold any discussion that might be in conflict with the right to privacy of any student, other than the student requesting the public meeting, in closed session.

The Board of Trustees may accept, modify or reject the findings, decisions and recommendations of the Chancellor and/or the hearing panel.

General Grievance Process For Matters Other Than Disciplinary:
Student grievances (other than for discipline) will be processed in the following manner:

1. Consultation Process
   a. Prior to any formal hearing, a student will be encouraged to contact the appropriate faculty or staff member and attempt, in good faith, to resolve the concern through the consultative process. If a student is unsure of the appropriate faculty or staff member to contact, he or she should contact the College Dean of Instruction or College Dean of Student Services for nonacademic matters, who will direct the student to the appropriate staff member. In cases where either the student or faculty/staff member prefers to meet in the presence of a third party, he/she will contact the abovementioned administrators. The College Dean of Instruction or the College Dean of Student Services will either serve as the third party or designate someone for this purpose.
   b. If the issue is not resolved by the affected parties, the student may request an informal consultation with the appropriate department chairperson, dean or director.
   c. If the issue is not resolved with the appropriate department chairperson, dean or director, the student may request an informal consultation with the College Dean of Instruction or College Dean of Student Services.
   d. If the issue is not resolved with the appropriate dean, the student may request an informal consultation with the appropriate administrator.

1. For academic matters, the conference will be with the College Chief Instructional Officer.
2. For nonacademic matters, the conference will be with the
College Chief of Student Services Officer.

e. The College Chief Instructional Officer or Chief Student Services Officer will convey a decision to all affected parties.

f. If the issue is not resolved at the informal consultation, the student may file a formal, written grievance requesting a formal hearing within thirty (30) instructional days of hearing from the College Chief Instructional Officer or Chief Student Services Officer. The student will direct this letter to the appropriate College Chief Instructional Officer or Chief Student Services Officer. The time limit for students to file a formal written grievance will be one hundred twenty (120) days from the date of the incident giving rise to the grievance.

2. Formal Hearing

a. Upon receipt of a written request for a formal hearing, the College Chief Instructional Officer or Chief Student Services Officer will arrange for the hearing within a reasonable time period not to exceed twenty (20) instructional days. The written request should contain a statement detailing the grievance to be resolved, and the action or remedy requested. The College Chief Instructional Officer or Chief Student Services Officer will forward signed copies of all written grievances to the faculty member being grieved within seven (7) instructional days.

b. A grievance withdrawn from the formal hearing stage will be deemed without merit and cannot be refiled.

c. The formal hearing will be conducted before the College Student Grievance Committee. This committee will be composed as follows:

   (1) One (1) student appointed by the ASRCC College President.
   (2) One (1) faculty member appointed by the College Academic Senate President.
   (3) One (1) manager appointed by the Chief Executive Officer of the College.
   (4) The Chief Executive Officer or his/her designee - a person who has received training in proper procedures – will serve as chair of the committee.

d. The College Student Grievance Committee will:

   (1) Set a reasonable time limit for the hearing.
   (2) Receive signed written statements from both student and faculty involved in the grievance specifying all pertinent facts relevant to the case in question, a copy of which will be given to the other party with due notification of rights and responsibilities in the procedure for disposing of the case.
   (3) Transmit to all parties a written list of intended areas of inquiry to be asked at hearings or interviews, at least seventy-two (72) hours in advance of the hearing.
   (4) Allow each party the right to be assisted at the hearing by a student or staff member of the College whose participation will be limited to directly advising the student or staff member. If there is a need for accommodation for a disability, the student must notify the appropriate College Chief Instructional Officer or the Chief Student Services Officer at least seventy-two (72) hours in advance of the hearing. The advisor may not enter into the proceeding of the grievance committee. In addition, each party has the right to question witnesses and testimony.
   (5) Judge the relevancy and weight of testimony evidence. The committee will make its findings of fact, limiting its investigation to the formal allegations. It will also make recommendation for disposition of the case.
   (6) Maintain a transcript of the proceeding which will be kept in a confidential file but be available for review by either party.
   (7) Submit its findings of fact and recommended action to each party and the appropriate College Chief Instructional Officer or Chief Student Services Officer within ten (10) instructional days of the completion of the formal hearing.

e. The formal hearing shall be closed to the public.

f. Upon receipt of the College Student Grievance Committee’s recommendation, the appropriate College Chief Instructional Officer or Chief Student Services Officer, within ten (10) instructional days, will transmit, in writing, his/her decision to all involved parties.

g. The student, within five (5) instructional days of receipt of the College Chief Instructional Officer or Chief Student Services Officer’s decision, may appeal the decision to the Chief Executive Officer of the College. The Chief Executive Officer of the College may:

   (1) Concur with the College Chief Instructional Officer or Chief Student Services Officer’s decision,
   (2) Modify the recommended decision,
   (3) Recommend action to the Board of Trustees.

3. Appeals: In all cases, final appeal will rest with the Board of Trustees.

Office of Primary Responsibility:

A. The Chief Executive Officer of the College is responsible for establishing appropriate procedures for the administration of disciplinary actions. Issues involving matters of student grievance or student discipline will follow the procedures delineated in AP 5520.

B. The Chief Student Services Officer will be responsible for the overall implementation of the regulations which are specifically related to all nonacademic, student related matters.

C. The Chief Instructional Officer will be responsible for the overall implementation of the procedures which are specifically related to class activities or academic matters.

D. Matters involving the prohibition of discrimination and the prohibition of sexual harassment and any concerns regarding these matters should be referred to the District’s Department of Diversity, Equity and Compliance.

E. The definitions of cheating and plagiarism and the penalties for violating standards of student conduct pertaining to cheating and plagiarism will be published in all schedules of classes, the college catalog, the student handbook, and the faculty handbook. Faculty members are encouraged to include the definitions and penalties in their course syllabi.

STUDENT GOVERNMENT

The Associated Students of Moreno Valley is one of the most active student government programs in the country. In addition, the Associated Students produce a Homecoming extravaganza, Halloween Valley, and many other successful activities.

The student government is responsible for representing the social, political, and educational concerns of our students. The main purpose of student government is to provide student leaders with skills beyond what they learn in the classroom. Interpersonal communication, budget control, entrepreneurial skills, creativity, and activity planning are just a few of the skills that our very active student leaders learn.

Students can become involved in ASMV either by running for office
or by applying for the various appointive positions, committees or by becoming involved in a wide range of other activities.

STUDENT EMPLOYMENT SERVICES
The Student Employment Program helps students earn money to pay for their educational expenses by working part time (up to 20 hours per week). Hourly pay rates vary and start at the current federal minimum wage (currently $8.00 per hour); however, some positions may start at a higher rate of pay. The benefits of student employment include:

- Supervisor will work around a student’s class schedule
- Helps students pay for educational expenses
- Helps students gain work experience

There are multiple types of employment through the Student Employment Program:

1. Federal Work Study (FWS)
   Students must:
   • Have completed the Free Application for Federal Student Aid (FAFSA) which can be completed online at www.fafsa.ed.gov.
   • Have completed their financial aid file.
   • Have been determined eligible for financial aid.
   • Meet the Student Financial Services Satisfactory Academic Progress standard.
   • Maintain at least 6 units (Fall and Spring) and 3 units (Winter or Summer).
   • Maintain a minimum 2.0 CGPA.
   Students have the potential to be awarded and earn up to $4,000 during a fiscal year (July 1st through June 30th)

2. District (non-work study) Employment
   These positions are available at Moreno Valley College and do not require the completion of the FAFSA. Earnings are paid from a department’s budget.

   Students must:
   • Maintain at least 6 units (fall and spring) and 3 units (winter or summer).
   • Maintain a minimum 2.0 CGPA.

   Students must have a valid Social Security card and picture ID with the same name in which they register for classes, along with completing additional documentation for an FWS or District position. For more information please refer to our website www.mvc.edu/se.

   Federal Work Study and District positions may be viewed at www.mvc.edu/se 24 hours a day, seven days a week.

3. CalWORKs Work Study
   The CalWORKs Work Study program connects eligible CalWORKs students to entry level employment opportunities related to their course of study. The focus is to link employers to students who can learn initial job skills and maintain long-term employment directed toward career development while continuing their college course work. CalWORKs Work Study sites are primarily off-campus.

   Students must:
   • Be enrolled in at least one unit.
   • Maintain a minimum 2.0 CGPA.
   • Maintain eligibility with GAIN.

   TEACHER PREPARATION AND EDUCATION PROGRAMS
   In addition to the programs offered at Moreno Valley College, Teacher Preparation and Education programs are offered by RCC at the Innovative Learning Center in tandem with Alvord District Stokoe Elementary School offers a state-of-the art teacher preparation learning environment and laboratory for college students who want careers in education. This center offers opportunities for college students to observe classrooms taught by master teachers using state-of-the art technology and innovative teaching strategies. The center also has classrooms for college classes in general education and education courses.

   For more information call the Center at (951) 328-3661 or go to the website www.rccteacherprep.com. For the Teacher Preparation Academic counselor, please call (951) 571-6104.

TUTORIAL SERVICES
Why should you come for tutoring?
- You can increase your independence as a learner
- You can use your limited study time more effectively
- Individual and group sessions are offered
- Tutoring is free to RCCD students
- You can receive up to three hours per week/per subject
- Our tutors not only deliver content information, they motivate, coach, challenge and provide feedback to you.

Tutoring sessions are led by qualified tutors who received an “A” or “B” in the respective courses for which they choose to tutor. They reinforce specific course material emphasized by the professors and use their own successful student experiences to integrate what-to-learn with how-to-learn. All of our tutors come highly recommended by the College’s faculty members.

Subject areas offered for tutoring change each semester, but may include math, chemistry, history, psychology, physics, biology, anatomy and physiology, sociology, business administration, computer information, Spanish, French, and many more.

Tutorial Services is here to provide a supportive learning environment to all of our students seeking academic support. We strive to help our students develop the skills necessary to be a successful student and to be prepared for a successful career after graduation.

How To Obtain Tutoring Services
If you are in need of a tutor, please follow these simple steps to secure your appointment.
- Stop by the office or call to see if a tutor is available in the subject area you need help in.
- Be prepared to give the days and times you are available to receive tutoring.
- Make an appointment with the tutor by coming in or calling the office.
- Meet with your tutor during your appointment time on campus.

How To Become A Tutor
Tutoring offers a great opportunity to earn while you learn!
Tutors must have passed the class(es) they are tutoring in with at least a “B” grade or higher and:
- Maintain a GPA of 2.0 or higher each semester
- Complete and submit a student application
- Follow Tutorial Policies and Procedures
• Submit Faculty Recommendation(s) completed by RCCD instructors
• Submit a hire packet to Student Employment
• Enjoy working with and helping others
• Have a positive attitude and enjoy being part of a team
• Maintain enrollment in a minimum of 6 units if actively tutoring during the fall or spring terms
• Maintain enrollment in a minimum of 3 units if actively tutoring during the summer or winter terms.

Students interested in becoming employed as tutors are welcome to pick up an application at the Tutoring Center or call one of the offices for more information. Applications are continually being accepted.

Fax number: (951) 571-6188

VETERANS ASSISTANCE

Moreno Valley College provides assistance to veterans for the following benefit programs:

1. Active Duty Educational Assistance Program – Montgomery GI Bill – Chapter 30
2. Vietnam Era GI Bill – Montgomery GI Bill – Chapter 34/40
3. Selected Reserve Educational Assistance Program – Montgomery GI Bill – Chapter 1606
4. Vocational Rehabilitation – Chapter 31
5. Post-Vietnam Era Veterans Educational Assistance Program (VEAP) – Chapter 32
6. Survivors and Dependents Educational Assistance Program – Chapter 35
7. Reserve Educational Assistance Program (REAP), Chapter 1607

Veterans seeking to use VA Educational Benefits should apply online to the VA at www.gibill.va.gov for their certificate of eligibility. One copy must be given to the Veterans’ Services office at the student’s home college. For questions regarding pay, Certificate of Eligibility or benefits call 1-888-GIBILL-1.

While waiting for the Certificate of Eligibility, veterans should continue with the college’s policies and procedures in order to enroll and be certified for payment. Veterans apply online to Moreno Valley, Norco and Riverside City College and complete any required assessment testing and online orientation. Veterans may also be eligible for other financial aid and are encouraged to submit the FAFSA (Free Application for Federal Student Aid) online at www.fafsa.ed.gov.

Before a VA Student Education Plan (SEP) can be developed, all transcripts must be received by the college in order to have prior credit evaluated. Transcripts must be official, sealed and printed less than 90 days ago. After transcripts are received veterans are referred to a counselor for a VA approved Student Education Plan. After receiving the SEP, veterans can register for approved classes on or after their registration date/time. Check the VA website www.gibill.va.gov for the listing of VA approved programs at RCCD.

After registering, veterans must turn in the Veteran’s Statement of Responsibility (Blue Sheet) to the Student Services office. This “Blue Sheet” is required in order for enrollment certification to be submitted to the VA; the process may take 2-3 weeks. This form must be submitted to the college every term in order to request benefits and to avoid being dropped for non-payment.

Veterans are eligible for priority registration for two years after being discharged from active duty. In order to be eligible veterans must take a copy of their DD214 discharge papers to the Student Services office. Staff there will tell eligible veterans their priority registration dates.

Veterans’ assistance is available in Admissions. Contact the Veterans’ Office at (951) 571-6102 for more information. Information is also available at www.mvc.edu.

WORKFORCE PREPARATION

Workforce Preparation at Moreno Valley College offers a wide range of services to assist current and former CalWORKs/TANF customers, and youth in foster care to prepare for academic achievement, career pathway planning, employment, self-sufficiency and attaining financial independence. The Community College CalWORKs program is directed by Workforce Preparation to meet the challenge of implementing various strategies to aid disadvantaged students or potential students in building strong connections to the workforce.

CalWORKs Program

Workforce Preparation offers the CalWORKs program, funded through the Chancellor’s Office of California Community Colleges. CalWORKs is designed to promote self-sufficiency through employment, education and community collaboration. The population that is eligible to receive services via MVC’s CalWORKs program are CalWORKs/Temporary Assistance for Needy Families (TANF) customers. As a result of the Welfare Reform Act in 1996 CalWORKs/TANF customers face a four-year lifetime limit, and the Community College’s CalWORKs program is one of the ways California is meeting this challenge. Many current CalWORKs students could not get the education they need to break the cycle of poverty and dependency without such assistance. Workforce Preparation staff continues to seek additional CalWORKs-eligible students so that support services can be provided to ensure their success in school and the workplace. To date, more than 6,300 students have received support services through the CalWORKs program with new CalWORKs students enrolling each week. For more information call (951) 571-6154 or join us on the web at: www.mvc.edu/services/cw/ or on Facebook at: www.facebook.com/calworksmorenovalley.

Services available include:

• Career and academic counseling
• Educational and occupational assessments
• Career pathway planning
• Priority registration
• Intensive case management
• Job placement
• Work study opportunities
• Career specific workshops
• Skill building courses
• Financial literacy
• Parenting and wellness resources

Through the Riverside County GAIN program, CalWORKs students participating in approved welfare-to-work plans may receive supplemental services such as:

• Childcare
CalWORKs Work Study
Moreno Valley College teams up with employers to provide subsidized job training to eligible students. This program benefits employers as well as students. To be eligible students are required to:
- Provide a current WTW contract with GAIN
- Maintain enrollment in 1.0 or more units each semester
- Maintain a minimum cumulative 2.0 GPA
- Be eligible for the CalWORKs program

For more information, call (951) 571-6154.

Independent Living Program
MVC’s Workforce Preparation Program works in collaboration with The Riverside City College (RCC) Independent Living Program (ILP). ILP is a partnership between RCCD and Riverside County Department of Public Social Service. The Independent Living Program provides training, advocacy, mentoring and support services to assist foster youth, age 16-21, in developing pathways to success in areas including education, employment and career development, health and safety, and housing. The primary mission is to assist current and former foster youth transition from full support to independence. Emancipation coaches available at MVC utilize an individualized approach with training workshops and linkage to community resources. Youth are provided a wide range of services designed to provide them with the tools to be successful. For more information, call (951) 571-6154.

Skills Classes
Skills Classes are open to all students throughout most of the semester. Open-entry Skills Classes are available in reading, writing, math, and computer applications technologies to enhance success in the workplace and in further college courses. The Skills Classes are presented in a student-paced, instructor-led format with entry dates every week throughout most of the semester. Instructors are student-centered and class sizes are relatively small. We serve a diverse student population who seek to develop workplace skills through occupational training, degree, or transfer programs. Skills Classes are offered at Moreno Valley College. For more information, see the schedule of classes or call (951) 571-6154.
Section III

GRADUATION REQUIREMENTS
ASSOCIATE DEGREE
PHILOSOPHY FOR THE ASSOCIATE DEGREE
The awarding of an associate degree is intended to represent more than an accumulation of units. It symbolizes the successful attempt on the part of the District to lead students through patterns of learning experiences designed to develop certain capabilities and insights. Among these are the ability to think and to communicate clearly and effectively, both orally and in writing; to use mathematics; to understand the modes of inquiry of the major disciplines; to be aware of other cultures and times; to achieve insights gained through experience in thinking about ethical problems; and to develop the capacity for self-understanding.

GENERAL EDUCATION
General education is available at all three colleges (Moreno Valley, Riverside City and Norco) of the Riverside Community College District. A person informed through general education about the conceptual schemes of the arts, humanities and sciences, who comprehends the structure of society and who thinks clearly about the individual and society, will have the tools by which he or she may function efficiently. Such an individual is encouraged to utilize these tools in developing a conception of a commitment to a good life involving able and responsible citizenship, moral and humane relationships, and appreciation of the democratic processes and the culture which sustains our society.

Specifically, the colleges offer to all of its students a pattern of courses designed to produce an awareness of self and to provide (1) a basic competence with the English language in its written and spoken form; (2) at least a minimum competence in mathematics; (3) a knowledge of American history and governmental institutions; (4) regard for health, mental and physical, of oneself and of the community at large; (5) a grasp of the principles of the major divisions of human studies, humanities and science with some understanding of basic disciplines and methodologies; and (6) knowledge in some depth of one subject area.

GENERAL EDUCATION STUDENT LEARNING OUTCOMES
Every student who graduates from one of the three colleges of RCCD with an A.A. or A.S. degree is unique—almost no two take exactly the same courses. But to be educated is to possess some values in common, some shared competencies and modes of thought. Thus all graduates meet a 22-unit general education requirement that gives them broad exposure to ideas and skills outside their own areas of special interest. After successfully completing the GE requirement, all students should have...

Critical Thinking
- Analyze and solve complex problems across a range of academic and everyday contexts
- Construct sound arguments and evaluate arguments of others
- Consider and evaluate rival hypotheses
- Recognize and assess evidence from a variety of sources
- Generalize appropriately from specific cases
- Integrate knowledge across a range of contexts
- Identify one’s own and others’ assumptions, biases, and their consequences

Information Skills
- Demonstrate computer literacy
- Locate, evaluate, and use information effectively

Communication Skills
- Write with precision and clarity to express complex thought
- Read college-level materials with understanding and insight
- Listen thoughtfully and respectfully to the ideas of others
- Speak with precision and clarity to express complex thought

Breadth of Knowledge
- Understand the basic content and modes of inquiry of the major knowledge fields
- Analyze experimental results and draw reasonable conclusions from them
- Use the symbols and vocabulary of mathematics to solve problems and communicate results
- Respond to and evaluate artistic expression

Application of Knowledge
- Maintain and transfer academic and technical skills to workplace
- Be life-long learners, with ability to acquire and employ new knowledge
- Set goals and devise strategies for personal and professional development and well being

Global Awareness
- Demonstrate appreciation for civic responsibility and ethical behavior
- Participate in constructive social interaction
- Demonstrate teamwork skills
- Demonstrate understanding of ethnic, religious, and socioeconomic diversity
- Demonstrate understanding of alternative political, historical, and cultural viewpoints

The General Education Student Learning Outcomes were approved by the Board of Trustees on December 12, 2006.

GRADUATION REQUIREMENTS FOR THE ASSOCIATE DEGREE
All programs of study leading to completion of a certificate, A.S. degree, or A.A. degree require careful planning with the assistance of a counselor from the beginning. Students interested in career and technical education (formerly occupational education) will want to follow the requirements of a specific certificate or A.S. degree leading directly to a career. Students who plan to transfer to a bachelor’s degree granting institution should consult a counselor to determine the specific courses required for admission to their four-year institution of choice.

Students may earn an A.A. / A.S. degree with an emphasis in one of the eight areas of emphasis and enter the workplace or transfer to a four-year institution with enhanced skills in critical thinking and written and oral communication. Students intending to transfer to a bachelor’s degree granting institution can use one of these eight areas to fulfill many lower division major requirements while taking additional transferable courses in closely related areas of study.

The governing board of Riverside Community College District shall confer the degree of associate in one of the eight areas of emphasis upon the student who has demonstrated competence and who has completed the following requirements:

I. RESIDENCE REQUIREMENT
In order to receive an A.A. / A.S. degree from Riverside Community College District, a student must complete 15 units in residence at one of the Colleges within the Riverside Community College District.
II. ACADEMIC COURSEWORK TAKEN AT OTHER COLLEGES AND UNIVERSITIES
Official transcripts from all schools and colleges attended must be dated within the preceding 90 days/3 months, be in their original sealed envelope, and be submitted to the Admissions and Records office at the student’s home college. Course credit is accepted from all regionally accredited institutions as listed at www.collegesource.org. Credits from institutions, which are in candidacy status, will be accepted after full accreditation is granted. The two years preceding full accreditation will also be applicable towards the A.A. / A.S. degree. Honors for graduation will be calculated in the same manner.

III. GRADE POINT AVERAGE REQUIREMENT
A student must have a minimum grade point average of not less than 2.0 (“C” average) in work taken at Riverside Community College District. In addition, overall grade point average, including units from both RCCD and work attempted at all accredited colleges attended, must be not less than 2.0.

IV. UNIT REQUIREMENT
The associate degree requires a minimum of 60 units of college work, of which 18 semester units are in one of the nine areas of emphasis listed below. Students must also complete a minimum of 22 semester units (see section VI. General Education Requirements) in the following categories: Natural Sciences (3 units), Social and Behavioral Sciences (6 units), Humanities (3 units), and Language and Rationality (10 units). While students wishing to transfer to a four-year university can fulfill the transfer requirements by completing a certificate of achievement in California State University General Education (CSUGE) or in Intersessional General Education Transfer Curriculum (IGETC), they are encouraged to complete an associate degree.

ASSOCIATE IN ARTS
ADMINISTRATION AND INFORMATION SYSTEMS
Administration/Information Systems entails the study of theories, procedures and practices and the acquisition of skills necessary to function productively and effectively in an administrative work environment. Career paths chosen by students pursuing undergraduate studies in Administration/Information Systems typically include managerial positions in business and the public sector, administrative support positions, customer service, sales, accounting/bookkeeping and public relations.

Students completing associate degrees in Administration/Information Systems may obtain entry-level positions in the above career fields or may choose to transfer to a four-year college or university to pursue a bachelor’s degree in business, accounting, public administration, management information systems or related fields.

PROGRAM LEARNING OUTCOMES:
Students possessing an associate degree in Administration/Information Systems can be expected to demonstrate achievement of the following learning outcomes:

1. Categorize basic administrative terms, theories and principles.
2. Demonstrate basic understanding of economic systems; i.e., the manner in which goods are produced and distributed in a society and the means by which economic growth is achieved and sustained.
3. Understand and apply fundamental management principles, such as profit/loss, balancing accounts, conflict resolution, effective customer relations and time management.
4. Perform functions such as preparation of memoranda, utilization of spreadsheets, adherence to schedules and responding effectively to changes in the work environment.
5. Implement the fundamental concepts from courses in business, public administration, economics and/or information systems.

The student must complete 18 units of study with a grade of “C” or better or a “P” if the course is taken on a “pass-no pass” basis.

INCLUDED DISCIPLINES AND COURSES:
Required Courses (9 units, selected from the following):
- Accounting (ACC): 1A
- Business Administration (BUS): 10, **18A
- Computer Information Systems (CIS): 1A
- Economics (ECO): 7, 7H, 8
- Political Science (POL): 8

Elective Courses (9 additional units, selected from the following):
- Accounting (ACC): 1A, 1B, 38
- Business Administration (BUS): 10, **18A, **18B, 20, 22
- Communications Studies (COM): 1, 1H, 6, 9, 9H, 12, 13
- Computer Information Systems (CIS): 1A, 1B, 2, 3, 5
- Computer Applications and Office Technology (CAT): 3, 31
- Economics (ECO): 4, 6, 7, 7H, 8
- Library (LIB): 1
- Management (MAG): 44
- Marketing (MKT): 20
- Political Science (POL): 6, 8

A course may only be counted once.
**Credit limitation: UC will accept a maximum of one course for transfer.

AMERICAN STUDIES
American Studies examines the American experience from the colonial period of the United States to the present. Students will study, interpret, and evaluate events, cultural products, and trends in American economic, political, and social history as well as in American architecture, art, literature, music, religion, and they will evaluate questions to which there are multiple plausible interpretations. Students pursuing the program in American Studies will enhance their skills in critical thinking and both oral and written communication. The American Studies program prepares students for further study in the English/literature, history, political science, and sociology at a four-year baccalaureate institution and provides an excellent foundation for students interested in administration, communications, law, public service, and teaching.

PROGRAM LEARNING OUTCOMES:
Students possessing an associate degree in American Studies can be expected to demonstrate achievement of the following learning outcomes:

1. Critically analyze the history, culture, politics and society of the United States.
2. Interpret American history, culture, politics and society orally and in written form.
3. Understand a range of academic disciplines around a core of American history, culture, politics and society.
4. Describe and analyze of the diversity of the American people as a society of immigrants developing national traditions and culture.
The student must complete 18 units of study across a maximum of three disciplines including at least one two-semester sequence with a grade of “C” or better or a “P” if the course is taken on a “pass-no pass” basis.

Take one of these two-semester sequences (6 units):

English (ENG): 14 and 15
History (HIS): 6/6H and 7/7H, 11 and 12, 14 and 15, 28 and 29, 30 and 31

Elective courses: (12 additional units, selected from the following):

American Sign Language (AML): 22
English (ENG): 14, 15, 18, 20, 25, 47
Film, Television and Video (FTV): 12
History (HIS): 6/6H, 7/7H, 11, 12, 14, 15, 26, 28, 29, 30, 31, 34
Humanities (HUM): 9, 11, 16
Military Science (MIL): 1, 2
Music (MUS): 25, 26, 89
Philosophy (PHI): 19
Political Science (POL): 1/1H, 5, 12, 13
Sociology (SOC): 2, 3, 15, 22

A course may only be counted once in the major area. Courses may be double counted for GE/IGETC/CSUGE.

COMMUNICATION, MEDIA, AND LANGUAGES

Communications is the study of how humans construct meanings through interactions. Courses in this area may focus on the knowledge and skills needed to communicate effectively in oral, written, or visual forms; on the study of language and culture; and/or on a critical understanding of the structures and patterns of different kinds of communication as they affect individuals and society. Studies in Communication, Media, and Languages is designed for students interested in pursuing further studies in English, Journalism, Mass Communication, Media Studies, Communication Studies, and World Languages at four-year colleges and universities. It may be useful for students interested in pursuing careers in communications, graphic design, journalism, law, marketing, public relations, radio and television, translating, and writing, among others.

PROGRAM LEARNING OUTCOMES:

Students possessing an associate degree in Communication, Media and Languages can be expected to demonstrate achievement of the following learning outcomes:

1. Analyze college level texts to understand and apply themes and evidence in appropriate communication formats.
2. Evaluate purpose and audience to create well-developed, supported, and stylistically fluent responses in written or verbal form.
3. Evaluate and apply appropriate evidence in support of arguments made in different forms of communication.
4. Recognize and understand the role of nonverbal, verbal, interpersonal, visual, mass media, and cultural indicators inherent in different communication mediums.
5. Understand how socioeconomic and cultural factors work in constructing knowledge in different forms of communication.
6. Use a variety of research methods to collect and evaluate sources and evidence to apply in various forms of communication.

The student must complete 18 units of study across 3 disciplines; 9 units must be taken in a single discipline with a grade of “C” or better or a “P” if the course is taken on a “pass-no pass” basis.

INCLUDED DISCIPLINES AND COURSES:

Anthropology (ANT): 8
Applied Digital Media (ADM): 1
Communication Studies (COM): 1, 1H, 2, 3, 5, 6, 7, 9, 9H, 11, 12, 13, 19
English (ENG): 1A, 1AH, 1B, 1BH, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 23, 25, 26, 30, 35, 37, 38, 39, 40, 41, 44, 45, 48, 49
Film, Television and Video (FTV): 12, 44, 45, 65
Journalism (JOU): 1, 2, 7, 12, 20A, 20B, 20C, 20D, 52
Library (LIB): 1
Photography (PHO): 12

World Languages includes:

Arabic (ARA): 1, 2, 3, 8, 11
American Sign Language (AML): 1, 2, 3, 4, 5, 10, 11, 12, 13, 14, 20, 21, 22
Chinese (CHI): 1, 2, 11
French (FRE): 1, 2, 3, 4, 8, 11
German (GER): 1, 2, 3, 11
Greek (GRK): 1, 2
Italian (ITA): 1, 2, 3, 11
Japanese (JPN): 1, 2, 3, 4, 11
Korean (KOR): 1, 2, 11
Latin (LAT): 1, 2
Portuguese (POR): 1, 2
Russian (RUS): 1, 2, 3, 11
Spanish (SPA): 1, 1A, 1B, 1H, 2, 2H, 3, 3N, 4, 8, 11, 12, 13, *51, 52, 53

FINE AND APPLIED ARTS

The Associate Degree in Fine and Applied Arts offers a rich variety of courses to acquaint students with the creation of and performance in the arts from a global perspective. The courses in this area examine the nature of the fine and applied arts through analysis, synthesis, composition, performance and technical development. Students will develop techniques appropriate to the art form, engage in the production and performance of the arts, examine aesthetic valuing, and participate in creative expression.

This area of emphasis is designed for students interested in exploring a variety of art forms including digital media, creative writing, dance, film, graphic design, music, photography, communication studies, television, theatre, video and the visual arts.

PROGRAM LEARNING OUTCOMES:

Students possessing an Associate in Arts degree in Fine and Applied Arts can be expected to demonstrate achievement of the following program learning outcomes:

1. Demonstrate basic knowledge and skills (technique) in one discipline of the fine and applied arts. These include fundamentals of the field in terms of practice, history, analysis and their applications and technical ability in one discipline to create, sustain, and evolve a personal vision and/or purpose.
2. Develop a personal vision and/or purpose—sometimes called “artistic voice”—that is evident in terms of work produced and manifested in a portfolio, performance, exhibition, or other presentation.
3. Generate and apply original ideas and methods to discover, create and communicate specific artistic content.
4. Demonstrate conceptual acuity, clarity, imagination, and technical ability to combine, integrate, and synthesize elements into works in ways that enhance their communicative powers.

**The student must complete 18 units of study across a maximum of 3 disciplines with 9 units from a single discipline and with a grade of “C” or better or a “P” if the course is taken on a “pass-no pass” basis.**

**INCLUDED DISCIPLINES AND COURSES:**
- Applied Digital Media (ADM): 1, 30, 64, 67, 68, 70, 71, 72, 74, 76, 77A, 77B, 80, 88, 89, 200
- Art (ART): 1, 2, 5, 6, 6H, 7, 8, 9, 10, 12, 15, 16, 17, 18, 20, 21, 22, 23, 24, 25, 26, 27, 28, 30, 34, 35, 36, 38, 39, 40, 41, 42, 43, 44, 45, 46, 47, 48, 49, 200
- Communication Studies (COM): 1, 1H, 2, 3, 7, 11, 19
- Dance (DAN): 3, 4, 5, 6, 7, 8, 9, D9, D10, D11, D12, D13, D14, D15, D16, D17, D18, D19, D20, D21, D22, D23, D24, D25, D30, D32, D37, D38, D39, D43, D44, D45, D46, D47, D48, D49, D51, D60
- English (ENG): 11, 12, 13, 17, 38, 39, 49, 52, 53, 60, 63, 64, 65, 66, 67, 68, 69, 70, 71, 72
- Film, Television, and Video (FTV): 38, 41, 42, 43, 44, 45, 46, 47, 48, 49, 200
- Film (FILM): 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 12, 15, 16, 17, 18, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31, 32, 33, 35, 36, 37, 38, 39, 41, 42, 43, 44, 45, 48, 49, 51, 52, 53, 54, 55, 57, 61, 65, 77A, 77B, 80, 88, 89, 200
- Music (MUS): 19, 20, 21, 22, 25, 26, 89
- Philosophy (PHI): 1, 2, 3, 4, 8, 11
- Political Science (POL): 11
- Theatre (THE): 2, 3, 4, 5, 6, 25, 26, 29, 30, 32, 33, 34, 35, 36, 37, 38, 39, 41, 44, 46, 48, 49, 54

**HUMANITIES, PHILOSOPHY, AND ARTS**

**Humanities, Philosophy, and Arts** examines human values and experience within a wide range of cultures, across the globe, and over the course of history. Students will study, interpret, and evaluate classic works in architecture, art, literature, music, philosophy, religion, rhetoric and the theater, and they will encounter questions to which there are multiple plausible answers. The study of language, philosophy, and rhetoric provides crucial tools for understanding and interpreting human knowledge and experience. Students pursuing the program in the Humanities, Philosophy, and Arts will enhance their skills in critical thinking and both oral and written communication. The Humanities, Philosophy, and Arts program prepares students for further study in the arts, history, humanities, literature, philosophy, speech communication and/or world languages at a four-year baccalaureate institution and provides an excellent foundation for students interested in administration, communications, law, public service, and teaching.

**PROGRAM LEARNING OUTCOMES:**
Upon completion of this program, students will be able to:

1. Interpret key philosophical, religious and literary texts, as well as creative works, in historical and cultural contexts and express that interpretation persuasively in oral and/or written form.
2. Analyze the role and use of language, rhetoric and/or the arts in informing and contextualizing human experience.
3. Analyze the role and use of the arts (literature, music, theatre, dance, and the fine arts) as a reflection of the culture in which it appears.
4. Evaluate the role of individual human agency in history.
5. Research and write critical interpretive essays demonstrating a high skill level.

**Graduation Requirements**

**The student must complete 18 units of study across 3 disciplines; 9 units must be taken in a single discipline. Up to 3 units may be taken with a grade of “C” or better or a “P” if the course is taken on a “pass-no pass” basis.**

**INCLUDED DISCIPLINES AND COURSES:**
- Anthropology (ANT): 7, 8
- Architecture (ARE): 36
- Art (ART): 1, 2, 5, 6, 6H, 7, 8, 9, 10, 12
- Communication Studies (COM): 1, 1H, 2, 3, 5, 7, 9, 9H, 11, 12, 13, 19
- Dance (DAN): 3, 6
- English (ENG): 1B, 1BH, 6, 7, 8, 9, 10, 14, 15, 16, 18, 23, 25, 26, 30, 35, 40, 41, 44, 45, 48
- Film, Television and Video (FTV): 12, 65
- History (HIS): 1, 2, 4, 5, 6, 6H, 7, 7H, 8, 9, 14, 15, 21, 22, 25, 26, 28, 29, 30, 31, 34, 35
- Humanities (HUM): 4, 4H, 5, 5H, 8, 9, 10, 10H, 11, 16, 18, 23, 35
- Library (LIB): 1
- Music (MUS): 19, 20, 21, 22, 25, 26, 89
- Philosophy (PHI): 10, 10H, 12, 13, 14, 15, 19, 20, 21, 22, 32, 33, 35
- Political Science (POL): 11
- Theatre (THE): 3, 29

**World Language, including:**
- Arabic (ARA): 1, 2, 3, 8, 11
- American Sign Language (AML): 1, 2, 3, 4, 5, 10, 11, 12, 13, 14, 20, 21, 22
- Chinese (CHI): 1, 2, 11
- French (FRE): 1, 2, 3, 4, 8, 11
- German (GER): 1, 2, 3, 11
- Greek (GRK): 1, 2
- Italian (ITA): 1, 2, 3, 11
- Japanese (JPN): 1, 2, 3, 4, 11
- Korean (KOR): 1, 2, 11
- Latin (LAT): 1, 2
- Portuguese (PORT): 1, 2
- Russian (RUS): 1, 2, 3, 11
- Spanish (SPA): 1, 1A, 1B, 1H, 2, 2H, 3, 3N, 4, 8, 11, 12, 13, *51, *52, *53

Applicable studio courses include (Note that some classes are less than three units.):
- Art (ART): 15, 16, 17, 18, 20, 21, 22, 23, 24, 25, 26, 27, 28, 30, 34, 35, 36, 38, 39, 40, 41, 42, 43, 44, 45, 46, 47, 48, 49, 200
- Dance (DAN): 7, 8, 9, D9, D10, D11, D12, D13, D14, D15, D16, D17, D18, D19, D20, D21, D22, D23, D24, D25, D30, D32, D37, D38, D39, D43, D44, D45, D46, D47, D48, D49, D51, D56-67
- English (ENG): 11, 12, 17, 38
- Music (MUS): 38, 39, P12
- Theatre (THE): 2, 4, 5, 6, 25, 26, 30, 32, 33, 34, 35, 36, 37, 38, 41, 54

**KINESIOLOGY, HEALTH AND WELLNESS**

These courses emphasize the principles for the growth and development of a healthy lifestyle. Students will acquire the knowledge and understanding of these principles to integrate and promote personal, individual or group behavior conducive to the maintenance or restoration of mental and physical wellness. This emphasis will provide students with an understanding of physical skills and their development related to physical activity, exercise and sport. Students will also acquire knowledge of decision making and problem solving strategies for self-management as it pertains to leading a productive and healthful lifestyle. This area of emphasis is designed for students interested in making positive life choices and in the study of health, nutrition, and wellness;
Students who work closely with their counselor may use this emphasis area to prepare to transfer to four year institutions in majors such as Health Science, Nutrition, Physical Education/Kinesiology, Exercise Science, and Recreation and Leisure Studies. Some careers such as Athletic Trainer, Physical Therapist, Exercise Physiologist, Sport Nutritionist, and Physical Education and Health Education teachers may require education beyond the Bachelor’s Degree.

PROGRAM LEARNING OUTCOMES:
Upon completion of this emphasis area, the student will be able to:

1. Demonstrate understanding of the impact life choices have on overall human health and apply this knowledge to maintain healthful living appropriate to the situation.
2. Recognize the positive impact of physical activity in fostering optimal health and apply this knowledge to lifestyle choices.
3. Recognize and understand the role of individual decision-making processes to the development of strategies concerning personal health and wellness.

The student must complete 18 units of study with a grade of “C” or better or a “P” if the course is taken on a “pass-no pass” basis.

INCLUDED DISCIPLINES AND COURSES:
Required Courses (take 3 units in each of the two disciplines):

- Health Science (HES): 1
- Kinesiology/academic courses (KIN): 4, 6, 8, 10, 12, 16, 17, 18, 24, 25, 26, 27, 28, 29, 30, 33, 34, 35, 36, 38, 47

Elective Courses (12 additional units, selected from the following):

- Anatomy and Physiology (AMY): 2A, 2B, 10
- Biology (BIO): 17, 30, 34
- Early Childhood Education (EAR): 26
- Guidance (GUI): 45, 46, 47, 48
- Kinesiology/academic courses (KIN): 4, 6, 8, 10, 12, 16, 17, 18, 24, 25, 26, 27, 28, 29, 30, 33, 34, 35, 36, 38, 47

A course may only be counted once except for KIN activity or varsity courses.

SOCIAL AND BEHAVIORAL STUDIES
Social and Behavioral Studies is a collection of academic disciplines dedicated to the scholarly study of the human experience. As a comprehensive and multidisciplinary area of study, Social and Behavioral Studies will afford the student an opportunity to explore and examine the nature and multitude of interactive relationships amongst and between individuals and between the individual and their social environment; ranging from the development of the individual, to the nuances of interpersonal interaction, to the dynamic structures of national and global communities. Ultimately, the student of Social and Behavioral Studies will gain a heightened awareness of the nature of their individuality, attain a greater understanding and appreciation of the complexities and diversity of the world in which they live and, become better equipped to succeed in an increasingly diverse and complex society.

Career paths typically chosen by undergraduate students emphasizing Social and Behavioral Studies include: Law Enforcement, Law, Human Relations, Human Resources, Social Work, Professional Childcare and Public Service Agencies, Teaching across the educational and academic spectrum, Consultation in the public and private sectors, Governmental Advisors, Speechwriting, and both domestic and international business professions.

PROGRAM LEARNING OUTCOMES:
Upon completion of this area of emphasis, the successful student should be able to:

1. Demonstrate a knowledge and understanding that the development, maintenance, and adaptation of the individual self and the personality is a product of the interaction between the individual and their social environment.
2. Demonstrate a breadth of knowledge of the social and cultural environments at the local, regional and global levels.
3. Demonstrate a working knowledge of the many facets and intricacies of social interaction from the intrapersonal, to the interpersonal to the societal levels.
4. Demonstrate an ability to apply the theories and principles of human development, human interaction, cultural diversity, and global awareness to their everyday lives.

The student must complete 18 units of study across a minimum of 3 disciplines listed below with a grade of “C” or better or a “P” if the course is taken on a “pass-no pass” basis.

INCLUDED DISCIPLINES AND COURSES:

- Administration of Justice/Justice Studies (ADJ): 1, 2, 3, 4, 5, 8, 9, 13, 14, 15, 30
- Administration of Justice/Law Enforcement (ADJ): 6, 16, 18, 20, 21, 22, 23, 25
- Anthropology (ANT): 1, 2, 3, 4, 5, 6, 7, 8, 10, 21
- Communication Studies (COM): 1, 1H, 2, 3, 5, 6, 9, 9H, 12, 13
- Early Childhood Education (EAR): 19, 20, 28, 33, 40 42, 43, 47
- Economics (ECO): 4, 5, 6, 7, 7H, 8
- Geography (GEG): 2, 3, 4, 6
- Human Services (HMS): 4, 5, 6, 7, 8, 13, 14, 16, 18, 19
- Library Science (LIB): 1
- Political Science (POL): 1, 1H, 2, 2H, 3, 4, 4H, 5, 6, 7ABCD, 8, 10A, 10B, 10C, 1D, 11, 12, 13, 14
- Psychology (PSY): 1, 9, 33, 35
- Sociology (SOC): 1, 2, 3, 10, 12, 15, 20, 22, 45

ASSOCIATE IN SCIENCE
CAREER AND TECHNICAL EDUCATION PROGRAMS
The Associate in Science Degree in Career and Technical Education Programs will be awarded upon completion of the requirements for the certificate or program of 18 units or more with a grade of “C” or better or a “P” if the course is taken on a “pass-no pass” basis, plus completion of the graduation requirements as described in the catalog, as well as electives, totaling 60 units of college work as required for the associate degree. Specific requirements for each program are listed in pages 62-78 of the catalog.
MATH AND SCIENCE
These courses emphasize the natural sciences, which examine the physical universe, its life forms, and its natural phenomena. Courses in Math emphasize mathematical, analytical, and reasoning skills beyond the level of intermediate algebra. Courses in science emphasize an understanding of the process of science and the scientific method. All courses emphasize the use of mathematics and science as investigative tools, the role of mathematics and science as part of human civilization and society, and the inherent value of both inductive and deductive reasoning as part of the human experience.

This area of emphasis is designed for general education students, as well as students interested in mathematics or sciences as a possible career path, with career opportunities included in mathematics, chemistry, physics, biology, ecological/earth sciences, geology, engineering, computer science, electronics, oceanography, microbiology, kinesiology/exercise science and the medical sciences.

PROGRAM LEARNING OUTCOMES:
Students possessing an associate degree in Math and Science can be expected to demonstrate achievement of the following learning outcomes:

1. Apply the basic operations of mathematics on the set of real and complex numbers, expressions, and equations.
2. Apply the principles of the scientific method, including the use of inductive and deductive reasoning to pose, test, and accept or reject hypothesis.
3. Recognize and determine the role of mathematics and the sciences as investigative and reasoning tools of human societies.

_The student must complete 18 units of study with a grade of “C” or better or a “P” if the course is taken on a “pass-no pass” basis._

INCLUDED DISCIPLINES AND COURSES:
_Required Courses (Take one course in each of the 3 categories, including one course with a lab):_
- Mathematics (MAT): 1A, 4, 5, 10, 11, 12, 12H, 25
- Physical Sciences: Astronomy (AST) 1A, Chemistry (CHE) 1A, 1AH, 2A, 10, Geography (GEG) 1, 1H, 1L, Geology (GEO) 1, 1L, 3, Oceanography (OCE) 1, Physical Science (PHS) 1, Physics (PHY) 2A, 4A
- Life Sciences: Anatomy (AMY) 2A, Biology (BIO) 1, 2A, 5, 7, 8, 9, 11, 34, 36, Microbiology (MIC) 1

_Elective Courses (The remaining units may be taken from any of the following courses):_
- Anatomy and Physiology (AMY): 2A, 2B, 10
- Anthropology (ANT): 1
- Astronomy (AST): 1A, 1B
- Biology (BIO): 1, 2A, 2B, 3, 5, 6, 7, 8, 9, 10, 11, 12, 17, 30, 34, 36
- Chemistry (CHE): 1A, 1AH, 1B, 1BH, 2A, 2B, 3, 10, 12A, 12B, 17
- Electronics (ELE): 21, 22, 23, 24, 25
- Engineering (ENE): 1A, 1B, 10, 21, 22, 23, 26, 27, 28, 30, 31, 35
- Geography (GEG): 1, 1L, 1H, 5
- Geology ( GEO): 1, 1L, 1B, 3
- Health Science (HES): 1
- Mathematics (MAT): 1A, 1B, 1C, 2, 3, 4, 5, 10, 11, 12, 12H, 25, 32, 36
- Microbiology (MIC): 1
- Oceanography (OCE): 1, 1L

Physical Science (PHS): 1, 5, 17
Physics (PHY): 2A, 2B, 4A, 4B, 4C, 4D, 10, 11
Psychology (PSY): 2

A course may only be counted once.

DEGREE CHANGE ALERT!
The math and English competency requirements for the associate degree will be changing beginning in fall 2009. All new students and all other students who are returning after a break in their continuous enrollment will be required to get a “C” or better in English 1A and Math 35 to complete the associate degree. Students who maintain continuous enrollment as defined in “Catalog Rights” will be able to fulfill this requirement by completing the previous requirements of Eng 50 and Math 52.

V. BASIC SKILLS COMPETENCY REQUIREMENT
(0-8 UNITS)
A. Students must demonstrate minimum proficiency in mathematics by obtaining a satisfactory first-time score on an appropriate examination (recommended by the math department and approved by the curriculum committee) or by the successful completion of a Riverside Community College District mathematics course with a “C” or higher selected from Math 1-36 (excluding MAT-32), or the equivalent.

B. Students must demonstrate reading competency by obtaining:
1. a satisfactory score on RCCD’s placement test equivalent to placement in college level reading; _OR_
2. completion of Reading 83 with a “C” or higher; _OR_
3. a minimum grade of “C” in each general education course; _OR_
4. satisfactory reading score on a standardized reading test approved by the English department. Students who do not meet Riverside Community College District’s reading competency requirement should enroll in a reading class within their first 18 units undertaken at the college.
5. Students who have completed an associate’s or higher degree at an accredited institution are exempt from the reading competency requirement. Waivers may also be granted on a case-by-case basis.

C. Students must demonstrate basic competency in writing by successfully completing the general education requirements of English 1A or 1AH with a “C” grade or better.

VI. GENERAL EDUCATION REQUIREMENTS
General education is designed to introduce students to a breadth of study through which people comprehend the modern world. It reflects the conviction of Riverside Community College District that those who receive their degrees must possess in common certain basic principles, concepts and methodologies both unique to and shared by the various disciplines. Students must complete a minimum of 22 semester units as outlined in the following categories. Special workshop classes (numbered in the 100 series) cannot be used to fulfill general education requirements. The following basic skills courses are
non-degree applicable: English 60A, 60A1, 60A2, 60A3, 60A4, 80, 90B; English as a Second Language 51, 52, 53, 71, 72, 90 A-K, 91, 92, 95, Mathematics 37, 52, 63, 64, 65, 90 A-F, 98; and Reading 81, 82, 83, 86, 87, 95.

The following courses are also non-degree applicable: Communication Studies 51; English 85; English as a Second Language 65; Nursing (Continuing Education) 52A, 52B, 52C, 62A, 62B, 62C, 81; Registered Nursing 11A, 11B, 11C, 12A, 12B, 12C.

A. NATURAL SCIENCES (3 UNITS)
Any course for which the student is eligible in anatomy and physiology, Anthropology 1, astronomy, biology, chemistry, Geology 1 or 5/Physical Science 5, geology, microbiology, oceanography, physical science, physics and Psychology 2. Waiver for this requirement will be granted for Cosmetology 60C, and Electronics 21 or 22.

B. SOCIAL AND BEHAVIORAL SCIENCES (6 UNITS)
1. American Institutions (3 units)
   History 6 or 6H, 7 or 7H, 8, 9, 15, 26, 28, 29, 30, 31, 34, 53
   or
   Political Science 1 or 1H, 5
   AND
2. Social and Behavioral Sciences (3 units)
   Any course for which the student is eligible in anthropology (except Anthropology 1), economics, geography (except Geography 1 and 5), history (except as listed in “1” above), human services, military science, political science (except as listed), psychology (except Psychology 2), and sociology.

C. HUMANITIES (3 UNITS)
Any course for which the student is eligible in American Sign Language 1, Architecture 36, Art, Communication Studies 7, Dance 3, 4, 5, 6, 7, 8, 9, English, foreign languages, History 1, 2, 4, 5, humanities, music, philosophy (except Philosophy 11 and 32), Photography 8, theater arts, and film, television and video.

D. LANGUAGE AND RATIONALITY (10-12 UNITS)
1. English composition (4 units).
   Courses fulfilling the written composition requirement include both expository and argumentative writing. The English composition requirement may be met by English 1A or English 1AH, with a grade of “C” or better.

2. Communication and analytical thinking (6-8 units)
   Courses fulfilling this requirement include oral communication, mathematics, logic, statistics, computer languages and programming. Students must complete one course from two of the following areas:
   Communication Studies 1, or 1H or 9 or 9H
   Computer Information Systems 1A through 30
   English 1B or 1BH
   Mathematics 1-36
   Philosophy 11, Philosophy/Math 32

VII. ADDITIONAL DEGREE REQUIREMENTS
A. Health Education (3 units)
   Health Science 1 or completion of the DEH, EMS, PA, RN or VN program.

B. Self Development (2 or 3 units)
1. Kinesiology (two activities courses)
   Any course with an A or V, or any Dance class with D is considered an activity class. The following classes have a laboratory component and may be counted as one of the two activity courses required.
   KIN-6 Physical Education for Pre-School and Elementary Children
   KIN-29 Soccer Theory and Practice
   KIN-42 Lifeguard/Title 22 First Aid/ Water Safety Instructor
   KIN-47 Hiking and Backpacking
   DAN-3 World Dance Survey
   DAN-5 Movement Education for Pre-School and Elementary Children
   MUS-45 Marching Band Woodwind Methods
   MUS-46 Marching Band Brass Methods
   MUS-47 Marching Band Percussion Methods
   MUS-48 Marching Band
   MUS-59 Winter Marching Band Clinic
   MUS-60 Summer Marching Band Clinic
   MUS-61 Auxiliary Marching Units
   OR

2. Fitness and Wellness (3 units)
   KIN-4 Nutrition
   KIN-30 First Aid and CPR
   KIN-35 Foundations for Fitness and Wellness
   KIN-36 Wellness: Lifestyle Choices

NOTE: Students are exempt from the Self Development requirement when they complete the Cosmetology program, the Registered or Vocational Nursing Program, the Basic Peace Officer Training Academy, the Firefighter Academy, the EMS Program, or the Physician Assistant program.

VIII. CERTIFICATE PROGRAM
Students who have satisfied the requirements for a certificate of achievement while completing the requirements for an Associate in Science Degree will be awarded a certificate, and notation of the award will be indicated on the student record. Students must complete a minimum of fifty (50) percent of the required units in any certificate pattern at Riverside Community College District with a grade of “C” or better.

IX. PETITION FOR GRADUATION (DEGREE OR CERTIFICATE)
Students may apply for degrees and certificates during the following application periods:

Summer – First day of Summer Term through July 15 to apply for Summer 2012, Fall 2012, Winter 2013, Spring 2013

Fall – First day of Fall term through October 15 to apply for Fall 2012, Winter 2013, Spring 2013

Winter – First day of Winter term through February 1 to apply for Winter 2013, Spring 2013

Spring – First day of Spring term through April 1 to apply for Spring 2013
Students who apply during these periods may participate in the Commencement ceremony as long as they are missing no more than 9 units to graduate.

Students who want to participate in the commencement ceremony must file their application by April 1st. Students applying for a degree must pay a $5.00 diploma fee at the time of application. In order to receive a diploma or a certificate, all fees must be paid in full.

Students may earn more than one degree at Moreno Valley College.

**X. CATALOG RIGHTS**

Graduation requirements apply to students who are enrolled for any term (summer, fall, winter, spring) indicated by this catalog – Summer 2012 through Spring 2013. Students who enrolled prior to this current year and who have maintained continuous enrollment have the option of meeting the current requirements or those in effect at the time their continuous enrollment began. Continuous enrollment is defined as attendance of one term during each academic year.

**SCHOLASTIC HONORS AT COMMENCEMENT**

Honors at commencement will be awarded to students with a cumulative GPA of 3.30 or higher. Their names are listed in the commencement program as receiving the Associate Degree with Distinction (3.30 GPA) or with Great Distinction (3.70 GPA). A gold tassel will be worn by students graduating with honors. Coursework taken during the final spring semester will not be used to calculate honors at commencement. Grade point averages are not rounded up. The cumulative GPA includes coursework taken at Riverside Community College District and at all other accredited institutions.

**DEAN’S LIST**

Each semester, those students who have demonstrated outstanding scholastic achievement by completing at least 12 units of credit-graded work in one semester or 12 units of credit-graded work earned in no more than one academic year (Fall, Winter and Spring, with Summer being excluded) with a grade point average of 3.0 or better (completed units will be considered only once for a particular Dean’s List) will be recognized by a letter from the Dean of Instruction.

**STANDARDS OF CONDUCT**

Students enrolled at Riverside Community College District assume an obligation to conduct themselves in a manner compatible with the College’s function as an educational institution. Students shall refrain from conduct which significantly interferes with college teaching or administration, or which endangers the health or safety of the members of the college community, or of visitors to the College, and from disorderly conduct on the college premises or at college related or college sponsored activities. Misconduct on the part of students is just cause (Education Code Sections V 76033,76120) for disciplinary action. See Board Policy 5500 for details.

**GRADING SYSTEM**

Grades

Riverside Community College District uses the letter system of grading the quality of work performed by students. The following grades are used:

“A”, excellent; “B”, good; “C”, satisfactory; “D”, passing, less than satisfactory; “F”, failing; “FW”, failing due to cessation of participation in a course after the last day to officially withdraw from a course; “I”, incomplete; “IP”, in progress; “RD”, report delayed; “P”, pass; “NP”, no pass; “W”, formal withdrawal from the college or a course; “MW” (military withdrawal).

“Military withdrawal” occurs when a student who is a member of an active or reserve United States military service receives orders compelling a withdrawal from courses. Upon verification of such orders, a withdrawal symbol may be assigned at any time after the period established by the governing board during which no notation is made for withdrawals. Military withdrawals are not counted in progress probation and dismissal calculations. “W”s incurred during the period between January 1, 1990 and the effective date of this paragraph, which meet the definition of military withdrawal herein, are not counted in progress probation and dismissal calculations and may be changed to “MW”s.

Students should refer to WebAdvisor for withdrawal deadlines.

An “I” is given only in cases where a student has been unable to complete academic work for unforeseeable, emergency and justifiable reasons. The condition for removal of the “I” shall be stated by the instructor in a written contract submitted online on WebAdvisor. A copy of this Incomplete Contract will be sent to the student’s college email and is also available on WebAdvisor. A final grade shall be assigned when the work stipulated has been completed and evaluated, or when the time limit for completing the work has passed. The “I” may be made up no later than one year following the end of the term in which it was assigned. The “I” symbol shall not be used in calculating units attempted nor for grade points. The “I” symbol will be changed to the grade the instructor has predetermined, if the student does not meet the conditions of the agreement.

**Grade Points**

On the basis of scholarship grades, grade points are awarded as follows:

“A”, 4 points per units of credit; “B”, 3 points per unit of credit; “C”, 2 points per unit of credit; “D”, 1 point per unit of credit; “F” or “FW”, no points per unit of credit. On computing the grade point average, units attempted are not charged and grade points are not awarded for the following: “I”, “W”, “NP”, “P”, “IP”, “RD”, or “MW”.

**Grade Changes**

Students have one year following the term in which the grade was recorded to request a change of grade. After the one-year limit, the grade is no longer subject to change. Students must file an Extenuating Circumstances Petition (ECP) with the Admissions and Records office at one of the three Colleges.

**Extenuating Circumstances Petition**

This petition is for students who encounter situations involving extenuating circumstances, emergencies that may affect their education records and fall outside the realm of normal college policy and procedures. Failure to be aware of deadlines and expected failure in a course are not acceptable reasons for filing an Extenuating Circumstances Petition. The student bears the burden and is responsible for showing that grounds exist for the Extenuating Circumstances Petition (ECP). Students have one year following the term in which a grade was submitted to request a change of grade.

**Auditing Classes**

RCCD offers students the option of auditing courses. Instructions for auditing are as follows:

1. Students may not audit a class unless he/she has exhausted all possibilities to repeat the class for credit.
2. Permission to audit a class is done at the discretion of the instructor and with instructor’s signature.
3. When auditing, student shall not be permitted to change his/her enrollment in that course to receive credit.

4. With the instructor’s signature and permission, a credit student may switch his/her enrollment to audit status provided the change is completed prior to 20% of course for short term courses.

5. With the instructor’s signature and permission, a student may enroll in a course for audit at any time during the semester if he/she has not enrolled in that course for credit during the same semester.

6. No student will be allowed to enroll for audit prior to the first day of the course. The first day of the course refers to the actual course meeting.

7. Credit students have priority over auditors. If a course closes after an auditor has been admitted, the auditor may be asked to leave to make room for the credit student. Instructor’s discretion is strongly recommended.

8. The audit fee is $15 per unit. Students enrolled in 10 or more semester units may audit 3 units of audit free (may be 3 one-unit courses). The $15 per unit audit fee will automatically be charged if the student drops below 10 units.

Students wishing to audit should be aware that audited classes will not appear on the RCCD transcript. Forms and information are available at the Admissions offices on the Riverside City, Moreno Valley and Norco Colleges.

Pass/No Pass Classes
Discipline faculty are responsible for determining the appropriate Pass/No Pass option for each course. All sections of the course must be offered in the same manner. Courses may be offered for Pass/No Pass in either of the following categories and will be specified in the catalog:

1. Class sections wherein all students are evaluated on a Pass/No Pass basis.

2. Courses in which each student has the option to individually elect Pass/No Pass or letter grade. Students electing this option must file a petition in the Admissions office at Riverside, Moreno Valley, or Norco by the end of the second week of the semester or by the end of the first 20% of a shorter-than-semester term.

All units earned on a Pass/No Pass basis in accredited California institutions of higher education or equivalent out-of-state institutions are counted in satisfaction of community college curriculum and graduation requirements.

Units earned on a Pass/No Pass basis are not used to calculate grade point averages. However, units attempted for which NP is recorded are considered in probation and dismissal procedures.

Final Examinations - Final Grades
Final semester exams are required in all classes at the scheduled time and place. Failure to appear for a final examination may result in an “F” grade in the course. Final grades may be obtained on WebAdvisor immediately after they are submitted by the instructor.

Advanced Placement
Riverside Community College District recognizes the Advanced Placement Program of the College Entrance Examination Board. Students will be granted credit for Advanced Placement examinations with a score of three, four or five in specified subject areas. Advanced Placement credit is granted for the fulfillment of Riverside Community College District programs only. Other colleges or universities may have different policies concerning Advanced Placement. Therefore, the transfer institution will reevaluate the Advanced Placement scores based upon their own College policies. For further information, see a counselor for specific subject credit areas available.

Advanced Placement (AP) and International Baccalaureate (IB) Credit
Students who have successfully completed exams in the AP Program of the College Entrance Examination Board with scores of 3, 4 or 5 may earn credit for each Advanced Placement course. Students may also receive credit for a score of 5, 6, or 7 for International Baccalaureate (IB) exams. Credit awarded through AP may be used towards graduation requirements, IGETC, and CSU GE Breadth Requirement Certifications. (English 1B earned through AP may not be used to meet the Critical Thinking requirement in the IGETC Group B - Critical Thinking or the CSU GE Breadth Requirements in Area A .3, see page 49 in the catalog.) Official Placement Scores should be sent to the Admissions and Records office for official evaluation.

Course credit and units granted at Riverside City, Norco, and Moreno Valley colleges may differ from course credit and units granted by a transfer institution.

Please see a counselor to review the applicability of AP and IB credit to different academic requirements.
The IB chart below is an indication of how the IB Exams may be used to satisfy IGETC and CSU Area requirements. RCCD does not offer credit for equivalent coursework, at this time.

CREDIT BY EXAMINATION
Credit may be granted to any student who satisfactorily passes an examination approved or conducted by the discipline or program in which a comparable course is offered. In the case of foreign languages students must complete a higher level course in order to receive credit for a lower level language course.

To be eligible to petition for credit by examination, a student must be currently enrolled, fully matriculated, in good standing and have completed not less than 12 units of work at Riverside Community College District with an overall grade point average of 2.0 “C”. The option for credit by examination may not be available for all course offerings; contingent upon discipline curricular decisions with consultation and review by the Office of Educational Services.

Students must apply for credit by examination on the appropriate petition form obtained from the Admissions office at the Riverside, Moreno Valley and Norco Colleges and pay enrollment fees including out of state and/or out of country tuition where applicable.

A student may receive credit by examination in one course for each semester or summer/winter intersession in a total unit amount not to exceed 15 units. Work experience classes are excluded from credit by examination.

After the discipline faculty has determined the student’s evaluative symbol, the student will be notified and the permanent record will reflect the credit and/or grade.

Credit by examination is not treated as part of the student’s study load for any given semester, or for eligibility purposes and therefore, will not require a petition for excess study load. It is not part of the study load for Veterans’ Administration Benefits or eligibility purposes.

The student’s academic record will be clearly annotated to reflect that credit was earned by examination.

Units for which credit is given pursuant to the provisions of this section shall not be counted in determining the 12 semester hours of credit in residence required for an associate degree.

Credit for College-Level Examination Program (CLEP)
A maximum of 30 units may be granted for all types of credit by examination. This includes Advanced Placement, CLEP, credit for military training and credit by exam taken at Riverside Community College District. Credit is not allowed if coursework in the subject area has been completed or AP credit has previously been granted. Credit granted for CLEP will not be posted on the student’s RCCD transcript. CLEP exams may be used to certify CSU requirements as indicated by the CSU system. They will not be used to certify IGETC requirements, at this time. Students planning to transfer should check the policy on CLEP in the catalog of the college to which they will transfer. To apply for CLEP credit the student must have completed 12 units in residency at Riverside Community College District. An official transcript is required. For further information, contact the Counseling office.

Military Credit
Two physical education units are awarded upon presentation of DD214, NOBE, or ID card for active military. Military tech schools are evaluated based on the recommendation of the ACE Guide. No credit is granted for MOS’s, correspondence courses, internships or military specific courses. A maximum of 15 units may be awarded (two of which is the PE credit). CCAF, SMARTS, AARTS transcripts, DD214, and Certificates of Completion are used to evaluate military credit. No more than 30 units may be granted for CLEP, military training, AP, or credit by exam. Contact the Dean of Instruction office on the Moreno Valley College (HM 113) for additional assistance: (951) 571-6165.

REQUIREMENTS FOR TRANSFER TO A FOUR-YEAR COLLEGE OR UNIVERSITY

Moreno Valley College offers programs of study that align with the first two years (freshman and sophomore levels) at most four-year colleges and universities. Information on many of the four-year universities can be found in the transfer center. Requirements for admission, general education, and major preparation are different at each four-year institution so it is important to make an appointment to meet with a counselor during your first semester to develop a Student Educational Plan (SEP), which will list all the required courses to reach your goal.

CALIFORNIA STATE UNIVERSITY (CSU)

CSU Minimum Admissions Requirements

Upper Division Transfer Students will be eligible for admission if they meet the following requirements:

1. Complete a minimum of 60 CSU-transferable semester units or 90 transferable quarter units.
2. Obtain a minimum 2.0 GPA (2.4 for California non-residents). GPA requirements may be significantly higher if the campus or the major is impacted.
3. Complete at least 30 semester units (or 45 quarter units) of courses equivalent to general education requirements with grades of “C” or better. The 30 units must include the “Golden Four” (Area A-1: Oral Communication; Area A-2: Written Communication; Area A-3: Critical Thinking; and at least one course of at least 3 semester units (or 4 quarter units) in Area B-4: Mathematics/Quantitative reasoning).

It is highly recommended that students complete either the CSU GE or IGETC certification pattern prior to transferring to the CSU system.

CSU GE CERTIFICATION

The California State University system requires that 48 semester units of general education must be completed to be eligible for a bachelor’s degree. 9 of these units are upper-division (junior/senior level) and are to be taken at the CSU campus after transfer. Moreno Valley College can certify 39 or these units as having met all of the lower division (freshman/sophomore level) general education requirements. Although it is not an admission requirement, it is to the student’s advantage to complete all areas of the general education pattern and have them certified. Full certification by the community college will be accepted without the need to take additional lower-division general education courses at the CSU campus. Advanced Placement (AP) test credit, certain CLEP exams, and coursework completed at regionally accredited U.S. colleges and universities may be used to fulfill some CSU GE requirements. Coursework must be evaluated through the office of evaluations or by the Moreno Valley College articulation officer. Coursework completed at foreign institutions may not be used for CSU GE certification.

UNIVERSITY OF CALIFORNIA (UC)

UC Minimum Admission Requirements

Upper Division Transfer students will be eligible for admission if they meet the following requirements:

1. Complete a minimum of 60 UC-transferable semester units or 90 transferable quarter units.
2. Obtain a minimum 2.4 GPA (2.8 for California non-residents). At many UC campuses, admission is competitive and the required GPA can be significantly higher.
3. Complete the following course pattern with a grade of “C” or better in each course:
   - Complete two transferable college courses in English Composition (3 semester units or 4-5 quarter units each).
   - Complete one transferable course in mathematical concepts and quantitative reasoning (3 semester or 4-5 quarter units).
   - Complete four transferable college courses (3 semester or 4-5 quarter units each) from at least two of the following subject areas: arts and humanities, social and behavioral sciences, physical and biological sciences.

The majority of UC campuses give high priority to students who have completed major preparation courses.

Students who complete the Intersegmental General Education Transfer Curriculum (IGETC) pattern prior to transfer to the UC system will satisfy the transfer eligibility coursework listed in item 3 above.

