Welcome to Riverside Community College

Welcome to Riverside Community College.

It is a pleasure to welcome you to the fall 2006 semester at Riverside Community College. Whether you are attending classes at one of our three campuses, splitting your schedule between two or more campuses or taking online classes, I know that you will have one of the best education experiences of your life.

For 90 years, RCCD has grown with our communities, first on the Riverside City College campus, and for the past 15 years in the cities of Norco and Moreno Valley. Our faculty is among the finest I have known, its members both highly qualified and dedicated.

At RCC, you can expect to be challenged academically by a rigorous liberal arts and science curriculum that prepares you to earn your associate degree, transfer to a four-year college or university or secure a career certificate that will serve as an entry into the workplace. Our campuses also offer specialty programs geared toward their business communities: health, human and public service at Moreno Valley; engineering, technology, logistics and manufacturing at Norco; and, nursing, business, applied technology, and performing and media arts at Riverside.

Through Open Campus and such programs as the Weekend College, RCC also offers non-traditional and adult learners a convenient, flexible way to pursue a college education or job and career advancement. In addition, all of our campuses offer a variety of extracurricular activities and Student Services staff provides critical support services such as financial aid, educational counseling, tutoring, disabled student services, and career planning.

Once you step into an RCC classroom or login online, I am confident that you will agree that Riverside Community College is one of the finest two-year institutions of higher education in the country. On behalf of the Board of Trustees, faculty, and staff I wish you success in your academic endeavors.

Salvatore G. Rotella
Chancellor

Mission Statement

The Riverside Community College District is an accessible, comprehensive community college committed to providing an affordable post-secondary education, including student services and community services, to a diverse student body. The District provides transfer programs paralleling the first two years of university offerings, pre-professional, career preparation, occupational and technical programs leading to the associate of arts degree, the associate of science degree, and a variety of certificates. In the tradition of general education, the liberal arts and sciences and the occupational and technical programs and courses prepare students for intellectual and cultural awareness, critical and independent thought, and self-reliance. Consistent with its responsibility to assist those who can benefit from post-secondary education, the District provides pre-college, tutorial and supplemental instruction for under-prepared students. The District works in a partnership with other educational institutions, business, industry and community groups to enhance the quality of life and the internal harmony of the communities it serves. The District serves Western Riverside County from three interrelated campuses in the cities of Riverside, Norco and Corona and Moreno Valley.

Step 2 – Apply for Financial Aid

Need Money for College?

The Riverside Community College District offers a variety of financial assistance programs for eligible students consisting of the following:

Grants - Financial assistance that is based on financial need and does not require repayment. Grants consist of the Federal Pell Grant, Federal Supplemental Educational Opportunity Grant, and the Cal-Grant. Completing the FAFSA on-line at www.fafsa.ed.gov is the basis of all the grants and loans listed below. The Cal-Grant application and FAFSA must be postmarked by March 2nd of each year in order to apply for the Cal Grant Program. So remember, apply early!

Board of Governors Fee Waiver (BOGW) - The Board of Governors Fee Waiver is a state sponsored program which waives enrollment fees and reduces parking fees to $20 for qualified students who are California residents. To apply for the BOGW, complete the FAFSA at www.fafsa.ed.gov and list RCC as a school choice using our Title IV code #001270. Eligibility for the BOGW is determined automatically when the Student Financial Services office receives information from the Department of Education after the FAFSA is completed. The BOGW is valid for the entire academic year beginning with summer and ending with the following spring semester. The BOGW does not pay for books, the student services or health fees, or additional class fees.

Student Employment - The Student Employment Program offers students the opportunity to earn additional funding through part-time employment. It also allows students to gain work experience and pay for a portion of their educational expenses. All positions require that students maintain half-time enrollment and a minimum 2.0 CGPA.

The program offers two types of employment through Student Financial Services: District and Federal Work Study (FWS).
• District Employment - These positions are available on each campus and do not require completion of the Free Application for Federal Student Aid (FAFSA). Earnings are paid from a department's budget.
• Federal Work Study (FWS) - FWS is one of several federal grants offered through financial aid. These positions are on and off campus throughout the district. In order to be considered for FWS, students must apply for and be eligible to receive Federal Financial Aid. Jobs are available on-campus as well as in the America Reads, America Counts, Community Service, and Literacy programs. Most positions through these programs are off-campus and funding is limited. Students are awarded based on need and funding.

Positions may be viewed at www.MonsterTrak.com making them available 24 hours a day, seven days a week. The school password to view available positions using this site is “RCC”. Salary ranges vary based on the job. You must have a valid social security card with the same name in which you register for classes, along with completing additional documentation before beginning employment. If you are interested in a Federal Work-Study or District position, please refer to our website at www.rcc.edu for more information.

Scholarships - The RCC Scholarship Brochure for continuing and transferring students is available during the fall semester and an application deadline in December. Scholarship criteria includes a variety of majors, GPA, club involvement, and financial need. Workshops to assist you in completing the scholarship application are available on all three campuses during the fall semester. Scholarship brochures are also available for high school seniors during the early spring semester. A list of scholarships available from outside sources and free internet scholarship search sites is also published throughout the year and is available on all three campuses and at the Student Financial Services web site at www.rcc.edu/studentfinancialservices/.

Loans - Riverside Community College District strives to help students reach their educational goal with the least amount of student loan debt possible.

Riverside Community College participates in the Federal Family Education Loan (FFEL) Program. We offer Subsidized and Unsubsidized educational loans throughout the academic year to help students achieve their career goals. FFEL loans must be repaid with interest and we encourage all students to exercise caution when borrowing any student educational loans. Federal Student Loans should be the last alternative to pay for a student’s education, so plan ahead when determining the amount you request to borrow. Loan amounts are based on grade level, unmet financial need, annual and aggregate loan limits, loan history and Satisfactory Academic Progress.

Student Financial Services Counseling/Outreach - If you would like assistance with any of these programs, apply for financial assistance, search for scholarships over the internet, or meet with our Student Financial Services Counselors, please visit our office located on the Riverside City Campus behind the Bradshaw Student Center.

Financial Aid Application Workshops - Workshops are available to assist you with the FAFSA application. Please refer to our web site at www.rcc.edu/studentfinancialservices/ for workshops dates, times, and locations.

For more information, please refer to the Consumer Guide available in our office or the Student Financial Services web site at www.rcc.edu/studentfinancialservices/
Step 1: You must have a current Admissions Application on file with the RCC Admissions Department. You can submit an Admissions Application on-line at www.rcc.edu. Make sure your correct social security number and e-mail address are listed on the application because, for the 2006/2007 academic year, all students are corresponded with via e-mail.

Step 2: Complete The Free Application for Federal Student Aid (FAFSA) on-line at www.fafsa.ed.gov. Be sure to add RCC (Title IV Code 001270) in Step 6 of the FAFSA application.

Step 3: After RCC receives your information from the U.S. Department of Education, we will notify you via e-mail requesting additional document(s) necessary to complete your file. Submit your document(s) to whichever campus you plan to attend.

Step 4: Your financial aid file will be reviewed for eligibility and you will be notified of the results via e-mail. Once you receive the e-mail notifying you of your award, you will then be able to go to WebAdvisor to view your awards on-line.

Important Facts...

Need help with your financial aid application? Stop by the Student Financial Services Counseling/Outreach Office located on the Riverside City campus behind the Cafeteria. Our friendly, helpful staff is available to help you!

