Welcome to Riverside Community College District

Welcome to the fall 2010 semester at Riverside Community College District. This fall, for the first time, RCCD students will have a choice of attending classes at one or more of three independently accredited colleges. This is a major change within our District and holds immediate and long-term benefits for students.

As independently accredited colleges, Moreno Valley and Norco will now receive additional state funding and be eligible to apply for more state, federal, and private grants for program improvements and new academic and student services initiatives. Thus, they equal Riverside in their capacity to maintain strong core liberal arts and science programs, grow and strengthen unique career technology programs, and develop new initiatives that meet the needs of the communities they serve. Each of the three colleges also will now have comprehensive student services on campus—the result of a reorganization plan implemented on July 1 that moved all student services to the college level throughout the district.

While RCCD and its colleges still face difficult times because of continuing economic issues in California, we will protect students’ access to a high quality higher education. Our commitment is to preserve the number of class sections we offer in the 2010/11 academic year.

This means that our colleges will continue to offer students the classes they need to complete degree or certificate requirements, finish transfer requirements or return to the workplace. Given the increasing demand for classes, however, students will need to be flexible when building their class schedules. I recommend that students complete any pre-registration requirements as soon as possible, and that all students fill out the free federal FASFA form. Doing so will help determine eligibility for one of the many forms of financial aid available, which include Pell Grants, BOG waivers, scholarships, and student loans. Any or a combination of several of these options can make college fees and books more affordable.

Finally, I want to encourage every RCCD student to take advantage of academic and student support services at the colleges. Do everything possible to make college a rewarding experience—one that not only prepares you for the workplace and life, but enriches your spirit in the process.

On behalf of the Board of Trustees and the faculty and staff at our colleges and education centers, I wish you a very successful fall 2010 semester.

Open Enrollment

It is the policy of the Riverside Community College District that, unless specifically exempted by statute, every course, course section or class, the average daily attendance of which is to be reported for state aid, wherever offered and maintained by the District, shall be fully open to enrollment and participation by any person who has been admitted to the College and who meets such prerequisites as may be established pursuant to Title V of the California Administrative Code.

Every effort has been made to ensure that information contained in the Schedule of Classes is accurate at the time of printing; however, the District reserves the right to update/revise information at a later date to correct errors and/or omissions.

This publication is prepared several months in advance of the term to meet printing deadlines. It does not reflect classes that have been newly added to the schedule after the publication date. Orientation and Counseling

Would you ever take a trip to an important destination without a map? You might, but your chances of getting lost are high. Orientation is your map to college success.

New student orientations are offered to all incoming students and are required as part of the matriculation process. Orientation introduces students to the college experience in general. Whether you plan to complete a certificate, a degree, transfer, or take a course or two for self-improvement, orientation is designed to provide informative, yet practical advice.

Students should complete orientation after enrollment to get necessary information and to gain an edge on class enrollments.

Students may complete orientation online through WebAdvisor at www.rcc.edu.
As a student of the Riverside Community College District you are provided with free student email via Windows Live by Microsoft; all you need to do is activate it! RCCD email gives you access to important notices, new classes, class changes, wait list status, notices from Student Financial Services, faculty correspondence and more. **Personal email addresses will not be used by RCCD. Your RCCD account is the ONLY approved method of formal communication from the District to the student.**

You should have received your RCCD email address in the mail a few days after applying. You may also find it by going to WebAdvisor and clicking on *What’s My Email Address?*

When you activate your account you will be asked to provide an alternate email address in case you forget your RCCD email password and need to be reminded of what it is. If you do not have an alternate or personal email account it is strongly advised that you get one before activating your RCCD email account. Hotmail.com, Yahoo.com and Gmail.com all offer free email accounts.

To activate your email:

1. Go to [mail.live.com](http://mail.live.com) to SIGN IN (not SIGN up) with your RCCD email address. Your temporary password will be your 6-digit date of birth (ex: 061078). You will be asked to change it to a private password.
2. Follow the Microsoft prompts to set up and activate your account. This is where it’s a good idea to be able to provide an alternate email address.
3. You can also forward your RCCD email to another personal email account.

If you need help, view the tutorial at [www.rcc.edu/students/email.cfm](http://www.rcc.edu/students/email.cfm). If you are having difficulty and you cannot resolve your problem using the tutorial visit Admissions & Records or call one of the colleges: Riverside (951) 222-8574 or (951) 222-8601, Moreno Valley (951) 571-6101, or Norco (951) 372-7003. You can also go to the Digital Library at Riverside City College for in-person help.

Need tech help with your WebAdvisor username/password or with activating your RCCD email account? You can email [studenttechhelp@rcc.edu](mailto:studenttechhelp@rcc.edu) for online tutorials or go to the Digital Library at Riverside City College for in-person help.

Remember:
• Pay fees (check fee payment deadlines)
  Please note that if you are applying for financial aid but it has not yet arrived at the time of registration, you will be responsible for fees due until any financial award comes through. You will be dropped from classes if payment is not received by the payment deadline.

• Be sure to check WebAdvisor or your RCCD email to see if there have been changes to scheduled classes prior to the first class meeting.

• Personal email addresses will not be used by RCCD.
  Your RCCD account is the ONLY approved method of formal communication from the District to the student.

• If you waitlist a class and space becomes available, you will be automatically enrolled.
  If you do not intend to remain in the class, you must drop yourself by the drop and refund deadlines.

• Students with Dismissal Contracts must register in person at Admissions.
6 – Register for Classes~ (Continued)

It is your responsibility to ensure that you are officially registered in courses by the add deadline and that your fees are paid. Students will be dropped for non-payment from unpaid classes.

Deadline Dates
Specific add deadlines are included with the class information in this publication and on WebAdvisor at www.rcc.edu. Refund and drop deadlines can be viewed/printed from WebAdvisor at www.rcc.edu. Click on Class Name/Deadlines.

Dropping Classes
Print out the page on WebAdvisor that confirms that the class has been dropped from your class schedule. Instructors maintain the right to drop students for lack of attendance, beginning the first day of class and ending on the 75% date.

It is the student's responsibility to drop classes on WebAdvisor or in person by the deadlines. Failure to drop a class may result in a permanent “F” grade on your academic record and may still require payment. Do not rely on an instructor or others to drop you!

Adding Closed Classes
Make sure to check the deadline to add classes in this publication or on WebAdvisor (click on Class Name and Title).

A class is closed beginning the first meeting day of that class or earlier if it is full. In order to add a closed class, you must receive permission from the instructor. This is typically done by attending the first day of class. See www.opencampus.com in order to add online classes.

When registering on WebAdvisor, you will be asked to give your unique 4-digit authorization code which must be obtained from the instructor. Authorization codes are not valid on WebAdvisor until the first day of the class.

When registering in person, you must have an authorization code from the instructor. Fees are due at time of registration.

Waitlists
Before the beginning of the semester, if a class is closed, you may place your name on a waitlist (if available). If a seat becomes available, you will automatically be added and your student account will be charged with the enrollment fees. Please check your schedule regularly online with WebAdvisor and/or your RCCD email account* to confirm your status. Personal email addresses will not be used by RCCD. Your RCCD account is the ONLY approved method of formal communication from the District to the student.

Waitlisting ends late in the day on the day prior to the first class meeting. You must drop yourself from the class by the drop and refund deadlines if you do not intend to remain in the class. Students registered from the waitlist must attend the first day of class. Students not registered from the waitlist are encouraged to attend class the first day to see if space is available and the instructor is willing to add them.

You can manage your waitlist on WebAdvisor by doing the following:
• Log in to WebAdvisor at www.rcc.edu
• Click on “Register and Drop Classes”
• Then click on “Manage My Waitlist”

*To activate your RCCD email account –
• Go to www.rcc.edu and click on Students,
• Click the Student Email link on right side of the page.

Maximum Unit Load
The maximum number of units a college student may enroll in is 18 for fall/spring and 9 for summer/winter. Students will not be permitted to enroll in more units without authorization from a counselor. The maximum units for high school concurrent students is 8 units for fall/spring and 5 units for summer/winter. High School students will not be permitted to enroll in more units without authorization from the Dean of Admissions and Records or the Dean of Student Services.
Step 7 – Pay Enrollment Fees

In the event of a fee increase by the state legislature, please refer to the website, www.rcc.edu, for updated information.

### Additional Fees

Some classes require an additional fee for materials, tools, technical and miscellaneous supplies for certain programs (70902(s) of the Educational Code). The charge is noted under the appropriate class. Additional fees must be paid at registration and are not covered by the Board of Governors Waiver (BOGW).

* Required fee – (Title V state regulations) supports general and emergency services provided by RCCD’s Health Services; not covered by BOGW waiver. Students attending under an approved apprenticeship program are exempt from this fee. Students who depend exclusively upon prayer for healing in accordance with the teachings of a bona fide religious sect, denomination or organization are exempt from this fee. Students must apply for this waiver by submitting a Health Services Fee Waiver request and supporting documentation to the Health Services office. The Health Services Fee Waiver form can be obtained from Admissions and Records.

**A $3.00 shipping/handling charge applies to online orders. Fee waived if the order is placed from an RCCD computer and paid for at the cashier’s window.

### Fall 2010 Payment Due Dates

Fees are based on when you register in each class. Students WILL BE DROPPED from unpaid classes per deadlines below:

- **If you register**: Fees* are due no later than:
  - On or before August 4: August 11 or you will be dropped for non-payment from unpaid classes beginning at 5:00PM.
  - August 5-25: August 25 or you will be dropped for non-payment from unpaid classes beginning at 5:00PM.
  - August 26 to the end of the term: Enrollment and other fees are due at the time of registration. Students who do not pay will have a hold placed on their record and will not be able to register for classes or receive grades, transcripts, verifications, certificates or diplomas.

* Fees may be paid on campus up until the end of business hours at each college location. Fees may also be paid online via WebAdvisor at www.rcc.edu. Payments made online on the deadline date must be completed by 5:00PM. If you decide not to attend class and are not dropped from the class, you will receive an “F” in the class and owe fees. It is your responsibility to drop yourself if you decide not to attend.

- It is the student’s responsibility to verify that all classes have been added or dropped accordingly.
- Be sure that financial aid is processed prior to registration.
- See the table of contents for Residency for Tuition Purposes and AB540 Non-resident Fee Waiver information.

### Refunds

When do I need to drop to receive a refund?

Refund deadlines can be viewed/printed from the WebAdvisor menu at www.rcc.edu. Click on Class Name and Title. The deadline to drop full-term classes and receive a refund is generally two weeks. The deadline to drop short-term classes is 10% of the class meetings.

You are eligible for a refund of fees if you withdraw from classes within the specified deadlines. Refunds are issued to students approximately 6-8 weeks after the last day for refunds. No immediate refunds are available.

If, for short-term classes, you add the class after the first day you may be adding past the refund date. Students who pay with cash or a check will receive a refund check in the mail. Students who pay with credit card on WebAdvisor will have their refund credited back to their credit card.