IGETC CERTIFICATION

Completion of the Intersegmental General Education Transfer Curriculum (IGETC) will permit a student to transfer to a campus in either the California State University (CSU) or University of California (UC) System without the need, after transfer, to take additional lower-division general education courses to satisfy campus general education. Courses used for IGETC certification must be completed with grades of “C” or better and must be a minimum of 3 semester or 4-5 quarter units. Grades of C- are not acceptable. A course cannot be certified unless it was on the IGETC list during the year when it was taken. Students beginning in Fall 2012 must follow the 2012-2013 IGETC requirements. Advanced Placement (AP) test credit and coursework completed at regionally accredited U.S. colleges and universities may be used to fulfill some IGETC requirements. Coursework must be evaluated through the office of evaluations or by the Moreno Valley College articulation officer. Coursework completed at foreign institutions may not be used for IGETC certification.

PARTIAL IGETC CERTIFICATION

Partial IGETC certification is allowed with a maximum of two courses missing, which have to be completed after transfer. Students need Areas 1 and 2 of the IGETC completed to meet minimum transfer admission requirements. A deficiency in Area 1 and/or 2 may also indicate a student does not meet the minimum transfer requirements.

UC IGETC LIMITATION

Some of the UC campuses do not accept or recommend IGETC for certain majors, (e.g. Engineering, Sciences). Students should consult with a counselor to determine the most appropriate general education pattern for their major and intended transfer institution.
HOW TO REQUEST CERTIFICATION
Students can apply for IGETC or CSU GE certification at the last community college attended prior to transfer. Students can request IGETC or CSU GE certification on the transcript request form found in the Moreno Valley College admissions and records department or through their WebAdvisor account. Partial IGETC certification is completed by the college's articulation officer.

MAJOR PREPARATION COURSES FOR TRANSFER
For each major at a four-year institution, there are lower-division (freshman and sophomore level) major preparation requirements. Students should complete as many lower-division major courses as possible prior to transfer. Each four-year university has its own programs and major requirements. It is recommended that students see a counselor, on a regular basis, to determine the courses needed to transfer to CSU, UC or a private university.

ASSIST
Major preparation courses for CSU and UC campuses can be found on ASSIST (www.assist.org). ASSIST is an online student-transfer information system that shows how course credits earned at a California Community College can be applied when transferred to a CSU or UC campus.

COURSE IDENTIFICATION NUMBERING SYSTEM (C-ID)
The Course Identification Numbering System (C-ID) is a statewide numbering system independent from the course numbers assigned by local California community colleges. A C-ID number next to a course signal that participating California colleges and universities have determined that courses offered by other California community colleges are comparable in content and scope to courses offered on their own campuses, regardless of their unique titles or local course number. Thus, if a schedule of classes or catalog lists a course bearing a C-ID number, for example COMM 110, students at that college can be assured that it will be accepted in lieu of a course bearing the C-ID number.

The C-ID numbering system is useful for students attending more than one community college and is applied to many of the transferable courses. Students should check with a counselor to determine how C-ID designated courses fit into their educational plans for transfer.

Students may consult the ASSIST database at www.assist.org for specific information on C-ID course designations. Counselors can always help students interpret or explain this information.

PRIVATE AND OUT-OF-STATE COLLEGES AND UNIVERSITIES
Each private or out-of-state college/university has its set of requirements for admission and for graduation. For students looking to transfer to a private, independent or out-of-state college/university, you can meet with a counselor to see if Moreno Valley College has an articulation agreement with the school you are interested in. Also, some private and out-of-state universities do accept the CSU GE or IGETC pattern.

Be sure to ask your counselor if this is the case with your school of interest. If there is no articulation agreement with the school, you may need to contact the school's admissions office for more information. After researching the transfer admission requirements, students are encouraged to follow up with a Moreno Valley College counselor or a representative from the school of interest. The Association of Independent California Colleges and Universities is a good source of information for private 4-year institutions in California. Their website can be accessed at www.aiccu.org.

ASSOCIATE DEGREES FOR TRANSFER
California Community Colleges are now offering associate degrees for transfer to the CSU. These may include Associate in Arts (AA-T) or Associate in Science (AS-T) degrees. These degrees are designed to provide a clear pathway to a CSU major and baccalaureate degree. California Community College students who are awarded an AA-T or AS-T degree are guaranteed admission with junior standing somewhere in the CSU system and given priority admission consideration to their local CSU campus or to a program that is deemed similar to their community college major. This priority does not guarantee admission to specific majors or campuses.

Students who have been awarded an AA-T or AS-T are able to complete their remaining requirements for the 120-unit baccalaureate degree within 60 semester or 90 quarter units. To view the most current list of Moreno Valley College Associate Degrees for Transfer and to find out which CSU campuses accept each degree, please go to: http://californiacommunitycolleges.cccco.edu/Students/AssociateDegreeforTransfer.aspx.

Students are encouraged to meet with a Moreno Valley College counselor to review their options for transfer and to develop an educational plan that best meets their goals and needs.

COMMUNICATION STUDIES MAA587 (CSUGE) MAA588 (IGETC)
The Associate in Arts in Communication Studies for Transfer degree provides opportunity for students to transfer to a CSU with junior standing. The degree encourages students to examine and evaluate human communication across and within various contexts for the purpose of increasing competence.

Program Learning Outcomes
Upon successful completion of this program, students should be able to:
- Synthesize communication principles and theories to develop communication competence to improve human interaction.
- Apply and analyze rhetorical principles for a variety of purposes adapting to audience and context.
- Understand the theoretical and practical relationships between and among symbols, culture and gender to competently create, interpret and/or evaluate messages.

**Program Learning Outcomes**

Upon successful completion of this program, students should be able to:

- Develop, implement, and evaluate developmentally appropriate thematic and emergent curriculum for children who are typical and atypical in the areas of physical, cognitive, language, creative and social/emotional growth.

- Integrate an educational philosophy into classroom practices that reflects a personal belief supportive of theoretical principles regarding how and why young children should receive early educational experiences.

- Develop and implement a system of ongoing observational practices that contributes toward the creation of learning environments conducive to the emergence of curriculum that adapts to the evolving needs of children.

**Associate in Science for Transfer Degree**

The Associate in Science in Early Childhood Education for Transfer degree will be awarded upon completion of 60 California State University (CSU) transferable units including the above major requirements and the Intersegmental General Education Transfer Curriculum (IGETC) or California State University General Education (CSUGE) requirements with a minimum grade point average of 2.0. All courses in the major must be completed with a grade of “C” or better. (Students completing this degree are not required to fulfill the RCCD graduation requirements found in section VII. Additional degree requirements: Health Education and Self Development)

**SOCIOLOGY MAA695 (CSUGE)**

MAA696 (IGETC)

The Associate in Arts in Sociology for Transfer degree is designed to prepare the student for transfer to four-year institutions of higher education and specifically intended to satisfy the lower division requirements for the Baccalaureate Degree in Sociology at a California State University. It will also provide the student with a sufficient academic basis from which to pursue a career in the social science professions. The student will be afforded the opportunity to study the nature of the human affinity for aggregation and the complexities of societal organization. The breadth of Sociology will be examined to include the historical and contemporary theory and research as the basis from which to gain an in-depth awareness and understanding of the world in which we live.

**Program Learning Outcomes**

Upon successful completion of this program, students should be able to:

- Demonstrate an awareness and understanding of the historical and contemporary theoretical frameworks that form the basis of Sociological study.

- Demonstrate the utility of past and present sociological research and the research methodologies that form the basis of sociological inquiry.

- Demonstrate the ability to be academically proficient in at least two specific areas of sociological emphasis, i.e., Marriage and Family, Race/Ethnicity, Culture, Crime and Deviance, Social Problems.

- Demonstrate an understanding of the basic principles for at least
one of the social sciences beyond Sociology, i.e., Anthropology or Psychology.

Associate in Arts for Transfer Degree  

The Associate in Arts in Sociology for Transfer degree will be awarded upon completion of 60 California State University (CSU) transferable units including the above major requirements and the Intersegmental General Education Transfer Curriculum (IGETC) or California State University General Education (CSUGE) requirements and 3-8 units of electives with a minimum grade point average of 2.0. All courses in the major must be completed with a grade of “C” or better. (Students completing this degree are not required to fulfill the RCCD graduation requirements found in section VII. Additional degree requirements: Health Education and Self Development.)
Riverside Community College District • Moreno Valley College 2012-2013 Requirements for College Transfer

Moreno Valley College
California State University General Education Requirements 2012-2013
The courses listed below will fulfill the lower division general education requirements for all CSU campuses.

To obtain a Bachelor’s degree from a CSU campus, a student must complete 48 units of general education. A community college can certify 39 of these units as having fulfilled the CSU lower division general education requirements. The remaining 9 units of upper-division general education coursework are to be taken at the CSU campus after transfer.

A. **English Language Communication and Critical Thinking (min. 9 semester units) – Select one course from each group:**
   **Grades of “C” or better are required.**
   **A-1: Oral Communication:**
   - COM-1 or 1H Public Speaking
   - COM-2 Persuasion in Rhetorical Perspectives
   - COM-6 Dynamics of Small Group Communication
   - COM-9 or 9H Interpersonal Communication
   **A-2: Written Communication:**
   - ENG-1B Critical Thinking and Writing or ENG-1BH Honors Critical Thinking and Writing
   - MAT-32 Introduction to Symbolic Logic (Same as PHI-32)
   - PHI-11 Critical Thinking
   - PHI-32 Introduction to Symbolic Logic (Same as MAT-32)

B. **Scientific Inquiry and Quantitative Reasoning (min. 9 semester units) – Select one course from each group:**
   **Also, one of the science courses must have a lab---see underlined courses.**
   **B-1: Physical Science:**
   - AST-1A Introduction to Astronomy
   - CHE-1A General Chemistry I
   - CHE-1AH Honors General Chemistry I
   - CHE-1B General Chemistry II
   - CHE-1BH Honors General Chemistry II
   - CHE-2A Introductory Chemistry I
   - CHE-2B Introductory Chemistry II
   - CHE-10 Chemistry for Everyone
   - CHE-1H Honors Physical Geography
   - CHE-1H Physical Geography Lab
   - CHE-1L World Regional Geography
   - CHE-3 Geography of California
   **B-2: Life Science:**
   - AMY-2A Anatomy and Physiology I
   - AMY-2B Anatomy and Physiology II
   - AMY-10 Survey of Human Anatomy and Physiology
   - ANT-1 Physical Anthropology
   - BIO-1 General Biology
   - BIO-11 Intro. to Molecular and Cellular Biology
   - BIO-12 Intro. to Organismal and Population Biology
   - BIO-3 Human Biology
   - BIO-11 Fundamentals of Music
   - BIO-11 Music Theory I
   - BIO-19 Music Appreciation
   - BIO-19 Music Appreciation
   - FST-1 Introduction to Film Studies
   - FST-3 Introduction to International Cinema
   - FST-4 Introduction to Film Genres
   - MUS-3 Fundamentals of Music
   - MUS-4 Music Theory I
   - MUS-19 Music Appreciation
   - MUS-19 Music Appreciation
   - MUS-35 Images of Women in Literature
   - MUS-35 Women in American Literature
   - MUS-30 Children’s Literature
   - MUS-30 Children’s Literature
   - MUS-40 World Lit I: Ancient Lit through 1650
   - MUS-40 World Lit I: Ancient Lit through 1650
   - PHY-11 Physics Lab (PHY-11 has a Corequisite of PHY-10)
   **B-3: Laboratory Activity:**
   - This requirement is satisfied by completion of any course in B-1 or B-2 with a laboratory. Lab courses are underlined.

C. **Arts and Humanities (min. 9 semester units) – Select three courses, with at least one course from “Arts” and one course from “Humanities”:**
   **C-1: Arts:**
   - ART-1 History of West Art: Prehistoric
   - ART-2 History of Western Art: Renass
   - ART-6 Art Appreciation
   - ART-6H Honors Art Appreciation
   - COM 11 Storytelling
   - DAN 6 Dance Appreciation
   - MUS-3 Fundamentals of Music
   - MUS-4 Music Theory I
   - MUS-19 Music Appreciation
   - MUS-35 Images of Women in Literature
   - MUS-40 World Lit I: Ancient Lit through 1650
   - MUS-41 World Lit II: 1650 C.E. through the
   - FST-5 Fiction and Film: Adaptation
   - FST-5 Fiction and Film: Adaptation

- SPA-4 Spanish 4
- SPA-8 Intermediate Conversation
- SPA-11 Spanish Culture and Civil
- SPA-12 Latin American Culture

D. Social Sciences (min. 9 semester units) – Select three courses from at least two disciplines:

D-1: Anthropology:
- ANT-2 Cultural Anthropology
- ANT-7 Anthropology of Religion
- ANT-8 Language and Culture

D-2: Economics:
- ECO-4 Introduction to Economics
- ECO-5 Economics of the Environment
- ECO-6 Introduction to Political Economy
- ECO-7 Principles of Macroeconomics
- ECO-7H Honors Principles of Macro
- ECO-8 Principles of Microeconomics

D-3: Ethnic Studies:
- ANT-4 Native American Cultures
- HIS-15 African American History II
- HIS-30 Introduction to Chicano Studies
- HIS-31 Introduction to Chicano Studies
- SOC-10 Race and Ethnic Relations

D-4: Gender Studies:
- COM-13 Gender Communication
- HIS-34 History of Women in America

D-5: Geography:
- GEG-2 Human Geography
- GEG-3 World Regional Geography

D-6: History:
- HIS-1 History of World Civilizations I*
- HIS-2 History of World Civilizations II*
- HIS-4 History of Western Civilizations I*
- HIS-5 History of Western Civilizations II*
- HIS-6 Political and Social History of the US*

- HIS-31 Introduction to Chicano Studies
- HIS-35 History of England
- MIL-1 Military History of the US to 1900
- MIL-2 Military History of the US since 1900

D-7: Interdisciplinary Social or Behavioral:
- COM-9 Interpersonal Communication or
- COM-9H Honors Interpersonal Com.
- COM-12 Intercultural Communication
- EAR-20 Child Development
- EAR-42 Child, Family and Community Dynamics

D-8: Political Science, Gov. and Inst.:
- POL-1 American Politics
- POL-1H Honors American Politics
- POL-2 or 2H Comparative Politics
- POL-4 Intro. to World Politics or
- POL-4H Honors Intro. to World Politics
- POL-6 Introduction to Political Economy
- POL-11 Political Theory

D-9: Psychology:
- PSY-1 General Psychology
- PSY-8 Introduction to Social Psychology
- PSY-9 Developmental Psychology
- PSY-33 Theories of Personality
- PSY-35 Abnormal Psychology

D-10: Sociology and Criminology:
- SOC-1 Introduction to Sociology
- SOC-2 American Social Problems
- SOC-12 Marriage and Family Relations
- SOC-20 Introduction to Criminology

E. Lifelong Learning and Self-Development (min. 3 semester units):

- BIO-30 Human Reproduction
- EAP-20 Child Development
- EAP-42 Child, Family and Community
- GUI-47 Career Exploration and Life Planning
- HES-1 Health Science
- KIN-4 Nutrition
- KIN-35 Foundation for Fitness and Wellness
- KIN-36 Wellness: Lifestyle Choices
- KIN-38 Stress Management
- KIN-39 Medical Ethics

United States History, Constitution and Government (6 semester units)

Although this is not part of the general education requirements, it is a CSU graduation requirement that you can complete at a community college before you transfer. HIS-6 or 6H or 7 or 7H may also be used to partially fulfill area C or D. POL-1 or 1H may also be used to partially fulfill area D.

1. U.S. History (3 units)
   - HIS-6 Political and Social History of the U.S.
   - HIS-6H Honors Political and Social History of the U.S.
   - HIS-7 Political and Social History of the U.S.
   - HIS-7H Honors Political and Social History of the U.S.

2. Constitution and Government (3 units)
   - POL-1 American Politics
   - POL-1H Honors American Politics

Notes:

1. Courses cannot be double-counted to satisfy more than one area, even if a course is listed in more than one area.
2. Upper division transfer students will need to complete a minimum of 60 transferable units, their “Golden 4” courses, and at least 30 units of general education.
3. “Golden 4 Courses” in Areas A-1, A-2, A-3, and B-4 must be completed with grades of “C” or better.
4. Some CSU campuses may require specific general education courses based upon the major. Check with a counselor to ensure proper academic planning.
5. It is highly recommended to make an appointment with a counselor to complete a student educational plan (SEP).
Riverside Community College District • Moreno Valley College 2012-2013

Requirements for College Transfer

Moreno Valley College
Intersegmental General Education Transfer Curriculum (IGETC) 2012-2013
For Transfer to CSU and UC

If you choose to follow the IGETC, you must complete it before you transfer; otherwise you will be required to satisfy the specific lower division general education requirements of the university or college of transfer. Completion of the Intersegmental General Education Transfer Curriculum (IGETC) will permit a student to transfer from a community college to a campus in either the California State University (CSU) or University of California (UC) system without the need to take additional lower-division general education courses. Transfer students will receive IGETC certification after completing all of the subject areas below with a min. “C” grade or better (A grade of “C-” is not acceptable.)

Area 1 - English Communication (min. 6-9 semester units) -
CSU – 3 courses required; select one from each group:
UC – 2 courses required; select one from group 1A and one from group 1B:
1A - English Composition:
ENG-1A English Composition or
ENG-1AH Honors English Composition
1B - Critical Thinking – English Composition:
ENG-1B Critical Thinking and Writing or
(Must be taken Fall 1993 or later)
ENG-1BH Honors Critical Thinking and Writing

1C - Oral Communication: (CSU requirement only)
COM-1 Public Speaking (Formerly SPE-1) or
COM-1H Honors Public Speaking (Formerly SPE-1H)
COM-2 Persuasion in Rhetorical Perspective

Area 2 – Mathematical Concepts and Quantitative Reasoning (min. 3 semester units) – select one course:
MAT-1A Calculus I**
MAT-1B Calculus II
MAT-1C Calculus III
MAT-2 Differential Equations
MAT-3 Linear Algebra
MAT-10 Precalculus**
MAT-11 College Algebra**
MAT-12 Statistics or
MAT-12H Honors Statistics
MAT-25 A Survey of Mathematics

Area 3 – Arts and Humanities (min. 9 semester units) –
Select three courses, with at least one course from the “Arts and one course from the “Humanities”:
3A – Arts:
ART-1 History of Western Art: Prehistoric
ART-2 History or Western Art: Renaissance
ART-6 or 6H Art Appreciation
DAN-6 Dance Appreciation
MUS-3 Fundamentals of Music
MUS-4 Music Theory I
FST 1 Introduction to Film Studies
FST-3 Introduction to International Cinema
FST-4 Introduction to Film Genres
FST-5 Fiction and Film: Adaptation
MUS-19 Music Appreciation
MUS-20 Great Composers & Music I
MUS-21 Great Composers & Music II
MUS-22 Survey of Music Literature
MUS-25 Jazz Appreciation
MUS-26 Film Music Appreciation
THE-3 Introduction to the Theatre

3B – Humanities:
COM-12 Intercultural Communication*
ENG-6 British Literature I: Anglo-Saxon to 18th Century
ENG-7 British Literature II: Romanticism to postmodernism
ENG-8 Introduction to Mythology
ENG-9 Introduction to Shakespeare
ENG-14 American Literature I: Pre-Contact to Civil War
ENG-15 American Literature II: 1860 to the Present
ENG-20 African American Literature
ENG-23 The Bible as Literature
ENG-25 Latino Literature of the United States
ENG-35 Images of Women in Literature
ENG-40 World Literature I: From Ancient through 1650 C.E.
ENG-41 World Literature II: 1650 C.E. to the Present
HIS-1 History of World Civilizations I*
HIS-2 History of World Civilizations II*
HIS-4 History of Western Civilizations I*
HIS-5 History of Western Civilizations II*
HIS-6 Political and Social History of the U.S. * or
HIS-6H Honors Political and Social History of US*
HIS-7 Political and Social History of the U.S.*
HIS-7H Honors Political and Social History of US *
HIS-8 History of the Americas
HIS-9 History of the Americas
HIS-11 Military History of the US to 1900
HIS-12 Military History of the US since 1900
HIS-14 African American History I
HIS-15 African American History II
HIS-21 History of Ancient Greece
HIS-22 History of Ancient Rome
HIS-26 History of California
HIS-30 Introduction to Chicano Studies*
HIS-31 Introduction to Chicano Studies*
HIS-34 History of Women in America*
HIS-35 History of England
HUM-4 Arts and Ideas: Ancient World
HUM-4H Honors Arts and Ideas: Ancient World
HUM-4H Honors Arts and Ideas: Ancient World Through the Late Medieval Period
HUM-5 Arts and Ideas: The Renaissance through the Modern Era or
HUM-5H Honors Arts and Ideas The Renaissance through the Modern Era
HUM-8 Introduction to Mythology
HUM-10 World Religions
HUM-10H Honors World Religions
HUM-23 The Bible as Literature
HUM-35 Philosophy of Religion
HUM-36 Philosophy of Religion
MIL-1 Military History of the US to 1900
MIL-2 Military History of the US since 1900
PHI-10 Introduction to Philosophy or
PHI-10H Honors Introduction to Philosophy
PHI-12 Introduction to Ethics: Contemporary Moral Issues
PHI-35 Philosophy of Religion
SPA-2 Spanish 2
SPA-2H Honors Spanish 2
SPA-3 Spanish 3
SPA-3N Spanish for Spanish Speakers
SPA-4 Spanish 4
SPA-8 Intermediate Conversation
SPA-11 Spanish Culture and Civilization
SPA-12 Latin American Culture and Civ.
Area 4 – Social and Behavioral Sciences (min. 9 semester units) – Select three courses from at least two disciplines:

- ANT-1 Physical Anthropology*
- ANT-2 Cultural Anthropology
- ANT-4 Native American Cultures
- ANT-7 Anthropology of Religion
- ANT-8 Language and Culture
- COM-12 Intercultural Communication*
- COM-13 Gender Communication
- EAR-20 Child Development
- ECO-4 Introduction to Economics**
- ECO-5 Economics of the Environment
- ECO-6 Introduction to Political Economy
- ECO-7 Principles of Macroeconomics or
- ECO-7H Honors Principles of Macroeconomics
- ECO-8 Principles of Microeconomics
- GEG-2 Human Geography
- GEG-3 World Regional Geography
- HIS-1 History of World Civilizations I*
- HIS-2 History of World Civilizations II*
- HIS-4 History of Western Civilization
- HIS-5 History of Western Civilization
- HIS-6 Political and Social History of the U.S*
- HIS-7 Political and Social History of the US *
- HIS-7H Honors Political and Social History
- HIS-8 History of the Americas
- HIS-9 History of the Americas
- HIS-11 Military History of the US to 1900
- HIS-12 Military History of the US since 1900
- HIS-14 African American History I
- HIS-15 African American History II
- HIS-21 History of Ancient Greece
- HIS-22 History of Ancient Rome
- HIS-26 History of California
- HIS-30 Introduction to Chicano Studies*
- HIS-31 Introduction to Chicano Studies*
- HIS-34 History of Women in America*
- HIS-35 History of England
- MIL-2 Military History of the US since 1900
- MIL-4H Honors Introduction to World Politics
- POL-1 American Politics or
- POL-1H Honors American Politics
- POL-2 Comparative Politics
- POL-2H Honors Comparative Politics
- POL-4 Introduction to World Politics or
- POL-6 Introduction to Political Economy
- PSY-1 General Psychology
- PSY-2 Physiological Psychology
- PSY-9 Developmental Psychology
- PSY-33 Theories of Personality
- PSY-35 Abnormal Psychology
- PSY-8 Introduction to Social Psychology
- SOC-1 Introduction to Sociology
- SOC-2 American Social Problems
- SOC-10 Race and Ethnic Relations
- SOC-12 Marriage and Family Relations
- SOC-20 Introduction to Criminology

Area 5 – Physical and Biological Sciences (min. 7 semester units) – Select at least one Physical and one Biological Science course. One of the two courses must include a lab – see underlined courses:

5A – Physical Science:

- AST-A Introduction to Astronomy
- CHE-1A General Chemistry I
- CHE-1AH Honors General Chemistry I
- CHE-1BH Honors General Chemistry II
- CHE-2A Introductory Chemistry I**

- CHE-2B Introductory Chemistry II**
- CHE-10 Chemistry for Everyone**
- GEG-1 Physical Geography
- GEG-1H Honors Physical Geography
- GEG-1L Physical Geography Laboratory

- GPH-1 Introduction to Physical Science

- PHY-4A Mechanics**
- PHY-4B Electricity and Magnetism**
- PHY-4C Heat, Light and Waves**
- PHY-4D Modern Physics**
- PHY-10 Introductory General Physics**

- PHY-11 Physics Lab

5B - Biological Science:

- AMY-2A Anatomy and Physiology I
- CHE-1A General Biology
- CHE-2A Introduction to Chemistry I**

- BIO-11 Introduction to Molecular and Cellular Biology
- BIO-12 Introduction to Organismal and Population Biology
- BIO-13 Environmental Biology
- BIO-14 Human Biology

- BIO-30 Human Reproduction
- BIO-34 Human Genetics
- MIC-1 Microbiology
- PSY-2 Physiological Psychology

5C - Lab Science: This requirement is satisfied by completion of any one course from area 5A or 5B with a laboratory. Lab courses are underlined.

Area 6 – Languages Other Than English (Select one course – UC requirement only):

6A:

- AML-1 American Sign Language I
- AML-2 American Sign Language II
- SPA-1 Spanish I
- SPA-2 Spanish 2
- SPA-1H Honors Spanish 1
- SPA-2H Honors Spanish 2

- SPA-1H Honors Spanish 1
- SPA-2 Spanish 2
- SPA-1 Spanish I
- SPA-1H Honors Spanish 1
- SPA-3 Spanish 3
- SPA-3N Spanish For Spanish Speakers
- SPA-4 Spanish 4

6B: Proficiency equivalent to two years of high school in the same language. (Students from non-English speaking countries should see a counselor for language proficiency equivalencies.)

CSU Graduation Requirement Only in United States History, Constitution and Government (6 semester units)

Although this is not part of the IGETC, it is a CSU graduation requirement that you can complete at a community college before you transfer. Complete one from each area.

Area 1) US History (3 Units) His-6 or 6H or 7 or 7H; may also be used to partially fulfill area 3B or 4.

Area 2) Constitution and Government (3 Units) POL-1 or 1H may also be used to partially fulfill area 4.

IGETC Advisement: Former UC, CSU and students with coursework from other four-year institutions, including outside the U.S., should consult with a counselor to determine whether they should complete IGETC or the lower-division general education requirements at the campus they plan to attend.

For the UC: Students who initially enroll at a UC campus, then leave and attend a California Community College, and subsequently return to the same UC campus, are considered "re-admits" by the UC. Such students cannot use IGETC. However, students who enroll at a UC campus, then leave and attend a California Community College, and subsequently return to a different UC campus may use the IGETC pattern. It is recommended that students meet with a counselor to discuss possible further IGETC limitations.

Notes:

1. * Courses cannot be double-counted to satisfy more than one area, even if a course is listed in more than one area. The only exceptions to this are several courses in Area 6A – Language Other Than English, which can also be counted towards area 3B.
2. ** UC limits transfer credit for some courses. Students may review the UC Transfer Course Agreement (TCA) with a counselor for information on course limitations.
3. Some of the UC campuses do not accept or recommend IGETC for certain majors, i.e., Engineering, Sciences. Students should consult with a counselor to determine the most appropriate general education pattern for their major and intended transfer institution.
4. A score of 3, 4, or 5 on an Advanced Placement exam can be used to satisfy all areas on the IGETC except for the 1B - Critical Thinking-English Composition and 1C - Oral Communication requirements.
Section V

CURRICULAR PATTERNS
WORKSHOP COURSES
Each discipline of the college has the option of developing workshop courses that are specifically designated to be experimental courses. (They are developed by faculty members in the discipline and receive curriculum committee approval prior to being offered.) Workshop courses cannot be used to satisfy specific graduation requirements; however, they may be used as elective credit for the Associate degree. Courses with this designation may be periodically found in the semester schedule of classes.

COOPERATIVE WORK EXPERIENCE EDUCATION
The purpose of the Cooperative Work Experience Education Program is to provide students with an opportunity to increase their overall knowledge of their jobs by relating classroom theory with the world of work, while exposing them to the concepts of human relations in their business and personal lives. There are two work experience programs: general and occupational.

GENERAL WORK EXPERIENCE EDUCATION
This program provides career guidance, job information, human relations, and other similar services for employed students. These jobs do not have to be related to the student’s major. The job may be salaried or volunteer, but students must have a job before the beginning of the third week of class. The student earns 3 units per semester for 180-225 hours of volunteer or paid work experience, respectively, plus weekly attendance at a one-hour lecture class. Students can take two (2) semesters of general work experience for a maximum of six (6) units.

OCCUPATIONAL WORK EXPERIENCE EDUCATION
Work Experience is a one-hour per week class which allows students to earn up to 4 units per semester for experience gained through employment or volunteer service. Enroll in a general Work Experience section and you will be placed in your choice of one of the disciplines below.

Units Determination:
General Work Experience (not related to one of the occupational disciplines listed below) is 3 units only.

Occupational Work Experience (one of the disciplines shown below) varies from 1-4 units. For every one (1) unit of work experience credit students must complete 75 hours of paid work or 60 hours of volunteer work during the college semester. No more than 20 hours per week may be applied toward this work requirement. Below is a general guide to help students enroll in the appropriate number of units of work experience.

<table>
<thead>
<tr>
<th>Hours Worked Per Week</th>
<th>Students should enroll in:</th>
</tr>

HIGH SCHOOL COURSES

Foreign Languages
Two years of high school study in the same language with an earned grade of “C” or better for each course are equivalent to the first level of the same language at RCCD (for example, two years of Spanish in high school are equal to Spanish I at RCCD.)

Chemistry
Information regarding validation of high school chemistry courses for prerequisites can be found by calling the prerequisite hotline at (951) 222-8808 or on the web at http://www.rcc.edu/services/assessment/chemistry.cfm.

Articulated Courses
The Riverside Community College District (RCCD) and Secondary Education District articulation process provides a method by which college credit can be given for articulated high school and ROP courses, thereby creating a seamless transition from secondary to post-secondary education. Articulation means an agreement has been reached and the student will receive college credit for a specific high school or ROP course(s). Not all courses are articulated and some courses require students to receive a “B” or better to qualify for credit. Students can find the most up-to-date listing of articulated courses and correlating grade requirements at RCCD’s Tech Prep website, www.rcc.edu/techprep.

1. Students wishing to apply for credit by articulation should first complete a RCCD college application at http://www.cccapply.org/apply.
2. Once a student ID# is obtained, students may apply online for articulated credit at www.rcc.edu/techprep.

For further information or assistance, please contact the Career and Technical Education Projects office, 951-222-8963.

CAREER AND TECHNICAL EDUCATION PROGRAMS

Riverside Community College District offers Associate in Science Degrees and Certificate Programs with an occupational emphasis. Both provide instruction in skills and knowledge needed to enter a skilled or professional occupation. Associate in Science Degree programs require completion of at least 60 units of credit, which normally takes four semesters. Certificate programs, leading to an associate in science degree, require a minimum of 18 units, but vary in number of units required; most can be completed in two semesters. Certificates can lead to employment. Each course required for a certificate must be completed with a “C” grade or better. All certificate courses can be counted toward the degree as well as the major.

Need for Specialized Training

Many find it difficult to secure employment or to advance in current positions and better-paying jobs without specialized training. General education coursework has its value, but in the early stages of a career it is specific, technical skills employers seek. A certificate is the best evidence specialized training has been secured. At times employers actually require certificates as a condition of employment or reclassification for higher pay.

Who Can Enroll in the Career and Technical Education Programs?

Individuals wishing to enroll at Riverside Community College District must file an official application. Admission to Riverside Community College District is regulated by state law as prescribed in the California Education Code.

Certificate Course Requirements

Students should plan to enroll in the specific courses listed under the certificate desired. If a required course for a certificate program is no longer offered, please see the department chair to ascertain an acceptable course substitute. Fifty percent of the coursework required for any certificate pattern must be completed at Riverside Community College District.

ASSOCIATE IN SCIENCE DEGREE

The Associate of Science Degree consists of coursework totaling 60 units or more. This includes coursework in a specific college certificate pattern plus general education and elective courses.

STATE-APPROVED CERTIFICATE

(Certificate of Achievement)

The state-approved certificate consists of coursework totaling 18 units or more completed in a specific occupational college certificate pattern. State-approved certificates may lead to employment competency and may lead to an associate degree.

LOCALLY-APPROVED CERTIFICATE

(Certificate of Career Preparation)

The locally-approved certificate consists of coursework totaling between 4 to 17 units completed in a specific occupational certificate pattern. Locally-approved certificates may lead to employment competency, but do not necessarily lead to an associate degree.

PROGRAMS AND CERTIFICATES
R=Riverside; M=Moreno Valley; N=Norco

ACCOUNTING
See BUSINESS ADMINISTRATION

ADMINISTRATION OF JUSTICE

ADMINISTRATION OF JUSTICE (MNR)  MAS504/MCE504
This program focuses on the criminal justice system, its organizational components and processes, as well as its legal and public policy contexts. This includes instruction in criminal law and policy, police and correction systems organization, the administration of justice and the judiciary, and public attitudes regarding criminal justice issues.

Certificate Program

Program Learning Outcomes
Upon successful completion of this program, students should be able to:
• Demonstrate knowledge of the breadth, scope and interconnectivity of the criminal justice system.
• Demonstrate an understanding of the theories and research in the area of crime, criminality and criminal justice.
• Demonstrate a basic knowledge of criminal law.
• Demonstrate a knowledge of the implications of legal evidence in the processing of criminal cases.
• Demonstrate a knowledge of the role of policing and the maintenance of favorable community relations.

Required Courses (27 units)  Units
ADJ-1 Introduction to the Administration of Justice 3
ADJ-2 Principles and Procedures of the Justice System 3
ADJ-3 Concepts of Criminal Law 3
ADJ-4 Legal Aspects of Evidence 3
ADJ-5 Community Relations 3
Electives Choose from elective courses in the discipline 12

Associate in Science Degree
The Associate in Science Degree in Administration of Justice will be awarded upon completion of the degree requirements, including general education and other graduation requirements as described in the college catalog.

ADMINISTRATION OF JUSTICE/ LAW ENFORCEMENT(M)  MAS563/MCE563
This program focuses on the criminal justice system, its organizational components and processes, as well as its legal and public policy contexts. This includes instruction in criminal law and policy, police and correction systems organization, the administration of justice and the judiciary, and public attitudes regarding criminal justice issues. The program prepares individuals to perform the duties of police and public security officers, including patrol and investigative activities, traffic control, crowd control and public relations, witness interviewing, evidence collection and management, basic crime prevention methods, weapon and equipment operation and maintenance, report preparation and other routine law enforcement responsibilities. Potential occupations include local police officers, deputy sheriffs, transit or railroad police; state police and highway patrol officers, fish and game wardens, or park rangers; or federal special agents, investigators and marshals.

Certificate Program

Program Learning Outcomes
Upon successful completion of this program, students should be able to:
• Analyze the various aspects of police work
• Identify minimum competencies in police functions of most frequent occurrence
• Apply laws of arrest, search and seizure, documentation of evidence and patrol procedures in a variety of scenarios and environments
• Compare and contrast basic techniques for evaluating and analyzing occupationally hazardous situations and selection of the appropriate response or procedure
• Compare and contrast the concepts of uniformity in police practices and procedures.

Required Courses (34.5-39 units)  Units
ADJ-B1B Basic Peace Officer Training Academy 39
or
Reserve Training Module Format 34.5
ADJ-R1A2 Level III Modular Academy Training 6.5
ADJ-R1B Level II Reserve Officer Training 11
ADJ-R1C Level I Reserve Officer Training 17

Associate in Science Degree
The Associate in Science Degree in Administration of Justice/Law Enforcement will be awarded upon completion of the degree requirements, including general education and other graduation requirements as described in the college catalog.

The following certificates may lead to employment competency, but do not lead to an Associate in Science Degree:

ADMINISTRATION OF JUSTICE BASIC CORRECTIONAL (M)  MCE783
DEPUTY ACADEMY
Certificate Program
Required Courses (13 units)  Units
ADJ-C1D Basic Correctional Deputy Academy (C) 13

ADMINISTRATION OF JUSTICE BASIC PUBLIC SAFETY DISPATCH COURSE (M)  MCE784
Certificate Program
Required Courses (5 units)  Units
ADJ-D1A Basic Public Safety Dispatch Course 5
BUSINESS ADMINISTRATION

Certificate Program

Program Learning Outcomes
Upon successful completion of this program, students should be able to:

- Use technology to analyze business decisions and to enhance business communications.
- Apply basic business and accounting calculations and analyses.
- Have an understanding of legal practices relating to business.
- Apply sound management practices.

Major Core Requirements:
Required Courses (18 units) Units
ACC-1A Principles of Accounting I 3
BUS-10 Introduction to Business 3
BUS-18A Business Law I 3
BUS-20 Business Mathematics 3
BUS-22 Management Communications 3
CIS-1A Introduction to Computer Information Systems 3
or
BUS/CIS/CAT-3 Computer Applications for Business 3

Major Concentration Requirements (12 units)
(In addition to Business Administration Major Core Requirements of 18 units noted above choose another 12 units selected from list below.)
Accounting 12
General Business 12
Management 12
Marketing 12
Real Estate 12

NOTE: Students must complete all Business Administration Major Core Requirements and must complete Major Concentration Requirements (total of 30 units) in order to receive the certificate in the concentration area of their choice.

Associate in Science Degree
The Associate in Science Degree in Business Administration with a Major Concentration will be awarded upon completion of the degree requirements, including general education and other graduation requirements as described in the college catalog.

ACCOUNTING CONCENTRATION (MNR) MAS523/MCE523
This program prepares individuals to practice the profession of accounting and to perform related business functions. This includes instruction in accounting principles and theory, financial accounting, managerial accounting, cost accounting, budget control, tax accounting, legal aspects of accounting, reporting procedures, statement analysis, planning and consulting, business information systems, accounting research methods, professional standards and ethics, and applications to specific for-profit, public, and non-profit organizations.

Program Learning Outcomes
In addition to outcomes for the Businesses Administration certificate, on successful completion of the Accounting concentration, students should be able to accomplish at least three of the following eight tasks:

- Explain the managerial applications of accounting reports and ratios to the business enterprise.
- Understand the major role financial reporting plays in fulfilling government’s duty to be publicly accountable in a democratic society.
- Apply cost accounting principles to manufacturing and service enterprises within a global society.
- Analyze and solve problems associated with the calculation and reporting of payroll.
- Analyze data and apply appropriate principles of federal income tax law.
- Analyze and solve accounting problems with application software.
- Prepare the detailed financial reports for governments and not-for-profit entities that stress the need for the public to understand and evaluate the financial activities and management of these organizations.
- Develop and apply principles of moral judgment and ethical behavior to business situations.

GENERAL BUSINESS CONCENTRATION (MNR)  
MAS524/MCE524

This program focuses on the general study of business, including domestic, international and electronic, and the important ways in which business impacts our daily lives. The program will prepare individuals to apply business principles and techniques in various career settings and to gain an understanding of business situations that affect their personal and working lives. This includes the buying, selling and production of goods and services, understanding business organizations, general management, and employee motivation strategies, basic accounting principles, the economy, and marketing.

Program Learning Outcomes

In addition to outcomes for the Businesses Administration certificate, on successful completion of the General Business concentration, students should be able to accomplish four of the following seven tasks:

- Explain the managerial applications of accounting reports and ratios to the business enterprise.
- Analyze the law as it pertains to business organizations and to determine the legal management of the various forms of law.
- Analyze the business elements that comprise the logistics function.
- Develop and apply principles of moral judgment and ethical behavior to business situations.
- Anticipate and pose problems relative to understanding and supervising personnel.
- Identify and analyze human relations techniques appropriate to a managerial role.
- Explain and develop the marketing mix, including an analysis of the marketing mix variables—product, place, price, and promotion.

Business Administration Major Core Requirements 18

Select another 12 units from the following: 12

- ACC-1B Principles of Accounting II 3
- or
- ACC-38 Managerial Accounting 3
- BUS-18B Business Law II 3
- BUS-40 International Business-Principles 3
- BUS/MAG-47 Applied Business and Management Ethics 3
- BUS-80 Principles of Logistics 3
- BUS-200 Business Administration Work Experience 1-2-3-4
- MAG-51 Elements of Supervision 3
- MAG-53 Human Relations 3
- MKT-20 Principles of Marketing 3

MANAGEMENT CONCENTRATION (MNR)  
MAS521/MCE521

This program generally prepares individuals to plan, organize, direct, and control the functions and processes of a firm or organization with an emphasis on people as the most important asset of a business. This program will prepare individuals seeking management positions to be better candidates for promotion, and those already in management positions to improve their management skills and effectiveness. This includes instruction in management practice and theory, human resources management and behavior, interpersonal communications in a business setting, marketing management, and business decision making.

Program Learning Outcomes

In addition to outcomes for the Businesses Administration certificate, on successful completion of the Management concentration, students should be able to:

- Apply sound management practices.
- Analyze and apply appropriate managerial practices in one or more areas of ethics, human resources, quality management, operations, motivation, etc.

Business Administration Major Core Requirements 18

Required for this concentration 3

- MAG-44 Principles of Management 3
- and
- Select another 9 units from the following: 9
- MAG-46 Contemporary Quality Systems Management 3
- MAG/BUS-47 Applied Business and Management Ethics 3
- MAG-53 Human Relations 3
- MAG-56 Human Resources Management 3
- MAG-60 Introduction to Hospitality Management 3
- MAG-200 Management Work Experience 1-2-3-4
- BUS-48 International Management 3

MARKETING CONCENTRATION (MNR)  
MAS525/MCE525

This program prepares individuals to undertake and manage the process of developing both consumer and business markets, and communicating product benefits to targeted market segments. This includes instruction in buyer behavior and dynamics, sales promotions, building customer relationships, effective pricing, marketing campaigns, principles of marketing research, strategic market planning, advertising methods, customer service, retailing, and applications for specific products and markets.

Program Learning Outcomes

In addition to outcomes for the Businesses Administration certificate, on successful completion of the Marketing concentration, students should be able to:

- Develop and implement marketing strategies.
- Develop a comprehensive marketing plan.
- Construct and implement a promotional program.
- Research and analyze consumer decision parameters.

Business Administration Major Core Requirements 18

Required for this concentration 3

- MKT-20 Principles of Marketing 3
- and
- Select another 9 units from the following: 9
- MKT-40 Advertising 3
- MKT-41 Techniques of Selling 3
- MKT-42 Retail Management 3
- MKT-200 Marketing Work Experience 1-2-3-4
- BUS-43 International Business-Marketing 3
- BUS-51 Principles of E-Commerce 3
- BUS-80 Principles of Logistics 3
REAL ESTATE CONCENTRATION (MNR)      MAS527/MCE527
This program prepares individuals to develop, buy, sell, appraise, and
manage real property. This includes instruction in land use
development policy, real estate law, real estate marketing procedures,
agency management, brokerage, property inspection and appraisal, real
estate investing, leased and rental properties, commercial real estate,
and property management.

Program Learning Outcomes
In addition to outcomes for the Businesses Administration certificate,
on successful completion of the Real Estate concentration, the student
should be able to do the following:
• Demonstrate the ability to analyze ethical and procedural
problems that arise in residential real estate sales transactions
from the prospective of buyers, sellers, brokers, appraisers,
lenders, and escrow officers.
• Discuss and evaluate real estate marketing and sales techniques.
• Discuss and calculate real estate taxes and solve basic real estate
mathematics problems.
• Explain and evaluate methods of financing real estate purchases
and securing loans with real estate.
• Demonstrate the ability to analyze the factors that affect real
estate values.
• Discuss and evaluate real estate markets and trends.

COMMUNITY INTERPRETATION
COMMUNITY INTERPRETATION (M)      MAS557/MCE557
The Community Interpretation program provides students with a
foundation in the skills of Spanish-English translation and
interpretation. Students train intensively in the three modes of
interpreting: simultaneous, consecutive, and sight translation.
Instruction covers general and literary translation and skills are applied
in the contexts of medicine, law, and business. The program prepares
individuals seeking interpreter certification and improves
marketability for bilinguals who use Spanish and English in the
workplace.

Associate in Science Degree
The Associate in Science Degree in Community Interpretation will be
awarded upon completion of the degree requirements, including
general education and other graduation requirements as described in
the college catalog.

COMPUTER INFORMATION SYSTEMS
This program focuses on computers, computing problems and
solutions, and design of computers systems and user interfaces from a
scientific perspective. This includes instruction in their principles of
computation science, and computing theory; computer hardware
design; computer development and programming; and application to a
variety of end-use situations.

COMPUTER APPLICATIONS (MNR)      MAS726/MCE726
This program prepares individuals to perform basic data and text entry
using standard and customized software products. This includes
instruction in keyboarding skills, personal computer and work station
operation, reading draft texts and raw data forms, and various
interactive software programs used for tasks such as word processing,
spreadsheets, databases, and others.

Certificate Program
Program Learning Outcomes
Upon successful completion of this program, students should be able to:
• Describe and use operating system software
• Describe and use Word processing software.
• Write structured programs using C++, or Java.
• Describe and use graphics software to manipulate digital
images.
• Describe and use database software to construct 3NF databases.
• Construct a visually appealing web site including database
structures within the design.
- Design and use spreadsheets that have embedded equations/formulas utilizing different data types.

### Associate in Science Degree

The Associate in Science Degree in Computer Information Systems, Computer Applications will be awarded upon completion of the degree requirements, including general education and other graduation requirements as described in the college catalog.

**COMPUTER PROGRAMMING (MNR) MAS728/MCE728**

This program focuses on the general writing and implementation of generic and customized programs to drive operating systems that generally prepare individuals to apply the methods and procedures of software design and programming to software installation and maintenance. This includes instruction in software design; low and high level languages and program writing; program customization and linking; prototype testing; troubleshooting; and related aspects of operating systems and networks.

#### Certificate Program

**Program Learning Outcomes**

Upon successful completion of this program, students should be able to:

- Design structured programs using C++, Javascript, or Java.
- Design and use object oriented programs in one of these languages C++, Java or PHP.
- Design and use advanced programming techniques in C++ or Java.

### Associate in Science Degree

The Associate in Science Degree in Computer Information Systems, Computer Programming will be awarded upon completion of the degree requirements, including general education and other graduation requirements as described in the college catalog.
SIMULATION AND GAMING: GAME ART (MN) MAS739/MCE739
This is a comprehensive program that puts equal emphasis on the artistic and technical sides of 3D modeling and animation. Courses cover material that will take the student through the whole production process and workflow of 3D modeling and animation, from conceptualization to the final delivery of the rendered product. Curriculum spans traditional drawing techniques, life drawing and the technical fundamentals of 3D animation and modeling. Classes are taught in a state-of-the-art computer studio with the latest versions of industry-standard software packages.

Certificate Program
Program Learning Outcomes
Upon successful completion of this program, students should be able to:
• Identify and differentiate the game development project lifecycle and associated documents such as the Pitch Document, Game Design Document, Technical Design Document, Art Production Plan, Project Plan and Game Prototype.
• Identify and employ proper use of color media and associated materials as well as define, outline, and discuss basic to complex color theory for 2D artwork.
• Create, manipulate, animate, and implement 3D art assets for real time interactive simulations or video games.

Electives (6 units)
CIS-36 Introduction to Computer Game Design 3
CIS/GAM-37 Beginning Level Design for Computer Games 3
CIS/GAM-39 Current Techniques in Game Art 4
CIS/CAT-54A Introduction to Flash 3
CIS/CAT-79 Introduction to Adobe Illustrator 3
ART-23 Design and Color 3
ART-36 Computer Art 3
ART-44 Animation 3

Associate in Science Degree
The Associate in Science Degree in Simulation and Gaming: Game Art will be awarded upon completion of the degree requirements, including general education and other graduation requirements as described in the college catalog.

The following certificates may lead to employment competency, but do not lead to an Associate in Science Degree:
WEB MASTER (MNR)
The Web Master certificate program prepares a student to be a valuable member of a professional web design or development team. The successful student will become a competent HTML and CSS coder, and be proficient enough in Dreamweaver to streamline the development cycle and effectively integrate all the typical technologies within a website. Depending on the chosen emphasis, the student will also become more skilled at designing sites with web graphics and animation or more skilled at developing web applications with programming in Javascript and PHP.

Certificate Program
Core Program Learning Outcomes
Upon successful completion of this program, students should be able to:
• Create valid, properly structured web pages using a variety of HTML features to form a typical 5-10 page site.
• Create external style sheets that effectively control an entire website's formatting and layout.
• Use a variety of Dreamweaver features to design, create, test, upload and manage an accessible and standards compliant interactive web site that includes the use of text, graphics, and multimedia.

Web Designer Concentration MCE820
Concentration Program Learning Outcomes
Upon successful completion of this program, students should be able to:
• Apply design and visual communication principles to web site, page, and interface design.
• Use Photoshop to create and edit images for use on the web, including photographs, logos, navigation buttons, background images, image maps, and web page design mockups (tracing images).
• Use Flash to create web animations and interactive web sites.

Web Developer Concentration MCE843

Concentration Program Learning Outcomes

Upon successful completion of this program, students should be able to:

- Apply programming principles to develop a fully functioning and customized web site experience for both the site user and site administrator.
- Use JavaScript to enhance a web site’s interactivity using the DOM.
- Use PHP to enhance a web site’s capabilities by creating data driven web page content, custom form validation and processing, and database manipulation.

DENTAL ASSISTANT

This program prepares individuals to provide patient care, take dental radiographs (x-ray), prepare patients and equipment for dental procedures, as well as discharge office administrative functions under the supervision of dentists and dental hygienists. This includes instruction in dental record-keeping, general office duties, reception and patient intake, scheduling, equipment maintenance and sterilization, dental radiography, pre and post-operative patient care and instruction, chair-side assisting, taking tooth and mouth impressions, and supervised practice.

DENTAL ASSISTANT (M) MAS621/MCE621

Certificate Program

Program Learning Outcomes

Upon successful completion of this certificate program, students should be able to:

- Collect diagnostic data and perform clinical supportive treatments as outlined by the State Dental Practice Act
- Perform business office procedures as related to dental practices
- Adhere to the ADAA’s Code of Ethical Conduct and apply this to established ethical, legal and regulatory concepts for dental assisting
- Apply self-assessment skills to promote life-long learning
- Demonstrate interpersonal and communication skills to effectively interact with diverse population

+ This course may be taken prior to entrance into the Dental Assistant Program.

Associate in Science Degree

The Associate in Science Degree in Dental Assisting will be awarded upon completion of the degree requirements, including general education and other graduation requirements as described in the college catalog.
**DENTAL HYGIENE**

This program prepares individuals to clean teeth and apply preventive materials; provide oral health education and treatment counseling to patients; identify oral pathologies and injuries; and manage dental hygiene practices. This includes instruction in dental anatomy, microbiology, and pathology; dental hygiene theory and techniques; cleaning equipment operation and maintenance; dental materials; radiology; patient education and counseling; office management; supervised clinical training; and professional standards.

**DENTAL LABORATORY TECHNOLOGY**

This program provides individuals, under the supervision of dentists, to design and construct dental prostheses such as caps, crowns, bridges, dentures, splints, and orthodontic appliances. This includes instruction in dental anatomy, dental materials, ceramics technology, impressions, complete dentures, partial dentures, orthodontics, crowns and bridges, sculpture, bonding and assembly techniques, and equipment operation.

**Associate in Science Degree**

The Associate in Science Degree in Dental Laboratory Technology will be awarded upon completion of the degree requirements, including general education and other graduation requirements as described in the college catalog.
**EARLY CHILDHOOD EDUCATION**

This program focuses on the theory and practice of learning and teaching children from birth to age eight; the basic principles of educational and developmental psychology; the art of observing, teaching and guiding young children; planning and administration of developmentally appropriate inclusive educational activities; school safety and health issues; and the social and emotional foundations of early care and education.

**EARLY CHILDHOOD EDUCATION (MNR)  MA544/MCE544**

This program provides an educational and practical foundation for students interested in working with children from infancy to third grade. In addition to theoretical principles the curriculum offers practical skills and on-site training that will prepare students for employment in the field of Early Childhood Education. As students progress through the program they fulfill required coursework for the California Child Development permit and for the Early Childhood education/Assistant certificate, and Early Childhood Education 12 Core Units certificate.

**Certificate Program**

**Program Learning Outcomes**

Upon successful completion of this program, students should be able to:

- Use observation to assess child development, curriculum success, an environmental standards of quality, and then implement program adjustments based on assessment outcomes.
- Identify the patterns of development for children ages zero to three in the areas of physical, cognitive and psychosocial domains.
- Understand and implement health and safety practices in environmental concerns and in individual child cleansing and feeding routines.
- Create and maintain an environment of care and learning specific to young infants and newly mobile children.
- Select equipment and materials conducive to the physical, cognitive and psychosocial needs of infants and toddlers.
- Plan and implement a curriculum based on a blend of routine and play activities.

**Child Development Permit**

The Early Childhood Education program provides an educational and practical foundation for students interested in working with children from infancy through third grade. In addition to theoretical principles, the curriculum offers practical skills and on-site training that will prepare students for employment in the field of Early Childhood Education. The program leads to certificates in Early Childhood Education and/or an Associate in Science Degree. The EAR courses will also fulfill the required child development coursework for the state issued Child Development Permit. Information regarding this permit and/or the Early Childhood Education Certificates are available from the Early Childhood Education Department.

Upon completion of the requirements for the certificate program and 16 units of special courses in general education, the student has fulfilled the course requirements for the Child Development Permit, teacher level. See the State guidelines for experience qualifications and additional levels. For child development interactive video information, see [www.academic.rcc.edu/earlychild/permit.jsp](http://www.academic.rcc.edu/earlychild/permit.jsp)

**Associate in Science Degree**

The Associate in Science Degree in Early Childhood Education will be awarded upon completion of the degree requirements, including general education and other graduation requirements as described in the college catalog.
EARLY CHILDHOOD INTERVENTION (MNR)  MAS601/MCE601
Assistant Certificate Program

Program Learning Outcomes
Upon successful completion of this program, students should be able to:

• Demonstrate an understanding of family function and structure, along with familial need for information and support that respects and values diverse cultures, values, beliefs and behaviors.
• Demonstrate basic knowledge of laws and regulations pertaining to and protecting children with disabilities and their families. Understand and identify the process of accessing community agencies, referral systems and procedures for specialized support, specialized documents, resources and placement options.
• Describe the typical child development milestones of children birth to adolescence and identify the strengths and special needs of the child in the context of his/her family, early childhood classroom, or early intervention setting.
• Demonstrate an understanding of the purpose and intent of an inclusive environment that supports the whole child while meeting the individual needs of children with disabilities.

Associate in Science Degree
The Associate in Science Degree in Early Childhood Intervention Assistant will be awarded upon completion of the degree requirements, including general education and other graduation requirements as described in the college catalog.
INFANT AND TODDLER SPECIALIZATION (MNR) MCE681

The Infant and Toddler Specialization certificate represents a composite of child development knowledge, skills, and responsibilities integral to working with children ages zero to three. Specific courses emphasize a responsive approach to the care and education of infants and toddlers in center-based programs and family child care homes.

Certificate Program

Program Learning Outcomes

Upon successful completion of this program, students should be able to:

- Identify the patterns of development for children ages zero to three in the areas of the physical, cognitive and psychosocial domains.
- Understand and implement health and safety practices in environmental concerns and in individual child cleansing and feeding routines.
- Create and maintain an environment of care and learning specific to young infants and newly mobile children.
- Select equipment and materials conducive to the physical, cognitive and psychosocial needs of infants and toddlers.
- Plan and implement a curriculum based on a blend of routine and play activities.
- Use observation to assess child development, curriculum success, and environmental standards of quality, and then implement program adjustments based on assessment outcomes.

EDUCATION PARAPROFESSIONAL

This program prepares individuals to assist a teacher in regular classroom settings or in providing instruction and supervision to special student populations, such as bilingual/bicultural students, special education students, adult learners, and students learning English. This includes instruction in techniques of general classroom supervision, maintaining order, assisting with lessons, and carrying out related assignments.

Associate in Science Degree

The Associate in Science Degree in Education Paraprofessional will be awarded upon completion of the degree requirements, including general education and other graduation requirements as described in the college catalog.

EMERGENCY MEDICAL SERVICES

This program prepares individuals, under the remote supervision of physicians, to recognize, assess, and manage medical emergencies in prehospital settings and to supervise ambulance personnel. This includes instruction in basic, intermediate, and advanced EMS procedures; emergency surgical procedures; medical triage; rescue operations; crisis scene management and personal supervision; equipment operation and maintenance; patient stabilization, monitoring, and care; drug administration; identification and preliminary diagnosis of disease and injuries; communication and computer operations; basic anatomy, physiology, pathology, and toxicology; and professional standards and regulations.

**Associate in Science Degree**

The Associate in Science Degree in Fire Technology, Fire Officer will be awarded upon completion of the degree requirements, including general education and other graduation requirements as described in the college catalog.

**Certificate Program**

**Program Learning Outcomes**

Upon successful completion of this program, students should be able to:

- Identify minimum qualifications and entry-level skills for fire fighter hiring. The student will be able to describe the following elements: application process; written exam process; physical agility exam, oral interview, chief’s interview; background investigation; and fire fighter probationary process. Students will identify fire service history, culture and diversity.
- Demonstrate the ability to analyze, appraise and evaluate fire and emergency incidents and identify components of emergency management and fire fighter safety including: size-up, report on conditions, Incident Command System; RECEO; 10 Standard Firefighting Orders; 18 Situations that shout “Watch Out”; and common factors associated with injuries and line of duty deaths.
- Identify and comprehend laws, regulations, codes and standards that influence fire department operations, and identify regulatory and advisory organizations that create and mandate them especially in the areas of fire prevention, building codes and ordinances, and firefighter health and safety.
- Analyze the causes of fire, determine extinguishing agents and methods, differentiate the stages of the fire and fire development, and compare methods of heat transfer.
- Identify and describe the apparatus used in the fire service, and the equipment and maintenance of fire apparatus and equipment.
- Identify and describe common types of building construction and conditions associated with structural collapse and firefighter safety.
- Differentiate between fire detection and alarm systems, and identify common health and safety concerns for firefighter and first responders.
HUMAN SERVICES

The Human Services Program prepares students for various paraprofessional positions in human services, such as mental health case manager, job coach/employment specialist, social service intake specialist, or community health worker. Graduates of the program will be prepared to work as entry-level employees in a variety of settings such as group homes, halfway houses, mental health and correctional facilities, family, child and service agencies under the direct supervision of social workers and other human services professionals in public and non-profit social service agencies.

HUMAN SERVICES (MR)  
MAS663/MCE663

Certificate Program

Program Learning Outcomes

Upon successful completion of this program, students should be able to:

- Demonstrate knowledge and skills needed to prepare for an entry-level paraprofessional position in human services.
- Develop a thoughtful, genuine, and empathetic attitude toward human beings.
- Increase the capacity for self-awareness and personal growth.
- Assist consumers and family members in matching needs with available community resources.
- Expand knowledge, skills, and attitudes necessary to help people better understand and help themselves.

**Associate in Science Degree**

The Associate in Science Degree in Administrative/ Clinical Medical Assisting will be awarded upon completion of the degree requirements, including general education and other graduation requirements as described in the college catalog.

**MEDICAL TRANSCRIPTION (M) MAS701/MCE701**

The purpose of the course is to prepare the individual to be a medical language specialist who will apply the knowledge of medical terminology, anatomy and physiology, and English language rules to the transcription and proofreading of medical dictation from various healthcare providers. The individual will interpret and transcribe dictation by physicians and other healthcare professionals regarding patient assessment, therapeutic procedures, and clinical course, to provide a permanent medicolegal record of patient care. This includes preparing the individual to recognize, interpret and evaluate inconsistencies in the grammar of the spoken word and appropriately edit, revise and clarify it without changing the meaning of the dictation. The individual will be prepared to demonstrate an understanding of the medicolegal responsibilities and implications related to the transcription of documents in order to protect the patient and the institution/business facility. The operation of designated word processing, dictation and transcription equipment and software will be included.

**Associate in Science Degree**

The Associate in Science Degree in Medical Assisting/Medical Transcription will be awarded upon completion of the degree requirements, including general education and other graduation requirements as described in the college catalog.
MUSIC
The Associate in Arts in Music from Moreno Valley College offers students a systematic plan of study for developing skills in music theory, musicianship, music literature, collaborative performance, and keyboard proficiency. The program provides students with broad knowledge of the field of film music and/or Western musical history through listening and writing and opportunities to focus on preparation for specific career paths, such as music therapy, musicology, independent studio teaching, or general music. Students planning to transfer to a four-year institution and major in music should consult with a counselor regarding the transfer process and lower division requirements.

MUS (M) MAA564
Associate in Arts Degree
Program Learning Outcomes
Upon successful completion of this program, students should be able to:
• Demonstrate proficiency in musicianship skills including functional keyboard skills.
• Successfully communicate within the music environment using notation, computer skills, written expression, and oral communication skills.
• Analyze and evaluate notated music using appropriate symbols.
• Compare historical style periods in Western concert from the Middle Ages to the present or to compare film music styles with other styles of music.
• Prepare stylistically sensitive performance interpretations on an instrument or voice.

Required Courses (18-20 units)
Core Requirements (12-13 units) Units
MUS-4 Music Theory I 4
MUS-22 Survey of Music Literature 3
MUS-19 Music Appreciation 3
MUS-26 Film Music Appreciation 3
Electives (choose from the list below) 2-3

Electives (2-3 units)
MUS-30 Class Voice 1
MUS-31 College Choir 1
MUS-32 Class Piano 1
MUS-37 Class Guitar 1
MUS-38 Beginning Applied Music Training 2
MUS-39 Intermediate Applied Music 3
MUS-57 Gospel Singers 1
MUS-58 Gospel Choir 1
MUS-77 Guitar Ensemble 2

In addition choose and complete courses from one emphasis below:

Music History Emphasis
Core Requirements 12-13
and
MUS-20 Great Composers and Masterpieces of Music to 1820 3
MUS-21 Great Composers/Music Masterpieces After 1820 3

PHYSICIAN ASSISTANT
This program prepares individuals academically and clinically to provide health care services with direction and supervision of a physician. Physician Assistants provide a broad range of medical services to include history taking, physical assessment, surgery assist, and diagnostic, preventive and therapeutic interventions. This includes basic medical, clinical, behavioral and social sciences; introduction of patient assessment; supervised clinical practice in family medicine, pediatrics, women health, general surgery, psychiatry, and behavioral medicine; health policy and professional practice issues; and the delivery of health care services to home-bound patients, rural populations, underserved populations.

PHYSICIAN ASSISTANT (M) MAS501/MCE501
Prior to acceptance to the Physician Assistant Program students must complete prerequisites in physics, chemistry, algebra, English, anatomy and physiology, microbiology, sociology or cultural anthropology and psychology. It is highly recommended that students complete Abnormal Psychology and Medical Terminology prior to entering the program. Anatomy and physiology and microbiology must have been taken within the last five years with a combined GPA of 2.7. An overall GPA of 2.5 is required in other general education courses. A minimum of 2,000 hours paid “hands-on” patient care experience in the disciplines of medicine, nursing or allied health is also required.
Certificate Program

Program Learning Outcomes

Upon completion of the physician assistant program students should be able to:

- analyze etiologies, risk factors, underlying pathologic process, and epidemiology for adult and pediatric medical conditions
- analyze and synthesize the history, physical findings, and diagnostic studies to formulate a differential diagnosis
- identify and evaluate signs and symptoms and select and analyze appropriate diagnostic studies to determine the most likely diagnosis of a medical condition
- manage general medical and surgical conditions integrating knowledge about the indications, contraindications, side effects, interactions and adverse reactions of pharmacologic agents and other relevant treatment modalities
- utilize appropriate screening methods of disease processes in asymptomatic individuals to and discuss concepts of health promotion and disease prevention
- differentiate between the normal and abnormal anatomic, physiological, and diagnostic data and the relevance of the findings
- provide competent health care to patients with acute and chronic conditions
- provide culturally sensitive and culturally responsive health care to a diverse patient population and demonstrate caring and respectful behaviors when interacting with patients and their families
- develop informed decisions about diagnostic and therapeutic interventions based on patient information and preferences, up-to-date scientific evidence, and clinical judgment
- counsel and educate patients and their families on health care
- perform competent medical and surgical procedures considered essential in the area of practice
- create and sustain a therapeutic and ethically sound relationships with patients utilizing effective listening, nonverbal, verbal and writing skills to elicit and provide information
- collaborate effectively with physicians, other disciplinary team members, and professional groups to provide patient centered patient care
- demonstrate emotional resilience and stability, adaptability, flexibility and tolerance of ambiguity and anxiety
- demonstrate competent documentation concerning the patient care process for medical, legal, quality assurance and financial purposes
- integrate the legal and regulatory guidelines into the professional role of the physician assistant and show sensitivity and responsiveness to
- demonstrate respect, compassion and integrity for the patient, society, and the PA profession
- demonstrate knowledge of ethical principles pertaining to provision or withholding of clinical care
- establish, appraise, and integrate evidence from scientific studies related to the patients’ health problem
- apply knowledge of study designs and statistical methods to the appraisal of clinical studies and other information on diagnostic and therapeutic effectiveness
- distinguish biases related to gender, culture, cognitive, emotional, and physical limitations in themselves and others
- utilize information technology and medical information to support patient care decisions and patient education and to provide efficient patient care
- demonstrate cost-effective health care and resource allocation that does not compromise quality of care.

Associate in Science Degree

The Associate in Science Degree in Physician Assistant will be awarded upon completion of the degree requirements, including general education and other graduation requirements as described in the college catalog.

REAL ESTATE

See BUSINESS ADMINISTRATION
SPEECH LANGUAGE PATHOLOGY

SPEECH LANGUAGE PATHOLOGY ASSISTANT (M) MAS697/MCE697
This program prepares individuals to apply technical knowledge and skills at an entry-level to assist speech-language pathologists in treating disorders of communication. This includes introductory instruction in communicative disorders related to: articulation/phonological disorders; language disorders in children and adults; fluency disorders, voice disorders, especially those related to vocal abuse; Hearing disorders and the effect on communication.

Certificate Program
Program Learning Outcomes
Upon successful completion of this program, students should be able to:

• Demonstrate knowledge of major categories of communication disorders, including etiology and some remedial techniques;
• Demonstrate functional knowledge of the therapeutic process;
• Demonstrate ability to carry out a treatment protocol;
• Demonstrate skills needed to assist in the management of speech-language pathology programs and services;
• Demonstrate functional knowledge of professional responsibilities and ethical behavior appropriate for the speech-language pathology assistant.