Additional assistance is available in the form of on-campus and off-campus jobs, and scholarships. Check out our web site at www.rcc.edu/studentfinancialservices for more information.
Step 3 – Mail your Transcripts

Please provide official transcripts from any college or high school you have attended if you:

• Plan to earn a certificate
• Plan to earn an Associate degree
• Plan to transfer to another college or university
• Need to satisfy prerequisite requirements taken at another college or university
• Are not sure what you plan to do

Transcripts must be no more than 90 days/3 months old and in a sealed envelope from the institution.

Request one copy of your official transcript from each institution you have attended.

Mail transcripts to:
RCC Incoming Transcripts
4800 Magnolia Avenue
Riverside, CA  92506

You can check the status of incoming transcripts on WebAdvisor at www.rcc.edu

Step 4 – Test your skills through the Assessment Test

If you are a first time student you need to participate in the Assessment process if you:

• Plan to enroll in 6 or more units per semester
• Plan to earn an Associate degree
• Plan to earn a certificate
• Plan to transfer
• Are undecided about your goal

In addition, all students who need to validate a prerequisite for math, reading, English or ESL classes need to participate in the Assessment process.

Preparing for Assessment
To take an assessment a student must:

1. Complete an Application for Admission. If you apply online at www.rcc.edu, you will be cleared to take RCC’s placement test 24 hours after your application is submitted (not including weekends or holidays.)
2. Take RCC’s Placement Test.
3. Bring a current picture ID to the test. Students will NOT be permitted to take the placement test without a current picture ID.
   - The placement test is not timed, but typically takes 1½ to 2 hours to complete. Anyone who arrives before the closing time has approximately 1½ hours of lab time to complete as much of the test as possible.
   - To ensure a distraction free environment, children are not permitted in the Assessment Center.
   - Food or drink is not permitted in the Assessment Center.

During most months of the year, no appointment is necessary to take the placement test. However seating is limited to available computers and room capacity. It is also advisable to confirm lab hours before driving to the campus.

Information and Assessment hours are posted at:

www.rcc.edu
or by calling one of our assessment labs:

Moreno Valley: (951) 571-6492
Norco: (951) 372-7156
Riverside: (951) 222-8451

What should I do if I am a student with special needs?
If you believe you may need more time or have special needs (e.g. enlarged text, audio tapes, Braille tests or a reader), please contact the Assessment Center on your campus BEFORE you take the assessment test.
**Step 5 – Attend an RCC Orientation and Counseling Session**

**Orientation and Counseling**

Would you ever take a trip to an important destination without a map? You might, but your chances of getting lost are high. Orientation is your map to **College Success**.

New student orientations conducted by college counselors in a group setting are offered to all incoming students, and are required as part of the matriculation process. Orientation introduces students to the college experience in general. Whether you plan to complete a certificate, a degree, transfer, or take a course or two for self-improvement, orientation is designed to provide informative, yet practical advice.

Students should go to the earliest orientation session available to get necessary information and to gain an edge on class enrollments.

Once you complete your placement test, an appointment for your orientation/counseling session may be scheduled by calling the Counseling Center.

Step 6 – Register for Classes (Continued…)

It is your responsibility to ensure that you are officially registered in courses by the add deadline and that your fees are paid.

### Deadline Dates

Specific add deadlines are included with the class information in this schedule and on WebAdvisor at [www.rcc.edu](http://www.rcc.edu). Refund deadlines can be viewed/printed from the WebAdvisor Menu at [www.rcc.edu](http://www.rcc.edu). Click on View/Print My Active Classes. Other specific deadline dates for short-term classes are available on WebAdvisor and your Registration Receipt/Class Schedule.

### Dropping Classes

If a student must drop a course(s) before or after a class starts, it is the student’s responsibility to drop the class by turning in an ADD/DROP card to Admissions or by dropping the class on WebAdvisor or Phone Reg. Courses will not be added or dropped by mail. If using WebAdvisor, the student should print out the page that confirms that the class has been dropped from his/her class schedule. Instructors maintain the right to drop students for lack of attendance, beginning the first day of class and ending on the 75% date.

It is the student’s responsibility to drop classes. Failure to drop a class may result in a permanent “F” grade on your academic record and may still require payment. Do not rely on an instructor or others to drop you!

### Adding Closed Classes

Make sure to check the deadline to add classes!!

A class is closed beginning the first meeting day of that class or earlier if it is full. Classes may re-open if students drop or are dropped for non-payment. In order to add a closed class, you must receive permission from the instructor, which is given at his/her discretion. This is typically done by attending the first day of class. See [www.opencampus.com](http://www.opencampus.com) in order to add online classes.

When registering on WebAdvisor or Phone Reg, you will be asked to give your unique 4-digit authorization code which must be obtained from the instructor.

When registering in person, you must have an Add/Drop Card (available in Admissions and Student Services offices) with the instructor’s signature or an authorization sticker from the instructor. Fees are due at time of registration.

### Maximum Unit Load

The maximum units for students (see high school concurrent enrollment packet for specific high school policies) is 18 units for Fall/Spring and 8 units for Summer/Winter. Students will not be permitted to enroll in more units without authorization from a counselor. Any units above the maximum must be added in Admissions at an RCC campus. Students must have an Add Card signed by a counselor approving unit overload in order to add.
What fees will I need to pay?

Any fee may change without notice subject to changes issued by the State of California and/or changes in RCC Board policies.

- All students will be charged for registered classes and may receive a failing grade unless they drop themselves within deadlines. It is the student’s responsibility to verify that all classes have been added or dropped accordingly.
- Be sure that financial aid is processed prior to registration.
- All campuses are open weekdays and the Norco campus is generally open on weekends.

How do I pay?

1. WebAdvisor or Phone Reg (Visa or Master Card – credit card or ATM)
2. Mail or Drop Boxes (Check or Money Order)
   - Norco campus – inside and outside Student Services Building
   - Riverside campus – outside Admissions and on Fairfax Avenue at the Magnolia Avenue entrance
3. RCC Campuses (Cash, Visa, Master Card, Check, or Money Order)

Residency for Tuition Purposes

You are considered a California resident for tuition purposes if:

1. You verify physical presence one year and one day prior to the residency determination date (the first day of the semester you plan to attend.) The one year period begins when you are not only present in California but also have demonstrated clear intent to become a permanent resident of California.

2. You verify an intent to make California your permanent place of residence.

Students who do not meet these requirements will be classified as nonresidents and will be required to pay nonresident fees. Nonresident students pay both the $26 per unit enrollment fee and the $160 per unit nonresident tuition. International students also pay the (non-refundable) $19 per unit surcharge.

RCC exempts students from non-resident tuition who are members of the armed forces of the United States stationed in this state on active duty. A student who is a natural or adopted child, stepchild, or spouse who is a dependent of a member of the armed forces is also exempt from non-resident tuition.

Dependents of certain veterans are exempt from paying enrollment fees.

1. Any dependent eligible to receive assistance under Article 2 of chapter 4 of division 4 of the Military and Veterans Code
2. Any child of any veteran of the US military who has a service-connected disability, has been killed in service, or has died of a service-connected disability, where the Dept of Veterans Affairs determines the child eligible.
3. Any dependent, or surviving spouse who has not remarried, of any member of the CA National Guard who, in the line of duty, and while in the active service of the state, was killed, died of a disability resulting from an event while in active service of the state, or is permanently disabled as a result of an event that occurred while in the active service of the state.
4. Any undergraduate student who is a recipient of a Congressional Medal of Honor and who is under 27 years old, provided his/her income, including parental support, does not exceed the national poverty level and the parental recipient of the Medal of Honor was a CA resident at the time of his or her death.