Students who drop all classes within the refund period and wish to receive a refund for a parking permit must turn the permit in to Parking Services.

If you are receiving a refund due to an adjustment in your financial aid, please notify Student Accounts in the Bradshaw building at Riverside City College.

For questions regarding your account and refunds call (951) 222-8604.

To be sure of a refund, students must drop themselves within refund deadlines.

#### Communication Skills

#### Breadth of Knowledge

- Analyze experimental results and draw reasonable conclusions from them
- Use the symbols and vocabulary of mathematics to solve problems and communicate results
- Respond to and evaluate artistic expression

#### Application of Knowledge
- Maintain and transfer academic and technical skills to workplace

Continuing @ RCCD~

Continue Taking Classes
All continuing students are assigned a new registration appointment date each term. If you are not a continuing student, you must submit a new admissions application in order to register again.

Re-apply For Financial Aid
The Free Application for Federal Student Aid (FAFSA) is available for the next academic year on January 2nd or the first day of the winter term. The priority filing date is March 2nd of each year. If you are receiving a Board of Governors Waiver (BOGW), you must reapply each academic year, beginning with the summer term.

Continuing To See a Counselor
Students should meet with a counselor during their first term to develop a 2-year SEP (Student Educational Plan).

It is advisable that students meet with a counselor once a semester to review their educational goals, because general education and lower division major requirements are always subject to change.

If you change your educational goal, it is important to see a counselor to obtain a revised SEP.

Veterans:
Riverside Community College District is proud to have you choose us as your community college. To take full advantage of your benefits, please call (951) 222-8607 to get started or check our website at www.rcc.edu.

AB540
Desde el 1° de enero de 2002, la ley AB540 de California permite que todos los estudiantes (menos los extranjeros que no sean inmigrantes) que cumplan con los siguientes requisitos, asistan a las universidades públicas del estado de California, que son los Colegios Comunitarios de California/California Community Colleges (CCC), las Universidades de California (UC) y las Universidades Estatales de California (CSU).

El estudiante tiene que haber asistido a una escuela secundaria (High School) pública o privada, al menos durante tres años.

El estudiante tiene que haberse graduado de una Escuela Secundaria (High School) de California, o haber terminado el equivalente a esos estudios (por ejemplo haber aprobado el GED o el Examen de Graduación de la Escuela Secundaria de California).

El estudiante tiene que entregar una petición para la excepción con la universidad, incluyendo una declaración legal firmada, en la cual confirma haber cumplido con todos los requisitos.

Los estudiantes que completen 3 años en una escuela de adultos y/o consigan su GED podrían calificar para AB 540 si el Colegio Comunitario/Community College al que desean asistir lo considera equivalente a la Escuela Secundaria (High School).

Los estudiantes no residentes que cumplan con estos requisitos, podrán pagar las mismas cuotas que los residentes; sin embargo no se podrán considerar “residentes” de California.
¿Cuánto cuesta asistir a Riverside Community College District?

El Colegio Comunitario de Riverside (RCCD) cobra por unidad y no por clase. Cada unidad cuesta veintiséis dólares ($26) para residentes de California. Más aparte, residentes de otro estado pagan ciento ochenta y uno dólares ($181) por cada unidad, más veintiséis ($26) dólares si es residente de otro país. Todos los cargos pueden cambiar debido a acción legislativa del estado o a cambios de póliza del Consejo de RCCD. La mayoría de las clases de Inglés como segundo idioma (ESL) son cuatro (4) unidades. Para ser considerado como estudiante de tiempo completo, necesita completar 12 unidades.

Servicios de Salud
El estado de California requiere que la institución cobre la quota de Servicios de Salud, no importa si el estudiante tiene asegurancia de salud o no. El costo es dieciséis dólares ($17) por cada semestre de otoño y primavera y catorce dólares ($14) por cada sesión de invierno y verano. Estudiantes que califican para el Board of Governors Waiver (BOGW), todavía tienen que pagar la quota de servicios de salud.

Servicios Estudiantiles
La quota de Servicios Estudiantiles es opcional. Por favor consulte la página de Servicios Estudiantiles, en la revista de clases, referente a los beneficios de pagar esta quota.

Este es un resumen del derecho que usted tiene a presentar una queja formal de discriminación o de acoso sexual. Este es sólo un resumen. Por favor vea las Políticas de la Junta Directiva Escolar y los Procedimientos Administrativos BP/AP 3410 y BP/AP 3430, y AP 3435 para el procedimiento completo del Distrito.

PROCEDIMIENTO PARA UNA QUEJA

FORMAL INFORMAL:
- Usted tiene derecho a solicitar que los cargos sean resueltos de manera informal, durante este tiempo, el Distrito se encargará de hacer lo necesario para solucionar los cargos informalmente.
- Usted no necesita participar en una resolución informal.
- Usted tiene derecho a presentar una queja formal, aún en el caso que anteriormente haya solicitado una resolución informal (mire la parte posterior para el procedimiento a seguir en este caso).
- A usted no se le podrá que confronte o que trate de resolver los problemas con la persona acusada de discriminación ilícita.
- Usted puede presentar una queja basada en el rehuso de empleo en la Oficina del Departamento de Educación de Estados Unidos de Derechos Civiles (OCR, por sus siglas en inglés) siempre y cuando dicha queja esté dentro de la jurisdicción de esa agencia.
- Si su queja se relaciona a empleo, usted puede presentar una queja en la Comisión de Estados Unidos de Igualdad en Oportunidad de Empleo (EEOC, por sus siglas en inglés) siempre y cuando dicha queja esté dentro de la jurisdicción de esa agencia.
- Si su queja es relacionada a empleo, usted puede presentar una queja en el Departamento de Diversidad y Recursos Humanos (DFEH, por sus siglas en inglés) siempre y cuando dicha queja esté dentro de la jurisdicción de esa agencia.
- Usted está prohibidas las represalias. Si usted siente que están utilizando represalias en su contra como resultado de haber presionado a usted, por favor pongase en contacto con el Departamento de Diversidad y Recursos Humanos de RCCD.

EL PROPOSITO DE LA RESOLUCION INFORMAL:
El propósito del proceso en una resolución informal es permitir que un individuo, el cual cree que ha sido ilegalmente discriminado en contra, pueda resolver la situación por medio de un proceso de mediación en lugar de un proceso de queja formal. Típicamente, el proceso informal será invocado cuando haya un simple malentendido, o usted no desea presentar una queja formal. La resolución de una queja informal puede que no requiera más que una aclaración del malentendido o una disculpa por parte del supuesto ofensor y una declaración de que el comportamiento ofensivo cesará. Usted será notificado acerca del resultado de la investigación, del proceso informal, y también será notificado de la resolución propuesta por el Distrito.

Si usted da seguimiento al proceso informal, deberá tomar en cuenta los siguientes puntos importantes:
- Usted necesita firmar un documento el cual indique que usted ha elegido el proceso de la resolución informal.
- El Distrito completará su investigación en el periodo de tiempo requerido por la política de la Junta Directiva Escolar, menos que usted voluntariamente rescinda su queja antes de ser terminada la investigación.

Usted puede localizar el procedimiento completo y la política de la Junta Directiva Escolar en www.rcc.edu/board. Disponible en formatos alternos.
¿QUE SUCEDERÁ CUANDO UNA QUEJA FORMAL ES PRESENTADA?
El Distrito entonces conducirá una investigación. A partir de 90 días de haber recibido la queja de la presunta discriminación bajo el Título 5, secciones 59300 et seq., el Distrito completará la investigación y le enviará una copia del reporte investigativo, o un resumen a usted, junto con la notificación de su derecho a apelar la decisión ante la Junta Directiva Escolar del Distrito y la oficina del Rector del Estado. Este reporte es la Determinación Administrativa del Distrito.

DERECHOS DE APELACION DE LA PERSONA AFECTADA
Usted, como persona afectada, tiene derechos que puede ejercer para apelar si usted no está satisfecho con los resultados de la Determinación Administrativa del Distrito. En el momento en que el resumen investigativo y/o el resumen le sea enviado a usted por correo, el oficial responsable del Distrito y/o su designado/a le notificará a usted acerca de los derechos que tiene para solicitar una apelación de la siguiente manera:

TODAS LAS APELACIONES DEBERAN SER HECHAS POR ESCRITO
(El correo electrónico no es un método satisfactorio.)

Primer Nivel de Apelación: Usted tiene el derecho de solicitar una apelación a los Miembros de la Junta Directiva Escolar en el espacio de 15 días del calendario a partir de la fecha en que la Determinación Administrativa fue hecha. Los Miembros de la Junta Directiva Escolar revisarán la queja original, la Determinación Administrativa y la apelación.

Por favor envíe una petición hecha por escrito para poder solicitar una apelación a los Miembros de la Junta Directiva Escolar en el periodo de tiempo indicado, dirigido con atención a:

District Board of Trustees
C/o Diversity, Equity and Compliance
Riverside Community College District
3845 Market Street
Riverside, CA 92501-3244

Los miembros de la Junta Directiva Escolar darán una decisión final del Distrito acerca del asunto en el espacio de 45 días del calendario, después de haber recibido la apelación. Alternativamente, los Miembros de la Junta Directiva Escolar pueden elegir no tomar ninguna acción en el espacio de 45 días del calendario, en este caso la decisión original en cuanto a la Determinación Administrativa será considerada afirmativa y será la decisión final del Distrito en este asunto. Usted recibirá una copia de la decisión final retendida por los Miembros de la Junta Directiva Escolar del Distrito y otra copia será enviada a la oficina del Rector del Estado.

Segundo Nivel de Apelación: Usted tiene el derecho de solicitar una apelación a la oficina del Rector de Colegios Comunitarios de California en cualquier caso que no involucre discriminación relacionada con el empleo, en el espacio de 30 días del calendario a partir de la fecha en que los Miembros de la Junta Directiva Escolar dictaminen la Decisión final del Distrito o permitan que la Determinación Administrativa sea la Decisión final al no tomar ninguna acción en la decisión original en cuanto a la Determinación Administrativa.

Cómo Denunciar Discriminación u Hostigamiento

La oficina de Diversidad, Igualdad y Cumplimiento (DEC por sus siglas en inglés) del Distrito está disponible para asistir a los estudiantes, profesores, empleados o visitantes con problemas o preguntas relacionadas a la discriminación y hostigamiento. Para mayor información sobre los procedimientos para denunciar o para transferir del Internet una copia del formulario de quejas del Distrito, por favor visite nuestra página web al: www.rcc.edu/administration/dec.cfm o llame al: (951) 222-8039.

Cómo Denunciar

Si usted experimenta o presencia lo que usted cree ser discriminación u hostigamiento ilícito, por favor documente la siguiente información:

- Fecha, hora y ubicación del incidente;
- Nombres e información para ponerse en contacto con personas involucradas y posibles testigos, si se conocen;
- Información detallada referente al/la los incidente(s) que observó;
- Reporte sus preocupaciones y problemas llamando al (951) 222-8039.