Required Courses (18 units) Units
SLP-1 Foundations of Speech-Language Pathology Assisting 4
SLP-2 Remediation: Hearing and Speech Disorders 4
SLP-3 Remediation: Language, Literacy and Communication 4
SLP-4 Field Work in Speech-Language Pathology Assisting 3
SLP-5 SLPA Workplace Issues 3

Associate in Science Degree
The Associate of Science Degree in Speech Language Pathology Assistant will be awarded upon completion of the degree requirements, including general education and other graduation requirements as described in the college catalog.
Section VI

COURSE DESCRIPTIONS
COURSE DESCRIPTIONS
Riverside Community College District offers a comprehensive program of instruction for students who wish to transfer to four year institutions, complete an associate degree, train for specific occupations, or develop skills and knowledge. The information listed on courses and transferability is accurate as of the catalog publication date, but from time to time this varies based on changes that occur at four-year institutions. It is always advisable to check with a counselor and the four-year transfer institution for current updates. The following section includes a description of courses which the Board of Trustees has authorized the District to offer. The complete course outlines of record including student learning outcomes can be found at www.curricunet.com/RCCD.

The program of instruction is divided into major categories:

IGETC
Intersegmental general education transfer curriculum is a series of courses that RCCD students may use to satisfy lower division general education requirements at any CSU or UC campus. IGETC provides an option to the California State University general education requirements and replaces the University of California Transfer Code Curriculum.

UC/CSU
These designated courses are transferable to the campuses of the University of California and the California State University system. Those courses that are not marked UC are not transferable to University of California campuses. Those courses marked UC* indicate there are transfer credit limitations. Copies of the UC transfer course list indicating credit unit limitations are available in the Transfer/Career Center on all three colleges. When in doubt, students are advised to confer with a counselor.

Course Identification Numbering System (C-ID)
The Course Identification Numbering System (C-ID) is a statewide numbering system independent from the course numbers assigned by local California community colleges. A C-ID number next to a course signals that participating California colleges and universities have determined that courses offered by other California community colleges are comparable in content and scope to courses offered on their own campuses, regardless of their unique titles or local course number. Thus, if a schedule of classes or catalog lists a course bearing a C-ID number, for example COMM 110, students at that college can be assured that it will be accepted in lieu of a course bearing the C-ID COMM 110 designation at another community college. In other words, the C-ID designation can be used to identify comparable courses at different community colleges. However, students should always go to www.assist.org to confirm how each college’s course will be accepted at a particular four-year college or university for transfer credit.

The C-ID numbering system is useful for students attending more than one community college and is applied to many of the transferable courses students need as preparation for transfer. Because these course requirements may change and because courses may be modified and qualified for or deleted from the C-ID database, students should always check with a counselor to determine how C-ID designated courses fit into their educational plans for transfer.

Students may consult the ASSIST database at www.assist.org for specific information on C-ID course designations. Counselors can always help students interpret or explain this information.

DELIVERY METHODS
A variety of delivery methods are used to offer classes a Riverside Community College District, including face-to-face classroom instruction and distance delivery methods such as hybrid classes and online classes (taught entirely online utilizing computer and Internet technology). Enrollment in online classes is limited to students who have demonstrated competency in working in the online environment. Please see the Open Campus section of the class schedule for details on meeting the limitation on enrollment for online classes.

NON-DEGREE CREDIT
Courses indicated as non-degree credit earn credit, but the credit is not counted toward the associate degree. These courses (Communication Studies 51, English 60AB, 60A1, 60A2, 60A3, 60A4, 80, 85, 90B; English as a Second Language 51, 52, 53, 65, 71, 72, 90 A-K, 91, 92, 95; Mathematics 37, 52, 63, 64, 65, 90 A-F, 98; Nursing - Continuing Education 52A, 52B, 52C, 62A, 62B, 62C, 81; Nursing-Registered 11A, 11B, 11C, 12A, 12B, 12C; Reading 81, 82, 83, 86, 87, and 95) are intended to help students develop skills necessary to succeed in college degree-applicable courses. Non-degree credit courses can be used toward the following: athletic eligibility, work study, financial aid, social security benefits, veteran’s benefits, associated student body office, and full-time status.

NON-CREDIT
These courses are numbered in the 800’s and are non-credit classes. No unit credit is earned in these courses.

REPEATING A COURSE
Some courses, particularly in performance areas such as music, theater, and athletics where significant skill improvement is an important objective, may be repeated regardless of the grade earned. In these instances, for example, the student may repeat the course three times, for a maximum of four (4) total enrollments in the same activity. Beginning tennis, intermediate tennis, advanced tennis, for example, are considered as the same activity, and a student may enroll in the activity for a total of four (4) times.

LIMITATIONS ON ENROLLMENT
Please check course description carefully to see if there are any prerequisites, corequisites, advisory or other limitations on enrollment.

Prerequisite - When a course has a prerequisite, it means that the corresponding discipline has determined that the student must have certain knowledge to be successful in the course. The prior knowledge may be a skill (type 40 WPM), and ability (speak and write French fluently), a preparation score (placement test and prior academic background), or successful completion of a course (grade of C or better, P or CR). Completion of the prerequisite is required prior to enrolling in the class. Successful completion of a prerequisite requires a grade of C or better, P (Pass). C-, D, F, FW, NP (No Pass), or I are not acceptable. Students currently enrolled in a prerequisite course at Riverside Community College District (i.e. Math
52) will be allowed to register for the succeeding class (i.e. Math 35). However, if the prerequisite course is not passed with at least a C grade, the student will be dropped from the succeeding class.

Corequisite - When a course has a corequisite, it means that a student is required to take another course concurrent with or prior to enrollment in the course. Knowing the information presented in the corequisite course is considered necessary for a student to be successful in the course. (Completion of, or concurrent enrollment in, Math 1A is required for Physics 4A.)

It is the student’s responsibility to know and meet the course prerequisites and corequisites. These are stated in the course descriptions of the schedule of classes and the current college catalog. A student may be required to file proof of prerequisite and corequisite requirements.

Advisory - When a course has an advisory, it means that a student is recommended to have a certain preparation before entering the course. The preparation is considered advantageous to a student’s success in the course. Since the preparation is advised, but not required, the student will not be blocked from enrolling in a class if he/she does not meet the advisory.

Verifying Prerequisites/Corequisites - It is the student’s responsibility to know and meet the course prerequisites and corequisites. These are stated in the course descriptions within the Schedule of Classes and the college catalogs.

If you have met the prerequisites at another accredited college or university, you must provide verification through one of the following:

- Submit official transcript(s) and complete a Prerequisite Validation form.
- Submit unofficial transcript(s) or grade reports and complete a Matriculation Appeals petition. Petitions approved on an unofficial transcript will be approved for one semester only. This will provide time for the student to request official transcripts.
- Coursework must be listed on the original transcript. Coursework listed on a secondary transcript is not acceptable documentation.
- If you wish to challenge a prerequisite for courses other than English, ESL, math or reading on the basis of knowledge or ability or because of the unavailability of the prerequisite, submit a Matriculation Appeals petition at any of our campus’s counseling offices.
- Successful completion of some high school courses are accepted by the discipline as an appeal to existing prerequisites and/or corequisites. For more information about these acceptable courses, please call the prerequisite hotline at (951) 222-8808.

Petitions to challenge a prerequisite are available in the Counseling Offices on all three colleges.

CREDIT COURSES
Credit courses can be degree or non-degree applicable. Unlike non-credit courses, they do carry units based on the number of hours of lecture, lab, or both that are required in the official course outline for the course. These courses are in a wide variety of areas; each requires critical thinking, reading and writing, and assignments that are completed outside of class that require the student to study and work independently. Credit courses are approved by the district and college Curriculum Committees and the Board of Trustees.

ACCOUNTING

ACC-1A - Principles of Accounting, I 3 units
UC, CSU
Prerequisite: None.
Advisory: BUS-20.
An introduction to accounting principles and practice, as a manual and/or computerized information system that provides and interprets economic data for economic units within a global society. Includes recording, analyzing and summarizing procedures used in preparing financial statements. 54 hours lecture.

ACC-1B - Principles of Accounting, II 3 units
UC, CSU
Prerequisite: ACC-1A.
A study of managerial accounting principles and information systems including basic concepts, limitations, tools and methods to support the internal decision-making functions of an organization. 54 hours lecture.

ACC-38 - Managerial Accounting 3 units
CSU
Prerequisite: ACC-1A.
Conceptual and technical analysis of accounting information used by managers as they carry out their planning, controlling and decision-making responsibilities. Includes coverage of just-in-time systems, activity-based costing, flexible manufacturing systems, computer-integrated performance measures and the impact of automation on capital budgeting decisions. 54 hours lecture.

ACC-55 - Applied Accounting/Bookkeeping 3 units
(Same as CAT-55)
Prerequisite: None.
This is an introductory course for students who are non-accounting majors. The focus is basic bookkeeping and accounting principles for both merchandising and service oriented small business enterprises. Emphasis is on the development of skills to record business transactions for cash and accrual methods, as well as the procedures to prepare financial statements and complete an accounting cycle. Attention is given to special journals, subsidiary ledgers, and payroll and banking procedures. 54 hours lecture.
(Letter Grade, Or Pass/No Pass option.)
ACC-61 - Cost Accounting 3 units
CSU
Prerequisite: ACC-1B.
Studies the development of detailed cost data essential to management for controlling operations, decision making and planning. Principles of cost accounting are applied primarily to a manufacturing organization, but are also used by merchandising and service organizations. Use of computers may be required. 54 hours lecture.

ACC-62 - Payroll Accounting 3 units
CSU
Prerequisite: ACC-1A.
Studies accounting for payroll and examines aspects of the Social Security Act, California Unemployment Insurance Act and the California Workmen’s Compensation Insurance Act. Payroll principles applied through the use of microcomputers. 54 hours lecture.

ACC-63 - Income Tax Accounting 3 units
CSU
Prerequisite: None.
Theory and method of preparation of federal income tax returns for individuals. Actual forms are studied and returns are prepared. 54 hours lecture.

ACC-65 - Computerized Accounting 3 units
CSU
Prerequisite: ACC-1A.
Advisory: CIS-1A.
An introduction to computerized accounting, integrating the principles of accounting to an automated system in use by many accounting professionals. 54 hours lecture.

ACC-66 - Non-Profit and Governmental Accounting 3 units
CSU
Prerequisite: ACC-1A.
Advisory: BUS-20.
A study of the principles and practices of nonprofit and governmental entities fund accounting. Topics include accounting concepts, types and structure of funds and accounts, application of generally accepted accounting principles to nonprofit and governmental organizations. 54 hours lecture.

ACC-200 - Accounting Work Experience 1-2-3-4 units
CSU*
Prerequisite: None.
Advisory: Students should have paid or voluntary employment.
This course is designed to coordinate the student’s occupational on-the-job training with related classroom instruction. Students enrolled in this occupational work experience course must be employed in a field related to the work experience subject area. Students may earn up to four (4) units each semester for a maximum of 16 units of work experience. No more than 20 hours per week may be applied toward the work requirement. 18 hours lecture. Additionally, 60 hours of volunteer work or 75 hours of paid work is required for each unit.

ADJ-1 - Introduction to the Administration of Justice 3 units
UC, CSU
Prerequisite: None.
The history and philosophy of administration of justice in America; recapitulation of the system; identifying the various subsystems, role expectations, and their interrelationships; theories of crime, punishment, and rehabilitation; ethics, education, and training for professionalism in the system. 54 hours lecture.

ADJ-2 - Principles and Procedures of the Justice System 3 units
CSU
Prerequisite: None.
The role and responsibilities of each segment within the administration of justice system: law enforcement, judicial, corrections. An historical exposure to each of the sub-systems’ procedures from initial entry to final disposition and the relationship each segment maintains with its system members. 54 hours lecture.

ADJ-3 - Concepts of Criminal Law 3 units
UC, CSU
Prerequisite: None.
Historical development, philosophy of law and constitutional provisions; definitions, classification of crimes, and their application to the system of administration of justice; legal research, study of case law, methodology, and concepts of law as a social force. 54 hours lecture.

ADJ-4 - Legal Aspects of Evidence 3 units
CSU
Prerequisite: None.
Origin, development, philosophy and constitutional basis of evidence; constitutional and procedural considerations affecting arrest, search and seizure; kinds and degrees of evidence and rules governing admissibility; judicial decisions interpreting individual rights and case studies. 54 hours lecture.

ADJ-5 - Community Relations 3 units
UC, CSU
Prerequisite: None.
An in-depth exploration of the roles of administration of justice practitioners and agencies. The interrelationships and role expectations among the various agencies and the public. Principal emphasis will be placed upon the professional image of the system of justice administration and the development of positive relationships between members of the system and the public. 54 hours lecture.

ADJ-13 - Criminal Investigation 3 units
CSU
Prerequisite: None.
Fundamentals of investigation; crime scene search and recording; collection and preservation of physical evidence; scientific aids; modus operandi; sources of information; interviews and interrogation; follow up and case preparation. 54 hours lecture.
ADJ-15 - Narcotics 3 units
CSU
Prerequisite: None.
A basic understanding of narcotics and dangerous drugs, the causes of addiction or habituation, identification of narcotics, hallucinogenics, enforcement procedure and legal aspects. 54 hours lecture.

ADJ-200 - Administration of Justice 1-2-3-4 units
Work Experience
CSU*
Prerequisite: None.
Advisory: Students should have paid or voluntary employment.
This course is designed to coordinate the student’s occupational on-the-job training with related classroom instruction. Students enrolled in this occupational work experience course must be employed in a field related to the work experience subject area. Students may earn up to four (4) units each semester for a maximum of 16 units of work experience. No more than 20 hours per week may be applied toward the work requirement. 18 hours lecture. Additionally, 60 hours of volunteer work or 75 hours of paid work is required for each unit.

BASIC PEACE OFFICER TRAINING ACADEMY
The Basic Peace Officer Training Academy was established in Riverside under the administration of Riverside Community College in the spring of 1953. This program provides practical and technical instruction to meet the requirements of various law enforcement agencies at the local, state, and federal level. The Basic Academy serves eleven counties in Southern California.

The Basic Academy is offered three times per year, forty hours per week, for 22 to 23-week periods. Upon successful completion of the course the college awards 18 units of college credit and the California Commission on Peace Officer Standards and Training issues the Basic Peace Officer’s Certificate.

For Basic Academy applications and further information regarding this program, contact Department of Public Safety Education and Training at (951) 571-6316.

ADJ-A3A - Child Abuse Investigations 2 units
Prerequisite: None.
This course is designed to provide the student with an overview of the child abuse investigative process. The course will focus on child abuse law, psychological factors of the offender, interviewing techniques, and responsibilities of the child abuse investigator. 40 hours lecture.

ADJ-A5A - Bicycle Patrol .5 unit
Prerequisite: None.
This course is designed to provide the student with an overview of the tactical handling of a mountain bicycle for use during law enforcement operations. The course will focus on public relations, nutrition, bicycle maintenance, and riding techniques. 32 hours laboratory.

ADJ-A6A - Interview and Interrogation Course .25 unit
Prerequisite: None.
This course will provide the student with the fundamentals and techniques for properly interviewing victims, witnesses and suspects in a field setting. Methods for preparing for an interview, establishing rapport with people and interview strategies will be discussed. Additionally, methods for using a tape recorder and methods for manually recording an interview, along with dealing with different personalities and ethnic groups will be covered. 6 hours lecture and 2 hours laboratory.

ADJ-A6B - Advanced Interview and Interrogation Course 1.5 units
Prerequisite: None.
This POST certified course will provide advanced interview and interrogation techniques for experienced law enforcement personnel assigned to patrol or investigations and others who conduct criminal interviews and interrogations. This course will further refine the skills and techniques required to properly obtain statements, incriminating statements, admissions and confessions. 28 hours lecture and 4 hours laboratory.

ADJ-A8A - Field Training Officer 1.5 units
Prerequisite: None.
This course is designed to provide the student with an understanding of the purpose of the field training program. This course will focus on the fundamentals of basic training in patrol concepts and procedures. 32 hours lecture and 8 hours laboratory.

ADJ-A9A - Field Training Officer Update 1 unit
Prerequisite: None.
This course is designed to provide the student with an overview of the current legal issues and responsibilities of the field training officer. The course will focus on vehicle pursuits, weapons update, building searches, prisoner restraints, and the use of force. 24 hours lecture.

ADJ-A10A - Vice Operations .25 unit
Prerequisite: ADJ-B1B.
This course is designed as an overview of vice operations for law enforcement personnel. This course will include discussions on prostitution, solicitors of lewd sex acts, massage parlor investigations, pimping and pandering, pornography and bookmaking. 8 hours lecture.

ADJ-A11A - Effective Writing for Law Enforcement .25 unit
Prerequisite: None.
This course will give the law enforcement student a critical understanding of effective writing skills. The course will cover the various types of documents written by the professional and focus on form. 4 hours lecture and 4 hours laboratory.
ADJ-A13A - Drug Use Recognition 1 unit
Prerequisite: None.
This course is designed to provide updated skills training for law enforcement officers enforcing the provisions of 11550 H and S code. The course fulfills the Commission on POST two year, twenty-four hour training requirement for advanced officer training. The course will emphasize public safety when handling incidents involving explosive devices. 20 hours lecture and 4 hours laboratory.

ADJ-A14A - Search Warrant Preparation Workshop .25 unit
Prerequisite: None.
This course will instruct law enforcement personnel in the proper techniques used in the preparation of search warrants. The course will include construction of a “hero section,” and supporting documentation needed to receive judicial endorsement. Also, practical exercises in search warrant preparation are reviewed. 6 hours lecture and 2 hours laboratory.

ADJ-A14B - Search Warrant Execution Course .25 unit
Prerequisite: None.
This course presents the elements needed in both formulating a proper search warrant entry plan and specific tactics commonly employed by Target/Narcotic Teams for most law enforcement agencies. Students are taught entry techniques, marksmanship, close quarter battle tactics and teamwork. Additionally, this course offers the students the ability to practice the concepts taught in this course during “Live Fire” scenarios which are controlled by the staff who are firearms instructors. 2 hours lecture and 6 hours laboratory.

ADJ-A29A - Courtroom Testimony and Demeanor .5 unit
Prerequisite: None.
This course is designed to provide the student with an overview of the courtroom testimony process. The course will focus on courtroom dynamics, personal demeanor and the verbal presentation of factual information. 9 hours lecture.

ADJ-A31A - Advanced Civil Procedures (POST) 1 unit
Prerequisite: None.
This course is designed to provide the student with an understanding of advanced civil processes. The course will focus on common writ processes, levy processes, and claims of exemption. 24 hours lecture.

ADJ-A33A - Public Safety Seminar .25 unit
Prerequisite: None.
This course is a series of selected law enforcement, fire technology or corrections topics designed to address specific public safety mandates or California legislative requirements. This meets POST, STC and California Fire Marshal certified skill proficiency requirements for public safety mandated training. May be taken a total of four times. 8 hours lecture.

ADJ-A33B - Public Safety Seminar .5 unit
Prerequisite: None.
This course is a series of selected law enforcement, fire technology or corrections topics designed to address specific public safety mandates or California legislative requirements. This meets POST, STC and California Fire Marshal certified skill proficiency requirements for public safety mandated training. May be taken a total of four times. 16 hours lecture.

ADJ-A33C - Public Safety Seminar 1 unit
Prerequisite: None.
This course is a series of selected law enforcement, fire technology or corrections topics designed to address specific public safety mandates or California legislative requirements. This meets POST, STC and California Fire Marshal certified skill proficiency requirements for public safety mandated training. May be taken a total of four times. 24 hours lecture.

ADJ-A33E - Public Safety Seminar 2 units
Prerequisite: None.
This course is a series of selected law enforcement, fire technology or corrections topics designed to address specific public safety mandates or California legislative requirements. This meets POST, STC and California Fire Marshal certified skill proficiency requirements for public safety mandated training. May be taken a total of four times. 40 hours lecture.

ADJ-A36A - Inland Boating Enforcement 1 unit
Prerequisite: None.
This course provides law enforcement personnel with the knowledge and procedures necessary for the enforcement of state laws specific to inland waterways and lakes. The course will also include vessel theft, equipment violations, accident investigation, vessel towing, enforcement contacts, boating while intoxicated and the care and safe operation of the patrol boat. 24 hours lecture and 16 hours laboratory.

ADJ-A37A - Latent Fingerprint Retrieval .5 unit
Prerequisite: None.
This course is designed to present a study of the scientific development of fingerprints and their retrieval. The course will focus on identification, fiction ridges and basic categories of fingerprints. Topics will include the methods of processing fingerprints, types of surfaces and powder processing vs. chemical processing. 12 hours lecture and 4 hours laboratory.

ADJ-A42A - Crime Scene Investigation .5 unit
Prerequisite: None.
This course reviews principles of evidence collection, crime scene examination, recording, gathering trace evidence, and collecting and packaging of biological evidence, i.e., body fluids. It will introduce the student to basic fundamentals of 35 mm camera and its use and function in a crime scene investigation. 16 hours lecture.
ADJ-A43A - Basic Computer-Aided Collision Diagramming Using AutoSketch
Prerequisite: None.
This course is designed to enhance investigative techniques of a traffic collision investigator/homicide detective investigating a motor vehicle traffic collision. This three-day, hands-on instructional course discusses the principles and operation of AutoSketch, a powerful drawing tool developed by Autodesk. 8 hours lecture and 16 hours laboratory.

ADJ-A44A - Laser Operator
Prerequisite: None.
This course provides students with a review on Doppler radar and the understanding of the historical development, concepts, characteristics, and properties of laser technology. It is designed to teach students the proper use of law enforcement laser in traffic enforcement as well as knowledge and skill for courtroom testimony related to laser use. 6 hours lecture and 2 hours laboratory.

ADJ-A45A - Digital Photography for Law Enforcement
Prerequisite: None.
This course is designed to educate the student in the field of digital photography, as it would pertain to the day-to-day activities of the law enforcement professional. The student will learn the essentials needed for digital photography (i.e. light, area, size of object, and focal distances.) They will also be instructed in the familiarization of the digital camera and the software needed for authenticating and storing digital images. A segment in the rules of evidence as they pertain to digital images will be taught along with the fundamentals of crime scene photography. 6 hours lecture and 2 hours laboratory. (Pass/No Pass only.)

ADJ-A46A - Background Investigation
Prerequisite: ADJ-B1B.
This course provides students with basic techniques and legal information necessary to conduct background investigations for law enforcement agencies. Topics covered will include Legal Aspects, Polygraph Examinations, Psychological Evaluation, Background Investigation Process, Role of the Background Investigator and Pre-Background Investigation Interview/Areas of Inquiry. 36 hours lecture.

ADJ-A48A - Basic Investigator’s Course
Prerequisite: ADJ-B1B.
This course provides students with basic techniques and procedures necessary to perform follow-up criminal investigations, and to understand the available resources that assist the employee’s transition to an investigative unit from assignments where the primary focus has been that of an “initial reporter.” Total of 40 hours lecture.

ADJ-A50A - Raves and Rave Drugs
Prerequisite: None.
This course provides students with a basic understanding of the growing phenomenon of rave parties. Students will be introduced to history and culture of the rave, its social impact, proper considerations when providing law enforcement at rave events, and an overview of drugs that are commonly found at rave parties. 8 hours lecture.

ADJ-A56A - Elder Abuse/Racial Profiling
1st Responder
Prerequisite: None.
This course provides students with the information they need to successfully investigate elder abuse cases as the initial responder. It provides the student with knowledge in identifying various forms of elder abuse and abuse to dependant adults. It provides information on crime scene management, interview and interrogation techniques and documenting the cases. The course will help the student understand what racial profiling is and show how to avoid participating in it. It will cover various penal codes and amendments that deal with racial profiling and review civil rights history dealing with racial profiling. 8 hours lecture.

ADJ-A57A - Casino-Related Crime Investigation
Prerequisite: None.
This course is designed for the patrol officer/deputy responding to gambling-related and casino/card room crimes and for the investigator assigned to investigate gambling-related offenses. This course will familiarize the law enforcement officer with the history of gaming in California, issues related to tribal casinos, crime trends in the gambling industry, investigative resources, evidence, as well as prosecutorial considerations in investigating gambling offenses. 8 hours lecture. (Pass/No Pass only.)

ADJ-B1A - Introduction to Law Enforcement and Physical Conditioning for Basic Academy Students
Prerequisite: None.
This course plans an eight week physical training program targeting muscular strength development, cardiorespiratory endurance training, body composition assessment, physical agility, and muscular flexibility training. Additionally, this course is designed to prepare future basic academy students to meet peace officer basic training entrance requirements and to familiarize students with the career opportunities available in Law Enforcement. 24 hours lecture and 24 hours laboratory.

ADJ-B1B - Basic Peace Officer Training Academy
Limitation on enrollment: Completion of POST reading and writing skills examination; completion of POST physical fitness assessment; possession of a valid California driver’s license; successful completion of a medical examination; and fingerprint clearance through the California State Department of Justice.
Intensive basic instruction designed to meet the minimum requirements of a peace officer as established by state law. 604 hours lecture and 321 hours laboratory.

ADJ-B3A - Basic Community Service Officer Academy
Prerequisite: None.
This course provides an overview of the fundamentals and techniques necessary to perform the position of Community Service Officer. The course will emphasize the practical applications of weapon cleaning and servicing, handcuffing prisoners, transporting inmates, report writing, basic traffic collision report processing, radio communication techniques, evidence processing, courtroom testimony, and civil liability issues. 60 hours lecture and 4 hours laboratory.
ADJ-C1D - Basic Correctional Deputy Academy (C) 13 units
Prerequisite: None.
The Basic Correctional Deputy Academy provides entry-level training for correctional officers. The course will introduce the student to adult corrections procedure, interviewing, counseling techniques, defensive tactics, public relations, and oral and written communications. Security and supervision techniques in adult institutions are stressed. The Correctional Deputy Academy meets or exceeds the mandates of the California Board of Corrections and Rehabilitation. 201 hours lecture and 117 hours laboratory.

ADJ-C2A - Deputy Sheriff Supplemental Core Course 3 units
Prerequisite: None.
This course provides the necessary transitional training for graduates from the Basic Peace Officer Training Academy. The course is STC certified and meets the requirements of all agencies needing custody trained officers. 55 hours lecture and 17 hours laboratory.

ADJ-C3B - Advanced Corrections Perishable Skills Training .25 unit
Prerequisite: None.
This course is STC certified and is designed to enhance professionalism through continued training in state mandated corrections topics. The students will participate in an assortment of defensive tactic maneuvers and will be required to demonstrate a proficiency of each tactic taught. 2 hours lecture and 10 hours laboratory.

ADJ-C3C - Advanced Corrections Training .5 unit
Prerequisite: None.
This course is STC certified and is designed to enhance the Corrections employees’ professionalism and career advancement through education and training. May be taken a total of 4 times. 12 hours lecture.

ADJ-C4A - Advanced Corrections Training for Supervisors 1 unit
Prerequisite: None.
This mandated STC certified course is designed to enhance the on-the-job skills of the supervisor within corrections. Instruction includes preventing staff misconduct, personnel investigations, and advanced supervisory skills. 24 hours lecture.

ADJ-C5A - Basic Writing Skills for Corrections .5 unit
Prerequisite: None.
This course reviews the basic principles of law enforcement written communications. Fundamentals of note taking, memoranda and reports used in institutional settings for documentation will be reviewed. 16 hours lecture and 8 hours laboratory.

ADJ-C6A - Corrections Training Officer 2 units
Prerequisite: None.
This STC certified course is designed to enhance the on-the-job training skills of the corrections training officer. This course includes ethics, coaching techniques, effective supervision methods and learning styles. 40 hours lecture.

ADJ-C7A - Writing Skills for Correctional V Deputy (Advanced) .5 unit
Prerequisite: None.
This course is designed to provide the student with additional study in methods of criminal report writing. The course will focus on complex criminal investigations, crime scene organization, evidence preservation and effective criminal report writing. 12 hours lecture and 12 hours laboratory.

ADJ-C8A - Facility Security Training .25 unit
Prerequisite: None.
This course focuses on corrections facility security measures for newly hired civilian corrections employees or as a review for current civilian corrections employees. 8 hours lecture.

ADJ-C12A - First Aid/CPR Instructor Course 1.5 units
Prerequisite: None.
This course is designed for professional law enforcement officers who wish to instruct basic CPR and first aid to students within their respective agencies. 32 hours lecture and 8 hours laboratory.

ADJ-C13A - Stun-Tech R.E.A.C.T. Belt Training .25 unit
Prerequisite: None.
This course is designed to provide training in the proper utilization of the less-lethal Stun-Tech R.E.A.C.T. belt for controlling potentially violent incarcerated persons. 6 hours lecture and 2 hours laboratory.

ADJ-C18A - Basic Inmate Classification .5 unit
Prerequisite: None.
This STC certified course is designed to provide entry-level training for correctional officers on basic inmate classification. The student will be able to identify any inmates housing problems and understand the liability involved with working in a classification unit. 14 hours lecture and 2 hours laboratory.

ADJ-C19 - Corrections Mental Health Training .5 unit
Prerequisite: None.
This course is STC certified and is designed to enhance the Corrections employees’ professionalism and ability to work with mentally ill inmates. May be taken a total of two times. 13 hours lecture and 3 hours laboratory.

ADJ-C20A - Leadership Enhancement 1 unit
Prerequisite: None.
This course is STC certified and is designed to enhance the Corrections employees’ ability to work in their current capacity and enhance their leadership skills. This course may be taken two times. 22 hours lecture and 2 hours laboratory.

ADJ-C21A - Corrections Training Officer Update 1 unit
Prerequisite: None.
This course is STC certified and is designed to enhance the Corrections Training Officers’ professionalism and ability to train newly hired correctional deputies. May be taken a total of two times. 23 hours lecture and 1 hour laboratory. (Pass/No Pass only.)
ADJ-D1A - Basic Public Safety Dispatch Course  5 units  
**Prerequisite:** None.  
The 120-hour Basic Public Safety Dispatch Course is designed for law enforcement entry level Complaint Desk Dispatchers. The course provides basic skills and knowledge in proper telephone, radio techniques, stress management and local emergency medical service systems. 106 hours lecture and 14 hours laboratory.

ADJ-D1B - Dispatcher Update  1 unit  
**Prerequisite:** ADJ-D1A.  
This 24-hour course is designed for the experienced Public Safety Dispatcher as a legal and critical issues update. This course include updates in civil liability, ethics, suicidal callers and officer safety. 24 hours lecture.

ADJ-D1C - Communications Training Officer  2 units  
**Prerequisite:** ADJ-D1A.  
This course is designed to provide communications trainers with the skills, knowledge, roles and responsibilities in the training of new dispatchers. This course will emphasize the process necessary to manage the demands of being a communications trainer. 40 hours lecture.

ADJ-D3A - Responding to Suicidal Callers V  .25 unit  
**Prerequisite:** ADJ-D1A.  
This course will assist professional public safety communications officers in coping with suicidal callers. Additionally, the student will learn effective strategies in maintaining and building a rapport with mentally disturbed persons who may wish to end their lives, until the responding agency arrives. Students will develop traits and skills in dealing with both the pre- and post-effects of suicidal callers. 8 hours lecture.

ADJ-D4A - Dispatcher Role in Officer Safety  .25 unit  
**Prerequisite:** ADJ-D1A.  
This course will assist professional public safety communications officers learn their role in assisting officers during high-risk incidents. Students will learn strategies to be more helpful and effective when working with field officers during felony stops, response to high-risk calls and building searches. 4 hours lecture and 4 hours laboratory.

ADJ-D5A - Dispatcher Public Safety Advanced  .5 unit  
**Prerequisite:** None.  
This course develops dispatchers professionally and personally, by increasing their knowledge, skills and abilities to cope with challenging situations to which they are exposed on the job. Additionally, this course will increase interpersonal communication and crisis communication skills. 16 hours lecture.

ADJ-D6A - Crisis Negotiation Concepts  .25 unit  
**Prerequisite:** None.  
This course is designed to provide the student with a better understanding of identifying a crisis negotiation situation, as well as the understanding of the principles of crisis negotiation. The student will receive information on the various roles and responsibilities of a dispatcher, responding field units, and the crisis negotiations team. The course will discuss several techniques on how to combat stress during and after a crisis negotiation incident. The course will cover the importance of participating in critical incident debriefing. 8 hours lecture.

ADJ-E1A - Emergency Services Academy  2.5 units  
**Prerequisite:** None.  
This course is designed to provide the student with an overview of Special Weapons and Tactics Team (SWAT) operations. The course will focus on scouting, planning and execution of SWAT operations. 44 hours lecture and 36 hours laboratory.

ADJ-P1A - Probation Officer Core Course  8 units  
**Prerequisite:** None.  
This course is designed to provide an orientation to the role, responsibilities, and resources of the probation officer; to teach basic skills required in performances of the job; and to provide an orientation to the criminal justice system. This is an introductory course for entry level probation officers which meets the requirements of the Standards and Training for Local Corrections and Probation Officer program. 160 hours lecture and 16 hours laboratory.

ADJ-P2A - Juvenile Counselor Core Training  7.5 units  
**Prerequisite:** None.  
Responsibilities of the juvenile institutions counselor; handling emergencies; classification; dealing with assaultive clients; ethnic/cultural factors; indicators of medical physical problems, drug abuse, suicidal tendencies, gang affiliation; understanding the juvenile justice system and process; physical conditioning, daily tasks. This course is required of all juvenile institutional counselors within their first year of employment to meet the requirements of the Standards and Training for Local Corrections and Probation Officer program. 131.5 hours lecture and 28.5 hours laboratory.

ADJ-P4A - Arrest, Search and Seizure  1.5 units  
**Prerequisite:** None.  
This course provides the student with the knowledge and skills necessary to qualify for limited peace officer status powers as required by Penal Code 832. The course will emphasize laws of arrest, search and seizure, evidence and the investigative process. This course meets the curriculum standards of the California Board of Corrections and the California Commission on Peace Officers Standards and Training. 30 hours lecture and 10 hours laboratory.
ADJ-R1A2 - Level III Modular Academy Training  6.5 units  
Prerequisite: None.  
Limitation on enrollment: Fingerprint clearance through California State Department of Justice.  
This course is designed to meet the state mandated training requirements to be qualified as a Level III police reserve officer. Curriculum covers the history and ethics of law enforcement, criminal justice system, defensive tactics, information systems, criminal law, crimes against persons and property, laws of arrest, use of firearms, vehicle operations, crimes in progress and report writing. The course satisfies Peace Officer Standards and Training (POST) requirements for Level III reserve police certification. 113 hours lecture and 49 hours laboratory.

ADJ-R1B - Level II Reserve Officer Training  11 units  
Prerequisite: ADJ-R1A2.  
This course is designed to meet the state mandated training requirements to be qualified as a Level II police reserve officer. Curriculum covers victimology and crisis intervention, community relations, crimes against persons, crimes against property, general crime statutes, crimes against the justice system, laws of arrest, search and seizure, presentation of evidence, use of force, weaponless defense, unusual occurrences, hazardous materials, patrol techniques, vehicle pullovers, crimes against children, sex crimes, firearms and chemical agents, weaponless violations, persons with disabilities, crimes in progress, report writing, preliminary investigations and cultural diversity. This course satisfies Peace Officer Standards and Training (POST) requirements for Level II Police Officer certification. 189 hours lecture and 53 hours laboratory.

ADJ-R1C - Level I Modular Academy  17 units  
Prerequisite: ADJ-R1B.  
Limitation on enrollment: Completion of the POST reading and writing skills examination. Completion of POST physical fitness assessment. Possession of a valid California driver’s license. Successful completion of a medical examination. Fingerprint clearance through the California State Department of Justice.  
This course is the third module in the Regular Basic Course-Modular Format training sequence. Intensive instruction designed to meet the minimum requirements of a peace officer, or Level I Police Reserve Officer as established by state law. 246 hours lecture and 205 hours laboratory.

ADJ-R5A - Straight Stick Baton Update for Reserves  .25 unit  
Prerequisite: None.  
This course provides the Reserve Officer with an update on the basic techniques for the use of the straight stick baton. 8 hours laboratory.  
(Pass/No Pass only.)

ADJ-R6A - Oleoresin Capsicum for Reserves  .25 unit  
Prerequisite: None.  
This course provides the Reserve Officer with instruction equivalent to the Basic Academy’s presentation on aerosol chemical agents and an introduction to the use and effects of oleoresin capsicum (pepper spray) tear gas. Successful completion of this course is required for authorization to carry OC tear gas by Department Reserves. 3 hours lecture and 1 hour laboratory.

ADJ-S1A - Supervisory Course  4 units  
Prerequisite: Completion of ADJ-B1B or equivalent.  
A basic course covering the responsibilities of a law enforcement supervisor such as leadership, planning, transition, performance evaluations, investigations, employee relations, discipline, counseling, training, ethics, stress and motivation. 80 hours lecture.

ADJ-T1A - Traffic Collision Investigation: Basic  1.5 units  
Prerequisite: None.  
A basic traffic collision investigation course which meets the requirements of 40600(A) of the California Vehicle Code. Topics include traffic law, accident reporting, scene management, skid mark diagramming and determining accident cause. The course includes practical exercises. 32 hours lecture and 8 hours laboratory.

ADJ-T1B - Traffic Collision Investigation: Intermediate  1.5 units  
Advanced  
Prerequisite: ADJ-B1B, CID and T1A.  
A course in the fundamentals of skid mark analysis and documentation which helps students develop advanced skills in accident investigation. The course includes a practical exercise. The class is designed to help students improve their mathematics skills which are necessary for the advanced investigation course. 32 hours lecture and 8 hours laboratory.

ADJ-T1C - Traffic Collision Investigation:  3.5 units  
Advanced  
Prerequisite: None.  
This course is designed to introduce the student to the fundamentals of vehicle dynamics. The course will emphasize analyzing evidence, collecting evidence, and preparing documentation. 68 hours lecture and 12 hours laboratory.

ADJ-T1D - Traffic Collision Reconstruction  4 units  
Prerequisite: None.  
This course is designed to provide the student with the skills necessary to investigate traffic collision reconstruction events. The correlation between actual investigations and mathematical models is emphasized. 72 hours lecture and 8 hours laboratory.

ADJ-T2A - Radar Operations  1 unit  
Prerequisite: None.  
This course is designed to train law enforcement personnel in the operation of traffic RADAR. 20 hours lecture and 4 hours laboratory.

ADJ-T3A - Driving Under the Influence (DUI)  1 unit  
Prerequisite: None.  
This course will provide the student with an historical perspective of laws covering persons driving under the influence of alcohol/drugs. The course will introduce the student to DUI statistics, enforcement techniques, handling DUI related traffic collisions and common field sobriety testing techniques. Additionally, DUI reporting techniques and issues related to case law will be covered. 20 hours lecture and 4 hours laboratory.
ADJ-T5A - Techniques of Accident Investigation Training 1.5 units
Prerequisite: ADJ-B1B or C1D.
This course is designed to provide the student with the necessary skills to conduct basic traffic accident investigations. The course will focus on reporting procedures, investigation techniques, cause determination and vehicle damage assessment. 32 hours lecture and 8 hours laboratory. (Pass/No Pass only.)

ADJ-T10A - Radar Enforcement Training - CHP 1.5 units
Prerequisite: ADJ-B1B or C1D.
This course is designed to provide the student with the operational skills necessary to conduct radar traffic enforcement. The course will focus on the legal issues, nomenclature and practical operation of police speed control radar. 24 hours lecture and 30 hours laboratory. (Pass/No Pass only.)

ADJ-T13A - Communications Operator Training Phase I 4 units
Prerequisite: ADJ-B1B or C1D.
This course provides entry level CHP communications operators with the basic functions of their positions. The course will focus on civil liability, techniques of communications and elementary operation procedures for Computer Assisted Dispatch (CAD). 40 hours lecture and 120 hours laboratory.

ADJ-T13B - Initial Communication Operator Training - Phase II 2 units
Prerequisite: ADJ-T13A.
This course provides intermediate-level CHP communications operators with the basic functions of the position. The course will focus on departmental procedures for dispatchers, civil liability, dispatch scenarios, communication techniques and the development of the competent use of the Computer Assisted Dispatch (CAD) systems. 20 hours lecture and 60 hours laboratory.

ADJ-T15A - CPR Refresher Course .25 unit
Prerequisite: ADJ-B1B or C1D.
This course provides updated training in the methods and techniques necessary to prepare the student to competently administer rescue breathing and cardiac compression for basic life support. 4 hours lecture and 4 hours laboratory. (Pass/No Pass only.)

ADJ-T16A - Communications Operators In-Service 1 unit
Prerequisite: ADJ-B1B or C1D.
This course provides CHP communication operators with updated information on the basic functions of their positions. The course will focus on civil liability, techniques of communications and the operations of Computer Aided Dispatch (CAD). 25 hours lecture and 15 hours laboratory. (Pass/No Pass only.)

ADJ-T17A - Communications Supervisors Training .5 unit
Prerequisite: ADJ-B1B or C1D.
This course provides CHP communication supervisors with updated information on the basic functions of their positions. The course will focus on civil liability, techniques of communications and the operations of Computer Aided Dispatch (CAD). 15 hours lecture and 25 hours laboratory. (Pass/No Pass only.)

ADJ-T18A - Spanish Language for Public Safety Officers 1 unit
Prerequisite: None.
This course instructs students in Spanish required by peace officers. Students will learn sufficient command of the language to permit an officer to communicate with Spanish-speaking individuals. Officers must score a minimum of 70% on the written portion of the final examination. 20 hours lecture and 20 hours laboratory.

ADJ-T26A - Civil Disturbance Training (CHP) .25 unit
Prerequisite: None.
This course provides California Highway Patrol personnel with updates on operational guidelines and modes used in handling civil disturbance and crowd control incidents. 3 hours lecture and 5 hours laboratory.

ADJ-T31A - Motor Vehicle Inspections-Basic 1.5 units
Prerequisite: ADJ-B1B.
This course provides a collision investigator with basic information and skills necessary to conduct a mechanical systems inspection of a vehicle involved in a collision. The course covers how to conduct a complete motor vehicle inspection, from headlamps to exhaust system, in order to determine if any of the vehicle systems caused or contributed to the outcome of the incident. 32 hours lecture and 8 hours laboratory.

ADJ-T35A - Speed Determination from Crush Analysis 2 units
Prerequisite: ADJ-T1C.
This course is designed to assist experienced traffic investigators with analyzing crush deformation and the procedures for measuring vehicles involved in collisions for profile, crush deformation and principle direction of force (PDOF). 36 hours lecture and 4 hours laboratory.

ADJ-T36A - Reconstruction of Automobile Collisions Involving Pedestrians or Bicycles 1 unit
Prerequisite: ADJ-B1B.
This course emphasizes proper documentation and analysis of physical evidence related to bicycle/pedestrian collisions. 24 hours lecture.

ADJ-T37A - Reconstruction of Automobile Collisions Involving Pedestrians or Bicycles 1 unit
Prerequisite: None.
This course provides CHP communication supervisors with updated information on the basic functions of their positions. The course will focus on civil liability, techniques of communications and the operations of Computer Aided Dispatch (CAD). 25 hours lecture and 15 hours laboratory. (Pass/No Pass only.)

ADJ-T39A - Safety Services Program Update .25 unit
Prerequisite: None.
This course provides members of the California Highway Patrol with updates on departmental jurisdictional policies, field operations, MOU completion and reimbursable service agreements. 8 hours lecture. (Pass/No Pass only.)

ADJ-T42A - Safety Services Program Update .25 unit
Prerequisite: None.
This course provides members of the California Highway Patrol with updates on departmental jurisdictional policies, field operations, MOU completion and reimbursable service agreements. 8 hours lecture. (Pass/No Pass only.)

ADJ-T44A - Workplace Violence Prevention 1 unit
Instructor Training
Prerequisite: None.
This course provides California Highway Patrol (CHP) supervisors and managers with information needed to instruct both uniformed and non-uniformed CHP personnel in identifying and preventing violence in the workplace. 24 hours lecture. (Pass/No Pass only.)
ADJ-T46A - Equal Employment Opportunity (EEO)  .25 unit
Counselor/Investigator Recertification
Prerequisite: None.
This course provides annual refresher training for incumbent CHP EEO counselors and investigators covering updates on program trends, case law and other relevant information to maintain appropriate skills and knowledge necessary to provide effective EEO counseling and investigations. 6 hours lecture and 2 hours laboratory. (Pass/No Pass only.)

ADJ-T47A - Enhanced Officer Safety Training (POST)  .25 unit
Prerequisite: Basic POST certificate or equivalent.
This course is designed to instill the personal resources necessary to instinctively react and succeed during hostile encounters. This training will enhance the student’s ability to use personal as well as departmental weapons. 2 hours lecture and 6 hours laboratory. (Pass/No Pass only.)

ADJ-T53A - Preliminary Alcohol Screening (PAS)  .25 unit
Device Coordinator
Prerequisite: None.
The course provides students with information necessary to maintain and calibrate California Highway Patrol (CHP) departmental PAS devices and perform duties of an area PAS coordinator. 6 hours lecture and 2 hours laboratory.

ADJ-T61A - Communications Training Specialist  1 unit
Prerequisite: None.
This course provides instruction on how to become communications training instructors. Students are exposed to several teaching styles, how to prepare course outlines, the use of visual aids, and learning styles. 10 hours lecture and 30 hours laboratory. (Pass/No Pass only.)

ADJ-T65A - National Highway Traffic Safety Administration (NHTSA) Standardized Child Safety Training  1 unit
Prerequisite: None.
This course provides students with background and instruction necessary to properly install and evaluate safety aspects of a federally approved child safety seat. Upon completion, students will be certified by NHTSA to instruct on proper utilization of child restraint seats. 22 hours lecture and 18 hours laboratory.

ADJ-T70A - CHP-Explorer Academy Level III  3 units
Prerequisite: None.
This course is third in a series of four designed to provide California Highway Patrol (CHP) explorer cadets with an introduction of a California Highway Patrol Officer’s responsibilities. The course will focus on accident investigations, criminal investigations, child abuse, cultural discrimination, controlled substances, crimes against persons and property, domestic violence, gang awareness, traffic enforcement, physical fitness, sexual assault and harassment, search and seizure, unusual occurrences, use of force, vehicle operations and pullovers, and weapons violations. 48 hours lecture and 32 hours laboratory.

ADJ-T72A - Radioactive Materials Response and Enforcement Training
Prerequisite: None.
This course provides students with the knowledge and background necessary to effectively handle a radioactive incident and take appropriate enforcement action. 12 hours lecture and 4 hours laboratory.

ADJ-T73A - General Hazardous Materials Inspection and Compliance Training Course
Prerequisite: None.
This course provides students with instruction and procedures for inspecting hazardous materials shipments in accordance with hazardous materials regulations. Topics covered will include initiating hazardous material inspections, checking proper shipping papers, placarding, marking, labeling, packaging, loading and storage, conducting facility inspections, and documenting inspections. 36 hours lecture and 4 hours laboratory.

ADJ-T75A - Specially Marked Patrol Vehicle (SMPV) Commercial Enforcement Training Class
Prerequisite: None.
This course provides students with knowledge and background necessary for Specialty Marked Patrol Vehicle (SMPV) commercial vehicle violation enforcement in accordance with California Highway Patrol (CHP) policy. 24 hours lecture.

ADJ-W3A - Domestic Terrorism, Threats and Sabotage
Prerequisite: None.
This course provides an overview of major terrorist groups operating in Southern California. The student will learn what recent events that have taken place surrounding the activities of terrorist groups and trends. Some of the more specific topics will cover the identification of types and uses of explosives employed by terrorist organizations. Issues covering the law enforcement response will also be presented. 8 hours lecture.

ADJ-W7A - Rangemaster Course
Prerequisite: None.
Designed to introduce the student to instructional methods and adult learning styles relative to teaching firearms. The course emphasizes general firearm safety measures, equipment safety, legal aspects, firing line management and fundamentals of shooting. 15 hours lecture and 25 hours laboratory.

ADJ-W10A - Firearms
Prerequisite: None.
This course is designed to provide the student with firearms safety factors and precautions, firearms shooting principles including range firing of both handguns and shotguns. This course fulfills the firearms portion of ADJ-R1B (PC 832 Arrest and firearms). 8 hours lecture and 16 hours laboratory.
ADJ-W14A - Take Down and Ground Control .25 unit
Prerequisite: None.
This course is designed to provide the student with the skills necessary to achieve physical control of an uncooperative individual with the minimal amount of physical force. The course will emphasize the five basic components in defense and control. 4 hours lecture and 12 hours laboratory.

ADJ-W20A - Less-Lethal Training .5 unit
Prerequisite: None.
This course will familiarize the student with various types of uses for less-lethal munitions. Emphasis will be placed on general firearms safety measures, equipment safety, legal aspects, use and deployment of less-lethal munitions against noncompliant individuals. 10 hours lecture and 6 hours laboratory.

ADJ-Y1A - Explorer Academy - Basic 2.5 units
Prerequisite: None.
This course is designed to provide the police explorer scout with an overview of the basic peace officer training academy program. The course will focus on physical fitness, criminal law, crime scene searches, evidence, defensive tactics, and laws of search and seizure. May be taken a total of four times. 32 hours lecture and 66 hours laboratory.

ADJ-Y1B - Explorer Academy-Advanced 2 units
Prerequisite: ADJ-Y1A.
This course is designed to provide the police explorer scout with an overview of advanced issues related to the pursuits of law enforcement personnel. The course will focus on physical fitness, advanced report writing, leadership, bicycle patrol, controlled substance abuse, defensive tactics and laws of search and seizure. May be taken a total of four times. 24 hours lecture and 75 hours laboratory.

ADJ-Y5A - Public Safety High School Internship Academy-Part 1 2.5 units
Prerequisite: None.
Limitation on enrollment: Consent of high school counselor as required by education code.
This course is designed to develop student awareness of all facets of the public safety field including law enforcement, corrections and fire safety. Students will learn to value diversity and their awareness of, and sensitivity to, other ethnic groups and cultures. Students will explore and analyze the function of community relations, cultural diversity and how they impact the public safety field. This is the first course in a series of two introductory courses to be completed by students who have a desire to enter the public safety field. 49 hours lecture and 12 hours laboratory.

ADJ-Y5B - Public Safety High School Internship Part 2 3.5 units
Prerequisite: None.
Limitation on enrollment: ADJ-Y5A and consent of high school counselor as required by education code.
This course is designed to develop student awareness of all facets of the public safety field including law enforcement, corrections and fire safety. Students will learn to value diversity and their awareness of, and sensitivity to, other ethnic groups and cultures. Students will explore and analyze the function of community relations, cultural diversity and how they impact the public safety field. This is the second course in a series of two introductory courses to be completed by students who have a desire to enter the public safety field. 60 hours lecture and 33 hours laboratory.

AMERICAN SIGN LANGUAGE
AML-1 - American Sign Language 1 4 units
UC*, CSU
Prerequisite: None.
This course concentrates on developing the basic principles and skills of American Sign Language (ASL) through cultural appreciation and nonverbal instruction. Emphasis is placed on Deaf culture and Deaf people in history, visual training, sign vocabulary acquisition, comprehension and communicative skills development, as well as basic structural and grammatical patterns of ASL discourse at the beginning level. 72 hours lecture and 18 hours laboratory. (TBA option)

AML-2 - American Sign Language 2 4 units
UC, CSU
Prerequisite: AML-1.
Further development of basic ASL skills in comprehension and expression. A continued emphasis on the acquisition of ASL vocabulary, fingerspelling, structures and grammatical patterns necessary for comprehension of standard signed ASL at the beginning/intermediate level. Nonverbal techniques are employed to further enhance the students’ complex non-manual grammatical structures as well. 72 hours lecture and 18 hours laboratory. (TBA option)
ANATOMY AND PHYSIOLOGY

AMY-2A - Anatomy and Physiology, I  4 units
UC, CSU
Prerequisite: None.
First of a two course sequence that introduces students to the basic concepts and principles of anatomy and physiology. This course will provide a foundation for advanced study of the human body. The course covers body orientation and organization, cells and tissues, the skeletal and muscular system, and the eye and ear. Designed to meet the prerequisite for professional programs, e.g. nursing, dental hygiene, and physical therapy. 36 hours lecture and 108 hours laboratory.

AMY-2B - Anatomy and Physiology, II  4 units
UC, CSU
Prerequisite: AMY-2A.
Second of a two course sequence in anatomy and physiology that covers these systems: nervous, endocrine, cardiovascular, respiratory, urinary, digestive, and reproductive. 36 hours lecture and 108 hours laboratory.

AMY-10 - Survey of Human Anatomy and Physiology  3 units
CSU
Prerequisite: None.
An introductory and survey course of structural and functional aspects of the human body. Emphasis is placed on cell organization, human tissues and discussion of each of the human systems. 54 hours lecture.

ANTHROPOLOGY

ANT-1 - Physical Anthropology  3 units
UC, CSU
Prerequisite: None.
An introduction to human biological evolution, physical diversity, and relationship to the animal world, using scientific and comparative methods. Incorporates the study of genetics, fossils, primates, and modern human variation within an evolutionary framework. 54 hours lecture.

ANT-2 - Cultural Anthropology  3 units
UC, CSU
Prerequisite: None.
An introduction to the anthropological concept of culture and to the methods and theories used in the comparative analysis of cultures. Cultural practices and institutions are examined using perspectives that enhance effective participation in a culturally diverse world. 54 hours lecture.

ANT-4 - Native American Cultures  3 units
UC, CSU
Prerequisite: None.
A survey of Native American cultures from the pre-Columbian period through conquest and reservation life and into the present. Incorporates evidence from archaeology, oral history, personal narratives, and other sources. Emphasis will be on the growth of Native American cultures, modern communities, including urban life, social and religious institutions, and traditional cultural elements and artistic traditions. 54 hours lecture.

ANT-7 - Anthropology of Religion  3 units
UC, CSU
Prerequisite: None.
Introduction to the anthropological study of religion in world cultures, using a cross-cultural approach to the analysis of beliefs, rituals, mythology, and the role of religion in society, particularly focusing on non-Western traditional societies. 54 hours lecture.

ANT-8 - Language and Culture  3 units
UC, CSU
Prerequisite: None.
An introduction to the anthropological study of language in world cultures. Characteristics of human verbal and non-verbal communication, language diversity and change, and the relationship of language to culture and social groups. 54 hours lecture.

ART

ART-1 - History of Western Art: Prehistoric, Ancient, and Medieval  3 units
UC, CSU
Prerequisite: None.
Advisory: Qualification for ENG-IA.
Survey of the history of Western art: painting, architecture and sculpture, Prehistoric through the Medieval periods. 54 hours lecture.

ART-2 - History of Western Art: Renaissance through Contemporary  3 units
UC, CSU
Prerequisite: None.
Advisory: Qualification for ENG-IA.
Survey of the history of Western art: painting, architecture, and sculpture, from the Renaissance through contemporary art. 54 hours lecture. (Letter Grade, or Pass/No Pass option.)

ART-6 - Art Appreciation  3 units
UC, CSU
Prerequisite: None.
Advisory: Qualification for ENG-IA.
An introductory course for the non-art major. The creative process and the diversity of style, technique and media evident in various art forms throughout history and culture. Students may not receive credit for both ART-6 and ART-6H. 54 hours lecture. (Letter Grade, or Pass/No Pass option.)
ART-6H - Honors Art Appreciation 3 units
UC, CSU
Prerequisite: None.
Advisory: Qualification for ENG-1A.
Limitation on enrollment: Enrollment in the Honors program.
An introductory course designed for the non-art major. The creative process and the diversity of styles, technique and media evident in various art forms throughout history and culture. Honors course offers an enriched experience for accelerated students through limited class size; seminar format; focus on primary texts; and application of higher level critical thinking skills. Students may not receive credit for both ART-6 and ART-6H. 54 hours lecture. (Letter Grade, or Pass/No Pass option.)

ART-17 - Beginning Drawing 3 units
UC, CSU
Prerequisite: None.
An introduction to the fundamentals of drawing in a variety of media. The exploration of the elements of art, the principles of composition, perspective and the development of observational, motor and creative skills. Emphasis will be on black and white media. Students pay for their own materials. 36 hours lecture and 72 hours laboratory. (Letter Grade, or Pass/No Pass option.)

ART-18 - Intermediate Drawing 3 units
UC, CSU
Prerequisite: ART-17 or 22.
Continued study of the skills acquired in Beginning Drawing, with the emphasis on the use of color media. Basic color theory, with the academic, psychological and the possibilities of color, will be explored in thoughtful compositions. Students pay for their own materials. 36 hours lecture and 72 hours laboratory. (Letter Grade, or Pass/No Pass option.)

ART-22 - Basic Design 3 units
UC, CSU
Prerequisite: None.
An introduction to the fundamentals of two-dimensional design. The organization of visual elements (line, shape, space, value, texture and color) according to the principles of design. Emphasis placed on visual perception, theory, dexterity, problem solving, analysis, application, skill and presentation. Students pay for their own materials. 36 hours lecture and 72 hours laboratory. (Letter Grade, or Pass/No Pass option.)

ART-23 - Design and Color 3 units
UC, CSU
Prerequisite: ART-17 or 22.
A continued study of the principles of two-dimensional design. The practice of the organization of the visual elements (line, shape, space, value, texture and color) according to the principles of design. Emphasis placed on color theory and more advanced methods of communicating ideas through design. Students pay for their own materials. Total of 36 hours lecture and 72 hours laboratory. (Letter Grade, or Pass/No Pass option.)

ART-25 - Watercolor Painting 3 units
UC, CSU
Prerequisite: ART-17 or 22.
Introduction to the fundamentals of painting with transparent watercolors. Various techniques, tools and materials will be explored. Composition, idea, method, color and creativity will be examined. Students pay for their own materials. 36 hours lecture and 72 hours laboratory. (Letter Grade, or Pass/No Pass option.)

ART-26 - Beginning Painting 3 units
UC, CSU
Prerequisite: ART-17 or 22.
An introduction to the fundamentals of painting (oil or acrylic); various techniques and the application of color theory. An exploration of the media, the development of visual perception and compositional and creative skills. Students pay for their own materials. 36 hours lecture and 72 hours laboratory. (Letter Grade, or Pass/No Pass option.)

ART-27 - Intermediate Painting 3 units
UC, CSU
Prerequisite: ART-23 or 26.
Continued study of painting (oil or acrylic); various techniques and the application of color theory. Development of visual perception, and compositional and creative skills. Students pay for their own materials. 36 hours lecture and 72 hours laboratory. (Letter Grade, or Pass/No Pass option.)

ART-28 - Studio Painting 3 units
UC, CSU
Prerequisite: ART-26 or 27
Continued painting studio work with emphasis on individual problems for the self-motivated student. Specific agreement identifying intent, ideas, goals, and media, to be arranged between instructor and student. Subsequent enrollment will provide an opportunity for development and refinement in the art form. Students are expected to pay for their own materials. May be taken a total of two times. 36 hours lecture and 72 hours laboratory. (Letter Grade, or Pass/No Pass option.)

ART-36 - Computer Art 3 units
UC, CSU
Prerequisite: None.
Advisory: ART-17 or 22, and computer experience.
Introduction to using digital media as a tool for creative arts. The exploration of the visual characteristics of electronic imagery. Emphasis will be on the essentials of fine art and design, as it relates to projects solved on the computer and/or other electronic equipment using art related software. Students pay for their own materials. May be taken a total of two times. 36 hours lecture and 72 hours laboratory. (Letter Grade, or Pass/No Pass option.)

Advisory: High school biology or any college life science course with laboratory.
BIT-1 - Introduction to Biotechnology  
1 unit  
CSU  

Prerequisite: None.  
Lecture course to introduce students to career options and general work skills in biotechnology. General work skills include record keeping, business ethics and safety. 18 hours lecture.

BIT-20 - Introduction to Biotechnology  
3 units  
CSU  

Prerequisite: None.  
This course is designed as a preparation course for students interested in further studies in biotechnology, for entry-level positions. Course material includes an integrated study of the basic principles of biotechnology counting genes and genomes, recombinant DNA technology, and proteins. Students will explore various types of biotechnology and their products with an emphasis on application in medicine, health care and agriculture. Discussions on the biotechnology workforce, and biological challenges of the 21st century including ethical and social implications will be included. 54 hours lecture.

BIT-21 - Laboratory Techniques  
3 units  
CSU  

Prerequisite: None.  
This course is designed as a preparation course in the laboratory settings for students interested in further studies in biotechnology or for entry-level positions. Course material includes fundamentals of good laboratory practice and an associated vocabulary that underline work in biotechnology. Students will receive hands-on experience exploring basic laboratory operations such as preparing solutions and molarity calculations, safety procedures, and data entry skills. 27 hours of lecture and 81 hours laboratory.

BIT-22 - DNA Techniques  
2 units  
CSU  

Prerequisite: BIT-20.  
This course is a lab-centered course exploring DNA techniques for students interested in further studies in biotechnology, for entry-level positions or work advancement. Students will receive hands-on experience working with human and bacterial DNA by extracting, purifying, amplifying and analyzing genomic and plasmid DNA. Course techniques include agarose gel electrophoresis, restriction enzyme digestion, introduction to polymerase chain reaction and elements of bioinformatics pertaining to DNA. 18 hours lecture and 54 hours laboratory.

BIT-23 - Protein Techniques  
2 units  
CSU  

Prerequisite: BIT-20.  
This course is a lab-centered course exploring protein techniques for students interested in further studies in biotechnology, for entry-level positions or work advancement. Students will receive hands-on experience in protein isolation, purification and analysis. Course techniques include spectrophotometric assays, ion-exchange chromatography, colorimetric enzymatic assays, protein gel electrophoresis, introduction to immunodetection assays, and elements of bioinformatics pertaining to proteins. 18 hours lecture and 54 hours laboratory.

BIT-24 - Principles of Culture Techniques  
3 units  
CSU  

Prerequisite: BIT-20.  
This course is a lab-centered course exploring culture techniques for students interested in further studies in biotechnology, for entry-level positions or work advancement. Students will receive hands-on experience in cell and tissue cultures. Course techniques include sterile technique and media preparation for cell and tissue cultures, maintaining cell and tissue culture, and testing cell viability using chemical assays and bright field microscopy. 27 hours lecture and 81 hours laboratory.

BIT-25 - Research Presentation  
2 units  
CSU  

Prerequisite: BIT-20.  
This course is a lecture/presentation course introducing students to technical writing for scientific documents and delivering oral presentation for topics in biotechnology. Students will develop skills in library research (including Internet database searches) to collect and organize data for scientific document including proposals and papers. Government and industry regulations will be introduced for students to develop skills in presenting data in accordance to biotechnological regulation and legislation. 36 hours lecture.

BIT-200 - Biotechnology Work Experience  
1-2-3-4 units  
CSU*  

Prerequisite: None.  
Advisory: Students should have paid or voluntary employment.  
This course is designed to coordinate the student’s occupational on-the-job training with related classroom instruction. Students enrolled in this occupational work experience course must be employed in a field related to the work experience subject area. Students may earn up to four (4) units each semester for a maximum of 16 units of work experience. No more than 20 hours per week may be applied toward the work requirement. 18 hours lecture. Additionally, 60 hours of volunteer work or 75 hours of paid work is required for each unit.
BLACK STUDIES

In cooperation with representatives of the Black community, Riverside Community College District has developed a number of courses designed to meet the special needs and interests of Black students. At the same time, these courses provide an opportunity for other students to develop an understanding of and appreciation for the richness of the Black heritage and its contributions to American life.

Among these courses are:

- ENG-20 Survey of African American Literature

BUSINESS ADMINISTRATION

BUS-3 - Computer Applications for Business 3 units
(Same as CAT/CIS-3)
CSU
Prerequisite: None.
This course introduces a suite of computer applications to students preparing to enter business, and office professions. Individuals who are already established in these professions may also benefit from skills emphasized which include: use of basic operating system functions, file management, word processing, spreadsheets, database management, and presentation graphics. 54 hours lecture and 18 hours laboratory. (TBA option) (Letter Grade, or Pass/No Pass option.)

BUS-10 - Introduction to Business 3 units
UC, CSU
Prerequisite: None.
Scope, function, and organization of contemporary business; fundamentals, concepts, principles, and current practices in the major areas of business activity with an integrated global perspective. 54 hours lecture.

BUS-18A - Business Law, I 3 units
UC*, CSU
Prerequisite: None.
The social and practical basis of the law. Covers the legal and ethical environment of business, contracts, agency and employment, and the law of sales. 54 hours lecture.

BUS-18B - Business Law, II 3 units
UC*, CSU
Prerequisite: None.
Commercial paper, secured transactions, bankruptcy, agency and employment, business organizations, governmental regulations, international law, real and personal property and trusts and estates. 54 hours lecture.

BUS-20 - Business Mathematics 3 units
Prerequisite: None.
Application of fundamental problem solving concepts, techniques, and skills relating to quantitative aspects of business. The development and solution of first degree equations relating to percentage, merchandise pricing, negotiable instruments, credit, depreciation, and inventory will be emphasized. 54 hours lecture.

BUS-22 - Management Communications 3 units
CSU
Prerequisite: None.
Advisory: CAT-30.
Examines the dynamics of organizational communication including a cross cultural emphasis. Practical experience is attained in verbal, non-verbal and interpersonal communication. Includes business report writing, letter writing and resume writing. 54 hours lecture.

BUS-30 - Entrepreneurship and Small Business 3 units
Management
CSU
Prerequisite: None.
Identify and evaluate opportunities for start-up and existing small businesses. Investigate concepts tools and practices associated with identifying or creating new venture opportunities. Explore ways to shape and evaluate the viability of these opportunities by understanding key industry factors, market and competitive factors, and customer needs. 54 hours lecture. (Letter Grade, or Pass/No Pass option.)

BUS-40 - International Business-Principles 3 units
CSU
Prerequisite: None.
A comprehensive overview of international business designed to provide both beginners and experienced business people with a global perspective on international trade including foreign investments, impact of financial markets, and the operation of multinational corporations. 54 hours lecture. (Letter Grade, or Pass/No Pass option.)

BUS-43 - International Business-Marketing 3 units
CSU
Prerequisite: None.
Advisory: BUS-10 or MKT-20.
Presents the problems of marketing in the international marketplace and how marketers approach and solve them. The course focuses on concepts and principles by teaching the theory and practice of international marketing. Included are: the United States international marketing position, market entry strategies, analysis of foreign markets, culture and marketing, product, pricing, distribution, promotion and sales. 54 hours lecture. (Letter Grade, or Pass/No Pass option.)

BUS-46 - International Business-Introduction to Importing/Exporting 3 units
CSU
Prerequisite: None.
An introduction to the current U.S. position in the global trade arena with an emphasis on the import/export concerns of the small U.S. firm. Includes import/export assessment, methods of import/export, resources of import/export advice, international market research methods, aspects of overseas buying/selling practices, and import/export documentation and shipping. 54 hours lecture.
BUS-47 - Applied Business and Management Ethics  
(Same as MAG-47)  
CSU  
Prerequisite: None.  
An examination of ethical concerns in business decision making. Includes corporate, personal, global, governmental, public, environmental, product, and job-related issues. Case studies and corporate ethics programs and audits also covered. 54 hours lecture.

BUS-48 - International Management  
CSU  
Prerequisite: None.  
Advisory: BUS-10 or MAG-44.  
A beginning focus for managing resources at the international level. Case studies are used to examine what a manager would need to know to function as effectively as possible in other cultures. 54 hours lecture.  
(Letter Grade, or Pass/No Pass option.)