Students who feel they are eligible for a fee exemption should contact the Dept of Veterans Affairs for more information.
Step 7 – Pay Enrollment Fees (Continued…)

AB540 Non-Resident Fee Waiver
A student who qualifies for the Non-Resident Fee Waiver will be exempt from paying the Out of State Tuition fee and will pay the $26 per unit enrollment fee. The qualifications for the waiver are stated below.

Any student other than a non-immigrant alien within the meaning of paragraph (15) of subsection (a) of Section 1101 of Title 8 of the United States Code, who meets all of the following requirements shall be exempt from paying nonresident tuition at Riverside Community College.

1. High school attendance in California for three or more years.
2. Graduation from a California high school or attainment of the equivalent thereof (equivalent considered GED or high school proficiency test) must be obtained in the state of California.

3. In the case of a person without lawful immigration status, the filing of an affidavit (available in the admissions office) stating that the student has filed an application to legalize his or her immigration status, or will file an application as soon as he or she is eligible to do so. Student information obtained in the implementation of this section is confidential. Students who are non-immigrants (for example, those who hold F (student) visas, B (visitor) visas, etc.) are not eligible for this exemption.

A student who meets the qualifications for the Non-Resident Fee Waiver is not a resident of the state of California until he or she meets physical presence and intent requirements as stated in the “Residence Classification for Tuition Purposes” section above. Therefore, students are not eligible for any federal or state supported financial aid such as the Board of Governors Waiver, etc. Please see Admissions and Records for the exemption request form. The Non-Resident Fee Waiver is available at the Admission and Records office.

**Parking @ RCC**

Listed below are some of the most frequently asked questions by students regarding the parking rules on campus. If your specific questions are not addressed, call 222-8521 or stop by the Safety & Police Parking Office located in Lot J. We are here to help you understand the rules you will have to follow should you choose to bring a motorized vehicle to campus.

**Q:** After I order and pay for my parking permit, when will I receive it?
**A:** Parking permits will be mailed within 5 days after payment (weekends and holidays excepted.) If needed, you may pick up a temporary permit at any Admissions office or pay at metered parking until your permit arrives in the mail.

**Q:** What are the hour permits are required?
**A:** Permits are required on all district property, Monday through Thursday from 7:00am-10:00pm, Friday 7:00am-4:00pm. RCC ENFORCES ALL OTHER RULES OF THE CALIFORNIA VEHICLE CODE (i.e., posted time zones, red curbs, handicap spaces, expired registration, etc) 24 HOURS A DAY, 7 DAYS A WEEK.

**Q:** If I paid for a parking permit, can I just park wherever I want, right?
**A:** No! Parking permits allow students to park on district property in student spaces. THEY DO NOT GUARANTEE A SPACE AND THE INABILITY TO LOCATE A LEGAL PARKING SPACE IS NOT A VALID JUSTIFICATION FOR THE VIOLATION OF DISTRICT PARKING REGULATIONS OR THE CALIFORNIA VEHICLE CODE. YOUR PARKING PERMIT MUST BE PROPERLY DISPLAYED IN PLAIN, FULL VIEW, AND NUMBERS CLEARLY VISIBLE, ACCORDING TO THE INSTRUCTIONS ON THE PERMIT.

**Q:** I only have a couple of classes a week. Can I just park in the neighborhood close to campus?
**A:** No! There is no parking available to students in the neighborhood adjacent to the campus. There are heavy fines for students doing so, and you subject your vehicle to being towed away at your expense.

**Q:** Where can I park on campus if I choose not to purchase a semester parking permit?
**A:** Each campus has a “Pay-By-Day” lot. These lots are useful to students that are only taking one or two classes a week.

**Q:** I ride a motorcycle. Do I have to purchase a parking permit?
**A:** Yes, if you plan to park on campus. Motorcycles are restricted to parking within designated spaces set aside on campus.

**Q:** Can I park in the short-term metered area on campus with my parking permit?
**A:** Only if you pay the required meter fee. YOUR PARKING PERMIT IS NOT VALID IN THIS AREA. There are no enforcement grace periods in the short term metered parking areas. These areas are constantly enforced during all semesters.

**Q:** What if I lose my permit, can I get another one?
**A:** No. Parking permits are personal property. You would not leave money lying around your unopened vehicle, and your parking permit should be treated the same way. If your vehicle is a convertible, or you are somehow prevented from locking your vehicle, visit Parking Services after you purchase your permit. We will help you in finding a solution.

**Q:** I got a parking citation, now what do I do?
**A:** No one enjoys getting a parking citation, but getting angry and rude will not make it go away. If you believe the citation was issued in error, you can contest the citation. Follow the directions on the back of the citation. You have twenty-one (21) calendar days from the date the citation was issued to do so. The appeal process is in accordance with California law.

**Q:** What happens if a citation is not paid?
**A:** If a citation is not paid or appealed within twenty-one (21) calendar days from the date it was issued, the citation is increased $8.00. Further failure to adjudicate the citation will ultimately result in a Department of Motor Vehicles tax lien to be placed on the registered owner of the vehicle in violation.

**Q:** Why is there never any parking on the Riverside campus?
**A:** The first few weeks of a new semester are always the busiest. Students are still registering, paying fees, adding and dropping classes and buying parking permits. Most of this can be alleviated by students registering on WebAdvisor or Tiger Talk, keeping Admissions & Records advised of any address changes, and paying for classes by mail. Find alternate transportation the first few weeks, i.e., walk, carpool with friends, take the bus, or ride a bicycle. Try searching for a parking space in the lower level of the Riverside Campus first. REMEMBER, YOU ARE RESPONSIBLE FOR FINDING LEGAL PARKING.

**College Safety & Police** offer a variety of safety and basic services to the college community, and are available 24 hours a day, 7 days a week. Services include campus patrol and investigations, vehicle lockout service and jump-starts. Also available is an escort service to walk you to your vehicle in the evening. Call 222-8171 to reach the Campus Police Dispatcher; this number will work for all three campuses. You can also dial ‘81 on the Riverside campus from any pay phone. On the Norco campus, contact Student Services, and at the Moreno Valley campus, use the button on the pay phone for Campus Police.

*If you need emergency assistance, you can contact Safety & Police anytime by dialing 911 or (9-911) from any phone on campus. At the Moreno Valley and Norco campuses, tell the Sheriff’s office to connect you to Riverside Community College Safety & Police.*
**Continue Taking Classes**

See Apply for Admission to determine if you are a continuing student. All continuing students will be assigned a new registration appointment date each term. If you are not a continuing student, you must submit a new Admissions Application in order to register again.

**Re-apply for Financial Aid**

The Free Application for Federal Student Aid (FAFSA) is available for the next academic year on January 2nd or the first day of the Winter Session. The priority filing date is March 2nd of each year.

If you are receiving a Board of Governors Waiver (BOGW), you must reapply each academic year, beginning with the Summer term.