La discriminación o el hostigamiento van en contra de la misión de la educación superior de RCCD y es contra la ley. La política del Distrito prohíbe las prácticas discriminatorias (reales, percibidas, o por asociación con otras personas) basadas en la: • Identificación de Grupo Étnico • Nacionalidad • Religión • Edad • Sexo/Genero • Raza • Color • Ascendencia • Orientación Sexual • Discapacidad Física o Mental • O cualquier característica enumerada o definida en la sección 11135 del Código Gubernamental o cualquier característica contenida en la prohibición de crímenes de odio contenidos en la subdivisión (a) de la sección 422.6 del Código Penal.

El Hostigamiento Sexual no tiene cabida en un ambiente académico o de trabajo. RCCD está comprometido a proveer un ambiente positivo y seguro para todos los estudiantes, empleados y visitantes. A continuación hay una lista parcial de actividades de hostigamiento sexual prohibidas:

- Propuestas sexuales indecentes;
- Ofrecimiento de empleo o de beneficios de calificaciones a cambio de favores sexuales;
- Represalias, reales o en forma de amenaza, por no participar;
- Miradas impúdicas; hacer gestos sexuales; o mostrar o exhibir objetos, fotos, caricaturas o carteles que sugieran sexualidad;

- Usar palabras sexualmente degradantes para describir a una persona; o cartas, notas o invitaciones sugestivas u obscenas;
- Tocar o atacar físicamente, como también impedir o bloquear movimientos.

La Resolución se puede lograr por un proceso, ya sea formal o informal. La opción del proceso la determina la persona que plantea la queja. El propósito del proceso de resolución informal es de permitir a la persona que cree que ha sido discrimina ilícitamente o ha sido hostigada sexualmente, resolver el problema a través de un proceso de mediación en lugar de un proceso formal de queja. Típicamente, el proceso informal es utilizado cuando existe un simple malentendido o la persona procura solamente una aclaración del malentendido o la persona se ha dado cuenta de que ha sido discriminada ilícitamente o por una persona que se ha dado cuenta de esta discriminación u hostigamiento ilícito en su capacidad oficial de maestro o administrador del Distrito.

Las Quejas Informales se pueden citar en la oficina de DEC del Distrito llamando al (951) 222-8039. Las quejas informales requieren que la persona que reporta la queja lo haga por escrito. Escoger el proceso informal no le impide el derecho a reportar una queja formal durante el periodo que tiene para reportar quejas.

Las Quejas Formales se pueden reportar en la oficina de DEC del Distrito llamando al (951) 222-8039 o a la oficina del Rector del Estado (California Community Colleges Chancellor’s Office, 1102 Q Street, Sacramento, CA 95811). Las quejas formales deben ser presentadas por escrito en el formulario de queja requerida. Las quejas formales deben ser reportadas solamente por la persona que alega que ha sufrido discriminación u hostigamiento ilícito o por una persona que se ha dado cuenta de esta discriminación u hostigamiento ilícito en su capacidad oficial de maestro o administrador del Distrito.

El formulario de queja esta disponible en las siguientes páginas web:
- www.rcc.edu/administration/hr/files/Discrim_Complaint_2006.pdf

El Plazo para Reportar una Queja en casos que no involucran discriminación u hostigamiento en el empleo es dentro de un año de la última fecha en que ocurrió la conducta presunta. Quejas que involucran discriminación u hostigamiento en el empleo se reportarán dentro de 180 días de la última fecha en que ocurrió la conducta presunta. Una extensión puede estar disponible si el conocimiento de los hechos de la presentación de la queja se desarrolló después de la fecha de caducidad.

### ENROLLMENT GUIDELINES: SPANISH COURSES

1. If you have taken Spanish in high school or in another college or university, you must have official transcripts on file and request evaluation of the course(s).

   Additionally, we highly recommend that you take the Spanish competency test so that an accurate determination of your skills can be made prior to registration.

2. If you have acquired knowledge of Spanish outside of a formal educational institution, you must file a matriculation appeals petition and take the Spanish competency test.

### SPANISH

**DO YOU NEED INFORMATION ON HOW TO VALIDATE YOUR PREREQUISITE? CALL THE PREREQUISITE HOTLINE AT 222-8808. (FOR CHEMISTRY AND FOREIGN LANGUAGES ONLY.)**

### Spanish Placement Testing

The Spanish placement test measures competency levels for non-native speakers of Spanish who wish to enroll in Spanish courses but need to determine the appropriate starting level. The results show a recommendation of the appropriate Spanish class. Students can enroll in a level lower than their placement, but not higher.

The Connect Learning to Life communities provide students with opportunities to see how academic subjects relate to each other through coordinated assignments and linked coursework. Students will be given the chance to be part of a learning cohort to encourage bonding with peers, faculty, and staff. Research has shown that students participating in learning communities earn better grades and are more likely to remain in college. In addition, students who participated were more involved with their peers both inside and outside the classroom.

If you enroll in the Connect Learning to Life paired courses you MUST ENROLL in both courses concurrently, which means you cannot take one without the other. For example, using the first two courses listed in the table below, if you enroll in CHE 2A you must also enroll in MAT 35. These courses will have shared syllabi, shared assignments, and may also use the same textbook. If you decide to drop one of the paired courses you MUST DROP both, as you may not continue in just one of the paired courses.

Although no prior program approval is necessary to enroll, students may contact mvc.bsi@rcc.edu or call 951-571-6164 for additional information.

Welcome to Riverside Community College District’s unique and vital public safety training located at the Ben Clark Training Center (BCTC). What are online, hybrid and web-enhanced courses?

- Online courses are taken exclusively over the Internet – there are no on-campus meetings required. However, some online classes require proctored exams, either on an RCCD campus or by an off-site proctor approved by the instructor. See www.opencampus.com.

- Hybrid courses meet both on-campus and online; think of them as traditional face-to-face courses where some of the on-campus class meetings are replaced with online assignments. In a hybrid course, you will attend meetings on-campus during the dates and times listed in this Schedule of Classes. Since the on-campus portion of hybrid classes could take place at any of our three colleges (Riverside, Norco or Moreno Valley), hybrid courses are listed according to the campus where the on-campus meetings take place. So, for example, if you’d like to take a hybrid course at Norco, you’d look under the Norco campus section of this schedule.

- Web-Enhanced courses are traditional face-to-face classes that are augmented with course websites. Unlike hybrid courses, all web-enhanced class meetings take place on-campus. The course website is an extra value!

Are you ready for online learning?
To take an online, hybrid, or web-enhanced class, here are a few things to keep in mind:

- You should have regular access to a personal computer that is connected to the Internet. Not sure whether your computer measures up? At www.opencampus.com, click on “Help”, then click “Requirements Help” (near the top left, under “Help Links”).

- You should be familiar with basic computer operations: for example, using a word processing program, logging onto the Internet, using a browser, and sending e-mail.

- You should be self-disciplined and have strong study skills. It’s easier to fall behind in an online class.

- Lastly, you shouldn’t believe the myth that online or hybrid courses are “easier” than face-to-face courses. In fact, online courses cover the same material as face-to-face courses, and many students say that their online courses actually require more of their time than their face-to-face courses. Set aside a few minutes and take the Open Campus Distance Learning quiz to help you decide.

Please note: To enable online-based students to communicate more effectively with their instructors, students need to activate and use their RCCD e-mail account. Please go to www.rcc.edu/students/emailtutorial.cfm and follow the link to e-mail tutorial at www.rcc.edu/students/emailtutorial.cfm. Personal e-mail addresses will not be used so the RCCD account is the only approved method of formal communication from RCCD to the student.

What’s an online course like?
Sample an online course--go to www.opencampus.com and click on “Online Course”. Under “Quick Links” in the left column, click on “Sample Class”. Use the information provided to log-in.

This website provides:
- computer settings and requirements
- information about registration
- login information
- student and faculty help files
- course syllabi and textbook information
- an online course sample class

If you’ve visited our website and still have questions, please call the Open Campus Help Line at (866) 259-7271.

Are open campus distance learning courses for me?
1. Holding weekly class meetings face-to-face is:
   a. Not particularly necessary for me.
   b. Somewhat important to me.
   c. Very important to me.

2. I would classify myself as someone who:
   a. Often gets things done ahead of time.
   b. Needs reminding to get things done on time.
   c. Puts things off until the last minute or doesn’t complete them.

3. When an instructor hands out directions for assignments, I prefer:
   a. Figuring out the instructions myself.
   b. Trying to follow the directions on my own, then asking for help as needed.
   c. Having the instructions explained to me.

4. Considering my professional and personal schedule, the amount of time I have to work on a Distance Learning course is:
   a. More than enough time for an on-campus course.
   b. The same as for a class on-campus.
   c. Less than for a class on-campus.

5. As a reader, I would classify myself as:
   a. Good - I have no problem understanding textbook material.
   b. Average - I sometimes need help to understand the text.
   c. Slower than average.

6. Commuting to campus on a regular weekly schedule is:
   a. Extremely difficult for me - I have commitments.
   b. A little difficult, but I can rearrange my priorities for regular attendance on campus.
   c. Easy for me.

7. When I need help understanding the subject:
   a. I am comfortable approaching the instructor.
   b. I am uncomfortable approaching the instructor, but I do it anyway.
   c. I never approach an instructor to admit I don’t understand something.

SCORING: Are Distance Learning courses for you? Score your responses:
3 points for each “a”, 2 points for each “b”, and 1 point for each “c”. 14 or over – a Distance Learning course is a real possibility for you. Between 8 and 13 – Distance Learning courses may work for you, but you may need to make adjustments in your schedule and study habits to succeed. 7 or less – Distance Learning courses may not currently be the best alternative for you; talk with your counselor.

Online Courses

Online course Limitation on Enrollment:
Enrollment in online courses offered through the Riverside Community College District is limited to students who have demonstrated competency in working in the online environment.

Before you can register for an online class, you must demonstrate that you have the computer and Internet skills you need to be successful. Your enrollment in online classes will be blocked until you have met this requirement.

You may demonstrate competency and meet the requirements of this limitation on enrollment in two ways:

1. Successful completion of an online class (grade of “C” or better).
   If you successfully completed an online course at Riverside Community College District prior to fall 2010, your record has already been cleared and you may register immediately (if you are unable to register, please contact the Matriculation Specialist at matric.specialist@rcc.edu).
   If you successfully completed an online course at another accredited college or university, please call the prerequisite hotline (951) 222-8808 for directions about how to provide documentation to clear this limitation on enrollment (since verification of your successful class completion will not be immediate, you are encouraged to simply complete the short Online Skills Workshop described in Item 2 below).

   OR

2. Log into WebAdvisor and complete the “Online Skills Workshop”.
   The Online Skills Workshop takes only a few minutes to complete and will verify your ability to perform the functions required in an online class, such as posting to a discussion board, uploading assignments, sending an e-mail, attaching a document, etc. Once you have successfully completed the workshop, you will be cleared to register for online classes.