BUS-51 - Principles of E-Commerce  
Prerequisite: None.  
Advisory: BUS-10, and CIS-1A.  
An introduction to electronic commerce focusing on business, technological and social issues in today’s global market. Provides the theory and practice of conducting business over the Internet and the World Wide Web. 54 hours lecture.

BUS-53 - Introduction to Personal Finance  
Prerequisite: None.  
An introduction to personal finance focusing on mastering the key concepts involved in attaining personal wealth. Personal finance focuses on the concepts, decision-making tools, and applications of financial planning. A financial plan will be utilized to guide decisions today and in years to come. Additional emphasis will be placed on interpreting financial information obtained online, the theory and practice regarding income tax law, health insurance provisions, retirement programs and personal investing. 54 hours lecture.

BUS-200 - Business Administration  
Work Experience  
1-2-3-4 units  
Prerequisite: None.  
Advisory: Students should have paid or voluntary employment.  
This course is designed to coordinate the student’s occupational on-the-job training with related classroom instruction. Students enrolled in this occupational work experience course must be employed in a field related to the work experience subject area. Students may earn up to four (4) units each semester for a maximum of 16 units of work experience. No more than 20 hours per week may be applied toward the work requirement. 18 hours lecture. Additionally, 60 hours of volunteer work or 75 hours of paid work is required for each unit.

CHE-1A - General Chemistry, I  
UC*, CSU  
Prerequisite: CHE-2A or 3 and MAT-35.  
The student will explore simple chemical systems, their properties and how they can be investigated and understood in terms of stoichiometry, gas laws, elementary thermodynamics, atomic structure and bonding. Laboratory techniques in the investigation of chemical systems. Students may not receive credit for both CHE-1A and CHE-1AH. 54 hours lecture and 108 hours laboratory.

CHE-1AH - Honors General Chemistry, I  
UC*, CSU  
Prerequisite: CHE-2A or 3, and MAT-35.  
Limitation on enrollment: Enrollment in the Honors program.  
The student will explore simple chemical systems, their properties and how they can be investigated and understood in terms of stoichiometry, gas laws, elementary thermodynamics, atomic structure and bonding. Laboratory techniques in the investigation of chemical systems. The honors course offers an enriched experience for accelerated students through limited class size; seminar format; focus on primary texts; and application of higher level critical thinking skills. A thematic approach developing a chemical concept in detail will be used rather than a topic based approach. Laboratory will involve completion of directed research projects with submission of standard operating procedures (SOPs) or papers in appropriate scientific format. Students may not receive credit for both CHE-1A and CHE-1AH. 54 hours lecture and 108 hours laboratory.

CHE-1B - General Chemistry, II  
UC*, CSU  
Prerequisite: CHE-1A or 1AH.  
Continued exploration of the principles of chemistry with emphasis on kinetics, thermodynamics, acid-base theory, equilibrium and electrochemistry. Special topics from descriptive inorganic chemistry, nuclear chemistry and introductory organic chemistry. Laboratory techniques in the investigation of chemical systems. Students may not receive credit for both CHE-1B and CHE-1BH. 54 hours lecture and 108 hours laboratory.
CHE-1BH - Honors General Chemistry, II 5 units
UC*, CSU
Prerequisite: CHE-1A or 1AH.
Limitation on enrollment: Enrollment in the Honors program.
Continued exploration of the principles of chemistry with emphasis on kinetics, thermodynamics, acid-base theory, equilibrium and electrochemistry. Special topics from descriptive inorganic chemistry, nuclear chemistry and introductory organic chemistry. Laboratory techniques in the investigation of chemical systems. The honors course offers an enriched experience for accelerated students through limited class size; seminar format; focus on primary texts; and application of higher level critical thinking skills. A thematic approach developing a chemical concept in detail will be used rather than a topic based approach. Laboratory will involve completion of directed research projects with submission of standard operating procedures (SOPs) or papers in appropriate scientific format. Students may not receive credit for both CHE-1B and CHE-1BH. 54 hours lecture and 108 hours laboratory.

CHE-2A - Introductory Chemistry, I 4 units
UC*, CSU
Prerequisite: MAT-52.
Introduction to the nature of chemicals, their properties, chemical bonding, reactions and mixtures. Applications to health and environmental topics. Fulfills the needs of non-science majors. 54 hours lecture and 54 hours laboratory.

CHE-2B - Introductory Chemistry, II 4 units
UC*, CSU
Prerequisite: CHE-2A.
Introduction to organic and biochemistry including: (1) structure, nomenclature and reactions of some organic compounds and drugs, (2) structure and metabolism of carbohydrates, lipids, proteins, and nucleic acids and (3) enzyme activity and inhibition. Meets the chemistry requirement for nursing, physical education, paramedics, nutrition, dental hygiene, physical therapy assistants, and inhalation therapy majors. 54 hours lecture and 54 hours laboratory.

CHE-10 - Chemistry for Everyone 3 units
UC*, CSU
Prerequisite: None.
A lecture-demonstration presentation of the basic principles of chemistry with special emphasis on how chemistry applies and contributes to society. The course is designed to provide a general overview of chemistry with emphasis on historical, industrial, environmental, organic, biological and nuclear aspects. CHE-10 covers a wide variety of topics ranging from atoms and molecules, acids and bases, organic and biochemistry, to a look at genetics and nuclear chemistry. The chemistry of air and water pollution is also discussed. This course is designed for students desiring a general knowledge of the field and fulfills the natural science requirement for the Associate of Arts Degree. 54 hours lecture.

CHE-17 - Introduction to the Development of Modern Science
(Same as PHS-17)
UC, CSU
Prerequisite: None.
Advisory: Qualification for ENG-1A.
A survey of the rise of modern science in Western civilization from the Scientific Revolution of the 16th and 17th centuries through the biological and earth science revolutions of the 20th century. The historical forces that led to major scientific developments and the impact of science and science-based technology on society will be examined. 54 hours lecture.

CHICANO STUDIES
Several courses have been developed to meet the special needs of Chicano (Mexican-American) students. In varying degrees, these seek to (1) establish the Chicano student’s identity with the culture, the history, and the elements of the Chicano lifestyle today; (2) provide all Riverside Community College District students with objective, well-planned courses involving the often neglected multiracial aspects of American society; and (3) offer learning experiences that will develop and improve scholastic abilities.

Among these courses are:
- ESL-54 - Intermediate Writing and Grammar
- ESL-55 - Advanced Writing and Grammar
- ESL-73 - High Intermediate Reading and Vocabulary
- ESL-93 - Oral Skills III: Advanced Oral Communications
- HIS-8 and 9 - History of the Americas
- SOC-10 - Race and Ethnic Relations

COMMUNICATION STUDIES
(Formerly SPEECH COMMUNICATIONS-SPE)
COM-1 - Public Speaking 3 units
UC, CSU
Prerequisite: None.
Advisory: COM-51 and/or qualification for ENG-1A.
Prepares students to compose (develop outlines and research) and present a minimum of four speeches, including informative and persuasive presentations in front of a live audience. Emphasis will include: different purposes of speaking, types of speeches and organizational patterns, topic choice and audience adaptation, rhetorical principles, development and support of sound reasoning and argument, theories of persuasion, application of ethics in public speaking, listening skills, and theory and principles of effective delivery. Students will speak formally for a minimum of 20 total semester minutes. 54 hours lecture. (Letter Grade, or Pass/No Pass option.)
COM-1H - Honors Public Speaking  
3 units  
UC, CSU  
Prerequisite: None.  
Advisory: COM-51 and/or qualification for ENG-1A.  
Limitation on enrollment: Enrollment in the Honors program.  
Prepares students to compose (develop outlines and research) and present a minimum of four speeches, including informative and persuasive presentations in front of a live audience. Emphasis will include the enhanced exploration of: different purposes of speaking, types of speeches and organizational patterns, topic choice and audience adaptation, rhetorical principles, development and support of sound reasoning and argument, theories of persuasion, application of ethics in public speaking, listening skills, and theory and principles of effective delivery. Students will speak formally for a minimum of 20 total semester minutes. Honors course offers an enriched experience for accelerated students through limited class size; seminar format; focus on primary texts; and application of higher level critical thinking skills. Students may not receive credit for both COM-1 and COM-1H. 54 hours lecture. (Letter Grade, or Pass/No Pass option.)

COM-2 - Persuasion in Rhetorical Perspective  
3 units  
CSU  
Prerequisite: None.  
Advisory: COM-51 and/or qualification for ENG-1A.  
Develops persuasion from a rhetorical perspective with emphasis on the Ciceronian Canons of Rhetoric and the Aristotelian forms of proof: ethos, pathos, and logos. Includes practical application of these rhetorical theories in understanding and analyzing classical, post renaissance, and contemporary public address. Also incorporates presentation on persuasive issues, rhetorical analyses, and role play. Students will deliver a minimum of three oral presentations. 54 hours lecture. (Letter Grade, or Pass/No Pass option.)

COM-3 - Argumentation and Debate  
3 units  
UC*, CSU  
Prerequisite: None.  
Advisory: COM-51 and/or qualification for ENG-1A.  
Covers theoretical underpinnings of argumentation and debate including a systematic approach to the process of debate, theories of argumentation as related to topic analysis, research, case construction, rebuttals, cross-examination, utilization of sound reasoning, and the importance of ethical behavior in debate. Focus is on effective delivery of verbal and nonverbal communication as well as effective listening. 54 hours lecture. (Letter Grade, or Pass/No Pass option.)

COM-5 - Parliamentary Procedure  
1 unit  
CSU  
Prerequisite: None.  
Covers the nature, use, and function of formal parliamentary procedure in public meetings. Includes critical analysis of speaking and parliamentary discussion on contemporary public issues and focuses on the use of parliamentary procedures to facilitate group discussion. 18 hours lecture. (Letter Grade, or Pass/No Pass option.)

COM-6 - Dynamics of Small Group Communication  
3 units  
UC, CSU  
Prerequisite: None.  
Advisory: COM-51 and/or qualification for ENG-1A.  
Provides an introduction to the dynamics of communication in purposeful small groups (i.e. problem-solving). Theoretical knowledge of small group communication becomes the basis for the practical application of group development, problem-solving, decision-making, discussion, interaction and presentation. Develops student competence and confidence as a group member and leader. Oral group presentations required. Students will speak formally as part of a group for a minimum of 20 semester minutes. 54 hours lecture. (Letter Grade, or Pass/No Pass option.)

COM-7 - Oral Interpretation of Literature  
3 units  
UC, CSU  
Prerequisite: None.  
Advisory: COM-51 and/or qualification for ENG-1A.  
Preparation and presentation of interpreting literature (prose, poetry and drama). Principles and techniques of interpreting the printed page are related to preparing and presenting an oral interpretation of literature for an audience. Provides opportunities for cultural enrichment, literary analysis, creative outlet, articulate expression and improved speaking ability. Oral presentations required. 54 hours lecture. (Letter Grade, or Pass/No Pass option.)

COM-9 - Interpersonal Communication  
3 units  
UC, CSU  
Prerequisite: None.  
Advisory: COM-51 and/or qualification for ENG-1A.  
Analyzes the dynamics of the two-person communication process in relationships. Students study values, communication models, listening, verbal and nonverbal communication, perception, self-concept, self-disclosure, management of emotions, relationship theories and conflict resolution. 54 hours lecture. (Letter Grade, or Pass/No Pass option.)

COM-9H - Honors Interpersonal Communication  
3 units  
UC, CSU  
Prerequisite: None.  
Advisory: COM-51 and/or qualification for ENG-1A.  
Limitation on enrollment: Enrollment in the Honors program.  
Prepares students to compose (develop outlines and research) and present a minimum of four speeches, including informative and persuasive presentations in front of a live audience. Emphasis will include the enhanced exploration of: different purposes of speaking, types of speeches and organizational patterns, topic choice and audience adaptation, rhetorical principles, development and support of sound reasoning and argument, theories of persuasion, application of ethics in public speaking, listening skills, and theory and principles of effective delivery. Students will speak formally for a minimum of 20 total semester minutes. Honors course offers an enriched experience for accelerated students through limited class size; seminar format; focus on primary texts; and application of higher level critical thinking skills. Students may not receive credit for both COM-9 and COM-9H. 54 hours lecture. (Letter Grade, or Pass/No Pass option.)
COM-11 - Storytelling 3 units
CSU
Prerequisite: None.
Advisory: COM-51 and/or qualification for ENG-1A.
A study of the history, theory, and practice of the oral art of storytelling. The historical and current practice of the oral tradition of both prose and poetry will be covered using a multicultural perspective. Students will research, prepare, and perform stories from a variety of genres and cultures. Oral presentations required. 54 hours lecture. (Letter Grade, or Pass/No Pass option.)

COM-12 - Intercultural Communication 3 units
UC, CSU
Prerequisite: None.
Advisory: COM-51 and/or qualification for ENG-1A.
Traces the reciprocal relationship between culture and communication. As people from different culture groups interact, the markings of culture, personality and interpersonal perception have an impact on their interaction. The course reveals the relationship between those interaction patterns. This influence ranges widely, and includes definitions of culture, an understanding of intercultural theories, creation of a culture, cultural adaptation, intercultural effectiveness in relationships and ethno-linguistic identities. 54 hours lecture. (Letter Grade, or Pass/No Pass option.)

COM-13 - Gender and Communication 3 units
UC, CSU
Prerequisite: None.
Advisory: COM-51 and/or qualification for ENG-1A.
A study of theories that address communication styles including similarities and differences between masculine and feminine gender types. Integrates theories to heighten students’ awareness of the importance of gender as a communication variable. Theoretical approaches to the development of gender are discussed. Gender communication issues are addressed with an emphasis on listening, perception, verbal, nonverbal communication, and conflict management in interpersonal, small group and various other contexts. 54 hours lecture. (Letter Grade, or Pass/No Pass option.)

COM-19 - Reader’s Theater 3 units
CSU
Prerequisite: None.
Advisory: COM-51 and/or qualification for ENG-1A.
Study of literary genres and their applicability to various Readers’ Theatre methods of presentation. Literary research and selection of material are applied in the preparation of scripts and oral presentation while adhering to Readers’ Theatre style, approach, and technique. 54 hours lecture. (Letter Grade, or Pass/No Pass option.)

COM-51 – Enhancing Communication Skills 1 unit
Prerequisite: None.
Pre-collegiate introduction to fundamentals of communication skills in various contexts. Designed to provide students with the necessary communication skills for college success, and outlines the basics of rhetorical principles which will assist in the development and organization of ideas within various communication contexts including public speaking and interpersonal communication. Focuses on choosing a topic for speeches/papers, research and outlining methods, as well as techniques for presentation with a particular focus on managing speech anxiety. 18 hours lecture. (Non-degree credit course. Letter Grade, or Pass/No Pass option.)

COMMUNITY INTERPRETATION

CMI-61 - Introduction to Spanish English Translation 3 units
Prerequisite: None.
Advisory: This course is intended for students with near native writing skills in Spanish and English.
This course is an introduction to Spanish/English translation with an emphasis on developing writing style appropriate to text type. Text types covered will include correspondence, news media texts, and informational texts of a general nature. Students will focus on comprehension of source language texts and accurate expression of content in translations. Theoretical readings will be used to familiarize students with strategies, techniques and approaches to solving translation challenges. The course will cover the appropriate use of research materials as aids to translation. 54 hours lecture.

CMI-71 - Bilingual Interpretation for the Medical Professions
Prerequisites: None.
Limitation on enrollment: This course is intended for students with near native fluency in Spanish and English.
This course is an introduction to oral interpretation theory and practice in the medical professions, with emphasis on anatomy, illnesses and cultural diversity in institutional procedures. This course concentrates on developing general skills in sight translation, consecutive interpretation, and simultaneous interpretation, and includes a field observation component. 90 hours lecture and 54 hours laboratory. (TBA option)

CMI-72 - Intermediate Medical Interpreting 4 units
Prerequisite: CMI-71.
This course builds upon skills and knowledge obtained and practiced in CMI-71. Although the course will continue to highlight medical terminology specific to the provision of all aspects and levels of patient healthcare services, emphasis is on medical specialties and subspecialties, including specialized procedures, uncommon diagnoses, and workers’ compensation. Students continue to practice modes of interpretation, with emphasis placed on speed, accuracy, and interpretation of non-standard language/speech patterns. Public speaking, vocabulary building, and test-taking strategies will also be covered. Students will be required to observe the work of professional interpreters in the healthcare setting. 72 hours lecture.
CMI-81 - Bilingual Interpretation for the Legal Professions
6 units
Prerequisite: None.

Limitation on enrollment: This course is intended for students with near native fluency in Spanish and English. This course is an introduction to oral interpretation theory and practice in the legal professions, with emphasis on criminal law, civil law, mental health hearings, and cultural diversity in procedures. This course concentrates on developing general skills in sight translation, consecutive interpretation and simultaneous interpretation, and includes a field-observation component. 90 hours lecture and 54 hours laboratory. (TBA option)

CMI-82 - Intermediate Legal Interpreting
4 units
Prerequisite: CMI-81.

This course builds upon skills practiced in CMI-81. Students review sight translation and consecutive interpretation. Considerable emphasis will be placed on simultaneous interpretation. Terminology covered will include Spanish-English legal terminology as well as the lexicon of fingerprinting, firearms, controlled substances and other subject areas dealt within court interpreting. Emphasis will be placed upon public speaking, discourse analysis and dual task exercises. 72 hours lecture.

CMI-91 - Introduction to Translation and Interpretation for Business
3 units
Prerequisite: None.

Limitation on enrollment: This course is intended for students with near native fluency in Spanish and English. This course is an introduction to Spanish/English translation and interpretation as practiced in business settings. Students will focus on developing skills in interpreting and written translation while acquiring business terminology in Spanish and English. Emphasis will be placed on written translation and consecutive interpretation. Acquisition of bilingual business terminology will be reinforced through readings, oral practice and written work. 54 hours lecture.

CMI-200 - Community Interpretation
1-2-3-4 units
Prerequisite: None.

Advisory: Students should have paid or voluntary employment.

This course is designed to coordinate the student’s occupational on-the-job training with related classroom instruction. Students enrolled in this occupational work experience course must be employed in a field related to the work experience subject area. Students may earn up to four (4) units each semester for a maximum of 16 units of work experience. No more than 20 hours per week may be applied toward the work requirement. 18 hours lecture. Additionally, 60 hours of volunteer work or 75 hours of paid work is required for each unit.

CAT-1A - Business Etiquette
1 unit
Prerequisite: None.

This course provides students with both the knowledge and skills required to quickly apply business standards of acceptable behavior and etiquette to project a professional image. It addresses additional topics, such as financial planning, appropriate use of workplace technologies, and written business communications, that students need to know when transitioning from campus to the workplace. 18 hours lecture. (Letter Grade, or Pass/No Pass option.)

CAT-3 - Computer Applications for Business
3 units
(Same as BUS/CIS-3)
CSU
Prerequisite: None.

This course introduces a suite of computer applications to students preparing to enter business, and office professions. Individuals who are already established in these professions may also benefit from skills emphasized which include: use of basic operating system functions, file management, word processing, spreadsheets, database management, and presentation graphics. 54 hours lecture and 18 hours laboratory. (TBA option) (Letter Grade, or Pass/No Pass option.)

CAT-30 - Business English
3 units
Advisory: Keyboarding skills or CAT-53 and familiarity with Microsoft Word or CAT-34A.

Examines the mechanics of business communications. Includes a study of grammar fundamentals, sentence structure, punctuation, vocabulary, and spelling. 54 hours lecture. (Letter Grade, or Pass/No Pass option.)

CAT-31 - Business Communications
3 units
CSU
Prerequisite: None.

Advisory: CAT-30.

This course is designed to teach the fundamentals of written and oral communication in business by providing specific practical applications. Emphasis will be on written and oral communications, stressing the most common forms of correspondence. 54 hours lecture. (Letter Grade, or Pass/No Pass option.)

CAT-50 - Keyboarding and Document Processing
3 units
Prerequisite: None.

Develops motor coordination, memory, thinking and problem solving skills. Includes mastery of the keyboard on computers and introduction to personal and business typing using word processing software. 54 hours lecture and 18 hours laboratory. (TBA option) (Letter Grade, or Pass/No Pass option.)
CAT-51 - Intermediate Typewriting/Document Formatting
3 units

Prerequisite: None.
Advisory: Beginning typing skills and familiarity with basic business document formats; CAT-50.

Develops professional typing skills. Includes business letters, manuscripts, reports, and tables. 54 hours lecture and 18 hours laboratory. (TBA option) (Letter Grade, or Pass/No Pass option.)

CAT-53 - Keyboarding/Typing Fundamentals
1 unit

Prerequisite: None.

Develops basic alpha/numeric keyboarding/touch typewriting skills on an electronic keyboard. Designed primarily for individuals needing basic keyboarding skill to input and retrieve information from a microcomputer. Develops a straight-copy rate of 25 gross words a minute. 18 hours lecture and 18 hours laboratory. (TBA option) (Letter Grade, or Pass/No Pass option.)

CAT-54A - Introduction to Flash
3 units

(Same as CIS-54A)

Prerequisite: None.
Advisory: Competency in the use of a computer and familiarity with the Internet; CAT-95A.

This course provides students with the essential knowledge and skills required to use Flash. This includes instruction on the authoring tools, drawing tools, working with symbols, creating interactive buttons and streaming sound. 54 hours lecture and 18 hours laboratory. (TBA option) (Letter Grade, or Pass/No Pass option.)

CAT-55 - Applied Accounting/Bookkeeping
3 units

(Same as ACC-55)

Prerequisite: None.

This is an introductory course for students who are non-accounting majors. The focus is basic bookkeeping and accounting principles for both merchandising and service oriented small business enterprises. Emphasis is on the development of skills to record business transactions for cash and accrual methods, as well as the procedures to prepare financial statements and complete an accounting cycle. Attention is given to special journals, subsidiary ledgers, and payroll and banking procedures. 54 hours lecture. (Letter Grade, or Pass/No Pass option.)

CAT-56A - Designing Web Graphics
3 units

(Same as CIS-56A)

Prerequisite: None.
Advisory: Competency in the use of a computer and familiarity with the Internet.

This course provides students with the knowledge and skills required to create, modify and prepare visual elements for placement within web pages. Focus on the understanding of file compression, color palettes, visual design and layout principles. The course uses Adobe PhotoShop and ImageReady. 54 hours lecture and 18 hours laboratory. (TBA option)

CAT-61 - Professional Office Procedures
3 units

Prerequisite: None.
Advisory: CAT-3, 31 and 51.

Mastering procedures for the office professional through the development of: business communications, team building, business ethics, word processing, database management, spreadsheets, presentation techniques and general office skills. 54 hours lecture. (Letter Grade, or Pass/No Pass option.)

CAT-62 - Records Management
3 units

Prerequisite: None.
Advisory: Knowledge of database management.

Examines the basic procedures covering alphabetical, numerical, geographical, subject, and chronological filing. Introduces records and database management and the management, control, and retention thereof, both manually and electronically. 54 hours lecture and 18 hours laboratory. (TBA option)(Letter Grade, or Pass/No Pass option.)

CAT-65 - Introduction to Microsoft PowerPoint
1.5 units

(Same as CIS-65)

Prerequisite: None.

Introduction to Microsoft PowerPoint presentation graphics program. Creation of overhead transparencies, electronic presentations or formal presentations media. 27 hours lecture and 18 hours laboratory. (TBA option) (Letter Grade, or Pass/No Pass option.)

CAT-76A - Introduction to Microsoft Expression Web
3 units

(Same as CIS-76A)

Prerequisite: None.
Advisory: Competency in using the Internet and in managing files and folders; CAT-95A.

Provides students with the knowledge and skills required to quickly design and implement webpages, and to administer and update existing websites using Microsoft Expression Web. The course uses Microsoft Expression Web to streamline and automate website management on a website. 54 hours lecture and 18 hours laboratory.

CAT-76B - Introduction to Dreamweaver
3 units

(Same as CIS-76B)

Prerequisite: None.
Advisory: CAT-95A.

Provides students with the knowledge and skills required to quickly design and implement webpages and to administer and update existing websites using Dreamweaver. The course uses Dreamweaver to streamline and automate website management on a website. 54 hours lecture and 18 hours laboratory. (TBA option) (Letter Grade, or Pass/No Pass option.)
CAT-78A - Introduction to Adobe Photoshop 3 units
(Same as CIS-78A)
CSU
Prerequisite: None.
Introduction to Adobe Photoshop including mastery of digital image editing, techniques for selecting, photo correction, manipulating images and vector drawing. This course also provides instruction in retouching images, special effects, working with image color and web page illustrations. 54 hours lecture and 18 hours laboratory. (TBA option) (Letter Grade, or Pass/No Pass option.)

CAT-78B - Advanced Adobe Photoshop 3 units
(Same as CIS-78B)
CSU
Prerequisite: CAT-78A.
Advanced techniques and methods for using Adobe Photoshop to produce custom graphic solutions. Focus on real-world projects, workflow foundations, adjusting, and optimizing images, and tips and tricks for enhanced image creation. 54 hours lecture and 18 hours laboratory. (TBA option) (Letter Grade, or Pass/No Pass option.)

CAT-79 - Introduction to Adobe Illustrator 3 units
(Same as CIS-79)
CSU
Prerequisite: None.
Fundamentals of Adobe Illustrator, including creating objects, drawing paths and designing with type, creating freehand drawing and illustration, importing and working with graphics. Develop a working knowledge of the processes that generate graphic images: layering, shading, and color use. 54 hours lecture and 18 hours laboratory. (TBA option) (Letter Grade, or Pass/No Pass option.)

CAT-80 - Word Processing: Microsoft Word for 3 units
Windows
(Same as CIS-80)
CSU
Prerequisite: None.
Advisory: Typing knowledge/skills with at least 40 wpm.
This provides introductory, intermediate and advanced skill levels necessary to produce a variety of professional documents using Microsoft Word word processing program. Students will develop skills in word processing techniques and tasks. 54 hours lecture and 18 hours laboratory. (TBA option)

CAT-81 - Introduction to Desktop Publishing 3 units
using Adobe InDesign
(Same as CIS-81)
CSU
Prerequisite: None.
Page design and layout techniques using Adobe InDesign. Mastery of beginning and intermediate techniques of document creation, including design skills. Successful incorporation of drawing and bit mapped files to create professional printed media. 54 hours lecture and 18 hours laboratory. (TBA option) (Letter Grade, or Pass/No Pass option.)

CAT-93 - Computers for Beginners 3 units
(Same as CIS-93)
CSU
Prerequisite: None.
This course is designed as a practical step-by-step introduction to computer literacy topics including computer hardware and software, application skills, the Internet and Internet searching, Web page creation and computer ethics. 54 hours lecture and 18 hours laboratory. (TBA option) (Letter Grade, or Pass/No Pass option.)

CAT-200 - Computer Applications and Office Technology Work Experience 1-2-3-4 units
CSU*
Prerequisite: None.
Advisory: Students should have paid or voluntary employment.
This course is designed to coordinate the student’s occupational on-the-job training with related classroom instruction. Students enrolled in this occupational work experience course must be employed in a field related to the work experience subject area. Students may earn up to four (4) units each semester for a maximum of 16 units of work experience. No more than 20 hours per week may be applied toward the work requirement. 18 hours lecture. Additionally, 60 hours of volunteer work or 75 hours of paid work is required for each unit.

COLLEGE OF Ost TECHNOLOGY

COMPUTER INFORMATION SYSTEMS

CIS-1A - Introduction to Computer Information Systems 3 units
UC, CSU
Prerequisite: None.
An introduction to computer concepts, theory and computer applications. Functions and capabilities of word processors, spreadsheets, databases, presentation graphics and the Internet are covered through lecture, discussion and hands-on computer assignments. Concepts covered include types of software, hardware components, and operating systems with an emphasis on terminology and functionality. 54 hours lecture and 18 hours laboratory. (TBA option)

CIS-1B - Advanced Concepts in Computer Information Systems 3 units
UC, CSU
Prerequisite: CIS-1A.
Advanced computer applications. Advanced concepts and skills of word processing, spreadsheets, presentation graphics, the Internet and databases with an emphasis on multitasking, integrating applications, linking and embedding are covered. 54 hours lecture and 18 hours laboratory. (TBA option)
CIS-2 - Fundamentals of Systems Analysis 3 units  
(Same as CSC-2)  
CSU  
Prerequisite: None.  
Study of structured systems analysis techniques. Course includes the identification of problems, fact gathering, report analysis, system/data flow analysis, screen/forms design, creation of user documentation/reports, and completion of written and verbal presentations and the use of CASE tools. 54 hours lecture and 18 hours laboratory. (TBA option) (Letter Grade, or Pass/No Pass option.)

CIS-3 - Computer Applications for Business 3 units  
(Same as BUS/CAT-3)  
CSU  
Prerequisite: None.  
This course introduces a suite of computer applications to students preparing to enter business, and office professions. Individuals who are already established in these professions may also benefit from skills emphasized which include: use of basic operating system functions, file management, word processing, spreadsheets, database management, and presentation graphics. 54 hours lecture and 18 hours laboratory. (TBA option) (Letter Grade, or Pass/No Pass option.)

CIS-5 - Fundamentals of Programming Logic using C++ 3 units  
(Same as CSC-5)  
UC, CSU  
Prerequisite: None.  
Advisory: CIS-1A.  
Introduction to the fundamentals of problem definition, algorithm development, and structured programming logic for business, scientific and mathematical applications. The C++ language will be used for programming problems. 54 hours lecture and 18 hours laboratory. (TBA option) (Letter Grade, or Pass/No Pass option.)

CIS-11 - Computer Programming using ASSEMBLER 3 units  
(Same as CSC-11)  
UC, CSU  
Prerequisite: None.  
Advisory: CIS/CSC-5.  
This course is an introduction to microprocessor architecture and assembler language. The relationship between the hardware and the software will be studied in order to understand the interaction between a program and the total system. 54 hours lecture and 18 hours laboratory. (TBA option) (Letter Grade, or Pass/No Pass option.)

CIS-12 - PHP Dynamic Web Site Programming 3 units  
(Same as CSC-12)  
CSU  
Prerequisite: None.  
Advisory: CIS/CSC-5 and CIS/CSC-14A or CIS-72A.  
Dynamic web site programming using PHP. Fundamentals of server-side web programming. Introduction to database-driven web sites, using PHP to access a database such as MySQL. Web applications such as user registration, content management, and e-commerce. This course is for students already familiar with the fundamentals of programming and HTML. 54 hours lecture and 18 hours laboratory. (TBA option) (Letter Grade, or Pass/No Pass option.)

CIS-14A - Web Programming: JavaScript 3 units  
(Same as CSC-14A)  
CSU  
Prerequisite: None.  
Advisory: Previous programming experience and knowledge of HTM, CIS/CSC-5 and CIS-72A.  
Fundamentals of JavaScript programming for the world wide web for students already familiar with the fundamentals of programming and HTML. Language features will include control structures, functions, arrays, JavaScript objects, browser objects and events. Web applications will include image rollovers, user interactivity, manipulating browser windows, form validation and processing, cookies, creating dynamic content and Dynamic HTML programming. 54 hours lecture and 18 hours laboratory. (TBA option) (Letter Grade, or Pass/No Pass option.)

CIS-14B - Web Programming: Active Server Pages 3 units  
CSU  
Prerequisite: None.  
Advisory: CIS/CSC-5, and CIS-72A.  
Fundamentals of server-side web programming using Active Server Pages (ASP) for students already familiar with the fundamentals of programming and HTML. Language features will include control structures, functions, arrays, collections, objects and events. Focus on server-side programming to generate dynamic web content and database access. 54 hours lecture. (Letter Grade, or Pass/No Pass option.)

CIS-17A - C++ Programming: Objects 3 units  
(Same as CSC-17A)  
UC, CSU  
Prerequisite: None.  
Advisory: Previous programming experience writing function arrays and CIS/CSC-5.  
A comprehensive study of the syntax and semantics of the C++ language and the methodology of Object-Oriented program development. 54 hours lecture and 18 hours laboratory. (TBA option)(Letter Grade, or Pass/No Pass option.)

CIS-17B - C++ Programming: Advanced Objects 3 units  
(Same as CSC-17B)  
UC, CSU  
Prerequisite: None.  
Advisory: CIS/CSC-17A.  
This is an advanced C++ programming course for students familiar with object-oriented programming and utilization of basic graphical interface techniques. An emphasis will be placed on advanced concepts associated with complex Business and Gaming applications that utilize exception handling, multithreading, multimedia, and database connectivity. 54 hours lecture and 18 hours laboratory. (TBA option) (Letter Grade, or Pass/No Pass option.)
CIS-17C - C++ Programming: Data Structures 3 units  
(Same as CSC-17C)  
UC, CSU  
Prerequisite: None.  
Advisory: CIS/CSC-17A.  
This course offers a thorough presentation of the essential principles and practices of data structures using the C++ programming language. The course emphasizes abstract data types, software engineering principles, lists, stacks, queues, trees, graphs and the comparative analysis of algorithms. 54 hours lecture and 18 hours laboratory. (TBA option) (Letter Grade, or Pass/No Pass option.)

CIS-18A - Java Programming: Objects 3 units  
(Same as CSC-18A)  
UC, CSU  
Prerequisite: None.  
Advisory: CIS/CSC-5.  
An introduction to Java programming for students already experienced in the fundamentals of programming. An emphasis will be placed upon object-oriented programming. Other topics include graphical interface design and typical swing GUI components. 54 hours lecture and 18 hours laboratory. (TBA option)(Letter Grade, or Pass/No Pass option.)

CIS-18B - Java Programming: Advanced Objects 3 units  
(Same as CSC-18B)  
UC, CSU  
Prerequisite: None.  
Advisory: CIS/CSC-18A.  
This is an advanced JAVA programming course for students familiar with object-oriented programming and utilization of basic graphical interface techniques. An emphasis will be placed on advanced concepts associated with business, e-commerce and gaming applications that utilize exception handling, multithreading, multimedia, and database connectivity. 54 hours lecture and 18 hours laboratory. (TBA option)(Letter Grade, or Pass/No Pass option.)

CIS-18C - Java Programming: Data Structures 3 units  
(Same as CSC-18C)  
UC, CSU  
Prerequisite: None.  
Advisory: CIS/CSC-18A.  
This course is designed to be an advanced Java programming course for students familiar with object-oriented programming and database concepts. The major emphasis will be related to concepts of storing and retrieving data efficiently, which are the essential principles and practices of data structures. 54 hours lecture and 18 hours laboratory. (TBA option)(Letter Grade, or Pass/No Pass option.)

CIS-20 - Systems Analysis and Design 3 units  
(Same as CSC-20)  
CSU  
Prerequisite: CIS/CSC-2.  
Advisory: Students should have a working knowledge of MS Access.  
Structured design techniques for the development and implementation of computerized business applications. Includes project planning, analysis of current system, design of a new system, implementation, consideration of data base design and development, file organization, and modular programming techniques. 54 hours lecture and 18 hours laboratory. (TBA option) (Letter Grade, or Pass/No Pass option.)

CIS-21 - Introduction to Operating Systems 3 units  
(Same as CSC-21)  
CSU  
Prerequisite: None.  
An introduction to operating concepts, structure, functions, performance and management is covered. A current operating system, such as Windows, Linux, or UNIX is used as a case study. File multi-processing, system security, device management, network operating systems, and utilities are introduced. 54 hours lecture and 18 hours laboratory. (TBA option)(Letter Grade, or Pass/No Pass option.)

CIS-35 - Introduction to Simulation and Game Development 3 units  
(Same as GAM-35)  
CSU  
Prerequisite: None.  
An introduction to the field of simulation and computer gaming. Course provides an introductory look at the fundamentals of simulation and computer games used in various industries—entertainment, military, finance, medical, education, and law enforcement. Topics include licensing and franchising, marketing, business development, game design, storytelling, and development life cycle. 54 hours lecture and 18 hours laboratory. (TBA option)

CIS-36 - Introduction to Computer Game Design 3 units  
CSU  
Prerequisite: None.  
An introduction to the fundamental techniques, concepts, and vocabulary of computer game design. Students will explore analog game design principles and apply modern game design and development methodologies and principles to create their own electronic games. Topics include game genres, design documents, and game design principles such as level design, gameplay, balancing and user interface design. 54 hours lecture and 18 hours laboratory. (TBA option)
CIS-37 - Beginning Level Design for Computer Games 3 units  
( Same as GAM-37)  
CSU  
Prerequisite: None.  
An introduction to the fundamental techniques, concepts, and vocabulary of computer game level design. Students will create environments, place objects in those environments, and control those objects via a scripting language. Topics include frame rate, game flow and pacing. Students will create 3D computer games using a game engine such as Unreal. No previous computer programming experience is required. 54 hours lecture and 18 hours laboratory. (TBA option)

CIS-38A - Simulation and Gaming/3D Modeling 4 units  
for Real-Time Interactive Simulations  
( Same as GAM-38A)  
CSU  
Prerequisite: None.  
Create computationally efficient 3D digital models of both living and inanimate objects and then implement them in a real-time interactive simulation or video game. Topics include model construction using triangular meshes and splines, applying basic surface detailing, understanding how model design effects computing performance, importing vertex and edge vectors into a game engine, and applying basic user and game world interactivity to one or more rigid bodies. May be taken a total of two times. 54 hours lecture and 54 hours laboratory.

CIS-38B - Simulation and Gaming/3D Animation 4 units  
for Real-Time Interactive Simulations  
( Same as GAM-38B)  
CSU  
Prerequisite: CIS/GAM-38A.  
Animate both living and inanimate objects created with a 3D modeling program and then implement them in a real-time interactive simulation or video game. Topics include linear and non-linear attribute interpolation, path, forward and reverse kinematics animation. Additional topics include understanding how animation parameters affect computing performance, importing vertex and edge vectors into a game engine, and applying basic user and game world interactivity to a rigid body. May be taken a total of two times. 54 hours lecture and 54 hours laboratory.

CIS-38C - Simulation and Gaming/3D Dynamics 4 units  
and Rendering for Real-Time Interactive Simulations  
( Same as GAM-38C)  
CSU  
Prerequisite: CIS/GAM-38B.  
Create dramatic cinematic sequences based on 3D animations of both living and inanimate objects. Topics include combining animated models with simulations of real world dynamics such as wind, water, fire, smoke, and gravity. Short animated sequences will be modeled, animated, and then rendered into frames. Hardware and software rendered frames will then be composited and added to a game engine. May be taken a total of two times. 54 hours lecture and 54 hours laboratory.

CIS-39 - Current Techniques in Game Art 4 units  
( Same as GAM-39)  
CSU  
Prerequisite: None.  
Advisory: Ability to manipulate graphics including layers and textures with Photoshop or concurrent enrollment in CIS-78A or ADM-71.  
Introduction to the fundamental techniques, concepts, and vocabulary of advanced sculpting for Game Art, Animation, Concept Art, and Digital Illustration. Students will modify 3D models, and create textured compositions as applied to video games, animation and concept art. 54 hours lecture and 54 hours laboratory.

CIS-54A - Introduction to Flash 3 units  
( Same as CAT-54A)  
CSU  
Prerequisite: None.  
Advisory: Competency in the use of a computer and familiarity with the Internet. CIS-95A.  
This course provides students with the essential knowledge and skills required to use Flash. This includes instruction on the authoring tools, drawing tools, working with symbols, creating interactive buttons and streaming sound. 54 hours lecture and 18 hours laboratory. (TBA option)

CIS-56A - Designing Web Graphics 3 units  
( Same as CAT-56A)  
CSU  
Prerequisite: None.  
Advisory: Competency in the use of a computer and familiarity with the Internet.  
This course provides students with the knowledge and skills required to create, modify and prepare visual elements for placement within web pages. Focus on the understanding of file compression, color palettes, visual design and layout principles. The course uses Adobe Photoshop and ImageReady. 54 hours lecture and 18 hours laboratory. (TBA option)

CIS-61 - Introduction to Database Theory 3 units  
( Same as CSC-61)  
CSU  
Prerequisite: None.  
This course provides a comprehensive introduction to the design and development of professional database management systems. This course will demonstrate how to build database structures using “Entity-Relationship” models and relationships. The student will encounter design and development techniques for work groups and enterprise level database models. The course will cover the Systems Development Life Cycle, as well as data validation, business rules, security and disaster recovery techniques. 54 hours lecture.
CIS-65 - Introduction to Microsoft PowerPoint 1.5 units  
(Same as CAT-65)  
CSU  
Prerequisite: None.  
Introduction to Microsoft PowerPoint presentation graphic program. Creation of overhead transparencies, electronic presentations or formal presentations media. 27 hours lecture and 18 hours laboratory. (TBA option) (Letter Grade, or Pass/No Pass option.)

CIS-72A - Introduction to Web Page Creation 1.5 units  
CSU  
Prerequisite: None.  
Advisory: Competency in the use of a computer, familiarity with the Internet; CIS-95A.  
An introduction to webpage creation using Extensible Hypertext Markup Language (XHTML). Use XHTML to design and create webpages with formatted text, hyperlinks, lists, images, tables, frames and forms. 27 hours lecture and 18 hours laboratory. (TBA option)

CIS-72B - Intermediate Web Page Creation 1.5 units using Cascading Style Sheets (CSS)  
CSU  
Prerequisite: None.  
Advisory: Knowledge of HTML and the Internet; CIS-72A and 95A.  
Intermediate webpage creation using cascading style sheets (CSS) to format and lay out webpage content. CSS works with HTML, so HTML knowledge is recommended. Inline styles, embedded styles, and external style sheets are covered. CSS is used to format text, links, set fonts, colors, margins and position text and graphics on a page. CSS is also a component of Dynamic HTML. 27 hours lecture and 18 hours laboratory. (TBA option)(Letter Grade, or Pass/No Pass option.)

CIS-78A - Introduction to Adobe Photoshop 3 units  
(Same as CAT-78A)  
CSU  
Prerequisite: None.  
Introduction to Adobe Photoshop including mastery of digital image editing, techniques for selecting, photo correction, manipulating images and vector drawing. This course also provides instruction in retouching images, special effects, working with image color and web page illustrations. 54 hours lecture and 18 hours laboratory. (TBA option) (Letter Grade, or Pass/No Pass option.)

CIS-78B - Advanced Adobe Photoshop 3 units  
(Same as CAT-78B)  
CSU  
Prerequisite: CIS-78A.  
Advanced techniques and methods for using Adobe Photoshop to produce custom graphic solutions. Focus on real-world projects, workflow foundations, adjusting, and optimizing images, and tips and tricks for enhanced image creation. 54 hours lecture and 18 hours laboratory. (TBA option) (Letter Grade, or Pass/No Pass option.)

CIS-79 - Introduction to Adobe Illustrator 3 units  
(Same as CAT-79)  
CSU  
Prerequisite: None.  
Fundamentals of Adobe Illustrator, including creating objects, drawing paths and designing with type, creating freehand drawing and illustration, importing and working with graphics. Develop a working knowledge of the processes that generate graphic images: layering, shadowing, and color use. 54 hours lecture and 18 hours laboratory. (TBA option) (Letter Grade, or Pass/No Pass option.)

CIS-80 - Word Processing: Microsoft Word 3 units for Windows  
(Same as CAT-80)  
CSU  
Prerequisite: None.  
Advisory: Typing knowledge/skills with at least 40 wpm.  
This course is designed to provide introductory, intermediate and advanced skill levels necessary to produce a variety of professional documents using Microsoft Word word processing program. Students will develop skills in word processing techniques and tasks. 54 hours lecture and 18 hours laboratory. (TBA option)

CIS-81 - Introduction to Desktop Publishing 3 units using Adobe InDesign  
(Same as CAT-81)  
CSU  
Prerequisite: None.  
Page design and layout techniques using Adobe InDesign. Mastery of beginning and intermediate techniques of document creation, including design skills. Successful incorporation of drawing and bit mapped files to create professional printed media. 54 hours lecture and 18 hours laboratory. (TBA option) (Letter Grade, or Pass/No Pass option.)
CIS-93 - Computers for Beginners 3 units
(Same as CAT-93)
CSU
Prerequisite: None.
This course is designed as a practical step-by-step introduction to computer literacy topics including computer hardware and software, application skills, the Internet and Internet searching, Web page creation and computer ethics. 54 hours lecture and 18 hours laboratory. (TBA option) (Letter Grade, or Pass/No Pass option.)

CIS-98A - Introduction to Excel 1.5 units
(Same as CAT-98A)
CSU
Prerequisite: None.
Skill development in electronic spreadsheets using Excel for business and scientific related applications. 27 hours lecture and 18 hours laboratory. (TBA option) (Letter Grade, or Pass/No Pass option.)

CIS-200 - Computer Information Systems 1-2-3-4 units
Work Experience
CSU*
Prerequisite: None.
Limitation on enrollment: Students must be enrolled in a minimum of 7 units including the work experience units and in a major related to the course.
This course is designed to coordinate the student’s occupational on-the-job training with related classroom instruction. Students enrolled in this occupational work experience course must be employed in a field related to the work experience subject area. Students may earn up to four (4) units each semester for a maximum of 16 units of work experience. No more than 20 hours per week may be applied toward the work requirement. 18 hours lecture. Additionally, 60 hours of volunteer work or 75 hours of paid work is required for each unit.

DANCE

ACADEMIC COURSES

DAN-6 - Dance Appreciation 3 units
UC, CSU
Prerequisite: None.
A nontechnical course for the general student leading to the appreciation and understanding of dance as a medium of communication, entertainment, and as an art form. 54 hours lecture.

ACTIVITY COURSES

DAN-D19 - Conditioning for Dance 1 unit
UC, CSU
Prerequisite: None.
Students will develop their strength, flexibility, endurance, movement memory, balance and coordination to prepare for other dance classes or athletic activity. The course is designed to introduce basic movement skills from dance and exercise for body conditioning. 54 hours laboratory.
DAN-D44 - Tap, Intermediate 1 unit
UC, CSU
Prerequisite: None.
Limitation on enrollment: Audition on or before the first class meeting.
Learn, practice and apply basic tap dance skills learned in beginning tap to more complex movement phrases and vocabulary characteristic of intermediate level technique. Tap Dance improvisation will be introduced. Continued study of historical and cultural context of tap dance as introduced in beginning tap. May be taken a total of four times. 54 hours laboratory.

DAN-D46 - Body Control Mat Work .5 unit
UC, CSU
Prerequisite: None.
This class is structured on the total body floor mat exercises developed by Joseph H. Pilates. Exercises emphasize stretching and strengthening, in a non-impact system of floor work that emphasizes improved alignment, body awareness and control. May be taken a total of four times. 27 hours laboratory.

DEA-10 - Introduction to Dental Assisting and Chairside Assisting 4 units
Prerequisite: None.
Corequisite: DEA-20 and 21.
Limitation on enrollment: Enrollment in the Dental Assistant program.
This course is designed to meet the state and national accreditation requirements for an approved Dental Assistant program. The course introduces the student to the practice and history of dentistry including dental specialties, legal responsibilities and roles of the dental auxiliary, ethical decision making, dental terminology, dental charting, dental equipment, instrument identification, patient communication skills, and the provision of oral hygiene instructions. 54 hours lecture and 54 hours laboratory.

DEA-20 - Infection Control for Dental Assistants 2 units
Prerequisite: None.
Corequisite: DEA-10 and 21.
Limitation on enrollment: Enrollment in the Dental Assistant program.
This course is designed to meet the state and national accreditation requirements for an approved Dental Assistant program. The course introduces the student to Center of Disease Control (CDC) and Occupational Safety and Health Administration (OSHA) infection control standards and protocols, general safety protocols, general description of microorganisms, concepts of disease spread and its prevention, and how to manage hazardous chemicals used in dentistry. 36 hours lecture and 10 hours laboratory.

DEA-21 - Introduction to Radiology for Dental Assistants 2 units
Prerequisite: None.
Corequisite: DEA-10 and 20.
Limitation on enrollment: Enrollment in the Dental Assistant program.
This course is designed to meet the state and national accreditation requirements for an approved Dental Assistant program. This course includes the production, characteristics, and biological effects of radiation, the function, components and operation of the x-ray unit; radiation protection and monitoring; chemistry and techniques associated with x-ray film development. Introduction to anatomical landmarks, intraoral long-cone radiographic techniques for exposing bitewing, periapical and occlusal films are taught in this course. 18 hours lecture and 54 hours laboratory. (TBA option)

DEA-22 - Introduction to Supervised Externships 1.5 units
Prerequisite: DEA-10.
Limitation on enrollment: Enrollment in the Dental Assistant program.
This course is designed to meet the state and national accreditation requirements for an approved Dental Assistant program. The course introduces the student to supervised clinical experience in chairside dental assisting. The students will be assigned to the RCC Dental Hygiene Clinic and local general practices. 9 hours lecture and 54 hours laboratory.
DEA-23 - Introduction to Dental Sciences 3 units
Prerequisite: None.
Limitation on enrollment: Enrollment in the Dental Assistant program.
This course is designed to meet the state and national accreditation requirements for an approved Dental Assistant program. The course is an overview of embryologic development of structures of the head and neck, teeth, and oral cavity; histology of the hard and soft tissues of the oral cavity; the developmental and structural defects involving the oral cavity and teeth; introduction to diseases of the oral cavity including periodontal disease and caries; and general pathology found in the head and neck region. 54 hours lecture.

DEA-24 - Dental Materials for the Dental Assistant 2 units
Prerequisite: None.
Limitation on enrollment: Enrollment in the Dental Assistant program.
This course is designed to meet the state and national accreditation requirements for an approved Dental Assistant program. The course includes the manipulation of dental materials commonly prepared and used by the dental assistant including temporary dressings, impression materials, cement bases and liners, topical agents, composites, resins, and amalgam. 18 hours lecture and 54 hours laboratory. (TBA option)

DEA-30 - Intermediate Chairside Dental Assisting 2 units
Prerequisite: DEA-20, 23 and 24.
Limitation on enrollment: Enrollment in the Dental Assistant program.
This course is designed to meet the state and national accreditation requirements for an approved Dental Assistant program. The course covers clinical chairside dental assisting duties of the fabrication and cementation of a temporary crown, fabrication and delivery of bleaching splint, fabrication of a sports mouthguard, armamentarium and procedure for the placement of pit and fissure sealants. 18 hours lecture and 54 hours laboratory.

DEA-31 - Radiology for Dental Assistants 1.5 units
Prerequisite: DEA-10, 20 and 21.
Limitation on enrollment: Enrollment in the Dental Assistant program.
This course is designed to meet the state and national accreditation requirements for an approved Dental Assistant program. This course includes the evaluation of the quality of a radiographic film, recognition of anomalies, specialized techniques for the pedodontic, endodontic and edentulous patient, principles of panoramic and cephalometric films, and digital radiography. 18 hours lecture and 36 hours laboratory.

DEA-32 - Intermediate Supervised Externships 1 unit
Prerequisite: DEA-20, 22, 23 and 24.
Limitation on enrollment: Enrollment in the Dental Assistant program.
This course is designed to meet the state and national accreditation requirements for an approved Dental Assistant program. The course provides the student with supervised clinical experience in chairside dental assisting. The student will be assigned to local general practices where they will assist dentists with basic dental procedures. 9 hours lecture and 32 hours laboratory.

DEA-40A - Advanced Chairside Surgical 3.5 units
Prerequisite: DEA-30 and 32. (A minimum of two years experience in a dental surgery practice or a valid Registered Dental Assistant license from the State of California are also accepted for this prerequisite).
Limitation on enrollment: Enrollment in the Dental Assistant program or valid California Registered Dental Assistant license.
This course is designed to meet the state and national accreditation requirements for an approved Dental Assistant program. This course provides specialized knowledge and skills to perform chairside dental assisting in an oral and maxillofacial surgical and periodontal practice. The course includes didactic, laboratory and clinical instruction on dental sciences, pharmacology, dental materials, legal and ethical considerations, infection control, emergency management, treatment planning, pain and anxiety management, oral and maxillofacial pathology, specific nerve anatomy and physiology of the cardiovascular and respiratory system, and medically compromised patients as they relate to the surgery patient. 40 hours lecture and 81 hours laboratory. (TBA option)

DEA-40B - Advanced Chairside 3.0 units
Orthodontic Assistant Dental Assistant
Prerequisite: DEA-30.
Limitation on enrollment: Enrollment in the Dental Assistant program or a valid California Registered Dental Assistant license.
This course is designed to meet the state and national accreditation requirements for an approved Dental Assistant program. This course provides specialized knowledge and skills to perform chairside dental assisting in an orthodontic practice. The course includes didactic, laboratory and clinical instruction on dental sciences, pharmacology, dental materials, legal and ethical considerations, infection control, emergency management, and treatment planning as they relate to the orthodontic patient. 18 hours lecture and 108 hours laboratory. (TBA option)

DEA-40C - Advanced Chairside Restorative 5 units
Dental Assistant
Prerequisite: DEA-30 and 32. (A minimum of two years experience in a dental restorative practice or a valid Registered Dental Assistant license from the State of California are also accepted for this prerequisite).
Limitation on enrollment: Enrollment in the Dental Assistant program or a valid California Registered Dental Assistant license.
This course is designed to meet the state and national accreditation requirements for an approved Dental Assistant program. This course provides specialized knowledge and skills to perform advanced chairside dental assisting procedures in a general or prosthodontic practice. The course includes didactic, laboratory and clinical instruction on dental sciences, pharmacology, dental materials and procedures, treatment planning, legal and ethical considerations, as they relate to the restorative patient. 36 hours lecture and 162 hours laboratory. (TBA option)
DEA-41 - Dental Office Procedures 1.5 units
Prerequisite: None.
Limitation on enrollment: Enrollment in the Dental Assistant program.
This course is designed to meet the state and national accreditation requirements for an approved Dental Assistant program. This course is an introduction to purchasing, inventory and cost control; banking and payroll procedures; billing and insurance procedures; collection of accounts; treatment plan and case presentations; and scheduling of patients while preparing the student with interview skills as well as resume writing. Additionally, the course will prepare the student to deal with law and ethics pertaining to the dental assistant working in the field. 18 hours lecture and 36 hours laboratory. (TBA option)

DEH-10A - Pre-Clinical Dental Hygiene #1 2.5 units
CSU
Prerequisite: AMY-2A, 2B, COM-1 or 1H, ENG-1A or 1AH, MIC-1.
Corequisite: DEH-11, 12A, 12B, 13, 14, 15, 16, 17.
Limitation on enrollment: Enrollment in the Dental Hygiene program.
This course is designed to meet the state and national accreditation requirements for an approved Dental Hygiene program. The students are exposed to the continuation of pre-clinical experiences. This course is a laboratory course designed to orient the student to the role of the dental hygienist and develop basic skills and techniques required to perform dental hygiene services. Requires evaluation of clinical performance through demonstrated skill acquisition and level of competency. Students will work on typodonts and classmates. Student will be required to do observations at specific local dental offices. 144 hours laboratory.

DEH-10B - Pre-Clinical Dental Hygiene #2 1 unit
CSU
Prerequisite: None.
Corequisite: DEH-19.
Limitation on enrollment: Enrollment in the Dental Hygiene program.
This course is designed to meet the state and national accreditation requirements for an approved Dental Hygiene program. This course is a continuation of DEH 10A and is designed to facilitate the development of clinical skills and techniques required to perform dental hygiene services. Requires evaluation of clinical performance through demonstration of skill acquisition and level of competency. Students will work on typodonts and classmates. 54 hours laboratory.

DEH-11 - Principles of Dental Hygiene 2 units
CSU
Prerequisite: AMY-2A, 2B, COM-1 or 1H, ENG-1A or 1AH.
Limitation on enrollment: Enrollment in the Dental Hygiene program.
This course is designed to meet the state and national accreditation requirements for an approved Dental Hygiene program. This is an introductory course that will provide the student with the scientific knowledge and theory of the basic principles of dental hygiene techniques and procedures for the clinical aspect of dental hygiene. 36 hours lecture.

DEH-12A - Principles of Oral Radiology 1 unit
CSU
Prerequisite: AMY-2A, ENG-1A or 1AH, MAT-52.
Corequisite: DEH-10A, 11, 12B, 13, 14, 15, 16, 17.
Limitation on enrollment: Enrollment in the Dental Hygiene program.
This course is designed to meet the state and national accreditation requirements for an approved Dental Hygiene program. The student will be introduced to the basic principles and techniques of exposing and processing dental radiographs. Emphasis will be placed on the concepts of radiologic imaging, quality assurance, legal aspects, hazardous waste management, radiation health, and basic radiologic imaging interpretation. 18 hours lecture.

DEH-12B - Oral Radiology Laboratory 1 unit
CSU
Prerequisite: AMY-2A, MAT-52.
Corequisite: DEH-10A, 11, 12A, 13, 14, 15, 16, 17.
Limitation on enrollment: Enrollment in the Dental Hygiene program.
This course is designed to meet the state and national accreditation requirements for an approved Dental Hygiene program. This laboratory course is designed to provide the student the avenue to implement knowledge obtained from the lecture course: DEH-12A and 13. Students will experience exposing, processing, mounting, charting, critiquing and interpreting radiographs on manikins and patients. 54 hours laboratory.

DEH-13 - Infection Control in Dentistry 1 unit
CSU
Prerequisite: CHE-2A, 2B, ENG-1A or 1AH, MIC-1.
Limitation on enrollment: Enrollment in the Dental Hygiene program.
This course is designed to meet the state and national accreditation requirements for an approved Dental Hygiene program. This course is designed to provide the student with the principles and practical application of universal precaution and other infection control concepts. Occupational Safety and Health Administration (OSHA), Environmental Protection Agency (EPA), Center for Disease Control (CDC), and the Dental Board of California (DBC) standards will be presented and discussed. Procedures and policies learned will be applied in all clinical dental hygiene courses. 18 hours lecture.

DEH-14 - Systems Analysis of Dental Anatomy, 3.5 units
Morphology, Histology, Embryology
CSU
Prerequisite: AMY-2A, 2B.
Limitation on enrollment: Enrollment in the Dental Hygiene program.
This course is designed to meet the state and national accreditation requirements for an approved Dental Hygiene program. This course is a systematic approach to histological structures and embryonic development of oral human tissues, morphological characteristics of teeth with emphasis on comparative crown and root anatomy and occlusion. Identification of teeth and oral structures, tooth-numbering systems will be included in this course. 67 hours lecture and 16 hours laboratory.
DEH-15 - Head and Neck Anatomy 2 units
CSU
Prerequisite: AMY-2A, 2B.
Limitation on enrollment: Enrollment in the Dental Hygiene program.
This course is designed to meet the state and national accreditation requirements for an approved Dental Hygiene program. The course emphasizes specialized and interrelated structures of the head and neck, and associated structures surrounding and including the oral cavity. 36 hours lecture.

DEH-16 - Preventive Dentistry 1 unit
CSU
Prerequisite: CHE-2A, 2B, COM-1 or 1H, ENG-1A or 1AH, KIN-4, MIC-1, PSY-1, SOC-1.
Limitation on enrollment: Enrollment in the Dental Hygiene program.
This course is designed to meet the state and national accreditation requirements for an approved Dental Hygiene program. This course provides the fundamentals of preventive dentistry concepts and modalities including the dental assessment, diagnosis, treatment planning, and implementation of clinical preventive procedures. Emphasis is on prevention of dental diseases through effective patient education and motivation. Preventive dental products will be reviewed and analyzed. 18 hours lecture.

DEH-17 - General Pathology 2 units
CSU
Prerequisite: AMY-2A, 2B, MIC-1.
Corequisite: DEH-10A, 11, 12A, 12B, 13, 14, 15, 16.
Limitation on enrollment: Enrollment in the Dental Hygiene program.
This course is designed to meet the state and national accreditation requirements for an approved Dental Hygiene program. The student will learn about the basic pathologic mechanisms in human disease. There will be emphasis on the inflammation and repair, and immunity. Students will also learn about clinical aspects of diseases and disorders that will be encountered in the clinical setting. 36 hours lecture.

DEH-19 - Pain Control 1.5 units
CSU
Prerequisite: None.
Corequisite: DEH-10B.
Limitation on enrollment: Enrollment in the Dental Hygiene program.
This course is designed to meet the state and national accreditation requirements for an approved Dental Hygiene program. The student will be introduced to the theory, concepts, techniques, and drugs utilized in dentistry to achieve adequate pain control through local anesthesia and nitrous oxide/oxygen sedation. Students practice local anesthesia injections and administer nitrous oxide/oxygen on classmates. 25 hours lecture and 36 hours laboratory.

DEH-20A - Clinical Dental Hygiene #1 3 units
CSU
Prerequisite: None.
Corequisite: DEH-21, 22, 23, 24, 25, 26, 27, 28.
Limitation on enrollment: Enrollment in the Dental Hygiene program.
This course is designed to meet the state and national accreditation requirements for an approved Dental Hygiene program. The students are exposed to the continuation of clinical dental hygiene. Students apply knowledge, critical thinking and basic clinical skills acquired in previous completed dental hygiene courses. Emphasis is placed on periodontal maintenance and recall patients with gingivitis and early periodontal disease. Requires evaluation of clinical performance through the demonstration of skill acquisition and clinical competency. 162 hours laboratory.

DEH-20B - Clinical Dental Hygiene #2 1 unit
CSU
Prerequisite: None.
Limitation on enrollment: Enrollment in the Dental Hygiene program.
This course is designed to meet the state and national accreditation requirements for an approved Dental Hygiene program. The students are exposed to the continuation of clinical dental hygiene. Students apply knowledge, critical thinking and clinical skills acquired in previous completed dental hygiene courses. Emphasis is placed on periodontal maintenance and recall patients with gingivitis and early to moderate periodontal disease. Requires evaluation of clinical performance through the demonstration of skill acquisition and clinical competency. 72 hours laboratory.

DEH-21 - Clinical Seminar #1 1 unit
CSU
Prerequisite: None.
Limitation on enrollment: Enrollment in the Dental Hygiene program.
This course is designed to meet the state and national accreditation requirements for an approved Dental Hygiene program. The students are exposed to the continuation of clinical dental hygiene issues that will be implemented in the clinical setting. This course focuses on clinical issues and experiences of the students. Emphasis will be placed on communication, clinical protocols, chart management, and patient management and assessment issues. The dental hygiene portfolio will be introduced. 18 hours lecture.

DEH-22 - Oral Radiology Interpretation 1 unit
CSU
Prerequisite: None.
Limitation on enrollment: Enrollment in the Dental Hygiene program.
This course is designed to meet the state and national accreditation requirements for an approved Dental Hygiene program. This course focuses on radiographic interpretation of full mouth series, periapical, and panoramic radiographs. Identification of anatomical landmarks, developmental defects, and lesions affecting the oral structures, carious lesions, periodontal disease and other maxillofacial radiographic pathology will be covered. 18 hours lecture.
DEH-23 - Introduction to Periodontology 2 units

CSU

Prerequisite: None.

Corequisite: DEH-20A, 21, 22, 24, 25, 26, 27, 28.

Limitation on enrollment: Enrollment in the Dental Hygiene program.

This course is designed to meet the state and national accreditation requirements for an approved Dental Hygiene program. The student will be introduced to a continuation of the study of Periodontics. This course is an introduction of the basic concepts of Periodontics. Emphasis will be placed on the periodontium and the etiology, diagnosis, treatment planning, and prevention of periodontal disease. 36 hours lecture.

DEH-24 - Ethics 1 unit

CSU

Prerequisite: None.

Corequisite: DEH-20A, 21, 22, 23, 25, 26, 27, 28.

Limitation on enrollment: Enrollment in the Dental Hygiene program.

This course is designed to meet the state and national accreditation requirements for an approved Dental Hygiene program. This course is designed to introduce the student to ethics and professionalism as it relates to the profession of dental hygiene. Emphasis will be placed on the challenges of providing ethical care in the clinical setting. 18 hours lecture.

DEH-25 - Medical and Dental Emergencies 1 unit

CSU

Prerequisite: None.

Corequisite: DEH-20A, 21, 22, 23, 24, 26, 27, and 28.

Limitation on enrollment: Enrollment in the Dental Hygiene program.

This course is designed to meet the state and national accreditation requirements for an approved Dental Hygiene program. This course will introduce the student to planning for the patient’s medical management, including prevention, anticipation of potential medical emergencies and implementing appropriate treatment. Emphasis is placed on a problem-based approach to management of medical emergencies. 18 hours lecture.

DEH-26 - Dental Treatment of Geriatric and Medically Compromised Patients 2 units

CSU

Prerequisite: None.

Limitation on enrollment: Enrollment in the Dental Hygiene program.

This course is designed to meet the state and national accreditation requirements for an approved Dental Hygiene program. This course is designed to introduce the student to the special needs of the geriatric and medically compromised patients. Emphasis will be placed on the value of a thorough evaluation and risk assessment of patients, and determining the need for supplemental laboratory test and medical consultations. 36 hours lecture.

DEH-27 - Oral Pathology 3 units

CSU

Prerequisite: None.

Limitation on enrollment: Enrollment in the Dental Hygiene program.

This course is designed to meet the state and national accreditation requirements for an approved Dental Hygiene program. This course provides the student with an introduction to pathologic conditions that directly or indirectly affect the oral cavity and adjacent structures. Students will learn a spectrum of signs and symptoms accompanied by clinical slides to learn how to correctly make a differential diagnosis. 54 hours lecture.

DEH-28 - Basic and Applied Pharmacology 2 units

CSU

Prerequisite: None.

Corequisite: DEH-20A, 21, 22, 23, 24, 25, 26, 27.

Limitation on enrollment: Enrollment in the Dental Hygiene program.

This course is designed to meet the state and national accreditation requirements for an approved Dental Hygiene program. The course introduces the student to the basic principles of pharmacology. Emphasis is on the use, actions, and clinical implications/contraindications to medications. 36 hours lecture.

DEH-30A - Clinical Dental Hygiene #3 3.5 units

CSU

Prerequisite: None.

Corequisite: DEH-31, 32, 33, 34, 35, 36, 37.

Limitation on enrollment: Enrollment in the Dental Hygiene program.

This course is designed to meet the state and national accreditation requirements for an approved Dental Hygiene program. The students are exposed to the continuation of clinical dental hygiene. Students apply knowledge, critical thinking and clinical skills acquired in dental hygiene courses. Emphasis is placed on periodontal maintenance and recall patients with early to advanced periodontal disease. Requires evaluation of clinical performance through the demonstration of skill acquisition and clinical competency. 192 hours laboratory.

DEH-30B - Clinical Dental Hygiene #4 1 unit

CSU

Prerequisite: None.

Limitation on enrollment: Enrollment in the Dental Hygiene program.

This course is designed to meet the state and national accreditation requirements for an approved Dental Hygiene program. The students are exposed to the continuation of clinical dental hygiene. Students apply knowledge, critical thinking and clinical skills acquired in dental hygiene courses. Emphasis is placed on periodontal maintenance and recall patients with early to advanced periodontal disease. Requires evaluation of clinical performance through the demonstration of skill acquisition and clinical competency. 72 hours laboratory.
DEH-31 - Clinical Seminar #2  
CSU  
1 unit  
Limitation on enrollment: Enrollment in the Dental Hygiene program.  
Prerequisite: None.

DEH-32 - Dental Materials  
CSU  
2.5 units  
Limitation on enrollment: Enrollment in the Dental Hygiene program.  
Prerequisite: None.