**Moving on from RCC**

**Apply for Certificates and Diplomas**

In order to receive an associate degree or certificate, all RCC fees must be paid in full. You must file an application for an associate degree or certificate in the academic year (fall term 2006 through summer session 2007) in which you anticipate you will complete the requirements. There is a $5.00 diploma fee for each associate degree application. You may submit the certificate and associate applications at Admissions (Riverside campus) or Student Services (Norco and Moreno Valley campuses). You are encouraged to submit your application on or after October 1. The advantage for applying early in the academic year is that you will receive an official graduation check letter from the Evaluations/Graduation office which will detail your progress and any courses you may still need to complete your degree or certificate. Students planning to participate in the commencement ceremony on June 7, 2007 must file their degree or certificate applications by April 1, 2007. The last day to submit an application for the academic year is June 30. See the college catalog for further details and requirements.

**Order Transcripts**

(Now available online at www.rcc.edu)

Unofficial transcripts are available on WebAdvisor at www.rcc.edu for no fee or at any RCC campus for $1.

Official transcripts can be ordered on WebAdvisor at www.rcc.edu, by mail (printable forms available on our website), in Admissions (Riverside campus), or in the Student Service office (Moreno Valley and Norco campuses). Your first two official transcripts are free. Each additional official transcript is $3. For faster processing there is an additional optional $5 fee (available only at the Riverside and Norco campuses) for each transcript. All transcripts are mailed first class.

In order to receive a transcript, all RCC fees must be paid in full. At the end of each term, it may take 3-4 weeks before grades are processed and updated transcripts are mailed. Ordering transcripts on WebAdvisor will always be faster! For more information visit www.rcc.edu or call the Transcripts office on the Riverside campus at (951) 222-8603.

Only includes RCC coursework.

**Continue to see a Counselor**

Students should meet with a counselor during their first semester to develop a 2-year SEP (student educational plan).

It is advisable that students meet with a counselor once a semester to review their educational goals, because general education and lower division major requirements are always subject to change.

If you change your educational goal, it is important to see a counselor to obtain a revised SEP.

**Transfer to other Institutions**

Be sure to verify that courses transfer to your desired institution prior to taking the course. Information about transferring, including specific requirements for UC and CSU transfer, is available in the college Catalog, Student Handbook, at www.rcc.edu, in this Schedule of Classes, and in the Transfer/Career Center in the Admissions and Counseling building. You can contact the Transfer/Career Center at (951) 222-8446 with any questions.

Official transcripts must be submitted to your desired institution in order to transfer units.

#### Units Determination:

General Work Experience (not related to one of the occupational disciplines listed below) is 3 units only.

WHAT ARE ONLINE, HYBRID AND WEB-ENHANCED COURSES?

- **Online** courses are taken exclusively over the Internet—there are no on-campus meetings required.

- **Hybrid** courses meet both on-campus and online—think of them as traditional face-to-face courses where some of the on-campus class meetings are replaced with online assignments. In a hybrid course, you will attend meetings on-campus during the dates and times listed in this schedule of classes. Since the on-campus portion of hybrid classes could take place on any of our three campuses (Riverside, Norco or Moreno Valley), hybrid courses are listed according to the campus where the on-campus meetings take place. So, for example, if you’d like to take a hybrid course on the Norco campus, you’d look under the Norco campus section of this schedule.

- **Web-Enhanced** courses are traditional face-to-face classes that are augmented with course Web sites. Unlike hybrid courses, all web-enhanced class meetings take place on-campus. The course Web site is an extra value!

ARE YOU READY FOR ONLINE LEARNING?
To take an online, hybrid, or web-enhanced class, here are a few things to keep in mind:

- You should have regular access to a personal computer that is connected to the Internet. Not sure whether your computer measures up? At www.open-campus.com, click on "Help", then click “Requirements Help” (near the top left, under "Help Links").

- You should be familiar with basic computer operations: for example, using a word processing program, logging onto the Internet, using a browser, and sending e-mail.

- You should be self-disciplined and have strong study skills. It’s easier to fall behind in an online class.

- Lastly, you shouldn’t believe the myth that online or hybrid courses are “easier” than face-to-face courses. In fact, online courses cover the same material as face-to-face courses, and many students say that their online courses actually require more of their time than their face-to-face courses. **Set aside a few minutes and take the Open Campus Distance Learning quiz below to help you decide.**

WHAT'S AN ONLINE COURSE LIKE?
Sample an online course—go to www.opencampus.com and click on "Help". Under “Quick Links”, click on "Sample Class". Use the information provided to log-in.

This Web site provides:
- computer settings and requirements
- information about registration
- login information
- student and faculty help files
- course syllabi and textbook information
- the Online Course Sample Class

If you've visited our Web site and still have questions, please call the Open Campus Help Line at (951) 222-8748.

ARE OPEN CAMPUS DISTANCE LEARNING COURSES FOR ME?

1. HOLDING WEEKLY CLASS MEETINGS FACE-TO-FACE IS:
   a. Not particularly necessary for me.

   a. Often gets things done ahead of time.
   b. Needs reminding to get things done on time.
   c. Puts things off until the last minute or doesn’t complete them.

3. WHEN AN INSTRUCTOR HANDS OUT DIRECTIONS FOR ASSIGNMENTS, I PREFER:
   a. Figuring out the instructions myself.
   b. Trying to follow the directions on my own, then asking for help as needed.
   c. Having the instructions explained to me.

4. CONSIDERING MY PROFESSIONAL AND PERSONAL SCHEDULE, THE AMOUNT OF TIME I HAVE TO WORK ON A DISTANCE LEARNING COURSE IS:
   a. More than enough time for an on-campus course.
   b. The same as for a class on-campus.
   c. Less than for a class on-campus.

5. AS A READER, I WOULD CLASSIFY MYSELF AS:
   a. Good - I have no problem understanding textbook material.
   b. Average - I sometimes need help to understand the text.
   c. Slower than average.

6. COMMUTING TO CAMPUS ON A REGULAR WEEKLY SCHEDULE IS:
   a. Extremely difficult for me - I have commitments.
   b. A little difficult, but I can rearrange my priorities for regular attendance on campus.
   c. Easy for me.

   a. I am comfortable approaching the instructor.
   b. I am uncomfortable approaching the instructor, but I do it anyway.
   c. I never approach an instructor to admit I don’t understand something.

SCORING: Are Distance Learning courses for you? Score your responses:
3 points for each “a”, 2 points for each “b”, and 1 point for each “c”. **14 or over**—a Distance Learning course is a **real possibility** for you. Online Courses

Online course Limitation on Enrollment:

Enrollment in online courses offered through the Riverside Community College District is limited to students who have demonstrated competency in working in the online environment.

Before you can register for an online class, you must demonstrate that you have the computer and internet skills you need to be successful. Your enrollment in online classes will be blocked until you have met this requirement.

You may demonstrate competency and meet the requirements of this limitation on enrollment in two ways:

1. Successful (grade of “C” or better) completion of an online class.
   If you successfully completed an online course at Riverside Community College prior to Fall, 2006, your record has already been cleared and you may register immediately. (If you are unable to register, please contact the Matriculation Specialist at matric.specialist@rcc.edu.)
   If you successfully completed an online course at another accredited college or university, please call the prerequisite hotline (951) 222 - 8808 for directions about how to provide documentation to clear this limitation on enrollment. (Since verification of your successful class completion will not be immediate, you are encouraged to simply complete the short Online Skills Workshop described in Item 2 below.