Some online classes require proctored exams, either on an RCCD campus or by an off-site proctor approved by the instructor. See [www.opencampus.com/online/schedule.html](http://www.opencampus.com/online/schedule.html).
The Community for Academic Progress (CAP) Program is an exciting program designed to allow students to enroll in grouped or paired courses that share common themes, activities, and assignments. Since the courses are linked, students take these classes as a group, allowing faculty and students to work and learn together. Whether you are transitioning from high school or a continuing college student, CAP has a learning community for you! While college may seem overwhelming, CAP addresses your needs in an environment of caring faculty, staff, and administrators. In addition to learning communities, CAP offers math courses that are only open to CAP students, which means everyone in a math CAP class is part of the CAP Program.

The CAP Program Offers:

- An academic program that combines courses in one convenient schedule.
- “Priority” registration so that registering for college is not difficult.
- A personal orientation to introduce you to the program and to the college.
- Counselors who assist with your Student Educational Plan (SEP) and provide personal counseling and career development.
- Access to technology both in and out of the classroom.
- Supplemental Instructional (SI) Leaders who provide review sessions and teach effective learning and study strategies.
- Field trip opportunities to CSUs, UCs, and private universities that give glimpses of university life.

Next Steps for Fall 2010:

1. If you have not completed an RCCD application, please complete it online at www.rcc.edu
2. If you have not taken the English, reading and math placement tests, please call the Assessment Center at 951-222-8451 for available testing hours.
3. If you have not completed the RCCD Orientation, please log on to WebAdvisor and complete the online orientation. You must also submit your One-Semester Educational Plan via WebAdvisor.
4. Call the CAP office at 951-328-3820 so that we can work on your “priority” registration, and sign up for a mandatory CAP orientation. Space is limited, so call TODAY!
   - Call beginning June 21, 2010 to get approved for the CAP program.
   - To receive “priority” registration in CAP courses, call no later than July 20, 2010.
   - To receive “guaranteed” registration in CAP courses, call no later than August 17, 2010.

### Reading the Word and the World
Explore the world's great religions and seek answers to life's questions such as "Why are we here?" and "What happens after death?" without ever leaving RCC. See how a myriad of religious ideas can respond to world's ecological crises, economic justice, war, equality, and capital punishment. As you attempt to gain perspective from these complex worldly issues through reading about the religions of the world, you will be supported in a collegial environment which assists you in reading the course content. There is no better way to "read" the Word and the World.

**Get With the Program**

Hone your analytical skills by translating your mathematical problems into C++ programs. C++ is a computer language developed by Bell Lab scientists to ease their calculation burden, in other words, to allow them quick answers to complex math problems. So, as your math teacher shows you how to solve a quadratic equation for its roots, your programming teacher will teach you how to write a C++ program that does it automatically for you.

What Every Student Should Know~

AB540 Non-Resident Fee Waiver

A student who qualifies for the Non-Resident Fee Waiver will be exempt from paying the out-of-state tuition fee and will pay the $26 per unit enrollment fee. The qualifications for the waiver are stated below:

Any student other than a non-immigrant alien within the meaning of paragraph (15) of subsection (a) of Section 1101 of Title 8 of the United States Code, who meets all of the following requirements shall be exempt from paying non-resident tuition at RCCD:

1. High school attendance in California for three or more years.
2. Graduation from a California high school or attainment of the equivalent thereof (equivalent considered GED or high school proficiency test) must be obtained in the state of California. Certificates of Completion may also qualify students for the waiver.
3. In the case of a person without lawful immigration status, the filing of an affidavit (available in the admissions office) stating that the student has filed an application to legalize his or her immigration status, or will file an application as soon as he or she is eligible to do so. Student information obtained in the implementation of this section is confidential. Students who are non-immigrants [for example, those who hold F (student) visas, B (visitor) visas, etc.] are not eligible for this exemption.

A student who meets the qualifications for the Non-Resident Fee Waiver is not a resident of the state of California until he or she meets physical presence and intent requirements as stated in the “Residence Classification for Tuition Purposes” section above. Students without lawful immigration status are not eligible for any federal or state supported financial aid such as the Board of Governors Waiver, etc. Please see Admissions and Records for the exemption request form. The Non-Resident Fee Waiver is available at the Admission and Records Office. This form can be printed out at www.rcc.edu/services/admissions/forms.cfm.

Academic Freedom

The District endorses the American Association of University Professor’s Statement of Principles on Academic Freedom and Tenure: “Academic freedom is essential to these purposes and applied to both teaching and research. Freedom in research is fundamental to the advancement of truth. Academic freedom in its teaching aspect is fundamental for the protection of the rights of the teacher in teaching and of the student to freedom in learning” (BP 4030).

Academic Honesty

Academic honesty and integrity are core values of the Riverside Community College District. Students are expected to perform their work (except when collaboration is expressly permitted by the course instructor). Believing in and maintaining a climate of honesty is integral to ensuring fair grading for all students. Acts of academic dishonesty entail plagiarizing—using another’s words, ideas, data, or product without appropriate acknowledgment—and cheating—the intentional use of or attempted use of unauthorized material, information, or study aids on any academic exercise. Students who violate the standards of student conduct will be subject to disciplinary action as stated in the “Standards of Student Conduct”, listed in the Student Handbook. Faculty, students, and administrators all share the responsibility to maintain an environment which practices academic integrity.

Academic Renewal

Academic Renewal allows previously recorded substandard course work taken at RCCD to be disregarded in the computation of RCCD grade point average after 24 subsequent units have been completed with a 2.0 GPA. The form and information is available online at www.rcc.edu/services/admissions/forms.cfm.

Americans with Disabilities Act

The Americans With Disabilities Act extends universal civil rights protection to individuals with disabilities. The implementation of the ADA provides greater access and opportunities for community college students and employees with disabilities. Riverside Community College District makes all programs and facilities accessible to persons with disabilities, and provides services to students with disabilities through the Disabled Student Services Office. For more information call 222-8060, TDD 222-8061.

Area of Emphasis Grade Requirements

Beginning in 2009, each course counted toward the unit requirement in an area of emphasis or a major or program of study must be completed with a grade of “C” or better, or a “P” if the course is taken on a Pass/No Pass basis.

If a student stops attending a class, it is ultimately the student’s responsibility to officially drop the class.
—
It is also the student’s responsibility to consult with his/her instructor regarding any absences that will alter his/her status in the class.
—
Students who fail to attend the first class meeting or have a poor attendance record may be dropped from the class!

Attendance Policy

The student is expected to attend every meeting of all classes for which he/she is registered. Attending a class without being registered is contrary to Riverside Community College District policy and cannot be used as a basis for a petition to add a class. Students who have enrolled for a class and who do not attend or who are late or absent from the first meeting of the class may forfeit their right to a place in the class. Students should know and understand the attendance policy for each class in which they are enrolled.

Auditing

RCCD offers students the option of auditing courses. Instructions for auditing are as follows:

1. Students may not audit a class unless he/she has taken the course and has exhausted all possibilities to repeat the course.
2. No student will be allowed to enroll for audit prior to the first day of the course. The first day of the course refers to the actual course meeting.
3. Permission to audit a class is done at the discretion of the instructor and with instructor’s signature.
4. When auditing, the student shall not be permitted to change his/her enrollment in that course to receive credit.
5. With the instructor’s signature and permission, a credit student may switch his/her enrollment to audit status provided the change is completed prior to 30% of course for short-term courses.
6. With the instructor’s signature and permission, a student may enroll in a course for audit at any time during the semester if he/she has not enrolled in that course for credit during the same semester.
7. Credit students have priority over auditors. If a course closes after an auditor has been admitted, the auditor may be asked to leave to make room for the credit student. Instructors discretion is strongly recommended.
8. The audit fee is $15 per unit plus student services and health fees. Students enrolled in 10 or more semester units may audit 3 units of audit free (may be 3 one-unit courses.) The $15 per unit audit fee will automatically be charged if the student drops below 10 units.

Students wishing to audit should be aware that audited classes will not appear on an official transcript. Green audit cards are available at the Admissions counter at all RCCD college locations. Fees are due when the form is submitted. For more information, please contact Student Services at Moreno Valley (951) 571-6101 or Norco (951) 372-7003, or the Admissions and Records Office at Riverside (951) 222-8600.

194
Basic Skills Requirements

In 2009, the basic skills requirements changed from completion of ENG 50, 1A or 1AH and MAT 1-49, 52 or 53 with a "C" grade or higher, to completion of ENG 1A or 1AH or equivalent and MAT 1-49, 35, or equivalent.

Class Cancellation

Each college reserves the right to cancel any class in which the enrollment is insufficient to warrant its continuance.

Counseling

Counseling appointments are available at all three RCCD college locations. Schedule an appointment with Counseling if you have questions about which classes to take, transfer to another college, vocational programs, etc. The appropriate telephone numbers are:

- Moreno Valley College – (951) 571-6104
- Norco College – (951) 372-7101
- Riverside City College – (951) 222-8440

Course Grade Verification

Students enrolled in a course who are seeking to re-enroll in the same course the next term must get verification from the instructor that they will not receive a passing grade in order to be eligible to register now for the same course next term. The form is available at www.rcc.edu/services/admissions/forms.cfm.

Credit By Exam

Credit may be granted to any student who satisfactorily passes an examination approved or conducted by the discipline or program in which a comparable course is offered. In the case of foreign languages, students must complete a higher level course in order to receive credit for a lower level language course. Forms are available at www.rcc.edu/services/admissions/forms.cfm.

Deadlines

Add deadlines are listed with each class in this publication and on WebAdvisor at www.rcc.edu. Drop deadlines and refund deadlines can be printed on WebAdvisor at www.rcc.edu. Click on Class Name/Deadlines.

Degree Change Alert

The math and English competency requirements for the associate degree changed beginning fall 2009. All new students and all other students who are returning after a break in their continuous enrollment are required to get a "C" or better in ENG-1A and MAT-35 to complete an associate degree. Students who maintain continuous enrollment as defined in “Catalog Rights” in the college catalog will be able to fulfill this requirement by completing the prior requirements of ENG-50 and MAT-52.

Enrollment Limitations

RCCD offers some courses which place limitations on enrollment. These limitations may include successful completion of courses, successful completion of online tutorial to demonstrate computer skills, preparation levels for math and English, performance criteria or health and safety conditions. Students who do not meet the conditions imposed by these limitations will be blocked from enrolling in these classes. Refer to the Open Campus section for the online course limitation on enrollment.

Prerequisite - When a course has a prerequisite, it means that a student must have certain knowledge to be successful in the course. The prerequisite knowledge may be a skill (type 40 wpm), an ability (speak and write French fluently), a preparation level (placement test and prior academic background), or successful completion of a course (grade of C or better or P). Completion of the prerequisite is required prior to enrolling in the class. Successful completion of a prerequisite requires a grade of C or better or P (Pass). D, F, NP (No Pass) or I grades are not acceptable. Instructions for validating prerequisites taken at another college follow.