DEH-33 - Periodontology  
CSU  
1 unit  
Limitation on enrollment: Enrollment in the Dental Hygiene program.  
Prerequisite: None.

DEH-34 - Community Dental Health Education #1  
CSU  
1 unit  
Limitation on enrollment: Enrollment in the Dental Hygiene program.  
Prerequisite: None.

DEH-35 - Community Dental Health Education Practicum #1  
CSU  
1 unit  
Limitation on enrollment: Enrollment in the Dental Hygiene program.  
Prerequisite: None.

DEH-36 - Research Methodology  
CSU  
2 units  
Limitation on enrollment: Enrollment in the Dental Hygiene program.  
Prerequisite: None.

DEH-37 - Nutrition in Dentistry  
CSU  
1 unit  
Limitation on enrollment: Enrollment in the Dental Hygiene program.  
Prerequisite: None.

DEH-40 - Clinical Dental Hygiene #5  
CSU  
4 units  
Limitation on enrollment: Enrollment in the Dental Hygiene program.  
Corequisite: DEH-41, 42, 43, 44, 45, 46.  
Prerequisite: None.
DEH-41 - Clinical Seminar #3 1 unit
CSU
Prerequisite: None.
Corequisite: DEH-40, 42, 43, 44, 45, 46.
Limitation on enrollment: Enrollment in the Dental Hygiene program.
This course is designed to meet the state and national accreditation requirements for an approved Dental Hygiene program. The students are exposed to the continuation of clinical dental hygiene issues that will be implemented in the clinical setting. The course focuses on clinical issues and experiences of the students. Emphasis is on developing critical thinking skills when implementing dental hygiene treatment plans. The development of the dental hygiene portfolio will be completed in this course. 18 hours lecture.

DEH-42 - Practice Management and Jurisprudence 2 units
CSU
Prerequisite: None.
Corequisite: DEH-40, 41, 43, 44, 45, 46.
Limitation on enrollment: Enrollment in the Dental Hygiene program.
This course is designed to meet the state and national accreditation requirements for an approved Dental Hygiene program. This course will introduce the student to the dental economics of a dental hygiene practice within a private dental practice. Students will become familiar with dental office procedures including computer dental office management programs as well as tissue management systems. Emphasis will be placed on the scope of practice of dental professionals as outlined by the California State Dental Practice Act (DPA). 36 hours lecture.

DEH-43 - Advanced Periodontology 1 unit
CSU
Prerequisite: None.
Corequisite: DEH-40, 41, 42, 43, 44, 45, 46.
Limitation on enrollment: Enrollment in the Dental Hygiene program.
This course is designed to meet the state and national accreditation requirements for an approved Dental Hygiene program. The students will perform an in-depth analysis of current literature and how to implement the information to accomplish evidence-based dental hygiene care. 18 hours lecture.

DEH-44 - Community Dental Health Education #2 1 unit
CSU
Prerequisite: None.
Corequisite: DEH-40, 41, 42, 43, 44, 45, 46.
Limitation on enrollment: Enrollment in the Dental Hygiene program.
This course is designed to meet the state and national accreditation requirements for an approved Dental Hygiene program. This course is a continuation of dental health education with emphasis on the concepts and methods of prevention as they relate to the oral health of groups. Issues central to community dental health such as access to care, supply and demand, quality assurance, health financing, health policy and community program development are presented. 18 hours lecture.

DEH-45 - Community Dental Health Education Practicum #2 1 unit
CSU
Prerequisite: None.
Corequisite: DEH-40, 41, 42, 43, 44, 45, 46.
Limitation on enrollment: Enrollment in the Dental Hygiene program.
This course is designed to meet the state and national accreditation requirements for an approved Dental Hygiene program. This course is a continuation of dental health practicum that emphasizes the assessment, diagnosis, planning, implementation, and evaluation of community programs. 9 hours lecture and 27 hours laboratory.

DEH-46 - Advanced Topics in Dental Hygiene 1 unit
CSU
Prerequisite: None.
Corequisite: DEH-40, 41, 42, 43, 44, 45.
Limitation on enrollment: Enrollment in the Dental Hygiene program.
This course is designed to meet the state and national accreditation requirements for an approved Dental Hygiene program. This course examines advanced topics in the field of dental hygiene to prepare students to transition into the private practice arena. Students will discuss how to integrate topics into their clinical practices. Latest clinical duties approved by the Dental Board of California will be discussed. 18 hours lecture.

DEH-200 - Dental Hygiene Work Experience 1-2-3-4 units
CSU*
Prerequisite: None.
Advisory: Students should have paid or voluntary employment.
This course is designed to coordinate the student’s occupational on-the-job training with related classroom instruction. Students enrolled in this occupational work experience course must be employed in a field related to the work experience subject area. Students may earn up to four (4) units each semester for a maximum of 16 units of work experience. No more than 20 hours per week may be applied toward the work requirement. 18 hours lecture. Additionally, 60 hours of volunteer work or 75 hours of paid work is required for each unit.

DENTAL TECHNOLOGY

The curriculum prepares a student for employment in a private or commercial dental laboratory or dental office performing laboratory techniques and procedures. Emphasis is on fundamental laboratory procedures including all five specialized areas: dentures, crown and fixed partial dentures, ceramics, removable partial dentures, and orthodontic/ pedodontics. The two year (41 unit) full-time program provides for student-centered teaching. The student will receive a Dental Technology certificate upon completing the curriculum in Dental Technology, provided the student has maintained a “C” average or better in each course.

Four internal certificates may be earned while enrolled in the 41 unit certificate pattern. These certificates are in Basic Sciences, Orthodontic Techniques, Removable Techniques, and Fixed Techniques.

Riverside Community College District awards an Associate in Science Degree in Dental Technology upon successful completion of the
prescribed two year program, plus meeting all other graduation requirements.

Recommended Courses:
- Health Science 1
- Sociology 1
- Art 22, Art 23, Art 24
- CIS-1A
- Communication Studies 1/1H or 9/9H
- English 1A or 1AH
- Math 35
- Business Administration 30
- History 7 or 7H or Political Science 1 or 1H
- Anatomy and Physiology 10

Requirements for admission to Dental Technology program:
Completion of DEN-70.

Expenses of program:
1. Students are required to purchase a set of hand tools that cost about $350 for both semesters.
2. Textbooks and supplies cost about $200.
3. The student furnishes his or her own laboratory coat that is required for wear in the laboratory.
4. Students are urged to carry some form of health and accident insurance. Policies are available to college students at reasonable rates.

**DEN-70 - Introduction to Dental Technology** 2 units
*Prerequisite: None.*
An introductory course to acquaint the student with the field of dental technology, the categories of training and employment, the professional relationship of the technician and the dentist, professional growth and trade associations and the ethics and laws governing laboratory practices. Fundamental, hands-on procedures for model and die work as necessary to five core specialties. Additional emphasis on manual dexterity and spatial relationship skills. Successful completion necessary for program admission. 9 hours lecture and 81 hours laboratory.

**DEN-71 - Dental Morphology** 3 units
*Prerequisite: None.*
Tooth anatomy, physiology and terminology will be covered to allow the student a thorough study of the terms unique to the dental profession; additional emphasis on the principles of occlusion. Students are required to carve tooth forms to develop manipulative skill and to learn tooth anatomy. 36 hours lecture and 54 hours laboratory.

**DEN-72A - Dental Materials I** 1 unit
*Prerequisite: None.*
Composition, characteristics, physical properties and use of nonmetallic materials used by the dental technician. Emphasis will be on gypsum products, duplicating materials, resins, waxes and polishing agents. Additional emphasis on infection control indications and procedures. 18 hours lecture.

**DEN-72B - Dental Materials II** 1 unit
*Prerequisite: None.*
Composition, characteristics, physical properties and use of metallic materials and dental porcelains used by the dental technician. Emphasis will be on precious, semi-precious and non-precious metals, their respective solders and proper techniques and situations for selection; additional emphasis on preventive maintenance, safety and hazardous communication. 18 hours lecture.

**DEN-74 - Dental Anatomy and Physiology** 1 unit
*Prerequisite: None.*
Designed to teach the student the anatomy of the head, face and the oral cavity. Emphasis on the bony anatomy of the head, muscles of mastication and their attachments, the blood and nerve supply and the movements of the mandible. 18 hours lecture.

**DEN-75A - Complete Denture Techniques I** 3 units
*Prerequisite: DEN-70.*
Theory and procedural steps involved in the construction of complete dentures, nightguards, relines, repairs and rebases. Involves the concepts behind model development articulation, and dental tooth arrangement. 18 hours lecture and 108 hours laboratory.

**DEN-75B - Complete Denture Techniques II** 3 units
*Prerequisite: DEN-75A.*
Theory and applied techniques for denture construction: investing, packing, tinting, resin processing, remount, selective grinding and finishing. Included theory and applied techniques in construction of relines, rebases and repairs. 18 hours lecture and 108 hours laboratory.

**DEN-77A - Removable Partial Denture Techniques I** 3 units
*Prerequisite: DEN-70.*
Theory and fundamental techniques in the construction of chrome-cobalt partial dentures; model preparation, refractory casts, elementary principles of survey and design, blockout, duplication and wax-up of refractory casts. 18 hours lecture and 108 hours laboratory.

**DEN-77B - Removable Partial Denture Techniques II** 3 units
*Prerequisite: DEN-77A.*
Theory and applied techniques in the construction of chrome-cobalt dentures; spruing, investing, casting and finishing of the metal frameworks; soldering and repair. Set-up, process and finish of dentures bases. 18 hours lecture and 108 hours laboratory.

**DEN-77A - Removable Partial Denture Techniques I** 3 units
*Prerequisite: DEN-70.*
Theory and fundamental techniques in the construction of chrome-cobalt dentures; spruing, investing, casting and finishing of the metal frameworks; soldering and repair. Set-up, process and finish of dentures bases. 18 hours lecture and 108 hours laboratory.

**DEN-79A - Crown and Bridge Techniques I** 3 units
*Prerequisite: DEN-70.*
Theory and fundamental techniques in the construction of inlays, onlays and full metal crowns; emphasis on model preparation, waxing, investing, casting and finishing. The student will acquire an understanding of how the anatomical structures will influence the construction of a fixed dental prosthetic restoration. 18 hours lecture and 108 hours laboratory.
DEN-79B - Crown and Bridge Techniques II

3 units

Prerequisite: DEN-79A.

Theory and applied techniques for crown and bridge construction; principles of bridge design for aesthetics, function, sanitation and comfort; emphasis on abutments, retainers and pontics, bridge assembly utilizing soldered and cast connectors. 18 hours lecture and 108 hours laboratory.

DEN-82 - Dental Laboratory Management

1 unit

Prerequisite: None.

Fundamentals of accounting: financial statements, basic record keeping procedures, sales and cash receipts, transactions with individual dentists, end-of-period procedures, financial statement analysis and pricing, as they apply to the dental laboratory industry. 18 hours lecture.

DEN-85 - Orthodontic/Pedodontic Techniques

3 units

Prerequisite: DEN-70.

Designed to familiarize the student with the laboratory requirements of orthodontics; wire bending procedures and the fabrication of orthodontic appliances and pedodontic preventive appliances; emphasis on space maintainers, both fixed and removable, habit-breaking appliances, appliances for effective tooth movement. 18 hours lecture and 108 hours laboratory.

DEN-89A - Dental Ceramics I

3 units

Prerequisite: DEN-79B.

Theory and fundamental techniques for fabricating cast metal substructures; opaquing, porcelain manipulation, color control, blending, firing, shaping and glazing single crowns with emphasis on porcelain fused to metal restorations. 18 hours lecture and 108 hours laboratory.

DEN-89B - Dental Ceramics II

3 units

Prerequisite: DEN-89A.

Theory and advanced techniques for constructing porcelain fused to metal multiple crowns and bridgework; framework design, assembly, porcelain buildup, add-ons and staining; pre and post soldering, porcelain jacket crowns and porcelain veneers. 18 hours lecture and 108 hours laboratory.

DEN-200 - Dental Technology Work Experience

1-2-3-4 units

Prerequisite: None.

Advisory: Students should have paid or voluntary employment.

This course is designed to coordinate the student’s occupational on-the-job training with related classroom instruction. Students enrolled in this occupational work experience course must be employed in a field related to the work experience subject area. Students may earn up to four (4) units each semester for a maximum of 16 units of work experience. No more than 20 hours per week may be applied toward the work requirement. 18 hours lecture. Additionally, 60 hours of volunteer work or 75 hours of paid work is required for each unit.

EAR-19 - Observation and Assessment in Early Childhood Education

3 units

Prerequisite: None.

This course focuses on the appropriate use of a variety of assessment and observation strategies to document child development and behavior. Child observations will be conducted and analyzed. 54 hours lecture.

EAR-20 - Child Growth and Development

3 units

Prerequisite: None.

This introductory course examines the major physical, psychosocial, and cognitive/language developmental milestones for children, both typical and atypical, from conception through adolescence. There will be an emphasis on interactions between maturational processes and environmental factors. While studying developmental theory and investigative research methodologies, students will observe children, evaluate individual differences and analyze characteristics of development at various stages. Outside observations required. 54 hours lecture.

EAR-22 - Early Childhood Programs and Career Opportunities

3 units

Prerequisite: None.

This course presents an overview of knowledge and skills related to current strategies in early childhood care and developmentally appropriate learning experiences. The characteristics of various program types are introduced along with the requirements of operation: state licensing, laws, permits, and regulations. Career opportunities, particularly those involving the Pre-K and K-12 educational systems, are discussed and explored, as well as other career paths open to educators. Observations of various educational settings are required. 54 hours lecture.

EAR-23 - Family Home Child Care Program

3 units

Prerequisite: None.

This course is designed to meet the specific needs of the family child care provider. Emphasis will be given to licensing regulations, recordkeeping, developing contracts, child development, and creating partnerships with parents. Topics include creating appropriate environments, using appropriate positive guidance techniques, and planning and implementing developmentally appropriate curricula for mixed-age groups of children. Outside observations required. 54 hours lecture.
EAR-24 - Introduction to Curriculum 3 units
CSU
Prerequisite: None.
This course presents an overview of knowledge and skills related to providing appropriate curriculum and environments for young children from birth to age 6. Students will examine a teacher's role in supporting development and engagement for all young children. This course provides strategies for developmentally-appropriate practice based on observation and assessments across the curriculum, including: academic content areas; play, art, and creativity; and development of social-emotional, communication, and cognitive skills. 54 hours lecture.

EAR-25 – Teaching in a Diverse Society 3 units
CSU
Prerequisite: None.
This course will examine the development of social identities in diverse societies including theoretical and practical implications affecting young children, families, programs, teaching, education and schooling. Culturally relevant and linguistically appropriate anti-bias approaches supporting all children in becoming competent members of a diverse society. Course involves self-reflection of one’s own understanding of educational principles in integrating anti-bias goals in order to better inform teaching practices and/or program development. 54 hours lecture.

EAR-26 - Health, Safety and Nutrition 3 units
CSU
Prerequisite: None.
Introduction to the laws, regulations, standards, policies and procedures and early childhood curriculum related to child health safety and nutrition. The key components that ensure physical health, mental health and safety for both children and staff will be identified along with the importance of collaboration with families and health professionals. Focus on integrating the concepts into everyday planning and program development. 54 hours lecture.

EAR-28 - Principles and Practices of Teaching Young Children 3 units
CSU
Prerequisite: None.
An examination of the underlying theoretical principles of developmentally appropriate practices applied to programs, environments, emphasizing the key role of relationships, constructive adult-child interactions, and teaching strategies in supporting physical, social, creative and intellectual development for all young children. This course includes a review of the historical roots of early childhood programs and the evolution of the professional practices promoting advocacy, ethics, and professional identity. 54 hours lecture.

EAR-30 - Practicum in Early Childhood Education 4 units
CSU
Prerequisite: EAR-20, 24, 28 and 42.
In this course the student will practice and demonstrate developmentally appropriate early childhood program planning and teaching competencies under the supervision of ECE/CD faculty and other qualified early education professionals. Students will utilize practical classroom experiences to make connections between theory and practice, develop professional behaviors, and build a comprehensive understanding of children and families. Child centered, play-oriented approaches to teaching, learning, and assessment; and knowledge of curriculum content areas will be emphasized as student teachers design, implement and evaluate experiences that promote positive development and learning for all young children. Lab hours will be completed under the direction of a qualified Master Teacher (Child Development Permit Matrix, California Commission on Teacher Credentialing) with 3 units of supervised field experience in ECE setting. 36 hours lecture and 108 hours laboratory.

EAR-31 - Home Visiting 3 units
CSU
Prerequisite: EAR-20.
This class will provide an overview of the basics required for an early intervention assistant to effectively provide services to a child with a disability and their family in the home environment. Students will be challenged to develop a personal philosophy regarding early intervention services in the home. Topics will be geared to prepare students to handle the diversity of environments, family systems, and interpersonal communication styles they will encounter. Additional topics will provide support relating to personal organization and preparation for the visits, collaboration with other professionals, infant mental health, and developing appropriate home based interventions for the child and family. 54 hours lecture.

EAR-33 - Caring for Infants and Toddlers in Group Settings 3 units
CSU
Prerequisite: None.
Advisory: EAR-20.
This course provides caregivers in family day care homes, infant/toddler centers, or early intervention settings, the components of quality care and education for typically and atypically developing infants and young children ages 0 to 3. The specific development of the child from birth to age three will be studied in relation to the development of appropriate activities and materials to meet the child’s developmental needs. Health, safety, and nutrition; components of physical space and equipment in the natural environment; and play of the young child will be examined. 54 hours lecture.
EAR-34 - Curriculum Activities for Infants and Toddlers  
3 units  
CSU  
Prerequisite: None.  
Advisory: EAR-33.  
An introduction to assessing, planning, and developing individualized activities for infants and toddlers. Practical learning experiences will be developed in various curriculum areas such as science, learning games, creative arts, imaginative play, music and movement, language, self-concept and discipline. 54 hours lecture.  

EAR-35 - Internship in Infant and Toddler Care  
3 units  
CSU  
Prerequisite: EAR-20.  
Advisory: EAR-33 and 34.  
This is a supervised teaching experience in the care and education of infants and toddlers. Emphasis is on applying the principles and practices of high quality infant care programs. Students will participate in and ultimately plan and develop a comprehensive infant/toddler program consistent with Title 22 licensing regulations and the physical, emotional, social, cognitive, and creative needs of the infant/toddler. 36 hours lecture and 54 hours laboratory (TBA option) work in an approved infant/toddler program under the direction of a Master Teacher with appropriate Infant-Toddler units required.  

EAR-37 - School Age Child Care  
3 units  
CSU  
Prerequisite: EAR-20.  
This course provides school-age child care givers with methods and activities appropriate for after school care of 5-11 year olds. Emphasis will be placed on differentiating between the needs of the school-aged child after school as opposed to during school. Planning will include methods for integrating the school-aged child’s interests and abilities into a developmentally appropriate curriculum to meet individual needs. 54 hours lecture.  

EAR-38 - Adult Supervision in ECE/CD Classrooms  
3 units  
CSU  
Prerequisite: EAR-44.  
This course is a study of the methods and principles of supervising teachers, assistant teachers, student teachers, parents and volunteers in early childhood/child development classrooms. Emphasis is on the role of administrators and classroom teachers who function as mentors to new personnel while simultaneously addressing the needs of administrative concerns, other staff, children and parents. Practical experience is attained in verbal and written communication. Attention is given to the role of communication as the conduit for establishing good interpersonal relations. Meets the requirements for the Child Development Permit Option 1 for the Master Teacher, Site Supervisor and Program Director level. 54 hours lecture.  

EAR-39 - Mentor Seminar  
.5 unit  
Prerequisite: None.  
Limitation on enrollment: Selection as an Early Childhood Mentor Teacher or Director.  
Early childhood Mentors attend monthly seminars to explore issues related to their role as supervisors of early childhood student teachers. Seminar content will be individualized to meet the needs of each Mentor. May be taken a total of four times. 9 hours lecture.  

EAR-40 - Introduction to Infants and Children with Disabilities and Other Special Needs  
3 units  
CSU  
Prerequisite: None.  
This course is designed to introduce students to the characteristics of infants and children with disabilities and other types of special needs. Students will also learn about early intervention, special education and civil rights laws and history, the dynamics of the family of an infant or child with special needs, as well as intervention and support strategies for infants and children with disabilities and other special needs in the early childhood natural environment. This course will include required observations of programs for infants and children with special needs and their families. 54 hours lecture.  

EAR-41 - Internship in Early Intervention/ Special Education  
4 units  
CSU  
Prerequisite: EAR-20.  
This course provides a supervised practicum as an assistant in an early intervention/special education setting with children from birth through 8 years old. It explores the characteristics and distinctive needs of infants and young children with disabilities and other special needs, and their development. The role of the family, teacher and community agencies will be studied. Natural environments, adaptation of curriculum, and identification and assessment will be discussed. 36 hours lecture and 108 hours laboratory (TBA option).  

EAR-42 – Child, Family, and Community  
3 units  
CSU  
Prerequisite: None.  
An examination of the developing child in a societal context which focuses on the interrelationships of family, school, and community and emphasizes historical and socio-cultural factors. The processes of socialization and identity development will be highlighted. 54 hours lecture.
EAR-43 - Children with Challenging Behaviors  
3 units  
CSU  
Prerequisite: EAR-20.  
Corequisite: EAR-19.  
This course provides an overview of the developmental, environmental and cultural factors that impact the behavior of young children, including family stressors, child temperament, violence, attachment disorders, and special needs; and proactive intervention and prevention techniques. Topics include addressing why children misbehave, how to carefully observe a child, how to create a positive environment to encourage appropriate behavior, and how to effectively address many types of behaviors including those that are aggressive and antisocial, disruptive, destructive, emotional and dependent. Outside observations required. 54 hours lecture.

EAR-44 - Administration of Early Childhood Programs I  
3 units  
Programs II  
CSU  
Prerequisite: EAR 20, 24, 28 and 42.  
Introduction to management skills and administrative responsibilities pertaining to the successful operation of care and educational environments for early childhood programs. Emphasis is on the administration of programs for infants, toddlers, preschool, and school-age children. Content areas include: child/program development, adult supervision and management, family and community relationships, human resources development, business/fiscal management, and technological skill development. 54 hours lecture.

EAR-45 - Administration of Early Childhood Programs II  
3 units  
CSU  
Prerequisite: EAR-44.  
Examines the dynamics of management behavior and responsibilities, and the communication process within the organization. It includes the essentials of curriculum design, and its implementation and maintenance through systems of professional staff accountability. Quality program standards are reviewed and their link to professional growth planning and development are addressed. Presented as the foundation for effective management is skill building in leadership, team work, time management, sensitivity toward diversity, and advocating for the principles of developmentally appropriate practices. 54 hours lecture.

EAR-47 - Childhood Stress and Trauma  
3 units  
CSU  
Prerequisite: None.  
This course is an introduction to the common and uncommon stresses of childhood and the short- and long-term effects it has on a child’s development. The many needs and issues of children and families make child development programs challenging as well as rewarding. When exceptional stress and trauma get added into the picture, life can feel overwhelming for everyone involved. This course is designed to develop an understanding of how children react and adapt to stress and trauma as a form of survival. Outside observations required. 54 hours lecture.

ECO-4 - Introduction to Economics  
3 units  
UC, CSU  
Prerequisite: None.  
An entry-level, general education course which introduces and surveys basic macroeconomic and microeconomic principles. This course emphasizes the causes and consequences of the business cycle on output, employment, and prices as well as, basic supply and demand analysis across different market structures. Analysis further includes the role of the government in the macro-economy and the micro-economy. 54 hours lecture.

ECO-5 - Economics of the Environment  
3 units  
UC, CSU  
Prerequisite: None.  
Advisory: Qualification for ENG-1A.  
Economics 5 searches for an economic understanding of contemporary environmental problems. Economic theory is used to explain why there is inefficient resource use and pollution. Public policy to correct environmental problems is examined critically, looking at the costs and benefits of such programs as Superfund cleanup, government regulation, and market incentives. The course also studies the effect of environmental problems and policies on wealth distribution, economic growth and international relations. 54 hours lecture.

ECO-6 - Introduction to Political Economy  
3 units  
(Same as POL-6)  
UC, CSU  
Prerequisite: None.  
Advisory: Qualification for ENG-1A.  
This course will examine the historical, structural, and cultural elements in the development of international political economy. Topics covered will include the relation of politics and economics on development, globalization, national institutions, social groups and classes, and democracy. 54 hours lecture.
ECO-7 - Principles of Macroeconomics 3 units
UC, CSU
Prerequisite: None.
Advisory: Qualification for ENG-1A and MAT-52.
Economic theory and analysis as applied to the U.S. economy as a whole. Emphasizes aggregative economics dealing with the macroeconomic concepts of national income and expenditure, aggregate supply and demand, fiscal policy, monetary policy, and economic stabilization and growth. Students may not receive credit for both ECO-7 and ECO-7H. 54 hours lecture.

ECO-7H - Honors Principles of Macroeconomics 3 units
UC, CSU
Prerequisite: None.
Advisory: Qualification for ENG-1A and MAT-52.
Limitation on enrollment: Enrollment in the Honors program.
Economic theory and analysis as applied to the U.S. economy as a whole. Emphasizes the enhanced exploration of aggregative economics dealing with the macroeconomic concepts of national income and expenditure, aggregate supply and demand, fiscal policy, monetary policy, and economic stabilization and growth. The honors course offers an enriched experience for accelerated students through limited class size, seminar format, focus on primary texts, and application of higher order critical thinking skills. Students may not receive credit for both ECO-7 and ECO-7H. 54 hours lecture.

ECO-8 - Principles of Microeconomics 3 units
UC, CSU
Prerequisite: None.
Advisory: Qualification for ENG-1A and MAT-52.
Economic theory and analysis as applied to consumer and producer behavior in markets. Emphasizes the allocation of resources and the distribution of income through the price mechanism, and deals with the microeconomic concepts of equilibrium in product and factor markets, perfect and imperfect competition, government intervention in the private sector, and international trade and finance. 54 hours lecture.

EDU-1 - Teaching in the Multicultural Classroom 3 units
UC, CSU
Prerequisite: None.
This is the first course en route to teaching as a profession. In addition to an introduction to the history of public education, the following topics are covered within the context of a multicultural/multilingual classroom: motivation, lesson design, teaching strategies, discipline and management and professionalism. A required guided observation of class components in the elementary and secondary schools is based on these last five areas. 54 hours lecture.

EDU-3 - Introduction to Literacy Instruction 3 units
UC, CSU
Prerequisite: None.
Limitation on enrollment: Able to meet safety and health clearance standards for a public school district.
This course is designed for students participating in the Teacher Education Program, students considering teaching as a profession and for prospective literacy tutors. The basic processes of literacy acquisition are presented. Instructional literacy strategies are introduced and essential competencies for delivering culturally relevant reading instruction to emerging readers are developed. This class is to be taken concurrently with enrollment in EDU-4 the teacher education program where literacy strategies are practiced and applied in an elementary school (K-3) tutorial setting. 54 hours lecture.

EDU-4 - Introduction to Literacy/ Service Learning
UC, CSU
Prerequisite: None.
This course is designed for students participating in the Liberal Studies Blended Teacher Education Program, students considering teaching as a profession and for prospective literacy tutors. The purpose of this class is to provide early, supervised experience to pre-service teachers in the form of service learning. The lectures provide for orientation, literacy instruction review, reflection, and problem solving. In addition, 40 hours of volunteer service work will be required. Experiential learning activities will include literacy tutoring at various educational levels. Through this service learning class students will begin to develop fluency with the fundamental skills of literacy development and with literacy instruction as applied to an individual, small groups and whole classes. Additionally, they will begin to acquire classroom management techniques and other routine teaching skills required in the public schools. 18 hours lecture.

EDU-5 - AmeriCorps Community Service-Learning 3 units
CSU
Prerequisite: None.
This course is designed to provide AmeriCorps members with program training, theory and practices of AmeriCorps community service at local service sites (elementary schools.) Emphasis is placed on AmeriCorps member training, leadership, citizenship and personal development through experience at local service sites. May be taken a total of two times. 54 hours lecture and 360 hours classroom tutoring.

EDU-51 - Leadership Development Studies 3 units
CSU
Prerequisite: None.
Designed to provide emerging and existing leaders the opportunity to explore the concept of leadership and to develop and improve their leadership skills. The course integrates readings from the humanities, experiential exercises, films and contemporary readings on leadership. Course emphasis is placed on assessing leadership skills, evaluating interactions among leaders and followers, situations, communicating within groups, managing conflict, goal setting and delegating tasks. 36 hours lecture and 54 hours laboratory.
EMERGENCY MEDICAL SERVICES

Prior to acceptance to the Emergency Medical Services Paramedic Program, students must have the following: a valid EMT-1 card and a valid American Heart Association Healthcare Provider level CPR card (both to remain current throughout the program), a high school diploma or GED, verification of at least 18 years of age, documentation of at least 1 year and 2000 hours of paid or volunteer service as an EMT-1 (50% of the experience must be in the prehospital setting,) and successful completion of AMY-10 or equivalent. Attendance at orientation and successful completion of paramedic preparatory class are also required. Students will receive further details upon acceptance into program.

Students must purchase a uniform and complete a background check and healthcare screening prior to the start of the program. Before taking any of these steps, attendance at orientation and successful completion of paramedic preparatory class are also mandatory.

It is highly recommended that students take courses in medical terminology, medical math and English composition before the program begins.

EMS-50 - Emergency Medical Services - Basic
6 units
Prerequisite: None.
Corequisite: EMS-51.
Limitation on enrollment: American Heart Association CPR Certification (Healthcare Provider level) current throughout the length of the program. Must be 18 years of age. Attendance is required at the EMS Orientation prior to the start of class. Student must purchase a uniform and complete a background check and healthcare screening prior to the start of the program. Before taking any of these steps, students must attend program orientation.

An entry-level course into the Emergency Medical Services career field that follows the current Department of Transportation (DOT) curriculum. Satisfactory completion of this course (when taken concurrently with EMS-51) prepares this student as an Emergency Medical Technician (EMT) for work in the prehospital emergency medical environment. May be taken a total of two times. 96 hours lecture and 64 hours laboratory.

EMS-51 - Emergency Medical Services-Basic
1 unit
Clinical/Field
Prerequisite: None.
Corequisite: EMS-50.
Limitation on enrollment: American Heart Association CPR Certification (Healthcare Provider level) current throughout the length of the program. Must be 18 years of age. Attendance is required at the EMS Orientation prior to the start of class. Student must purchase a uniform and complete a background check and healthcare screening prior to the start of the program. Before taking any of these steps, students must attend program orientation.

Provides supervised clinical practice in a wide variety of patient care activities in the care of the sick and injured. This course is the second part of EMS 50/51 series and meets all state and national guidelines. May be taken a total of two times. 64 hours laboratory. (TBA option)

EMS-60 - Patient Assessment and Airway
4 units
Management
Prerequisite: None.
Limitation on enrollment: Acceptance into the Paramedic program and concurrent enrollment in EMS-61, 62, and 63.

Enables Emergency Medical Technicians (EMTs) to refine their skills and develop to the level of a paramedic; concentrates on patient assessment and airway management techniques needed in dealing with sick and injured patients; integral component of the first semester of the RCC Paramedic Program. 62 hours lecture and 64 hours laboratory.

EMS-61 - Introduction to Medical Pathophysiology
3 units
Prerequisite: None.
Limitation on enrollment: Acceptance into the Paramedic program and concurrent enrollment in EMS-60, 62, and 63.

Enables Emergency Medical Technicians (EMTs) to expand their understanding of disease and injury processes; integral component of the first semester of the RCC Paramedic Program; reviews anatomy and physiology; introduces pathophysiology to assist the paramedic student in understanding disease and trauma processes. 62 hours lecture.

EMS-62 - Emergency Pharmacology
4 units
Prerequisite: None.
Limitation on enrollment: Acceptance into the Paramedic program and concurrent enrollment in EMS-60, 61, and 63.

Enables Emergency Medical Technicians (EMTs) to refine their pharmacology skills; integral component of the first semester of the RCC Paramedic Program; prepares paramedic students to deal with basic pharmacology, pharmacokinetics, pharmacodynamics including calculation and administration of prehospital medications. 54 hours lecture and 64 hours laboratory.
EMS-63 - Cardiology  
4 units  
**Prerequisite:** None.  
Limitation on enrollment: Acceptance into the Paramedic program and concurrent enrollment in EMS-60, 61, and 62.  
Enables Emergency Medical Technicians (EMTs) to expand their understanding of management of patients with cardiovascular emergencies. This includes treatment protocols, electrocardiogram interpretation (3-lead and 12-lead), pharmacology, and electrical therapy for patients in cardiac distress. 62 hours lecture and 64 hours laboratory.

EMS-70 - Trauma Management  
4 units  
**Prerequisite:** EMS-60, 61, 62 and 63.  
Limitation on enrollment: Acceptance into the Paramedic program.  
**Students must enroll in EMS-71 concurrently.**  
The paramedic student will be able to integrate the principles of kinematics to enhance the patient assessment and predict the likelihood of injuries based on the mechanism of injury. 64 hours lecture and 32 hours laboratory.

EMS-71 - Clinical Medical Specialty I  
2.5 units  
**Prerequisite:** EMS-60, 61, 62 and 63.  
Limitation on enrollment: Acceptance into the Paramedic program.  
**Students must enroll in EMS-70 concurrently.**  
Enables paramedic students to apply theory and skills learned in corequisite courses under supervision of health care professionals in a wide variety of patient care of the sick and injured in a hospital setting. 144 hours laboratory.

EMS-80 - Medical Emergencies  
4.5 units  
**Prerequisite:** EMS-70 and 71.  
Limitation on enrollment: Acceptance into the Paramedic program.  
**Students must enroll in EMS-81, 82 and 83 concurrently.**  
Prepares the paramedic student for management of patients with medical emergencies; includes selection of appropriate treatment protocols, electrocardiogram interpretation, pharmacology, and interventions that lead to a viable outcome for a patient experiencing a medical emergency. 64 hours lecture and 64 hours laboratory.

EMS-81 - Special Populations  
4.5 units  
**Prerequisite:** EMS-70 and 71.  
Limitation on enrollment: Acceptance into the Paramedic program.  
**Students must enroll in EMS-80, 82 and 83 concurrently.**  
Provides paramedic students to care for clients with special problems through a review of anatomy and physiology as well as the pathophysiological process of neonatology, pediatrics, geriatrics, abuse, assault, and patients with special needs, also includes discussion of acute interventions for chronic care patients. 64 hours lecture and 64 hours laboratory.

EMS-82 - Special Topics  
2 units  
**Prerequisite:** EMS-70 and 71.  
Limitation on enrollment: Acceptance into the Paramedic program.  
**Students must enroll in EMS-80, 81 and 83 concurrently.**  
Provides second level paramedic students with an overview of issues and problems that are directly impacting the emergency provider. The paramedic student will be educated on how to deal with weapons of mass destruction, bioterrorism, urban terrorism threats and a variety of current topical issues that they will face in an unpredictable environment. 32 hours lecture and 32 hours laboratory.

EMS-83 - Clinical Medical Specialty II  
2.5 units  
**Prerequisite:** EMS-70 and 71.  
Limitation on enrollment: Acceptance into the Paramedic program.  
**Students must enroll in EMS-80, 81 and 82 concurrently.**  
Enables paramedic students to apply theory and skills learned in corequisite courses under supervision of health care professionals in a wide variety of patient care of the sick and injured in a hospital setting. 144 hours laboratory. (TBA option)

EMS-90 - Assessment Based Management  
4.5 units  
**Prerequisite:** EMS-80, 81, 82 and 83.  
Limitation on enrollment: Acceptance into the Paramedic program.  
**Students must enroll in EMS-91 concurrently.**  
Prepares fourth level paramedic students to assess and make clinical/field judgments regarding the treatment of the ill or injured patient; focuses on refining existing knowledge and skills. 64 hours lecture and 64 hours laboratory.

EMS-91 - Paramedic Field Internship  
10 units  
**Prerequisite:** EMS-80, 81, 82 and 83.  
Limitation on enrollment: Acceptance into the Paramedic program.  
**Students must enroll in EMS-90 concurrently.**  
Concluding course of the Paramedic program; provides a minimum of 540 hours of field training under the supervision of an approved preceptor to third level paramedic students; enables students to further refine and develop skills necessary for certification as a Paramedic; includes a wide variety of patient care activities including medical histories; physical examination, patient management and supportive care of the sick injured in a field setting. 540-600 hours laboratory.
ENGLISH

Most four-year colleges and universities will require transfer students to have eight units (two semesters) of composition. English 1A or 1H and 1B or 1BH at Riverside Community College District will meet this requirement.

ENG-1A - English Composition 4 units
UC, CSU
Prerequisite: ENG-50 or 80 or qualifying placement level.
Emphasizes and develops skills in critical reading and academic writing. Reading and writing assignments include exposition, argumentation, and academic research. Students will write a minimum of 10,000 words. Classroom instruction integrates Writing and Reading Center activities. Students may not receive credit for both ENG-1A and ENG-1AH. 72 hours lecture and 18 hours laboratory. (TBA option)

ENG-1AH - Honors English Composition 4 units
UC, CSU
Prerequisite: ENG-50 or 80 or qualifying placement level.
Limitation on enrollment: Enrollment in the Honors program.
Emphasizes and develops skills in critical reading and academic writing. Reading and writing assignments include exposition, argumentation, and academic research. Students will write a minimum of 10,000 words. Honors course offers an enriched experience for accelerated students through limited class size; seminar format; focus on primary texts; and application of higher level critical thinking skills. Students may not receive credit for both ENG-1A and ENG-1AH. Classroom instruction integrates Writing and Reading Center activities. 72 hours lecture and 18 hours laboratory. (TBA option)

ENG-1B - Critical Thinking and Writing 4 units
UC, CSU
Prerequisite: ENG-1A or 1AH.
Building on the rhetorical skills learned in ENG 1A, students will analyze, interpret, and synthesize diverse texts in order to construct well-supported academic arguments and literary analyses. Composition totaling a minimum of 10,000 words serves to correlate writing and reading activities. Classroom activities integrate with Writing and Reading Center activities. Students may not receive credit for both ENG-1B and ENG-1BH. 72 hours lecture and 18 hours laboratory. (TBA option)

ENG-1BH - Honors Critical Thinking and Writing 4 units
UC, CSU
Prerequisite: ENG-1A or 1AH.
Limitation on enrollment: Enrollment in the Honors program.
This course develops critical thinking, reading, and writing skills through the formal study of argument and literature. Composition totaling a minimum of 10,000 words serves to correlate writing with reading. Honors course offers an enriched experience for accelerated students through limited class size, seminar format, focus on primary texts, and application of higher level critical thinking skills. Students may not receive credit for both ENG-1B and ENG-1BH. Classroom activities integrate with Writing and Reading Center activities. 72 hours lecture and 18 hours laboratory. (TBA option)

ENG-4 - Writing Tutor Training 2 units
CSU
Prerequisite: ENG-1A or 1AH.
Designed to prepare students to become peer tutors in the Writing Center. Participants learn specific tutoring techniques and discuss problems, questions, and challenges in tutoring writing. Tutors develop student-centered, non-intrusive tutoring skills that avoid "appropriating the text" (i.e., becoming a proofreader, editor, or co-author). Topics include theory and practice of tutoring writing, including writing as a process, interpersonal communication techniques, cross-cultural tutoring, group learning, and computer programs applicable to writing instruction. May be taken a total of two times. 27 hours lecture and 27 hours laboratory. (TBA option)

ENG-6 - British Literature I: Anglo-Saxon 3 units
through Eighteenth Century
UC, CSU
Prerequisite: None.
Advisory: ENG-1B or 1BH.
A survey of British literature from the eighth century AD to 1800, including a comprehensive exposure to the poetry, drama, and fiction of this era as well as a basic understanding of the cultural, intellectual, and artistic trends it embodies. 54 hours lecture. (Letter Grade, or Pass/No Pass option.)

ENG-7 - British Literature II: Romanticism 3 units
through Postmodernism
UC, CSU
Prerequisite: None.
Advisory: ENG-1B or 1BH.
A survey of British literature from 1800 to the present, including a comprehensive exposure to the poetry, drama, and fiction of this era as well as a basic understanding of the cultural, intellectual, and artistic trends it embodies. 54 hours lecture. (Letter Grade, or Pass/No Pass option.)

ENG-8 - Introduction to Mythology 3 units
(Same as HUM-8)
UC, CSU
Prerequisite: None.
Advisory: ENG-1B or 1BH.
A study of Greco-Roman and other mythological traditions. Emphasizes the historical sources and cultural functions of myths and legends in ancient societies and their continuing relevance to modern thought and culture. 54 hours lecture.

ENG-9 - Introduction to Shakespeare MNR 3 units
UC, CSU
Prerequisite: None.
Advisory: ENG-1B or 1BH.
A survey of Shakespeare’s plays and poetry, with the primary emphasis on exposing students to a representative sampling of his dramatic works and to the cultural, intellectual, and artistic contexts for his work. Both students who have read Shakespeare before and students who have no experience with Shakespeare are encouraged to take this class. 54 hours lecture. (Letter Grade, or Pass/No Pass option.)
**ENG-10 - Special Studies in Literature** 3 units  
CSU  
*Prerequisite: None.*  
*Advisory: ENG-1B or IBH.*  
Designed to provide students with opportunities to focus on specialized areas of literature and/or specific authors, genres or literary themes. Topics are selected according to student and instructor interest and needs. May be taken a total of three times. 54 hours lecture. (Letter Grade, or Pass/No Pass option.)

**ENG-11 - Creative Writing** 3 units  
UC, CSU  
*Prerequisite: ENG-1A or 1AH.*  
Studies in fundamental principles and practice of writing fiction and poetry. Lectures and discussions emphasize analysis of professional examples of creative writing and study of creative writing theory. In-class workshops provide practice in creative writing techniques. In-class and out-of-class class writing assignments provide practice in writing techniques and in peer- and self-analysis. Subsequent enrollment in an additional semester affords students opportunity for further development of fiction and poetry projects, as well as further development of creative writing and analysis skills and techniques. This course may be taken a total of two times. 54 hours lecture. (Letter Grade, or Pass/No Pass option.)

**ENG-14 - American Literature I: Pre-Contact** 3 units through Civil War  
UC, CSU  
*Prerequisite: None.*  
*Advisory: ENG-1B or IBH.*  
A survey of American literature from the pre-contact period to the Civil War, including a comprehensive exposure to the prose, poetry and fiction of this era was well as a basic understanding of the cultural, intellectual and artistic trends it embodies. 54 hours lecture. (Letter Grade, or Pass/No Pass option.)

**ENG-15 - American Literature II: 1860 to the Present** MNR3 units  
UC, CSU  
*Prerequisite: None.*  
*Advisory: ENG-1B or IBH.*  
A survey of American literature from 1860 to the present, including a comprehensive exposure to the prose, poetry, fiction and drama of this era as well as a basic understanding of the cultural, intellectual and artistic trends it embodies. 54 hours lecture. (Letter Grade, or Pass/No Pass option.)

**ENG-16 - Introduction to Language** 3 units  
UC, CSU  
*Prerequisite: None.*  
*Advisory: Qualification for ENG-1A.*  
A survey of language structure, theory and development, including a study of phonetics, phonology, morphology, semantics and syntax, language variation and change, language acquisition, and the psychological and social issues involved in language learning. 54 hours lecture. (Letter Grade, or Pass/No Pass option.)

**ENG-20 - Survey of African American Literature** 3 units  
UC, CSU  
*Prerequisite: None.*  
*Advisory: ENG-1B or IBH.*  
A survey of African American literature from the early oral tradition to the present, including a comprehensive exposure to African American prose, poetry, and fiction as well as a basic understanding of the cultural, intellectual, and artistic trends of African American culture and the relationship to contemporary literature. Students who have taken both ENG-21 and ENG-22 may not receive credit for ENG-20. 54 hours lecture. (Letter Grade, or Pass/No Pass option.)

**ENG-23 - The Bible as Literature** 3 units  
*(Same as HUM-23)*  
UC, CSU  
*Prerequisite: None.*  
*Advisory: ENG-1B or IBH.*  
A survey of the Hebrew Bible and New Testament with emphasis on literary form, styles, and themes 54 hours lecture. (Letter Grade, or Pass/No Pass option.)

**ENG-25 - Latino Literature of the United States** 3 units  
UC, CSU  
*Prerequisite: None.*  
*Advisory: ENG-1B or IBH.*  
Latino literature of the regional United States in all genres from the early oral traditions, chronicles and epic poems of the 15th through 19th centuries to the essays, poems, plays and novels of 20th century authors. The course will also explore Latino history, culture and identity as expressed in the writings of American Latino writers. 54 hours lecture.

**ENG-30 - Children’s Literature** 3 units  
CSU  
*Prerequisite: None.*  
*Advisory: Qualification for ENG-1A.*  
A general survey of children’s literature from early times, with emphasis on contemporary works, including fantasy/science fiction, realistic, multicultural and historical fiction. Both oral and written assignments are required. 54 hours lecture. (Letter Grade, or Pass/No Pass option.)

**ENG-35 - Images of Women in Literature** 3 units  
UC, CSU  
*Prerequisite: None.*  
*Advisory: ENG-1B or IBH.*  
A study of images of women in literature which includes male and female authors and explores the cultural, sociological, political and economic bases for historical and contemporary literary images of women. 54 hours lecture. (Letter Grade, or Pass/No Pass option.)
ENG-40 - World Literature I: From Ancient Literatures to the Seventeenth Century
3 units
UC, CSU
Prerequisite: None.
Advisory: ENG-1B or 1BH.
Significant works of world literature from Ancient literatures to 17th Century, including a comprehensive exposure to the poetic, dramatic, and prose forms of early cultures as well as a basic understanding of the cultural, intellectual, and artistic trends these works embody. Primary emphasis is on literature in translation. 54 hours lecture. (Letter Grade, or Pass/No Pass option.)

ENG-41 - World Literature II: Seventeenth Century Through the Present
3 units
UC, CSU
Prerequisite: None.
Advisory: ENG-1B or 1BH.
Significant works of world literature from the Seventeenth Century through the present, including a comprehensive exposure to the poetry, drama, and fiction of these periods as well as a basic understanding of the cultural, intellectual, and artistic trends these works embody. Emphasis on literature in translation. 54 hours lecture. (Letter Grade, or Pass/No Pass option.)

ENG-50 - Basic English Composition
4 units
Prerequisite: ENG-60B, ESL-55 or qualifying placement level.
Emphasizes and develops skills in critical reading and academic writing as preparation for college-level composition. Students will write a minimum of 5,000 words. Classroom instruction integrates Writing and Reading Center activities. 72 hours lecture and 18 hours laboratory. (TBA option)

ENG-60A - English Fundamentals: Sentence to Paragraph
4 units
Prerequisite: None.
Develops student's writing, active-reading and grammar skills to basic-level performance. Emphasis is on correct writing at the sentence and paragraph level. May be taken a total of two times. 72 hours lecture and 18 hours laboratory. (TBA option) (Non-degree credit course. Pass/No Pass only.)

ENG-60A1 - English Fundamentals: Sentence Structure
1 unit
Prerequisite: None.
Develops students' sentence structure skills to basic-level performance. One of a four-part series that equates with English 60A. Courses in this series may be taken in any order. May be taken a total of two times. 18 hours lecture and 4.5 hours laboratory. (TBA option) (Non-degree credit course. Pass/No Pass only.)

ENG-60A2 - English Fundamentals: Grammar and Usage
1 unit
Prerequisite: None.
Develops students’ grammar and usage skills to basic-level performance. One of a four-part series that equates with English 60A. Courses in this series may be taken in any order. May be taken a total of two times. 18 hours lecture and 4.5 hours laboratory. (TBA option) (Non-degree credit course. Pass/No Pass only.)

ENG-60A3 - English Fundamentals: Mechanics and Spelling
1 unit
Prerequisite: None.
Develops students’ mechanics and spelling skills to basic-level performance. One of a four-part series that equates with English 60A. Courses in this series may be taken in any order. May be taken a total of two times. 18 hours lecture and 4.5 hours laboratory. (TBA option) (Non-degree credit course. Pass/No Pass only.)

ENG-60A4 - English Fundamentals: Paragraph Construction
1 unit
Prerequisite: None.
Develops students’ paragraph writing skills to basic-level performance. One of a four-part series that equates with English 60A. Courses in this series may be taken in any order. May be taken a total of two times. 18 hours lecture and 4.5 hours laboratory. (TBA option) (Non-degree credit course. Pass/No Pass only.)

ENG-60B - English Fundamentals: Paragraph to Essay
4 units
Prerequisite: ENG-60A or qualifying placement level.
Develops the student’s basic-level writing, active-reading and grammar skills to intermediate-level performance. Emphasis is on correct writing at the paragraph and short-essay level. May be taken a total of two times. 72 hours lecture and 18 hours laboratory. (TBA option) (Non-degree credit course. Pass/No Pass only.)

ENG-80 - Preparatory Composition
6 units
Prerequisite: None.
Accelerated preparation for English Composition (ENG 1A), this course offers intensive instruction in the academic reading, reasoning, and writing expected in transfer and associate-degree courses. Students will read college-level texts and write a minimum of 10,000 words. Classroom instruction integrates Writing and Reading Center activities. 108 hours lecture and 18 hours laboratory. (TBA option) (Non-degree credit course.)

ENG-90B - Special Topics in English: The Research Paper Process
1 unit
Prerequisite: None.
Advisory: Qualification for ENG-1A.
Guides students through the entire research process, which includes choosing the topic; conducting and evaluating research; organizing the research material; pre-writing and multiple drafts; academic formats; and preparation of the final product. May be taken a total of three times. 18 hours lecture. (Non-degree credit course. Pass/No Pass only.)

**ENGLISH AS A SECOND LANGUAGE**

**ESL-51 - Basic Writing and Grammar**  
4 units  
Prerequisite: None.  
Emphasizes elementary competency in standard written English with a focus on basic writing and grammar skills. Instruction will also include vocabulary and reading skills necessary for success in basic English as a Second Language courses. Subsequent enrollment in an additional semester will provide the student with an opportunity for continued skills and competency development within the level and subject matter. May be taken two times. 72 hours lecture and 18 hours laboratory. (Non-degree credit course. Pass/No Pass only.)

**ESL-52 - Low-intermediate Writing and Grammar**  
4 units  
Prerequisite: Qualifying placement level on a state-approved placement instrument, or successful completion of ESL-51.  
Develops competency in standard written English with a continued focus on basic writing and grammar skills. Instruction includes vocabulary and reading skills necessary for success in low-intermediate English as a Second Language courses. Subsequent enrollment in an additional semester will provide the student with an opportunity for continued skills and competency development within the level and subject matter. May be taken two times. 72 hours lecture and 18 hours laboratory. (Non-degree credit course. Pass/No Pass only.)

**ESL-53 - Intermediate Writing and Grammar**  
4 units  
Prerequisite: Qualifying placement level on a state-approved placement instrument, or successful completion of ESL-52.  
Increases competency in standard written English with a focus on intermediate and writing grammar skills. Instruction includes vocabulary and reading skills necessary for success in intermediate English as a Second Language courses. Subsequent enrollment in an additional semester will provide the student with an opportunity for continued skills and competency development within the level and subject matter. May be taken two times. 72 hours lecture and 18 hours laboratory. (Non-degree credit course. Pass/No Pass only.)

**ESL-54 - High-intermediate Writing and Grammar**  
5 units  
UC, CSU  
Prerequisite: Qualifying placement level on a state-approved placement instrument, or successful completion of ESL-53.  
Emphasizes competency in standard written English with a focus on high-intermediate grammar and writing skills. Instruction includes an intensive review of vocabulary and reading skills necessary for success in high-intermediate English as a Second Language courses. Subsequent enrollment in an additional semester will provide the student with an opportunity for continued skills and competency development within the level and subject matter. May be taken two times. 90 hours lecture and 18 hours laboratory. (TBA option) (Degree credit course. Letter grade, or Pass/No Pass option.)

**ESL-55 - Advanced Writing and Grammar**  
5 units  
UC, CSU  
Prerequisite: Qualifying placement level on a state-approved placement instrument, or successful completion of ESL-54.  
Emphasizes competency in standard written English with a focus on developing paragraphs and essays in preparation for English composition classes. Instruction includes continued development of vocabulary, reading and academic skills necessary for success in college classes. Subsequent enrollment in an additional semester will provide the student with an opportunity for continued skills and competency development within the level and subject matter. May be taken two times. 90 hours lecture and 18 hours laboratory. (TBA option) (Degree credit course. Letter grade, or Pass/No Pass option.)

**ESL-71 - Basic Reading and Vocabulary**  
4 units  
Prerequisite: None.  
Advisory: Enrollment in ESL-51 or 52 or qualifying placement level on a state-approved placement instrument.  
Emphasizes the acquisition of simple reading skills, expansion of receptive and productive vocabulary, and comprehension of short, adapted reading selections. Subsequent enrollment in an additional semester will provide the student with an opportunity for further skills and competency development at the basic level. May be taken two times. 72 hours lecture and 18 hours laboratory. (Non-degree credit course. Pass/No Pass only.)

**ESL-72 - Intermediate Reading and Vocabulary**  
4 units  
Prerequisite: None.  
Advisory: Enrollment in ESL-53 or 54.  
Emphasizes the continued acquisition of reading skills needed for college level courses, expansion of receptive and productive vocabulary, and comprehension of medium-length adapted reading selections. Subsequent enrollment in an additional semester will provide the student with an opportunity for further skills and competency development at the intermediate level. May be taken two times. 72 hours lecture and 18 hours laboratory. (Non-degree credit course. Pass/No Pass only.)

**ESL-73 - High-intermediate Reading and Vocabulary**  
4 units  
Prerequisite: None.  
Advisory: Enrollment in ESL-53, 54, 55 or qualifying placement level on a state-approved placement instrument.  
Emphasizes the acquisition of higher level reading skills needed for college level courses, expansion of receptive and productive vocabulary, further development of library skills, and comprehension of both adapted and authentic reading selections of varying lengths. Subsequent enrollment in an additional semester will provide the student with an opportunity for further skills and competency development at the high intermediate level. May be taken a total of two times. 72 hours lecture and 18 hours laboratory. (Degree credit course. Letter grade, or Pass/No Pass option.)
ESL-90C - Special Topics in ESL: Preposition Review 1 unit
Prerequisite: None.
Advisory: Qualification for ESL-53 or higher.
Provides students with basic instruction and practice in the use of prepositions and phrasal verbs. Attention will focus on specialized usage and problem areas. Topics include two- and three-part verbal idioms, two-part adjectives, adjectival and adverbial idioms, and prepositions used in normal discourse. May be taken a total of four times. 18 hours lecture. (Non-degree credit course. Pass/No Pass only.)

ESL-90D - Special Topics in ESL: Verb Tense Review 2 units
Prerequisite: None.
Advisory: Qualification for or enrollment in ESL-54 or higher.
Provides students with intensive review of and practice using all of the basic English verb tenses. May be taken a total of four times. 36 hours lecture. (Non-degree credit course. Pass/No Pass only.)

ESL-90G - Special Topics in ESL: Mastering Articles: A, An, and The 1 unit
Prerequisite: None.
Advisory: Qualification for or enrollment in ESL-53 or higher.
Provides students with extensive review of and practice using definite and indefinite articles in English. May be taken a total of four times. 18 hours lecture. (Non-degree credit course. Pass/No Pass only.)

ESL-90H - Special Topics in ESL: Phrases and Clauses 1 unit
Prerequisite: None.
Advisory: Qualification for or enrollment in ESL-53 or higher.
Provides students with basic instruction and practice in using phrases and clauses to write well-structured sentences. Enhances the students' competence in identifying types of phrases and clauses in English and in using proper punctuation with compound and complex sentence structures. May be taken a total of four times. 18 hours lecture. (Non-degree credit course. Pass/No Pass only.)

ESL-90I - Special Topics in ESL: Punctuation Review 1 unit
Prerequisite: None.
Advisory: Qualification for ESL-53 or higher.
Provides students with the conventions of punctuation use in American English. Students will analyze and apply the rules of punctuation. May be taken a total of three times. 18 hours lecture. (Non-degree credit course. Pass/No Pass only.)

ESL-90J - Special Topics in ESL: Spelling Review 1 unit
Prerequisite: None.
Advisory: Qualification for ESL-53 or higher.
Improves students' spelling skills. Students will analyze and apply the rules and principles of spelling in American English. May be taken a total of four times. 18 hours lecture. (Non-degree credit course. Pass/No Pass only.)

ESL-91 - Oral Skills I: Beginning Oral 3 units
Communication
Prerequisite: None.
Advisory: Concurrent enrollment in ESL-51 or 52.
This course emphasizes beginning conversation, pronunciation and idiomatic skills along with basic listening comprehension. Conversational and idiomatic skills focus on fluent and appropriate use of common words and functional expressions in life skills areas — shopping, food, clothing, money/banking, car/license, travel, medicine. Pronunciation focuses on the articulation of English vowels and consonants and on the development of basic English patterns of stress and intonation. Listening stresses understanding verbal instructions and questions, common vocabulary and daily functions in an aural context, main ideas and details in monologues and dialogues. 54 hours lecture and 18 hours laboratory. (Non-degree credit course. Pass/No Pass only.)

ESL-92 - Oral Skills II: Intermediate Oral 3 units
Communication
Prerequisite: None.
Advisory: Concurrent enrollment in ESL-53 or 54.
This course develops intermediate conversation, pronunciation, idiomatic and aural comprehension skills. It is intended for non-native speakers of English who can make themselves understood but are not yet proficient in self-expression. Conversational and idiomatic skills focus on fluent and appropriate use of oral communication skills in a variety of social, business and/or academic situations. Pronunciation focuses on clearer articulation of English vowels and consonants and on increased control of the stress, intonation and rhythm of English. Listening comprehension stresses understanding verbal instructions and questions on campus and in the workplace. Students continue to learn appropriate verbal and non-verbal behavior as well as conversation management techniques to exchange ideas in small and large group communication. 54 hours lecture and 18 hours laboratory. (Non-degree credit course. Pass/No Pass only.)

ESL-93 - Oral Skills III: Advanced Oral 3 units
Communication
Prerequisite: None.
Advisory: Concurrent enrollment in ESL-54, 55 or ENG-50.
This course develops advanced conversation, pronunciation, idiomatic and aural comprehension skills. Conversational and idiomatic skills focus on increasingly fluent communication and interaction skills in complex speaking situations and comfortable use of English in a variety of situations, both academic and professional. Pronunciation focuses on improved clarity of speech and on increased control of the stress, intonation and rhythm of English. Listening comprehension stresses understanding complex syntax, register, nuance and tone in conversations on campus and in the workplace. Students will learn how to speak at length on a given topic, both prepared and extemporaneous, and to understand the subtleties of conversational English. 54 hours lecture and 18 hours laboratory. (Degree credit course. Letter grade, or Pass/No Pass option.)
FST-1 - Introduction to Film Studies 3 units
UC, CSU
Prerequisite: None.
Advisory: Qualification for ENG-1A.
An introduction to the general principles and techniques of film studies, with focused attention on film's formal elements (mise-en-scene, the shot, editing, and sound) and narrative structures. Provides instruction on discussing and writing about film as a complex form of creative expression rooted within history, society, and culture. Attends to narrative, experimental, and documentary examples. Discussion is supported by a survey of American and International film. 54 hours lecture. (Letter Grade, or Pass/No Pass option.)

FST-3 - Introduction to International Cinema 3 units
UC, CSU
Prerequisite: None.
Advisory: Qualification for ENG-1A.
An introduction to International cinema. Includes a survey of the various “new waves” that swept European cinema in the wake of World War II to the turn-of-the-century (Italian neo-realism, French New Wave, New German cinema, British “kitchen sink” and New Black cinema, New Spanish cinema). Attention is also paid to select examples of contemporary cinema, such as Indian, Iranian, Mexican, and Chinese. Focus is upon key films, filmmakers, manifestos, and national cinemas. 54 hours lecture. (Letter Grade, or Pass/No Pass option.)

FST-4 - Introduction to Film Genres 3 units
UC, CSU
Prerequisite: None.
Advisory: Qualification for ENG-1A.
An introduction to classic film genres and their continuing resonance within contemporary American and International film. Investigates their origins, evolutions, and transformations, recognizes their role within creative and social expression, and covers their technical and thematic conventions. Includes a survey of representative film genres, movements and styles, such as the crime film, the musical, the Western, the Women’s picture, film noir, horror, screwball comedy, science fiction, and war. 54 hours lecture. (Letter Grade, or Pass/No Pass option.)

FST-5 - Fiction and Film: Adaptation 3 units
UC, CSU
Prerequisite: None.
Advisory: Qualification for ENG-1A.
An introductory study of the interplay between twentieth and twenty-first century literature and film from the point of view of the writer and organized around selected case studies of novels, short stories, plays and graphic novels adapted for the screen. Examples of literature, the screenplay, and film are used to explore adaptation as a creative process; particular attention is paid to such writerly concerns as act structure, plot, narration, theme, diction, point of view, and characterization. 54 hours lecture. (Letter Grade, or Pass/No Pass option.)
FIT-5 - Fire Prevention
CSU
Prerequisite: None.
Provides fundamental information regarding the history and philosophy of fire prevention, organization and operation of a fire prevention bureau, use of fire codes, identification and correction of fire hazards and the relationship of fire prevention with fire safety education and detection and suppression. 54 hours lecture.

FIT-6 - Fire Apparatus and Equipment
CSU
Prerequisite: None.
Exposes the student to mechanized equipment operated by the fire service personnel and regulations pertaining to their use. Subject matter includes: driving laws, driving techniques, construction and operation of pumping engines, ladder trucks, aerial platforms, specialized equipment and apparatus maintenance. 54 hours lecture.

FIT-7 - Principles of Fire and Emergency Services Safety
CSU
Prerequisite: None.
This course introduces the basic principles and history related to the national firefighter life safety initiatives, focusing on the need for cultural and behavioral change throughout the emergency services regarding first responder deaths and injuries. 54 hours lecture.

FIT-8 - Strategies and Tactics
CSU
Prerequisite: None.
Principles of fire control through utilization of manpower, equipment and extinguishing agents, fire command and control procedures; utilization of information on types of building construction in fire control; pre-fire planning; an organized approach to decision making on the fire ground. 54 hours lecture.

FIT-9 - Fire Ground Hydraulics
CSU
Prerequisite: None.
Provides a review of applied mathematics and hydraulic principles as they relate to fire service applications. Hydraulic formulas will be utilized and mental calculations required. Engine pressure, hose appliances, friction loss and nozzle pressure will be discussed. Adopted from the National Fire Academy Model Fire Science Associate Degree Curriculum. 54 hours lecture. (Letter Grade, or Pass/No Pass option.)

FIT-14 - Wildland Fire Control
CSU
Prerequisite: None.
This course provides students with a fundamental knowledge of factors affecting wildland fires including fuel, weather, topography, prevention, fire behavior, public education, and control techniques common to all agencies involved in wildland fire control. 54 hours lecture. (Letter Grade, or Pass/No Pass option.)

FIT-200 - Fire Technology Work Experience
CSU*
Prerequisite: None.
Advisory: Students should have paid or voluntary employment.
This course is designed to coordinate the student’s occupational on-the-job training with related classroom instruction. Students enrolled in this occupational work experience course must be employed in a field related to the work experience subject area. Students may earn up to four (4) units each semester for a maximum of 16 units of work experience. No more than 20 hours per week may be applied toward the work requirement. 18 hours lecture. Additionally, 60 hours of volunteer work or 75 hours of paid work is required for each unit.

FIT-A1A - Fire Investigation 1A
CSU
Prerequisite: None.
Fundamentals of investigation; causes, chemistry, and physics of fires; collection and preservation of physical evidence; scientific aids; laws relating to arson; case preparation and report writing. This course meets the requirements of the California Fire Academy System. 40 hours lecture. (Certificate fee: $80.00)

FIT-A1B - Fire Investigation 1B
CSU
Prerequisite: FIT-A1A.
This course provides the participants with information to achieve a deeper understanding of fire investigation. This course builds on FITA1A and adds topics of discussion to include the juvenile fire setter, report writing, evidence collection and preservation procedures. 40 hours lecture. (Certificate fee: $80.00)

FIT-A2A - Fire Investigation 2A
CSU
Prerequisite: FIT-A1B.
This course provides the information to successfully investigate, apprehend, and convict arsonists and focuses heavily on the legal case preparation. May be taken a total of two times. 40 hours lecture. (Certificate fee: $80.00)

FIT-A2B - Fire Investigation 2B
CSU
Prerequisite: FIT-A2A.
This course provides advanced instruction in fire scene investigation, case preparation and courtroom presentation. May be taken a total of two times. 40 hours lecture. (Certificate fee: $80.00)

FIT-C1A - Command 1A, Command Principles for Command Officers
CSU
Prerequisite: None.
Designed to provide fire company officers with information and experience in command and control techniques used at the scene of an emergency. Emphasizes decision making, the act of commanding, the authority, the personnel, organization structure and preplanning and training techniques. 40 hours lecture. (Certificate fee: $80.00)
FIT-C1B - Command 1B, Command Operations for the Company Officer
Prerequisite: FIT-C1A and C20.
This course provides an overview of the considerations specific to a hazardous materials incident, multi-casualty incident, technical rescue and first alarm high-rise structure fire, including the utilization of the incident command system. Each student will have the opportunity to gain experience in a controlled environment through incident simulation. 40 hours lecture. (Letter Grade, or Pass/No Pass option) (Certificate fee: $80.00)

FIT-C1C - Fire Command 1C, I-Zone Firefighting M for Company Officers
Prerequisite: FIT-C1A.
This course is designed around the responsibilities of the company officer at a wildland/urban interface incident. It will bring the structural company officer out of the city and into the urban interface. 40 hours lecture. (Certificate fee: $80.00)

FIT-C2A - Command 2A, Command Tactics at Major Fires
Prerequisite: FIT-C1A.
This course prepares the officer to use management techniques and the Incident Command System (ICS) when commanding multiple alarms or large suppression fires. Topics include advanced ICS, tactics and strategies for large suppression operations and communication/management techniques for use in unified command structures and areas of geographical division separation. 40 hours lecture. (Certificate fee: $80.00)

FIT-C2B - Command 2B, Management of Major Hazardous Materials Incidents
Prerequisite: FIT-C1B and C2A.
This course includes areas of discussion on information and databases, organizations, agencies and institutions involved in hazardous materials response and research, planning for your community’s hazardous materials problems, legislation, litigation and liabilities of hazardous materials response. 40 hours lecture. (Certificate fee: $80.00)

FIT-C2C - Command 2C, High Rise Fire Tactics
Prerequisite: FIT-C2A.
This course is approached from a system basis and is applied to both small and large high rise buildings. Topics include: prefire planning, building inventory, problem identification, ventilation methods, water supply, elevators, life safety, strategy and tactics, application of the Incident Command System and specific responsibilities. Case studies and simulation are used. 40 hours lecture. (Certificate fee: $80.00)

FIT-C2D - Command 2D, Planning for Large Scale Disasters
Prerequisite: FIT-C1A and C1B.
This course is designed for supervisory and managerial fire service personnel. The course critically examines the need for emergency disaster/multi-hazard management systems, preplanning, multidisciplinary work groups while stressing the importance of the integrated team approach to managing emergencies. This course also reviews the Standard Emergency Management System. 40 hours lecture. (Certificate fee: $80.00)

FIT-C2E - Fire Command 2E, Wildland Firefighting Tactics
Prerequisite: FIT-C1A and C1B.
Provides line and staff officers and potential line and staff officers with the knowledge necessary to perform and coordinate in a management/supervisory capacity during an extended wildland fire attack related incident. 24 hours lecture and 16 hours laboratory. (Certificate fee: $80.00)

FIT-C2M - Incident Management 2 M
Prerequisite: None.
Provides line and staff officers and potential line and staff officers with the basic management knowledge necessary to perform and coordinate in a management/supervisory capacity during a fire incident. Specifically designed for California Department of Forestry and Fire Protection employees. 18 hours lecture and 18 hours laboratory.