   The Online Skills Workshop takes only a few minutes to complete and will verify your ability to perform the functions required in an online class, such as posting to a discussion board, uploading assignments, sending an email, attaching a document, etc. Once you have successfully completed the workshop, you will be cleared to register for online classes.

Telecourses and Tele-webcourses

Television for Your Head… A telecourse is a college credit course that allows you to complete much of your study at home by viewing televised or videotaped lectures instead of attending lectures on campus. Telecourses have been specially designed to provide students with educational opportunities that are flexible enough to fit even the busiest schedule. The televised lectures represent one component of an integrated instructional package that includes a textbook, study guide, course syllabus and required on-campus seminars.

Note: A telecourse listed as a tele-webcourse does require Internet access to complete portions of the course.

Flexibility for Your Schedule. Telecourses enable you to watch course-related programs at home on local television channels. You may also view the course-related programs at your convenience in the Norco, Moreno Valley and Riverside Campus Libraries.

An Instructor Who Cares. An RCC faculty member is assigned to serve as instructor for each telecourse. Your instructor will have many of the same responsibilities as any classroom instructor – preparing and grading assignments, answering your questions, administering your exams, and conducting the on-campus seminars. The instructor will also be available to answer your questions by phone or in person during designated hours. Check your course syllabus for your instructor’s telephone number and office hours.

Is a telecourse for you? To help you decide, take our Open Campus Distance Learning quiz to find out if you have what it takes to succeed in a telecourse. If you score well on the quiz, you may also want to consider taking an Open Campus Online course. See the Open Campus Online section for details.

Motivation + Determination = Success. Register Now and Give Yourself Some Credit. You may register for a telecourse in the same manner as any on-campus course. (Please see the center of this schedule for an Application for Admission.) For your convenience, you may purchase your textbooks in the bookstore or order by email - www.textbook.com.

Questions? Most of your questions will be answered in the Telecourse Student Handbook available in any campus bookstore or at the Open Campus website, www.opencampus.com (update your browser settings.) Telecast schedule and on-campus room assignment information available on the TELECOURSE HOTLINE at (951) 222-8978, after August 11, 2006.

KRCC Channel 94 (Charter Comm in Riverside-Norco only)

Statement of Philosophy and Purpose

It is the intention of the Riverside Community College District to provide an environment that maximizes academic achievement and personal growth. The District recognizes that alcohol, tobacco and other drug use/drug abuse poses a significant threat to the health, safety and well-being of users and the people around them. Substance abuse also interferes with academic, cocurricular and extracurricular interests and can lead to health, personal, social, economic and legal problems.

Alcohol and other drug abuse addiction or dependency is a behavioral/medical problem. Because the District’s intent is to be helpful, not punitive, programs have been developed to deter alcohol and other drug abuse. First, education is provided. Second, a program of assistance and referral is available. Third, disciplinary procedures are applied to uphold the District policy regarding alcohol and other drug use and the Standards of Student Conduct as listed in the Student Handbook.

The District policy is that all use of alcohol, tobacco and other drugs is prohibited on the District property and at any college sponsored or related activity regardless of its location.

**Academic Matters**

**Academic Renewal**

Forms are available in Admissions at any campus. Refer to the RCC Catalog for information (available in the RCC Bookstore and online at www.rcc.edu.)

**Americans with Disabilities Act**

The Americans With Disabilities Act extends universal civil rights protection to individuals with disabilities. The implementation of the ADA provides greater access and opportunities for community college students and employees with disabilities. Riverside Community College makes all programs and facilities accessible to persons with disabilities, and provides services to students with disabilities through the Disabled Student Services Office. If a student stops attending a class, it is ultimately the student’s responsibility to officially drop the class.

—

It is also the student’s responsibility to consult with his/her instructor regarding any absences that will alter his/her status in the class.

—

Students who fail to attend the first class meeting or have a poor attendance record may be dropped from the class.

**Attendance Policy**

The student is expected to attend every meeting of all classes for which he/she is registered. Attending a class without being registered is contrary to Riverside Community College District policy and cannot be used as a basis for a petition to add a class. Students who have enrolled for a class and who do not attend or who are late or absent from the first meeting of the class may forfeit their right to a place in the class. Students should know and understand the attendance policy for each class in which they are enrolled.

**Auditing**

RCC offers students the option of auditing courses. Instructions for auditing are as follows:

1. Students may not audit a class unless he/she has taken the course and has exhausted all possibilities to repeat the course.
2. No student will be allowed to enroll for audit prior to the first day of the course. The first day of the course refers to the actual course meeting.
3. Permission to audit a class is done at the discretion of the instructor and with instructor’s signature.
4. When auditing, the student shall not be permitted to change his/her enrollment in that course to receive credit.
5. With the instructor’s signature and permission, a credit student may switch his/her enrollment to audit status provided the change is completed prior to 30% of course for short-term courses.
6. With the instructor’s signature and permission, a student may enroll in a course for audit at any time during the semester if he/she has not enrolled in that course for credit during the same semester.
7. Credit students have priority over auditors. If a course closes after an auditor has been admitted, the auditor may be asked to leave to make room for the credit student. Instructor’s discretion is strongly recommended.
8. The audit fee is $15 per unit plus student services and health fees. Students enrolled in 10 or more semester units may audit 3 units of audit free (may be 3 one unit courses.) The $15 per unit audit fee will automatically be charged if the student drops below 10 units.

Students wishing to audit should be aware that audited classes will not appear on an official transcript. Green audit cards are available at the Admissions counter at all campuses. Fees are due when the form is submitted. For more information, please contact the Student Services offices at Moreno Valley (951) 571-6101, or Norco (951) 372-7003, or the Admissions and Records office at Riverside (951) 222-8600.

**California Articulation Number System**

A comprehensive system for equating courses in the California colleges is being developed. It is called the California Articulation Number System. This system identifies some of the transferable, lower division courses commonly taught within each academic discipline on college campuses. You will notice (CAN) notations next to particular course descriptions throughout the schedule. These CAN numbers are a part of the California Articulation Number System. This system assures students that CAN courses on one participating campus will be accepted “in lieu of” the comparable CAN course on another participating campus. Example: CAN ECON 2 on one campus will be acceptable for CAN ECON 2 on another participating campus. Check with the Counseling office for the master course list which identifies participating campuses and courses.

**Change of Information**

On the Change of Information link on WebAdvisor, students can update their address, phone number, email address, privacy, educational goal, and major. Students can also submit a yellow Change of Information form in Admissions to update all of these as well as a name change (with legal documentation), social security number (with valid SS card), date of birth (with legal documentation), or admit status. It is suggested, but not required, that students speak to a counselor before changing their major or educational goal, or for Assessment and Orientation/Counseling questions.

**Class Cancellation**

The College reserves the right to cancel any class in which the enrollment is insufficient to warrant its continuance.

**Counseling**

Counseling appointments are available at all three campuses. Schedule an appointment with Counseling if you have questions about which classes to take, transfer to another college, vocational programs, etc. The appropriate telephone numbers are:

- City campus – (951) 222-8440
- Moreno Valley campus – (951)571-6104
- Norco campus – (951) 372-7101.

**Credit By Exam**

Forms are available in Admissions. There is a separate form for Foreign Language classes.