Corequisite - When a course has a corequisite, it means that a student is required to take another course concurrently with or prior to enrollment in the course. Knowing the information presented in the corequisite course is considered necessary in order for a student to be successful in the course (for example, completion of, or concurrent enrollment in MAT-1A is required for PHY-4A).

All course prerequisites and corequisites will be enforced. This means that a student’s registration will be blocked if he/she does not have the required prerequisites and corequisites. Preparation scores for English, mathematics and reading will also be enforced. Students who previously took the ASSET, APS, DTLS and/or MDTP test(s) and classes based on these test results must retest on the Accuplacer assessment test or show proof of prerequisites.

- Verifying Prerequisites/Corequisites - It is the student’s responsibility to know and meet the course prerequisites and corequisites before attempting to register for the class. These are stated in the course descriptions within the Schedule of Classes and a current RCCD catalog. When the student has completed the prerequisite or corequisite, the student must request that an official transcript (in a sealed envelope, dated within 90 days) be sent to RCCD Admissions and Records. The student must also complete a Prerequisite Validation Request form, requesting a review of the prerequisites on that transcript before attempting to register for classes. The request form is available at www.rcc.edu. Click on Going to College. Also see Step 3 in this publication.

- Prerequisite/Corequisite Challenge Procedure - Any student who does not meet a prerequisite or corequisite, or who is not permitted to enroll due to a limitation on enrollment but who provides satisfactory evidence may seek entry into the course as follows:

1. If space is available in a course when a student files a challenge to the prerequisite or corequisite, the District shall reserve a seat for the student and resolve the challenge within five (5) working days. If the challenge is upheld or the District fails to resolve the challenge within the five (5) working-day period, the student shall be allowed to enroll in the course.

2. If no space is available in the course when a challenge is filed, the challenge shall be resolved prior to the beginning of registration for the next term and, if the challenge is upheld, the student shall be permitted to enroll if space is available when the students registers for that subsequent term.
Students wishing to utilize the challenge procedure must contact Counseling and complete the required Matriculation Appeals Petition. Prerequisites and/or corequisites may be challenged based on the following criteria:

1. The prerequisite or corequisite has not been established in accordance with the District's process for establishing prerequisites and corequisites;
2. The prerequisite or corequisite is in violation of Title 5, Section 55003;
3. The prerequisite or corequisite is either unlawfully discriminatory or is being applied in an unlawfully discriminatory manner;
4. The student has the knowledge or ability to succeed in the course or program despite not meeting the prerequisite or corequisite;
5. The student will be subject to undue delay in attaining the goal of his or her educational plan because the prerequisite or corequisite course has not been made reasonably available or such other grounds for challenge as may be established by the Board;
6. The student seeks to enroll and has not been allowed to enroll due to a limitation on enrollment established for a course that involves intercollegiate competition or public performance, or one or more of the courses for which enrollment has been limited to a cohort of students;
7. The student seeks to enroll in a course that has a prerequisite established to protect health and safety, and the student demonstrates that he or she does not pose a threat to himself or herself or others;

The student has the obligation to provide satisfactory evidence that the challenge should be upheld. However, where facts essential to a determination of whether the student’s challenge should be upheld are or ought to be in the District’s own records, then the District has the obligation to produce that information.

Unofficial transcripts may be submitted with the Matriculation Appeals Petition to temporarily validate a prerequisite. However, official transcripts must be received prior to registration for the next term for permanent validation.

Advisory - When a course has an advisory, it means that a student is recommended to have a certain preparation before entering the course. The preparation is considered advantageous to a student's success in the course. Since the preparation is advised, but not required to meet the condition before or in conjunction with enrollment in the course (i.e., eligibility for ENG-1A is recommended), the student will not be blocked from enrolling in a class if he/she does not meet the advisory.

Limitation On Enrollment - are other restrictions that are stated in the course description such as "an audition or try out" or eligibility for a program like Honors which requires a specific GPA and qualification or completion of ENG-1A.

Enrollment Verifications

Enrollment verifications are available on WebAdvisor at www.rcc.edu or they may be obtained at the Transcript Office at Riverside City College (951) 222-8603 or from Student Services at Moreno Valley College (951) 571-6101 or Norco College (951) 372-7003. Students receive two free verifications. After that there is a $2.00 fee for each enrollment verification requested.

Requests for enrollment verification are accepted at each college location and are processed on a first-come, first-served basis. Students must pay all fees associated with their term enrollment and the $2.00 enrollment verification fee, if required, before the verification request can be processed.

Final Examinations

The final examination schedule for fall and spring semesters is published in the back of this publication. Final examinations for winter and summer sessions are held on the last class meeting date at the regularly scheduled time.

Grades

Grades are available on WebAdvisor at www.rcc.edu (see calendar). If grades are not posted by this date, contact the instructor. If necessary, contact the appropriate academic department. Grades may be available earlier, but please do not call prior to this date. Students with financial holds cannot receive transcripts or diplomas.

Grade Changes

According to RCCD Board Policy: The student has one year following the semester in which the grade was recorded to request a change of grade. After the one-year limit, the grade is no longer subject to change. Students must file an Extenuating Circumstances Petition (ECP) and supporting documentation with the Admissions and Records Office at one of the three colleges.

Honors Program

The requirements for the Honors Program include:

- A 3.0 GPA in at least 9 units of transferable coursework
- A 3.0 GPA for incoming high school students (provide a transcript)
- Verification of eligibility for or completion of English 1A (we’ll check this for you)
- Completion of an Honors Program application (which is available on the website or from the program coordinators.)

If you’d like more information, please contact: Sheila McDonald at (951) 222-8571 or email: sheila.mcdonald@rcc.edu.

Identification

No student information will be given or changes made to a student’s records (other than filing an application) without photo identification. Changes cannot be made for another person.

Military Credit

Two physical education units are awarded upon presentation of DD214, NOBE or ID card for active military. Military tech schools are evaluated based on the recommendations of the ACE Guide. No credit is granted for MOs, correspondence courses, internships or military-specific courses. A maximum of 15 units may be awarded (two of which may be the PE credit).

CCAF, SMARTS, AARTS transcripts, DD214 and Certificates of Completion are used to evaluate military credit. Request for evaluation of military credit should be submitted to the Veterans Office located at Riverside City College after the completion of 12 semester units. No more than 30 units may be granted for CLEP, military training, AP or credit by exam. Any military credit granted is usable toward your AA/AS degree at RCCD only and is not posted to your RCCD transcript. See Veterans' Services for more information.

Non-Credit Basic Skills Courses

Non-credit basic skills courses are those courses in reading, writing, computation, and English as a Second Language which are designated as non-credit courses pursuant to Title 5, subdivision (c) of section 55002. These courses (English 885, Guidance 801 and Reading 887) are intended to provide students with skill remediation, development or proficiency but do not carry any unit value and are not degree-applicable.
Non-Degree Credit

Courses indicated as non-degree credit earn credit, but the credit is not counted toward the associate degree. These courses (Art 95 to 99; Computer Applications and Office Technology 99 ABCDE; English 60AB, 60A1, 60A2, 60A3, 60A4, 85, 90B; English as a Second Language 51, 52, 53, 65, 71, 72, 90 A-K, 91, 92, 95, Guidance 95; Mathematics 63, 64, 65, 90 A-F, 98; Nursing - Continuing Education 81, 83; Reading 81, 82, 83, 86, 87, 95; Spanish 85) are intended to help students develop skills necessary to succeed in college level degree-applicable courses. Non-degree credit courses can be used toward the following: athletic eligibility, work study, financial aid, social security benefits, veteran’s benefits, associated student body office, and full-time status.

Notification of Rights under FERPA for Postsecondary Institutions

Riverside Community College District adheres to the policies of the Family Educational Rights and Privacy Act (FERPA) when establishing and maintaining education records. Although the District applies the provisions of FERPA in a strict manner, the law allows the District to release student directory information. RCCD, based on FERPA regulations, designates as directory information the following: student’s name, address, telephone listing, e-mail, major field of study, dates of attendance, enrollment status, (e.g., full time/part time) participation in officially recognized activities and sports, weight and height of members of athletic teams, degree and awards received, the most recent previous public or private school attended by the student, and any other information authorized in writing by the students.

Students have the opportunity to request that their directory information be maintained as confidential. In completing the admission application, students are provided this opportunity. Students who are continuing students with RCCD may go to the Student Services Office at Moreno Valley or Norco College, or to the Admissions and Records Office at Riverside City College and request to have directory information withheld.

The student’s prior written consent is not required to disclose non-directory information under specific conditions according to FERPA regulations. Included under this provision is the ability to disclose education records to parents of a student under 18 years of age as defined in Section 152 of the Internal Revenue Code of 1986. Refer to www.rcc.edu/ferpa for more information.

The Family Educational Right and Privacy Act (FERPA) affords students certain rights with respect to their education records. These rights include:

1. The right to inspect and review the student’s education records within 45 days of the day RCCD receives a request for access. Copies are not provided if the student has an outstanding financial or other hold on the records. The District may assess a charge pursuant to Board Policy Regulation 7045 for furnishing copies of any education record. Students should submit to Admissions and Records, the dean, head of the academic department, or other appropriate official, written requests that identify the record(s) they wish to inspect. The RCCD official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the RCCD official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

2. The right to request the amendment of the student’s education records that the student believes are inaccurate or misleading. Students may ask RCCD to amend a record that they believe is inaccurate or misleading. They should write the RCCD official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If RCCD decides not to amend the record as requested by the student, RCCD will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. The right to consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent. One exception which permits disclosure without consent is disclosure to college officials with legitimate educational interests. A college official is a person employed by RCCD in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom RCCD has contracted (such as an attorney, auditor, collection agent or agents or organizations conducting studies on behalf of the college); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another college official in performing his or her tasks. A college official has a legitimate educational interest if the official needs to review an educational record in order to fulfill his or her professional responsibility. Upon request, RCCD discloses education records without consent to officials of another school in which a student seeks or intends to enroll.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by RCCD to comply with the requirements of FERPA.

Overlapping Classes

If classes have overlapping meeting times, students must register in person with an approval for overlapping classes form including instructor and Dean of Instruction signatures. The form is available online at www.rcc.edu/services/admissions/forms.cfm.

Pass/No Pass

If a class is offered with a Pass/No Pass (formerly Credit/No Credit) grade option, students may elect to take the class on that basis; this option is available the first 30% of the course (see “Deadlines” for deadlines to elect Pass/No Pass). Pass (P) is equivalent to passing a class with a “C” or better. Requests for Pass/No Pass must be submitted to Admissions and Records at Riverside City College or to Student Services at Moreno Valley or Norco. Check a RCCD catalog for classes that are offered with a Pass/No Pass option.