FIT-C19A - Introduction to Wildland Fire Behavior (S-190)
Prerequisite: None.
This introductory course provides instruction in basic wildland fire behavior factors that will aid students in the safe and effective control of wildland fires. 8 hours lecture.

FIT-C19B - Intermediate Wildland Fire Behavior (S-290)
Prerequisite: FIT-C19A.
This intermediate course is designed to meet the training requirements to work in the operations section of the Incident Command System. This course is a skill course that is designed to instruct prospective fireline supervisors in wildland behavior for effective and safe fire management operations. 16 hours lecture and 16 hours laboratory.

FIT-C20 - Basic Incident Command System (I-200)
Prerequisite: None.
Provides public safety workers and potential public safety workers with the knowledge necessary to perform in a support capacity at an incident or event being managed within the organizational guidelines, defined terminology, and common responsibilities and roles of the Incident Command System. 12 hours lecture and 4 hours laboratory.

FIT-C30 - Intermediate Incident Command System (I-300)
Prerequisite: FIT-C20.
This course provides public safety managers and supervisors with the terminology, duties and responsibilities of positions within the Incident Command System. Organizational relationships, flow of information, and emergency incident action planning are topics of discussion. The course provides guidelines for organizational growth during an emergency incident, and demobilization procedures for an emergency incident that is ending. 12 hours lecture and 12 hours laboratory.

FIT-C33A - Strike Team Leader All Risk (S-330)
Prerequisite: FIT-C30.
This course provides students with the necessary information to become a State certified Strike Team Leader – All Risk. May be taken a total of two times. 28 hours lecture and 4 hours laboratory. (Certificate fee: $20.00)
FIT-C39 - Division/Group Supervisor (S-339) .25 unit  
Prerequisite: FIT-C30 and C33A.  
Advisory: Prior to attending the course, students should review ICS Field Operations Guide, ICS-420-1.  
This course provides potential Division/Group supervisors with the management skills necessary to perform specific functions within the Incident Command System (ICS). 8 hours lecture and 16 hours laboratory. (Certificate fee: $20.00)

FIT-C40 - Advanced Incident Command System (I-400) .5 unit  
Prerequisite: FIT-C20 and C30.  
This course provides public safety managers with the knowledge and skills associated with executive-level authority and decision making within the Incident Command System. Managerial theories, progressive discipline, conflict resolution, and emergency incident action planning will be discussed. This course emphasizes fiscal accountability and responsibility, and allocation of emergency resources. 12 hours lecture and 12 hours laboratory.

FIT-C41 - Safety Officer (I-404) 1 unit  
Prerequisite: FIT-C33A, C34A or C34C; and C39 and C40.  
This course introduces new safety officers to the tasks and responsibilities associated with being an emergency incident Safety Officer within the framework of the Incident Command System. Students will analyze safety hazards, draft safety messages and memos, brief other students on safety topics, and prepare documents and forms associated with on-the-job injuries or deaths. 24 hours lecture 8 hours laboratory. (Certificate fee: $20.00)

FIT-C42 - Information Officer (I-403) 1 unit  
Prerequisite: None.  
Advisory: FIT-C20, C30 and C40.  
This course delivers the information needed for functioning as a Public Information Officer in an emergency incident. After completing this course the student will be able to represent an emergency response agency to the media and the public. The course will cover public relations, dealing with the media and the issuing of press releases. 24 hours lecture 8 hours laboratory. (Certificate fee: $20.00)

FIT-C43 - Operations Section Chief All Risk (S-430) 1 unit  
Prerequisite: FIT-C39, C40.  
Limitation on enrollment: Must be associated with a fire department at the Company Officer level. This course meets all requirements of the Firescope All Risk qualification system for the position of Operations Section Chief. Additionally, this course complies with the Wildland Fire Qualifications System set forth in 310-1 and the National Wildfire Coordinating Group. 24 hours lecture and 8 hours laboratory. (Certificate fee: $20.00)

FIT-E2A - First Responder Medical 2 units  
Prerequisite: None.  
This course is specifically designed for pre-hospital emergency medical personnel, with special emphasis on field application practices and techniques vital to the interaction with EMS personnel. 38 hours lecture and 18 hours laboratory.

FIT-E3D - Emergency Medical Technician 1 unit  
Continuing Education  
Prerequisite: None.  
Limitation on enrollment: Must have current EMT certification  
This course is designed to provide fire service personnel with annually required continuing education in pre-hospital emergency medical care at the EMT-1 level. May be taken a total of four times. 20 hours lecture and 12 hours laboratory.

FIT-E7A - Public Safety First Aid and Cardiopulmonary Resuscitation .5 unit  
Prerequisite: None.  
This course is designed specifically for non-first responder personnel, with special emphasis on field application practices and techniques vital to the interaction with EMS personnel. 16 hours lecture and 16 hours laboratory.

FIT-H2 - Hazardous Materials First Responder .5 unit  
Operational  
Prerequisite: None.  
Provides public safety workers and other likely first responders with the knowledge and skill to respond to hazardous materials emergencies in a safe and competent manner, at the basic operational level. 14 hours lecture and 2 hours laboratory. (Letter Grade, or Pass/No Pass option.)

FIT-H3 - Hazardous Materials First Responder .25 unit  
Operational-Decontamination  
Prerequisite: FIT-H2.  
Provides Hazardous Material First Responder Operations (FRO) Certified individuals with information and techniques to perform decontamination at Hazardous Materials Incidents. This includes decontamination of responding personnel, general public, and equipment from hazardous materials to ensure protection of life, environment, and surrounding property. 4 hours lecture and 4 hours laboratory. (Letter Grade, or Pass/No Pass option.)

FIT-I1A - Instructor 1A, Instructional Techniques 2 units  
Prerequisite: None.  
This is the first of a two course series and is the standard State Board of Fire Services accredited course for trainers. Topics include: occupational analysis, course outlines, concepts of learning, levels of instruction, behavioral objectives, using lesson plans, the psychology of learning and evaluation and effectiveness. Activities include student teaching demonstrations. 40 hours lecture. (Certificate: $80.00)

FIT-I1B - Instructor 1B, Instructional Techniques 2 units  
Prerequisite: FIT-I1A.  
This is the second of a two course series and is the standard State Board of Fire Services accredited course for trainers. Topics include: preparing course outlines, establishing levels of instruction, constructing behavioral objectives, using lesson plans, instructional aid development, fundamentals of testing and measurements, test planning, evaluation techniques and tools. Activities include student teaching demonstrations. 40 hours lecture. (Certificate: $80.00)
FIT-I2A - Instructor 2A, Techniques of Evaluation 2 units
Prerequisite: FIT-I1A and I1B.
This is the first of a three course series which provides the instructor and/or supervisor with the techniques of evaluation. It includes construction of written (technical knowledge) and performance (manipulative skills) tests, as well as test planning, test analysis, test security and evaluation of test results to determine instructor and student effectiveness. This is an essential course for writing valid, objective tests. 40 hours lecture. (Certificate fee: $80.00)

FIT-I2B - Instructor 2B, Group Discussion Techniques 2 units
Prerequisite: FIT-I1A and I1B.
This course is designed to provide the instructor and/or supervisor with leadership skills. Group dynamics, problem solving techniques and interpersonal relations are developed and utilized in conducting actual staff meetings, brainstorming sessions and organized, effective conference meetings. Skills are also developed in conducting formal public meetings such as panel discussions and forums. 40 hours lecture. (Certificate fee: $80.00)

FIT-I2C - Instructor 2C, Employing Audio Visual Aids 2 units
Prerequisite: FIT-I1A and I1B.
This course covers the principles of media in the instructional process; selection of A/V and instructional media; employment of basic and advanced forms of instructional media; use of computers in the instructional process; and individualized instruction program. 40 hours lecture. (Certificate fee: $80.00)

FIT-I3 - Fire Instructor 3, Master Instructor .5 unit
Prerequisite: FIT-I1A, I1B, I2A, I2B and I2C.
This is the final course in a series of courses designed to educate and train professional instructors for the fire service. This course is accredited by the California State Board of Fire Services and is one of the prerequisites for teaching any of the Instructor series courses through the Office of the California State Fire Marshal. 16 hours lecture and 24 hours laboratory. (Certificate fee: $80.00)

FIT-M1 - Fire Management 1, Management/Supervision for Company Officers 2 units
Prerequisite: None.
This course is designed to prepare or enhance the first line supervisor’s ability to supervise subordinates. The course introduces key management concepts and practices utilized in the California Fire Service. The course includes discussions about decision making, time management, leadership styles, personal evaluations and counseling guidelines. 40 hours lecture. (Certificate fee: $80.00)

FIT-M2A - Organizational Development and Human Relations 2 units
Prerequisite: FIT-M1.
This course provides the student with the basic grounding in some of the principles of managing in organizations. Students will work together to develop some job-related skills such as general skills of managers, diversity, self-knowledge, problem solving values, motivation, performance management and organizational politics. 40 hours lecture. (Certificate fee: $80.00)

FIT-M2B - Fire Management 2B, Fire Service Financial Management 2 units
Prerequisite: FIT-M1.
This course is designed to provide insight into the cyclical nature of budgeting financial management. As a management course, the student will become familiar with the essential elements of the financial planning, budget justification and budget controls. 40 hours lecture. (Certificate fee: $80.00)

FIT-M2C - Management 2C, Personnel and Labor Relations 2 units
Prerequisite: FIT-M1 and M2A.
This course is designed to provide the fire manager with advanced knowledge and insight into fire personnel, human resource, diversity management, legal mandates, labor relations and related areas. Methodology will include presentations, case study, exercises and focused discussions. This course is approved by the California State Fire Marshal. 40 hours lecture. (Certificate fee: $80.00)

FIT-M2D - Fire Management 2D, Master Planning in the Fire Science 2 units
Prerequisite: FIT-M1.
This course is intended to provide fire department officers with the capability to plan and manage the local fire protection system. Completion of this course will provide the participants with information and discussion centering around program planning, master planning, forecasting, system analysis, system design, policy analysis and others. 40 hours lecture. (Certificate fee: $80.00)

FIT-M2E - Contemporary Issues and Concepts 2 units
Prerequisite: FIT-M2A and M2B.
This course provides an overview of contemporary management issues and concepts. Key topics include governmental relations, changing/setting policy formation, program management, personnel, labor relations, and legal environment. 40 hours lecture. (Certificate fee: $80.00)

FIT-M20 - Developing a Personal Philosophy of Leadership 1 unit
Prerequisite: None.
This course will introduce the California Public Safety Leadership Certificate Program, providing the participant with a deepened understanding of self as it relates to leadership philosophies, knowledge, skills, and abilities. Each participant will explore his or her own core values and begin to develop a personal philosophy of leadership. Through course presentations, dialogue and learning activities the participant will identify his or her leadership roles in the community to include self, family, professional, and social, as well as define the difference between leaders and managers. The participant will complete self-assessments to gain insights into his or her personal leadership style and characteristics and participate in video and written case studies to further explore his or her understanding of leadership. 24 hours lecture and 16 hours laboratory.
FIT-M21 - Leading Others 1.5 units
Prerequisite: None.
This course provides students with the knowledge, skills, and abilities to effectively lead others. The participant will explore various roles of leadership as they relate to being a team builder, delegator, conflict manager, coach, or mentor, as well as interpersonal leader-follower relationships. Students will gain an understanding of the communication process, empowering others, conflict resolution methods, leading in a diverse environment and facilitating change. Case studies, video analysis, and other interactive learning processes will be used to explore the dynamic relationship of leaders and followers. 32 hours lecture and 8 hours laboratory.

FIT-M22 - Organizational Leadership 1 unit
Prerequisite: None.
This course provides students with an opportunity to explore the leadership process within organizational settings. The leader-follower relationship is discussed, as well as the influence of organizational culture on leadership effectiveness. Students will gain an understanding of the components and processes of a learning organization and gain insights into the concept of defensive reasoning within organizations. Case studies, video analysis, selected readings, and group activities will be used to help students further understand theories and principles of organizational leadership. 20 hours lecture and 20 hours laboratory.

FIT-M23 - Ethics and the Challenge of Leadership 1 unit
Prerequisite: None.
In this course students will explore theories and practices of ethical leadership including the use of ethical decision-making models. Students will use a variety of learning modalities including case studies, video analysis, and critical thinking scenarios to explore ethical dilemmas. Presentation and class dialogue will define challenges facing a leader in today’s diverse and dynamic organizations. Personal action plans including practical opportunities for leadership will be reviewed. Students will develop strategies for leading in the challenging public safety environment. 24 hours lecture and 16 hours laboratory.

FIT-P1A - Prevention 1A, Fire Inspection Practices 2 units
Prerequisite: None.
This course of study provides a broad technical overview of fire prevention codes, ordinances and fire prevention practices. 40 hours lecture. (Certificate fee: $80.00)

FIT-P1B - Prevention 1B, Code Enforcement 2 units
Prerequisite: FIT-P1A.
This course focuses on the codes, ordinances and statutes that pertain to fire prevention practices in California. Some topics of discussion include: building construction and occupancy, evacuation procedures, inspection reports and processing plans. 40 hours lecture. (Certificate fee: $80.00)

FIT-P1C - Prevention 1C, Flammable Liquids and Gases 2 units
Prerequisite: FIT-P1A and P1B.
This course focuses on the special hazards associated with flammable combustible liquids and gases. Some topics of discussion include: bulk storage and handling, transportation of flammable gases and liquids and more. 40 hours lecture. (Certificate fee: $80.00)

FIT-R1A - Rescue Systems .5 unit
Prerequisite: None.
This course includes: heavy rescue team organization; heavy rescue considerations (blocked access, structural damage, environmental considerations); use of ropes, knots, rigging and pulley systems; descending, rappelling and belaying tools and techniques; subsurface rescue techniques; use of cribbing, wedges; use of ladders in specialized rescue situations; and simulated rescue exercises. 45 hours laboratory.

FIT-R2A - Confined Space Rescue - Awareness Level .5 unit
Prerequisite: None.
This introductory course presents an overview of confined space definitions and operating restrictions and principles. The course includes: confined space codes, atmospheric hazards and monitoring and confined area operation perimeters. 9 hours lecture.

FIT-R2B - Confined Space Rescue - Operational Level 1 unit
Prerequisite: FIT-R2A.
This course presents a review of confined space definitions and operating restrictions and principles, then moves the student through a series of drills and scenarios for practical application of the skills and techniques presented. 12 hours lecture and 28 hours laboratory.

FIT-R3 - Basic Automobile Extrication .25 unit
Prerequisite: None.
This course provides students with fundamental automobile extrication techniques. Course content includes: team organization, rescue and safety considerations, use of hand tools, use of hydraulic and pneumatic tools, stabilization techniques, and scene management. 4 hours lecture and 12 hours laboratory. (Letter Grade, or Pass/No Pass option.)

FIT-R4 - Low Angle Rescue-Introduction to Rescue Systems .25 unit
Prerequisite: None.
Designed to equip the student with the techniques and methods for using rope, webbing, hardware friction devices, and litters in low angle rescue situations. Areas covered include: Rope and related equipment, anchor systems, safety lines, stretcher lashing and rigging, mechanical advantage systems and single line and two line rescue systems. 4 hours lecture and 20 hours laboratory.

FIT-R7 - Trench Rescue for Fire Service Personnel .25 unit
Prerequisite: None.
This course is designed to train fire service personnel in hands-on application of the techniques necessary to safely effect a rescue from an excavation or trenching cave-in. Topics include critical considerations while responding to trenching emergencies, evaluation of cave-in scenes, basic life support procedures and temporary protection for victims, specialized tool usage, shoring techniques and below grade rescue safety procedures. 4 hours lecture and 12 hours laboratory.
FIT-R10 - Rapid Intervention Crews and Tactics M .25 unit
Prerequisite: FIT-S3 or equivalent. Designed specifically for in-service fire department personnel.
This course provides students with the knowledge to identify potential life-threatening situations that may arise during a structural firefighting incident and the skills necessary to perform rescues on trapped firefighters as well as self-rescue techniques. May be taken a total of two times. 4 hours lecture and 12 hours laboratory.

FIT-S1A - Fire Apparatus Driver/Operator 1A, 1 unit
Emergency Vehicle Operations
Prerequisite: None.
Advisory: California Firefighter I Certification.
Limitation on enrollment: Class B California Driver’s License or California Firefighter Restricted License.
This course is designed to provide the student with information on driving techniques for emergency vehicles and techniques of basic inspection and maintenance of emergency vehicles, including actual driving exercises under simulated emergency conditions. 24 hours lecture and 16 hours laboratory. (Certificate fee: $80.00)

FIT-S1B - Fire Apparatus Driver/Operator 1B, 1 unit
Pump Operations
Prerequisite: None.
Advisory: California Firefighter I Certification.
Limitation on enrollment: Class B California Driver’s License or California Firefighter Restricted License.
This course is designed to provide the student with information, theory, methods and techniques for operating fire service pumps. 24 hours lecture and 16 hours laboratory. (Certificate fee: $80.00)

FIT-S2 - Truck Operations 3 units
Prerequisite: None.
This course includes aerial physics, ground ladder testing, positive power ventilation techniques, vertical ventilation techniques, special rescue considerations for aerial apparatus and standard truck equipment, high rise building incident command procedures, elevator construction, fire service systems and rescue techniques, building search and rescue techniques, salvage and overhaul operations, methods of commercial and residential forcible entry, chain saw safety and maintenance and rapid intervention crew tactics. 45 hours lecture and 50 hours laboratory.

FIT-S3 - Basic Firefighter Academy 19 units
Prerequisite: None.
Advisory: EMS 50, 51, FIT-I and FIT-S3A.
Limitation on enrollment: Successful completion of the Certified Physical Abilities Test (CPAT or Biddle) within nine months of the start date of the fire academy and a Fire Academy Medical Clearance once the student has been offered placement in the Fire Academy program.
Provides individuals with the knowledge and skills to safely perform, under minimal supervision, essential and advanced fire ground tasks. Tasks include basic rescue operations, auto extrication, basic fire suppression, prevention and investigation, Incident Command System (ICS), hazardous materials, and tool selection and identification. Students will also learn to use, inspect and maintain various types of fire fighting and rescue equipment. Completion of this course satisfies the manipulative and academic training requirements as established by the California State Fire Marshal to become certified as a Fire Fighter I. 235 hours lecture and 325 hours laboratory. (Certificate fee: $200.00)

FIT-S3A - Introduction to Fire Academy and Physical Conditioning for Fire Academy Students 1 unit
Prerequisite: None.
This course is a six-week physical conditioning and Fire Academy orientation program that prepares future Fire Academy cadets for the physical and emotional demands of the Fire Academy. Students will participate in muscular strength development, cardio-respiratory endurance training, body composition assessment, physical agility and flexibility training. Additionally, students will be introduced to the paramilitary format of the Fire Academy, and the expectations that are placed on Fire Academy cadets. May be taken a total of three times. 24 hours lecture and 24 hours laboratory.

FIT-S4 - CDF Firefighter 1 - Basic Academy 2 units
Prerequisite: None.
This course introduces the novice firefighter to the duties required in both wildland and structural firefighting as part of an engine crew. It is comprised from the minimum training requirements for entry-level seasonal firefighters for the California Department of Forestry and Fire Protection. Fundamentals of wildland fire control and techniques in structural fire control are covered with a strong emphasis on safety. Subjects covered include: fire behavior and terminology, tools used in firefighting, protective clothing and safety equipment, strategies and tactics used in firefighting, storage and deployment of fire hose. 30 hours lecture and 42 hours laboratory.

FIT-S5A - Wildland Safety and Survival .25 unit
Prerequisite: None.
Provides firefighters with an appreciation of how serious the firefighter wildland injury and death problem is, an appreciation of his or her responsibility for reducing future injuries and deaths in the rural fire setting, and information for improving safety considerations in the wildland and wildland interface aspects of the firefighter’s job. 8 hours lecture.
FIT-S13 - Fire Control 3, Structural Firefighting  
**.25 unit**  
*Prerequisite: None.*  
This course utilizes the burning of buildings to provide students with hands-on firefighting experience in fire behavior within a building, ventilation, self-contained breathing apparatus, use and survival techniques, interior fire attack, exterior fire attack, and basic fire investigation as it relates to fire fighting. 6 hours lecture and 18 hours laboratory.

FIT-S14 - Fire Control 4, Oil and Gas Fire Fighting  
**.25 unit**  
*Prerequisite: None.*  
This course utilizes live fire situations to provide hands-on experience in combating fire involving liquefied petroleum gas and flammable liquid fires. Subjects include flammable liquid and gas fire behavior, safety, extinguishing agents, transportation fires, water flow requirements and live fire fighting. 6 hours lecture and 6 hours laboratory.

FIT-S17 - Volunteer Firefighter Trainee Academy  
**1.5 units**  
*Prerequisite: None.*  
This course introduces recruit firefighters to the duties required of the trainee volunteer firefighter. It is comprised of the minimum training requirements for entry-level volunteer firefighters for the Riverside County Fire Department. Subjects covered include fire station orientation, fire terminology, communicable disease awareness, tools used in firefighting, protective clothing and safety equipment, storage and deployment of fire hose. 31 hours lecture and 19 hours laboratory.

FIT-S21 - Public Safety Honor Guard Academy  
**1.5 units**  
*Prerequisite: None.*  
This course provides individuals with the knowledge and skills to perform, under minimal supervision, basic and essential honor guard drill and funeral management. These shall include basic military drill, ceremonial skills, history of honor and color guards, funeral types and options, pre-funeral preparations, flag etiquette, church and casket procedures and a basic knowledge of the Incident Command System. In addition, students will learn to use, inspect and maintain various types of fire fighting and rescue equipment for ceremonial details. Completion of this course satisfies the manipulative and academic training requirements for the public safety honor guard academy. 18 hours lecture and 30 hours laboratory.

FIT-TI1A Training Instructor 1A  
**1.5 units**  
*Prerequisite: None.*  
The first of a three-course series designed to prepare fire service personnel for the teaching and training responsibilities under the positions of fire officer and training officer. This course required to become a certified instructor for the California State Fire Marshal's State Fire Training system. 27 hours lecture and 16 hours laboratory. (Certificate fee: $80.00)

FIT-TI1B Training Instructor 1B  
**1.5 units**  
*Prerequisite: FIT-TI1A.*  
The second of a three-course series designed to teach fire service instructors and training officers the methods and techniques of instruction. This course is certified by the California State Fire Marshal, and is applicable to the SFM Fire Officer and SFM Fire Service Instructor tracks of the California State Fire Marshal Professional Development and Certification System. 20 hours lecture and 27 hours laboratory. (Certificate fee: $80.00)

FIT-TI1C Instructional Development Techniques  
**1.5 units**  
*Prerequisite: FIT-TI1B.*  
The third of a three-course series for fire service instructors. This course is certified by the California State Fire Marshal, and is part of the professional development track Fire Instructor series within the California State Fire Marshal system. 27 hours lecture and 16 hours laboratory. (Certificate fee: $80.00)

---

**GEOGRAPHY**

GEG-1 - Physical Geography  
**3 units**  
UC, CSU  
*Prerequisite: None.*  
The interacting physical processes of air, water, land, and life which impact Earth’s surface. Topics include weather and climate, the water cycle, landforms and plate tectonics, and the characteristics of plant and animal life. Emphasis is on interrelationships among systems and processes and their resulting patterns and distributions. There is a heavy emphasis on maps as descriptive and analytical tools. Students may not receive credit for both GEG-1 and GEG-1H. 54 hours lecture.

GEG-1H - Honors Physical Geography  
**3 units**  
UC, CSU  
*Prerequisite: None.*  
*Limitation on enrollment: Enrollment in the Honors program.*  
The interacting physical processes of air, water, land, and life which impact Earth’s surface. Topics include weather and climate, the water cycle, landforms and plate tectonics, and the characteristics of plant and animal life. Emphasis is on interrelationships among systems and processes and their resulting patterns and distributions. There is a heavy emphasis on maps as descriptive and analytical tools. The honors course offers an enriched experience for accelerated students by limited class size, seminar format, student generated and led discussions and projects, the application of higher level thinking, reading, and writing skills – analysis, synthesis, and evaluation. Students may not receive credit for both GEG-1 and GEG-1H. 54 hours lecture.

GEG-1L - Physical Geography Laboratory  
**1 unit**  
UC, CSU  
*Prerequisite: Concurrent enrollment in or prior completion of GEG-1.*  
Practical application of scientific principles through geographically based in-class exercises using a variety of tools, such as maps, photos, and data in various forms. 54 hours laboratory.
GEG-2 - Human Geography 3 units
UC, CSU
Prerequisite: None.
The geographic analysis of the human imprint on the planet. A study of diverse human populations, their cultural origins, diffusion and contemporary spatial expressions emphasizing demography, languages, religions, urbanization, landscape modification, political units and nationalism, economic systems and development. Emphasis is given to interrelationships between human activities and the biophysical environment. 54 hours lecture.

GEG-3 - World Regional Geography 3 units
UC, CSU
Prerequisite: None.
A study of major world regions, emphasizing current characteristics and issues including cultural, economic, political and environmental conditions. Topics may include the natural environment, population distribution, cultural practices, political institutions, economic development, agricultural practices, and urbanization. 54 hours lecture.

GUIDANCE

GUI-45 - Introduction to College 1 unit
CSU
Prerequisite: None.
Guidance 45 is designed to introduce academic and occupational programs, college resources and personal factors that contribute to success as a college student. This course includes an extensive exploration of Riverside Community College resources and policies, orientation to college life, student rights and responsibilities, as well as certificates, graduation and transfer requirements. Students will prepare a Student Educational Plan (S.E.P.). As a result of class activities and exploration of factors influencing educational decisions, class members will be able to utilize the information obtained in class to contribute to their college success. 18 hours lecture.

GUI-46 - Introduction to the Transfer Process 1 unit
CSU
Prerequisite: None.
Provides an introduction to the transfer process. This course includes an in-depth exploration of transfer requirements, admission procedures, requirements for majors, and financial aid opportunities. The information learned will enable students to make informed choices on majors, four-year institutions and in academic planning. 18 hours lecture.

GUI-47 - Career Exploration and Life Planning 3 units
UC, CSU
Prerequisite: None.
In depth career and life planning: topics include extensive exploration of one’s values, interests and abilities; life problem-solving and self-management skills; adult development theory and the changes that occur over the life span; self-assessment including identifying one’s skills and matching personality with work. An intensive career investigation; decision making, goal setting and job search strategies, as well as resume writing and interviewing skills will also be addressed. This course is designed to assist those students considering the transition of a career change or undecided about the selection of a college transfer major. Required materials fee will be charged to the student and is not covered by BOGW. 54 hours lecture. (Material fee: $16.00)

GUI-48 - College Success Strategies 2 units
CSU
Prerequisite: None.
This comprehensive course integrates personal growth and values, academic study strategies and critical thinking techniques. Students will obtain skills and personal/interpersonal awareness necessary to succeed in college. 36 hours lecture.

GUI-48A - College Success Strategies- Study Skills 1 unit
CSU
Prerequisite: None.
This course is designed to increase the student’s success in college by assisting the student in obtaining study skills necessary to reach educational and career goals. Topics include time management, test taking and study techniques. GUI-48A is equivalent to the first half of GUI-48. 18 hours lecture.

GUI-48B - College Success Strategies- Life Skills 1 unit
CSU
Prerequisite: None.
This course is designed to increase the student’s success in college by assisting the student in obtaining life skills necessary to reach educational and career goals. Topics include communication and relationships, critical thinking and personal health. GUI-48B is equivalent to the second half of GUI-48. 18 hours lecture.

HEALTH SCIENCE

HES-1 - Health Science 3 units
UC, CSU
Prerequisite: None.
A basic study of the anatomy and physiology of the body, emphasizing modern concepts of prevention, treatment, and cure of degenerative and communicable diseases. This course satisfies the California requirement in drug, alcohol, tobacco and nutrition education for teacher certification. 54 hours lecture.
HEALTHCARE TECHNICIAN

HET-79 - Introduction to Healthcare Careers 2 units
Prerequisite: None.
Provides an overview of healthcare industry, describes entry-level occupations and outlines related career ladder. Explores professional and educational options. Focuses on developing competencies and skills required for success in healthcare professions. Includes ethical, legal, developmental and sociocultural foundations of care. 36 hours lecture.

HET-80 - Certified Nurse Assistant Theory and Practices 6 units
Prerequisite: None.
Limitation on enrollment: Requires fingerprinting and submission of application for state certification examination, current CPR certification and titers, medical clearance from healthcare provider, uniform and MVC HET I.D. badge.
Provides theoretical and clinical laboratory components of state-mandated curriculum required to take the state certification examination for nurse assistants. Complies with federal regulations for preparing healthcare workers in long-term care settings. Focuses on the role, performance and responsibilities of certified nurse assistants (CNAs) as members of the healthcare team. Requires evaluation of clinical performance through demonstrated competence on identified skills. 72 hours lecture and 108 hours laboratory. (TBA option)

HET-82 - Phlebotomy Technician 5 units
Prerequisite: None.
Advisory: The California Department of Health Services requires that applicants for certification as a phlebotomist have a high school diploma or equivalent and the ability to obtain and process official documents in English.
Limitation on enrollment: Prior to beginning of clinical laboratory component, requires evidence of current CPR certification and titers, and medical clearance from healthcare provider to be on file in the department office; clinical laboratory experience requires wearing a green scrubs uniform and MVC/RCC HET I.D. badge.
Provides theoretical and laboratory preparation for entry level certification as a phlebotomy technician; includes overview of federal and state regulations governing clinical laboratories; focuses on vascular anatomy and physiology and performance of venipuncture and dermal puncture techniques, describes additional responsibilities of phlebotomy technicians as members of the health care team; requires demonstration of skill competency. 54 hours lecture and 108 hours laboratory.

HET-86 - Acute Care Nurse Assistant 1 unit
Prerequisite: HET-80. (Evidence of Certification as a Nurse Assistant also acceptable.)
Limitation on enrollment: Current CPR certification and titers, medical clearance from healthcare provider and uniform with MVC/RCC HET I.D. badge.
Designed to assist Certified Nurse Assistants in adapting their nursing skills to the requirements of clients in acute care settings. Includes demonstration of required skills and supervised practice in acute care clinical settings. 54 hours laboratory.

HET-87 - Restorative Nurse Assistant 2 units
Prerequisite: HET-80. (Evidence of Certification as a Nurse Assistant also acceptable.)
Limitation on enrollment: Current CPR certification and titers, medical clearance from healthcare provider and uniform with MVC/RCC HET I.D. badge.
Prepares Certified Nurse Assistants (CNAs) for career advancement as Restorative Nurse Assistants (RNAs.) Provides overview of rehabilitative and restorative nursing care. Focuses on the roles and responsibilities of RNAs. Includes discussion of federal and state regulations, principles of rehabilitative and restorative care and supervised clinical practice in long-term care settings. 28 hours lecture and 28 hours laboratory.

HISTORY

HIS-1 - History of World Civilizations I 3 units
UC, CSU
Prerequisite: None.
Advisory: Qualification for ENG-1A.
A survey of the historical development of global societies, major social, political and economic ideas and institutions from their origins until the 16th century. Principal areas to be covered are: African civilizations of the Nile and sub-Saharan areas, Mesopotamian civilizations, Greek and Roman civilizations, Medieval and Reformation Europe, the Indus River, China and Japan. 54 hours lecture.

HIS-2 - History of World Civilizations II 3 units
UC, CSU
Prerequisite: None.
Advisory: Qualification for ENG-1A.
A survey of the evolution of modern world civilizations from the 16th century emergence of new global, political, economic, social and intellectual patterns, through the era of industrialization and imperialism, to the world wars of the 20th century and the present. 54 hours lecture.

HIS-4 - History of Western Civilization 3 units
UC, CSU
Prerequisite: None.
Advisory: Qualification for ENG-1A.
A survey of the historical development of Western society’s major social, political, and economical ideas and institutions from their origins in the ancient Middle East, Greece and Rome, through the European Middle Ages, to the Protestant and Catholic Reformations. 54 hours lecture.

HIS-5 - History of Western Civilization 3 units
UC, CSU
Prerequisite: None.
Advisory: Qualification for ENG-1A.
A survey of the evolution of modern Western ideas and institutions from the age of the Scientific Revolution, through the Democratic and Industrial Revolutions and the World Wars to the present. 54 hours lecture.
HIS-6 - Political and Social History of the United States  
**UC, CSU**  
*Prerequisite: None.*  
*Advisory: Qualification for ENG-1A.*  
Political, social and economic development of the United States from colonial foundations to 1877; the evolution of American thought and institutions; principles of state and local government. Students may not receive credit for both HIS-6 and HIS-6H. 54 hours lecture.

HIS-6H - Honors Political and Social History of the United States  
**UC, CSU**  
*Prerequisite: None.*  
*Advisory: Qualification for ENG-1A.*  
Limitation on enrollment: Enrollment in the Honors program.  
Political, social and economic development of the United States from colonial foundations to 1877; the evolution of American thought and institutions; principles of national, state, and local government. The honors course offers an enriched experience for accelerated students by limited class size, seminar format, student generated and led discussions and projects, the application of higher level thinking, reading, and writing skills - analysis, synthesis, and evaluation. Students may not receive credit for both HIS-6 and HIS-6H. 54 hours lecture.

HIS-7 - Political and Social History of the United States  
**UC, CSU**  
*Prerequisite: None.*  
*Advisory: Qualification for ENG-1A.*  
Political, social and economic development of the United States from 1877 to the present; the evolution of American thought and institutions; principles of national, state and local government. The honors course offers an enriched experience for accelerated students by limited class size, seminar format, student generated and led discussions and projects, the application of higher level thinking, reading, and writing skills - analysis, synthesis, and evaluation. Students may not receive credit for both HIS-7 and HIS-7H. 54 hours lecture.

HIS-7H - Honors Political and Social History of the United States  
**UC, CSU**  
*Prerequisite: None.*  
*Advisory: Qualification for ENG-1A.*  
Limitation on enrollment: Enrollment in the Honors program.  
Political, social and economic development of the United States from 1877 to the present; the evolution of American thought and institutions; principles of national, state and local government. Students may not receive credit for both HIS-7 and HIS-7H. 54 hours lecture.

HIS-8 - History of the Americas  
**UC, CSU**  
*Prerequisite: None.*  
*Advisory: Qualification for ENG-1A.*  
A history of the Western Hemisphere including a study of the pre-Columbian Indian cultures, European exploration and colonization, life in the colonial Americas, and the achievement of independence by the United States and Latin America. Latin America, Canada, and the United States are studied as an integrated whole. Included is a consideration of the Constitution of the United States. 54 hours lecture.

HIS-9 - History of the Americas  
**UC, CSU**  
*Prerequisite: None.*  
*Advisory: Qualification for ENG-1A.*  
The American nations from the Latin American wars for independence to the present, with emphasis on Latin American development, inter-American relations, and the foreign policy of the United States and its relation to Latin America. The constitutional history and government of California are also examined. 54 hours lecture.

HIS-11 - Military History of the United States to 1900  
**UC, CSU**  
*Prerequisite: None.*  
An examination of the evolution of American military and naval practices and institutions as they have developed through the major wars involving the United States up to 1900. The roles of leadership and technology and their impact upon the art of war will also be discussed. 54 hours lecture.

HIS-12 - Military History of the United States Since 1900  
**UC, CSU**  
*Prerequisite: None.*  
An examination of the evolution of military and naval practices and institutions as they have developed through major wars of the twentieth century, with emphasis upon two world wars. The roles of leadership and technology and their impact upon the art of war will also be discussed. 54 hours lecture.

HIS-14 - African American History I  
**UC, CSU**  
*Prerequisite: None.*  
*Advisory: Qualification for ENG-1A.*  
A selected study of the complex continent from which African Americans came with special emphasis on the historical, political and socioeconomic aspects of African civilizations in Egypt and the western Sudan; the transformation of the continent and of Africans through the transatlantic slave trade; and a study of the African American experience during their confinement as slaves in British North America and the early national and antebellum periods through the Civil War and Emancipation. 54 hours lecture.
HIS-15 - African American History II 3 units
UC, CSU
Prerequisite: None.
Advisory: Qualification for ENG-1A.
A study of the economic, political, social and cultural history and traditions of African Americans since Reconstruction. An examination of African American struggle for identity and status since the late 19th century including: concepts of integration, segregation, accommodation, nationalism, separatism, Pan Africanism; social forces of Jim Crow, Great Migration, Harlem Renaissance, legislative and political action, Civil Rights Revolution and concerns of post civil rights era. 54 hours lecture.

HIS-21 - History of Ancient Greece 3 units
UC, CSU
Prerequisite: None.
Advisory: Qualification for ENG-1A.
A survey of Greek history from Minoan and Mycenaean civilizations through the Hellenistic period. Emphasizes the development of Greek culture from its earlier Mediterranean origins through the development of Athenian democracy and Alexander’s conquest. 54 hours lecture.

HIS-22 - History of Ancient Rome 3 units
UC, CSU
Prerequisite: None.
Advisory: Qualification for ENG-1A.
A lecture course offering an overview of Roman history and civilization from the legendary founding of Rome in 753 B.C. to the collapse of the Roman Empire’s central administration in the West in 476 A.D. 54 hours lecture.

HIS-26 - History of California 3 units
UC, CSU
Prerequisite: None.
A history of California from the pre-Columbian period to the present, with emphasis on the period since statehood in 1850. 54 hours lecture.

HIS-30 - Introduction to Chicano Studies 3 units
UC, CSU
Prerequisite: None.
Advisory: Qualifying reading placement level.
Historical and cultural roots of the Chicano population of the United States from the Spanish and Mexican colonial period to the 1950s. Considers the Constitution of the United States and its relevance to Chicanos as America’s second largest minority group. 54 hours lecture.

HIS-31 - Introduction to Chicano Studies 3 units
UC, CSU
Prerequisite: None.
A survey of regional Chicano history and social problems from 1950 to the present. Included is an examination of the principles of state and local government as well as political, economic and social forces as they relate to contemporary Chicano problems. 54 hours lecture.

HIS-34 - History of Women in America 3 units
UC, CSU
Prerequisite: None.
A survey of the political, social, and cultural institutions which have shaped the role and character of women in America. The historical role of women in the development of the nation, and the ongoing struggle to achieve political, economic, and social equality will be examined. 54 hours lecture.

HIS-35 - History of England 3 units
UC, CSU
Prerequisite: None.
Advisory: Qualifying reading placement level.
A historical survey of developments of the major social, political, and economic ideas and institutions of England from the Roman occupation, the coming of the Anglo-Saxons, and the Norman Invasion, the Tudor and Stuart reigns, the Age of the Enlightenment, and modern England. 54 hours lecture.

HOMELAND SECURITY

HLS-1 - Introduction to Homeland Security 3 units
CSU
Prerequisite: None.
Course is designed to introduce students to a comprehensive overview of homeland security from an all-hazard, multidisciplinary perspective. Students will examine threats to homeland security, including natural and technological disasters, as well as acts of domestic and international terrorism, including weapons of mass destruction. Students will review the roles and responsibilities of government agencies, private organizations, and individual citizens in homeland security including but not limited to law enforcement, fire, EMS, public health, education, mental health, and special districts (water, utilities, sanitation). Students will meet the state and federal requirements for certification in SEMS/NIMS by completing: IS 100 (Introduction to Incident Command), IS 200 (ICS for Single Resources and Initial Action Incidents), IS 700 (National Incident Management System: An Introduction) and IS 800 (National Response Plan: An Introduction). 54 hours lecture.

HLS-2 - Preparedness for Emergencies, Disasters and Homeland Security Incidents 3 units
CSU
Prerequisite: HLS-1.
This course is designed to instruct students in the theory and practice of basic preparedness for major incidents such as terrorist attacks, disasters both natural and man-made. Students will receive a comprehensive examination of mitigation and preparation from a multi-disciplinary perspective. Specific topics of discussion include trainings and exercises, supplies and equipment and necessary documentation. 54 hours lecture.
HLS-3 - Response to Emergencies, Disasters and Homeland Security Incidents

CSU
Prerequisite: HLS-1.
This course is designed to instruct students in the theory and practice of response to major incidents such as terrorist attacks and disasters both natural and man-made. Students will undertake a comprehensive examination of response structure from local, state and Federal agency perspectives. Specific topics of discussion include differences in roles and responsibilities, Incident Command System, communication among response agencies and the role of volunteer agencies in response. 54 hours lecture. (Letter Grade, or Pass/No Pass option.)

HLS-4 - Recovery in Emergencies, Disasters and Homeland Security Incidents

CSU
Prerequisite: HLS-1.
This course is designed to introduce students to recovery issues that may ensue following a disaster, emergency, or homeland security incident. Students will conduct a comprehensive, examination of recovery from a multi-disciplinary perspective. Specific topics of discussion and analysis include recovery planning, supplies and equipment and necessary documentation. 54 hours lecture.

HLS-5 - Investigation of Emergencies, Disasters and Homeland Security Incidents

CSU
Prerequisite: HLS-1.
This course is designed to instruct first responders, emergency personnel and community members in the theory and practice of basic investigative techniques, challenges and strategies for major incidents such as terrorist attacks, manmade and natural disasters. Students will receive a comprehensive examination of investigation from a multidisciplinary perspective. Specific topics of discussion include different types of investigations, legal issues, resources and necessary documentation. 54 hours lecture.

HLS-6 - Case Studies in Emergencies, Disasters and Homeland Security Incidents

CSU
Prerequisite: HLS-1.
This course is designed to introduce students to case studies of historical emergencies, disasters and Homeland Security incidents and how they relate to preparedness for future events. Students will focus on a variety of case studies from an all-hazard, multi-disciplinary perspective. Students will examine case studies covering both current and historical events, including disasters and terrorist events, and responses at local, state, national and international levels. Students will evaluate the lessons learned from these events and their impact on society and current policy. 54 hours lecture.

HMS-4 - Introduction to Human Services

CSU
Prerequisite: None.
This is an introductory course for students interested in a career in Human Services. Covers the history of Human Services, types and functions of Human Services agencies, careers in Human Services, skills utilized in the Human Services professions, ethics, current trends and issues, human need theory and self-support techniques for Human Services workers. 54 hours lecture.

HMS-5 - Introduction to Evaluation and Counseling

CSU
Prerequisite: None.
This is an introduction to the basic skills and techniques of evaluation and counseling. Course covers listening, responding, building trust, questioning, assessment, reflecting strengths, referral, values and ethics. Designed for professionals and paraprofessionals in Human Services positions and students preparing for a career in Human Services. 54 hours lecture.

HMS-6 - Introduction to Case Management

CSU
Prerequisite: None.
This is an introductory course that familiarizes students with the basic concepts and skills of case management. Course covers philosophy, ethics, concepts, assessment, documentation, record keeping, plan development, linking to community agencies, services monitoring and an overview of benefits programs. Designed to provide students with knowledge and skills that can be applied to a variety of Human Service settings. 54 hours lecture.

HMS-7 - Introduction to Psychosocial Rehabilitation

CSU
Prerequisite: None.
An introduction to the principles and practices providing support services to persons with psychiatric disabilities who are undergoing rehabilitation and transitioning to recovery. Includes the theory, values and philosophy of psychosocial rehabilitation, diagnostic categories and symptoms of mental illnesses, development of support systems, disability management and approaches to service delivery, skills and ethics. 54 hours lecture.

HMS-8 - Introduction to Group Process

CSU
Prerequisite: None.
An introduction to the theory and dynamics of group interaction including psychoeducational, support and therapeutic context. The various stages and processes of group development are studied using both a conceptual and experiential approach. This course is intended to assist persons who will function as leaders in a variety of small group situations. 54 hours lecture.
HMS-13 - Employment Support Strategies 3 units
CSU
Prerequisite: None.
An introductory course for those who are either working or preparing
to work in Human Service agencies and other settings which assist
individuals in securing and maintaining employment. Principles of
employment support services, assessment for work readiness,
identification of strengths, removal of employment barriers,
identification of community training and employment resources, job
search and match, job coaching and support planning are emphasized.
54 hours lecture.

HMS-14 - Job Development 3 units
CSU
Prerequisite: None.
An introduction to the theory, skills and practices used by job
developers to successfully place individuals in jobs. Includes principles
of job development, marketing, networking with employers,
presentation skills, career counseling, vocational assessment and job
match, placement and retention. 54 hours lecture.

HMS-16 - Public Assistance and Benefits 1 unit
CSU
Prerequisite: None.
A course which provides an introduction and overview of public
assistance and benefits available under local, state and federal
programs. Examines eligibility requirements and methods used to
evaluate applications for selected benefit programs. Includes
application of economics, legal and ethical principles related to
administration of public assistance. 18 hours lecture.

HMS-17 - Introduction to Public Mental Health 3 units
(Same as SOC-17)
CSU
Prerequisite: None.
An introductory course for students interested in public mental health.
An overview of the history of public mental health, the types and
functions of agencies, practices, careers, professional ethics, current
trends and issues is provided. 54 hours lecture.

HMS-18 - Introduction to Social Work 3 units
CSU
Prerequisite: None.
Advisory: ENG-1A or 1AH.
Study of theory and principles of generalist social work practice within
an ecological framework. Introduction to the generalist intervention
model across the micro, mezzo, macro continuum. Introduction to
professional social work values and ethics, and issues of diversity
underlying generalist practice. 54 hours lecture.

HMS-19 - Generalist Practices of Social Work 3 units
CSU
Prerequisite: None.
Advisory: ENG-1A or IAH.
The course emphasizes generalist engagement, assessment,
planning, intervention, evaluation, termination and follow-up across
the micro-macro continuum. Special attention is given to the bio-
psychosocial spiritual assessment, child abuse assessment, suicide
assessment, crisis intervention and content on diversity, oppression
and social justice. 54 hours lecture.

HMS-200 - Human Services Work Experience 1-2-3-4 units
CSU*
Prerequisite: None.
Advisory: Students should have paid or voluntary employment.
This course is designed to coordinate the student’s occupational on-
the-job training with related classroom instruction. Students enrolled
in this occupational work experience course must be employed in a
field related to the work experience subject area. Students may earn
up to four (4) units each semester for a maximum of 16 units of
work experience. No more than 20 hours per week may be applied
toward the work requirement. 18 hours lecture. Additionally, 60
hours of volunteer work or 75 hours of paid work is required for
each unit.

HUMANITIES

HUM-4 - Arts and Ideas: Ancient World through 3 units
the Late Medieval Period
UC, CSU
Prerequisite: None.
Advisory: Qualification for ENG-1A.
An interdisciplinary study of the cultural movements in art,
architecture, literature, music, philosophy, and religion of Western
Civilization. The cultural achievements of the ancient world and the
middle ages are studied to develop an understanding of their
philosophical ideas, values, cultural meaning, artistic form, and
contributions to modern thought. Students may not receive credit for
both HUM-4 and HUM-4H. 54 hours lecture.

HUM-4H - Honors Arts and Ideas: Ancient World 3 units
through the Medieval Period
UC, CSU
Prerequisite: None.
Advisory: Qualification for ENG-1A.
Limitation on enrollment: Enrollment in the Honors program.
An interdisciplinary study of the cultural movements in art,
architecture, literature, music, philosophy, and religion of Western
Civilization. The cultural achievements of the ancient world and the
middle ages are studied to develop an understanding of their
philosophical ideas, values, cultural meaning, artistic form, and
contributions to modern thought. The honors course offers an
enriched experience for accelerated students by means of limited
class size, seminar format, discussions and projects generated and
led by students, a focus on primary texts in translation, and the
applications of higher-level thinking and writing skills—analysis,
synthesis, and evaluation. Students may not receive credit for both
HUM-4 and HUM-4H. 54 hours lecture.
HUM-5H - Honors Arts and Ideas: The Renaissance through the Modern Era 3 units
UC, CSU
Prerequisite: None.
Advisory: Qualification for ENG-1A.
Limitation on enrollment: Enrollment in the Honors program.
An interdisciplinary study of the cultural movements in art, architecture, literature, music, philosophy, and religion of Western civilization. The cultural achievements of the Renaissance, Enlightenment, Romantic, Modern and post-Modern periods are studied to develop an understanding of their philosophical ideas, values, cultural meaning, artistic form, and contributions to modern thought. Students may not receive credit for both HUM-5 and HUM-5H. 54 hours lecture.

HUM-23 - The Bible as Literature 3 units
(Same as ENG-23)
UC, CSU
Prerequisite: None.
Advisory: ENG-1B or 1BH.
A survey of the Hebrew Bible and New Testament with emphasis on literary form, styles, and themes. 54 hours lecture. (Letter Grade, or Pass/No Pass option.)

HUM-35 - Philosophy of Religion 3 units
(Same as PHI-35)
UC, CSU
Prerequisite: None.
Advisory: PHI-10 or 10H or 11.
An introduction to the examination of religious claims from a philosophical perspective. Emphasis will be placed upon examining the rational justification for various traditional faith claims, and upon examining the relationship between rationality and faith. The course presumes a basic knowledge of philosophical argumentation. 54 hours lecture.

Additional Humanities Courses
Examples of courses which are often classified as Humanities by other colleges and universities are:

- ART 1, 2 - History and Appreciation of Art
- ENG-6, 7 - English Literature
- ENG-14, 15 - American Literature
- ENG-40, 41 - Masterpieces of World Literature
- MUS 19, 20, 21 - Music History and Literature
- Any Philosophy course
- See also Humanities A.A. Degree requirements
INTERDISCIPLINARY STUDIES

ILA-1 - Introduction to Tutor Training I 1 unit
Prerequisite: None.
Advisory: Qualification for ENG-1A.
Introduction to tutoring, with an emphasis on tutoring strategies, learning styles, problem solving, and working with diverse student populations. Designed to prepare students to become peer tutors in a variety of subject areas. Tutors develop student-centered, non-intrusive tutoring skills to meet a wide variety of student needs. Topics include theory, practice and ethics of tutoring, interpersonal communications techniques, tutoring diverse student populations, and group tutorial methods and practical field work. 18 hours lecture. (Letter Grade, or Pass/No Pass option.)

ILA-5 - Service Learning and Community Involvement 1-2-3-4 units
Prerequisite: None.
Examines and addresses community need through service learning. Permits exploration of discipline and/or career specific interests and options through direct interface with community entities. Enriches personal and career development through the understanding of civic and social issues. Students may earn up to 4 units each semester for a maximum of 16 units. No more than 15 hours per week of volunteer work may be applied toward the service learning requirement; 60 hours of volunteer work in the semester is required for each unit. 9 hours lecture and 27 hours laboratory. (Letter Grade, or Pass/No Pass option.)

JOURNALISM

JOU-1 - Introduction to Journalism 3 units
CSU
Prerequisite: None.
Advisory: ENG-1A or 1AH.
The role of print media, with theory and practice in news story structure, responsible news evaluation, news gathering methods, interviewing, reporting techniques, copy editing, headline writing, and makeup techniques in general. 54 hours lecture.

JOU-2 - News Writing 3 units
CSU
Prerequisite: JOU-1.
Continued theory and practice in general news writing and reporting, with emphasis on news features, features, editorial writing, sports, society, columns, and newspaper writing in general. Studies in mass media forces in society. 54 hours lecture.

JOU-7 - Mass Communications 3 units
UC, CSU
Prerequisite: None.
Surveys and evaluates the mass media. Special attention is given to newspapers, magazines, radio, TV, motion pictures, and advertising, and to their impact on society and the individual. 54 hours lecture.

JOU-20A – Newspaper: Beginning 3 units
CSU
Prerequisite: None.
Advisory: ENG-1A or ENG-1AH and/or JOU-1 and/or PHO-8.
Beginning-level college newspaper production with an emphasis on both theory and practice. Qualified students may serve in various capacities, ranging from writing to photography to art. Students may not take JOU-20 and/or JOU-20A/B/C/D for more than a combined total of four times. 27 hours lecture and 81 hours laboratory. (TBA option)

JOU-20B – Newspaper: Intermediate 3 units
CSU
Prerequisite: JOU-20A.
Advisory: ENG-1A or ENG-1AH and/or JOU-1 and/or PHO-8.
Intermediate-level college newspaper production with an emphasis on both theory and practice. Qualified students may serve in various capacities, ranging from writing to photography to art. Students may not take JOU-20 and/or JOU-20A/B/C/D for more than a combined total of four times. 27 hours lecture and 81 hours laboratory. (TBA option)

JOU-20C – Newspaper: Advanced 3 units
CSU
Prerequisite: JOU-20B.
Advisory: ENG-1A or ENG-1AH and/or JOU-1 and/or PHO-8.
Advanced-level college newspaper production with an emphasis on both theory and practice. Qualified students may serve in various capacities, ranging from writing to photography to art. Students may not take JOU-20 and/or JOU-20A/B/C/D for more than a combined total of four times. 27 hours lecture and 81 hours laboratory. (TBA option)

JOU-20D – Newspaper: Professional 3 units
CSU
Prerequisite: JOU-20C.
Advisory: ENG-1A or ENG-1AH and/or JOU-1 and/or PHO-8.
Professional-level college newspaper production with an emphasis on both theory and practice. Qualified students may serve in various capacities, ranging from writing to photography to art. Students may not take JOU-20 and/or JOU-20A/B/C/D for more than a combined total of four times. 27 hours lecture and 81 hours laboratory. (TBA option)

JOU-200 - Journalism Work Experience 1-2-3-4 units
CSU*
Prerequisite: None.
Advisory: Students should have paid or voluntary employment.
This course is designed to coordinate the student’s occupational on-the-job training with related classroom instruction. Students enrolled in this occupational work experience course must be employed in a field related to the work experience subject area. Students may earn up to four (4) units each semester for a maximum of 16 units of work experience. No more than 20 hours per week may be applied toward the work requirement. 18 hours lecture. Additionally, 60 hours of volunteer work or 75 hours of paid work is required for each unit.
KIN-4 - Nutrition 3 units

ACADEMIC COURSES

Students who successfully pass all American Heart Association requirements will assess a victim's condition and incorporate proper treatment. Students who successfully pass all American Red Cross requirements will receive an American Red Cross Responding to Emergency Certificate.

Prerequisite: None.

Students will explore perceptions, attitudes, beliefs, and lifestyle factors that may be pre-cursors and contributors to distress. Students will also explore a variety of coping strategies and relaxation techniques. The lab portion of this class provides the opportunity for students to practice techniques and develop a personalized stress management program. 45 hours lecture.

Prerequisite: None.

KIN-36 - Wellness: Lifestyle Choices 3 units

The course content focuses upon the dynamic and inter-related dimensions of wellness and how choices made by the individual may encourage an enhanced quality of life. The dimensions of wellness include the social, physical, emotional, occupational, intellectual, environmental, and spiritual. Potential student benefits include learning positive life skills through expanding self-awareness and the opportunity to enhance one's personal, family and community wellness. 54 hours lecture.

Prerequisite: None.

KIN-38 - Stress Management 3 units

This course addresses the nature, physiology, and psychology of stress. Students will explore perceptions, attitudes, beliefs, and lifestyle factors that may be pre-cursors and contributors to distress. Students will also explore a variety of coping strategies and relaxation techniques. The lab portion of this class provides the opportunity for students to practice techniques and develop a personalized stress management program. 45 hours lecture and 27 hours laboratory.

ACTIVITY COURSES

Besides fulfilling the Self Development requirement, activity classes can be used as electives for the Associate of Arts Degree and the Associate in Science Degree.

KIN-A11 - Tennis, Beginning 1 unit

This beginning course is for the inexperienced or starting player. Emphasis is placed on the basic forehand, backhand, serve and volley strokes. Basic strategies for doubles and singles will be introduced. Subsequent enrollment in additional semesters will provide the student an opportunity for added skill and competency development within each activity area. Enrollment is limited to four times within the tennis activity area. 54 hours laboratory.

Prerequisite: None.

KIN-A12 - Tennis, Intermediate 1 unit

Intermediate tennis is designed for the player wishing to review basic strokes and develop intermediate level skills. Subsequent enrollment in additional semesters will provide the student an opportunity for added skill and competency development within each activity area. Enrollment is limited to four times within the tennis activity area. 54 hours laboratory.
KIN-A13 - Tennis, Advanced 1 unit
UC*, CSU
Prerequisite: None.
Advisory: KIN-A12.
This course is designed for the advanced player interested in improving both their knowledge and skill in tennis. Emphasis is placed on advanced skills and competition. Subsequent enrollment in additional semesters will provide the student an opportunity for added skill and competency development within each activity area. Enrollment is limited to four times within the tennis activity area. 54 hours laboratory.

KIN-A15 - Bowling, Beginning 1 unit
UC*, CSU
Prerequisite: None.
Advisory: KIN-A15.
This course is designed to develop the basic techniques of bowling and an understanding of rules, etiquette, and score-keeping. Practice drills focus on the development of an appropriate grip, the approach and ball delivery. Students have an opportunity to practice skills and develop an understanding of the rules, etiquette, and score-keeping by participating in a class league which utilizes the handicap scoring system. Subsequent enrollment in additional semesters will provide the student an opportunity for added skill and competency development within each activity area. Students may take KIN-A15, KIN-A16, and KIN-A17 a combined total of four times. 54 hours laboratory. (Letter Grade, or Pass/No Pass option.)

KIN-A16 - Bowling, Intermediate 1 unit
UC*, CSU
Prerequisite: None.
Advisory: KIN-A15.
This course is designed to assist students in the continued improvement of basic bowling techniques and the development of knowledge and expertise specific to intermediate bowling skills. Emphasis will be placed upon the development of a hook, the ability to self-correct as related to common errors, and the introduction and practice of various systems of spare conversion. Students will also be introduced to the recommended adjustments associated with varying lane conditions. Opportunities for knowledge and skill development will be provided through prescribed drills, practice sessions, and participation in a class league which utilizes the handicap scoring system. Subsequent enrollment will provide the student an opportunity for further skill development and competency. Students may take KIN-A15, KIN-A16 and KIN-A17 a combined total of four times. 54 hours laboratory. (Letter Grade, or Pass/No Pass option.)

KIN-A17 - Bowling, Advanced 1 unit
UC*, CSU
Prerequisite: None.
Advisory: KIN-A16.
This course is designed to assist students in both mastery and consistency of the bowling approach, delivery, development of the hook, and systems of spare conversion. Special emphasis is placed on students gaining a thorough understanding of the point of origin, point of aim, and mechanical adjustments necessary for consistent execution of spare conversion. Students will also be introduced to the concept of sport psychology as a means of strengthening their performance during competition. Additional semesters will provide the student an opportunity for improved skill and competency development. Students may take KIN-A15, KIN-A16 and KIN-A17 a combined total of four times. 54 hours laboratory. (Letter Grade, or Pass/No Pass option.)

KIN-A36 - Cross Country Skiing 1 unit
UC*, CSU
Prerequisite: None.
This course is designed to allow the student to develop skills and proficiency in cross country skiing. Topics will include equipment and clothing selection, waxing, instruction in classical technique, skating technique and Nordic downhill. Practical application of skiing skills will take place in the field trips. Subsequent enrollment in additional semesters will provide the student an opportunity for added skill competency development. May be taken a total of four times. 54 hours laboratory. (Letter Grade, or Pass/No Pass option.)

KIN-A40 - Karate, Beginning 1 unit
UC*, CSU
Prerequisite: None.
Advisory: KIN-A40.
This course in beginning karate will develop the basic skills needed for the art of unarmed self-defense. This includes the use of blocking, shifting, punching, striking, and kicking. Karate will also develop speed, grace of movement, self-confidence, poise, mental alertness, strength, endurance, and muscular control. Karate is a physical art and a sport that anyone, irrespective of size, age, or sex, can practice according to his or her own capabilities. Subsequent enrollment in additional semesters will provide the student an opportunity for added skill competency development within each activity area. Students may take KIN-A40 and KIN-A41 a combined total of four times. 54 hours laboratory. (Letter Grade, or Pass/No Pass option.)

KIN-A41 - Karate, Intermediate 1 unit
UC*, CSU
Prerequisite: None.
Advisory: Course is designed for students with proficient skills in blocking, shifting, punching, striking and kicking and the knowledge of basic katas or for those who have completed KIN-A40.
This course in intermediate karate is designed for the student wishing to review basic self defense skills and begin work on higher skills, develop intermediate level skills in unarmed self defense, and learn basic skills in kumite (free fighting). Subsequent enrollment in additional semesters will provide the student an opportunity for added skill competency development within each activity area. Students may take KIN-A40 and KIN-A41 a combined total of four times. 54 hours laboratory. (Letter Grade, or Pass/No Pass option.)
KIN-A43 - T’ai-chi Ch’uan, Beginning 1 unit

UC*, CSU

Prerequisite: None.

Teaches the student the first Yang Style T’ai-chi ch’uan (taijiquan) routine, section one. The first t’ai-chi form is a 28 movement symmetrical choreographed routine. The students will learn proper posture, relaxation methods, stances, hand and foot motions. Benefits include improved balance, coordination and stress reduction. Supplemental exercises will include stretching methods, ch’i kung (qigong) and Chinese therapeutic exercises. Subsequent enrollment in additional semesters will provide the student an opportunity for added skill competency development. Students may take KIN-A43 and KIN-A44 a combined total of four times. 54 hours laboratory. (Letter Grade, or Pass/No Pass option.)

KIN-A44 - T’ai-chi Ch’uan, Intermediate 1 unit

UC*, CSU

Prerequisite: KIN-A43.

A continuation of Yang Style T’ai-chi Ch’uan. It will teach the student more advanced forms and training methods. Students will learn the Yang Style T’ai-chi Ch’uan (taijiquan) Long Form. Students will also learn the partner T’ai-chi San Shou application form, advanced pushing hands training methods and supplemental exercises. This class will prepare the student to test for the NWTCCA T’ai-chi Ch’uan certification. Subsequent enrollment in additional semesters will provide the student an opportunity for added skill competency development. Students may take KIN-A43 and KIN-A44 a combined total of four times. 54 hours laboratory. (Letter Grade, or Pass/No Pass option.)

KIN-A46 - Hatha Yoga, Beginning 1 unit

UC*, CSU

Prerequisite: None.

This course offers beginning Hatha yoga exercises to improve students’ physical and mental wellness. The yoga exercises will be taught to promote improvement in yoga breathing techniques, concentration, muscular flexibility, strength and endurance, balance and meditation techniques. Subsequent enrollment in additional semesters will provide the student an opportunity for added skill competency development within each activity area. Students may take KIN-A46 and KIN-A47 a combined total of four times. 54 hours laboratory. (Letter Grade, or Pass/No Pass option.)

KIN-A47 - Hatha Yoga, Intermediate 1 unit

UC*, CSU

Prerequisite: None.

Advisory: KIN-A46.

This course offers intermediate Hatha yoga exercises to improve students’ physical and mental wellness. The yoga exercises will be taught to promote improvement in yoga breathing techniques, concentration, muscular flexibility, strength and endurance, balance and meditation techniques. Subsequent enrollment in additional semesters will provide the student an opportunity for added skill competency development. Students may take KIN-A46 and KIN-A47 a combined total of four times. 54 hours laboratory. (Letter Grade, or Pass/No Pass option.)

KIN-A64 - Soccer 1 unit

UC*, CSU

Prerequisite: None.

This course is designed to introduce students to the rules, basic skills, and offensive/defensive strategy in soccer. Emphasis will be placed on improving individual skills and applying these skills to game situations. Subsequent enrollment in additional semesters will provide the student an opportunity for added skill competency development. May be taken a total of four times. 54 hours laboratory. (Letter Grade, or Pass/No Pass option.)

KIN-A75 - Walking for Fitness 1 unit

UC*, CSU

Prerequisite: None.

This course will assist students in improving physical health and general well being. It is designed for men and women of all ages, with an emphasis on cardiovascular health, fitness, and maintenance of healthy weight. Walking programs will be established to improve cardiorespiratory endurance and encourage optimal body composition. Subsequent enrollment in additional semesters will provide the student an opportunity for added skill competency development within each activity area. This course may be taken a total of four times. 54 hours laboratory. (Letter Grade, or Pass/No Pass option.)

KIN-A81 - Physical Fitness 1 unit

UC*, CSU

Prerequisite: None.

This course is designed to give the student an overview of the basic concepts that affect total fitness. Personalized exercise programs in cardiovascular endurance, muscular endurance and flexibility will be developed. Subsequent enrollment in additional semesters will provide the student an opportunity for added skill competency development. May be taken a total of four times. 54 hours laboratory. (TBA option) (Letter Grade, or Pass/No Pass option.)

KIN-A83 - Kickboxing Aerobics 1 unit

UC*, CSU

Prerequisite: None.

This course is designed to introduce basic fitness concepts as well as basic movement skills and exercises. Students will develop strength, flexibility, endurance, movement memory, balance, coordination, and cardiovascular fitness. Subsequent enrollment in additional semesters will provide the student with further development in skill competency. May be taken a total of four times. 54 hours laboratory. (Letter Grade, or Pass/No Pass option.)

KIN-A85 - Bicycling 1 unit

UC*, CSU

Prerequisite: None.

This course will acquaint the student with bicycling safety and traffic laws, bicycles and accessories, bicycle maintenance and repair, and cycling techniques. Students will develop an appreciation of cycling as a lifetime activity and as a means of developing and maintaining muscular and aerobic fitness. Subsequent enrollment in additional semesters will provide the student an opportunity for added skill competency development. May be taken a total of four times. 54 hours laboratory. (TBA option) (Letter Grade, or Pass/No Pass option.)
KIN-A86 - Step Aerobics 1 unit
UC*, CSU
Prerequisite: None.
Students will develop strength, flexibility, endurance, movement memory, balance, coordination, and cardiovascular fitness with the use of the step unit in an aerobic format. This course is designed to introduce basic fitness concepts as well as basic movement skills and exercise. Subsequent enrollment in additional semesters will provide the student an opportunity for added skill competency development within each activity area. Students may take KIN-A86, KIN-A87, and KIN-A88 a combined total of four times. 54 hours laboratory. (Letter Grade, or Pass/No Pass option.)

KIN-A87 - Step Aerobics, Intermediate 1 unit
UC*, CSU
Prerequisite: None.
Advisory: KIN-A86 or proficient skills in step aerobics.
This course will broaden students’ aerobic experience using intermediate step combinations and various class formats such as circuit training and interval step. The students will be exposed to choreography that will improve their balance, coordination and memory skills. Students will improve their cardiovascular fitness and aerobic endurance. Subsequent enrollment in additional semesters will provide the student an opportunity for added skill and competency development within each activity area. Students may take KIN-A86, KIN-A87, and KIN-A88 a combined total of four times. 54 hours laboratory. (Letter Grade, or Pass/No Pass option.)