**Credit/No Credit**

If a class is offered with a credit/no credit option, students may elect to take the class on that basis; this option is available the first 30% of the course (see “Deadlines” for deadlines to elect credit/no credit.) Credit (CR) is equivalent to passing a class with a “C” or better. Requests for credit/no credit must be submitted to the Admissions and Records office at the City campus or to one of the Student Services offices at the Moreno Valley or Norco campus. Check the RCC catalog for classes that are offered credit/no credit.
Deadlines

Add deadlines are listed with each class in this Schedule of Classes and on WebAdvisor at www.rcc.edu. Drop deadlines and refund deadlines are stated on the Registration Receipt/Class Schedule, which can be printed on WebAdvisor.

Enrollment Verifications

Enrollment verifications may be obtained at the Transcript office at the City campus (951) 222-8603; or from the Student Services office at the Moreno Valley campus (951) 571-6101; or the Norco campus (951) 372-7003. Students receive two free verifications. After that there is a $2.00 fee for each enrollment verification requested.

Requests for enrollment verification will be accepted at each campus prior to the add deadline, and will be processed on a first-come, first-served basis. Students must pay all fees associated with their term enrollment and the $2.00 enrollment verification fee, if required, before the verification request can be processed.

Grades

Grades are available on WebAdvisor at www.rcc.edu and Phone Reg at (951) 779-3100 (see calendar.) If grades are not posted by this date, contact the instructor. If necessary, contact the appropriate academic department. Grades may be available earlier, but please do not call prior to this date. Students with financial holds cannot receive transcripts or diplomas.

Grade Changes

According to RCC Board Policy: The student has one year following the semester in which the grade was recorded to request a change of grade. After the one-year limit, the grade is no longer subject to change. Students must file an Extenuating Circumstances Petition (ECP) with the Admissions and Records office at one of the three campuses.

Identification

No student information will be given or changes made to a student’s records (other than filing an application) without photo identification. Changes cannot be made for another person.

Limitations on Enrollment

RCC offers some courses which place limitations on enrollment. These limitations may include successful completion of courses, successful completion of online tutorial to demonstrate computer skills, preparation levels for math and English, performance criteria or health and safety conditions. Students who do not meet the conditions imposed by these limitations will be blocked from enrolling in these classes. Refer to the Open Campus section for the online course limitation on enrollment.

Prerequisite - When a course has a prerequisite, it means that a student must have certain knowledge to be successful in the course. The prior knowledge may be a skill (type 40 wpm), an ability (speak and write French fluently), a preparation level (placement test and prior academic background), or successful completion of a course (grade of C or better or CR). Completion of the prerequisite is required prior to enrolling in the class. Successful completion of a prerequisite requires a grade of C or better or CR (Credit). C-, D, F, NC (No Credit) or I grades are not acceptable. Instructions for validating prerequisites taken at another college follow.

Corequisite - When a course has a corequisite, it means that a student is required to take another course concurrently with or prior to enrollment in the course. Knowing the information presented in the corequisite course is considered necessary in order for a student to be successful in the course. (For example, completion of, or concurrent enrollment in MAT-1A is required for PHY-4A.)

All course prerequisites and corequisites will be enforced. This means that a student's registration will be blocked if he/she does not have the required prerequisites and corequisites. Preparation scores for English, mathematics and reading will also be enforced. Students who previously took the ASSET, APS, DTLs and/or MDTP test(s) and wish to enroll in math, reading or English class based on these test results must retest on the Accuplacer assessment test or show proof of prerequisites.

Verifying Prerequisites/Corequisites - It is the student's responsibility to know and meet the course prerequisites and corequisites before attempting to register for the class. These are stated in the course descriptions within this Schedule of Classes and the current RCC Catalog. When the student has completed the prerequisite at another institution, the student must request an official transcript (in a sealed envelope, dated within 90 days) be sent to RCC Admissions and Records. The student must also complete a Prerequisite Validation Request form, available in the admissions area at any RCC campus, requesting a review of the prerequisites on that transcript before attempting to register for classes.

Prerequisite/Corequisite Challenge Procedure - There is a procedure in place for challenging a prerequisite course. Students wishing to utilize the challenge procedure must contact the Counseling office and complete the required “Matriculation Appeals Petition.” Supporting documentation must be provided at the time the appeal is submitted. Prerequisites and/or corequisites may be challenged based on one of the following criteria:

1. The prerequisite for a course necessary for graduation, transfer or a certificate is not offered and the unavailability of said prerequisite poses a hardship.
2. The prerequisite has not been validated.
3. The student has the knowledge or ability to succeed in the course despite not meeting the prerequisite.
4. The prerequisite is discriminatory or is being applied in a discriminatory manner.

Students challenging a prerequisite based on unofficial documentation may submit a Matriculation Appeals Petition one time only. Students are required to submit official transcripts from all previous colleges after that time.

Advisory - When a course has an advisory, it means that a student is recommended to have a certain preparation before entering the course. The preparation is considered advantageous to a student's success in the course. Since the preparation is advised, but not required to meet the condition before or in conjunction with enrollment in the course (i.e., eligibility for ENG-1A is recommended), the student will not be blocked from enrolling in a class if he/she does not meet the advisory.

It is imperative that students who have met prerequisites at other schools begin the evaluation process immediately so that it will be complete prior to the beginning of registration.

Students will not be able to register for courses for which prerequisites have not been met.
Military Credit

Two physical education units are awarded upon presentation of DD214, NOBE or ID card for active military. Military tech schools are evaluated based on the recommendations of the ACE Guide. No credit is granted for MOS’s, correspondence courses, internships or military-specific courses. A maximum of 15 units may be awarded (two of which may be the PE credit.) CCAF, SMARTS, AARTS transcripts, DD214 and Certificates of Completion are used to evaluate military credit. Request for evaluation of military credit should be submitted to the Veterans Office located at the Riverside campus after the completion of 12 semester units. No more than 30 units may be granted for CLEP, military training, AP or credit by exam. Any military credit granted is usable toward your AA/AS degree at RCC only and is not posted to your RCC transcript.

Non-Degree Applicable Courses

The following are non-degree credit courses and do not count toward the AA Degree: ART-95-99; CAT-30ABC, 99ABCD; ENG-60AB, 60A1-60A4, 90ABC; ESL-51, 51AB, 52, 53, 71, 72, 90A-K, 91, 92, 95; GUI-85AB, 95; MAT-62ABC, 63, 64, 98; REA-66, 81, 82, 83, 87, 95; and all computer practicums numbered 96, 97.

Notification of Rights under FERPA for Post-secondary Institutions

Riverside Community College adheres to the policies of the Family Educational Rights and Privacy Act (FERPA) when establishing and maintaining education records. Although the college applies the provisions of FERPA in a strict manner, the law allows the college to release student directory information, RCC, based on FERPA regulations, designates as directory information the following: student’s name, address, telephone listing, e-mail, major field of study, dates of attendance, enrollment status, (e.g., full time/part time) participation in officially recognized activities and sports. weight and height of members of athletic teams, degree and awards received, the most recent previous public or private school attended by the student, and any other information authorized in writing by the students. Students have the opportunity to request that their directory information be maintained as confidential. In completing the admission application, students are provided this opportunity. Students who are continuing students with RCC may go to the Student Services office at the Moreno Valley or Norco campus or to the Admissions and Records office at the City campus and request to have directory information withheld.

The student’s prior written consent is not required to disclose non-directory information under specific conditions according to FERPA regulations. Included under this provision is the ability to disclosure education records to parents of a student under 18 years of age as defined in Section 152 of the Internal Revenue Code of 1986. Refer to www.rcc.edu/ferpa/ for more information.