Personal Profile Update

The Personal Profile Update link on WebAdvisor allows students to update their address, phone number, education goal, privacy, personal email address and home campus. Students can also submit a Change of Information form in Admissions to update all of these as well as a name change (with legal documentation), social security number (with valid SS card), date of birth (with legal documentation), educational goal or admit status. Students should speak to a counselor before changing their program of study (major) or educational goal, or for assessment and orientation/counseling questions. Personal email addresses will not be used by RCCD except in an emergency. Your RCCD account is the ONLY approved method of formal communication from the District to the student.

Probationary and Dismissal Students

If you are on academic probation or dismissal, contact Counseling for registration requirements and procedures. (Procedures for dismissal students can be viewed in WebAdvisor by selecting Check My Registration Dates/Holds.)

Probationary Students

Students who have attempted 12 or more term units will be placed on academic probation if their grade point average is below a 2.0. Students who have attempted 12 or more term units will be placed on progress probation if they have 50% or more of their units as withdrawals, incompletes, or no-credits. To learn more about probation, or if you are on academic/progression probation go to the online workshop at www.rcc.edu.
Dismissal Students
Students who maintain less than a 2.0 grade point average for two full-term semesters after being on probation are subject to academic dismissal. Students who exceed 50% of their units with withdrawals, incompletes, or no-credit for two full-term semesters after being on probation are subject to progress dismissal.

If you are a first-time dismissal student go to the online dismissal workshop at www.rcc.edu and follow the instructions listed on the letter you receive. Walk-in counseling is available at all three college locations during regular business hours in Counseling. You will need to bring your printed verification of attending counseling is available at all three college locations during regular business

Repeat Policy - Course Repetition

Non-Repeatable Classes
- Students are limited to a maximum of 5 attempts per course including Ws and substandard grades (D,F,NP,NC);
- Students are limited to a maximum of four Ws per course;
- MWs (military withdrawals) are excluded from the W counts;
- Students are limited to a maximum of 3 attempts that result in a substandard grade (D,F,NP,NC);

A Request for Course Repetition is required for all other requests: Go to www.rcc.edu/services/admissions/forms.cfm for information on reasons to request a course repetition. (Examples include legally mandated training requirements, changes in course outline, recency requirements, extenuating circumstances.)

When course repetition occurs, the permanent academic records will be annotated in such a manner that all work remains legible ensuring and true and complete academic history. For non–repeatable courses taken and repeated at RCCD the most recent grade earned will be used to compute an adjusted grade point average.

Repeatable Classes
Repeatable activity and performance classes may be taken up to a total of four times without a Request for Course Repetition; these courses are identified in the college catalog.

A Request for Course Repetition is required for all other requests: Go to www.rcc.edu/services/admissions/forms.cfm for information on reasons to request a course repetition. (Examples include legally mandated training requirements, significant lapse of time, special class for students with disabilities.)

Requests for Course Repetition must be submitted to the Dean of Instruction at the student's home campus. If approved, the student must bring the signed form to Admissions and register in person. A Request for Course Repetition must be approved prior to the beginning of the academic term. The form is available at www.rcc.edu/services/admissions/forms.cfm.

Residency for Tuition Purposes
You are considered a California resident for tuition purposes if:
1. You verify physical presence one year and one day prior to the residency determination date (the first day of the semester you plan to attend). The one year period begins when you are not only present in California but also have demonstrated clear intent to become a permanent resident of California.
2. You verify an intent to make California your permanent place of residence. U.S. Citizens, Permanent Residents, and those with Refugee/Asylee status or qualifying visas may establish residency for tuition purposes based on the above criteria. Further questions may be directed to the Admissions & Records Office.

Students who do not meet these requirements will be classified as non-residents and will be required to pay non-resident fees. Non-resident students pay both the $26 per unit enrollment fee and the $183 per unit non-resident tuition. International students also pay the $24 per unit surcharge. Non-resident students may be eligible to pay resident enrollment fees using the AB540 Non-Resident Fee Waiver. See the AB540 section for additional information.

Military and Veteran Students and Family Members:
RCCD exempts students from non-resident tuition who are members of the armed forces of the United States stationed in this state on active duty. A student who is a natural or adopted child, stepchild, or spouse who is a dependent of a member of the armed forces is also exempt from non-resident tuition.

Students who feel they are eligible for a fee exemption should contact the Riverside County Dept of Veterans Services at (951) 955-6050 for more information.

Standards of Student Conduct
The responsibility to maintain and respect conditions conducive to learning is shared by all members of the college community. Students should exercise their freedoms with maturity and responsibility. Standards of student conduct along with other rights and responsibilities are available in the Student Handbook. Students receive the handbook during the freshman orientation/counseling sessions prior to registering for classes. Copies of the Student Handbook are available in the Counseling Department at each college location or accessible online at www.rcc.edu/services/counseling/files/studenthandbook.pdf.

Student Right-to-Know Disclosure Statement
In compliance with the Student Right-to-Know and Campus Security Act of 1990, it is the policy of Riverside Community College District to make available its completion and transfer rates to all current and prospective students. Beginning in fall 2005, certificate-, degree- and transfer-seeking first-time students, enrolled full-time in degree applicable courses, were tracked over a three-year period. Their completion and transfer rates are listed below. These rates do not represent the success rates of the entire student population in the Riverside Community College District, nor do they account for student outcomes occurring after this three-year tracking period.

Based upon the cohort defined above, 21.93% attained a certificate, degree or became “transfer-prepared” during a three-year period (fall 2005 to spring 2008). Students who are “transfer-prepared” have completed 56 transferable units with a GPA of 2.0 or better. Based upon the cohort defined above, 17.29% transferred to another postsecondary institution prior to attaining a degree, certificate or becoming “transfer-prepared” during a five semester period (spring 2006 to spring 2008).

More information about Student Right-to-Know rates and how they should be interpreted can be found at the California Community Colleges Student Right-to-Know Information Clearinghouse website at srtk.cccco.edu/index.asp

Textbook Cost Containment
Effective July 1, 2010, institutions are required to disclose in their course schedules, "to the maximum extent practicable," the International Standard Book Number (ISBN) of every required and recommended textbook and supplemental materials, and retail price information. RCCD has worked with Barnes and Noble to provide this information through each college location's bookstore website, which provides all of the pertinent information regarding course textbooks:

- Moreno Valley College Bookstore: www.rccmoreno.bncollege.com
- Norco College Bookstore: www.rccnorco.bncollege.com
- Riverside City College Bookstore: www.rcc.bncollege.com
Transfer Courses
You may obtain a list of RCCD classes which are transferable to the University of California and the California State University from the Career and Transfer Center at each RCCD college location. The information also appears in each college catalog.

UC or CSU Cross Enrollment
Undergraduate students enrolled at any RCCD college may enroll at a CSU or UC campus without formal admission to take a maximum of one course per academic term at a campus on a space-available basis at the discretion of the appropriate university authorities on both campuses.

An RCCD student is qualified to cross enroll if the following requirements are met:
- Completed at least one term at RCCD as a matriculated student
- Earned a grade point average of 2.0 (grade of “C”) for work completed
- Enrolled for a minimum of six units for the current term at RCCD and paid appropriate fees
- Completed appropriate academic preparation as determined by host campus (UC or CSU)
- Is a California resident

Cross Enrollment application forms are available online at www.rcc.edu/services/admissions/forms.cfm and at UC and CSU campuses. UC and CSU may charge a $10 or more administrative fee each term. See the application form for other important information.

Units for Full-Time Status
For full-time status, a student must be enrolled in at least 12 units of credit for the fall/spring semesters and 6 units of credit for the winter/summer terms. Students who are enrolled in less than 12 units for fall/spring terms or less than 6 units for winter/summer are considered to be part-time. Specialized programs may have a different unit requirement for full-time status because of state mandates. The maximum amount of units a student may enroll in for fall/spring semesters is 18. Students wishing to enroll in more than 18 units must have an established GPA of 3.0 or higher. A counselor must sign an add card after verifying the GPA and the student must register in person for the over limit units.

Veterans’ Services
Riverside Community College District provides assistance to veterans for the following benefit programs:
- Active Duty Educational Assistance Program – Montgomery GI Bill – Chapter 30
- Vietnam Era GI Bill – Montgomery GI Bill – Chapter 34/40
- Selected Reserve Educational Assistance Program – Montgomery GI Bill – Chapter 1606
- Vocational Rehabilitation – Chapter 31
- Post-Vietnam Era Veterans Educational Assistance Program (VEAP) – Chapter 32
- Survivors and Dependents Educational Assistance Program – Chapter 35
- Reserve Educational Assistance Program (REAP), Chapter 1607.
- Post-9/11 GI Bill – Chapter 33, refer to www.gibill.va.gov for updated information.

Veterans who are seeking to use VA Educational Benefits should apply online to the VA at www.gibill.va.gov. Allow 3-6 weeks for processing. Once processed, the VA will send applicants two copies of their Certificate of Eligibility. One copy must be given to the RCC Veterans’ Services Office in the Bradshaw Building at Riverside or to Student Services at Norco and Moreno Valley. For questions regarding pay, Certificate of Eligibility or benefits call 1-888-GiBILL-1.

While waiting for the Certificate of Eligibility veterans should continue with RCCD procedures in order to enroll and be certified for payment. Veterans apply to RCCD online at www.rcc.edu and complete assessment testing and/or counselor orientation (if applicable). Veterans may also be eligible for other financial aid and are encouraged to submit the FAFSA (Free Application for Federal Student Aid) online at www.fafsa.ed.gov. General veterans’ information can be found at www.rcc.edu. Click on Going to College and then on Veteran’s Assistance.

Before a VA Student Education Plan (SEP) can be developed, all transcripts must be sent or walked in to RCCD in order to have prior credit evaluated. Transcripts must be official, sealed and printed less than 90 days ago. After transcripts are received veterans can request a transcript evaluation and an SEP for a VA approved Program of Study. Veterans are referred to Counseling to make an appointment two weeks out to develop the VA Student Educational Plan (SEP). After completion of the SEP, veterans can register for approved classes. Check the VA website at www.gibill.va.gov for the listing of VA approved programs at RCCD.

After registering, veterans must turn in the Veteran’s Statement of Responsibility (Blue Sheet) to the Veterans’ Services Office at Riverside City College, or Student Services at Norco and Moreno Valley. This “Blue Sheet” is required in order for enrollment certification to be submitted to the VA and to avoid being dropped for non-payment by RCCD; this process may take 2-3 weeks. This form must be submitted to RCCD every term to request benefits.

Veterans are eligible for priority registration for two years after being discharged from active duty. In order to be eligible veterans must take a copy of their DD214 discharge papers to the Veterans’ Services or Admissions Office at Riverside City College, or to Student Services at Norco and Moreno Valley. Staff there will tell eligible veterans their priority registration dates. These dates are also posted on the VA website.