KIN-A88 - Step Aerobics, Advanced 1 unit
UC*, CSU
Prerequisite: None.
Advisory: KIN-A87 or proficient skills in step aerobics.
For students who have already taken Physical Education A87, this course will broaden their aerobic experience using advanced step combinations and various class formats such as circuit training and interval step. The students will be exposed to challenging choreography, which will improve their balance, coordination, and memory skills. Using the FIT principle of Frequency, Intensity, and Time, students will improve their cardiovascular fitness and aerobic endurance by increasing the intensity of the movements and the length of the aerobic segment. Subsequent enrollment in additional semesters will provide the student an opportunity for added skill and competency development within the step aerobics activity area. Students may take KIN-A86, KIN-A87, and KIN-A88 a combined total of four times. 54 hours laboratory. (Letter Grade, or Pass/No Pass option.)

KIN-A89 - Body Sculpting 1 unit
UC*, CSU
Prerequisite: None.
Students will develop muscular strength and endurance, aerobic endurance, core strength, and flexibility using a variety of hand weights, body bars, elastic bands, and exercise balls. Emphasis will be placed on safety and proper technique while training major and minor muscle groups. Subsequent enrollment in additional semesters will provide the student an opportunity for added skill competency development. The course may be taken four times. 54 hours laboratory. (Letter Grade, or Pass/No Pass option.)

LIB-1 - Information Competency 1 unit
UC, CSU
Prerequisite: None.
Presents the fundamentals of the effective use of libraries, electronic databases and retrieved information. Students will learn how to express information needs, access information from appropriate sources, evaluate retrieved data and organize it to solve problems. Information values and ethics will also be introduced. 18 hours lecture. (Letter Grade, or Pass/No Pass option.)

MAG-44 - Principles of Management 3 units
CSU
Prerequisite: None.
For those who are in management, preparing for a potential promotion or interested in the management process. Includes the primary functions of planning, organizing, controlling and leading as well as related skills such as team development, motivation and communication techniques, and quality management. Also social responsibility and a global perspective are emphasized. 54 hours lecture.

MAG-47 - Applied Business and Management Ethics 3 units
(Same as BUS-47)
CSU
Prerequisite: None.
An examination of ethical concerns in business decision making. Includes corporate, personal, global, governmental, public, environmental, product, and job-related issues. Case studies and corporate ethics programs and audits also covered. 54 hours lecture.

MAG-51 - Elements of Supervision 3 units
Prerequisite: None.
Gives an overview of responsibilities of a supervisor in industry including organizational structure, training, work assignments, productivity, quality control, evaluations, and management-employee relations. 54 hours lecture.
MAG-56 - Human Resources Management 3 units

Prerequisite: None.
Examines the manager’s responsibility for implementing human resources applications involving the selection, training, evaluation, motivation and promotion of personnel. Compares and contrasts alternatives leading to innovative and socially responsible solutions to current employee relations issues with the workplace. 54 hours lecture.

MAG-200 - Management Work Experience 1-2-3-4 units

Prerequisite: None.
Advisory: Students should have paid or voluntary employment.
This course is designed to coordinate the student’s occupational on-the-job training with related classroom instruction. Students enrolled in this occupational work experience course must be employed in a field related to the work experience subject area. Students may earn up to four (4) units each semester for a maximum of 16 units of work experience. No more than 20 hours per week may be applied toward the work requirement. 18 hours lecture. Additionally, 60 hours of volunteer work or 75 hours of paid work is required for each unit.

MKT-20 - Principles of Marketing 3 units

Prerequisite: None.
Advisory: BUS-10.
Examines the role of marketing as it relates to society and economic development. The course will analyze products, consumer, marketing research, and strategic market planning. The course will survey, with a global perspective, the selection of target markets as well as the development of the marketing mix - place, product, price and promotion. 54 hours lecture.

MKT-41 - Techniques of Selling 3 units

Prerequisite: None.
Examines the key topics of how to locate, qualify and approach prospects; how to deliver the sales presentation, how to meet objections and how to close the sale. The analysis of behavioral, ethical and philosophical factors as applied to the selling function globally. 54 hours lecture.

MKT-42 - Retail Management 3 units

Prerequisite: None.
Merchandising analysis of the changing concepts and business objectives of retailing. Management philosophies, strategies, and functions (from individual to multi-unit firms). Social and economic forces on decisions concerning location and operational policies. Analysis of forms of retailing, such as food stores, motels, service stations, and direct channels. 54 hours lecture.

MKT-200 - Marketing Work Experience 1-2-3-4 units

Prerequisite: None.
Advisory: Students should have paid or voluntary employment.
This course is designed to coordinate the student’s occupational on-the-job training with related classroom instruction. Students enrolled in this occupational work experience course must be employed in a field related to the work experience subject area. Students may earn up to four (4) units each semester for a maximum of 16 units of work experience. No more than 20 hours per week may be applied toward the work requirement. 18 hours lecture. Additionally, 60 hours of volunteer work or 75 hours of paid work is required for each unit.

MAT-1A - Calculus I 4 units

Prerequisite: MAT-10 or qualifying placement level.
Functions, limits, continuity, differentiation, inverse functions, applications of the derivative including maximum and minimal problems, and basic integration. 72 hours lecture and 18 hours laboratory.

MAT-1B - Calculus II 4 units

Prerequisite: MAT-1A.
Techniques of integration, applications of integration, improper integrals, infinite sequences and series, parametric equations, polar coordinates and conic sections. 72 hours lecture and 18 hours laboratory.

MAT-1C - Calculus III 4 units

Prerequisite: MAT-1B.
Vectors in a plane and in space, vector valued functions, partial derivatives, multiple integrals, line and surface integrals, indeterminant forms, and elementary applications to the physical sciences. 72 hours lecture.

MAT-2 - Differential Equations 4 units

Prerequisite: MAT-1B.
Special types of differential equations, linear first and second order differential equations, series solutions, Laplace transforms, matrix theory, and elementary applications to the physical and biological sciences. 72 hours lecture.

MAT-3 - Linear Algebra 3 units

Prerequisite: MAT-1B.
Introduction to matrix algebra, determinants, systems of linear equations, vector spaces, linear independence, linear transformations, eigenvalues and eigenvectors and applications. 54 hours lecture.
MAT-10 - Precalculus 4 units
UC*, CSU
Prerequisite: MAT-36 or qualifying placement level.
An integrated treatment of algebra and trigonometry at the college level, with major emphasis on polynomial, rational, exponential, logarithmic, trigonometric and inverse functions, sequences and series, mathematical induction, analytic geometry, partial fractions, polar coordinates and parametric equations. The course is designed to prepare students for the study of calculus. 72 hours lecture.

MAT-11 - College Algebra 4 units
UC*, CSU
Prerequisite: MAT-35 or qualifying placement level.
Topics include algebra review, linear and quadratic equations and inequalities, systems of linear equations and inequalities, functions, exponential and logarithmic functions, permutations and combinations, binomial theorem, and linear programming. 72 hours lecture.

MAT-12 - Statistics 3 units
UC, CSU (C-ID SOCI 125)
Prerequisite: MAT-35 or qualifying placement level.
A comprehensive study of measures of central tendency and variation, the normal distribution, the t-distribution, the chi-square distribution, linear correlation, testing of hypotheses, probability, and estimation. Students may not receive credit for both MAT-12 and MAT-12H. 54 hours lecture.

MAT-12H - Honors Statistics 3 units
UC, CSU
Prerequisite: MAT-35 or qualifying placement level.
Limitation on enrollment: Enrollment in the Honors program.
A comprehensive study of measures of central tendency and variation, the normal distribution, the t-distribution, the chi-square distribution, linear correlation, testing of hypotheses, probability, and estimation. Honors course offers an enriched experience for accelerated students through limited class size, seminar format, focus on primary texts, and application of higher-level critical thinking skills. Students may not receive credit for both MAT-12 and MAT-12H. 54 hours lecture.

MAT-25 - A Survey of Mathematics 3 units
UC, CSU
Prerequisite: MAT-35 or qualifying placement level.
This is a survey course with selected topics from the history and development of mathematics, patterns and inductive reasoning, set theory and deductive reasoning, the real number system, algebra, geometry, probability, statistics, and problem solving. It is designed for students majoring in liberal arts, education or communication. Calculators or computers may be used for selected topics. 54 hours lecture.

MAT-32 - Introduction to Symbolic Logic 3 units
(Same as PHI-32)
UC, CSU
Prerequisite: None.
Limitation on enrollment: May not be taken if credit for PHI-32 has been granted.
Introduces the principles of deductive reasoning, including the practical application of modern symbolic techniques. 54 hours lecture.

MAT-35 - Intermediate Algebra 5 units
Prerequisite: MAT-52 or qualifying placement level.
The concepts introduced in beginning algebra are presented again, but in greater depth. In addition to the basic operations, logarithms, exponential equations, systems of linear and nonlinear equations, Cramer’s Rule, the Binomial Theorem, the complex number system, and sequences and series are included. 90 hours lecture.

MAT-36 - Trigonometry 4 units
CSU
Prerequisite: MAT-35 and 53 or qualifying placement level.
The study of trigonometric functions, their inverses and their graphs; identities and proofs related to trigonometric expressions; solving trigonometric equations; solving right triangles; solving oblique triangles using the law of cosines and the law of sines; elements of geometry important to the foundation of trigonometry. 72 hours lecture.

MAT-37 – Algebra for Statistics 6 units
Prerequisite: None.
This is an accelerated course that prepares students for transfer-level Statistics. Topics include ratios, rates, and proportional reasoning, arithmetic reasoning using fractions, decimals and percents, evaluating expressions, analyzing algebraic forms to understand statistical measures, functions, use of linear and exponential functions to model bivariate data, use of logarithms, logarithmic scales and semi-log plots, graphical and numerical descriptive statistics for quantitative and categorical data. This course is designed for students who do not plan to major in math, science, computer science, or engineering. 90 hours lecture and 54 hours laboratory. (Non-degree credit course.)

MAT-52 - Elementary Algebra 4 units
Prerequisite: MAT-64 (formerly MAT-50), 65, 90F or qualifying placement level.
Examines real numbers and variables as they are involved in polynomials, fractions, linear equations, quadratic equations, systems of equations, inequalities, exponential and radical expressions, and absolute value. Factoring, graphing and word problem applications will also be included. 72 hours lecture. (Non-degree credit course. Letter Grade, or Pass/No Pass option.)
MAT-53 - College Geometry  3 units
Prerequisite: MAT-52 or qualifying placement level.
A course covering the study of geometric figures in the Euclidean plane, including angles, triangles, quadrilaterals, circles and solids: formulas for measuring such figures, including perimeter, area and volume; proofs using postulates and theorems associated with congruent triangles, parallel and perpendicular line segments, and angle measures; construction of angles and segment measures. 54 hours lecture.

MAT-63 - Arithmetic  3 units
Prerequisite: None.
A course covering the decimal system of numeration and the four basic mathematical operations as they apply to whole numbers, fractions, mixed numbers, and decimals. Factoring, percentage applications, geometric figures, and measurements are included. Emphasis is placed on applications to real world problems. Computations will be performed without the use of any calculating device. 54 hours lecture. (Non-degree credit course.)

MAT-64 - Pre-Algebra  3 units
Prerequisite: MAT-63 (formerly MAT-51), 90C, or qualifying placement level.
An introduction to the notion of algebra and its uses. Includes integers, equations, and polynomials as well as topics from arithmetic. Designed as a transition from arithmetic to elementary algebra. 54 hours lecture. (Non-degree credit course.)

MAT-65 - Arithmetic and Pre-Algebra  5 units
Prerequisite: None.
A combination course covering the decimal system of numeration and the four basic mathematical operations as they apply to whole numbers, fractions, mixed numbers, and decimals without the use of any calculating device. Integers, factoring, geometric figures, and measurements are included. Emphasis is placed on applications to real world problems. An introduction to the notion of algebra and its uses. Includes equations and polynomials. 90 hours lecture. (Non-degree credit course. (Letter Grade, or Pass/No Pass option.)

MAT-90A - Special Topics in Arithmetic: Whole Numbers and Introduction to Fractions  1 unit
Prerequisite: None.
A course covering the four basic mathematical operations as they apply to whole numbers with an introduction to fractions. Emphasis is placed on applications to real world problems. Computations will be performed without the use of any calculating device. 18 hours lecture. (TBA option) (Non-degree credit course. Pass/No Pass only.)

MAT-90B - Special Topics in Arithmetic: Fractions and Introduction to Decimals  1 unit
Prerequisite: MAT-90A.
A course covering the four basic mathematical operations as they apply to fractions with an introduction to decimals. Emphasis is placed on applications to real world problems. Computations will be performed without the use of any calculating device. 18 hours lecture. (TBA option) (Non-degree credit course. Pass/No Pass only.)

MAT-90C - Special Topics in Arithmetic: Decimals  1 unit
Prerequisite: MAT-90B.
A course covering the four basic mathematical operations as they apply to decimals. Emphasis is placed on applications to real world problems. Computations will be performed without the use of any calculating device. 18 hours lecture. (TBA option) (Non-degree credit course. Pass/No Pass only.)

MAT-90D - Rational Numbers and Introduction to Variables  1 unit
Prerequisite: MAT-63, 90C or qualifying placement level.
A course covering the four basic mathematical operations as they apply to integers with an introduction to variables. Emphasis is placed on applications to real world problems. Computations will be performed without the use of any calculating device. 18 hours lecture. (TBA option) (Non-degree credit course. Pass/No Pass only.)

MAT-90E - Special Topics in Pre-Algebra: Real Numbers and an Introduction to Algebra  1 unit
Prerequisite: MAT-90D.
A course covering the four basic mathematical operations as they apply to real numbers and an introduction to algebraic expressions. Emphasis is placed on applications to real world problems. 18 hours lecture. (TBA option) (Non-degree credit course. Pass/No Pass only.)

MAT-90F - Special Topics in Pre-Algebra: Algebraic Expressions and Equations  1 unit
Prerequisite: MAT-90E.
A course covering the addition, subtraction, multiplication, and factoring of polynomials as well as simplification of basic algebraic expressions. Emphasis is placed on applications to real world problems. 18 hours lecture. (TBA option) (Non-degree credit course. Pass/No Pass only.)

MEDICAL ASSISTING
Riverside Community College District offers two medical assisting certificates: Administrative/Clinical Medical Assisting and Medical Transcription. An Associate in Science Degree in Medical Assisting is awarded upon successful completion of one of the medical assisting certificate programs and general education/graduation requirements.

MDA-1A - Medical Terminology 1A  3 units
Prerequisite: None.
Examines the structure and use of medical terms related to the body as a whole and basic anatomy, physiology and pathology of the musculoskeletal, digestive, cardiovascular, respiratory and blood/lymphatic systems. Remainder of body systems are addressed in MDA-1B. 54 hours lecture.

MDA-1B - Medical Terminology 1B  3 units
Prerequisite: MDA-1A.
Examines the use of medical terms related to the basic anatomy, physiology and pathology of the urinary, male and female reproductive, integumentary, nervous, sensory and endocrine systems. Also includes the specialty fields of radiology, oncology, pharmacology and psychology. 54 hours lecture.
MDA-54 - Clinical Medical Assisting and Pharmacology  5 units  
Prerequisite: MDA-1A.  
Corequisite: MDA-1B.  
Examines treatment modalities in modern health care, drug laws, standards, systems of measurement, dosages, actions and effects. Covers assisting the physician with examinations and procedures, patient preparation, counseling and education. Includes sterilization techniques and diagnostic laboratory procedures. Examines the principles of medical law and ethics as applied to the physician, patient, and those employed in the medical field. Pursuant to Section 2146.5 and 2146.6 of the Business and Professions Code and adopted in Subchapter 3 of Chapter 13 of Title 16 of the California Administrative Code, this class will also include administration of medications including intradermal, subcutaneous, and intramuscular. Includes venipuncture for purposes of withdrawing blood for laboratory examination test procedures. 72 hours lecture and 54 hours laboratory.

MDA-58A - Medical Transcription  5 units  
Prerequisite: MDA-1A and one of the following: CIS-1A or BUS/CIS/CAT-3, 50 or 84.  
Corequisite: MDA-1B.  
Advisory: A minimum typing speed of 60 WPM.  
Examines transcription of medical reports, formatting, proofreading, punctuation, and editing. Examines medical law and ethics as it relates to medical transcription. 45 hours lecture and 27 hours laboratory. (TBA option)

MDA-58B - Advanced Medical Transcription  3 units  
Prerequisite: MDA-58A.  
Examines transcription of advanced medical reports, formatting, proofreading, punctuation and editing. Examines medical law ethics as it relates to medical transcription. 45 hours lecture and 27 hours laboratory. (TBA option)

MDA-59 - Medical Office Procedures  5 units  
Prerequisite: One of the following: CIS-1A, BUS/CIS/CAT-3, CAT-50 or CIS/CAT-84.  
Corequisite: MDA-1A.  
Patient scheduling, communications, medical records management, and care of office property. Credit and collection, financial record keeping, and insurance billing. 72 hours lecture and 54 hours laboratory. (TBA option)

MDA-60 - Survey of Human Disease Processes  2 units  
Prerequisite: MDA-1A.  
Advisory: MDA-1B and AMY-10.  
Examines and discusses the most common disease processes in relation to each of the body systems. Includes etiology, mechanisms of disease, diagnosis and treatment. 36 hours lecture.

MDA-61 - Pharmacology for Medical Office Personnel  2 units  
Prerequisite: MDA-1A.  
Advisory: MDA-1B and AMY-10.  
Addresses the history of pharmacology and legislation related to drugs. This course also examines the classification of drugs, their source and their affect on the human body, the use of drug references and explores/discusses the common terms used to describe the administration of medications. 36 hours lecture.

MDA-62 - CPT/Coding  3 units  
Prerequisite: MDA-1A.  
Advisory: Completion of or concurrent enrollment in MDA-1B.  
Addresses the principles, terminology and techniques of procedural coding as outlined in the Physician’s Current Procedural Terminology. Included coding for the physician’s services, anesthesiology, surgery, radiology, pathology/laboratory and medicine. This course also examines current procedural coding and its relationship to the Health Care and Financing Administrator’s Common Procedural Coding System. History of pharmacology and legislation related to drugs. This course also examines the classification of drugs, their source and their affect on the human body, the use of drug references and explores/discusses the common terms used to describe the administration of medications. 54 hours lecture.

MDA-63 - ICD-9 Coding/Ambulatory  3 units  
Prerequisite: MDA-1A.  
Advisory: MDA-1B, 59 and AMY-10.  
Examines transcription of medical reports, formatting, proofreading, punctuation, and editing. Examines medical law and ethics as it relates to ambulatory care settings. 54 hours lecture.

MDA-64 - ICD-9 Coding/Hospital  3 units  
Prerequisite: MDA-1A and 1B, or completion of MDA-1A and concurrent enrollment in 1B.  
Advisory: Completion of MDA-59 and AMY-10.  
Examines transcription of medical reports, formatting, proofreading, punctuation and editing. Examines medical law and ethics as it relates to ambulatory care settings. 54 hours lecture.

MDA-200 - Medical Assisting Work Experience  1-2-3-4 units  
Prerequisite: None.  
Advisory: Students should have paid or voluntary employment.  
This course is designed to coordinate the student’s occupational on-the-job training with related classroom instruction. Students enrolled in this occupational work experience course must be employed in a field related to the work experience subject area. Students may earn up to four (4) units each semester for a maximum of 16 units of work experience. No more than 20 hours per week may be applied toward the work requirement. 18 hours lecture. Additionally, 60 hours of volunteer work or 75 hours of paid work is required for each unit.

MIC-1 - Microbiology  4 units  
UC, CSU  
Prerequisite: CHE-2A and one of the following: AMY-2A, 2B, 10, BIO-1, 2A, 2B, 5, 8, 11, 12 or 34.  
General characteristics of microorganisms with emphasis on morphology, growth, reproduction and chemical activities; their control; role in disease; and application of their role to mankind. 54 hours lecture and 54 hours laboratory.
MILITARY SCIENCE
The Army Reserve Officers Training Corps (AROTC) makes available
the first two years of its program to qualified Riverside Community
College District students through the Claremont Colleges, with classes
taught at Claremont, California State University at San Bernardino,
and/or at Riverside Community College District. Credit towards an A.A.
degree will be granted by RCCD for these courses. There are no charges
to the students for these first two years. Students will have the
opportunity to compete for Army scholarships. Information on the Army
ROTC program is available from the Claremont Colleges: (909) 624-
7965.

MIL-1 - Military History of the United States
3 units
(Same as HIS-11)
UC, CSU
Prerequisite: None.
An examination of the evolution of American military and naval
practices and institutions as they have developed through the major
wars involving the United States up to 1900. The roles of leadership
and technology and their impact upon the art of war will also be
discussed. 54 hours lecture.

MIL-2 - Military History of the United States since 1900
3 units
(Same as HIS-12)
UC, CSU
Prerequisite: None.
An examination of the evolution of American military and naval
practices and institutions as they have developed through major wars of
the twentieth century, with emphasis upon two world wars. The roles of
leadership and technology and their impact upon the art of war will
also be discussed. 54 hours lecture.

MUSIC
MUS-1 - Teaching Music to Young Children
3 units
CSU
Prerequisite: None.
Instruction in teaching music to young children. Emphasis will be on
music for early childhood ages 3 - 8. Musical elements and theory will
be introduced through activities appropriate for children. 54 hours
lecture.

MUS-3 - Fundamentals of Music
4 units
UC, CSU
Prerequisite: None.
Advisory: Concurrent enrollment in MUS-32 and another music
performance class.
Basic course in music theory designed to develop an understanding of
notation, rhythm, pitch, keys, modes, scales, intervals, chords and
music terminology. Sight-singing, dictation and music reading using the
keyboard. 54 hours lecture and 54 hours laboratory. (TBA option)

Panettone - Music Appreciation
3 units
UC, CSU
Prerequisite: None.
Advisory: Concurrent enrollment in a music performance class.
Through guided composition and analysis this course incorporates the
following concepts: rhythm and meter, basic properties of sound,
intervals, diatonic scales and triads, diatonic chords, basic cadential
formulas and phrase structures, figured bass, non-harmonic tones, first
species counterpoint, and voice leading involving 4-part chorale
writing. Development of skills in handwritten notation is expected. Lab
includes diatonic sight singing and ear training including melodic,
harmonic and rhythmic dictation. Keyboard requirements include
playing chord progressions, modes, and scales in all major and minor
keys. 54 hours lecture and 54 hours laboratory. (TBA option)

MUS-4 - Music Theory I
4 units
UC, CSU
Prerequisite: MUS-3 and 32 or 53.
Advisory: Concurrent enrollment in a music performance course.
The following is a list of the classes that qualify for the “two unit
performance class” corequisite requirement for MUS-12, 39, 79 and
P12:
MUS-28 Riverside Community Symphony
MUS-33 Vocal Jazz Ensemble
MUS-41 Chamber Singers
MUS-42 Wind Ensemble
MUS-44 Jazz Ensemble
MUS-48 Marching Band
MUS-68 Community Symphony
MUS-73 Vocal Jazz Ensemble
MUS-77 Guitar Ensemble
MUS-81 Consort Singers
MUS-82 Wind Symphony
MUS-84 Jazz Orchestra
MUS-88 Pageantry Ensemble
MUS-P77 Advanced Guitar Ensemble
THE-37 Musical Theater Techniques
THE-52 Musical Theater Touring Ensemble

The following is a list of the classes that qualify for the “two unit
performance class” corequisite requirement for MUS-12, 39, 79 and
P12:
MUS-19 - Music Appreciation  
3 units  
UC, CSU  
Prerequisite: None.  
A comprehensive study of musical style, form, and materials organized to acquaint the student with representative musical literature through listening, reading and writing. 54 hours lecture.

MUS-20 - Great Composers and Music Masterpieces to 1820  
3 units  
UC, CSU  
Prerequisite: None.  
Advisory: ENG-1A or 1AH.  
A course on biography, history and music masterpieces of classical European music from its inception to 1820. The content focuses on great composers and their music in an historical context from the Medieval, Renaissance, Baroque and Classic periods. 54 hours lecture.

MUS-21 - Great Composers and Music Masterpieces After 1820  
3 units  
UC, CSU  
Prerequisite: None.  
Advisory: ENG-1A or 1AH.  
A course on biography, history and music masterpieces of classical European music from 1820 to the present. The content focuses on great composers and their music in an historical context from the Romantic and Impressionistic periods and in their stylistic groupings in the twentieth century. This course begins with Beethoven’s late period and continues with the European traditions. It also includes the music of the United States in the 20th century and highlights composers from around the world who write in classical traditions. 54 hours lecture.

MUS-22 - Survey of Music Literature  
3 units  
UC, CSU  
Prerequisite: MUS-3.  
Survey of the major style periods and composers in the history of Western Music including the study and analysis of musical scores. Designed as a survey of music literature for students who have a working knowledge of musical notation and can follow open score and analyze the motives, themes, harmony and form of composition. 54 hours lecture.

MUS-26 - Film Music Appreciation  
3 units  
UC, CSU  
Prerequisite: None.  
A study of film music in the United States from 1927 to the present day. Study will be centered on originally composed scores by prominent composers and arrangers. 54 hours lecture.

MUS-25 - Jazz Appreciation  
3 units  
UC, CSU  
Prerequisite: None.  
A comprehensive study of jazz from its origins to the present day. Study will be centered on influential composers, instrumentalists, vocalists and arrangers. There will also be an introduction to and study of musical elements such as instrumentation, lyrics, form, rhythm and harmony. 54 hours lecture.

MUS-30 - Class Voice  
1 unit  
UC, CSU  
Prerequisite: None.  
Group study of vocal production, voice techniques, diction and interpretation. Opportunity provided for individual attention and performance. May be taken a total of four times. 54 hours laboratory.

MUS-31 - College Choir  
1 unit  
UC, CSU  
Prerequisite: None. Open to all students interested in a college choral singing experience.  
A vocal ensemble of mixed voices dedicated to the study, rehearsal and performance of a variety of choral literature. May be taken a total of four times. 54 hours laboratory.

MUS-32 - Class Piano  
1 unit  
UC, CSU  
Prerequisite: None.  
Group work in developing keyboard facility and reading of music notation. Opportunity provided for individual attention and performance. Developing knowledge and facility with primary and secondary chords and their use in song accompaniment patterns. Subsequent enrollment will provide the student an opportunity for additional skill and competency development. May be taken a total of four times. 17 hours lecture and 32 hours laboratory. (TBA option)

MUS-36 - Instrumental Chamber Ensembles  
1.5 units  
CSU  
Prerequisite: None.  
Limitation on enrollment: Audition on or before the first class meeting. The ability to sight-read and perform music on a wind, percussion, string or keyboard instrument.  
Performance of standard music literature for the small instrumental ensemble. Public performance in concert or recital situations. Subsequent enrollment in additional semesters will provide the student an opportunity for additional skill and competency development. May be taken a total of four times. 81 hours laboratory. (TBA option)
MUS-37 - Class Guitar 1 unit
UC, CSU
Prerequisite: None.
Fundamentals of guitar performance and basic musicianship. Introduction to music notation, basic guitar technique and development of basic repertoire. May be taken a total of four times. 17 hours lecture and 32 hours laboratory.

MUS-38 - Beginning Applied Music Training 2 units
UC, CSU
Prerequisite: None.
Limitation on enrollment: Audition on or before the first class meeting.
Vocal or instrumental instruction for students who are proficient performers who could benefit from individualized instruction in preparation for a job in the music field or to prepare for performance auditions. Attendance at related concerts required. Not designed for beginning students. Beginning students are encouraged to take class piano, voice class or guitar class as an entry into the field of music performance. May be taken a total of four times. 108 hours laboratory. (TBA option)

MUS-39 - Intermediate Applied Music 3 units
UC, CSU
Prerequisite: None.
Corequisite: Enrollment in a two-unit performance ensemble.
Limitation on enrollment: Audition on or before the first class meeting.
Individual instruction on a musical instrument or voice, supervised practice, concert attendance and ensemble participation. May be taken a total of four times. 162 hours laboratory. (TBA option)

MUS-53 - Keyboard Proficiency 1 unit
CSU
Prerequisite: None.
Group and individual preparation for the keyboard proficiency examinations required of entering music majors at transfer institutions. Opportunity provided for individual attention and performance. Subsequent enrollment will provide the student an opportunity for additional skill and competency development. May be taken a total of four times. 17 hours lecture and 32 hours laboratory. (TBA option)

MUS-57 - Gospel Singers 1 unit
UC, CSU
Prerequisite: None. Open to all students interested in a college choral singing experience.
A college chorus of mixed voices dedicated to the study, rehearsal and public performance of anthems, spirituals and gospel (traditional/contemporary) music. This class provides for the learning of the fundamentals of choral singing. Subsequent enrollment will provide the student with an opportunity for additional skill and competency development within the subject matter. May be taken a total of four times. 54 hours laboratory.

MUS-58 - Gospel Choir 1 unit
UC, CSU
Prerequisite: None. Open to all students interested in a college choral singing experience.
A choir of mixed voices dedicated to the further study, rehearsal and public performance of anthems, spirituals and African-American gospel (traditional/contemporary) music. May be taken a total of four times. 54 hours laboratory.

MUS-77 - Guitar Ensemble 2 units
UC, CSU
Prerequisite: None.
Limitation on enrollment: Previous experience with classical guitar and an audition on or before the first class meeting.
An ensemble dedicated to the study, rehearsal and performance of a variety of literature written or transcribed for classical guitar ensemble. Subsequent enrollment will provide the student an opportunity to gain additional skill and competency within the subject matter. May be taken a total of four times. 108 hours laboratory. (TBA option)

MUS-200 - Music Work Experience 1-2-3-4 units
CSU*
Prerequisite: None.
Advisory: Students should have paid or voluntary employment.
This course is designed to coordinate the student’s occupational on-the-job training with related classroom instruction. Students enrolled in this occupational work experience course must be employed in a field related to the work experience subject area. Students may earn up to four (4) units each semester for a maximum of 16 units of work experience. No more than 20 hours per week may be applied toward the work requirement. 18 hours lecture. Additionally, 60 hours of volunteer work or 75 hours of paid work is required for each unit.

---

PHILOSOPHY

PHI-10 - Introduction to Philosophy 3 units
UC, CSU
Prerequisite: None.
A survey and exploration of significant questions in the Western philosophical tradition. Questions are drawn from the various branches of philosophy: metaphysics, theory of knowledge, ethics, aesthetics, political philosophy and/or philosophy of religion. Students may not receive credit for both PHI-10 and PHI-10H. 54 hours lecture.
PHI-10H - Honors Introduction to Philosophy 3 units
UC, CSU
Prerequisite: None.
Limitation on enrollment: Enrollment in the Honors program.
A survey and exploration of significant questions in the Western philosophical tradition through an examination of primary sources. Questions are drawn from the various branches of philosophy: metaphysics, theory of knowledge, ethics, aesthetics, political philosophy and/or philosophy of religion. The honors course offers an enriched experience for accelerated students by means of limited class size, seminar format, discussions and projects generated and led by students, the application of higher level thinking and writing skills—analysis, synthesis, and evaluation. Students may not receive credit for both PHI-10 and PHI-10H. 54 hours lecture.

PHI-11 - Critical Thinking 3 units
UC, CSU
Prerequisite: None.
This course presents critical thinking as a skill to be used for better understanding, evaluating and constructing arguments. The focus will be on developing and enhancing the student’s ability to identify, analyze and present arguments. Topics covered through analysis and writing include the nature of argument, inductive and deductive reasoning, rhetoric, theory of knowledge, scientific method, informal fallacies. 54 hours lecture.

PHI-12 - Introduction to Ethics: Contemporary Moral Issues 3 units
UC, CSU
Prerequisite: None.
Contemporary problems in ethics. An examination of the moral problems of today in light of ethical theory. Problems examined may include abortion, euthanasia, the death penalty, affirmative action, war, racism, sexism, and others. 54 hours lecture.

PHI-15 - Bio-Medical Ethics 3 units
UC, CSU
Prerequisite: None.
An introduction to some of the ethical questions which affect medical research and the health care industry. The topics covered will include: the foundation of ethical judgments, the nature of moral reasoning, the ethics of medical practitioner-patient relationships, confidentiality, death and dying, medical experimentation, animal research, abortion and euthanasia, genetic engineering, and the new reproductive technologies. 54 hours lecture.

PHI-32 - Introduction to Symbolic Logic 3 units
(Same as MAT-32)
UC, CSU
Prerequisite: None.
Limitation on enrollment: May not be taken if credit for MAT-32 has been granted.
Introduces the principles of deductive reasoning, including the practical application of modern symbolic techniques. 54 hours lecture.

PHI-35 - Philosophy of Religion 3 units
(Same as HUM-35)
UC, CSU
Prerequisite: None.
Advisory: PHI-10 or 10H, or 11.
An introduction to the examination of religious claims from a philosophical perspective. Emphasis will be placed upon examining the rational justification for various traditional faith claims, and upon examining the relationship between rationality and faith. The course presumes a basic knowledge of philosophical argumentation. 54 hours lecture.

PHO-12 - Photojournalism 3 units
(Same as JOU-12)
CSU
Prerequisite: PHO-8.
Corequisite: PHO-9.
Introduction to basic photojournalism as a means for communicating visual information in print media. Emphasis on using photographs to tell a story. Discussion of the professional, legal, and ethical responsibilities of the photojournalist. Students required to provide 35 mm camera with aperture and shutter controls. Lab materials fee assessed. 36 hours lecture and 54 hours laboratory. (Materials fee: $15.00)

PHO-20 - Introduction to Digital Photography 3 units
CSU
Prerequisite: None.
Theory and practice in the basic techniques of producing digital photographs with technical and artistic merit. Acquire competency in the use of cameras with an emphasis on understanding the relationship of shutter, aperture and focal length. Software utilized may include Adobe Photoshop, Adobe Lightroom and others. Students are required to supply their own digital single lens reflex (SLR) camera with manual controls. 36 hours lecture and 54 hours laboratory.
PHO-200 - Photography Work Experience 1-2-3-4 units
CSU*
Prerequisite: None.
Advisory: Students should have paid or voluntary employment.
This course is designed to coordinate the student’s occupational on-the-job training with related classroom instruction. Students enrolled in this occupational work experience course must be employed in a field related to the work experience subject area. Students may earn up to four (4) units each semester for a maximum of 16 units of work experience. No more than 20 hours per week may be applied toward the work requirement. 18 hours lecture. Additionally, 60 hours of volunteer work or 75 hours of paid work is required for each unit.

Also see JOURNALISM

PHYSICAL EDUCATION
SEE KINESIOLOGY

PHYSICAL SCIENCE

PHS-1 - Introduction to Physical Science 3 units
UC*, CSU
Prerequisite: None.
Fundamental concepts of earth, space and environmental science (geology, oceanography, meteorology, and astronomy) and principles of physics and chemistry especially as they relate to these fields. Emphasis is placed on the application of science in the understanding and solution of environmental problems. 54 hours lecture.

PHS-17 - Introduction to the Development of Modern Science 3 units
(Same as CHE-17)
UC, CSU
Prerequisite: None.
Advisory: Qualification for ENG-1A.
A survey of the rise of modern science in Western civilization from the Scientific Revolution of the 16th and 17th centuries through the biological and earth science revolutions of the 20th century. The historical forces that led to major scientific developments and the impact of science and science-based technology on society will be examined. 54 hours lecture.

PHYSICIAN ASSISTANT

PHT-1 - Applied Clinical Skills 2 units
CSU
Prerequisite: None.
Limitation on enrollment: Acceptance into the Physician Assistant program.
This course is designed to meet the state and national accreditation requirements for an approved Physician Assistant program. The student will learn basic clinical skills applicable to the clinical environment including interpretation and theory of body fluids and tissue and their implications in arriving at preliminary diagnosis. Topics include clinical biochemistry, hematology and urinalysis. 27 hours lecture and 27 hours laboratory.

PHT-2 - Medicine Science I 6.5 units
CSU
Prerequisite: None.
Limitation on enrollment: Acceptance into the Physician Assistant program.
Designed to meet the state and national accreditation requirements for an approved Physician Assistant program. The course provides a systematic approach to the theory of clinical medicine including the etiology, epidemiology and pathophysiology of human disease, illness and injury. 120 hours lecture.

PHT-3 - History and Physical Assessment I 4 units
CSU
Prerequisite: None.
Corequisite: PHT-2.
Limitation on enrollment: Acceptance into the Physician Assistant program.
This course is designed to meet the state and national accreditation requirements for an approved Physician Assistant program. The student is exposed to clinical gathering skills, how to elicit and write a medical history, introduction to physical examination using the problem oriented medical record and patient simulation. Emphasis will be placed on a normal history, physical and neurological exam and progressive case presentations which correlate with the pathophysiology of disease systems covered in the PHT-2 Medical Science I course. 54 hours lecture and 54 hours laboratory.

PHT-4 - Applied Clinical Skills II 4 units
CSU
Prerequisite: None.
Limitation on enrollment: Acceptance into the Physician Assistant program.
Designed to meet the state and national accreditation requirements for an approved Physician Assistant program. The course provides a systematic approach to the basic skills and concepts of electrocardiology and radiology applicable to the clinical setting. 54 hours lecture and 54 hours laboratory.
PHT-5 - Medicine Science II  
6.5 units
CSU
Prerequisite: None.
Limitation on enrollment: Acceptance into the Physician Assistant program.
Designed to meet the state and national accreditation requirements for an approved Physician Assistant program. The course provides a systematic approach to the theory of clinical medicine including the etiology, epidemiology and pathophysiology of human disease, illness and injury. 120 hours lecture.

PHT-6 - History and Physical Assessment II  
4 units
CSU
Prerequisite: Completion of all first semester courses.
Corequisite: Concurrent enrollment in PHT-5.
Limitation on enrollment: Acceptance into the Physician Assistant program.
This course is designed to meet the state and national accreditation requirements of an approved Physician Assistant program. The student is exposed to the continuation of clinical data gathering skills related to history and physical assessment. Emphasis will be on a normal history, physical and neurological exam and progressive case studies will correlate with the clinical symptoms covered in PHT-5. The student will also learn how to perform an obstetric and gynecological exam and examination of the male genitalia and prostate using patient simulations and patient models. Includes practical experiences of history taking and physical assessment supervised by individual preceptors. 54 hours lecture and 54 hours laboratory.

PHT-7 - Medical Pharmacology  
4 units
CSU
Prerequisite: Completion of all first semester courses.
Corequisite: Concurrent enrollment in PHT-4, 5, and 6.
Limitation on enrollment: Acceptance into the Physician Assistant program.
This course is designed to meet the state and national accreditation requirements for an approved Physician Assistant program. The student is introduced to the basic principles of pharmacology including pharmacokinetics, drug actions, drug interaction and drug toxicities involved in the clinical use of drugs. Emphasis will be placed on the physiological and biochemical actions, absorptions, distribution, metabolism, excretions and therapeutic use of drugs. 72 hours lecture.

PHT-8 - Applied Clinical Skills III  
3 units
CSU
Prerequisite: None.
Limitation on enrollment: Acceptance into the Physician Assistant program.
Designed to meet the state and national accreditation requirements for an approved Physician Assistant program. The course provides a systematic approach to the basic skills and concepts of cardiopulmonary resuscitation, aseptic technique, operating room principles and guidelines, wound closure, bandaging and splinting, casting, parenteral medication administration, intravenous access, venipuncture, nasogastric intubation and bladder catheterization and standard precautions. 36 hours lecture and 54 hours laboratory.

PHT-9 - Medicine Science III  
6.5 units
CSU
Prerequisite: None.
Limitation on enrollment: Acceptance into the Physician Assistant program.
Designed to meet the state and national accreditation requirements for an approved Physician Assistant program. The course provides a systematic approach to the theory of clinical medicine including the etiology, epidemiology and pathophysiology of human disease, illness and injury. 120 hours lecture.

PHT-10 - Clinical Nutrition  
3 units
CSU
Prerequisite: None.
Limitation on enrollment: Acceptance into the Physician Assistant program.
This course is designed to meet the state and national accreditation requirements for an approved Physician Assistant program. The student is introduced to the science of nutrition as it relates to good health, health promotion, disease prevention, the diagnosis, assessment and treatment of the nutritional aspects of acute and chronic illnesses. 54 hours lecture.

PHT-11 - Internal Medicine I  
6 units
CSU
Prerequisite: None.
Limitation on enrollment: Advanced standing in the Physician Assistant program including completion of all first-year courses.
Designed to meet the state and national accreditation requirements for an approved Physician Assistant program. Students are assigned to the Department of Internal Medicine where, under supervision, they participate in a variety of patient care activities including rotation through Intensive and Coronary Care Units and the Emergency Room. Students are assigned to patients for medical history review, physical examination, diagnostic testing and within limitation imposed by education and experience, patient management. They attend grand and special conferences participating, where possible, in the elucidation of diagnoses and formulation of therapeutic plans. 336 hours laboratory. (TBA option)

PHT-12 - Internal Medicine II  
6 units
CSU
Prerequisite: None.
Limitation on enrollment: Advanced standing in the Physician Assistant program including completion of all first-year courses.
Designed to meet the state and national accreditation requirements for an approved Physician Assistant program. Students are assigned to the Department of Internal Medicine, where, under supervision, they participate in a variety of patient care activities including rotations in the Intensive and Coronary Care Units. Students are assigned to patients for medical history, physical examination, diagnostic testing and patient management. Students attend daily ward rounds, grand rounds, and special conferences and participate in discussions of diagnostic problems and formulation of patient management plans. 336 hours laboratory. (TBA option)
Operative and post-operative care of patients. Includes rotations through daily ward rounds, special conferences with participation in pre-operative and post-operative care of patients. Includes rotations through the Trauma Unit and Emergency Room. 224 hours laboratory. (TBA option)

Prerequisite: None.

Limitation on enrollment: Advanced standing in the Physician Assistant program including completion of all first-year courses.

PHT-14 - Surgery II  
CSU  
Prerequisite: None.  
Limitation on enrollment: Advanced standing in the Physician Assistant program including completion of all first-year courses.

This course is designed to meet the state and national accreditation requirements for an approved Physician Assistant program. Students are assigned to the Department of Surgery where, under supervision, they participate in a variety of patient care activities including surgical history review, physical examination, diagnostic testing, technical and surgical procedures and management of the surgical patient. Students attend daily ward rounds, special conferences with participation in pre-operative and post-operative care of patients. Includes rotations through the Trauma Unit and Emergency Room. 224 hours laboratory. (TBA option)

Prerequisite: None.

Limitation on enrollment: Advanced standing in the Physician Assistant program including completion of all first-year courses.

PHT-15 - Pediatrics  
CSU  
Prerequisite: None.  
Limitation on enrollment: Advanced standing in the Physician Assistant program including completion of all first-year courses.

This course is designed to meet the state and national accreditation requirements for an approved Physician Assistant program. Students are assigned to the Department of Pediatrics where they, under supervision, participate in a variety of pediatric patient care activities. Students are assigned to pediatric patients for medical history review, physical examination, diagnostic testing, and participation in supportive role in the patient’s therapeutic management. They attend daily ward rounds, grand rounds, and special conferences and participate on discussion of diagnostic problems and formulation of patient management plans. 336 hours laboratory. (TBA option)

Prerequisite: None.

Limitation on enrollment: Advanced standing in the Physician Assistant program including completion of all first-year courses.

PHT-16 - Obstetrics/Gynecology  
CSU  
Prerequisite: Advanced standing in the Physician Assistant program including completion of all first-year courses.

This course is designed to meet the state and national accreditation requirements for an approved Physician Assistant program. Students are assigned to the Department of Obstetrics and Gynecology where, under supervision, they participate in a variety of patient care activities emphasizing patients with reproductive tract abnormalities and normal or complicated pregnancies. Students are assigned to patients for medical history review, physical examination and diagnostic testing in preparation for a supportive role during labor and delivery or gynecologic surgery. They also attend daily grand rounds and special conferences with participation in the discussion of diagnostic problems and patient management plans. 336 hours laboratory. (TBA option)

Prerequisite: None.

Limitation on enrollment: Advanced standing in the Physician Assistant program including completion of all first-year courses.

PHT-17 - Family Practice  
CSU  
Prerequisite: Advanced standing in the Physician Assistant program including completion of all first-year courses.

This course is designed to meet the state and national accreditation requirements for an approved Physician Assistant program. Students are assigned to the Department of Family Practice where, under supervision, they participate in a variety of patient care activities. Students are assigned to patients for medical history review, physical examination, diagnostic testing and within limitation imposed by education and experience, patient management. They attend daily grand rounds and special conferences with participating, where possible, in the elucidation of diagnosis and formulation of therapeutic plans. 336 hours laboratory. (TBA option)

Prerequisite: None.

Limitation on enrollment: Advanced standing in the Physician Assistant program including completion of all first-year courses.

PHT-18 - Psychiatry/Mental Health  
CSU  
Prerequisite: None.  
Limitation on enrollment: Advanced standing in the Physician Assistant program including completion of all first-year courses.

This course is an advanced student-cohort course of study and is designed to meet the state and national accreditation requirements for an approved Physician Assistant program. Students are assigned to the Department of Psychiatry and Mental Health where, under supervision, they participate in a variety of patient care activities. Students perform psychiatric interviews and mental status examinations and participate in discussions and formulation of therapeutic plans. 224 hours laboratory. (TBA option)

Prerequisite: None.

Limitation on enrollment: Advanced standing in the Physician Assistant program including completion of all first-year courses.

PHT-19 - Emergency Medicine  
CSU  
Prerequisite: None.  
Limitation on enrollment: Advanced standing in the Physician Assistant program including completion of all first-year courses.

This course is an advanced student-cohort course of study and is designed to meet the state and national accreditation requirements for an approved Physician Assistant program. Students are assigned to the Department of Emergency Medicine where, under supervision, they participate in a variety of patient care activities. Students perform medical history review, physical examination, diagnostic testing and within limitation imposed by education and experience, patient management. They attend daily grand rounds and special conferences with participating, where possible, in the elucidation of diagnosis and formulation of therapeutic plans. 336 hours laboratory. (TBA option)
PHT-20 - Medical Genetics  
CSU  
Prerequisite: None.  
Limitation on enrollment: Acceptance into the Physician Assistant program.  

Medical Genetics course introduces students to the human genome and human genetic research. The course covers the principles of heredity at the cellular and molecular levels; genetic and molecular analysis of representative human traits in conjunction with their clinical manifestation. Genetic variation in individuals and its application in forensic medicine; gene mining for the advance medicine; genetics of cancer, immunogenetics, and pharmacogenetics will also be discussed. Emphasis is placed on understanding the role of genetic and environmental factors in maintaining health, prevention and management of disease in individuals and populations; on identification of genetic predispositions based on family pedigree in the context of clinical preventive practice; and on genetic testing and counseling. The ethical, legal and social implications of genomics for individuals and health care systems will be discussed. Controversial, thought-provoking topics related to the treatment of genetic diseases such as stem cell research and gene therapy will be included. Genomics of emerging pathogens in the aspect of world health will be recognized. Designed to meet the requisites in basic medical sciences for professional programs. 54 hours lecture combined with problem-based learning and virtual laboratory setting.

PHT-21A - Neurosurgery Clerkship  
CSU  
Prerequisite: None.  
Limitation on enrollment: Acceptance into the Physician Assistant program.  

This course is an advanced student-cohort course of study and is designed to meet the state and national accreditation requirements for an approved Physician Assistant program. Students are assigned to the Department of Neurosurgery where, under supervision, they will participate in various inpatient and outpatient care activities that further develop clinical skills in assessment, evaluation, diagnosis and discharge planning of patients with neurological conditions. 270 hours laboratory. (TBA option)

PHT-21B - Advanced Mental Health Clerkship  
CSU  
Prerequisite: None.  
Limitation on enrollment: Acceptance into the Physician Assistant program, as well as successful completion of all first-year courses.  

This course is an advanced student-cohort course of study and is designed to meet the state and national accreditation requirements for an approved Physician Assistant program. Students are assigned to the Department of Psychiatry and Mental Health Clinics where, under supervision, they participate in a variety of patient care activities consistent with Geriatric Medicine. 270 hours laboratory. (TBA option)

PHT-21C - Advanced Geriatrics Clerkship  
CSU  
Prerequisite: None.  
Limitation on enrollment: Acceptance into the Physician Assistant program, as well as successful completion of all first-year courses.  

This course is an advanced student-cohort course of study and is designed to meet the state and national accreditation requirements for an approved Physician Assistant program. Students are assigned to the Department of Family Medicine where, under supervision, they participate in a variety of patient care activities consistent with Geriatric Medicine. 270 hours laboratory. (TBA option)

PHT-21D - Hospitalist Medicine Clerkship  
CSU  
Prerequisite: None.  
Limitation on enrollment: Acceptance into the Physician Assistant program, as well as successful completion of all first-year courses.  

This course is an advanced student-cohort course of study and is designed to meet the state and national accreditation requirements for an approved Physician Assistant program. Students are assigned to the Department of Internal Medicine where, under supervision, they participate in a variety of inpatient care activities that further develop clinical skills in assessment, treatment and discharge planning of common diseases and conditions of hospitalized patients. 270 hours laboratory. (TBA option)

PHY-4A - Mechanics  
UC*, CSU  
Prerequisite: None.  
Corequisite: MAT-1A.  

Examines elementary mechanics, vectors, motion, particle dynamics, work and energy, conservation of energy and momentum, rotation, oscillations, gravitation, and fluid dynamics. 54 hours lecture and 54 hours laboratory.

PHY-4B - Electricity and Magnetism  
UC*, CSU  
Prerequisite: PHY-4A.  
Corequisite: MAT-1B.  

Electrostatics, conductors and currents, electric and magnetic fields, electromagnetic induction, Maxwell’s equations, and waves and oscillations. 54 hours lecture and 54 hours laboratory.

PHY-4C - Heat, Light and Waves  
UC*, CSU  
Prerequisite: PHY-4A.  
Corequisite: MAT-1B.  

Examines temperature, heat transfer, thermal properties of matter, thermodynamics and heat-engine cycles, wave motion and acoustical phenomena, reflection, refraction, lenses, interference and diffraction. 54 hours lecture and 54 hours laboratory.
PHY-4D - Modern Physics 4 units
UC, CSU
Prerequisite: None.
Corequisite: PHY-4C.
Relativity theory, the old quantum theory, fundamentals of quantum mechanics and basic applications of these theories to examples including the one-electron atom. 72 hours lecture.

PHY-10 - Introductory General Physics 3 units
UC*, CSU
Prerequisite: MAT-52.
A liberal arts physics course covering mechanics, properties of matter, heat, sound, light, electricity and magnetism and nuclear physics. 54 hours lecture.

PHY-11 - Physics Lab 1 unit
UC, CSU
Prerequisite: None.
Corequisite: PHY-10.
An optional laboratory science course for the non-science major. Emphasis on laboratory techniques, student experimentation, and laboratory demonstrations. 54 hours laboratory.

POL-2 - Comparative Politics 3 units
UC, CSU
Prerequisite: None.
Advisory: Qualification for ENG-1A.
A comparative study of selected European, Asian, African, Latin American and Middle Eastern political systems. Concerned with broadening and deepening the student’s understanding of the nature and variety of political systems. Course topics will include a study of institutions and issues of various countries. Students may not receive credit for both POL-2 and POL-2H. 54 hours lecture.

POL-2H - Honors Comparative Politics 3 units
UC, CSU
Prerequisite: None.
Advisory: Qualification for ENG-1A.
Limitation on enrollment: Enrollment in the Honors program.
A comparative study of selected European, Asian, African, Latin American, Middle Eastern and Political Systems. Concerned with broadening and deepening the student’s understanding of the nature and variety of political systems. Course topics will include a study of institutions and issues of various countries. Students may not receive credit for both POL-2 and POL-2H. 54 hours lecture.

POL-4 - Introduction to World Politics 3 units
UC, CSU
Prerequisite: None.
Advisory: Qualification for ENG-1A.
A study of the theories, paradigms and issues of global politics. Special attention is given to the role of the United States in the international community, the role of international organizations and international political economy. Students may not receive credit for both POL-4 and POL-4H. 54 hours lecture.

POL-4H - Honors Introduction to World Politics 3 units
UC, CSU
Prerequisite: None.
Advisory: Qualification for ENG-1A.
Limitation on enrollment: Enrollment in the Honors program.
A study of the theories, paradigms and issues of global politics. Special attention is given to the role of the United States in the international community, the role of international organizations and international political economy. The honors course offers and enriched experience for accelerated students by means of limited class size, seminar format, student-generated and –led discussions and projects, a focus on primary texts in translation, and the applications of higher-level thinking and writing skills—analysis, synthesis and evaluation. Students may not receive credit for both POL-4 and POL-4H. 54 hours lecture.

POL-6 - Introduction to Political Economy 3 units
(Same as ECO-6)
UC, CSU
Prerequisite: None.
Advisory: Qualification for ENG-1A.
This course will examine the historical, structural, and cultural elements in the development of international political economy. Topics covered will include the relation of politics and economics on development, globalization, national institutions, social groups and classes, and democracy. 54 hours lecture.
POL-11 - Political Theory 3 units
UC, CSU
Prerequisite: None.
Advisory: Qualification for ENG-1A.
This course will examine the major contributions of political thinkers from Socrates to the present. Political concepts such as democracy, the rule of law, justice, natural rights, sovereignty, citizenship, power, the state, revolution, liberty, reason, materialism, toleration, and the place of religion in society and politics are traced from their origins, through their development and changing patterns, to show how they influence political thinking and institutions today. 54 hours lecture.

PSYCHOLOGY

PSY-1 - General Psychology 3 units
UC, CSU
Prerequisite: None.
Historical and philosophical antecedents of contemporary psychology; the scientific study of behavior as systemized in learning, motivation, emotion, personality, intelligence, and thought. 54 hours lecture.

PSY-2 - Physiological Psychology 3 units
UC, CSU
Prerequisite: None.
The scientific study of the physiological determinants of behavior. Issues addressed include: basic nervous system structure and function, sensory and motor systems, emotion, motivation, learning and memory, sleep and dreaming and neurological and mental disorders. 54 hours lecture.

PSY-8 – Introduction to Social Psychology 3 units
UC, CSU
Prerequisite: None.
This course examines individual human behavior in relation to the social environment. It includes emphasized topics; such as, aggression, prejudice, interpersonal attraction, attitude change, gender roles, and social cognition. 54 hours lecture.

PSY-9 - Developmental Psychology 3 units
UC, CSU
Prerequisite: None.
Genetic and environmental determinants of life-span human development in the biosocial, cognitive and psychosocial domains. 54 hours lecture.

PSY-33 - Theories of Personality 3 units
UC, CSU
Prerequisite: None.
This course examines the basic concepts and principles of the prevailing theories of personality and evaluates the scientific merits of their assumptions and propositions. This course includes discussion of the application of theory to real-life situations and the significance of the theorist’s biographical data to the development of the theory. 54 hours lecture.

PSY-35 - Abnormal Psychology 3 units
UC, CSU
Prerequisite: None.
Survey of historical and contemporary approaches to diagnosing, understanding and treating major forms of psychological disorder including: anxieties, fears, obsessions, psychoses, sexual and personality disorders, disorders of childhood and adolescence. 54 hours lecture.

READING

REA-2 - Rapid Reading 2 units
CSU
Prerequisite: None.
Designed for readers with good vocabulary skills who are interested in increasing reading speed. A qualifying placement level is recommended. Students practice utilizing a variety of rapid reading methods and comprehension-building techniques, including computer assisted instruction. May be taken a total of two times. 36 hours lecture. (Letter Grade, or Pass/No Pass option.)

REA-3 - Reading for Academic Success 3 units
CSU
Prerequisite: None.
Advisory: Qualification for ENG-1A.
Intended to provide students with a review and study of reading skills at the college level. Students will receive instruction in fundamental, academic and discipline-specific reading skills. 54 hours lecture. (Letter Grade, or Pass/No Pass option.)

REA-4 - Critical Reading as Critical Thinking 3 units
CSU
Prerequisite: None.
This course is intended for students to fully understand the relationship between critical reading and critical thinking. Emphasis will be placed on the development of reading skills in the interpretation, analysis, criticism, and advocacy of ideas encountered in academic reading. 54 hours lecture.

REA-81 - Reading, Level I 3.5 units
Prerequisite: None.
Intended for students in need of basic remediation. Instruction in basic reading skills, along with individually prescribed practice work in which a wide range of material will be utilized. Subsequent enrollment in an additional semester will provide the student an opportunity for additional skill and competency development within the subject matter. May be taken a total of two times. 54 hours lecture and 36 hours laboratory. (Non-degree credit course. Letter Grade, or Pass/No Pass option.)
REA-82 - Reading, Level II  
**3.5 units**  
*Prerequisite: REA-81 or qualifying placement level.*  
Intended for students who experience significant difficulty in reading college-level materials. Instruction in reading skills at a less basic level than that required in REA-81, along with individually prescribed practice work, in which a wide range of materials will be utilized. Subsequent enrollment in an additional semester will provide the student an opportunity for additional skills and competency development within the subject matter. May be taken a total of two times. 54 hours lecture and 36 hours laboratory. (Non-degree credit course. Letter Grade, or Pass/No Pass option.)

REA-83 - Reading, Level III  
**3 units**  
*Prerequisite: REA-82 or ESL-73 or qualifying placement level.*  
Intended for students who experience moderate difficulty in reading college-level material. Instruction in reading skills at a more advanced level than those covered in REA-82. 54 hours lecture. (Non-degree credit course. Letter Grade, or Pass/No Pass option.)

REA-86 - Reading Strategies for Textbooks  
**1 unit**  
*Prerequisite: None.*  
This course is intended for students currently enrolled in a lecture class where the curriculum and instruction depends on extensive textbook readings. Students will receive instruction on using different reading comprehension strategies designed for better understanding and retention of textbook material. May be taken a total of three times. 18 hours lecture. (Non-degree credit course. Pass/No Pass only.)

REA-87 - Reading Clinic  
**.5 unit**  
*Prerequisite: None.*  
This self-paced course provides practice on individually prescribed learning plans designed to improve and develop reading skills. Instruction is provided on an individualized basis through conferences with the student. Subsequent enrollment in the course will provide the student further opportunities for additional skill and competency development within the subject matter. May be taken a total of four times. 27 hours laboratory. (TBA option) (Non-degree credit course. Pass/No Pass only.)

REA-95 - Special Topics in Reading  
**.5 unit**  
*Prerequisite: None.*  
Designed to introduce students to a variety of basic activities that expand strategies and techniques for developing reading comprehension. Students improve comprehension skills by questioning, surveying, establishing a purpose for reading and changing speeds in relation to difficulty and content. Subsequent enrollment in the course will provide the student with additional practice and further opportunities for skill and competency development within the subject matter. May be taken a total of four times. 9 hours lecture. (Non-degree credit course. Pass/No Pass only.)

---

**REAL ESTATE**

RLE-80 - Real Estate Principles  
**3 units**  
*CSU*  
*Prerequisite: None.*  
The fundamental real estate course covering the basic laws and principles of California real estate, gives understanding, background, and terminology necessary for specialized courses. Assists those preparing for the real estate sales agent license examination. 54 hours lecture.

RLE-81 - Real Estate Practices  
**3 units**  
*CSU*  
*Prerequisite: None.*  
Covers basic laws and principles of California real estate, terminology and daily operations in a real estate brokerage. Includes listing, prospecting, advertising, financing, sales techniques, escrow and ethics. Applies toward state’s educational requirements for the brokers examination. 54 hours lecture.

RLE-82 - Legal Aspects of Real Estate  
**3 units**  
*CSU*  
*Prerequisite: None.*  
The fundamental real estate course covering the basic laws and principles of California real estate, gives understanding, background, and terminology necessary for specialized courses. Assists those preparing for the real estate sales agent license examination. 54 hours lecture.

RLE-83 - Real Estate Finance  
**3 units**  
*CSU*  
*Prerequisite: None.*  
Analysis of real estate financing, including lending policies and problems in financing transactions in residential, apartment, commercial, and special purpose properties. Methods of financing properties emphasized. 54 hours lecture.

RLE-84 - Real Estate Appraisal  
**3 units**  
*CSU*  
*Prerequisite: None.*  
Purposes of appraisals, the appraisal process, and the different approaches, methods, and techniques used to determine the value of various types of property. Emphasis will be on residential and single-unit properties. 54 hours lecture.

RLE-85 - Real Estate Economics  
**3 units**  
*CSU*  
*Prerequisite: None.*  
Trends and factors affecting the value of real estate; the nature and classification of land economics; the development of property, construction and subdivision, economic values and real estate evaluation; real estate cycles and business fluctuations, residential market trends, real and special purpose property trends. 54 hours lecture.
**Riverside Community College District • Moreno Valley College 2012-2013 Course Descriptions**

---

### RLE-86 - Escrow Procedures I 3 units

**CSU**

Prerequisite: None.

Methods and techniques of escrow procedure for various types of real estate transactions, including the legal/ethical responsibilities engaged in escrow work. 54 hours lecture.

---

### RLE-200 - Real Estate Work Experience 1-2-3-4 units

**CSU***

Prerequisite: None.

Advisory: Students should have paid or voluntary employment.

This course is designed to coordinate the student’s occupational on-the-job training with related classroom instruction. Students enrolled in this occupational work experience course must be employed in a field related to the work experience subject area. Students may earn up to four (4) units each semester for a maximum of 16 units of work experience. No more than 20 hours per week may be applied toward the work requirement. 18 hours lecture. Additionally, 60 hours of volunteer work or 75 hours of paid work is required for each unit.

SPA-1H - Honors Spanish 1 5 units
UC, CSU
Prerequisite: None.
Limitation on enrollment: Enrollment in the Honors program.
This course concentrates on developing basic skills in listening, reading, speaking and writing. Emphasis is placed on acquisition of vocabulary, structures and grammatical patterns necessary for comprehension of native spoken and written Spanish at the beginning level. This course includes discussion of Hispanic culture and daily life. This honors course offers an enriched experience for accelerated students through limited class size, a seminar format, the reading of level-appropriate adapted Hispanic works and cultural studies, and the application of higher level critical thinking skills. Students may not receive credit for both SPA-1 and SPA-1H. 90 hours lecture and 18 hours laboratory. (TBA option) (Letter Grade, or Pass/No Pass option.)

SPA-2 - Spanish 2 5 units
UC*, CSU
Prerequisite: SPA-1, 1H or 1B.
Further development of basic skills in listening, reading, speaking and writing. A continued emphasis on the acquisition of vocabulary, structures and grammatical patterns necessary for comprehension of standard spoken and written Spanish at the beginning level. This course includes expanded discussion of Hispanic culture and daily life. 90 hours lecture and 18 hours laboratory. (TBA option) (Letter Grade, or Pass/No Pass option.)

SPA-2H - Honors Spanish 2 5 units
UC, CSU
Prerequisite: SPA-1, 1H or 1B.
Limitation on enrollment: Enrollment in the Honors program.
Further development of basic skills in listening, reading, speaking and writing. A continued emphasis on the acquisition of vocabulary, structures and grammatical patterns necessary for comprehension of standard spoken and written Spanish at the beginning level. This course includes an expanded discussion of Hispanic culture and daily life. Honors course offers an enriched experience for accelerated students through limited class size, a seminar format, the reading of level-appropriate adapted Hispanic works and cultural studies, and the application of higher level critical thinking skills. Students may not receive credit for both SPA-2 and SPA-2H. 90 hours lecture and 18 hours laboratory. (TBA option) (Letter Grade, or Pass/No Pass option.)

SPA-3 - Spanish 3 5 units
UC*, CSU
Prerequisite: SPA-2 or 2H.
Development of intermediate skills in listening, reading, speaking and writing. A continued emphasis on the acquisition of vocabulary, structures and grammatical patterns necessary for comprehension of standard spoken and written Spanish at the intermediate level. This course includes an expanded discussion of Hispanic culture and daily life. 90 hours lecture and 18 hours laboratory. (TBA option) (Letter Grade, or Pass/No Pass option.)

SPA-3N - Spanish for Spanish Speakers 5 units
UC*, CSU
Prerequisite: None.
Enrichment and formalization of speaking, reading and writing skills in Spanish. Emphasis on vocabulary expansion, awareness of standard versus non-standard lexicon, introduction to various Spanish dialects. Intense review of grammar and linguistic terminology necessary to expand and enrich language skills. Introduction to diverse literary materials, writing styles and composition techniques. Intensive survey of Latino culture in the United States and in the Spanish-speaking world. Designed for students with near-native fluency, having acquired the language in a non-academic environment, and having received minimal or no formal instruction in Spanish. 90 hours lecture and 18 hours laboratory. (TBA option) (Letter Grade, or Pass/No Pass option.)

SPA-4 - Spanish 4 5 units
UC, CSU
Prerequisite: SPA-3 or 3N.
Further development of intermediate skills in listening, reading, speaking and writing. A review of the vocabulary, structures and grammatical patterns necessary for comprehension of standard spoken and written Spanish at the intermediate level. Enhancement of basic Spanish language skills though the reading of authentic literary and factual texts. This course includes an expanded discussion of Hispanic culture and daily life. 90 hours lecture and 18 hours laboratory. (TBA option) (Letter Grade, or Pass/No Pass option.)

SPA-8 - Intermediate Conversation 3 units
UC, CSU
Prerequisite: SPA-2 or 2H.
Intermediate-level vocabulary building and improvement of speaking proficiency in the context of Hispanic culture, daily life and topics of current interest. May be taken a total of four times. 54 hours lecture. (Letter Grade, or Pass/No Pass option.)

SPA-11 - Spanish Culture and Civilization 3 units
UC, CSU
Prerequisite: None.
Introductory survey of Spanish culture and civilization as reflected in language, literature, art, history, policies, customs and social institutions. Class conducted in English. 54 hours lecture. (Letter Grade, or Pass/No Pass option.)
SPA-12 - Latin American Culture and Civilization 3 units
UC, CSU
Prerequisite: None.
Introductory survey of Latin American culture and civilization as reflected in language, literature, art, history, policies, customs and social institutions. Class conducted in English. 54 hours lecture. (Letter Grade, or Pass/No Pass option.)

SPA-13 - Spanish for Health Care Professionals 5 units
CSU
Prerequisite: None.
This course is designed for health care professionals who want to learn basic phrases in Spanish as related to their daily activities. Class conducted in Spanish. 90 hours lecture. (Letter Grade, or Pass/No Pass option.)

SPEECH COMMUNICATION
SEE COMMUNICATION STUDIES

SPEECH LANGUAGE PATHOLOGY

SLP-1 - Foundations of Speech-Language Pathology Assisting
CSU
Prerequisite: None.
A study of the legal and ethical issues, academic content, and technical and interpersonal skills needed by students who are preparing to work as Speech-Language Pathology Assistants (SLPAs). Includes the role and responsibilities of SLPAs, an introduction to the knowledge and skills needed to assist Speech-Language Pathologists (SLPs) in various work settings, basic anatomy and physiology of the speech, language, and hearing mechanisms, and an overview of communication disorders. 72 hours lecture.