The Family Educational Right and Privacy Act (FERPA) affords students certain rights with respect to their education records. These rights include:

1. The Right to inspect and review the student’s education records within 45 days of the day RCCD receives a request for access. Copies are not provided if the student has an outstanding financial or other hold on the records. The District may assess a charge pursuant to Board Policy Regulation 7045 for furnishing copies of any education record. Students should submit to the Admissions and Records, dean, head of the academic department, or other appropriate official, written requests that identify the record(s) they wish to inspect. The RCCD official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the RCCD official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

2. The right to request the amendment of the student’s education records that the student believes are inaccurate or misleading. Students may ask RCCD to amend a record that they believe is inaccurate or misleading. They should write the RCCD official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If RCCD decides not to amend the record as requested by the student, RCCD will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. The right to consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent. One exception which permits disclosure without consent is disclosure to college officials with legitimate educational interests. A college official is a person employed by RCCD in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom RCCD has contracted (such as an attorney, auditor, collection agent or agents or organizations conducting studies on behalf of the college); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another college official in performing his or her tasks. A college official has a legitimate educational interest if the official needs to review an educational record in order to fulfill his or her professional responsibility. Upon request, RCCD discloses education records without consent to officials of another school in which a student seeks or intends to enroll.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by RCCD to comply with the requirements of FERPA.

Overlapping Classes

If classes have overlapping meeting times, students must register in person with a form including instructor signature. Forms are available in Admissions.

Probation and Dismissal Students

If you are on academic probation or dismissal, contact Counseling for registration requirements and procedures.

Repeat Policy

Students may repeat a course if they have received one substandard grade (D, F or N/C) or until they have attempted the course four times (including "Ws".)

1. When course repetition occurs, the permanent academic record will be annotated in such a manner that all work remains legible ensuring a true and complete academic history.
2. When a course is repeated, the highest grade will be used in the computation of Riverside Community College grade point average.
3. Courses repeated to raise a grade must be counted in the study list total. Additional credit units are not allowed if units were earned in the previous attempt.
4. Upon transferring, the policy of the transfer institution will be applied to all repeated coursework.
5. This policy applies only to coursework initially taken at RCC and subsequently repeated at RCC.

Petitions for Course Repetition are available in the Admissions or Dean of Instruction’s office. Petitions can be submitted for courses that are mandated for training requirements as a condition of continued paid or volunteer employment, courses that were taken more than five years ago, courses that have had substantial curriculum changes and documented extenuating circumstances.

Repeatable activity and performance classes may be taken up to a total of four times and are identified in this catalog. For these repeatable courses, all grades and units will be used in the computation of the grade point average and earned units.
Student Right-to-Know Disclosure Statement

In compliance with the Student Right-to-Know and Campus Security Act of 1990, it is the policy of Riverside Community College District and Riverside Community College to make available its completion and transfer rates to all current and prospective students. Beginning in Fall 2001, certificate-, degree- and transfer-seeking first-time students, enrolled full-time in degree applicable courses, were tracked over a three-year period. Their completion and transfer rates are listed below. These rates do not represent the success rates of the entire student population at Riverside Community College, nor do they account for student outcomes occurring after this three-year tracking period.

Based upon the cohort defined above, 31.3% attained a certificate, degree or became “transfer-prepared” during a three-year period (Fall, 2000 to Spring 2003.) Students who are “transfer-prepared” have completed 56 transferable units with a GPA of 2.0 or better.

Based upon the cohort defined above, 17.6% transferred to another postsecondary institution prior to attaining a degree, certificate or becoming “transfer-prepared” during a five semester period (Spring 2001 to Spring 2003.)

More information about Student Right-to-Know Rates and how they should be interpreted can be found at the California community Colleges “Student Right-to-Know Information Clearinghouse Website” located at http://srtk.cccco.edu/index.asp

Transfer Courses

You may obtain a list of RCC classes which are transferable to the University of California and the California State University in the Career and Transfer Center. The information also appears in the college catalog.

Units for Full Time Status

For full-time status, a student must be enrolled in at least 12 units of credit for the fall/spring semesters and 6 units of credit for the winter/summer terms. Students who are enrolled in less than 12 units for fall/spring terms or less than 6 units for winter/summer are considered to be part time. Specialized programs may have a different unit requirement for full time status because of state mandates. The maximum amount of units a student may enroll in is 18. Students wishing to enroll in more than 18 units must have an established GPA of 3.0 or higher. A counselor must sign an add card after verifying the GPA and the student must register in person for the over limit units.

Veterans

Veterans must submit an RCC application and complete any required assessment testing and/or counselor orientation (if applicable).

Before enrollment can be certified, all prior credit must be evaluated. All transcripts need to be sent to RCC; they must be official, sealed and less then 90 days old. Veteran’s assistance is available in the Cesar Chavez Admissions and Counseling building, located on the Riverside campus.

All of the above must be completed before the Student Educational Plan (SEP) can be started for the VA qualifying program of study. After a counselor completes the SEP, and the student is enrolled in approved classes, the Veteran’s Statement of Responsibility (Blue Sheet) is submitted to the RCC Veterans’ Services office. Please allow at least three weeks processing time during peak semester times. The VA then takes approximately one week to process the request.

Please contact the RCC Veterans’ office at (951) 222-8602 or 8607 or veterans@rcc.edu for more information. Call 1-888-GIBILL1 for questions regarding pay, your Certificate of Eligibility, or your benefits.

Matriculation

The matriculation program at Riverside Community College is intended to assist students to establish appropriate educational goals and to provide support services to help them achieve these goals. Students eligible for matriculation will be provided an evaluation of basic skills, orientation, counseling, completion of an educational plan and follow-up services. All new matriculants must complete Assessment, Freshman Orientation and Counseling prior to registering for classes.

Assessment of Basic Skills

Preparation levels are required for placement in English, ESL, mathematics, and reading courses. These placement levels are based on a combination of test scores and other academic experience. Assessment/placement testing is available in alternate format for individuals with disabilities. Because RCC uses multiple measure placement criteria, placement levels are enforced as prerequisites to courses.

New students and continuing students who need placement levels for ESL courses should make an appointment for this test by calling the assessment centers at any campus. RCC’s placement process for math, English and reading courses is now computerized and in most cases no appointment is necessary. Call to confirm hours of service. Assessment phone numbers: Moreno Valley (951) 571-6492; Norco (951) 372-7176; Riverside (951) 222-8451.

Orientation/Counseling Sessions

All first time college students must attend a freshman orientation/counseling session prior to enrolling in courses. During these sessions, counselors will introduce students to services and educational programs at Riverside Community College; provide students with information on registration procedures and placement results; and assist the students in developing their first semester educational plans. Call or stop by the Counseling department on any campus to schedule a freshman orientation/counseling session. New students should also register for Guidance 45, Introduction to College.

Counseling for Continuing Students

Continuing matriculated students are entitled to see a counselor who can recommend appropriate coursework based on assessment results, review of past school records, and other information provided by the student. Due to a high demand for counseling appointments during the winter and summer sessions, it is highly recommended that continuing students see a counselor during the spring and fall semesters to complete a Student Educational Plan. Students who have attended other college(s) must request to have an official transcript(s) sent to RCC before scheduling counseling appointments.