Veterans’ assistance is available in the Bradshaw Building at Riverside and in Admissions at Moreno Valley and Norco. Contact the Veterans’ Office at (951) 222-8607 or veterans@rcc.edu for more information. Information is also available at www.rcc.edu. Click on Going to College and then on Veteran’s Assistance.

See the Military Credit and Residency for Tuition Purposes sections for more information.

Workforce Preparation
Workforce Preparation offers a wide range of services and programs to assist students with academic success, employment, and financial independence. The programs directed by Workforce Preparation include the CalWORKs Program, the Workforce Preparation Skills Classes, TANF-Child Development Careers Program (TANF-CDC), Foster and Kinship Care Education Program, Riverside Gateway to College Early College High School, and the Foster Youth Emancipation Program. Workforce Preparation offers Skills Classes to students interested in building a strong foundation of reading (REA-87 or 95), writing (ENG-60A-1-4), business English (CAT-30A-C), math (MAT-90A-F), computer keyboarding and applications (CAT-99A-C-D-E), and life management skills to enhance success in the workplace and in further college courses. Look for the Skills Classes in the schedule. The Skills Classes are open to all students at Riverside City College only. For more information, please call (951) 222-8648 or visit the Workforce Preparation Resource Center in Lovekin F2.
Matriculation

Matriculation at Riverside Community College District is intended to assist students to establish appropriate educational goals and to provide support services to help them achieve these goals. Students eligible for matriculation will be provided an evaluation of basic skills, orientation, counseling, completion of an educational plan and follow-up services. All new matriculants must complete assessment, freshman orientation and counseling prior to registering for classes.

Assessment of Basic Skills

Preparation levels are required for placement in English, ESL, mathematics, and reading courses. These placement levels are based on a combination of test scores and other academic experience. Assessment/placement testing is available in alternate format for individuals with disabilities. Because RCCD uses multiple measures placement criteria, placement levels are enforced as prerequisites to courses.

New students and continuing students who need placement levels for ESL courses should make an appointment for this test by calling the Assessment Center at any RCCD college location. RCCD placement tests are available by appointment or on a walk-in basis depending on the type of test, college and time of year. To hear more detailed information, call one of the assessment centers and follow the prompts:

- Moreno Valley (951) 571-6492; Norco (951) 372-7156; Riverside (951) 222-8451.

Testing dates and times are also viewable online at www.rcc.edu/services/assessment/dates.cfm.

Orientation/Counseling Sessions

All first-time college students must complete a freshman orientation/counseling session prior to enrolling in courses. During these sessions, counselors introduce students to services and educational programs at Riverside Community College District, provide students with information on registration procedures and placement results; and assist the students in developing their first semester educational plans. New students seeking to complete a freshman orientation/counseling session should log on to WebAdvisor at www.rcc.edu for the orientation link. New students should also register for GUI-45, Introduction to College.

Counseling for Continuing Students

Continuing matriculated students are entitled to see a counselor who can recommend appropriate coursework based on assessment results, review of past school records, and other information provided by the student. Due to a high demand for counseling appointments during the winter and summer sessions, it is highly recommended that continuing students see a counselor during the spring and fall semesters to complete a Student Educational Plan. Students who have attended other college(s) must request to have an official transcript(s) sent to RCCD before scheduling counseling appointments.

Student Educational Plan

Counselors are available to assist matriculated students in developing an educational plan that outlines the courses and services necessary to achieve their goals. All matriculated students must declare a specific educational goal by the time they complete 15 units. Students are required to have an educational plan on file within 90 days after declaring a goal. When goals or majors are changed, students should update their educational plan. To ensure this procedure, matriculated students are encouraged to make an appointment with a counselor during their first semester at RCCD (special support programs may have additional requirements).

Follow-up

Counselors and instructors will provide follow-up activities on behalf of matriculated students. These activities are designed to inform students of their progress early in the semester and to continue to assist students in accomplishing their educational goals. Referrals for appropriate support services will be made to on-campus and off-campus locations when appropriate.

Student Rights and Responsibilities

Prerequisite/Corequisite Challenge Procedure - Any student who does not meet a prerequisite or corequisite, or who is not permitted to enroll due to a limitation on enrollment but who provides satisfactory evidence may seek entry into the course as follows:

1. If space is available in a course when a student files a challenge to the prerequisite or corequisite, the District shall reserve a seat for the student and resolve the challenge within five (5) working days. If the challenge is upheld or the District fails to resolve the challenge within the five (5) working-day period, the student shall be allowed to enroll in the course.

2. If no space is available in the course when a challenge is filed, the challenge shall be resolved prior to the beginning of registration for the next term and, if the challenge is upheld, the student shall be permitted to enroll if space is available when the student registers for the next term.

Students wishing to utilize the challenge procedure must contact Counseling and complete the required Matriculation Appeals Petition. Prerequisites and/or corequisites may be challenged based on the following criteria:

1. The prerequisite or corequisite has not been established in accordance with the District’s process for establishing prerequisites and corequisites;

2. The prerequisite or corequisite is in violation of Title 5, Section 55003;

3. The prerequisite or corequisite is either unlawfully discriminatory or is being applied in an unlawfully discriminatory manner;

4. The student has the knowledge or ability to succeed in the course or program despite not meeting the prerequisite or corequisite;

5. The student will be subject to undue delay in attaining the goal of his or her educational plan because the prerequisite or corequisite course has not been made reasonably available or such other grounds for challenge as may be established by the Board;

6. The student seeks to enroll and has not been allowed to enroll due to a limitation on enrollment established for a course that involves intercollegiate competition or public performance, or one or more of the courses for which enrollment has been limited to a cohort of students;

7. The student seeks to enroll in a course that has a prerequisite established to protect health and safety, and the student demonstrates that he or she does not pose a threat to himself or herself or others;

The student has the obligation to provide satisfactory evidence that the challenge should be upheld. However, where facts essential to a determination of whether the student’s challenge should be upheld are or ought to be in the District’s own records, then the District has the obligation to produce that information.

Unofficial transcripts may be submitted with the Matriculation Appeals Petition to temporarily validate a prerequisite. However, official transcripts must be received prior to registration for the next term for permanent validation.

The ACG grant is for students who are enrolled full time in their first and second academic years and have graduated from a rigorous high school program of study. The BOGW is valid for the entire academic year beginning with summer and ending with the following spring semester. The BOGW does not pay for books, student services or health fees, or additional class fees. If you are not a California resident, you may be eligible to apply for a non-resident tuition exemption through the AB540 program. **Scholarships** (range from $50 - $6000) – Students may utilize scholarships at RCCD in two ways: Scholarships from sources outside of RCCD or from scholarships offered through the RCCD Foundation. A list of scholarships available from outside sources, including free Internet scholarship search sites, is published throughout the year and is available at the Student Financial Services website at [www.rcc.edu/studentfinancialservices](http://www.rcc.edu/studentfinancialservices) and in the Student Financial Services office at all three college locations. When outside scholarship funds are received by RCCD, the student is notified by mail and must submit a Scholarship Action form in order to use the scholarship funds at RCCD. The RCCD Foundation scholarship brochure for continuing and transferring students is available during the fall semester with an application deadline in early December. Applicants chosen for RCCD scholarships are notified by May of each year. The scholarship funds for students continuing at RCCD are disbursed during the following fall and spring semesters upon verification of eligibility. The scholarship funds for students transferring to a university are disbursed to the transfer institution during the next fall semester. Transfer students must return the Transfer Notification form with the transfer institution information. RCCD Foundation Scholarship brochure and application for high school seniors who plan to attend RCCD are available during January and February of each year.

**Chafee Grant** (up to $5000) – Are you or were you a foster youth between the age of 16-22 years old? You may be eligible for this grant. Applications can be found online at [www.chafee.csac.ca.gov](http://www.chafee.csac.ca.gov).

**Student Financial Services Counseling/Outreach** – If you would like assistance to apply for financial assistance, search for scholarships over the internet, or meet with our Student Financial Services (SFS) Academic Counselors, please visit our office located at Riverside City College behind the Bradshaw Student Center. You may also visit the SFS Office at Moreno Valley and Norco to make appointments to meet with our SFS Academic Counselors.

**Loans** – Riverside Community College District (RCCD) strives to help students reach their educational goal with the least amount of student loan debt possible. RCCD participates in the Federal Family Education Loan (FFEL) program. We offer Subsidized and Unsubsidized FFEL Stafford loans to help students achieve their career goals. The loan applications are available during the fall and spring semesters in the SFS Office at each college location. FFEL loans must be repaid with interest and we encourage all students to exercise caution when borrowing any student educational loans. Federal Student Loans should be the last alternative to pay for a student's education, so plan ahead when determining the amount you request to borrow. Loan amounts are based on grade level, unmet financial need, annual and aggregate loan limits, loan history and satisfactory academic progress. Students applying for a loan are required to have a two year Student Educational Plan (SEP) on file with RCCD before applying for the loan and must be enrolled in 6 or more units on that SEP plan.

For specialized grants including Gear Up, Child Development Grant, SSS Grant, etc., please see any Student Financial Services Office for additional information or visit our consumer guide online.

If you are considered an out-of-state (or non-resident) student, the SFS Office may be able to assist you with your fees. Please visit the SFS Office and inquire about our non-resident deferment policy.

Not all RCCD courses are approved for financial assistance by the Department of Education. For a list of courses that are not approved to receive financial assistance, please visit the SFS Office.
Tobacco & Drug Abuse Prevention Program

Statement of Philosophy and Purpose

It is the intention of the Riverside Community College District to provide an environment that maximizes academic achievement and personal growth. The District recognizes that alcohol, tobacco and other drug use/drug abuse poses a significant threat to the health, safety and well-being of users and the people around them. Substance abuse also interferes with academic, cocurricular and extracurricular interests and can lead to health, personal, social, economic and legal problems.

Alcohol and other drug abuse addiction or dependency is a behavioral/medical problem. Because the District’s intent is to be helpful, not punitive, programs have been developed to deter alcohol and other drug abuse. First, education is provided. Second, a program of assistance and referral is available. Third, disciplinary procedures are applied to uphold the District policy regarding alcohol and other drug use and the Standards of Student Conduct as listed in the Student Handbook.

The District policy is that all use of alcohol, tobacco and other drugs is prohibited on the District property and at any college sponsored or related activity regardless of its location.

Education

The Riverside Community College District offers a wide variety of educational opportunities to its students and the community which address alcohol, tobacco and other drug related issues. Information about courses is available in the college catalog, class schedule and through the Counseling Center.

Additional educational opportunities include awareness activities, conferences, workshops, films/videos and lectures, some of which are available at the Health Service Office at each college location.

Assistance and Referral

Students can seek help through College Health Services. Health professionals provide assistance for students with alcohol, tobacco or drug related problems including crisis intervention, education and/or referral. Contact the Student Health Center at one of the following locations:

• Moreno Valley: 571-6103
• Norco: 372-7046
• Riverside City College: 222-8151

Q: The grace period is over and I still haven’t received the parking permit I ordered. What should I do?
A: Parking permits are mailed within 1-3 days after payment (weekends & holidays excluded). If you haven’t received your parking permit in the mail by the time the grace period is over, please contact Parking Services to find out why it may have been delayed.