SLP-2 - Remediation: Hearing and Speech Disorders 4 units
CSU
Prerequisite: None.
The roles and responsibilities of speech-language pathology assistants when working with children and adults who have hearing and speech disorders. Course covers types and degrees of hearing loss, listening devices such as hearing aids, cochlear implants and FM systems, and introduction to screening and intervention approaches used with children and adults. Major emphasis on various remediation techniques used to address auditory and speech goals, design and development of materials and data collection techniques to monitor progress on goals. 72 hours lecture.

SLP-3 - Remediation: Language, Literacy and Communication
CSU
Prerequisite: None.
The roles and responsibilities of speech-language pathology assistants (SLPAs) when working with children and adults who have language, cognitive, and/or communication disorders or who need support in order to succeed in the academic or work setting. Course covers adult language disorders related to head injury, dementia and stroke; language disorders of children; communication disorders of special populations; language goals related to academics for the school-age client; and screening and intervention procedures used with adults and children. 72 hours lecture.

SLP-4 - Field Work in Speech-Language Pathology Assisting
CSU
Prerequisite: SLP-1.
Limitation on Enrollment: Enrollment in the SLPA program.
Supervised field work experience assisting with the clinical management of children and/or adults with communicative disorders in educational and/or medical settings. Opportunities to interact with clients/patients while implementing a prescribed remedial plan, assisting with screening or evaluation under the direction of a speech-language pathologist, record keeping and management of clinical data, development of materials, setting up clinical equipment and materials, and performing various clerical duties as needed. 162 hours laboratory.

SLP-5 - SLPA Workplace Issues 3 units
CSU
Prerequisite: SLP-1.
Class discussions and assignments in this course are designed to address a variety of issues related to the work setting. Challenging situations encountered in the students’ field work experiences are presented in class with the purpose of discussing and identifying potential solutions which are to be implemented and evaluated. Students participate in an on-going self-evaluation to identify areas of strength demonstrated in the work setting and to measure progress on skills that need improvement. 54 hours lecture.
**THEATER ARTS**

**THE-3 - Introduction to the Theater**
3 units
UC, CSU

*Prerequisite: None.*

A comprehensive study of theatrical styles and forms with units in directing, acting, designing, technical theater, playwriting and genres, to acquaint the student with the diverse nature of theater leading to an appreciation and understanding of the theater as a separate and distinctive art form. 54 hours lecture.

**THE-200 - Theater Arts Work Experience**
1-2-3-4 units
UC, CSU

*Prerequisite: None.*

Advisory: Students should have paid or voluntary employment.

This course is designed to coordinate the student’s occupational on-the-job training with related instruction in work-related skills, including occupational and educational resources, career planning, resume development and interview techniques. Students may earn up to four (4) units each semester for a maximum of 16 units of work experience. No more than 20 hours per week may be applied toward the work requirement; 60 hours of volunteer work or 75 hours of paid work in the semester are required for each unit. WKX-200 is an enrolling course for General Work Experience and Occupational Work Experience courses. Students enrolling in WKX-200 are administratively moved to the appropriate general or occupational work experience course after the first class meeting. Determination of the appropriate work experience course is made by the instructor, with input from the student, based upon several factors, including the number of hours worked during the semester, occupational program requirements, and type of work in which the student is engaged. 18 hours lecture and 60 hours of volunteer work experience or 75 hours of paid work experience are required for each enrolled unit.

**WORK EXPERIENCE**

**WKX-200 - Work Experience**
1-2-3-4 units
CSU*

*Prerequisite: None.*

See BIOLOGY 2A, 2B
NON-CREDIT COURSES

Non-credit courses are one of several educational options offered by community colleges. They offer students access to a variety of low and no-cost courses that do not carry any unit value, but can help students in reaching personal and professional goals. They provide lifelong learning, career preparation opportunities, and skill remediation, development or proficiency. They can serve as an “educational gateway” for students who want to improve their earning power, literacy skills or access to higher education. Non-credit courses are approved by the district Curriculum Committee, the Board of Trustees and the state Chancellor’s Office.

ENGLISH

ENG-885 - Writing Clinic 0 units
Prerequisite: None.
Intended for students who need concentrated attention in various areas of grammar, punctuation, and composition. Self-paced, open-entry/open-exit, with no traditional lecture-based component. Instead, it requires students to do the majority of their coursework independently. Each student follows a sequential series of modules based on his or her diagnosis. Students meet with their instructor in the Writing and Reading Center for the pre-and post-test and as needed for one-on-one instruction or small group study for the duration of the students’ enrollment in the course. May be taken a total of four times. 27 hours laboratory. (TBA option)

ENGLISH AS A SECOND LANGUAGE

ESL-801 - ESL Support for Career and Technical Programs 0 units
Prerequisite: None.
Advisory: Qualification for ESL 53.
This course, designed for multi-lingual students whose primary language is not English, is intended for students currently enrolled in an entry-level vocational class. Students will receive instruction including writing, reading, speaking, vocabulary building and test taking skills designed to help them succeed in the content area course. Subsequent enrollment in an additional semester will provide the student with an opportunity for continued skills and competency development within the level and subject matter. May be taken a total of eight times. 36 hours lecture. (Non-credit course. Pass/No Pass only.) (TBA option)

GUIDANCE

GUI-801 - Testing for Success CAHSEE Preparation 0 units
Prerequisite: None.
Course is intended to give students a review of study skills and time management strategies in preparation for the California High School Exit Examination (CAHSEE). This course may be taken multiple times. 10 hours lecture. There is no mandatory laboratory hour requirement. (Materials fee: $16.00)

INTERDISCIPLINARY STUDIES

ILA-800 - Supervised Tutoring 0 units
Prerequisite: None.
Co-Requisite): Student must be enrolled in at least one other non-tutoring course.
Limitation on Enrollment: Student must be referred by an instructor or a counselor.
This self-paced open-entry/open-exit course provides supervised tutoring, study skills development, and assistance in understanding college course assignments. Students receive individualized tutoring and small group instruction outside of class time in the Learning Center, which is designed to help achieve specific course objectives related to college courses and/or to improve learning and study skills in specific subject matter. Content varies according to the course for which tutoring is sought. 216 hours laboratory. May be taken a total of twelve times. (TBA option) (Non-degree, non-credit course.)

READING

REA-887 - Reading Clinic 0 units
Prerequisite: None.
This self-paced course provides practice on individually prescribed learning plans designed to improve and develop reading skills. Instruction is provided on an individualized basis through conferences with the student. Subsequent enrollment in the course will provide the student further opportunities for additional skill and competency development within the subject matter. May be taken a total of four times. 27 hours laboratory. (TBA option)

SENIOR CITIZEN EDUCATION

For information about Senior Citizen Education courses, contact the Young @Heart Program. The telephone number is (951) 328-3811.

SCE-804 - Senior Topics 0 units
Prerequisite: None.
This course will encourage students 55 years and older to develop a sense of personal empowerment through continued learning and self-awareness of the knowledge, experience, understanding and wisdom attained in later adulthood. Students will learn communication and listening skills as they participate in various discussions of special interest and have an opportunity to review and discuss books, biographies, film, theatre, music and news items while experiencing intellectual excitement and the pleasure of camaraderie during class sessions. Students would provide their own entrance fees to any events planned. 24 hours lecture; Positive Attendance.

SCE-809 - Computer Basics for Older Adults 0 units
Prerequisite: None.
This course is designed to teach students 55 years and older the basics of home computer use, including terminology, components, basic windows functions, accessory programs, simple word processing and spreadsheet programs as well as skills in accessing and using the Internet. 16 hours laboratory; Positive Attendance.
SCE-810 - Photography as Therapy for Older Adults  0 units
Prerequisite: None.
In this course, students 55 years and older will use their own 35mm and digital cameras as they learn the theory and application of basic photographic skills needed to consistently take high quality photographs under a variety of shooting conditions. Students will be responsible for processing their own photographs. Socialization and working as a group will be an important part of this course. Students will be taught in a progressive systematic manner. 28 hours laboratory; Positive Attendance.

SCE-811 - Drawing and Painting for Older Adults  0 units
Prerequisite: None.
This course is designed for students 55 years and older, and will include a potpourri of drawing, illustration, painting, mixed media and basic design components. Individual classes will have one or more emphases and will focus on the development and/or enhancement of mental acuity, fine motor skills, creativity and art appreciation in a welcoming social environment. Classes may include creative interpretation of subjects from life, landscape and imagination, basic exploration of design elements and principles, composition, observation skills, perspective on art appreciation and history and methods of conserving and displaying completed works. Socialization and interaction will be an important part of this class. Students will be taught in a progressive systematic manner. Students will provide their own materials and supplies. 24 hours laboratory; Positive Attendance.

SCE-813 – Healthy Aging for Older Adults  0 units
Prerequisite: None.
Students 55 years and older are provided practical information regarding healthy aging including diet, nutrition, disease prevention, fall prevention and application of principles focusing on maintaining good health as they age. Course is designed to make the tasks of daily living positive. 13 hours lecture and 11 hours laboratory; Positive Attendance.

SCE-820 - Music for Active Seniors  0 units
Prerequisite: None.
Focuses on listening to, participating in and learning the history of music deemed to be of interest to older adults. Includes live instrumental and vocal presentations; instruction on composers, song stories; and backgrounds and musical styles from approximately 1900 forward. Designed for students 55 years and older who are able to be active, mobile participants. 30 hours laboratory; Positive Attendance.

SCE-821 - Music Therapy for Frail Seniors  0 units
Prerequisite: None.
Focuses on listening to, participating in and learning the history of music deemed to be of interest to seniors. Course includes live piano or other instruments and vocal presentations and instruction on composers, song stories, backgrounds and musical styles from approximately 1900 forward. This course is designed for students 55 years and older who might live in assisted living environments. 30 hours laboratory; Positive Attendance.

SCE-830 - Mature Driver Improvement  0 units
Prerequisite: None.
Advisory: Students must possess a valid California Driver’s License and be prepared to pay a nominal fee (currently $1.00) for the DMV Certificate.
This course is designed to update the driving skills of students 55 years and older. Curriculum is provided by the State of California DMV to help older drivers become more defensive, more alert to their surroundings as they drive and to familiarize them with new traffic laws. DMV requires that the course be 8 hours long and be open to a maximum of 30 students. Students will pay a nominal fee for the DMV Certificate of Completion. 8 hours lecture; Positive Attendance.

SCE-840 - Craft Design for Older Adults  0 units
Prerequisite: None.
This course offers students 55 years and older the opportunity to create and construct various types of crafts in an interactive and stimulating environment. The course will feature crafts that give students an opportunity to use their creative talents while retaining and continuing to develop their fine motor skills and improve memory skills. Some of the crafts featured in various classes might include ceramics, stain glass, wood carving, jewelry, china painting, calligraphy, fabric crafts, scrap book design, various crafts using glass items, wood items, clay pots, found items and items from nature like gourds and pine cones, etc. Students will supply their own craft materials. 24 hours laboratory; Positive Attendance.

SCE-842 - Needle Arts Therapy for Seniors  0 units
Prerequisite: None.
Students 55 years and older will learn to create needle arts projects in a socially interactive environment. The course will feature a wide variety of needle arts instruction to give students an opportunity to use their creative talents while retaining and continuing to develop fine motor skills memory improvement and will provide an opportunity to share backgrounds and family history through the various projects and offer in a socially interactive environment. Some of the various needle arts that might be included in various classes are: needlepoint, cross stitch, needle beading, embroidery, ribbon embroidery, Japanese bunka and other ethnic needle arts, fabric embellishment, appliquéd, quilting, crochet and knitting. Students will provide their own needle art supplies. 24 hours laboratory; Positive Attendance.
Section VII

FACULTY
Each year, the Academic Senate and faculty of RCCD select an educator from their ranks to address the college community. This is one of the highest honors that the faculty at RCCD can bestow on a colleague to recognize an individual’s outstanding teaching skills and contributions to the District and its students. The 52nd Distinguished Faculty Lecturer is

JOSE DURAN

PROFESSOR

BUSINESS AND COMPUTER INFORMATION SYSTEMS

Born in Riverside and raised in Corona, Jose was educated locally, transferring from Chaffey College to California State University, San Bernardino (CSUSB), where he earned his bachelor’s degree. Jose served in the United States Army for three years, and then returned to CSUSB to complete his MBA in 1978.

Jose’s career includes 15 years in the grocery industry (Alpha Beta Markets) followed by sales and sales management capacities with Xerox and Control Data Corporation. He also served as an economic development representative in the Riverside County Business Labor Council marketing a state funded stimulus program, Employment Training Panel, and bringing industry and employment opportunities to the Inland Empire.

Jose began teaching at Riverside Community College in Moreno Valley as a part-time faculty member in 1983. In 1986, Jose began teaching full time at Riverside City College, and eventually moved to Moreno Valley College where he has been ever since.

Now after almost 26 years, Jose sees the sunset of his career on the horizon. As one of the first faculty to begin teaching at Moreno Valley College, being the District’s 2012 Faculty Lecturer is an honor and privilege.
Acknowledging that the quality of an instructional program is dependent largely upon the quality of the faculty, Riverside Community College District endeavors to maintain a teaching staff which is among the finest in California.

MORENO VALLEY COLLEGE FACULTY

AMEZQUITA, ANNA MARIE
Associate Professor, English
B.A., St. Edward’s University; M.A., New Mexico State University. At Riverside Community College District since 2000.

BACIUNA, NICOLAE
Associate Professor, Mathematics
B.S., M.S., University of California, Riverside. At Riverside Community College District since 2008.

BALENT, AMY E.
Associate Professor, Art

BANKS, JAMES
Associate Professor, Human Services
B.S., University of Wisconsin, Whitewater; M.S.W., University of Wisconsin, Madison. At Riverside Community College District since 2002.

BARBOZA, MATTHEW M.
Associate Professor, Computer Information Systems
B.A., California State Polytechnic University, Pomona; M.A., California State University, Fullerton. At Riverside Community College District since 2001.

BHATTACHARYA, DEBADARSHI (Dipen)
Associate Professor, Physics
M.S., Moscow State University, Moscow, Russia; Ph.D., University of New Hampshire, Durham. At Riverside Community College District since 2001.

BIANCARDI, FABIAN A.
Professor, Political Science

BRIGGS, CORDELL A.
Dean, Public Safety Education and Training
Associate Professor, English

BROYLES, LARISA
Associate Professor, Anthropology
B.A., University of California, Irvine; M.A., Ph.D., University of California, Riverside. At Riverside Community College District since 2005.

BYOUS, ROSSLYNN
Assistant Professor, Physician Assistant
B.A., University of California, Santa Barbara; M.S., D.P.A., University of La Verne; Physician Assistant certificate, Charles R. Drew University of Medicine. At Riverside Community College District since 2012.

CHI, WINSTON
Assistant Professor, Economics
B.S., Stanford University; M.A., University of California, Irvine. At Riverside Community College District since 2009.

CLARK, DANIEL H.
Professor, English
B.A., Colorado State University; M.A., Indiana University; Ph.D., University of California, Davis. At Riverside Community College District since 1999.

CONRAD, DIANE M.
Associate Professor, Communication Studies
A.A., Palomar College; B.A., Wheaton College; M.A., California State University, Long Beach. At Riverside Community College District since 1990.

CONYERS, LISA A.
Vice President, Academic Affairs
Associate Professor, Spanish
A.A., Mt. San Antonio College; B.A., University of California, Riverside; M.A., New York University; Ph.D., University of California, Riverside. At Riverside Community College District from 1992-1996 and since 1997.

DRAKE, SEAN D.
Associate Professor, Mathematics
B.S., M.S., University of California, Riverside. At Riverside Community College District since 2000.

DUMER, OLGA
Associate Professor, English as a Second Language
B.A., M.A., Moscow State Pedagogical Institute; Ph.D., Institute of Linguistics of the USSR Academy of Sciences. At Riverside Community College District since 2000.

DURAN, JOSE
Professor, Business & Computer Information Systems
B.A., M.B.A., California State University, San Bernardino. At Riverside Community College District since 1986.

ELDER, GREGORY P.
Professor, History
A.B., Indiana University; Certificate in Theology, Oxford University, UK; Master of Divinity, Nashotah House Theological Seminary; M.A., Ph.D., University of California, San Diego. At Riverside Community College District since 1991.

ESTRADA, MICHAEL
Associate Professor, Physician Assistant

FAST, MATTHEW
Associate Professor, Computer Information Systems
B.S., M.S., University of California, Riverside. At Riverside Community College District since 2006.

FONTAINE, ROBERT
Associate Professor, Emergency Medical Services
B.A., University of La Verne; M.A., Chapman University. At Riverside Community College District since 2004.

FOSTER, DONALD T.
Associate Professor, Music
B.M., M.M., University of Southern California. At Riverside Community College District since 2005.
GAGE, GEORGE
Associate Professor, Community Interpretation in Spanish
B.A., University of Vermont; M.A., University of Texas at El Paso. At Riverside Community College District since 2000.

GALICIA, FELIPE
Associate Professor, Biology
B.S., M.S., California State University, San Bernardino. At Riverside Community College District since 2005.

GIBBS, TRAVIS
Professor, Psychology
A.A., Riverside Community College; B.A., M.A., California State University, San Bernardino; Ph.D., The Union Institute Graduate School. At Riverside Community College District since 1996.

HANNUM, NATALIE
Assistant Professor, Fire Technology
B.S., California State University, Chico; M.P.A., California State University, San Bernardino. At Riverside Community College District since 2009.

HAUSLADEN, LISA
Associate Professor, Medical Assisting
B.S., Southern Illinois University; M.B.A., University of Phoenix. At Riverside Community College District since 2005.

HONORE, CHERYL
Professor, Accounting
B.S., Loyola Marymount University, Los Angeles; M.B.A., California State Polytechnic University, Pomona. At Riverside Community College District since 1990.

HULSHOF, LIDIA
Associate Professor, Dental Assisting
B.S., Biola University; D.D.S., Loma Linda University. At Riverside Community College District since 2006.

JOHNSON, FEN
Associate Professor, Mathematics
B.A., M.A., California State University, San Bernardino. At Riverside Community College District since 2004.

KIM, JOYCE
Assistant Professor, Speech Language Pathology
B.A., University of California, Los Angeles; M.S., Teachers College Columbia University. At Riverside Community College District since 2009.

LESSER, DONNA
Associate Professor, Director, Dental Assistant and Dental Hygiene Programs
B.S., California State University, Northridge; M.A., Pepperdine University. At Riverside Community College District since 2002.

LIPKIN, ELLEN
 Associate Professor, Microbiology
B.S., University of Arizona; M.S., University of California, San Francisco. At Riverside Community College District since 1999.

LOOMIS, REBECCA
Associate Professor, Anatomy and Physiology
B.S., University of Nebraska; M.S., Loma Linda University. At Riverside Community College District since 1996.

MARSH, DIANE F.
Professor, Chemistry
B.A., California State University, San Bernardino; M.S., Ph.D., University of California, Riverside. At Riverside Community College District since 1992.

MARSHALL, SHARA
Associate Professor, Biology & Health Sciences
B.A., M.S., California State University, San Bernardino. At Riverside Community College District since 2009.

MAYO, SANDRA
President, Moreno Valley College
B.A., University of California, Riverside; M.S., West Coast University; Ed.D., University of Southern California. At Riverside Community College District since 2012.

METCALFE, KIM
Associate Professor, Early Childhood Education
B.A., M.A., California State University, San Bernardino, Ph.D., Capella University. At Riverside Community College District since 2002.

MOORE, FRANKIE
Associate Professor, Coordinator, Student Activities
B.A., M.A., California State University, Fresno. At Riverside Community College District since 2005.

NAMEKATA, JAMES S.
Associate Professor, Mathematics
B.S., University of California, Riverside; M.A., California State University, San Bernardino. At Riverside Community College District since 1999.

NOLLETTE, CHRISTOPHER
Assistant Professor, Director, Emergency Medical Services

NYROP, SONYA
Associate Professor, Reading
B.A., Columbia Union College; M.A., University of London; M.S., California State University, San Bernardino. At Riverside Community College District since 2006.

PACHECO, MARIA DEL ROCIO
Associate Professor, Counseling
A.A., Rio Hondo Community College; B.A., University of California, Irvine; M.S., California State University, Long Beach. At Riverside Community College District since 2001.
RIVERSIDE COMMUNITY COLLEGE DISTRICT

Faculty

175

PARKE, LATONYA  Associate Professor, Counseling
B.A., M.S., California State University, Long Beach. At Riverside Community College District since 2007.

PENA, LARRY A.  Associate Professor, Counseling
B.A., University of California, Riverside; M.S., California State University, San Bernardino. At Riverside Community College District since 2000.

PFIEFFLE, ANN L.  Associate Professor, History
B.A., University of Minnesota; B.S., Moorehead State University; M.A., University of California, Riverside. At Riverside Community College District since 2001.

PISA, SHEILA  Professor, Mathematics

QUIN, CAROLYN L.  Associate Professor, Music
B.A., Millsaps College; M.M., University of Kentucky. At Riverside Community College District since 1996.

QUINTO-MacCALLUM, BONAVITA  Associate Professor, Spanish
B.A., M.A., University of New Mexico; Ph.D., New Mexico State University. At Riverside Community College District since 2005.

RENFROW, DEBBI  Assistant Professor, Library Science
B.A., University of California, Riverside; M.A., California State University, Dominguez Hills; M.L.I.S., San Jose State University. At Riverside Community College District since 2009.

RHYNE, JEFFREY  Associate Professor, English
B.A., Pomona College; M.A., Ph.D., University of California, Riverside. At Riverside Community College District since 2006.

RICHARDS-DINGER, KARI  Assistant Professor, Mathematics
B.S., University of California, Santa Barbara; M.S., University of California, San Diego; M.A., California State University, Fullerton. At Riverside Community College District since 2009.

ROCCO, CHRISTOPHER  Associate Professor, Humanities
B.A., University of Hawaii; M.A., University of California, San Diego. At Riverside Community College District since 2001.

SANDOVAL, GREGORIO  Vice President, Student Services

SAXON, KATHLEEN L.  Associate Professor, Mathematics
A.S., Mt. San Jacinto College; B.S., University of California, Riverside; M.S., California Polytechnic State University, Pomona. At Riverside Community College District since 1998.

SCHWARTZ, MICHAEL  Assistant Professor, English
B.A., M.A., California State University, Dominguez Hills. At Riverside Community College District since 2011.

SINIGAGLIA, NICHOLAS  Associate Professor, Philosophy
B.A., University of California, Berkeley; M.A., University of California, Irvine. At Riverside Community College District since 2007.

SNITKER, NICOLE  Assistant Professor of Career and Technical Education, Dental Hygiene
B.A., Northern Arizona University. At Riverside Community College District since 2008.

SOTO, SALVADOR  Associate Professor, Counseling
A.A., Riverside Community College District; B.A., University of California, Santa Barbara; M.S., P.P.S., University of La Verne. At Riverside Community College District since 2005.

STAFFORD, PAULA  Assistant Professor of Career and Technical Education, Physician Assistant
B.S.N., University of Wisconsin; M.S.N., University of Phoenix. At Riverside Community College District since 2010.

STAFFORD, PAULA  Assistant Professor of Career and Technical Education, Physician Assistant
B.S.N., University of Wisconsin; M.S.N., University of Phoenix. At Riverside Community College District since 2010.

SAXON, KATHLEEN L.  Associate Professor, Mathematics
A.S., Mt. San Jacinto College; B.S., University of California, Riverside; M.S., California Polytechnic State University, Pomona. At Riverside Community College District since 1998.

TOVARES, CHARLES  Associate Professor, Geography
B.A., University of Florida; M.A., Ph.D., University of Washington, Seattle. At Riverside Community College District since 2005.

VINCENT, EUGENIA E.  Dean, Student Services
B.S., Clark-Atlanta University; M.A., University of Southern California. At Riverside Community College District since 1988.

WAGNER, STEPHEN D.  Associate Professor, Biology
B.S., M.S., California State University, San Bernardino. At Riverside Community College District since 2005.
WERNER-FRACZK, JOANNA  
Associate Professor,  
Biology  
B.S., M.S., University of Gdansk; M.S., Ph.D., University of Wisconsin, Madison.  At Riverside Community College District since 2006.

WICKEN, INGRID P.  
Associate Professor,  
Kinesiology  
A.A., Riverside Community College; B.S., M.S., California State Polytechnic University, Pomona. At Riverside Community College District since 1989.

WILLIAMS, EDWARD ALLAN  
Associate Professor,  
English  

YAO, CHUI ZHI  
Associate Professor,  
Mathematics  
B.A., M.A., M.A., California State University, Sacramento; Ph.D., University of California, Riverside.  At Riverside Community College District since 2008.

YGLORIA, ALEXANDER  
Assistant Professor,  
DSPS Counselor/LD Specialist  
B.S., University of California, Riverside; M.A., California State University, San Bernardino.  At Riverside Community College District since 2009.

YOSHINAGA, ANN  
Director,  
Public Safety Education and Training  
A.S., Crafton Hills; B.S., California State University Long Beach; M.A., California State University San Bernardino.  At Riverside Community College District since 2010.

ZAPATA, VARALIE  
Associate Professor,  
English  
B.A., M.A., Ph.D., University of California, Riverside.  At Riverside Community College District since 2005.

RIVERSIDE COMMUNITY COLLEGE DISTRICT

Riverside Community College District is dedicated to the success of our students and to the development of the communities we serve. To advance this mission, our colleges and learning centers provide educational and student services to meet the needs and expectations of their unique communities of learners. To support this mission, District Offices provide our colleges with central services and leadership in the areas of advocacy, resource development, and planning.

RCCD GOALS — 2005-2015

Improve student retention and success by strengthening certificate, degree, and transfer programs and by establishing new programs and course sequences that lead students to opportunities for transfer education and career preparation.

Ensure that the resources of the district support an effective learning process and ensure accountability by measuring and reporting on institutional effectiveness.

Utilize advances in information technologies to improve effectiveness of instruction, services, and administration.

Improve the capability for economic development and community services by strengthening partnerships with other educational institutions, business, labor, and government to enhance seamless educational opportunity and continuity for students.

Tailor programs and services to meet the needs of the students and communities served by the three-college District.

Increase the college-going rate in the area by reaching out to underrepresented and underserved populations and designing programs, services, and approaches relevant to the diverse segments of the community.

OUR RCCD VISION AND VALUES

Historically the Riverside Community College District has pursued fulfillment of the Mission Statement and the Trustee-adopted Goals by affirming its vision and values:

OUR VISION

The Riverside Community College District is committed to exceeding the expectations of students, community, faculty, and staff by providing and expanding opportunities for learning, personal enrichment, and community development.

VALUES

Recognition for Our Heritage of Excellence: We embrace the District’s rich tradition of excellence and innovation in upholding the highest standard of quality for the services we provide to our students and communities. We are bound together to further our traditions and to build for the future on the foundations of the past.

Passion for Learning: We believe in teaching excellence and student centered decision making. We value a learning environment in which staff and students find enrichment in their work and achievements.

Respect for Collegiality: We recognize the pursuit of learning takes the contributions of the entire district community, as well as the participation of the broader community. We believe in collegial dialogue that leads to participatory decision making.

Appreciation of Diversity: We believe in the dignity of all individuals, in fair and equitable treatment, and in equal opportunity. We value the richness and interplay of differences. We promote inclusiveness, openness, and respect to differing viewpoints.

Dedication to Integrity: We are committed to honesty, mutual respect, fairness, empathy, and high ethical standards. We demonstrate integrity and honesty in action and word as stewards for our human, financial, physical, and environmental resources.

Commitment to Community Building: We believe the District is an integral part of the social and economic development of our region, preparing individuals to better serve the community. We believe in a community-minded approach that embraces open communication, caring, cooperation, transparency, and shared governance.

Commitment to Accountability: We strive to be accountable to our students and community constituents and to use quantitative and qualitative data to drive our planning discussions and decisions. We embrace the assessment of learning outcomes and the continuous improvement of instruction.

RCCD FUNCTIONS

TRANSFER OR LOWER DIVISION EDUCATION

Goal: Many students attending the colleges of Riverside Community College District desire the Baccalaureate Degree. Accordingly, the district is committed to providing transfer and lower division education to qualified students.

Objective: The colleges provide courses which parallel those of the lower division of the California State University system, the University of California, and of private universities so that qualified students may transfer to four-year public or private institutions.

CAREER AND TECHNICAL EDUCATION

Goal: Occupational programs, through an advisory process, respond to the changing needs of our communities’ labor market to provide a skilled workforce for business and industry including public and private sectors.

Objective: At the colleges, occupational skills training provides specialized occupational programs that lead individuals either directly to employment or allows for employed individuals to update their skills and knowledge so that they may proceed further in their career endeavors.

REMEDIAL OR DEVELOPMENTAL EDUCATION

Goal: The diverse levels of students’ skills demand that the colleges provide students with support services to assist them in acquiring those skills that are prerequisite to success in college.

Objective: The colleges provide courses in the use of basic learning skills at levels appropriate to those students who must remedy deficiencies. The colleges provide for preassessment, advisement, and specialized programs.

COMMUNITY EDUCATION

Goal: Riverside Community College District seeks to provide a variety of informational, recreational, and skill building opportunities responsive to community needs. Community Education is a self-supporting entity of the college not funded by tax payer dollars. Classes and programs are not-for-credit.

Objective: Community Education offers professional and personal development classes, and recreational classes for district residents of all ages.
CUSTOMIZED TRAINING
Goal: Riverside Community College District seeks to provide a variety of training and consulting opportunities for local business and industry.
Objective: The district offers a variety of customized workshops, seminars, needs assessments, consulting, coaching, pre-employment assessments, and credit and not-for-credit services which are designed to meet the needs of individual businesses.

STUDENT SERVICES
Goal: Recognizing the need for a comprehensive learning experience for students, the colleges provide a wide variety of nonclassroom experiences and services which shall assist students in achieving their educational and career goals.
Objective: The colleges provide a fully integrated program of admission, orientation, assessment, advisement, placement, and registration for students which is consistent with the college’s overall mission.

In addition, the colleges have developed a wide range of student support services such as financial assistance, health services, child care, services for students with a disability, and similar special education services and programs, which along with a comprehensive program of student activities, athletics, fine arts, and student government, enhance the student’s overall learning experience at the colleges.

HISTORY AND DEVELOPMENT
Founded in 1916 in response to a general petition of the electors, Riverside Community College has served our communities for nearly nine decades. In the beginning, the College educated 100 students in classrooms on the Polytechnic High School campus.

On June 2, 1964, a separate five-person governing Board of Trustees was elected and the Riverside Junior College District was completely separated from the Riverside City School system. The legal entity which operates the college is officially known as the Riverside Community College District and encompasses the Alvord, Corona/Norco, Jurupa, Moreno Valley, and Riverside Unified School Districts and the Val Verde School District.

On February 3, 1964, the Board of Trustees authorized the purchase of a second site for a future campus in the Sierra area of Riverside. On July 1, 1984, the Corona/Norco Unified School District was annexed to the Riverside Community College District and on June 4, 1985, more than 141 acres of federal United States Navy land in Norco was acquired from the General Services Administration by way of the United States Department of Education. On March 16, 1987, 112 acres of privately-owned land in Moreno Valley was donated to the college by the Robert P. Warington Company; in 1989, 20 more acres were added to the site.

The Moreno Valley and Norco Campuses, opened in March 1991, have grown rapidly and were granted initial accreditation in January 2010. It is projected that by the year 2020, more than 57,000 students will attend classes at the three colleges.

DISTRICT MEMBERSHIPS
The three colleges of Riverside Community College District hold memberships in the Council for Higher Education Accreditation, the Accrediting Commission for Community and Junior Colleges, the Council on Law in Higher Education, the Commission on Athletics, the Community Colleges for International Education, the Community College League of California, the Consortium for North American Higher Education Collaboration, the American Council on Education, the Community College Leadership Development Initiatives, the College Board, the American Association of Community Colleges, the Hispanic Association of Colleges and Universities, The Riverside Downtown Partnership, the Greater Riverside Hispanic Chamber of Commerce, the Great Riverside Chamber of Commerce, the Corona Chamber of Commerce, the Greater Corona Hispanic Chamber of Commerce, the Moreno Valley Chamber of Commerce, Moreno Valley Hispanic Chamber of Commerce, and Moreno Valley African American Chamber of Commerce.

STRATEGIC COMMUNICATIONS AND RELATIONS
Service to the community is a significant function of all public two-year colleges. An important part of this service is to provide the public with information about the college and the activities of its students, and to work with the community to further common goals through sponsorships and partnerships. At Riverside Community College District this is the responsibility of the Strategic Communications and Relations office. College departments are assisted with enrollment-development marketing; securing newspaper, radio and cable TV publicity; and publicizing their programs through District print and online publications.

THE RCCD FOUNDATION
Established in 1975, the RCCD Foundation, is a 501(c)(3) not-for-profit organization that provides support for scholarships, programs and special projects to benefit the students of the Riverside Community College District and its Colleges. Over the years, the RCCD Foundation has played a major role in several initiatives, including the acquisition of land for Moreno Valley College, expansion of the Early Childhood Studies building at Riverside City College, creation of the RCC Art Gallery and Passport to College, and the purchase of the RCCD Alumni House. Scholarship support remains a central mission of the RCCD Foundation.

In 1991, the Foundation launched a successful $1 million Endowed Scholarship Campaign, at the time one of the largest scholarship campaigns undertaken by a community college. Today, thanks to tremendous support from individuals and businesses throughout the region, the Foundation’s assets total more than $5 million, with $500,000 in scholarships distributed annually to incoming, continuing, and transferring students. In 2010, the RCCCD Foundation successfully concluded Campaign RCC, a major gifts initiative that raised more than $21 million in cash, pledges and planned gifts to construct the Riverside Aquatics Complex, provide programmatic support for the School of Nursing and Science/Math Complex, provide Allied Health equipment for Moreno Valley College, and support the development of a construction management program at Norco College.

In September, 2011, The RCCD Foundation and RCCCD together launched Invest in Excellence, 100 @100, a comprehensive effort to reach the $100 million mark in total public and private external resources by 2016 when Riverside City College celebrates its 100th Anniversary, coinciding with the 25th anniversaries of Moreno Valley College and Norco College. The Campaign focuses on 4 pillars of excellence: student, academic, workforce and community. The Foundation encourages outright gifts, pledges and planned gifts to further the mission of the District. The RCCD Foundation Office is located in the RCCD Alumni House. To learn more about gift opportunities, please call (951) 222-8626 or visit the Foundation’s website at www.rccd.edu/foundation.
RCCD ALUMNI HOUSE
In 1998, the RCCD Foundation raised the funds to enable RCCD to purchase the historic Alabaster Home, located at 3564 Ramona Drive. The residential property, now known as the RCCD Alumni House, overlooks Riverside City College, and serves as a gathering place for the community and college family—a place where traditions are celebrated and a legacy is built for future RCCD students. The upstairs rooms have been designated as offices for the RCCD Foundation. Downstairs rooms are regularly used for College and community meetings and events, as are the outside gardens. The RCCD Alumni House remains true to its heritage, preserving the many historic features found throughout the building. Offices located in the RCCD Alumni House are generally open Monday through Friday, 8 a.m.-5 p.m. For more information, please stop by or call the RCCD Foundation at (951) 222-8626.

RCCD ALUMNI BRICK CAMPAIGN
In 2003, the RCCD Foundation officially launched the Alumni Brick Campaign in the garden courtyard of the RCCD Alumni House. The courtyard creates a beautiful focal point and a visual testament to alumni and friends. For a gift of $100 or more, you can purchase a brick and have it personalized to commemorate your time at an RCCD college, honor a friend or loved one, or celebrate an important milestone. More than 400 engraved bricks already have been installed. Call (951) 222-8626 for additional information or to order your Alumni Brick.

OPEN CAMPUS
The Open Campus office is responsible for distributing Distance Education and Faculty Technology Training. The goal of the Distance Education programs of the Open Campus is to make learning available anytime, anywhere for students who find it difficult to meet on campus at scheduled class times. The Open Campus is truly a “campus without walls,” distributing courses through a variety of online-based technologies including the Internet and streaming media. Open Campus courses are academically equivalent to on-campus courses and fulfill RCCD General Education, elective, and/or major requirements, with many classes transferable to four-year institutions.* Some certificate programs offered at RCCD can be completed in a Distance Education format. For further information about Distance Education options, visit www.opencampus.com.

*Always consult an RCCD counselor to review your Student Education Plan before taking any class to be sure it meets your particular goals.

RESERVE OFFICER TRAINING CORPS
Riverside Community College District students interested in the ROTC commissioning program can enroll in the Army ROTC program located at the Claremont Colleges, or the Air Force ROTC program located at Loyola Marymount University and taught at various locations throughout the greater Los Angeles area.

ARMY AND AIR FORCE ROTC PROGRAMS

Army ROTC
Through a cooperative arrangement sponsored by the Claremont Colleges and the Army, students can take the preliminary ROTC training at no cost while attending a community college. The Department of Military Science at the Claremont Colleges offers basic classes at California State University, San Bernardino and the Claremont Colleges. A student attends class each week for the initial year and the second year of ROTC training. Completion of this program permits a student transferring to a four-year institution full junior status in ROTC upon transfer. Completion of the community college portion of this program also could provide advanced grade placement should the student choose to serve in the military as an enlisted person.

Those interested in finding out more about Army ROTC should contact the Professor of Military Science, California State University, 5500 State University Parkway, San Bernardino, CA 92407-2397, Room SS124, Telephone (909) 537-5533.

Air Force ROTC
Air Force Reserve Officer Training Corps (AFROTC) offers two, three, and four-year programs leading to a commission as a second lieutenant in the United States Air Force. The AFROTC program is open to almost all students pursuing baccalaureate and graduate degrees. Classes consist of one hour of academics and two hours of leadership laboratory per week for freshmen and sophomores and three hours of academics and two hours of leadership laboratory per week for juniors and seniors. AFROTC offers numerous scholarship opportunities, but scholarships are not required to participate in the program. AFROTC offers a variety of one- to four-year scholarships valued up to 100% annual tuition, along with a nontaxable monthly stipend. Air Force ROTC is offered on the campuses of the University of Southern California, California State University-San Bernardino, and Harvey Mudd College. You do not need to be a student of any of these colleges to get involved. For more information contact the Department of Aerospace Studies at (213) 740-2670 or visit www.usc.edu/afrotc/. No military commitment is incurred until entering the junior year of the program or receipt of a scholarship after freshman year.

Regarding These Programs
For more information, contact the Loyola Marymount University Department of Aerospace Studies (AFROTC) at (310) 338-2770. Other AFROTC detachments are located at: University of California, Los Angeles, (310) 825-1742; University of Southern California, (213) 740-2670; San Diego State University, (619) 594-5545; and California State University, San Bernardino (909) 537-5440.

SPECIAL SUPPORTIVE SERVICES

Disabled Student Services
The colleges of Riverside Community College District offer a comprehensive program of support services to students with a documented disability. Students who have an acquired brain injury, physical disabilities, hearing impairments, learning disabilities, developmental disabilities, psychological disabilities, other health impairments, and temporary disabilities are eligible for the services which are provided according to individual need. For more information contact (951) 571-6138.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)
Moreno Valley College adheres to the policies of the Family Educational Rights and Privacy Act (FERPA) when establishing and maintaining education records. Although the college applies the provisions of FERPA in a strict manner, the law allows the college to release student directory information. MVC, based on FERPA regulations, designates as directory information the following: student’s name, address, telephone listing, e-mail, major field of study, dates of
The right to inspect and review the student's education records include:
certain rights with respect to their education records. These rights
are defined in Section 152 of the Internal Revenue Code of 1986. Refer
to www.rccd.edu/pages/ferpa for more information.

The Family Education Right and Privacy Act (FERPA) affords students
certain rights with respect to their education records. These rights
include:

1. The right to inspect and review the student’s education records
within 45 days of the date RCCD receives a request for access.
Copies are not provided if the student has an outstanding
financial or other hold on the records. The District may
assess a charge pursuant to Board Policy Regulation 3300 for
furnishing copies of any education record. Students should
submit to the Admissions and Records, dean, head of the
academic department, or other appropriate official, written
requests that identify the record(s) they wish to inspect. The
RCCD official will make arrangements for access and notify
the student of the time and place where the records may be
inspected. If the records are not maintained by the RCCD
official to whom the request was submitted, that official shall
advise the student of the correct official to whom the request
should be addressed.

2. The right to request the amendment of the student’s education
records that the student believes are inaccurate or misleading.
Students may ask RCCD to amend records that they believe
are inaccurate or misleading. They should write the RCCD
official responsible for the record, clearly identify the part
of the record they want to change, and specify why it is
inaccurate or misleading. If RCCD decides not to amend
the record as requested by the student, RCCD will notify
the student of the decision and advise the student of his or
her right to a hearing regarding the request for amendment.
Additional information regarding the hearing procedure will
be provided to the student when notified of the right to a
hearing.

3. The right to consent to disclosures of personally identifiable
information contained in the student’s education records,
except to the extent that FERPA authorized disclosure without
consent. One exception which permits disclosure without
consent is disclosure to college officials with legitimate
educational interests. A college official is a person employed
by RCCD in an administrative, supervisory, academic or
research, or support staff position (including law enforcement
unit personnel and health staff); a person or company with
whom RCCD has contracted (such as an attorney, auditor,
collection agent or agents or organizations conducting studies
on behalf of the college); a person serving on the Board of
Trustees; or a student serving on an official committee, such
as a disciplinary or grievance committee, or assisting another
college official in performing his or her tasks. A college
official has a legitimate educational interest if the official
needs to review an educational record in order to fulfill his
or her professional responsibility. Upon request, RCCD
discloses education records without consent to officials of
another school in which a student seeks or intends to enroll.

4. The right to file a complaint with the U.S. Department of
Education concerning alleged failures by RCCD to comply
with the requirements of FERPA.

The Riverside Community College District is dedicated to maintaining
the absolute integrity of all student records as well as protecting the
student’s rights of access to those records. To this end, Administrative
Regulations for granting of requests to inspect and review records are
detailed in Board Policy 5040.

It is the responsibility of the student to advise the Admissions and
Records Office of any change in address or telephone number. Change
of information forms are also available at www.mvc.edu.

REPEAT POLICY
Course Repetition in a Non-Repeatable Course
Title 5 Sections 55040-55046, 55253 and 56029
Education Code Section 76224

When a student repeats a course that is not designated as repeatable
and receives a satisfactory grade, then the student may not repeat the
course again unless there is another provision that allows the repetition.

When a student repeats a course to alleviate substandard academic
work, the previous grade and credit may be disregarded in the
computation of grade point averages as long as the student is not
allowed additional repetitions for more than three semesters or five
quarters.

A. Students may repeat courses under the following circumstances:

1. The student is repeating the course to alleviate substandard
work which has been recorded on the student’s record.
   a. The term substandard is defined as course work
      for which the evaluative grading symbol “D,” “F,”
      “FW,” or “NP” has been recorded.
   b. A student is limited to a maximum of three (3)
      allowable attempts per course including any
      combination of withdrawals (W’s) or substandard
      grades.
   c. A “Request for Course Repetition”* is required for
      any exceptions to “b” above.

2. The student’s previous grade is, at least in part, the result of
   extenuating circumstances.
   a. Extenuating circumstances are verified cases of
      accidents, illness, or other circumstances beyond
      the control of the student. *
3. There has been a lapse of time (at least 5 years) since the student previously took the course. (See Significant Lapse of Time section)

4. The course outline of record has been officially changed and demonstrates significant curricular changes.*

5. Repetition of courses where substandard work has not been recorded shall be permitted when such repetition is necessary for a student to meet a legally mandated training requirement as a condition of continued paid or volunteer employment.

Such courses may be repeated for credit any number of times, regardless of whether or not substandard work was previously recorded, and the grade received each time shall be included for purposes of calculating the student’s grade point average.

B. The following conditions apply:

1. When course repetition occurs at RCCD, the permanent academic records will be annotated in such a manner that all work remains legible, ensuring a true and complete academic history. Courses repeated will be indicated on the permanent record by using an appropriate symbol. In all instances, the most recent grade earned will be used to compute an adjusted grade point average.

2. For courses taken or repeated at another accredited college or university, the most recent grade earned in the repeated will be used to compute an adjusted cumulative grade point average (GPA). The adjusted cumulative GPA will be used in determining eligibility for the cumulative GPA requirement for the Associate in Arts degree, Associate in Science degree and occupational certificates.

3. Students may repeat any course, which was taken at an accredited college or university and for which substandard academic performance was recorded.

4. Courses taken at other accredited colleges or universities for which substandard academic performance was recorded may be repeated.

5. The District will honor similar, prior course repetition action by other accredited colleges and universities.

Nothing in these Procedures can conflict with Education Code Section 76224 pertaining to the finality of grades assigned by instructors or with Title 5 or District procedures relating to retention and destruction of records.

* A Request for Course Repetition must be completed and can be obtained in Admissions office and the Dean of Instruction office at any college. Requests are approved or denied by the Dean of Instruction, or designee.

**Significant Lapse of Time**

Students may be permitted to repeat courses in which a “C” or better grade was earned where there was a significant lapse of time of five (5) or more years since the grade was obtained.

Students are required to repeat courses in which a “C” or better grade was earned where there was a significant lapse of time since the grade was obtained if:

- The District has established a recency prerequisite for a course or program; or
- An institution of higher education to which a student wishes to transfer has established a recency requirement that the student cannot satisfy without repeating the course.

When a student needs to repeat an activity course due to a significant lapse of time, each repetition attempt will be counted toward the established repetition limits. However, if a student has already exhausted the number of permitted repetitions, then an additional repetition due to significant lapse of time may be permitted or required by the District.

When a course is repeated due to a significant lapse of time, the District will disregard the previous grade and credit when computing a student’s grade point average.

**Course Repetition in a Repeatable Course**

Students may repeat courses in which a “C” or better grade was earned.

The following conditions apply to course repetition in repeatable courses:

1. Repeatable activity and performance classes may be taken up to a total of four (4) times.

2. Repeatable courses are identified in the college catalog.

3. All grades and units will be used in the computation of the grade point average and earned units, with the following exceptions:

   a. When a repeatable course is taken and a substandard grade earned, the course may be taken one time with the most recent grade used in the computation of the grade point average.

   b. Grades from other repeats will be used in the computation of the grade point average.

Students are allowed to repeat a course without petition when repetition is necessary to enable that student to meet a legally mandated training requirement as a condition of volunteer or paid employment. Students can repeat such courses any number of times, even if they received a grade of “C” or better; however, the grade received by the student each time will be included in calculations of the student’s grade point average.

Students may repeat activity courses that have been designated as activity courses and where it is found that the course content differs each time it is offered to enhance the skills and proficiencies of the student. Examples of activity courses include physical education, music, fine arts, theater, and dance.Absent substandard academic work, courses may not be repeated for more than three times.

Students with disabilities can repeat a special class for students with disabilities any number of times when an individualized determination verifies that such repetition is required as a disability-related accommodation.

Students are allowed to repeat a cooperative work experience course if a college only offers one course in cooperative work experience. Where only one work experience course is offered, students may be permitted to repeat this course any number of times as long as they do not exceed the limits on the number of units of cooperative work experience set forth in Title 5, Section 55253(a).

After a student has attempted a course four (4) times and in instances where a student is permitted to repeat a course any number of times, the student will be required to register for the course, in person, at the Admissions and Records office of any campus.
COMMITMENT TO DIVERSITY, NONDISCRIMINATION AND PROHIBITION OF HARASSMENT AND RETALIATION POLICIES
Board Policy 7100 Commitment to Diversity
Board Policy 3410 Nondiscrimination
Board Policy 3430 Prohibition of Harassment and Retaliation

A complete copy of the Board Policies cited can be found at www.rccd.edu/administration/board or www.rccd.edu/administration/human.resources, or by calling (951) 222-8039.

COMMITMENT TO DIVERSITY
Riverside Community College District is committed to building a diverse and accessible environment that fosters intellectual and social advancement. All District programs and activities seek to affirm pluralism of beliefs and opinions, including diversity of religion, gender, ethnicity, race, sexual orientation, disability, age and socioeconomic class. Diversity is encouraged and welcomed because RCCD recognizes that our differences as well as our commonalities promote integrity and resilience that prepares our students for the evolving and changing community we serve.

NONDISCRIMINATION
The Riverside Community College District Board of Trustees has adopted policies and procedures that comply with Federal and State laws relating to prohibition of discrimination and/or harassment on the basis of an actual, perceived or association with others: disability, sex/gender, nationality, race or ethnicity, age (40+), religion, sexual orientation, marital status, Vietnam Veteran status or any characteristic listed or defined in Section 11135 of the Government Code or any characteristic that is contained in the prohibition of hate crimes set forth in subdivision (a) of Section 422.6 or the Penal Code.

PROHIBITION OF HARASSMENT AND RETALIATION
All forms of harassment are contrary to basic standards of conduct between individuals and are prohibited by state and federal law, as well as this policy, and will not be tolerated. The District is committed to providing an academic and work environment that respects the dignity of individuals and groups. The District shall be free of sexual harassment and all forms of sexual intimidation and exploitation. It shall also be free of other unlawful harassment, including that which is based on actual or perceived disability, sex/gender, nationality, race or ethnicity, religion, sexual orientation, age, or any characteristic listed or defined in Section 11335 of the government code or any characteristic that is contained in the prohibition of hate crimes set forth in subdivision (a) of Section 422.6 of the Penal Code.

This policy applies to all aspects of the academic environment, including but not limited to classroom conditions, grades, academic standing, employment opportunities, scholarships, recommendations, disciplinary actions, and participation in any community college activity.

The District seeks to foster an environment in which all employees and students feel free to report incidents of harassment without fear of retaliation or reprisal. Retaliation may involve, but is not limited to, the making of reprisals or threats of reprisals, intimidation, coercion, discrimination or harassment following the initiation of an informal or formal complaint. Such conduct is illegal and constitutes a violation of this policy.

COMPROMETIDOS A LA DIVERSIDAD
El Colegio Comunitario del Distrito de Riverside está comprometido a promover un ambiente accesible y diverso que fomente un avance intelectual y social. Todos los programas y actividades del Distrito buscan afirmar el pluralismo de las creencias y opiniones, incluyendo diversidad en la religión, género, origen étnico, raza, orientación sexual, discapacidades, edad y estado socio-económico. Alentamos y acogemos la diversidad porque RCCD reconoce que nuestras diferencias al igual que nuestras similitudes promueven la integridad y la fortaleza que prepara a nuestros estudiantes para evolucionar y cambiar la comunidad que servimos.

NO DISCRIMINACIÓN
El Consejo Directivo del Colegio Comunitario del Distrito de Riverside ha adoptado las políticas y los procedimientos que cumplen con las leyes federales y estatales relacionadas a la prohibición de discriminación y/o de acoso basados en algo real, percibido, o asociado con: discapacidad, sexo/género, nacionalidad, raza, origen étnico, edad (40+), religión, orientación sexual, estado civil, estado de Veterano de Vietnam, o cualquier característica enumerada o definida en la Sección 11135 del Código de Gobierno o una característica que esté contenida en la prohibición de crímenes de odio establecida en la subdivisión (a) de la Sección 422.6 del Código Penal.

PROHIBICIÓN DE ACOSO Y REPRISALAS
Todas las formas de acoso están en contra del nivel básico de conducta entre los individuos y están prohibidas por la ley federal y del estado, al igual que esta política, y no serán toleradas. El Distrito está comprometido a proveer un ambiente académico y de trabajo que respete la dignidad de los individuos y grupos. El Distrito estará libre de acoso sexual y de toda forma de intimidación y explotación sexual. También estará libre de cualquier otro acoso ilegal, incluyendo aquel que esté basado en percepción o real discapacidad, sexo/género, nacionalidad, raza, origen étnico, religión, orientación sexual, edad, o alguna característica enumerada o definida en la Sección 11135 del Código de Gobierno o cualquier característica que esté contenida en la prohibición de crímenes de odio establecida en la subdivisión (a) de la Sección 422.6 del Código Penal.

Esta política se aplica a todos los aspectos del ambiente académico, incluido pero no limitado a las reglas del aula, grado, estado académico, oportunidades de empleo, becas, recomendaciones, acciones disciplinarias y la participación en cualquier actividad en un colegio comunitario.

El Distrito busca fomentar un ambiente en el cual todos los empleados y estudiantes se sientan libres de denunciar incidentes de acoso sin miedo a amenazas o represalias. Las represalias pueden involucrar pero no están limitadas a hacer represalias o amenazas de las mismas, intimidación, coerción, discriminación o acoso seguido por el inicio
Therefore, the District also strictly prohibits retaliation against any individual for filing a complaint, who refers a matter for investigation or complaint, who participates in an investigation, who represents or serves as an advocate for an alleged victim or alleged offender, or who otherwise furthers the principles of unlawful discrimination or harassment.

FILING A COMPLAINT

This is a summary of your right to file an informal or formal complaint of discrimination or sexual harassment. This is only a summary. Please see Board Policies and Administrative procedures BP/AP3410 and BP/AP3430, and AP3435 for the complete District procedure.

INFORMAL/FORMAL COMPLAINT PROCEDURE:

• You have the right to request that the charges be resolved informally, at which time the District will undertake efforts to informally resolve the charges.
• You do not need to participate in informal resolution.
• You have the right to file a formal complaint, even if you have previously requested informal resolution (see below for the procedure for doing so).
• You will not be required to confront or work out problems with the person accused of unlawful discrimination.
• You may file a non-employment-based complaint with the U.S. Department of Education Office for Civil Rights (OCR) where such a complaint is within that agency’s jurisdiction.
• If your complaint is employment-related, you may file a complaint with the U.S. Equal Employment Opportunity Commission (EEOC) and/or the California Department of Fair Employment and Housing (DFEH) where such a complaint is within that agency’s jurisdiction.
• Retaliation is unlawful. If you feel you are being retaliated against as a result of filing a complaint, please contact the RCCD Diversity and Human Resources Department immediately.

PURPOSE OF THE INFORMAL RESOLUTION PROCESS:

The purpose of the informal resolution process is to allow an individual who believes she/he has been unlawfully discriminated against to resolve the issue through a mediation process rather than the formal complaint process. Typically, the informal process will be invoked when there is a simple misunderstanding or you do not wish to file a formal complaint. Resolution of an informal complaint may require nothing more than a clarification of the misunderstanding or an apology from the alleged offender and an assurance that the offending behavior will cease. You will be notified of the outcome of the investigation in the informal process, and will also be notified of the resolution proposed by the District.

If you pursue the informal process, you should note the following important points:
• You will need to sign a document which indicates that you have selected the informal resolution process.
• The District will complete its investigation within the time period required by Board Policy unless you voluntarily rescind your complaint prior to completion.

Selecting the informal resolution process does not prevent you from later deciding to file a formal complaint (subject to all of the rules for filing a formal complaint). You can do this while the informal process de una queja formal o informal. Tal conducta es ilegal y constituye la violación de esta política.

Por lo tanto, el Distrito también prohíbe estrictamente las represalias en contra de cualquier individuo por haber presentado una queja, quien remite un asunto o, queja para ser investigado, quien participe en una investigación, quien represente o defienda a una presunta víctima o un presunto delincuente, o de quien promueva los principios de discriminación ilegal o acoso.

PRESENTAR UNA QUEJA

Este es un resumen del derecho que usted tiene a presentar una queja formal de discriminación o de acoso sexual. Este es sólo un resumen. Por favor vea la Política de la Junta Directiva Escolar y los Procedimientos Administrativos BP/AP 3410 y BP/AP 3430, y AP 3435 para el procedimiento completo del Distrito.

PROCEDIMIENTO PARA UNA QUEJA FORMAL/INFORMAL:

• Usted tiene derecho a solicitar que los cargos sean resueltos informalmente, durante este tiempo, el Distrito se encargará de hacer lo necesario para solucionar los cargos informalmente.
• Usted no necesita participar en una resolución informal.
• Usted tiene derecho a presentar una queja formal, aún en el caso que anteriormente haya solicitado una resolución informal (mire la parte posterior para el procedimiento a seguir en este caso).
• A usted no se le pedirá que confronte o que trate de resolver los problemas con la persona acusada de discriminación ilícita.
• Usted puede presentar una queja que no esté relacionada con el empleo en la Oficina del Departamento de Educación de los Estados Unidos para los Derechos Civiles (OCR, por sus siglas en inglés) siempre y cuando dicha queja esté dentro de la jurisdicción de esa agencia.
• Si su queja está relacionada con el empleo, usted puede presentar una queja en la Comisión de Igualdad en Oportunidad de Empleo de los Estados Unidos (EEOC, por sus siglas en inglés) y/o al Departamento de Igualdad en el Empleo y la Vivienda (DFEH, por sus siglas en inglés) siempre y cuando dicha queja esté dentro de la jurisdicción de esa agencia.
• Las represalias están prohibidas por la ley. Si usted cree que hay represalias en su contra como resultado de haber presentado una queja, por favor póngase en contacto con el Departamento de Diversidad y Recursos Humanos de RCCD.

EL PROPOSITO DE LA RESOLUCIÓN INFORMAL:

El propósito del proceso en una resolución informal es permitir que un individuo, el cual cree ha sido ilícitamente discriminado en contra, pueda resolver la situación por medio de un proceso de mediación en lugar de un proceso de queja formal. Típicamente, el proceso informal será invocado cuando haya un simple malentendido, o usted no desee presentar una queja formal. La resolución de una queja informal puede que no requiera más que una aclaración del malentendido o una disculpa por parte del supuesto ofensor y una afirmación de que la conducta ofensiva cesará. Usted será notificado acerca del resultado de la investigación del proceso informal, y también será notificado de la resolución propuesta por el Distrito.

Si usted da seguimiento al proceso informal, deberá tomar en cuenta los siguientes puntos importantes:
• Usted necesitará firmar un documento el cual indique que usted ha elegido el proceso de la resolución informal.
is still underway, or if the informal process has been completed and you are not satisfied with the outcome of the District’s proposed resolution, provided that the time period for filing a formal complaint has not passed.

**HOW TO FILE A FORMAL COMPLAINT:**

- The complaint must be filed on a form prescribed by the State Chancellor’s Office. That form is available at www.rccd.edu/administration/board/policies.cfm, www.rccd.edu/administration/hr/dec.cfm, from the Diversity and Human Resources Department, or on the State Chancellor’s Web page at www.ccccco.edu.
- The complaint must allege unlawful discrimination prohibited under Title 5, Section 59300.
- The complaint must be filed by one who alleges that she/he has personally suffered unlawful discrimination or by one who has learned of such unlawful discrimination in her/his official capacity as a faculty member or administrator.
- In any complaint not involving employment, the complaint must be filed within one year of the date of the alleged unlawful discrimination or within one year of the date on which you knew or should have known of the facts underlying the specific incident or incidents of alleged unlawful discrimination.
- In any complaint alleging discrimination in employment, the complaint shall be filed within 180 days of the date the alleged unlawful discrimination occurred, except that this period will be extended by no more than 90 days following the expiration of that 180 days if you first obtained knowledge of the facts of the alleged violation after the expiration of 180 days.
- You can file a complaint with the:
  
  Director  
  Diversity, Equity and Compliance  
  Riverside Community College District  
  450 E. Alessandro Blvd.  
  Riverside, CA 92508-2449  
  (951) 222-8039  
  www.rccd.edu  

or with the:

  Legal Affairs Division  
  Office of the Chancellor  
  California Community Colleges  
  1102 Q Street  
  Sacramento, CA 95811-6549  

**WHAT HAPPENS WHEN A FORMAL COMPLAINT IS FILED?**

The District will then conduct an investigation. Within 90 days of receiving an unlawful discrimination complaint filed under Title 5, Sections 59300 et seq., the District will complete the investigation and forward a copy of the investigative report, or a summary, to you along with a notice of your right to appeal to the District Board of Trustees and the State Chancellor’s Office. The investigative report, or summary, is the District’s Administrative Determination.

**COMPLAINANT’S APPEAL RIGHTS**

You, as the complainant, have appeal rights that you may exercise if you are not satisfied with the results of the District’s Administrative Determination.

- El Distrito completará su investigación en el período de tiempo requerido por la política de la Junta Directiva Escolar, a menos que usted voluntariamente rescinda da su queja antes de ser terminada la investigación.

El seleccionar el proceso de resolución informal, no le impide a usted el poder tomar la decisión de presentar una queja formal posteriormente (sujeto a todas las reglas para presentar una queja formal). Usted puede hacer esto mientras el proceso informal esté en curso, o si el proceso informal ha sido completado y usted no está satisfecho con el resultado o la resolución propuesta por el Distrito, siempre y cuando que el período de tiempo para presentar una queja formal no haya terminado.

**COMO PRESENTAR UNA QUEJA FORMAL:**

- La queja debe ser presentada utilizando el formulario indicado por la oficina del Rector del Estado. El formulario está disponible en www.rccd.edu/administration/board/policies.cfm, www.rccd.edu/administration/hr/dec.cfm, en la oficina de Diversidad y Recursos Humanos, o en la página de internet del Rector del Estado en www.ccccco.edu.
- Le queja debe declarar discriminación ilícita bajo el Título 5, sección 59300.
- Le queja debe de ser presentada por la persona que declara que él/ella ha sufrido personalmente discriminación ilícita o por aquella persona que se ha enterado de tal discriminación ilícita en su función oficial como miembro de la facultad o administrador.
- En cualquier queja que no involucre un empleo, la queja deberá ser presentada en el espacio de un año a partir de la fecha de la presunta discriminación ilícita o en el espacio de un año a partir de la fecha en la cual usted se enteró o debió haberse enterado de los hechos que fundamentan el incidente específico o los incidentes de la presunta discriminación ilícita.
- En situaciones en que la queja confirme discriminación en el empleo, la queja deberá ser presentada en de 180 días a partir de la fecha en que la presunta discriminación ilícita ocurrió, con la excepción de que este periodo será extendido por no más de 90 días seguido a la fecha de expiración de los 180 días, si usted se enteró de los hechos de la supuesta discriminación después de la fecha de expiración de los 180 días.
- Usted puede presentar una queja con el:

  Director  
  Diversity, Equity and Compliance  
  Riverside Community College District  
  450 E. Alessandro Blvd.  
  Riverside, CA 92508-2449  
  (951) 222-8039  
  www.rccd.edu  

o con:

  Legal Affairs Division  
  Office of the Chancellor  
  California Community Colleges  
  1102 Q Street  
  Sacramento, CA 95811-6549
Determination. At the time the investigative report and/or summary is mailed to you, the responsible District officer or her/his designee will notify you of your appeal rights as follows:

ALL APPEALS MUST BE IN WRITING

(E-mail is not a satisfactory method.)
First Level of Appeal: You have the right to file an appeal with the District’s Board of Trustees within fifteen (15) calendar days from the date of the Administrative Determination. The District’s Board of Trustees will review the original complaint, the Administrative Determination, and the appeal.

In order to appeal to the District’s Board of Trustees, please send a written request within the required time period to the attention of:

District Board of Trustees
c/o Diversity, Equity and Compliance
Riverside Community College District
450 E. Alessandro Blvd.
Riverside, CA 92508-2449

The District’s Board of Trustees will issue a final District decision in the matter within forty-five (45) calendar days after receiving the appeal. Alternatively, the District’s Board of Trustees may elect to take no action within forty-five (45) calendar days, in which case the Administrative Determination will be deemed to be affirmed and shall become the final District decision in the matter. A copy of the final decision rendered by the District’s Board of Trustees will be forwarded to you and to the State Chancellor’s Office.

Second Level of Appeal: You have the right to file an appeal with the California Community Colleges Chancellor’s Office in any case not involving employment-related discrimination within thirty (30) calendar days from the date that the District’s Board of Trustees issues the final District decision or permits the Administration Determination to become final by taking no action within forty-five (45) calendar days. The appeal must be accompanied by a copy of the decision of the District Board of Trustees or evidence showing the date on which complainant filed an appeal with the District Board of Trustees within forty-five (45) calendar days from that date.

In any case involving employment-related discrimination, you have the right to file an appeal with the Department of Fair Employment and Housing (DFEH) or the U.S. Equal Employment Opportunity Commission (OCR).

¿QUÉ SUCEDIÓ CUANDO SE PRESENTA UNA QUEJA FORMAL?

El Distrito entonces conducirá una investigación. Después de 90 días de haber recibido la queja de la presunta discriminación bajo el Título 5, secciones 59300 et seq., el Distrito completará la investigación y le enviará a usted una copia del reporte de la investigación, o un resumen del mismo, junto con la notificación de su derecho a apelar la decisión ante la Junta Directiva Escolar del Distrito y la oficina del Rector del Estado. Este reporte de investigación es la Determinación Administrativa del Distrito.

DERECHOS DE APELACIÓN DE LA PERSONA AFECTADA

Usted, como persona demandante, tiene derechos que puede ejercer para apelar si no está satisfecho con los resultados de la Determinación Administrativa del Distrito. En el momento en que el reporte de investigación y/o el resumen le sea enviado a usted por correo, el oficial responsable del Distrito y/o su designado/a le notificará a usted acerca de los derechos que tiene para solicitar una apelación de la siguiente manera:

TODAS LAS APELACIONES DEBERÁN SER HECHAS POR ESCRITO

(El correo electrónico no es un método satisfactorio.)

Primer Nivel de Apelación: Usted tiene el derecho de solicitar una apelación a los Miembros de la Junta Directiva Escolar en el espacio de 15 días o a partir de la fecha en que la Determinación Administrativa fue hecha. Los Miembros de la Junta Directiva Escolar revisarán la queja original, la Determinación Administrativa y la apelación.

Por favor envíe una petición por escrito para solicitar una apelación a los Miembros de la Junta Directiva Escolar en el período de tiempo indicado, dirigido a:

District Board of Trustees
c/o Diversity, Equity and Compliance
Riverside Community College District
450 E. Alessandro Blvd.
Riverside, CA 92508-2449

Los miembros de la Junta Directiva Escolar darán una decisión final del Distrito acerca del asunto dentro de 45 días después de haber recibido la apelación. Alternativamente, los Miembros de la Junta Directiva Escolar pueden elegir no tomar ninguna acción en el espacio de 45 días, en este caso la decisión original en cuanto a la Determinación Administrativa será considerada afirmativa y será la decisión final del Distrito en este asunto. Usted recibirá una copia de la decisión final hecha por los Miembros de la Junta Directiva Escolar del Distrito y otra copia será enviada a la oficina del Rector del Estado.

Segundo Nivel de Apelación: Usted tiene el derecho de solicitar una apelación a la oficina del Rector de Colegios Comunitarios de California en cualquier caso que no involucre discriminación relacionada con el empleo, en el espacio de 30 días o a partir de la fecha en que los Miembros de la Junta Directiva Escolar dictaminen la Decisión final del Distrito o permitan que la Determinación Administrativa sea la Decisión final al no tomar ninguna acción el espacio de 45 días. La apelación debe ser acompañada de una copia de la decisión de los Miembros de la Junta Directiva Escolar del Distrito o evidencia que muestre la fecha en que el demandante solicitó una
apelación a la Junta Directiva Escolar del Distrito en el espacio de 45 días a partir de esa fecha.

En cualquier caso que involucre discriminación con el empleo, usted tiene derecho a solicitar una apelación en el Departamento de Igualdad de Empleo y Vivienda o la Comisión de los Estados Unidos para Oportunidad de Igualdad en el Empleo.