Student Educational Plan

Counselors are available to assist matriculated students in developing an educational plan that outlines the courses and services necessary to achieve their goals. All matriculated students must declare a specific educational goal by the time they complete 15 units. Students are required to have an educational plan on file within 90 days after declaring a goal. When goals or majors are changed, students should update their educational plan. To ensure this procedure, matriculated students are encouraged to make an appointment with a counselor during their first semester at RCC. (Special support programs may have additional requirements.)

Follow-up

Counselors and teachers will provide follow-up activities on behalf of matriculated students. These activities are designed to inform students of their progress early in the semester and to continue to assist students in accomplishing their educational goals. Referrals for appropriate support services will be made to on-campus and off-campus locations when appropriate.

Student Rights and Responsibilities

Prerequisites for courses will be enforced according to District policy. Students have the right to challenge prerequisites on the following grounds:

1. A prerequisite for a course necessary for graduation, transfer or a certificate is not offered and the unavailability of said prerequisite poses a hardship.
2. The prerequisite has not been validated.
3. The student has the knowledge or ability to succeed in the course despite not meeting the prerequisite.
4. The prerequisite is discriminatory or being applied in a discriminatory manner.

The Matriculation Appeals Petition form to challenge prerequisites is available in the Counseling Center on all three campuses.

It is the student’s responsibility to a) complete placement testing and orientation prior to registering for classes, b) express a broad educational intent upon admission and c) declare a specific educational goal by the time 15 semester units are completed. The student is also responsible for participating in counseling, attending class, completing assignments and maintaining progress toward that educational goal. If you have questions regarding the matriculation process, please contact the Matriculation office at (951) 222-8442.

- You have the right to request that the charges be resolved informally, at which time the District will undertake efforts to informally resolve the charges;
- You do not need to participate in informal resolution;
- You have the right to file a formal complaint, even if you have previously requested informal resolution (see below for the procedure for doing so);
- You will not be required to confront or work out problems with the person accused of unlawful discrimination;
- You may file a non-employment-based complaint with the U.S. Department of Education Office for Civil Rights (OCR) where such a complaint is within that agency’s jurisdiction.
- If your complaint is employment-related, you may file a complaint with the U.S. Equal Employment Opportunity Commission (EEOC) and/or the California Department of Fair Employment and Housing (DFEH) where such a complaint is within that agency’s jurisdiction.
- Retaliation is unlawful. If you feel you are being retaliated against as a result of filing a complaint, please contact the RCCD Diversity, Equity & Compliance Department immediately.

**PURPOSE OF THE INFORMAL RESOLUTION PROCESS**
The purpose of the informal resolution process is to allow an individual who believes she/he has been unlawfully discriminated against to resolve the issue through a mediation process rather than the formal complaint process. Typically, the informal process will be invoked when there is a simple misunderstanding or you do not wish to file a formal complaint. Resolution of an informal complaint may require nothing more than a clarification of the misunderstanding or an apology from the alleged offender and an assurance that the offending behavior will cease. You will be notified of the outcome of the investigation in the informal process, and will also be notified of the resolution proposed by the District.

If you pursue the informal process, you should note the following important points:
- You will need to sign a document which indicates that you have selected the informal resolution process.
- The District will complete its investigation within the time period required by Board Policy unless you voluntarily rescind your complaint prior to completion.
- Selecting the informal resolution process does not prevent you from later deciding to file a formal complaint (subject to all of the rules for filing a formal complaint). You can do this while the informal process is still underway, or if the informal process has been completed and you are not satisfied with the outcome or the District’s proposed resolution, provided that the time period for filing a formal complaint has not passed.

**HOW TO FILE A FORMAL COMPLAINT:**
- The complaint must be filed on a form prescribed by the State Chancellor’s Office. That form is available on the District Web site, from the Diversity, Equity & Compliance Office, or on the State Chancellor’s Web page at www.cccco.edu. It is also included as page 20 of the District Complaint Procedure.
- The complaint must allege unlawful discrimination prohibited under Title 5, Section 59300.
- The complaint must be filed by one who alleges that she/he has personally suffered unlawful discrimination or by one who has learned of such unlawful discrimination in her/his official capacity as a faculty member or administrator.
- In any complaint not involving employment, the complaint must be filed within one year of the date of the alleged unlawful discrimination or within one year of the date on which you knew or should have known of the facts underlying the specific incident or incidents of alleged unlawful discrimination.
- In any complaint alleging discrimination in employment, the complaint shall be filed within 180 days of the date the alleged unlawful discrimination occurred, except that this period will be extended by no more than 90 days following the expiration of that 180 days if you first obtained knowledge of the facts of the alleged violation after the expiration of 180 days.
- You can file a complaint with the:
  - Director, Diversity, Equity & Compliance
  Riverside Community College District
  3845 Market Street
  Riverside, CA 92501
  (951) 222-8435
  or with the:
  - Legal Affairs Division
  Office of the Chancellor
  California Community Colleges
  1102 Q Street
  Sacramento, CA 95814
WHAT HAPPENS WHEN A FORMAL COMPLAINT IS FILED?
The District will then conduct an investigation. Within 60 days of receiving an unlawful discrimination complaint filed under Title 5, Sections 59300 et seq., the District will complete the investigation and forward a copy of the investigative report, or a summary, to you along with a notice of your right to appeal to the District Chancellor, the District Board of Trustees, and the State Chancellor's Office.

COMPLAINANT'S APPEAL RIGHTS
You, as the complainant, have appeal rights that you may exercise if you are not satisfied with the results of the District's investigation. At the time the investigative report and/or summary is mailed to you, the responsible District officer or her/his designee will notify you of your appeal rights as follows:

If you do not appeal the results of the investigative report to the District Chancellor within 10 calendar days from the date of the report, you will be notified that the decision outlined in the report shall be deemed the District's Administrative Determination. If appealed to the District Chancellor, the District Chancellor shall render a decision on the appeal no later than twenty calendar days after the date of the appeal. In either case, you will be informed of your first and second level appeal rights, as follows.

ALL APPEALS MUST BE IN WRITING
(e-mail is not a satisfactory method).

First Level of Appeal: You have the right to file an appeal to the District's Board of Trustees within 15 calendar days from the date of the Administrative Determination. The District's Board of Trustees will review the original complaint, the investigative report, the Administrative Determination, and the appeal.

In order to appeal to the District's Board of Trustees, please send a written request within the required time period to the attention of:

President, District Board of Trustees
Riverside Community College District
4800 Magnolia Avenue
Riverside, CA 92506-1299

The District's Board of Trustees will issue a final District decision in the matter within 45 calendar days after receiving the appeal. Alternatively, the District's Board of Trustees may elect to take no action within 45 calendar days, in which case the original decision in the Administrative Determination will be deemed to be affirmed and shall become the final District decision in the matter. A copy of the final decision rendered by the District's Board of Trustees will be forwarded to you and to the State Chancellor's Office.

Second Level of Appeal: You have the right to file an appeal with the California Community College Chancellor's Office in any case not involving employment-related discrimination within 30 calendar days from the date that the District's Board of Trustees issues the final District decision or permits the Administrative Determination to become final by taking no action within 45 calendar days. The appeal must be accompanied by a copy of the decision of the District Board of Trustees or evidence showing the date on which Complainant filed an appeal with the District Board of Trustees within 45 calendar days from that date.

In any case involving employment-related discrimination, you have the right to file an appeal with the Department of Fair Employment and Housing or the U.S. Equal Employment Opportunity Commission.