Q: What are the hours permits are required?
A: Permits are required on all district property, Monday through Thursday from 7:00am-10:00pm, Friday 7:00am-4:00pm. RCCD ENFORCES ALL OTHER RULES OF THE CALIFORNIA VEHICLE CODE (i.e., posted time zones, red curbs, handicap spaces, expired registration, etc) 24 HOURS A DAY, 7 DAYS A WEEK.

Q: If I paid for a parking permit, can I park wherever I want, right?
A: NO! Parking permits allow students to park on district property in student spaces. THEY DO NOT GUARANTEE A SPACE AND THE INABILITY TO LOCATE A LEGAL PARKING SPACE IS NOT A VALID JUSTIFICATION FOR THE VIOLATION OF DISTRICT PARKING REGULATIONS OR THE CALIFORNIA VEHICLE CODE. YOUR PARKING PERMIT MUST BE PROPERLY DISPLAYED IN PLAIN, FULL VIEW, AND NUMBERS CLEARLY VISIBLE, ACCORDING TO THE INSTRUCTIONS ON THE PERMIT.

Q: I only have a couple of classes a week. Can I just park in the neighborhood close to campus?
A: NO!! There is no parking available to students in the neighborhood adjacent to the campus. There are heavy fines for students doing so, and you subject your vehicle to being towed away at your expense.

Q: Where can I park on campus if I choose not to purchase a semester parking permit?
A: There are parking permit dispensers at each of the three RCCD college locations. The prices of the permits are: $1 for two hours, $2 for four hours and $3 buys an all day permit. Semester permits are more economical and convenient for most students. It is your responsibility to have a valid parking permit properly displayed on your vehicle.

Q: I ride a motorcycle. Do I have to purchase a parking permit?
A: Yes, if you plan to park on campus. Motorcycles are restricted to parking within designated spaces set aside on campus.

Q: What if I use a different car or forget my permit, can I just leave a note on the windshield stating so?
A: NO. If you forget your permit, stop by or call the Safety & Police Parking Office at Riverside (951) 222-8171, Student Services at Norco (951) 372-7088, or Safety & Police at Moreno Valley (951) 571-6190. You will be required to supply your student ID number for verification that you have purchased a permit. You may receive only three (3) temporary permits per semester.

Q: I got a parking citation. Now what do I do?
A: No one enjoys getting a parking citation, but getting angry and rude will not make it go away. If you believe the citation was issued in error, you can contest the citation. Follow the directions on the back of the citation. You have twenty-one (21) calendar days from the date the citation was issued to do so. The appeal process is in accordance with California law.

Q: Why is parking such a challenge?
A: The first few weeks of a new semester are always the busiest. Students are still registering, paying fees, adding and dropping classes and buying parking permits. Riverside City College has a new multi-structured parking building on Magnolia Avenue that can be accessed from Magnolia or 15th Street. Additional parking is also available at 3rd and Magnolia/Market, Riverside. Find alternate transportation the first few weeks, i.e., walk, carpool with friends, take the bus, or ride a bicycle. Try searching for a parking space in the lower level of the Riverside campus first. REMEMBER, YOU ARE RESPONSIBLE FOR FINDING LEGAL PARKING.

Department of Safety & Police Parking Services offers a variety of safety and basic services to the college community, and are available 24 hours a day, 7 days a week. Services include lockout service on non-automatic lock vehicles and jump-starts. Also available is an escort service to walk you to your vehicle in the evening. Program your cell phone with our dispatch center at (951) 222-8171. This number will work for all District properties.

If you need emergency services, each campus has several “Blue Light” emergency phones that will connect you directly to our 911 dispatch center. Please use these only in an emergency. You may also dial 911 from any campus inside desk telephone.

Nondiscrimination, Commitment to Diversity & Prohibition of Harassment and Retaliation Policies~

Board Policy 7100 Commitment to Diversity
Board Policy 3410 Nondiscrimination
Board Policy 3430 Prohibition of Harassment and Retaliation

Commitment to Diversity

Riverside Community College District is committed to building a diverse and accessible environment that fosters intellectual and social advancement. All District programs and activities seek to affirm pluralism of beliefs and opinions, including diversity of religion, gender, ethnicity, race, sexual orientation, disability, age and socioeconomic class. Diversity is encouraged and welcomed because RCCD recognizes that our differences, as well as our commonalities, promote integrity and resilience that prepares our students for the evolving and changing community we serve.

Nondiscrimination

The Riverside Community College District Board of Trustees has adopted policies and procedures that comply with Federal and State laws relating to prohibition of discrimination and/or harassment on the basis of an actual, perceived or association with others’: disability, sex/gender, nationality, race or ethnicity, age (40+), religion, sexual orientation, marital status, Vietnam Veteran status or any characteristic listed or defined in Section 11135 of the Government code or any characteristic that is contained in the prohibition of hate crimes set forth in subdivision (a) of Section 422.6 of the Penal Code.

To obtain a complete copy of the Board Policies mentioned above, please call the Diversity, Equity and Compliance Office: (951) 222-8039 or the Diversity and Human Resources Department: (951) 222-8595.

Prohibition of Harassment and Retaliation

All forms of harassment are contrary to basic standards of conduct between individuals and are prohibited by State and Federal law, as well as this policy, and will not be tolerated. The District is committed to providing an academic and work environment that respects the dignity of individuals and groups. The District shall be free of sexual harassment and all forms of sexual intimidation and exploitation. It shall also be free of other unlawful harassment, including that which is based upon an individual’s actual or perceived association with others’: ethnic group identification, national origin, religion, age, sex or gender, race, color, ancestry, sexual orientation, physical or mental disability, or any characteristic listed or defined in Section 11135 of the Government code or any characteristic that is contained in the prohibition of hate crimes set forth in subdivision (a) of Section 422.6 of the Penal Code.

This policy applies to all aspects of the academic environment, including but not limited to classroom conditions, grades, academic standing, employment opportunities, scholarships, recommendations, disciplinary actions, and participation in any community college activity.

The District seeks to foster an environment in which all employees and students feel free to report incidents of harassment without fear of retaliation or reprisal. Retaliation may involve, but is not limited to, the making or threats of reprisals, intimidation, coercion, discrimination or harassment following the initiation of an informal or formal complaint. Such conduct is illegal and constitutes a violation of this policy.

Therefore, the District also strictly prohibits retaliation against any individual for filing a complaint, who refers a matter for investigation or complaint, who participates in an investigation, who represents or serves as an advocate for an alleged victim or alleged offender, or who otherwise furthers the principles of unlawful discrimination or harassment.
Reporting Discrimination or Harassment
Riverside Community College District • Diversity and Human Resources

The RCCD Diversity, Equity and Compliance office is available to assist students, faculty, staff and visitors with problems or questions regarding discrimination or harassment. For more information on reporting procedures or to download a copy of the required form to file a formal complaint, please visit our web site at www.rcc.edu or we may be reached by telephone at: (951) 222-8039.

How to Report
If you experience or witness what you believe to be unlawful discrimination or harassment please document the following information:

• Date, time and location of the incident;
• Names and contact information for those involved and possible witnesses, if known;
• Detailed information on what occurred;
• Report your concerns and problems to the District by calling (951) 222-8039.

Discrimination/Harassment is contrary to the RCCD mission of higher education and is against the law. District policy prohibits any discriminatory practice that is based upon an individual’s actual, perceived or association with others:

• Ethnic group identification  National origin  Religion
• Age  Sex or Gender  Race
• Color  Ancestry  Sexual Orientation
• Physical or Mental Disability

Or any characteristic listed or defined in Section 11135 of the Government Code or any characteristic that is contained in the prohibition of hate crimes set forth in subdivision (a) of Section 422.6 of the Penal Code.

Sexual Harassment has no place in an academic or work setting. RCCD is committed to providing a positive and safe environment for all students, employees and visitors. The following is a partial list of prohibited activities that may be considered sexual harassment:

• Unwanted sexual advances;
• Offering employment or grade benefits in exchange for sexual favors;
• Actual or threatened retaliation for non-participation;
• Leering; making sexual gestures; or displaying sexually suggestive objects, pictures, cartoons, or posters, sexual comments including graphic comments about an individual’s body;
• Making or using derogatory comments, epithets, slurs, or jokes;
• Sexually degrading words describing an individual; suggestive or obscene letters, notes, or invitations;
• Physical touching or assault, as well as impeding or blocking movements.

Resolution of complaints may be achieved by either formal or informal process. The choice of resolution process is determined by the individual raising the complaint. The purpose of the informal resolution process is to allow an individual who believes they have experienced discrimination or harassment to resolve the issue through a mediation process rather than the formal complaint process. Typically, the informal process is utilized when there is a simple misunderstanding or the individual seeks nothing more than a clarification of the misunderstanding or an apology from the other person and an assurance that the offending behavior will cease. Informal resolutions are to be reviewed by the Director of Diversity, Equity and Compliance. Formal complaints must be filed in writing using the required formal complaint form available on our web site, the State Chancellor’s web site or in the Diversity and Human Resources department. If a formal complaint is filed, the District conducts an investigation within required timeframes according to policy and law. During the formal process the complainant will not be required to confront, or work out problems with, the person accused of unlawful conduct.

Informal Resolutions may be arranged by contacting the RCCD Diversity, Equity and Compliance office at (951) 222-8039. Informal resolutions require written acknowledgement from the person raising the concern. Choosing the informal process does not hinder the right to file a formal complaint within the regulatory time period for formal complaints.

Formal Complaints may be filed by contacting the RCCD Diversity, Equity and Compliance office at (951) 222-8039 or the California Community Colleges Chancellor’s Office at 1102 Q Street, Sacramento, CA 95811. Formal complaints must be submitted in writing on the required complaint form. Formal complaints may only be filed by one who alleges they have personally suffered unlawful discrimination/harassment or by one who has learned of such unlawful discrimination in their official capacity as a District faculty member or administrator.

The complaint form is available from the following web sites:
www.rcc.edu/administration/hr/files/Discrim_Complaint_2006.pdf
www.rcc.edu/administration/hr/files/Discrim_Complaint_2006.pdf

Upon receipt of a completed complaint form, the District will conduct an investigation within the time period required by Board Policy and California Code of Regulations, Title 5, Section 59300. Both the complainant and person accused of the conduct will be notified of the investigative findings.

Timeline for Filing a Complaint in cases not involving employment discrimination/harassment is within one year of the last date the alleged conduct occurred. Complaints involving employment discrimination/harassment shall be filed within 180-calendar days of the last date the alleged conduct occurred. An extension may be available if knowledge of the facts of the alleged discrimination or violation occurs after the expiration date.

In cases not involving employment related discrimination/harassment, in addition to the State Chancellor’s office cited above, individuals have the right to file a complaint with the following external agency:
